• Ross Learnard's consecutive scoreless inings streak was snapped at 35 2/3 May 14 vs. Michigan. It was the first run he had allowed since Mach 5.

- AROUND THE HORN -

• Purdue's first series win at Minnesota since 2000 locked up the program's first Big Ten Tournament berth since winning the event in 2012. It was the longest drought since going five straight years without a postseason appearance from 1988 to 1992.
• The Boilermakers had to play 20 innings on May 19 at Minnesota after Thursday's series opener was suspended due to a partial power outage at Siebert Field in the middle of the seventh inning. Ross Learnard closed out the 5-2 series-opening win and Gareth Stroh led the way in an 11-1 win in game one of the Friday doubleheader.
• Purdue had a streak of 57 consecutive innings without trailing (April 19-29). It ended in the first inning of the May 5 series-opening loss to Northwestern and the Boilermakers went on to lose six of seven. Purdue trailed for 32 consecutive innings from May 7-13 and did not hold the lead for 41 consecutive innings from May 7-16.
• The Boilermakers played 13 consecutive games at home from April 21 to May 14. Purdue went 7-6 during its longest homestand since 1983.

HEAD COACH MARK WASIKOWSKI

Mark Wasikowski, an assistant coach and recruiting coordinator at the Universities of Oregon, Arizona, Florida as well as Southeast Missouri State during his career, was hired as the head coach of Purdue baseball in June 2016.

Wasikowski has played and coached in the College World Series. He helped lead teams to 14 NCAA Tournament appearances during a successful 20-year run as an assistant coach. He also won an NCAA championship as the starting third baseman and a captain on Pepperdine's 1992 College World Series team.

Wasikowski (pronounced WOZ-uh-COW-ski) played for and worked under three-time national Coach of the Year Andy Lopez for a combined 18 years. He was part of Lopez's coaching staffs at both Florida (1999-2001) and Arizona (2002-11) before joining George Horton's staff at Oregon in the summer of 2011, spending five seasons with Horton in Eugene. Wasikowski was an assistant coach on Arizona's 2004 College World Series team, the same year that Horton led Cal State Fullerton to the national title.

Wasikowski has been an assistant coach on teams that have made 11 NCAA Regional appearances since 2003, including six straight seasons from 2010 to 2015. Oregon qualified for the NCAA Tournament in four of his five years, hosting two Regionals and a 2012 Super Regional. When Lopez took over the Arizona program in 2001 with Wasikowski by his side, the Wildcats had been to one Regional in the last nine years. During Wasikowski's 10 years as an assistant in Tucson, Arizona qualified for the postseason seven times.

Wasikowski is the 20th head coach in Purdue's 129-year history, but only the Boilermakers' fourth full-time skipper since 1978.

Wasikowski has coached 117 players that have been selected in the Major League Baseball Draft, a list highlighted by 28 big leaguers. During his 10 seasons at Arizona, Wasikowski coached 59 Major League Baseball draft picks and 22 future big leaguers. As the recruiting coordinator, he assembled the Wildcats' 2012 national championship team, leaving for Oregon before the start of the 2011-12 school year. Oregon was one of only three teams nationally to win 40-plus games every year from 2012 to 2014. During his five seasons in Eugene, the Ducks had 23 players drafted. Oregon also had a perfect 1,000 APR score as recently as 2015.

Wasikowski was a two-time All-West Coast Conference honoree at Pepperdine after spending his first two collegiate seasons at Hawaii and Rancho Santiago Junior College. He was selected by the Milwaukee Brewers in the 1993 MLB Draft, but opted to remain at Pepperdine to finish his bachelor's degree in business administration while serving as a student assistant under Lopez during the 1994 season. He also has a master's of business administration from Southeast Missouri.

Wasikowski was inducted into the Pepperdine Athletics Hall of Fame along with all of his teammates from the 1992 national championship team. He led the Waves in doubles as a junior and hits as a senior, guiding Pepperdine back to the NCAA Tournament in 1993.

Wasikowski and his wife, Lori Jo, are the parents of two daughters, Joelle and Kelsey.

WHAT THEY'RE SAYING ABOUT MARK WASIKOWSKI...

George Horton – Head Coach at the University of Oregon

"I believe Mark Wasikowski is one of the brightest, up-and-coming baseball coaches in the country. There is no doubt that Mark will make a huge impact as the new leader at Purdue. We will miss Coach Waz and wish him great fortune."

