TOP STORY

Jan. 8 -- Texas Wesleyan races past Paul Quinn, 77-36
DALLAS, Texas - The Texas Wesleyan women's basketball team registered 20 steals on its way to a 77-36 victory over Paul Quinn, Saturday evening in Red River Conference action.

Texas Wesleyan (8-6, 5-1 RRAC) put 15 points on the board before the hosts even registered a basket. Senior Shayla Coleman tallied six points, while junior Shawndrika Courtney added five points during the 15-0 run in the first four minutes of the contest.

Paul Quinn (0-14, 0-5 RRAC) cut the lead to 13-5, but that is as close as the Lady Tigers would get as Texas Wesleyan forced them into 11 first-half turnovers to take a commanding 45-15 lead at the break.

In the second half, Texas Wesleyan increased its lead to as many as 45, taking a 66-21 lead with 9:23 remaining in the game.

Stacy Francis
Sixth Season
TCU, '98

Stacy Francis begins her sixth season as head coach of the Lady Rams basketball team. Under Francis' guidance the team has seen steady improvement since 2001. From the 2001-02 season to the 2003-04 season, the Rams made an 18 game improvement, going from 1-24 to 22-9.

In her second season at Texas Wesleyan, Francis led the Lady Rams to an 11-19 record, which was a 7.5 game turnaround from her first year. That marks the second biggest turnaround in school history. In the 2003-04 season, the Lady Rams turned in the largest improvement in school history, by gaining 10.5 games on the season before, going 22-9.

The 2004-05 season saw the Lady Rams make a little history. Texas Wesleyan finished second in the RRAC and made its first appearance in the NAIA National Tournament. Their 23 wins also marked the second highest total in school history.

In 2005-06, Francis led the team to its third consecutive season with at least 15 wins. The Lady Rams' 60 wins between 2003-06 are the most in a three-year span since 1983-86 when

the program too 67 wins.

A three-sport star at Austin's Sidney Lanier High School, Stacy was named first-team all-district in basketball, softball and track in her sophomore through senior years. Francis shot 60 percent from the field during her three-year career. She was district champion in the long jump in her senior season. Francis was also named to the district all-academic team for three straight years. In addition, she was named Who's Who Among American High School Students following her senior year.

After her high school graduation, she accepted a basketball scholarship to TCU, where, following a red-shirt season, she was a four-year starter. She started 101 of 108 games for the Lady Horned Frogs during her four-year tenure. Francis is fourth on the school's all-time rebounding list with 637 boards and ninth all-time in games played with 108. She is also tenth in career free-throws made with 178, and eighth in free-throws attempted with 290. Stacy received her Bachelor of Science degree in psychology in 1998. She also received her Masters in Education from Texas Wesleyan in December of 2004.

Prior to joining Texas Wesleyan, Francis taught social studies and coached volleyball, basketball, and track at Fort Worth's Meadowbrook Middle School. She lives in Arlington, TX.

She is the daughter of Barbara Price and Michael Gay. She has two brothers, Demarcus and Michael Jr., and one sister, LaShonda.

LADY RAMS READY TO RETURN TO NATIONAL SCENE

The Texas Wesleyan University women's basketball team has strung together three consecutive seasons with 15 or more wins. Under Stacy Francis' guidance they have won 20 or more in two of the last three seasons. The 2006-07 Lady Rams are looking to return to their 2004-05 form, when they went 23-11 and advanced to the national tournament.

This season, the Rams feel they have the right mix of veteran leadership and incoming talent to make a push to the national tournament.

Nastassia Brown will be a major part of that effort. Brown, a 5-9 Sr., is back after a red shirt season. In 2004-05 she helped lead the team to its first NAIA National Tournament, ranking second on the squad with 10.4 points per game.

Pilar Pinkus will add veteran leadership to the team. Pinkus saw action in 28 games last season and reached double-figures in scoring nine times. She scored a career-high 18 points in a 71-58 win over Jarvis Christian. Sheleatha Simmons will also be looked to for leadership on the floor. Simmons is just a sophomore; however, she made 24 starts and played in every game last season. Simmons had her best game against Hardin-

Christina Haywood is back for her senior season in 2006-07.

