Dear Alumni and Friends of RMC Athletics,

Through the generous support of our alumni and friends, the Battlin' Bears Booster Club creates opportunities to enhance the athletic experience for student-athletes, fans, and the community through contributions to the College's 15 athletic programs, and nearly 400 student-athletes competing in intercollegiate athletics at Rocky Mountain College.

This exciting new program will aid Rocky Mountain College in providing a championship experience by providing support to program operations, postseason travel, and addressing capital projects within the department.

Our student-athletes are working every day to earn their degrees, compete for championships, and grow into the leaders of our communities, but their success is only possible with your support. Your investment in Battlin' Bears Athletics makes the dreams of so many student-athletes possible. Every gift, no matter the size, makes a difference.

As the landscape of collegiate athletics continues to change, it is important to note what will not change at RMC—the commitment we have made in making a difference in the lives of our student-athletes. Now, more than ever, Rocky Mountain College needs you to help us make that difference. We urge you to consider joining with the hundreds of individuals and businesses who are showing their support by joining the Battlin' Bears Booster Club.