Andy Lopez – Former Head Coach at Pepperdine, Florida & Arizona; Two-Time NCAA Champion

"Mark Wasikowski is more than ready to be a successful head coach. He will not only establish a winning culture, but he and his family will be a great addition to Purdue University and the community."

Mark Hogan – Head Coach at Southeast Missouri State From 1996 to 2012

"Mark is arguably the best recruiter in the country. He's going to be a tireless and energetic guy. His understanding of the inner workings of the game is off the charts, and they were that way almost 20 years ago when he was with me. What a great, great hire for Purdue. We are thrilled for Mark and his family."

Nick Hundley – Colorado Rockies Catcher, 2005 All-American at Arizona

"I never in my wildest dreams thought I'd go to Arizona. I thought I was going to Stanford or Tulane when Waz started recruiting me. I felt like he cared more about me than anyone I talked to in the recruiting process. He out recruited every other school. My dad was a college football coach for 41 years, and he told me during the process that Arizona will get good players if I went there because Waz could recruit and get players in there. Then when I got to school, he was more concerned with me as a person than he was with my performance. He stayed on me about school and put together a three-year graduation plan so I could be done with school if I signed after my junior year. As a player, I left Arizona much better than when I arrived. He was very good at the mental part of the game and pushing us to get to places we didn't know we could go. I still talk to Waz about once every three months. He is very loyal, and I would trust his character to run my program."

Robert Refsnyder – New York Yankees Second Baseman, 2012 College World Series MVP at Arizona

"I can't say enough about Waz. He was a diligent recruiter and true competitor. I have the upmost respect for him. He's a family man and a family coach. If you give your all as a player, he will give you everything he's got. Love that guy!"

Trevor Crowe – 2005 First Round MLB Draft Pick, 2005 All-American at Arizona

"My experience with Coach Waz at the University of Arizona was an important part of my development as a baseball player, but was more important to my development as a human being. I hope my child has the chance to develop as a baseball player and a man under the leadership of a man like Coach Waz."

- 2017 PURDUE BASEBALL: MOST IMPROVED NATIONALLY -

• Purdue won its final seven games of April, taking over the title of the nation's most-improved team and continuing the greatest turnaround in program history. The Boilermakers enter the Big Ten Tournament having won 19 more games than they did last season, enjoying their best season since winning the Big Ten title in 2012. Purdue is tops nationally in win differential and second in winning percentage improvement vs. last season. The Boilermakers managed to double last year's win total by April 21. Purdue's 12 Big Ten wins were more than the last two seasons combined (8).

St. John's	28-26-1518	40-9816	+12	+ .298

• Purdue experienced quite a bit of roster turnover, but the newcomers have helped spearhead this season's turnaround. Among position players, newcomers have made a combined 249 starts for Purdue. On the mound, **Gareth Stroh** (14) and **Jack Dellinger** (9) have accounted for 23 of the 25 starts by newcomers. Combined, that's 272 starts by Boilermakers that weren't on the team last season. And they may not have started a game this season, but relievers/newcomers **Ross Learnard**, **Dalton Parker** and **Cameron Williams** have also been a big part of the turnaround.

• By rallying to win April 19 at Indiana State, Purdue avoided dropping below the .500 mark for the first time since March 16. By contrast, prior to this season the Boilermakers' overall record had not been over .500 since it was 3-2 early in the 2013 campaign. They've now clinched having an overall winning record this year. The two seven-game wins streaks (March 13-25, April 19-29) have fueled Purdue's ability to maintain a winning record since the spring break trip. But winning on Fridays has been significant as well. The Boilermakers are 10-5 on Fridays, winning five of their first six Friday games and nine of their first 11. Purdue played 20 innings on its final Friday of the regular season, finishing off a series-opening win at Minnesota and then splitting a doubleheader with the Gophers.

• With a 2-9 record on Sundays, those Friday wins have also helped keep the Boilermakers in the hunt for its first Big Ten Tournament berth since the 2012 Big Ten championship team. Purdue suffered its first sweep of the year May 12-14 vs. Michigan. This year's Boilermakers came close but were unable to join the 2001, 2006 and 2012 teams as the only ones to avoid a traditional weekend series sweep for a full season.

ALREADY THE GREATEST TURNAROUND IN PROGRAM HISTORY

• Purdue has already posted the best season-to-season win improvement in program history. This season marks only the sixth time in 130 years of Boilermaker baseball that the team has won at least 10 more games than the year before. The only other times the program had a .300-point improvement in winning percentage were both before World War II when the Boilermakers played fewer than 20 games in a season.