Simmons when she scored a season-high 12 points and brought down five rebounds.

Coach Francis has brought in a talented recruiting class of eleven student-athletes, including seven junior college transfers. The recruiting class is highlighted by a pair of scoring threats in Kim Gatlin and DeLisa Williams and an inside presence in Keegan Harry.

Gatlin is a 5-6 guard out of Beaumont, TX. She was a four-time All-District selection for Jessica White at West Brook High School. Williams, a guard from Waco, TX, was a three-time All-District performer at University High School. Harry is a transfer-student from Hill College where she averaged ten points and eight rebounds per game as a sophomore.

With a wealth of talent added to a core of proven veteran leadership, the Lady Rams look prepared to make another push toward the 2007 NAIA Women's Basket Division I National Tournament.

Texas Wesleyan Athletics History

Women's Basketball

The women's basketball team advanced to the national tournament in 2005. It was the program's first appearance in the national tournament. The Lady Rams have won 15 or more games in three consecutive seasons.

The Texas Wesleyan athletic department has been competing in intercollegiate sports for almost a century. Here is a look at some of the highlights the Rams have enjoyed in every sport since 1908:

Men's Soccer: The men's soccer team has advanced to the postseason the last three seasons, winning their first Red River Championship and advancing to the Region VI tournament for the first time last season.

-Ram Soccer also has the third most goals scored in one game in NAIA history, scoring 26 goals in 2003 against Dallas Christian.

Women's Soccer: The women's soccer team qualified for the postseason for the fourth consecutive season, and also won its first Red River Championship in 2005. -Jessica Carrion was named 1st-team All-Conference in all four seasons with the Lady Rams. She graduated with six Texas Wesleyan records holding the single game, season, and career records in goals and points.

Volleyball: The volleyball team advanced to the "Elite 8" of the national tournament in 2004 and 2005. The Lady Rams have made eight trips to nationals and finished as high as second in 1982 and 1990. -In 2005, the Lady Rams set school records by winning 58 consecutive games and 30 consecutive matches.

Golf

The men's golf team has enjoyed a rich history, winning six national titles and finishing in the Top-3 22 times. The program has produced 63 All-America selections and nine NAIA medalists. The Rams have also finished in the Top-10 of the NAIA National Tournament in 45 of their 52 tournament appearances.

Men's Basketball: The men's basketball team made history last season by winning their first National Championship. They also became the lowest seed (27th) ever to win the NAIA National Tournament when Ben Hunt hit a three with 0.2 seconds remaining to deliver a 67-65 win over Oklahoma City.

-The Rams have produced 13 All-Americans, one of which was Clifton McNeely, who led the entire nation in scoring in 1947.

Women's Basketball: The women's basketball team advanced to their first-ever NAIA National Championship in 2005.

-The Lady Rams have enjoyed three consecutive seasons with 15 or more wins.

Golf: The men's golf team has won six national titles (more than any other NAIA institution) and have finished in the Top-3 22 times. -The Rams have produced 63 All-America selections and nine individuals have won medalists honors at the NAIA National Championship.

Baseball: The baseball team has amassed over 1,000 victories in its 36-year history and have had 36 players drafted by the major leagues.

Former Ram Jeff Moronko saw time in the majors with the Cleveland Indians.

-The Rams have put together consecutive 30-win seasons for the first time since 1984, and they are led by head coach Mike Jeffcoat, a former major league pitcher with the Texas Rangers.

Softball: The softball team has qualified for the postseason the last four seasons and advanced to the national tournament in 1984.

-Lady Ram head coach Shannon Gower led the 2005 team to a 28-25 record in her first season marking the team's first winning record in three years.

-In 2006 the Lady Rams hit a school record and then an NAIA record 66 home runs.

Men's Basketball

The men's basketball team won its first national championship last season when Ben Hunt hit "the shot heard 'round the world'" with 0.2 seconds remaining to deliver a 67-65 win over Oklahoma City University.

