www.sewaneetigers.com

@SewaneeTigers

Welcome to Sewanee

On behalf of the Department of Athletics, all of us here on the mountain would like to welcome you to the Domain, the beautiful 13,000-acre campus of the University of the South. I hope that this Visiting Team Guide provides as warm of a welcome, and is as helpful to your visit as all of our student-athletes and staff members would like to be. Our goal is to provide a fun and rewarding competitive environment not only for your student-athletes, but your coaches and fans as well.

I want to wish you all the best of luck in your competition on the field, the court, or in the lanes, and promise to live up to our responsibility as a sportsmanlike and hospitable host to all of our visitors.

Sincerely,

John Shackelford,
Director of Athletics