1925 to 1926	5-11	11-4-2	+6	+ .393
1931 to 1932	3-7	8-5	+5	+ .315

• **PURDUE HAS WON 19 MORE GAMES THAN IT DID LAST SEASON**

• **BOILERMAKERS ARE ONLY THE 2ND BIG TEN TEAM SINCE 1988 TO WIN 10 MORE LEAGUE GAMES THAN THE PREVIOUS YEAR**

• **PURDUE IS THE FIRST TEAM SINCE PENN STATE (2010-11) TO MAKE THE BIG TEN TOURNAMENT AFTER FINISHING LAST IN THE STANDINGS THE PREVIOUS YEAR**

TURNAROUND ALSO IN EXCLUSIVE COMPANY IN RECENT BIG TEN HISTORY

• By winning 10 more games in league play, Purdue also matched the top year-to-year improvement in the recent history of the Big Ten Conference. Since the league did away with its divisional alignment and schedule beginning in 1988, only one other team won 10 more games in Big Ten play than it did the year before. Coincidentally, that was the 2008 Boilermakers, who finished second in the standings at 21-10 after being eighth at 11-20 the year prior.

• Purdue matched Minnesota's plus-.417 improvement in winning percentage from 2008 (10-21) to 2009 (17-6) as the standard in that category since 1988. However, for Minnesota those were the years in which the league switched from a 32-game conference schedule in 2008 to the current 24-game slate in 2009. Iowa's plus-.375 improvement in winning percentage in Big Ten play from 2014 to 2015 had been the best in years in which the number of games on the schedule were equal.

• The top eight teams qualify for the Big Ten Tournament, which the Boilermakers had not done since winning the event while making their program-record fifth straight appearance in 2012. Purdue ended its longest drought since 1988 to 1992 (5 straight seasons), but also joined a unique list of teams to qualify for the Big Ten Tournament only one year after finishing last in the standings. Penn State (last in 2010, qualified in 2011) was the most recent team to accomplish the feat, capping a stretch in which it happened three times from 2008 to 2011 (Indiana in 2008, Iowa in 2010). Since the end of the Big Ten's divisional era in 1988, the Boilermakers became only the ninth teams qualify for the league tournament after finishing last the year before. That list also includes Purdue's 1995 team, which improved from 8-20 in 1994 to 15-13 the following season to make the four-team field.

• **ALEC OLUND (Junior Outfielder): Two-time Academic All-Big Ten (2016-17)...** Three-year starting outfielder played in every game last season and the first 36 this year... did not start a game from April 19 to May 13, but delivered a walk-off double in 12-inning win vs. Northwestern on May 6... it was his second career walk-off hit after his two-out bunt single was the game winner in a 15-inning victory vs. Ohio in March 2016... back in the lineup as of late, he was 7-for-16 with 3 XBH over a 4-game stretch (May 14-19), highlighted by 3-RBI effort in game 2 win at Minnesota... homered as part of a 3-hit, 3-RBI effort in game 2 win at Southeast Missouri... has 10 career outfield assists, including 2 in the game 2 loss at Iowa... only active Boilermaker with a multi-homer game in his career, going deep twice to left field at Alexander Field in April 2015 vs. Fort Wayne.

• **HAYDEN GRANT (Senior Third Baseman): Big Ten Sportsmanship honoree...** Served as the dugout captain (in charge of energy & alterners for guys not in the lineup) regularly for the first nine weekends of the season, but he was ready when his opportunity arrived in mid-April... has now started the last 19 games at third base, solidifying the position defensively... committed only 3 errors in 56 defensive chances (.946 fielding pct.) since taking over at third base... scored the game-winning run from first base on Alec Olund's walk-off double in the 12-inning victory vs. Northwestern... hit his first collegiate home run in the win vs. Fort Wayne in Kokomo... had made only 5 career starts entering the season... also started the season opener at Texas State after Logan Poisall was en route to the field due to Poisall's father passing away unexpectedly right before first road trip.

