2017 SEC FOOTBALL VIDEO REPLAY

THE OBJECTIVE

To allow for specific types of officiating calls to be immediately reviewed during all games hosted by SEC teams.

THE COACHES' CHALLENGE

The head coach may challenge the ruling of any reviewable play. He retains a challenge if his initial challenge is successful and thus results in a reversal by the replay official. The head coach will then have a single challenge that he may use anytime during the game if his team has not used all its timeouts. Thus a team may have a total of two challenges in the game, but only if the first results in a reversal of the on-field ruling. A head coach may not challenge an on-field ruling if all of the team's timeouts have been used for that half or extra period.

THE SOURCE

All reviewable video comes direct from either the television network broadcasting the game or other TV production facilities that meet established conference standards and the coach's high end zone and high 50 yard line cameras. The coach's video is also made available to the TV producer. The Southeastern Conference has used instant replay since 2005.

THE PLAYS

Scoring Plays

Reviewable plays involving a potential score include:

- A potential touchdown or safety. [Exception: Safety by penalty for fouls that are not specifically reviewable with the exception of the location of the passer when an intentional grounding foul results in a safety.]
- Field goal attempts if and only if the ball is ruled (a) below or above the crossbar or (b) inside or outside the uprights when it is lower than the top of the uprights. If the ball is higher than the top of the uprights as it crosses the end line, the play may not be reviewed.

Passes

Reviewable plays involving passes include:

- Pass ruled complete, incomplete or intercepted anywhere in the field of play or an end zone.
- Forward pass touched by a player (eligible or ineligible) or an official, including whether the touching is behind or beyond the line of scrimmage.
- Forward pass or forward handing when a ball carrier is or has been beyond the neutral zone.
- A forward pass or forward handing after a change of team possession.
- Pass ruled forward or backward when thrown from behind the neutral zone.
 - If the pass is ruled forward and is incomplete, the play is reviewable only if the ball goes out of bounds or if there is clear recovery of a loose ball in the immediate continuing football action after the loose ball or if the ball is out of bounds. If the replay official does not have indisputable video evidence as to which team recovers, the ruling of incomplete pass stands.
 - If the replay official reverses an incomplete forward pass ruling and the ball is recovered, it belongs to the recovering team at the spot of the recovery and any advance is nullified.

Dead Ball and Loose Ball

Reviewable plays involving potential dead balls and loose balls include:

- Loose ball by a potential passer ruled a fumble.
- Loose ball by a passer ruled incomplete forward pass when there is clear recovery in the immediate continuing action after the loose ball.
 - If the replay official does not have indisputable video evidence as to which team recovers, the ruling of incomplete pass stands.
 - If the replay official rules fumble, the ball belongs to the recovering team at the spot of the recovery and any advance is nullified.

SEC SENDS TWO TO COLLEGE FOOTBALL PLAYOFF; THREE TO NEW YEAR'S SIX; NINE TO BOWL GAMES

BIRMINGHAM, Alabama - Nine Southeastern Conference football teams learned their post-season bowl destinations on Sunday, including No. 3-ranked Georgia which will play No. 2 Oklahoma in the Rose Bowl while No. 4-ranked Alabama will face No. 1 Clemson in the Sugar Bowl on January 1 in semifinal games for the College Football Playoff.

It marks the first time one conference has placed two teams in the CFP semifinals in the same season.

On Sunday, the College Football Playoff committee first selected teams for the national semifinal games, the Rose Bowl Game presented by Northwestern Mutual and the Allstate Sugar Bowl. The committee later announced the participants in the Chick-fil-A Peach Bowl, Capital One Orange Bowl, Goodyear Cotton Bowl and the PlayStation Fiesta Bowl.

In addition to Georgia and Alabama in the CFP semifinals, Auburn was selected to play in a CFP New Year's Six Game, meeting UCF in the Chick-fil-A Peach Bowl on January 1.

Next, the Citrus Bowl presented by Overton selected LSU from the SEC to play Notre Dame.

This marks the fourth year the conference assigned league schools to an "SEC Bowl Pool" that includes the Belk Bowl in Charlotte, the Academy Sports & Outdoors Texas Bowl in Houston, the TaxSlayer Bowl in Jacksonville, the AutoZone Liberty Bowl in Memphis, the Franklin American Mortgage Music City Bowl in Nashville and the Outback Bowl in Tampa.

Missouri will play a Big 12 opponent in the AdvoCare V100 Texas Bowl, Texas A&M will play an ACC opponent in the Belk Bowl, Kentucky will play a Big Ten opponent in the Franklin American Mortgage Music City Bowl, Mississippi State will play an ACC opponent in the TaxSlayer Bowl and South Carolina will play a Big Ten opponent in the Outback Bowl.

Because three SEC teams were selected for New Year's Six Games, and by agreement in the SEC Bowl Pool structure, a team from the SEC was not available to participate in the Liberty Bowl for this season.

The selection process for the SEC Bowl Pool was based on preferences expressed by the SEC's bowl eligible schools, input from the SEC's affiliated bowls, travel considerations, attention to previous matchups and additional relevant factors.

"The SEC Bowl Pool participants are determined after conversations with bowl partners and discussions with school personnel in order to create a lineup of compelling bowl games for our schools and their fans," said SEC Commissioner Greg Sankey. "This process provides an opportunity to create intriguing matchups and varying assignments to help prevent repetitive postseason destinations."

