Ram Stadium has served as the home of the Shepherd football team since 1959, when it was dedicated at the Homecoming game on October 10 with a 14-0 win over rival Potomac State. Since then, the Rams have treated their fans to plenty of excitement, last-second wins, and hard-hitting tackles. With the crowd as the 12th man on the field, the Rams have compiled a 222-76-6 (.740) overall record on their home field.

The program permanently moved its playing site to Ram Stadium in 1960 after playing its home contests at Fairfax Field, which is now the revamped home for the University's baseball team.

In 2000 the stadium underwent a \$2.2 million expansion. The home stands were moved to the west side, which features additional seating to increase the total seating capacity to 5,000. Two new sections of reserved seats are offered. A new press box, concession stands, and bathrooms are also included.

The Kenneth J. Boone Field House, a \$1.25 million facilities building, was completed in 2003. The Shepherd University Foundation raised \$500,000 in private gifts and grants with an assist from the Ram Stadium Committee chaired by Boone '76, a former Ram football player. The University covered the remaining construction cost through a bonding initiative.

FieldTurf was installed in time for spring practice in 2008. The FieldTurf Project was spearheaded by generous donations from former Rams Brian Jackson '87 and Chris Mack '88. A new turf was installed in the spring of 2019.

Coach McCook has called on the Ram Gridiron Club for immediate support!

The impacts of COVID-19 and the subsequent canceling of the 2020 season and two years of summer camps have created a significant financial shortfall for the Shepherd Ram Football program. The program uses critical fundraised dollars to support needed resources, such as coach stipends, equipment needs, scholarship development, and travel costs. Unfortunately, the loss of funds also directly impacts our Ram student-athletes.

The NCAA's recent eligibility extension allows for an additional year of eligibility, meaning that it is now possible for our talented senior class to have another year in the blue and gold. While that opportunity is great for our student-athletes and the program as a whole, it also creates a gap in available scholarships. The Ram Gridiron Club has been asked to assist with filling that gap, with a goal of \$50,000 of funding.

This is a **CALL-TO-ACTION** for our current members, alumni, fans and friends to promote and elevate the program by making an upgraded financial level of support and growing our membership!

For more information on the Ram Gridiron Club, or to give your gift today, please go online to www.suathleticclub.org/ram-gridiron-club!