• **MILO BEAM (Freshman Outfielder):** Started the season opener and 4 of the first 5 games of the season, but then did not travel for the spring break trip to California... returned to the starting lineup in time for the Big Ten opener at Iowa and has made 16 of his 26 starts in Big Ten play... been timed as Purdue's fastest runner down the first base line and thus likes to bunt... also has a good eye, drawing 15 walks to boost his OBP (.359) nearly over .150 points above his average (.213)... scored the game-winning run in the walk-off victories vs. Illinois and Saint Louis... finished the regular season strong by reaching base 7 times in 11 plate appearances at Minnesota, scoring 4 times.

• **BRYCE BONNER (Freshman Catcher): Big Ten All-Freshman Team...** Opened the season as the backup catcher behind Nick Dalesandro, but played his way into the everyday lineup... leads the Boilermakers in walks (26) while ranking second in doubles (13) and OPS (.822)... only the fourth Purdue freshman to record 13 doubles... Texas native started 25 straight games from March 31 to May 13, including 14 consecutive games at catcher during that stretch... was behind the plate for every inning of the Boilermakers' second seven-game win streak of the season; during that streak, Purdue did not trail for 57 consecutive innings... caught 122 consecutive innings from April 18 to May 12... had a double in 4 straight games on the spring break trip and 12 doubles in a span of 66 at-bats from March 11 to April 18... reached base safely in 12 straight Big Ten games from April 8 to May 12.

• **LOGAN POISALL (Junior Third Baseman/Second Baseman):** Enjoyed a memorable and emotional first two weeks of the season, starting nine straight games during that stretch... featured on MLB Network's Hot Stove show Feb. 24 from the team hotel in Little Rock to discuss how well he played at Texas State (4-for-12, 2B, HR, 2 walk, 4 runs) after learning of the passing of his father Feb. 16... injuries have limited him since spring break, making just 10 starts since St. Patrick's Day... delivered the walk-off hit, a two-out infield single, in the home-opening victory vs. Kent State.

FRESHMAN FEATS

- **Bryce Bonner's** 13 doubles are tied for third most ever by a Purdue freshman. Bonner joins Cameron Perkins (17 in 2010), Jermaine Allensworth (14 in 1991) and Elam "Rico" Rossy (13 in 1982) as the other Boilermakers with 13 doubles as freshmen. Allensworth and Rossy both made it to the big leagues and Perkins is currently at the Triple-A level in the Philadelphia Phillies farm system.
- **Skyler Hunter** had three hits, including a pair of doubles, in the game two win at Minnesota for his team-high 19th multi-hit game. He's opened up a .20-point lead on **Nick Dalesandro** for the team lead in batting average. Hunter is on track to become the first freshman to lead the Boilermakers in hitting since Kevin Plawecki (.343) in 2010. Hunter has already become the first Purdue freshman with 30 RBI since Plawecki (53) and Perkins (34) in 2010.

LOTS OF LEFTIES AS OF LATE

- The Boilermakers faced only eight left-handed starting pitchers in their first 40 games this year. But Purdue has seen a lot more lefties as of late. Northwestern and Michigan both had a pair of southpaws in their weekend rotations and Minnesota's game one starter was also a lefty. The Boilermakers faced eight southpaw starters in a 12-game span from April 25 to May 18.

LEARNARD HAS PURDUE'S ERA RECORD IN SIGHTS

- **Ross Learnard's** memorable consecutive scoreless innings pitched streak may have ended at 35 2/3 in the May 14 loss to Michigan, but Purdue's relief ace still has only been charged with two runs in 44 1/3 innings this year. With a 0.41 ERA, he's making a run at the program's single-season record (minimum 30 innings). Steve Krull's benchmark of 0.60 ERA (in 30 innings) has stood since 1965. Krull made 10 of his 11 appearances that season as a reliever. Krull's most impressive season came two years later when he posted a 1.04 ERA in 78 innings as the Boilermakers' ace starter. Of the 26 runs scored against Krull that year, 17 were unearned.
- Learnard enters the weekend with a 0.857 WHIP, surrendering just 29 hits and nine walks in 44 1/3 innings. Krull also owns the program's single-season record for WHIP (minimum 30 innings), a 0.833 mark in 1965. Even if he can't eclipse Krull's record, Learnard has a chance to become just the sixth Purdue pitcher to post a sub-1.000 WHIP. Robert Ramer (0.914) and Blake Mascarello (0.963) both accomplished the feat while helping the 2012 team win the Big Ten title.
- Learnard has a chance to add his name to Purdue's top-15 list for fewest hits allowed per nine innings in a season (minimum 30 innings). Learnard enters the weekend with a 5.887 mark. The Boilermakers have had only two pitchers total in the last 24 years at 6.750 and below for hits allowed per nine innings – Matt Gibbs (5.769) in 2014 and Trae Dauby (6.750) in 2004.

