# Academics and Athletics

**Shippensburg University shapes its** athletic program to fit within the overall academic goals of the university—maintaining a balance between athletics and academics.

Since 1984, the university's Office of Institutional Research has monitored the progress of our athletes in the classroom. The original study found that Shippensburg was ahead of many institutions in meeting the standards of Propositions 48 and 64—two NCAA resolutions designed to set minimum educational levels in collegiate athletes.

Proposition 64 of the NCAA established a minimum score of 700 in the SAT and a 2.0 grade point average in 11 core curriculum courses in high school. Proposition 48 carries these minimums even further and outlines availability of scholarships to freshmen athletes based on their school performance.

Incoming freshmen athletes show preparation levels comparable to those of all incoming students. In 2006, the average SAT score for incoming freshmen athletes was 1006, only slightly below the SAT average for new incoming students of 1015. Both groups average in the upper two-fifths of their graduating high school classes.

Today Shippensburg University athletes continue to uphold the study's findings. The quality point average (QPA) for all athletic teams in 2006-07 was 2.67 on a 4.0 scale. The 10 women's teams had a 2.93 overall average while the eight men's teams averaged 2.82. This can be compared to the fall 2006 figures: the total student body QPA averaged 2.82, females were slightly higher at 2.98, and males were slightly lower at 2.66.

Shippensburg's athletes continue to show high six-year graduation rates. Seventy-one percent of those receiving athletically related financial aid graduate within six years of enrolling. The 2005 NCAA Graduation Rate Report found that nationally, among public Division II schools, the graduation rate was 45 percent with athletes graduating at 54 percent. Retention studies by the Office of Institutional Research and Planning show male athletes at Shippensburg graduated at 55 percent and those receiving athletically related financial aid graduated at 54 percent. In addition, female athletes graduated at 79 percent and those receiving athletically related financial aid graduated at a rate of 81 percent.

Since 1975, 43 athletes have earned Academic All-America honors and three athletes have earned NCAA Postgraduate scholarships. Many more of Shippensburg's fine athletes have been nominated for these and other regional and national honors.

Although the academic standards are stringent at Shippensburg, the 20 athletic teams have won about 60 percent of all their contests since 1975. Twelve university teams have won 53 Pennsylvania State Athletic Conference (PSAC) championships in the same period.

# Academic Support Services for Student Athletes

Shippensburg University established the Office of Academic Support Services for Student-Athletes to provide the best possible resources for enhancing the academic experiences of student-athletes. Through the coordinator, a variety of academic assistance services are available, including academic advising support, academic progress monitoring, academic counseling and referral, and assisting graduating student-athletes in researching and pursuing employment and/or opportunities for graduate education.

The Office of Academic Support Services for Student-Athletes has strong links with the Learning Center and other campus-wide programs to support the academic well being of student-athletes.

All student-athletes have the opportunity to participate in the CHAMPS/Life Skills program. This program is committed to promoting excellence in academics, athletics, career and personal development, and community service. In addition, all incoming first-year student-athletes have the opportunity to voluntarily participate in the PACES program. PACES (Personal, Academic, and Career Exploration Seminar) is open to all incoming undeclared first-year student-athletes who want to gain greater insight into campus majors, possible careers paths, campus resources, technology, scheduling concerns, and wellness issues.

The office provides advisement and a variety of programming options for all student-athletes to assist with balancing the demands of academic achievement and athletics success.

## Dr. Roberta Page

*Director of Athletics*

Dr. Roberta Page was appointed director of athletics in June 2003. She joined Shippensburg athletics in January 2000 as associate director of athletics and then served as interim director of athletics from December 2001 until June 2003.

Since coming on board, she has helped maintain Shippensburg's winning traditions. Shippensburg earned the 2005 Dixon Trophy, which is awarded by the Pennsylvania State Athletic Conference to the member institution that has the best overall athletic program. It was the fifth time in the 10-year history of the award Shippensburg captured the honor.

A native of Greensburg, Pa., Page played basketball and softball at Slippery Rock University where she graduated in 1988. She majored in physical education with a minor in sports management.

Following graduation she taught health and physical education and served as assistant track coach (1989-95) and assistant varsity and head junior varsity basketball coach (1989-94) at Chambersburg High School. She also was head volleyball coach at Wilson College (1992-94).

# Seth Grove Stadium

**Seth Grove Stadium opened on** September 9, 1972 with the inaugural game between Shippensburg and Bloomsburg. Behind three touchdowns from fullback Johnny Seigle, the Red Raiders defeated the Huskies, 28-14. Seigle scored the first touchdown in the history of the stadium on a 2-yard run in the first quarter.