Volleyball

The 2005 Wesleyan volleyball team reached the "Elite 8" of the NAIA National Championship for the second consecutive season. The Lady Rams went 16-0 in conference play and won 58 consecutive games.

The Texas Wesleyan athletics program has also enjoyed success in other sports that are now defunct:

-The Texas Wesleyan football team won two conference titles in their eight seasons in the 1930s.

-The Texas Wesleyan men's and women's tennis teams have won four conference titles in their history and the men's team has qualified for the NAIA National Tournament four times.

This Is Texas Wesleyan

History

Texas Wesleyan University was founded in 1890 by the Methodist Episcopal Church, South, as Polytechnic College, and built on a forty-two acre tract of land donated by A.S. Hall, W.D. Hall and George Tandy. Classes began in 1891. A faculty of 10 taught a student enrollment of 110 that first year.

In 1934, male students were admitted and the college took the name of Texas Wesleyan College. This marked a new era for the University's stability and future growth.

On January 9, 1989, the name was officially changed to Texas Wesleyan University in recognition of the University's outstanding graduate programs in Education and Health Science. The 1990-91 academic year marked the celebration of a century of service in higher education.

On August 1, 1992, the

school downtown Fort Worth campus.

Mission

Our mission at Texas Wesleyan University is to develop students to their full potential as individuals and as members of the world community. The University is committed to the principles that each student deserves personal attention and that all members of the academic community

must have freedom to pursue independent thought and to exercise intellectual curiosity. The University actively seeks and employs faculty and staff with commitment and dedication to teaching, inspiring and serving students. Texas Wesleyan University recognizes its responsibility to the community by providing leadership and talent through programs that enable and enrich society.

Campus

Texas Wesleyan maintains a historic campus in east Fort Worth and a downtown campus which is adjacent to the Fort Worth Convention Center and immediately across from the Water Gardens. The main campus includes more than 75 acres just four miles southeast of downtown and is on one of the highest points of the city. The heritage of Texas Wesleyan is reflected in some of the historic buildings with Georgia-style columns. The mixture of old and new is reflected in all aspects of Texas Wesleyan's life where new and innovative ideas complement more than a century of ideas.

Academics

Texas Wesleyan University is the first choice for many students who seek a strong liberal arts curriculum and who wish to pursue their careers in business, teaching, science, or the visual or performing arts. In an environment where teaching and service are the most important components, Texas Wesleyan helps students achieve their academic dreams and goals through a dedicated faculty, 76 percent of whom hold doctoral or terminal

degrees in their field.

With a multitude of undergraduate majors in business, education, visual and performing arts, and science and humanities, you will be able to satisfy just about any interest you have for the future. The choice is yours.

Opportunities

"It's the journey, not the destination, that counts." You've probably heard that phrase before. At Texas Wesleyan, we think the journey and the destination both count.

At Texas Wesleyan, you will journey on paths of enrichment that may or may not directly relate to your career goals, but we know that they all eventually lead to your final destination: a sense of confidence, a sense of engagement, and a sense of purpose for your life. Wesleyan students grow as individuals and benefit from a genuine college experience by participating in numerous co-curricular clubs and activities, as well as professional clubs and religious, service and special interest organizations.

Affordable excellence

At Texas Wesleyan, we realize the importance of financing an education at a private institution, so we made financial assistance available to more than 85 percent of our students in Fall 2004! When you apply for admission, our counselors will sit down with you to make sure a Texas Wesleyan education is within your reach.

Atmosphere

Let's face it. Sometimes, somewhere between classes, labs, and studying, you just want to be with friends. No paths to explore, no destination to achieve. Just you and your friends, participating in exciting cocurricular activities or serious conversations. On campus or off.

At the "SUB" you can play air hockey, pick up a snack at the "SUB Grill", hear some friends play the guitar, and search for happenings at Fort Worth hot spots on the Web. If you live on campus, there are lounges for playing table tennis, pool and foosball ... or for just plain lounging. With vibrant downtown Fort Worth just minutes away and Dallas nearby, there's plenty to do off campus, too.