2017 SEC Football

- c. Live ball not ruled dead in possession of a ball carrier.
- d. Loose ball ruled dead (Rule 4-1-2-b-2), or live ball ruled dead in possession of a ball carrier when the clear recovery of a loose ball occurs in the immediate continuing football action.
 - 1. If the ball is ruled dead and the replay official does not have indisputable video evidence as to which team recovers, the dead-ball ruling stands.
 - 2. If the replay official rules that the ball was not dead, it belongs to the recovering team at the spot of the recovery and any advance is nullified.
- e. Ball carrier's forward progress, spot of fumble, or spot of out of bounds backward pass, with respect to a first down or the goal line.
- f. Catch or recovery of a fumble by a Team A player other than the fumbler before any change of possession during fourth down or a try.
- g. Ball carrier in or out of bounds. If a ball carrier is ruled out of bounds, the play is not reviewable, except as in Rules 12-3-1-a and 12-3-3-d.
- h. Catch, recovery or touching of a loose ball by a player in bounds or out of bounds.
- i. A loose ball touching on or beyond a sideline, goal line, or end line, touching a pylon, or breaking the plane of a goal line.
- j. Catch or recovery of a loose ball in the field of play or an end zone.
- k. Forward fumble that goes out of bounds with respect to a first down.
- l. Live ball declared dead under Rule 4-1-2-b-2 and b-3 (inadvertent whistle).

Kicks

Reviewable plays involving kicks include:

- a. Touching of a kick.
- b. Player beyond the neutral zone when kicking the ball.
- c. Kicking team player advancing a ball after a potential muffed kick/fumble by the receiving team.
- d. Scrimmage kick crossing the neutral zone.
- e. Blocking by Team A players before they are eligible to touch the ball on an on-side kick.

Targeting

- a. All targeting fouls shall be reviewed. The review includes all aspects of the targeting foul to ascertain whether there is at least one indicator of targeting action.
- b. The Replay Official may create a targeting foul, but only in egregious instances in which a foul is not called by the officials on the field. Such a review may not be initiated by a coach's challenge.

Miscellaneous

Situations that may be addressed by the replay official:

- a. The number of players on the field for either team during a live ball.
- b. Clock adjustment and status when a ruling is reviewed.
- c. Clock adjustment at the end of any quarter. If at the end of any quarter the game clock expires, either during a down in which it should be stopped by rule through play when the ball becomes dead or following the down upon a request for an available team timeout, the replay official may restore time only under these conditions:
 - 1. The replay official has indisputable video evidence that time should have remained on the game clock when the ball became dead or when the team timeout was granted;
 - 2. In the second and fourth quarters only, the team in possession when the ball became dead would next put the ball in play from scrimmage (not the try);
 - 3. In the fourth quarter only, either the score is tied or the team that will next snap the ball is behind by eight points or fewer; and
 - 4. The replay official's video evidence includes the timeout signal by an official in the case where the game clock should have stopped for a requested team timeout.
- d. Correcting the number of a down.
 - 1. This includes the result of a penalty enforcement that includes an automatic first down or loss of down.
 - 2. The correction may be made at any time within that series of downs or before the ball is legally put in play after that series.
- e. Any person who is not a player interfering with live-ball action occurring in the field of play (Rule 9-2-3).
- f. An injured player at the initiation of the medical observer.

Limitations on Reviewable Plays

No other plays or officiating decisions are reviewable. However, the replay official may correct egregious errors, including those involving the game clock, whether or not a play is reviewable. This excludes fouls that are not specifically reviewable (Reviewable fouls: Rules 12-3-2-c and d, 12-3-4-b and -e and T2-3-5-a).

Reviewable Fouls

The following plays are reviewable and the replay official may create a foul when there is no call by the on-field officials:

- a. Player making a forward pass or forward handoff when beyond the neutral zone or after a change of possession.
- b. Player beyond the neutral zone when kicking the ball.
- c. Blocking by Team B players before they are eligible to touch the ball on an onside kick.
- d. The number of players on the field for either team during a live ball.
- e. Illegal touching of a forward pass by an originally eligible receiver who has gone out of bounds.
- f. Player who is out of bounds touching a free kick that had not been touched inbounds.
- g. Forward pass that becomes illegal as a second pass after an on-field ruling of a backward pass is reversed.
- h. A clear, obvious and egregious targeting foul.

THE PROCESS

Each SEC football stadium has a secured replay booth equipped with the HD Instant Replay system provided by DVSport. Three individuals work in the booth for the duration of the game: 1. Replay Official, 2. Communicator, 3. Technician. The Replay Official and the Communicator are selected and assigned by the Conference Office.

A live HD video feed is sent directly to the replay booth from the TV truck. The Technician watches the feed on an input monitor while recording it into the DVSport Replay System. The Technician also marks the beginning of each play while the Communicator marks all incoming replays.

Each play and subsequent replay then appears on a touch screen in front of the Replay Technician. As the Technician and the Communicator mark the incoming video, each view will appear as a small picture on the computer touch screen. At any time, the Replay Technician can touch the thumbnail and immediately send that play or replay to the Replay Official.

With the Communicator's assistance, the Replay Official can quickly jump between replays while playing back the video. All replay video navigation is done via a jog shuttle remote controlled by the Replay Official. All video is viewed on an HD monitor that sits in front of the Replay Official. The touch screen is only used to select the replays and to log specific play data in the event a call is overturned.

