KNIGHT NOTES

Rutgers enters the week at 9-5 overall and looking for its first Big Ten win of the season after opening last weekend at #1 Nebraska and Iowa. The Scarlet Knights had their closest match with the Cornhuskers since 2021, when RU took a frame from the five-time national champions, in a 25-21, 25-22, 25-15 loss. Rutgers saw two late surges in sets one and two, hitting .318 against a Nebraska defense that was only allowing opponents to hit a nation-low .081 in set one and using a 9-1 run and thwarting set point five times in set two. At Iowa the following evening, Lily Bolen collected her fifth double-double of the season and 18th of her career behind 14 assists and 11 digs in a 25-16, 25-23, 25-21 loss.

Entering the second week of conference play, Rutgers as a team is ranked in the top three in the Big Ten in total aces and aces per set, team assists, team kills, total attempts and total blocks. RU's 113 aces on the season are eighth nationally and lead the league. Ranking individually among the conference's top ten are Karis Willow and Lily Bolen (total aces & aces per set), Imani Howell (total blocks & blocks per st) and Kenzie Dyrstad (total digs).

On the offense, the Scarlet Knights are led by Malia Romes with 2.52 kills per frame and Skylar George at 2.45 kills per frame. George, who in addition to her career-high 22 against Bryant in the final non-conference week, posted a pair of double-doubles with 22 kills and 15 digs vs. the Bulldogs and 13 kills and 14 digs against St. John's. Romes, meanwhile, has reached double-digit kills in eight of RU's 14 matches, including 14 in her Scarlet Knight debut vs. Purdue Fort Wayne and against Vanderbilt during the Allstate Big Ten/SEC Challenge.

Setting up the attack are Brooke Baldwin at 5.54 assists per set and Lily Bolen at 5.24 helpers per frame.

Bolen is also a Scarlet Knight to watch at the service line and is nearing the 100 career ace mark. Bolen has 25 aces to her credit this season, including five served up against Bellarmine and LIU. She is six aces away from becoming the third Scarlet Knight of the rally era with 100 or more aces in a career. RU will also look to Karis Willow, who has 30 aces to date, including seven served up against Bellarmine. Willow leads the Big Ten in total aces with 30 and is second in aces per set, averaging 0.67, behind Minnesota's McKenna Wecherer. RU leads the Big Ten with 113 aces served up.

Defensively, Imani Howell leads the block with 61 total stops, 10 solo blocks and 1.33 rejections per set. Howell captured nine blocks in RU's final nonconference outing, a 3-2 win at St. John's. Dyrstad also leads the defense with 3.79 digs per set, leading RU in the category in all but one match.

TIMELINE OF NOTABLES

- 2025 -

Rutgers surpassed its win total from the previous season nine games into the year, fueled by a seven-match win streak, the longest for the squad since 2012. The Scarlet Knights collected sweeps in six of the seven games. Against the Red Flash, RU swung .456, marking the best hitting percentage by the Scarlet Knights in a rally-era match. In nonconference action, RU played to a 9-3 mark with seven sweeps and a 4-0 home mark. In Big Ten action, the Scarlet Knights set not only a school record for attendance, but the 8,000 to witness the Scarlet Knights take on No. 1 Nebraska at Jersey Mike's Arena marked the largest crowd to watch a volleyball match in the state of New Jersey. RU also picked up its first-ever Big Ten win over Ohio State as the sweep marked the most by the program since 2000 and the first time in either Big East or Big Ten play that the Scarlet Knights have held an opponent to under 20 in a match. At the end of the 2025 season, Rutgers had captured the best hitting percentage and most aces of any team during the rally era, saw Zora Hardison set both the rally-era career and season solo block record and Lexi Visintine set the rally-era season record in aces and became only the second Scarlet Knight of the rally era with over 100 career aces. In Big Ten action, the Scarlet Knights posted the most assists and aces in a season since joining the league, with Lily Bolen averaging the most assists per set in a Big Ten season. Additional season stat notables included Visintine with the most aces since 1988, Hardison with the most season solo blocks since 1999, Aspen Maxwell with the most kills per set since 2009, Natalie Robinson with the best hitting percentage since 2011, Bolen with the most assists and assists per set since 2012, and Maxwell with the most kills since 2013.

- 2024 -

A youthful Scarlet Knight squad continued to rewrite the Rutgers record book, putting up several notable career and season numbers as the Big Ten expanded to the West Coast. On the attack, Alissa Kinkela, the squad's first-ever All-Big Ten attacker from 2023 and an Australian Olympic hopeful, cracked the top 10 all-time in career kills, the second most rally-era career kills and the third most rally-era career kills per set. Following the season, Kinkela signed to play professionally in South Korea. In addition to Kinkela's mark in the record book, Rutgers put nine entries into the rally-era individual season top 10 records, with a new benchmark set for blocks in a rally-era season from rookie Natalie Robinson. At the same time, junior Lexi Visintine was just two aces shy of setting a new season standard in the category.

