GAME NOTES

DROPPING THE PUCK:

Marian University women's ice hockey squares off with Lake Forest in the NCHA Slaats Cup Quarterfinals February 20-21.

SCORING FIRST:

The first goal has been an important goal as Marian is 12-1-0 this season when scoring first. The lone defeat came in the opener against No. 10/12 CUW this past weekend. When allowing the first goal, the Sabres are 1-11-0 on the season.

HOW ABOUT HUNTER:

Sophomore Zowie Hunter had a breakout season leading Marian in goals, assists and points. Her 12 assists on the year are tied for the Marian single-season record, while her 24 points is just the sixth time in program history a skater has reached 20 points in a season.

RIDING THE TRAVER TREND:

Sophomore Jillian Traver has played well down the home stretch in goal for the Sabres. Over her last four games, Traver has posted a 1.24 goals-against average with a .958 save percentage. She has already set a single-season Marian record with 10 wins and is currently tied for the single-season record with four shutouts.

REGULAR SEASON SERIES:

Marian and Lake Forest squared off in the final NCHA series of the first half with the Foresters sweeping the Sabres. After being shutout at LFC, juniors Jessica Tadevich and Olivia Laube each scored for Marian at home.

RECORD SEASON:

Marian has already set a single-season record for wins this campaign with 13 victories. It's just the second time the Sabres have reached double-digit victories in a season and the first time in program history Marian finished the regular season with a winning record.

SABRE SLAATS CUP HISTORY:

Marian is still in search of its first postseason victory entering their 10th conference tournament. The only non-defeat for the Sabres came in the 2024 NCHA Slaats Cup Quarterfinals after tying with Aurora 1-1 in game two of the series.