While all plays are reviewed between the whistle and the beginning of the next play, the Replay Official can stop play on the field by using a pager system. Seven of the eight on-field officials wear pagers. If play is stopped the Referee announces on the stadium PA microphone that play has been stopped so the previous play can be reviewed. The Referee then proceeds to the sideline headset, which provides direct communication to the Replay Official in the booth. Once the play has been reviewed, the Replay Official notifies the Referee, who then announces the decision on the stadium PA system.

RECENT ADDITIONS

*For the 2016 season, the SEC will utilize the new experimental rule that allows personnel in a separate secure location identified by the conference to assist the Instant Replay Official at the stadium in making decisions. The SEC will locate 3 Instant Replay Officials in the SEC Video Center each week to collaborate with the onsite Replay Official during any replay stoppage. The 3 Replay Officials in the Video Center will have real time video and communications with the Replay Official in the stadium to aid in this collaboration. The goal of this process will be consistency in decision making and to help avoid incorrect outcomes.

* Monitors may be used to view a live telecast or webcast in the football coaching booth. The home team is responsible for assuring identical television capability in the coaches' booths of both teams. This capability may not include replay equipment or recorders.

* If at the end of any quarter the game clock expires, either during a down in which it should be stopped by rule through play when the ball becomes dead or following the down upon a request for an available team timeout, the replay official may restore time only under these conditions:

- 1. The replay official has indisputable video evidence that time should have remained on the game clock when the ball became dead or when the team timeout was granted;
- 2. The team in possession when the ball became dead would next put the ball in play from scrimmage;
- 3. In the fourth quarter only, either the score is tied or the team that will next snap the ball is behind by eight points or fewer; and
- 4. The replay official's video evidence includes the timeout signal by an official in the case where the game clock should have stopped for a requested team timeout.

THE EQUIPMENT

Each SEC member institution uses the new multi-view HD Replay System developed by DVSport. The replay systems are maintained by the home institution with technical support from DVSport.

SEC IN THE CFP/BCS ERA (Since 1998)

• The SEC has won eight of the last 11 national championships, 10 of the 19 BCS/CFP-era National Championships, three runner-up finishes and 24 overall national titles (AP, BCS, FWAA, coaches poll) in SEC history. The SEC has appeared in 10 of the last 11 National Championship Games and in 10 of the 16 BCS Championship Games, winning nine.

• Four different SEC schools have won the National Championship since 2006 (Auburn, 2010; Alabama, 2009, 2011, 2012, 2015; Florida, 2006 and 2008; LSU, 2007). Tennessee (1998) and LSU (2003) have also won the former BCS crown. Auburn appeared in the 2013 BCS Championship Game, as did LSU in 2011. A team from the SEC Western Division had advanced to five consecutive national championship games prior to the 2014 season, when Alabama lost in the CFP semifinals. The ACC (Clemson, Miami and Florida State) has had each three schools win titles since 1998, while the Big 12 (Texas and Oklahoma) has had two.

• Since 2006, half of the slots in the National Championship Game have been taken by SEC teams (12 of 24). The Big Ten and ACC has three during that time, while the Big 12, Pac-12 has two.

• A SEC team has led or tied for the lead at the end of 32 of the last 44 quarters of National Championship Game play. Alabama only trailed for the final second of the 2017 National Championship Game.

• The SEC has had more teams ranked in the BCS/CFP standings for the most times than any other conference since 2006. The league has had 13 of its 14 teams ranked at one time or another since 2006. Vanderbilt is the only team to not appear in the BCS/CFP rankings during this time, however, the Commodores finished ranked in the Top 25 in both 2012 and 2013 after bowl games with 9-4 records. The BCS/CFP does not produce a poll following bowl games.

• Since 2006, the SEC has posted 14 wins in BCS - now New Year's Six/Access bowls - more wins than any other conference. Here are the BCS/CFP bowl records of all conferences since 2006:

SEC	14-11	.560
Pac-12	10-7	.588
Big Ten	10-14	.417

• With conference limits being removed in 2014 with the College Football Playoff, the SEC became the first conference to place three teams in CFP/BCS postseason bowls: Ole Miss (Chick-fil-A); Mississippi State (Orange); Alabama (Sugar/National Semifinal).

• Three of the top 10 defensive performances in CFP/BCS history have been registered by SEC teams, more than any other conference. Alabama's shutout of LSU in the 2012 BCS National Championship Game was the first shutout in CFP/BCS history. Alabama defeated Michigan State soundly 38-0 in a CFP National Semifinal in 2015, while defeating Washington 24-7 in 2016 semifinal contest.

• Alabama's 28-point victory over Notre Dame in the 2013 Discover BCS National Championship is the second-largest in the CFP/BCS Championship Game era. (Southern Cal defeated Oklahoma by 36 in the 2005 BCS Championship Game for the top spot, however, that victory was later vacated.)

• During the recent seven-year national championship winning streak, the SEC's average margin of victory in National Championship Games was 17 points, which includes a three point victory over Oregon in 2011, the only game during the streak decided by single digits.

SEC IN OVERALL BOWL GAMES

• Since 2006, the SEC has accrued more bowl wins (71) and appearances (110) than any other conference. The conference's .645 bowl winning percentage is first among FBS leagues during that time.

Since 2006, the SEC has posted a 14-11 (.560) record in BCS/CFP games, more wins and appearances than any other conference.