BOILERMAKERS FINISHED APRIL STRONG

- Purdue finished April riding a seven-game win streak, its second of the season. That was a program first since the 2012 Big Ten championship season, during which the Boilermakers had a pair of 10-game win streaks. Purdue won the first six games of its 13-game homestand for its longest win streak at Alexander Field (2013-present) and longest home win streak since April 2010.
- The Boilermakers did not trail for 57 consecutive innings from the seventh inning of the April 19 comeback win at Indiana State through the April 29 walk-off win vs. Saint Louis. Purdue held the lead for 48 of those 57 innings. It was the program's longest streak without trailing since going 63 consecutive innings during an eight-game win streak early in the 2011 campaign.
- The Boilermakers' 12 wins in April were their most in a month since going 14-3 in April 2012. Purdue won four of its five weekend series last month, posting series wins at Ohio State and vs. Indiana, Illinois and Saint Louis. The Boilermakers went a combined 7-1 against the three first-time visitors to Alexander Field. The 2012 Boilermakers won all four of their weekend series in April, marking the last time the program had four series wins in a month. Purdue had seven series victories total this season, matching the team's total for the four-year stretch from 2013 through 2016.

OLUND RECORDS SECOND CAREER WALK-OFF HIT

- **Hayden Grant** scored from first base on **Alec Olund's** double in the 12th inning, accounting for the decisive run in the 2-1 walk-off victory vs. Northwestern on May 6. Olund recorded his second career walk-off RBI. He drove in the game-winning run with a two-out bunt single in last year's 14-inning win vs. Ohio in Kokomo, Indiana.
- Purdue has won in walk-off fashion four times this season after having only three such wins in its first four years at Alexander Field. Those four wins are a big reason why the Boilermakers are now 8-3 in one-run games. Purdue has a winning record despite being outscored 298-293 this year.

WARDEN LEADS THE NATION IN HBP; PURDUE TOPS IN BIG TEN IN HBP, SAC BUNTS

- **Evan Warden** (30) and **Harry Shipley** (23) are ranked first and third nationally in hit by pitch. Together, they've been plunked more than eight Big Ten teams, all but Indiana (29), Maryland (59), Michigan (57) and Northwestern (56). They've accounted for 69 percent of Purdue's HBPs (77).
- Warden needed only 30 games to break the program's single-season HBP record (19), which had stood since 2011. Shipley broke Kyle Wood's all-time team record (55) May 13 vs. Michigan.
- Along with hit by pitch, the Boilermakers also currently lead the conference sacrifice bunts (52) and opposing base stealers thrown out (31). Purdue is also second in sacrifice flies (30) and fourth in stolen bases (76).

SHIPLEY STEALS 20

• **Harry Shipley** (9 doubles, 42 runs) has already become the first Boilermaker to steal 20 bases since Mitch Hilligoss in 2005. He was a perfect 9-for-9 on stolen base attempts during Purdue's 13-game homestand. Now he has an opportunity to join an even more exclusive group of Boilermakers with 20 steals, 40 runs scored and 10 doubles in the same season. Only three players have accomplished the feat, with Hilligoss also being the last to do so.

HOMESTANDS OF AT LEAST 10 GAMES SINCE 1990

• The Boilermakers played 13 consecutive home games from April 21 to May 14. Purdue enjoyed its longest homestand since 1983, which was also the last time the Boilermakers played at home for four consecutive weekends.

PARKER ECLIPSES PURDUE'S FRESHMAN SAVES RECORD

• **Dalton Parker** has earned a save or a win in eight of his 15 appearances this season. With six saves, he has already eclipsed Doug Kelly's Purdue freshman record that had stood since 1993. Parker is a big reason why the Boilermakers are 10-5 on Fridays this season, pitching in five of those wins. He returned to a prominent role in the bullpen after missing the Ohio State and Indiana weekends due to injury. The freshman didn't make his debut at Alexander Field until the Ball State game April 18 (home game No. 7).

• Parker has worked a combined 15 innings in his six appearances in which he has been credited with a save. Only one of those six outings was a one-inning (modern closer) appearance. Meanwhile, the four-inning appearance in his April 21 save against Illinois was his longest since working 4 2/3 innings in game three of the Cal State Northridge series (March 12).

