Ram Stadium has served as the home of the Shepherd football team since 1959, when it was dedicated at the Homecoming game on October 10 with a 14-0 win over rival Potomac State. Since then, the Rams have treated their fans to plenty of excitement, last-second wins, and hard-hitting tackles. With the crowd as the 12th man on the field, the Rams have compiled a 234-77-6 overall record on their home field.

The program permanently moved its playing site to Ram Stadium in 1960 after playing its home contests at Fairfax Field, which is now the revamped home for the University's baseball team.

In 2000 the stadium underwent a \$2.2 million expansion. The home stands were moved to the west side, which features additional seating to increase the total seating capacity to 5,000. Two new sections of reserved seats are offered. A new press box, concession stands, and bathrooms are also included.

The Kenneth J. Boone Field House, a \$1.25 million facilities building, was completed in 2003. The Shepherd University Foundation raised \$500,000 in private gifts and grants with an assist from the Ram Stadium Committee chaired by Boone '76, a former Ram football player. The University covered the remaining construction cost through a bonding initiative.

FieldTurf was installed in time for spring practice in 2008. The FieldTurf Project was spearheaded by generous donations from former Rams Brian Jackson '87 and Chris Mack '88. A new turf was installed in the spring of 2019.

Shepherd University Athletic Club

The Shepherd University Athletic Club (SUAC) is a volunteer membership organization of champions and advocates dedicated to supporting the student-athletes and athletic programs at Shepherd University. The mission of the Shepherd University Athletic Club is to create opportunities that will directly contribute to the overall goals of the university's intercollegiate athletics program while establishing an organization that will provide sustained levels of engagement and financial support for all men's and women's varsity teams. Whether through executing fundraising efforts or identifying in-kind donations, our intent is to provide resources that allow all varsity sports to compete at the highest level possible.

For more information on the SUAC, additional funding opportunities or how you can have a greater impact on the future of Shepherd Athletics, call Assistant Athletic Director Tim Zeigler at 304-876-5527.