• The SEC has now won 22 games in the last three postseasons, a national record. With 12 teams advancing to bowl games this season, the SEC became the first conference to send at least 10 teams to postseason bowls in four consecutive seasons. The SEC also sent a NCAA-record 12 teams to participate in postseason bowl games in 2014 and has sent no less than eight teams to post-season bowls in each of the last ten seasons. The SEC established a national-record with nine postseason victories in 2015 and owned the previous record for postseason bowl victories with seven wins in 2007, 2013 and 2014.

• The SEC is 71-19 (.645) in bowl games since 2006, winning six or more bowl games each year but 2010, when the league finished 5-5.

SEC vs. OTHER CONFERENCES

• Since 2006, the SEC has posted the highest non-conference winning percentage (regular season & bowls) than any other conference. The league has a 544-129 record, an 80.8 winning percentage. • Teams from the SEC have posted 67 wins in the last nine years against non-conference Top 25 teams (at time game was played), an average of over seven wins per season. Eleven of the 14 SEC teams have at least one win against a non-conference Top 25 team in the last nine years with Alabama (11), LSU (10), Georgia (9), Florida (6), South Carolina (7) Auburn (3) and Texas A&M (3) leading the way. SEC CHAMPIONSHIP GAME

SEC DIVISIONAL TIE-BREAKER

In the event of a tie for the division championship, the following procedures will be used to break all ties to determine the SEC Football Championship Game representative. All Conference versus Conference Games (both division and non-division) will be counted in the Conference Standings.

1. Two-Team Tie. In the event two teams are tied for a division title, the following procedure will be used in the following order:

- A. Head-to-head competition between the two tied teams;
- B. Records of the tied teams within the division;
- C. Head-to-head competition against the team within the division with the best overall (divisional and non-divisional) Conference record, and proceeding through the division (multiple ties within the division will be broken from first to last and a tie for first place will be broken before a tie for fourth place);
- D. Overall record against non-divisional teams;
- E. Combined record against all common non-divisional teams;
- F. Record against the common non-divisional team with the best overall Conference record (divisional or non-divisional) and proceeding through other common non-divisional teams based on their order of finish within their division;
- G. Best cumulative Conference winning percentage of non-divisional opponents; and

Example: Tied Teams Non-Divisional Opponents Cumulative Record

Western 1 Eastern Opponents: 14-2

Western 2 Eastern Opponents: 12-4

(Western 1 would be the representative)

H. Coin flip of the tied teams.

2. Three-Team Tie (or more). If three teams (or more) are tied for a division title, the following procedure will be used in the following order: (Note: If one of the procedures results in one team being eliminated and two remaining, the two-team tiebreaker procedure as stated in No. 1 above will be used):

- A. Combined head-to-head record among the tied teams;
- B. Record of the tied teams within the division;
- C. Head-to-head competition against the team within the division with the best overall Conference record (divisional and non-divisional) and proceeding through the division (multiple ties within the division will be broken from first to last and a tie for first place will be broken before a tie for fourth place);
- D. Overall Conference record against non-divisional teams;
- E. Combined record against all common non-divisional teams;
- F. Record against the common non-divisional team with the best overall Conference record (divisional and non-divisional) and proceeding through other common non-divisional teams based on their order of finish within their division; and

G. Best cumulative Conference winning percentage of non-divisional opponents
(Note: If two teams' non-divisional opponents have the same cumulative record, then the two-team tiebreaker procedures apply. If four teams are tied, and three teams' non-divisional opponents have the same cumulative record, the three-team tiebreaker procedures will be used beginning with 2.A.);

Example: Tied Teams Non-Divisional Opponents Cumulative Record

Western 1 Eastern Opponents: 14-2

Western 2 Eastern Opponents: 12-4

Western 3 Eastern Opponents: 8-8

(Western 1 would be the representative)

H. Coin flip of the tied teams with the team with the odd result being the representative (Example: If there are two teams with tails and one team with heads, the team with heads is the representative).

2017 SEC CHAMPIONSHIP GAME

The Southeastern Conference's Eastern and Western Division winners recently met in Atlanta's newly constructed Mercedes-Benz Stadium to battle for the league championship and the right to represent the conference in the College Football Playoff. The 26th-annual title game was set for December 2 and was televised nationally by CBS Sports.

The game was born as a result of 1992 conference expansion, which saw Arkansas and South Carolina become the first members added in SEC history. Under NCAA regulations, a conference with 12 members may play an additional football game to determine its champion, provided the regular season is played in divisions.

The participants of the game are determined each year during the eight-game regular-season conference schedule as the teams with the best overall SEC winning percentage in each division.

The 2017 SEC Championship Game was the highest rated championship game in the nation for the entire season. No. 7 Georgia's 28-7 win over No. 2 Auburn drew an average overnight rating of 8.4 and 18 share, the best for CBS since 2013, when the Iron Bowl drew an 8.6/18 rating and share. Those figures are up 20 percent from last year's SEC Championship Game between Alabama and Florida (7.0/15).

The 2009 SEC Championship Game earned an 11.8 rating and a 24 share, marking the highest-rated SEC Championship Game in history. The game matched the No. 1 Florida Gators (12-0) vs. the No. 2 Alabama Crimson Tide (12-0).

The SEC Championship Game has drawn 24 capacity crowds in its 26-year history. Only 1993 (Birmingham) and 1995 (Atlanta) were not sellouts.

