Malibu, Calif. — For the last non-conference matches this season, the #19 Pepperdine women's soccer team is home at Tari Frahm Rokus Field for the first time in almost three weeks to face Fresno State and Cornell.

MATCH #9 — 300 WIN CELEBRATION — Friday (Sept. 20) at Tari Frahm Rokus field against Fresno State for a 3 p.m. kickoff. There will be a short ceremony beforehand honoring head coach Tim Ward and his 300 career wins, which he amassed against #3 UCLA the last time the Waves were in Malibu.

MATCH #10 — SENIOR DAY — Sunday (Sept. 22) at Tari Frahm Rokus field against Cornell for a 12 p.m. kickoff. A total of ten seniors will be recognized before the game for their contribution to the program.

ONLINE — Both Friday and Sunday's match can be found on ESPN+ (subscription required). Links to live stats can be found at PepperdineWaves.com.

FRESNO STATE (5-1-1) — Dating back to 2000, the Waves are 5-1-1 all-time against the Bulldogs. Pepperdine went on the road last year and emerged with a 2-0 victory. Prior to 2023, the last matchup between the two teams came eight years ago in 2016. The Waves' only loss to the Bulldogs was in the first match in 2000. The Bulldogs are off to a hot start for the 2024 season, most recently beating Oregon State on the road and CSU Bakersfield at home.

CORNELL (1-2-4) — Pepperdine has never played Cornell. The Bears went 4-5-6 last year as members of the Ivy League, a conference Harvard won in the 2023 season. Cornell defeated Syracuse 1-0 Sept. 3 for their sole victory of the year thusfar. This will be the Bear's first trip out to California since 1991.

ROSTER NUMBERS — The Waves' 30-player roster breakdown is three graduates, four seniors, two redshirt juniors, five juniors, three redshirt sophomores, three sophomores, one redshirt freshman and nine true freshmen. Pepperdine has 19 returners, including eight postseason starters. Two Waves — **Victoria Romero** and **Tori Waldeck** — are back for an extra season after utilizing COVID-19 redshirt years. Graduate transfer **Megan Edelman** comes to Pepperdine after winning a 2022 National Championship in her four years at UCLA.

WEST COAST CONFERENCE — The Waves were picked to finish third in the WCC preseason coaches poll for a third consecutive season. The order went as follows: Santa Clara, Washington State, **Pepperdine**, Portland, Gonzaga, Saint Mary's, San Francisco, Oregon State, Pacific, Loyola Marymount, and San Diego.

LAST SEASON — The Waves finished second in the WCC with their 13th NCAA tournament appearance in 2023. Pepperdine lost in the first round to NCAA national-runner up Stanford. Returners **Taylor Bloom** and **Tori Waldeck** earned spots on the United Soccer Coaches All-West Region Teams. Waldeck also earned WCC Player of the Year while returning sophomore **Julia Quinonez** received WCC Freshman of the Year.

WAVES IN THE PROS — Several Waves have made their marks professionally. **Lynn Williams** is a four-time NWSL champion (2016 Western New York Flash, 2018 and 2019 North Carolina Courage, and 2023 Gotham FC). In 2016, she was also the NWSL MVP and Golden Boot winner. As a member of the U.S. National Team, she's earned 70 caps and scored 19 goals. She won a gold medal in the most recent 2024 Olympics in Paris as well as a bronze in the 2020 Tokyo Olympics. Williams made her World Cup debut in summer of 2023. **Bri Visalli**, who has been part of the U.S. U-23 team, played in England for a couple of seasons before joining the NWSL's Houston

2024 OLYMPICS – In the summer games, Pepperdine alum Lynn Williams ('15) won her first gold medal with the United States Women's National Team and only the second gold for a female Pepperdine graduate. Originally named to the alternate squad, Williams was elevated to the 18-man roster prior to group stage play. ABOUT PEPPERDINE UNIVERSITY — Pepperdine boasts a one-of-a-kind athletic department with unprecedented success for a school of its size. The Waves have won NCAA Division I championships in five different men's sports — one of just 20 schools to have accomplished this feat — and 10 overall. Of this elite group, Pepperdine has the smallest undergraduate enrollment, is the only school without football and is the only university that has not been affiliated with a "major" conference. The Waves have won a total of 26 team or individual national championships in their history. Pepperdine has also earned the Division I-AAA All-Sports Trophy, an award based on postseason success that's given to the top non-football school, four times (most recently in 2022-23). Located in scenic Malibu, California, the university overlooks the Pacific Ocean and its campus and athletic facilities are regularly voted among the nation's most beautiful. Pepperdine, which is affiliated with the Church of Christ, ranks #76 overall on U.S. News and World Report's list of America's best colleges.