LEARNARD LIGHTS OUT IN RELIEF

• **Ross Learnard** has been Purdue's most consistent performer, emerging as one of the top relievers in the Big Ten this season. He pitched 35 2/3 consecutive scoreless innings over his 21 relief appearances from March 11 to May 12 and has allowed a run in only two of his 26 appearances (game 3 at SEMO on a steal of home, game 3 vs. Michigan on a two-out single) total this season. He posted the longest consecutive scoreless innings streak by a Boilermaker since at least the start of the 2005 campaign.

• Learnard has also excelled at stranding inherited base runners, allowing only 5 of 26 to score this year. In the series-opening win at Rutgers, he entered the game with the bases loaded, no outs and Purdue leading by three. He allowed two inherited runners to score via sacrifice flies, but did not allow the tying run to advance past first base. Learnard is the primary reason the Purdue bullpen has stranded 62 of 91 (68 percent) inherited runners.

• Opposing hitters are 9-for-51 (.176) against Learnard with two outs this season. **Cameron Williams** (3-for-32, .094) and **Dalton Parker** (5-for-45, .11) have been even better with two outs. Combined, Williams and Parker have stranded 16 of 18 inherited base runners this year.

STROH'S COMPLETE GAME LEADS TO PURDUE'S THIRD PITCHER OF THE WEEK AWARD

• Highlighted by a complete-game two-hitter in the April 22 win vs. Illinois, **Gareth Stroh** retired 30 of the 33 batters he faced over 10 innings to earn Big Ten Pitcher of the Week honors. He actually closed out two of the Boilermakers' four wins for the week of April 17 to 23 after also working a scoreless ninth in the 10-7 win at Indiana State, earning a save in his first relief appearance of the season. The lefty led the way as the pitching staff compiled a 2.81 ERA over five games. Purdue limited Illinois to four runs in the three-game series sweep.

• Stroh joined **Tanner Andrews** (twice) as Boilermakers to win Big Ten Pitcher of the Week this season. The Boilermakers did not have a Big Ten Pitcher of the Week honoree from 2013 through 2016, but have won the award a league-high three times this year.

• Stroh retired the first 12 batters of the game in order and 27 of 29 total. A two-out solo homer in the ninth inning by the Fighting Illini's top hitter not only broke up the shutout, but also ended Stroh's streak of 14 consecutive batters retired. He struck out a career-high eight while not issuing a walk. In his five starts at Alexander Field this season, Stroh surrendered a run in just eight of the 36 innings he pitched. Along with recording 19 strikeouts vs. just nine walks, he only gave up 25 hits at Alexander.

• Stroh became Purdue's first starting pitcher to earn a win and a save in the same week since Robert Ramer accomplished the feat on the 2013 spring break trip (win at Cincinnati, save at Evansville).

• The 3 home runs in the first inning of the Feb. 18 win at Texas State marked the first time since at least the beginning of the 2005 season that Purdue homered three times in one inning.

• Purdue's 4 home runs in the middle game of the Southeast Missouri series (March 3-5) were its most since also hitting 4 in a 2012 win at Iowa. The 7 homers total were its most in a series since also hitting 7 in a 2-game midweek set at Missouri in March 2010. The Boilermakers had not 7 homers in a weekend series since April 2006 at Indiana.

• Purdue's six home runs in the Indiana series (April 7-9) were its most in any series at Alexander Field, which opened in 2013. Nick Dalesandro hit his first career grand slam in the finale of the IU series, Purdue's first slam since Kyle Wood hit one in the 2016 home opener vs. Louisville.

• Evan Warden's leadoff home run in the May 16 win vs. Fort Wayne was Purdue's first game-opening homer since Tyler Spillner went deep to begin a March 2011 game at Tennessee Tech.

HUNTER HITS SAFELY IN EVERY GAME OF ANOTHER SERIES

• **Skyler Hunter** has hit safely in every game of a series a team-high six times this season. He accomplished the feat against Texas State, Cal State Northridge, Santa Clara, Rutgers, Illinois and Michigan. The first three weekends he did it were all four-game series. Hunter broke up John O'Reilly's no-hit bid with a two-out single in the seventh inning of the April 16 series finale at Rutgers. **Evan Warden** and Hunter reached base safely in each of the first 13 games of Big Ten play. Hunter was on base safely in 22 of the 24 league games this year.