The SEC, along with AMB Sports & Entertainment (AMBSE) and the Georgia World Congress Center Authority (GWCCA), have an agreement to host the SEC Championship Game at Mercedes-Benz Stadium in Atlanta through 2026.

The new agreement allows the SEC the option of adding up to two successive five-year extensions.

The Georgia Dome hosted the SEC Championship Game for 23 years beginning in 1994, with capacity crowds in the last 21 consecutive years. By the end of the new agreement, including options, the Championship will have been played in Atlanta a total of 43 years.

SEC CHAMPIONSHIP GAME

SEC CHAMPIONSHIP GAME RACE RECAPS

1992 - Both races decided before final weekend. Florida and Georgia (6-2 in the SEC) were co-champions in the Eastern Division. The Gators won the tie-breaker by virtue of a 26-24 win over the Bulldogs earlier in the season. Alabama (8-0) was the outright Western Division champion, even with a game against Auburn in the final weekend, which the Tide won, 17-0.

1993 - Both races decided before final weekend. Florida won the Eastern Division and Alabama won the Western Division. The Gators finished 1/2 game ahead of Tennessee (UT tied Alabama, 17-17). Alabama, at 5-2-1, finished two games ahead second-place Arkansas. Auburn was 8-0 in the SEC, but was ineligible for the conference title.

1994 - Both races decided before final weekend. Florida won the Eastern Division, finishing SEC play at 7-1, two games ahead of Tennessee. Alabama won the Western Division with an 8-0 SEC mark, three games ahead of Miss. State.

1995 - Both races decided before final weekend. Florida won the Eastern Division, finishing SEC play at 8-0, one game ahead of Tennessee. Arkansas won the Western Division with a 6-2 SEC mark, one game ahead of Auburn and Alabama.

1996 - Both races decided before final weekend. Florida won the Eastern Division, finishing SEC play at 8-0, one game ahead of Tennessee. Alabama won the Western Division with a 6-2 SEC mark, tying LSU. However, the Tide defeated the Tigers, 26-0, earlier in the year to win the tie-breaker.

1997 - Eastern Division race not finalized until after the final weekend. Tennessee defeated Vanderbilt, 17-10, to win the division on the final weekend. Tennessee, at 7-1 in the SEC, finished one game ahead of Georgia and Florida. Auburn had won the Western Division with a 6-2 SEC mark, tying LSU. However, Auburn defeated LSU, 31-28, earlier in the year to win the tie-breaker.

1998 - Western Division race not finalized until after the final weekend. Miss. State defeated Ole Miss, 28-6, on Thanksgiving night, to win division on final weekend. Arkansas and Miss. State finished in tie for the division title. However, Miss. State defeated Arkansas, 22-21, earlier that season to win the tie-breaker. Arkansas defeated LSU 41-14 on the final weekend, but when State defeated Ole Miss, the chase for the Championship Game had been won. Tennessee had clinched the Eastern Division before the final weekend and defeated Vanderbilt, 41-0, to finished the SEC at 8-0.

1999 - Both races decided before final weekend. Florida won the Eastern Division, finishing SEC play at 7-1, one game ahead of Tennessee. Alabama won the Western Division with a 7-1 SEC mark, one game ahead of Miss. State.

2000 - Both races decided before final weekend. Florida won the Eastern Division, finishing SEC play at 7-1, two games ahead of South Carolina, Georgia and Tennessee. Auburn won the Western Division with a 6-2 SEC mark, one game ahead of LSU. LSU lost to Arkansas in the final weekend, 14-3. Even if the Tigers would have beaten the Razorbacks, Auburn would have won the tie-breaker over LSU due to a 34-17 win earlier in the season.

2001 - Both races go down to the final weekend. Due to game postponements on Sept. 15, games were reschedule for Dec. 1. On that weekend, Tennessee defeated Florida, 34-32, in Gainesville, and LSU defeated Auburn, 27-14, in Baton Rouge, to clinch berths in the SEC Championship Game. The Vols won the East with a 7-1 mark while LSU had a 5-3 mark and tied with Auburn for the West, but won the head-to-head tiebreaker.

2002 - Western division race not finalized until after the final weekend. Georgia clinched the Eastern Division championship on Nov. 16 after defeating Auburn, 24-21, in Auburn. The 7-1 Bulldogs finish one game ahead of Florida, which was 6-2. Arkansas wins the Western Division on the season's final weekend, defeating LSU, 21-20, in Little Rock on Nov. 29. The Razorbacks, LSU Tigers and Auburn Tigers are tied at 5-3 but Arkansas wins the head-to-head tiebreakers.

2003 - Both races decided on final weekend. Tennessee defeats Kentucky, 20-7, to force a three-way tie for Eastern Division championship between Vols, Georgia and Florida. Using tie-breaker involving the BCS standings, Georgia has the highest BCS ranking and has defeated Tennessee (next highest ranking) during regular season to secure SEC Championship Game berth. LSU defeats Arkansas, 55-24, and Ole Miss beats Mississippi State, 31-0, to force a tie for the Western Division championship. LSU's 17-14 win over Ole Miss the week before earns the Tigers the Western Division berth.

2004 - Auburn clinches berth in the SEC Championship Game on Oct. 30, tying the earliest since the game began in 1992 (Alabama, 1993). The Tigers (8-0) finish two games ahead in the standings of second-place LSU (6-2). Tennessee clinches berth as Eastern Division representative with 38-33 win against Vanderbilt on Nov. 20. The Vols (7-1) would win their next game on the following weekend against Kentucky to claim the division title outright. Georgia was second in the Western Division with a 6-2 mark.