The stadium is named for the late J. Seth Grove, former faculty member and coach at Shippensburg. Grove graduated from Shippensburg in 1910 where he starred in basketball and baseball. He joined the university faculty in 1920 and coached the football team to a 6-2 record.

Grove became chairman of the mathematics department in 1921 and did not re-enter coaching until 1930 as head coach of the baseball team. He coached until 1935 and then became the athletic director, a position he held until 1946. Grove retired from teaching in 1952.

Seth Grove Stadium is part of a 50-acre athletic facility that includes Heiges Field House (basketball and volleyball), Fairchild Field (baseball), three football practice fields, David See Field (soccer), Henderson Gymnasium, Robb Sports Complex (field hockey and lacrosse), Robb Field (softball) and Eckels Field.

Eckels Field was the first university-owned athletic facility. Opened in 1903, it is now the site for many intramural events. Himes Field, a rented area that served as the home to the Shippensburg baseball team (1874-1902) and the football team (1891-1902), is now the site of several homes on North Prince Street near the main entrance to the university.

The stadium's capacity of 7,700 has 6,700 seats in the main grandstand and 1,000 seats on the visitors' side of the field. Originally it had a capacity of 7,600. From 1987-89, temporary bleachers were set up beyond the north end zone for football games and commencement, boosting the capacity to 8,200.

In 1990, the 900-seat bleacher set on the visitors' side was removed for safety reasons and the 600 temporary seats were moved from the end zone to the visitors' side, giving the stadium a capacity of 7,300. In 1991, the new visitors' bleachers were built, reaching the current capacity of 7,700. If necessary, temporary bleachers can be added to the end zone.

In 2004, the Red Raiders played seven home games and drew a school-record 36,578 fans, an average of 5,225 per game. The record average of 6,625 was set in four games in 1979 and the largest single-game attendance in school history was 9,200 fans, set on October 12, 1985 against Millersville. In 1991, Shippensburg was ranked 15th in the country among NCAA Division II schools for attendance, averaging 6,050 per game.

Homecoming has always been a gala affair at Seth Grove Stadium drawing standing room only crowds.

Home team locker rooms, an equipment room, sports medicine areas, rest rooms, concession stands, offices and storage space are located underneath the home grandstand. The visiting teams dress in nearby Heiges Field House.

In addition to university athletic events, the stadium is used for commencements and other related functions. It has also been the site of the PIAA state track and field championships every year since its construction in 1972.

A crowd of 12,000 spectators for the 1976 state championships, which included the crowd at the weight throwing events just north of the main grandstand, was the largest for any event held at the stadium.

An eight-lane Tufflight all-weather track was installed in 1985, replacing the original six-lane Uni-Turf track, giving Shippensburg one of the best track facilities in the East.

## HEAD COACH ROCKY REES

*Head Coach*

### Rocky Rees

West Chester '71

19th year at Shippensburg

William M. "Rocky" Rees has a long and distinguished career in football that spans 36 years. He enters his 19th season as the head coach at Shippensburg in 2008 and his 24th as a college head coach.

The winningest coach in Red Raider history, Rees has totaled an 18-year record of 105-94-1 (.528). Overall, he owns a career mark of 141-109-2 (.563). In 2006, he became the first coach in school history to win 100 games with a 28-21 victory at Slippery Rock on October 7.

During the 2007 season, Rees coached in his 250th career game versus Lock Haven on October 27 and his 200th at Shippensburg on November 11 at California (Pa.).

Rees is the fourth-longest tenured head coach in the PSAC behind Denny Douds of East Stroudsburg (35th season), Danny Hale of Bloomsburg (21st season) and Dr. George Mihalik of Slippery Rock (21st season). However, Rees holds the longest tenured coaching position as Douds, Hale and Mihalik are faculty at their respective institutions.

Rees' 105 wins are the fourth-most among active PSAC coaches and rank seventh on the all-time PSAC wins list. Meanwhile, Rees' 141 career victories are the ninth-most among active Division II head coaches with just six of those having coached in more career games.

Shippensburg finished the 2007 season 3-8 overall, including 2-4 and in fifth place in the PSAC Western Division. The Red Raiders were just 14 points from having a 6-5 record after a five-point loss at No. 9 Shepherd, a five-point defeat at home against No. 19 West Chester and a four-point loss at home to Slippery Rock who scored the game-winning touchdown with just two seconds remaining and finished the year ranked seventh in the Northeast Region.

Four of Shippensburg's opponents advanced to the 2007 NCAA Division II Football Championship, the most of any team in the Northeast Region.

