Prentice Gudgen Award Winners

The Prentice Gudgen Award, which was initiated in 1979, honors the longtime Pittsburg State University track & field coach and athletic director. Gudgen served as the track & field coach at PSU from 1952-66. Under his leadership, the Gorillas won five conference championships and were a prominent fixture on the midwestern relay circuit.

The award is given annually to the PSU male athlete who scores the most points at the conference outdoor track & field meet.

Busarind Rogers Award Winners

The Busarind Rogers Award (formerly the Carl Beard Award) is given annually to the Pittsburg State women's track and field team member who scores the most points at the conference outdoor track championship.

Initiated in 1987, the award originally was named in honor of longtime track supporter Carl Beard. Beard had served as clerk at home meets from 1952 until his death in 1987. He coached at Pittsburg's College High School from 1951-1971, and graduated from Pittsburg State University in 1942.

The award has since been renamed in honor of former PSU All-American heptathlete Busarind Rogers, who died tragically in 1998.