• With 13 doubles and a team-high 26 walks, **Bryce Bonner** is second on the team with a .822 OPS. Bonner nearly has as many walks as strikeouts (27).

RECORD CROWDS AT ALEXANDER FOR INDIANA SERIES

• The Boilermakers finally had an opportunity to host rival Indiana at Alexander Field and the fans showed up in a big way for Purdue's first home weekend of the season. The weekend attendance total was 5,645 after the Saturday (2,312) and Sunday (2,035) games produced the two largest crowds in program history.

• The Boilermakers hosted IU for the first time since April 2011. They won their fifth straight series against their rivals dating back to 2004. Dating back to the 2008 Big Ten Tournament, Purdue has won 11 of the last 14 meetings in the rivalry series played outside of Bloomington.

• After playing each of its first seven weekends on the road, Purdue was home a lot in April and May. Purdue didn't leave the state of Indiana from April 18 to May 16. Beginning with the Illinois series (April 21-23), the Boilermakers played 13 consecutive games at Alexander Field. It was the program's longest homestand since 1983.

• Purdue's 18 true road wins were the most in the Big Ten through the end of the regular season and more than the program had the last two years combined (10). Minnesota has won 16 true road games this year.

• The Boilermakers have won road series at Southeast Missouri, Santa Clara, Ohio State and Minnesota this year. The 2012 season (4) marked the last time Purdue won four true road series. The Boilermakers had only won three true road series total in the four years since. At OSU, Purdue rallied to win a series after losing the opening game for only the third time since the start of the 2010 season.

20-GAME STREAKS SNAPPED FOR HUNTER, DALESANDRO

• **Skyler Hunter's** 21-game reached base safely streak was snapped in the April 11 loss at No. 2 Louisville. It was just one shy of **Nick Dalesandro's** 22-game run that ended April 2 at Ohio State. Dalesandro reached base safely in every game of March. Hunter had reached base safely in every game since the start of the spring break strip. The 2011 season was the last time Purdue had multiple players with a 20-game reached base safely streaks. Cameron Perkins (50), David Miller (24) and Barrett Serrato (21) each accomplished the feat that season. **Evan Warden's** 19-game reached safely streak from March 22 to April 21 nearly gave the Boilermakers three such 20-game streaks again this year. Hunter compiled a .414 on-base percentage during his 21-game reached safely streak.

• Dalesandro reached base safely in 22 consecutive games from Feb. 24 to April 1. His streak was the longest among active Boilermakers and the first 20-game single-season run by a Purdue player since Kyle Wood (24) in 2014. Dalesandro batted .395 (34-for-86) with a .448 OBP, eight extra-base hits and 19 RBI during his streak. The Boilermakers' most versatile position player is batting a team-best .382 with runners in scoring position.

BIG MONTH IN MARCH

• The Boilermakers won 10 games in March, a win total they surpassed in April (12), posting a double-figure total in a month for the first time since May 2012 (10-5). Purdue posted a seven-game win streak in both March and April this season.

TEAM HIGHLIGHTS AS PRE-CONFERENCE PLAY WRAPPED UP

• Purdue recorded season highs for hits (21) and runs (16) in the Ball State win. It was the team's first 20-hit game since a March 2015 win vs. Northern Illinois. The 16 runs were the most since scoring 19 in a win at East Tennessee State in March of last season.

• In their series win at Santa Clara, the Boilermakers swept a doubleheader for the first time since February 2015 vs. Sam Houston State in Corpus Christi, Texas, and swept a doubleheader on an opponent's home field for the first time since March 2012 at Ohio State.

• Purdue won a four-game series on the road for the first time since February 2011 at Morehead State, swept a four-game series for the first time since April 2008 vs. Minnesota and swept a four-game series on the road for the first time since April 2001 at Northwestern.

• The Boilermakers have won three non-conference series this year, including their first on the road since March 2013 at Evansville.

HUNTER NAMED BIG FRESHMAN OF THE WEEK

• After driving in the go-ahead run in three of the five wins on the spring break trip, **Skyler Hunter** was named the Big Ten Freshman of the Week. He had a 10-game hit streak from March 10 to 24 and was 11-for-23 with 13 RBI during Purdue's seven-game win streak.

• Hunter put together 17 productive plate appearances in 26 trips to the dish during the first six games of Purdue's win streak. He had a pair of three-run doubles, two walks, a hit by pitch, three sacrifice flies and a sac bunt during that stretch.