The Red Raiders boasted nine all-conference selections, the third-most in the PSAC, seven behind Western Division champion California (Pa.) and one behind Indiana (Pa.), both of whom advanced to the 2007 NCAA Division II Football Championship.

Shippensburg has had a total of 21 all-conference selections in the last two years after garnering a league-high 12 in 2006. Since 2004, the Red Raiders have boasted 44 All-PSAC Western Division selections, the second-most in the division during that time, trailing only California (Pa.) who has had 46. The Vulcans have also won three of the last four Western Division titles.

After a 4-7 record in 2005 that could have been even better if not for three losses to Shepherd, Indiana (Pa.) and West Chester by a combined 15 points, Shippensburg climbed back into the PSAC Western Division championship race in 2006, finishing fourth with an overall mark of 5-6, including 3-3 in conference.

### Record-Setting Season

In 2004, Rees guided the Shippensburg to a 10-2 record and a share of the PSAC Western Division championship, the school's first since 1988. It also marked the most wins in 13 years for the Red Raiders and the program's first NCAA Division II Football Championship appearance since 1991.

Rees was named as the American Football Coaches Association (AFCA) Division II Region Coach of the Year for the second time in his career while earning his third PSAC Western Division Coach of the Year honor, adding to his honors in 1991 and 2001. In 1986, Rees was also named AFCA Region Coach of the Year while at Susquehanna.

The Red Raiders led the PSAC in five statistical categories in 2004 including scoring defense, rushing defense and total defense and were ranked first in the nation in kickoff returns, second in scoring defense, fifth in total defense and ninth in rushing offense.

The team also set a new school record for rushing yards in a season with 3,112 while finishing second in points (392), touchdowns (52) and total offense (4,882).

Shippensburg had a total of 16 All-PSAC Western Division selections, including eight First Team and eight Second Team honorees. Nine of the team's 11 starters on defense were selected All-conference.

## Red Raider Intensity

For nearly two decades under Rees, playing with intensity and a never give up attitude has become a Red Raider trademark.

Since 1997, Shippensburg has totaled 70 wins for an average of over six per season along with a .579 winning percentage. During that time, the Red Raiders have also posted a mark of 39-27 in PSAC Western Division games, a .591 winning percentage.

Shippensburg set numerous team records in 1999, including the marks for total offense (4.951) and yards passing (3,071), en route to an 8-3 record and second consecutive third-place finish in the Western Division.

Despite injuries and a 5-6 record in 2000, the team displayed that never give up attitude at home against Bloomsburg on September 9 when the team trailed 17-10, scoring two fourth quarter touchdowns to win 24-17. The loss was one of only three suffered by the Huskies that season as they lost to Delta State in the national championship game and finished with a 12-3 record.

Rees was named PSAC Western Division Coach of the Year in 2001 after one of the team's most productive seasons in team history. Picked to finish sixth in the division, Shippensburg turned what was supposed to be a rebuilding season into an exciting 8-3 record by winning eight of its last nine games.

That performance led to four consecutive winning seasons from 2001-04 in which the Red Raiders had the highest win total for any four-year span in the history of the program with a record of 32-13.

Following an 8-3 record in 2003, the team's third such record in the last five seasons, Shippensburg set the stage for one of the team's best seasons in the history of the program in 2004.

From 2002-04, the Red Raiders tied the mark for the best three-year win total in school history with a record of 24-10 which included just the third 10-win season in team history.

## Righting the Ship

In 1990, Rees laid the foundation for future success with offensive and defensive innovations while placing a renewed emphasis on conditioning.

The following year, the Red Raiders went 10-3, including a mark of 9-2 in the regular season. In just his second year at Shippensburg, Rees led the team to its second NCAA Division II Football Championship appearance after it had averaged just over five wins the previous eight seasons.

In 1991, Shippensburg posted five victories by overcoming or meeting fourth quarter challenges, highlighted by a 34-33 overtime win on the road at East Stroudsburg in the first round of the NCAA playoffs. Also that season, the Red Raiders overcame a 27-0 deficit at home against Kutztown on September 21 to win 44-35.

Shippensburg stunned Kutztown again three years later on October 29, 1994 when the Red Raiders scored 15 points in the fourth quarter to overcome a 14-3 deficit on the road for an 18-14 victory.

Shippensburg struggled a bit over the next five seasons in which the team won 20 games and finished no better than fourth in the PSAC.

However, in 1997, the team finished second in the Western Division and since that time, the Red Raiders have finished outside the top three in the standings only three times in 10 seasons.

## The Champion Crusader

Rees came to Shippensburg from Susquehanna where his teams won three Middle Atlantic Conference (MAC) titles in his five seasons as head coach, capturing conference championships in 1986, 1987 and 1989.