THIS IS THE SOUTHEASTERN CONFERENCE

• Since its formation in 1933, the SEC has directed and organized interscholastic athletic competitions, conducted tournaments and prescribed eligibility rules for student-athletes. The Conference also facilitates and assists its member institutions in maintaining intercollegiate athletic programs compatible with the highest standards of education and competitive sports.

• The Southeastern Conference crowns champions in 21 sports - 12 women's sports and nine men's sports. They include baseball, men's and women's basketball, men's and women's cross country, equestrian, football, men's and women's golf, gymnastics, soccer, softball, men's and women's swimming and diving, men's and women's tennis, men's and women's indoor and outdoor track and field, and volleyball.

• In the fall of 2012, the University of Missouri and Texas A&M University became the 13th and 14th members of the Southeastern Conference. It marked the first expansion for the SEC since 1991 and the second-ever increase for the league since its founding in 1933.

• The SEC's mission statement reflects the priorities of the league. "The purpose of the Southeastern Conference is to assist its member institutions in the maintenance of programs of intercollegiate athletics which are compatible with the highest standards of education and competitive sports."

ACADEMIC ACHIEVEMENTS

• The Southeastern Conference had 43 Capital One Academic All-Americans in 2016-17. The league had 24 student-athletes earn first-team honors. The Capital One Academic All-America Teams are voted on by the College Sports Information Directors of America (CoSIDA). The 43 student-athletes represent 13 of the SEC 14 schools while 10 schools had at least one person on the first-team. Since 2003, the SEC has had 329 student-athletes earn first-team Capital One Academic All-America status.

• The 24 SEC student-athletes who earned Capital One Academic All-America first-team status in 2016-17 were: Alabama's Mackenzie Brannan (gymnastics), Alex Gholston (women's track and field), Luke Kaliszak (men's swimming and diving), Anton McKee (men's swimming and diving), Keely McNeer (gymnastics) Connor Oslin (men's swimming and diving), Pavel Romanov (men's swimming and diving); Arkansas' Brooks Ellis (football); Auburn's Kasey Cooper (softball) and Cole Lipscomb (baseball); Florida's Kelly Barnhill (softball), Canyon Barry (men's basketball), Savannah Jordan (soccer), Alex McMurtry (gymnastics); Georgia's Keturah Oriji (women's track and field) and Chantal Van Landeghem (women's swimming and diving); Kentucky's Danielle Galyer (women's swimming and diving) and Kiah Seymour (women's track and field); Ole Miss' Aubrey Edie (volleyball) and Craig Engels (men's track and field); South Carolina's Paige Bendell (soccer) and Chelsea Drennan (soccer); Texas A&M's Sarah Gibson (women's swimming and diving); and Vanderbilt's Simone Charley (Vanderbilt).

• The Southeastern Conference had 21 of its student-athletes earn NCAA Postgraduate Scholarships in 2016-17. The scholarships are awarded to student-athletes who excel academically and athletically and who are at least in their final year of intercollegiate athletic competition. The SEC NCAA Postgraduate Scholarship recipients are: Canyon Barry, Florida (men's basketball); Sunay Bhat, Tennessee (men's tennis); Cameron Brown, Tennessee (men's track and field); Kasey Cooper, Auburn (softball); Jason Delay, Vanderbilt (baseball); Veronica Eder, Auburn (women's cross country); Aubrey Edie, Ole Miss (volleyball); Danielle Galyer, Kentucky (women's swimming and diving); Sarah Gibson, Texas A&M (women's swimming and diving); Anton McKee, Alabama (men's swimming and diving); Keely McNeer, Alabama (gymnastics); Connor Oslin, Alabama (men's swimming and diving); Joseph Patching, Auburn (men's swimming and diving); Krystal Rivers, Alabama (volleyball); Morgan Schuetz, LSU (women's track and field); Aldila Sutjiadi, Kentucky (women's tennis); Jake Van Geffen, Vanderbilt (men's cross country); Chantal Van Landeghem, Georgia (women's swimming and diving); Ben Wagland, Georgia (men's tennis); Hannah Wilkinson, Tennessee (soccer); and Rachel Zilinskas, Georgia (women's swimming and diving).

Arkansas' Taylor-Ellis Watson (women's track and field), Alabama's Haylie McCleney (softball), South Carolina's Tiffany Mitchell (women's basketball) and Mississippi State's Dak Prescott (football) were chosen as recipients. The award recognizes 10 current student-athletes who will have completed their athletics eligibility for their successes on the fields and courts, in the classroom and in the community, and the SEC has had three winners in the last two years.

• The SEC also had six student-athletes earn the NCAA Elite 90 award, which is given to the student-

athlete with the highest cumulative GPA at the finals site for each of the NCAA championships. The 2016-17 SEC recipients were: Lexi Weeks, Arkansas (indoor track and field); Danielle Galyer, Kentucky (women's swimming and diving); Alex McMurtry, Florida (gymnastics); Josie Kuhlman, Florida (women's tennis); Layne Savoie, LSU (softball); Tori Weeks, Arkansas (outdoor track and field).

