AS SEEN ON TV

- The Alabama women's basketball team will appear nine times on the ESPN family of networks during the 2024-25 regular season.
- In addition to the Crimson Tide's nine combined televised appearances, all home games and select road contests will be streamed through SEC Network+.
- The Tide will mark its 2024-25 network debut on Dec. 5 on ESPU, when UA travels to Berkley, Calif., for the SEC/ACC Challenge against Cal at 8 p.m. CT.
- Alabama will air on SEC Network at least seven times during conference play, starting with the Tide's road contest at Arkansas on Jan. 19 before hosting Vanderbilt on Jan. 26.
- UA's matchup versus the LSU Tigers on Feb. 27 is slated for either ESPN or SEC Network.

BACK IN COLEMAN COLISEUM

- Alabama will play inside historic Coleman Coliseum for the ninth straight season in 2024-25
- UA split time between Foster Auditorium and Coleman Coliseum through 1975-81, playing 35 games at Foster during that time range.
- The Tide permanently moved to Coleman Coliseum from 1981-2011. During the 2010-11 season, the women's basketball program played its final three games at Foster after it underwent a renovation.
- Then, the program played at Foster for the next five seasons (2011-16) except for four games, which included two season-opening doubleheaders with men's basketball and a pair of 5th Grade Fastbreak games.

NEW FACILITIES

- Alabama Athletics formally proposed a Coleman Coliseum Basketball Training & Player Development Facility Expansion and Renovation over the summer
- The proposed project consists of a 48,000 square-foot expansion on the southeast corner of Coleman Coliseum while renovating approximately 19,000 square feet of existing team space.
- Phase II of The Crimson Standard Initiative, which includes a new competition arena for basketball and gymnastics is still in the works
- The Crimson Standard, unveiled in 2018, is Alabama Athletics' 10-year, \$600 million capital initiative created to comprehensively elevate the student-athlete experience, recruiting efforts and the overall game-day experience for all Crimson Tide fans. To date, over \$470 million has been raised for The Crimson Standard Initiative.
- The new arena is projected to seat over 10,000 and designed to bring fans closer to the action on the court. Arena features would include student seating around the majority of the lower bowl in addition to new premium options in club, loge, courtside and lower-level preferred seating.
- Coleman Coliseum will continue to serve as the day-to-day practice and preparation site for the programs and will also continue to house the multiple departments currently located within the building.