After the Crusaders posted a 3-7 record in Rees' first season in 1985, the team turned in the greatest single-season turnaround in Division III history at the time with an 11-1 record in 1986.

Following an undefeated regular season, Susquehanna won the MAC championship and advanced to the NCAA Division III Football Championship for the first time in program history. Rees was MAC Coach of the Year and AFCA Regional Coach of the Year.

Rees won over 70-percent of his games with the Crusaders, totaling a 36-15-1 record in his five seasons in Selinsgrove.

## Rocky's Road

In the fall of 1971, Rees began what has been a 37-year career as a football coach as a graduate assistant at West Chester. The following year, he joined the coaching staff at Newark High School in Newark, Delaware. After two seasons as an assistant, Rees was named head coach in 1974.

Under Rees, the Yellow Jackets compiled a 28-5-1 record, won two consecutive undefeated Blue Hen Conference Flight A titles and in 1976, had the top-ranked offense and defense in Delaware and won the school's first state championship. Rees was named conference Coach of the Year twice in 1975 and 1976 and was honored with the selection as the head coach of the gold squad in the 1977 Delaware Blue-Gold game.

From 1977-83, Rees served as the offensive coordinator at Bucknell under head coach Bob Curtis. While there, Rees helped develop Ken Jenkins into one of the finest players in school history as he would set a school record with 1,270 rushing yards in 1980. Jenkins would later play for the Philadelphia Eagles, Detroit Lions and Washington Redskins.

In 1979, the Bison totaled 2,210 yards rushing, a mark that currently ranks fifth in school history.

Following his seven-year stint at Bucknell, Rees was an assistant coach at Colgate from 1983-84 under Fred Dunlap where he was in charge of the running backs and tight ends. In 1983, Colgate finished with an 8-4 record, advancing to the NCAA Division I-AA Football Championship first round and ending the year ranked seventh in the nation.

With the Red Raiders, Rees worked with Rich Erenberg and Kenny Gamble, two of the school's top three career-leading rushers. As a senior in 1983, Erenberg led Division I-AA in rushing, all-purpose and scoring. Gamble led the team in rushing for four-straight seasons from 1984-87 and received the first-ever Walter Payton Award in 1987, presented to the outstanding Division I-AA Player of the Year.

Maciejewski also served as the team's defensive coordinator for two seasons in 2003 and 2004. During that time, Shippensburg compiled an 18-5 record and the Red Raider defense led the PSAC in scoring defense, rushing defense, pass defense efficiency and total defense while also ranking second in pass defense twice and turnover margin in 2004.

Shippensburg was also second in the nation in scoring defense and fifth in total defense in 2004 after being ranked fourth in total defense and fifth in scoring defense in 2003. The Red Raiders were also 11th in Division II in rushing defense in 2004 and 13th in 2003 while ranking fifth in pass defense efficiency in 2003 and ninth in 2004.

Before Maciejewski was named defensive coordinator, the team was ranked 27th in the nation in total defense in 2002 and 28th in 2001.

Maciejewski's work with the defensive backs could also be seen over the course of three seasons from 2002-04 as Shippensburg totaled 57 interceptions during that time, increasing from 13 in 2002 to 19 in 2003 and to 25 in 2004.

Under Maciejewski, Shippensburg has boasted 11 All-PSAC Western Division selections in the secondary and has had at least one first team honoree every year since 2003, including free safety Jonathan Aldridge in 2007.

In 2004, the Red Raider defense had nine of its 11 players named All-PSAC Western Division, an increase from four the previous year, including three of the four defensive backs as Brent Grimes and Mike Street both earned first team selections while Antonio Williams received second team honors.

Maciejewski was instrumental in the recruitment and mentoring of Grimes who finished his career as the PSAC's all-time leader in career interceptions with 27. A current member of the Atlanta Falcons, Grimes was also a starter for the Hamburg Sea Devils in NFL Europa during the 2007 season when the team captured the World Bowl XV championship.

**Heartbreak. That is the one word that describes Shippensburg's 2007 season** in which the Red Raiders finished 3-8 overall, the first time they finished with three wins or less since 1996.

Shippensburg was only 14 points away from having a 6-5 record after a five-point loss at No. 9 Shepherd, a five-point defeat at home against No. 19 West Chester and a four-point loss at home to Slippery Rock who finished the season ranked seventh in the Northeast Region.

A win over The Rock would have put Shippensburg into a three-way tie for third in the Western Division as opposed to a fifth-place finish.