- 2023 -

More milestones continued for the Scarlet Knight program in 2023. The team was honored with its first-ever All-Big Ten attacker, captured the most wins and best nonconference record since 2012, improved its set win total by 45% over the previous season and set a school record in attendance. The Scarlet Knights collected the most kills and digs as a program since 2012, the highest serve percentage since 2016 and the most assists since 2018. Alissa Kinkela, who led the team in kills, was named Second Team All-Big Ten. The Scarlet Knights placed 12 entries into the rally-era individual season top 10 records, 13 entries into the rally-era team top 10 records, while collecting the most sets played, kills, assists, assists per set, digs and solo blocks by a team in conference play since joining the Big Ten in 2014. Senior libero Madyson Chitty finished her career fifth all-time in career digs and senior middle blocker Kristina Grkovic concluded her career fifth all-time in hitting percentage while setting the rally-era record for solo blocks in a season and career. Rutgers improved its attendance by 50% while setting a program record of 6,757 in attendance at Jersey Mike's Arena when facing No. 1 Nebraska on Nov. 5. Additionally, head coach Caitlin Schwehofer registered her 100th career victory.

- 2022 -

The fall of 2022 saw RU 3-0 for the first time since 1998, with four Scarlet Knights named to All-Tournament squads. By the season's end, Rutgers had 11 entries on the rally-era season leaders list, including tying the record for most kills in a rally-era three-set match and graduate student transfer Megan Vernon, who wrapped up her career ranked second in the rally era in solo blocks in only two seasons as a Scarlet Knight.

- 2021 -

The second season of the Caitlin Schwehofer era saw the Scarlet Knights move a majority of its home games to Jersey Mike's Arena (formerly known as The RAC), playing members of the nation's top conference in the 8,000-seat arena. Rutgers captured set wins over #8 Purdue and #15 Penn State and took Illinois to five sets in front of a national audience on BTN.

- SPRING 2021 -

In Caitlin Schwehofer's first season "On The Banks", played in the spring due to the Covid-19 pandemic, the Rutgers Scarlet Knights established themselves as a program on the rise with numerous program and Big Ten firsts. Among the Scarlet Knights' spring 2021 accomplishments were the first-ever All-Big Ten honoree, the first-ever home-opening Big Ten victory, the first-ever Big Ten series sweep, set victories over more than one Top 10 program, along with the team's first-ever wins over Indiana and Michigan State. RU established new team, season and match records for aces, reset program Big Ten game bests in kills, attempts, attack percentage and assists and collected individual conference superlatives in attack percentage, assists and digs.

Additionally, freshman Natalie Robinson leads RU's career blocks per set category after only one season "On The Banks" while Lexi Visintine was just two aces shy of setting a new season standard in the category.

Prior to arriving at Rutgers, Schwehofer was at the helm of the Northeastern women's volleyball team taking over the reins of the Huskies program after five seasons at La Salle, where she earned 2018 Atlantic 10 Coach of the Year honors.

Under Schwehofer's tutelage in 2019, Northeastern captured its best hitting percentage since 2008, earned a trio of all-conference honors and finished the season ranked among the top three in the Colonial Athletic Association in hitting percentage, kills, digs and assists.

During her tenure at La Salle, Schwehofer recruited and coached the Atlantic 10 Setter of the Year, as well as multiple all-conference and all-rookie selections and saw the team earn the American Volleyball Coaches Association (AVCA) Team Academic Award each season. She led the Explorers to its first-ever Atlantic 10 tournament appearance in 2018 as the squad concluded the regular season at 17-11 overall, the most wins for the program since the 1998 season. Additionally, six members of the team earned conference accolades including Setter of the Year as Schwehofer was honored as the league's coach of the year.

Schwehofer oversaw an eight-win improvement over the span of the 2015-17 seasons, which included beginning the 2015 season with five-straight wins for the best start in program history. The 2015 season also saw her named to the AVCA Thirty Under Thirty list as she implemented the third largest turnaround in program history.

Schwehofer was also actively engaged in fundraising efforts for the program at LaSalle, helping to oversee a 650% increase in funding, including \$40,000 for locker room renovations.

Before joining the collegiate head coaching ranks, Schwehofer spent a season as the top assistant at Lehigh as the Mountain Hawks captured a 20-9 overall record and 11-5 mark in the Patriot League. The 11 conference wins tied a school record, while the 20 victories on the season were the most by the program since 2002 and the sixth most in Lehigh history.

Prior to Lehigh, Schwehofer spent one season as an assistant at Bucknell and served as the head coach of Pope John Paul II School in Royersford, Pennsylvania, where as the program's first-ever coach, she led the team to two top 10 Pennsylvania state rankings and a pair of PIAA District I runner-up finishes.

A 2007 graduate of St. John's (NY), with a major in communication science, Schwehofer was the 2006 Big East Female Scholar-Athlete of the Year, captaining the Red Storm to a Big East Championship behind a 31-5 overall record and undefeated 14-0 mark in conference play. The Red Storm ranked as high as No. 24 in the national polls and advanced to the NCAA Second Round. In the classroom, Schwehofer completed her degree in three years with a 3.9 cumulative grade point average earning a trio of Academic All-Big East distinctions, while her play on the court earned her Second Team All-Big East and First Team Academic All-District honors in 2006. She was also a CoSIDA Academic All-District selection as a senior, inducted into the Chi Alpha Sigma Honor Society for student-athletes and co-founded STAR (Students Teaching Athletes Responsibility) at St. John's.