• The SEC has had eight student-athletes win the William V. Campbell Trophy given by the National Football Foundation. Since the inaugural award in 1990, the SEC has had more recipients than any other conference. The award, nicknamed the "Academic Heisman" goes to college football's top scholar-athlete. In 2012, Alabama's Barrett Jones was the SEC's eighth recipient of the trophy. In 2009, Florida's Tim Tebow won the honor. LSU's Rudy Niswanger won the honor in 2005, Tennessee's Michael Munoz claimed the award in 2004, Matt Stinchcomb of Georgia in 1998, Tennessee's Peyton Manning in 1997, Florida's Danny Wuerffel in 1996 and Brad Culpepper of Florida in 1991 was the league's first recipient.

• More than 3,800 student-athletes were named to the SEC Academic Honor Roll in 2016-17. Members of the SEC Academic Honor Roll must have a 3.0 grade point average for either the previous academic year or his/her academic career at the SEC institution.

FOR THE STUDENT-ATHLETE

• University of Alabama swimmer Anton McKee and Texas A&M swimmer Sarah Gibson were named recipients of the 2016-17 H. Boyd McWhorter Southeastern Conference Scholar-Athletes of the Year Awards. The McWhorter Scholar-Athlete Award is the highest honor a student-athlete can receive in the SEC. Each McWhorter Scholar-Athlete Award recipient receives a \$15,000 postgraduate scholarship, while 26 other finalists for the award receive a \$7,500 post-graduate scholarship.

• University of South Carolina track and field athlete Maya Evans and University of Tennessee baseball player Eric Freeman were named recipients of the 2016-17 Brad Davis SEC Community Service Post-Graduate Scholarship. Each Community Service Leader of the Year receives a \$10,000 post-graduate scholarship while 26 other finalists for the award receive a \$5,000 post-graduate scholarship.

• The SEC was the first conference in the nation to assemble a Student-Athlete Advisory Committee. Two representatives from each of the SEC member schools are selected to serve on the committee which meets twice a year to discuss issues of concern to the student-athlete.

• In May 2016, the SEC introduced new Student-Athlete Leadership Councils in the sports of Football and Men's and Women's Basketball in which, in addition to the Conference's longstanding Student-Athlete Advisory Council, provide student-athletes with additional opportunities to engage with campus leaders and Conference office staff.

• One of Greg Sankey's early actions as commissioner was to create a new position in the SEC office for a Director of Student-Athlete Engagement, with the focus on creating opportunities for current and former SEC student-athletes to participate in Conference leadership and prepare for life after their intercollegiate athletics participation concludes.

• Twenty-five current and former Southeastern Conference student-athletes participated in the first SEC Corporate Career Tour in Atlanta in 2016. The event was held in conjunction with the 2016 SEC Fall Student-Athlete Advisory Committee (SAAC) meeting. The group visited the headquarters and met with executives and talent acquisition staff at several corporations in the Atlanta area including Chick-fil-A, Boys & Girls Club of America, CNN/Turner Broadcasting System and Jackson Spalding. The group also listened to presentations by Serviam Partners President Randy Hain, Growing Leaders, and former SEC student-athletes Ben Troupe and Josh Foliart on leadership and life after sports.

SPORTSMANSHIP

• The SEC has implemented sportsmanship policies meant to strengthen the league's commitment to these principles. The league also developed a sportsmanship statement for its institutions to follow. It states:

"Coaches and student-athletes of a member institution, as well as individuals employed by or associated with that institution, including alumni, fans, patrons and boosters, shall conduct themselves with honesty and good sportsmanship. Their behavior shall at all times reflect the high standards of honor and dignity that characterize participation in the collegiate setting."

"For intercollegiate athletics to promote the character development of participants, to enhance the integrity of higher education and to promote civility in society, coaches, student-athletes and all others associated with these athletics programs and events should adhere to such fundamental values as respect, fairness, civility, honesty and responsibility. These values should be manifested

THIS IS THE SOUTHEASTERN CONFERENCE

not only in athletics participation but also in the broad spectrum of activities affecting the athletics program.

"It is the responsibility of each member institution to establish policies for sportsmanship and ethical conduct in intercollegiate athletics consistent with the educational mission and goals of the institution. Furthermore, member institutions are responsible for educating on a continuing basis all constituencies about these policies."

- The SEC has an annual Sportsmanship Award that will be awarded to one male and one female student-athlete. Voted on by the league's athletics directors, the award honors student-athletes who, through their actions in the competitive arena of intercollegiate athletics, have demonstrated one or more of the ideals of sportsmanship, including fairness, civility, honesty, unselfishness, respect and responsibility. The recipients of the 2016-17 award were Tate Schroeder of the Missouri tennis team and the Ole Miss and Vanderbilt baseball teams.

IN THE COMMUNITY

- In July 2017, 68 SEC student-athletes participated in community service projects at the Community Food Bank of Central Alabama and the American Cancer Society Hope Lodge as part of a joint meeting of the the SEC Student-Athlete Leadership Councils and the Student-Athlete Advisory Committee. The Community Food Bank operates as a central clearinghouse for collecting food, and it serves 12 counties in Alabama. Hope Lodge offers free lodging to cancer patients and their families, and it also provides a variety of resources and information about cancer and how best to fight the disease.

- The SEC and its member institutions have partnered with the 11-state Special Olympics organizations in the SEC region. The relationship is featured on public service announcements aired on SEC telecasts, and Special Olympics participate in the Dr Pepper SEC FanFare, held in conjunction with the SEC Football and Basketball Championships.

