SHEPHERD'S MAGIC NUMBERS

24

If the Rams score 24 or more points, there is a good chance they will come out on top. Shepherd owns a 359-21 (.944) all-time record when reaching the magical 24-point mark. Included in that record is a 231-18 (.927) record since 1990.

14

The Rams sport a 404-75-26 (.825) all-time record when holding the opposition to 14 points or less. Currently, Shepherd has won 130 of its last 131 games when holding the opposition to 14 or less and owns a 154-3-1 (.977) record since 1990 when turning the trick.

7

Shepherd is 143-109-26 (.561) all-time in games decided by seven points or less. Shepherd has a 61-34-1 (.640) record since 1990.

150

Another key to victory is the Rams' running game. Shepherd is 230-28-2 (.888) since 1980 in games that it rushes for 150 or more yards. Since 1990, the record is 180-16-1 (.916).

ANYTHING LESS THAN 100

Defensively, the Rams will try to contain the running game and force teams to pass. If they hold the opposition to under 100 yards rushing, the odds on a win go up dramatically. Since 1980, the Rams are 208-25-1 (.891) when holding teams to less than 100 yards. Since 1990, Shepherd is 171-20 (.895).

ON THIS DATE

The Rams have played one game in their history on November 26 with a 1-0-0 overall mark.
