# SPORTS INFORMATION

The Southeastern Oklahoma State sports information office provides timely and accurate information to members of the media, student-athletes, coaches and fans. The office promotes and publicizes each of the 12 NCAA-sponsored varsity programs and the rodeo team.

Other areas of responsibility handled by the sports information office include producing the content for the official athletic web site of Southeastern Oklahoma State University Athletics, arranging all interviews with student-athletes and coaches, compiling and archiving statistics, writing game stories as well as producing media guides and publications.

For information about media credentials and/or accommodations, contact SID Matt Thomas at (580) 745-2646 or [mthomas@se.edu](mailto:mthomas@se.edu). On game days, media will need to present a valid ID to pick up their credentials at Will Call located at the main entrance. At Paul Laird Field, easy access to the press box is located behind the west press box. Visiting Team Radio has a booth located on the third floor of the press box. Statistical monitors and an audio feed from the referee's wireless microphone will be provided in each radio booth. Media space is reserved on a first-come, first-serve basis courtside in both Bloomer Gymnasium and Sullivan Arena at Southeastern.

The Savage Storm can be followed live on [GoSoutheastern.com](http://GoSoutheastern.com) through audio streaming and live statistics. Audio broadcasts are provided for all football and the majority of men's and women's basketball games. Select baseball and softball contests are also available. A live statistics service is available at home football, volleyball,