- The SEC and its corporate sponsors host youth clinics each year in conjunction with several conference events, including the football championship game, the men's basketball tournament, the baseball tournament and the soccer tournament. These clinics provide children from host cities the opportunity to receive instruction from SEC and other area coaches.

- The SEC selects a Community Service Team in each of its 21 sports. The Community Service Team features a representative from each institution who has shown a commitment to community service.

- Jeb Blazevich (Georgia) and Oren Burks (Vanderbilt) were named to the 2016 Allstate AFCA Good Works Team®, one of the most coveted off-the-field honors in college football. The Good Works Team® award is celebrating 25 years of recognizing college football players who dedicate their time to bettering the community and the lives of others.

Kentucky was first nationally in attendance, averaging 23,461 fans per contest. The SEC led all conferences in women's basketball attendance in 2016-17.

- Year after year, the SEC is the leader in college baseball attendance. In 2017, for the sixth consecutive year, the SEC's institutions drew more than 2 million fans, with a nation-leading attendance total of more than 2.4 million fans. The SEC averaged more than 5,000 fans per game (5,006) in 2017. The SEC and its member schools own virtually all regular season, conference tournament, NCAA Regional and Super Regional attendance records.

SECU - COMMITMENT TO THE UNIVERSITY ACADEMIC MISSION

- Through its SECU academic initiative, the Southeastern Conference sponsors, supports and promotes collaborative higher education programs and activities involving administrators, faculty and students at its member universities. SECU is led by the president or chancellor of each SEC university and is managed by the chief academic officer.

- The goals of the SECU initiative include highlighting the endeavors and achievements of SEC faculty and universities; advancing the merit and reputation of SEC universities outside of the traditional SEC region; identifying and preparing future leaders for high-level service in academia; increasing the amount and type of education abroad opportunities available to SEC students; and supporting collaboration between SEC faculty and administrators.

- The SEC Academic Leadership Development Program seeks to identify, prepare and advance academic leaders for roles within SEC institutions and beyond. It has two components, a university-level program and two, three-day, SEC-wide workshops held on specified campuses for all participants.

- The SEC College Tour occurs twice annually, once in the fall and once in the spring. Enrollment administrators from all SEC universities participate in events intended to introduce SEC universities to students, parents and high school counselors from outside of the southeast region.

- The SEC education abroad focus includes a cooperative agreement that gives SEC students access to international programs offered at other SEC universities; an engineering exchange agreement with the Politecnico di Torino in Italy; and Dr Pepper awards that support SEC students with demonstrated financial need who represent non-traditional study abroad participants.

- The SEC Faculty Achievement and Professor of the Year Awards recognize faculty with outstanding records in research and scholarship. There is one winner per campus and one overall winner for the SEC.

- The SEC Faculty Travel Program is intended to enhance collaboration that stimulates scholarly initiatives between SEC universities. The program offers faculty from each SEC university the opportunity to travel to other SEC universities to develop grant proposals, conduct research and deliver artistic performances.

- The SEC MBA Case Competition is an opportunity for SEC business schools to showcase their students' skills at solving simulated, real-world problems that cover the spectrum of business disciplines. The competition is held on one SEC campus and teams of four MBA students compete against other SEC teams, the best receiving various awards and recognition.

COLLEGE FOOTBALL PLAYOFF

EVERY GAME COUNTS

The College Football Playoff is a four-team event to determine college football's national champion on the field, while preserving the significance of college football's unique regular season where every game counts.

THE BEST TEAMS

The selection committee ranks the teams based on the members' evaluation of the teams' performance on the field, using conference championships won, strength of schedule, head-to-head results, and comparison of results against common opponents to decide among teams that are comparable.

TRADITION

The New Year's holiday period belongs to college football, with two semifinal games rotating annually among the Cotton Bowl, Fiesta Bowl, Orange Bowl, Peach Bowl, Rose Bowl and Sugar Bowl.

CHAMPIONSHIP MONDAY

The two winning teams from the Playoff Semifinals compete for the College Football Playoff National Championship. The national championship game is in a different city each year, always on a Monday night.

UNIVERSAL ACCESS

Every FBS team has equal access to the College Football Playoff based on its performance. No team automatically qualifies.

GOVERNANCE

The 10 FBS conferences manage the College Football Playoff and are members of the entity CFP Administration, LLC.

COLLEGE FOOTBALL PLAYOFF

SELECTION COMMITTEE RESPONSIBILITIES

- Rank the top 25 teams and assign the top four to semifinals sites.
- Assign teams to New Year's bowls.
 - Create competitive matchups.
 - Attempt to avoid rematches of regular-season games and repeat appearances in specific bowls.
 - Consider geography.

PARTICIPANTS IN THE NEW YEAR'S BOWLS

Both participants in the Orange, Rose and Sugar Bowls are contracted outside the playoff arrangement (Big Ten and Pac-12 to Rose Bowl; SEC and Big 12 to Sugar Bowl; ACC to Orange Bowl against the highest ranked available team from the SEC, Big Ten and Notre Dame). If a conference champion qualifies for the playoff, then the bowl will choose a replacement from that conference. When those bowls host the semifinals and their contracted conference champions do not qualify, then the displaced champion(s) will play in one of the other New Year's bowls.

When not hosting semifinals, the Cotton, Fiesta and Peach Bowls will welcome displaced conference champions and the top-ranked champion from a non-contract conference. The highest-ranked available teams will fill any other berths. The selection committee will make the pairings.