The Trooper, Pennsylvania native also earned Master's in educational leadership and higher education administration with an emphasis in change management from Lehigh in 2014.

Schwehofer is a member of the NCAA National Post-Graduate Scholarship and AVCA East Region All-America Selection Committees and is a former member of the AVCA Head Coaches and Top 25 Poll Committees.

KNOW YOUR KNIGHTS

Nickname: Sky or Skymoney

Major: Communications

I chose my major because: I chose Communications because it's a broad major that gives me a lot of career options. I know I want to stay in the sports world after volleyball, whether that's in sports media, marketing, content creation, or another area of the industry. Communications helps me build skills that can be applied to many different careers while still aligning with my interests.

I chose Rutgers because....: I was looking for a program that valued me both as a player and as a person, and that's exactly what this coaching staff and team showed me. Playing in the B1G was also a dream of mine. I knew we were viewed as underdogs in the conference, which made the opportunity even more exciting because I love proving people wrong. On top of that, the academics and lifelong connections that come with earning a degree from Rutgers made it an easy decision.

One word to describe myself on the court: Energetic and passionate

One word to describe myself off the court: Genuine

I started playing my sport because....: My best friend told me her mom was coaching this church league volleyball team and I was tall and ended up loving it!

One word to describe your Coach: Passionate

The person I most admire is and why: The people I admire most are my family, especially my younger sister. She is one of the strongest and most genuine people I know. Watching her grow, overcome challenges, and stay true to herself inspires me every day. My family has always supported me through everything, and they have shaped me into the person I am today.

If I wasn't playing volleyball, I'd be: Definitely be a theater kid. I was involved in theater throughout middle school and high school, and I loved performing, singing, and being part of productions. My favorite musical I was in was Legally Blonde because it was so fun and full of great music. Theater gave me a chance to be creative, build confidence, and make a lot of great memories.

Rituals I have before, during or after a game are: Before I have to have an Alani, journal to myself, positive pep talk in the mirror to myself, I always wear a bow and if I have a bad game I will throw that bow away but if it's a good game I will re-wear it. During the national anthem, I always pray!

Best player ever competed against: Kendall Kipp and Anna DeBeer

Favorite place to hang out on campus: Starbucks!

Favorite professional sports team: Lovb Houston

Favorite professional athlete: My favorite professional volleyball player is Mia Tuaniga. Even though she's a newer professional athlete, she's become one of my favorite players to watch. I really admire how she's completely herself on and off the court. She plays with confidence, energy, and personality, and she isn't afraid to show who she is.

Few people know that I: Did competitive cheer for seven years before volleyball!

Person who had greatest influence on my athletics career: My greatest influences have been my dad and my strength coach, Dash. My dad started training me at a young age, having me do plyometrics in the street and teaching me the value of hard work. Dash came into my life during my junior year of high school and pushed me to be the best version of myself.

The movie I have watched the most in my lifetime is: Mamma Mia!

Favorite musician/group: Mariah the Scientist, SZA, Drake, Rihanna

The first song I knew all the words to is: Gotta go my own way - High School Musical

If I could turn any activity into an Olympic sport, I would win a gold medal at: Trying new coffee shops everywhere I go

Famous people I have met include: Livy Dunn not really anyone other than her

Favorite all-time gift received: I love anything that is memories with my friends and less materialistic things. Anything that is a scrapbook or letters is my favorite.

Pets I had growing up were: I always have had a chocolate lab growing up. Now I have a black lab named cookie, a little white dog named butter, and doodle names peanut.

My favorite Halloween costume growing up was: Gabriella from High School Musical

The place in the world I would most like to visit is: Italy or anywhere in Europe

The website I visit most often is: TikTok

My favorite teacher was: Mrs. Dunavon my 3rd grade teacher

The quote that most resonates with me is: "When one door closes another one opens" or "everything happens for a reason". I never planned to transfer schools twice but I have learned so many lessons at each school and by everyone I have met. And I'm so glad it all led me to finish here.

I started playing my sport because...: I started playing volleyball because sports have always been a big part of my family. Both of my parents played college sports—my dad played basketball and my mom played volleyball—so my siblings and I were always encouraged to try different sports growing up. I played a little bit of everything, but when I found volleyball, I immediately fell in love with it. I loved the energy, the competitiveness, and especially being part of a team. What started as one of the many sports I tried growing up eventually became the sport I knew I wanted to pursue.

I chose Rutgers because...: I chose Rutgers because it felt like the perfect place for me to grow both as a volleyball player and as a person. I knew I would be surrounded by a coaching staff that believed in me and pushed me to be my best every day. Being able to compete in the Big Ten and play against some of the best teams in the country was also something I really valued and knew would challenge me to grow. At the same time, Rutgers gives me the opportunity to receive a great education and earn a degree that I'll carry with me long after volleyball.