The Red Raiders played against four teams who advanced to the 2007 NCAA Division II Football Championship - Indiana (Pa.), West Chester, California (Pa.) and Shepherd - the most of any team in the Northeast Region.

Entering the 2008 season, Shippensburg is hoping that experience can lead to success as the team moves to the Eastern Division after 48 seasons in the West.

"We're going to need to have some team leaders. We've got some kids coming back that can be leaders, but we're looking for that guy or guys who can really step up, challenge the team, and motivate them beyond what the coaches tell them," says head coach Rocky Rees.

Chad DiFebbo

## QUARTERBACK

However, if Shippensburg is to have a successful season, it must first find the answer to its crucial concerns, the most pressing of which is at quarterback.

The team has had just five all-conference quarterbacks since the PSAC first started handing out postseason honors in 1951. The last Red Raider to earn such honors was in 2000 when Chris Gicking earned his third-straight All-PSAC Western Division selection as a member of the second team.

Over the last five seasons, Shippensburg has used five different starting quarterbacks, but in 2008, the team will turn to a roster filled with six quarterbacks, five of whom are freshmen.

The leading candidate to start under center for the Red Raiders is red-shirt junior **Chad DiFebbo** who after three seasons with the team, has appeared in just seven games while completing only 28.5 percent (8-for-28) of his passes for 124 yards, one touchdown and two interceptions.

Other veterans returning are red-shirt freshmen **Dave Chervansky**, a transfer from UMass, and **Mike Sawick**. Along with DiFebbo, the three combined to throw for 160 yards and three interceptions on 12-of-24 passing in the red-blue spring game.

Two highly-touted newcomers also expected to compete are freshmen **Pete O'Connor** and **Jeff Tomasetti**.

O'Connor was named All-Pennsylvania Football News Class AAAA Honorable Mention as a senior after throwing for 4,688 yards and 49 touchdowns in his career at Downingtown East. Meanwhile, Tomasetti was named Delaware State Broadcasters Association All-State First Team as a senior, concluding his career with 3,130 yards and 33 touchdowns with only 14 interceptions.

## HALFBACK

Assisting Shippensburg's evolution at quarterback will be the team's Wing-T offense that features a strong running game and ball control offense.

Since 2002, the Red Raiders have ranked in the top five in the conference in time of possession each year while ranking in the top five in rushing offense four times. A year ago, Shippensburg was fifth in both rushing offense and time of possession.

Despite the loss of three-time All-PSAC Western Division selection Aaron Dykes, the Red Raiders will boast a bevy of talent in the backfield.

Red-shirt sophomore **Kevin Marshall** returns as the starter at left halfback after appearing in nine games as a reserve last year, finishing fourth on the team in rushing with 188 yards and one touchdown. He is the team's top returning rusher from last season.

Red-shirt sophomore **Brett Stoops**, who played in four games last season totaling three carries for 29 yards, and freshman **Roshaan McCain**, who joined the team in the spring, will provide depth at both halfback positions.

## FULLBACK

Red-shirt sophomore **Chris Infante** returns as the starter at fullback after missing last season because of injury. In 2006, he played in 10 games while making his first career start versus Kutztown where he rushed for 97 yards and a touchdown on 20 carries. He finished with two 100-yard performances, totaling 118 at Mansfield and 109 at Lock Haven.

Red-shirt senior **Brad Catherman** and freshman **Calvin Spires** will also see time at fullback. Catherman has been a key member of the Red Raider special teams over the past three seasons while totaling 96 yards and two touchdowns as a reserve fullback. Spires led Frankford High in Philadelphia in rushing as a junior and senior, totaling 1,997 yards while earning all-public and all-city honors each year.

## SPLIT END

Shippensburg returns its top receiver from a year ago in red-shirt junior **Mike Harris**. However, only five of the 12 Red Raiders that caught a pass last season return this season with Harris being the only wide receiver.

The concern for Shippensburg will be who will step up to join Harris to bolster its receiving corps.

In 2007, Harris totaled 57 receptions for 779 yards which were the third and fourth-highest totals, respectively, in the PSAC and the most in a single-season at Shippensburg since Jamie Ware set the school records with 74 for 1,334 yards in 1999.

Entering this season, red-shirt sophomore **Chase DiFebbo** enters as the most experienced returner among those listed at wide receiver, but he played in just four games a year ago and did not total any receptions.

The only other returnees are red-shirt freshmen **Anthony Varischetti**, who was a quarterback last season, and **Shane Ryan**. The other five players at the position are all true freshmen.

## TIGHT END

One player who has proven to be an excellent receiver is junior tight end **Mark Rossi**. Primarily used as a blocker, he has appeared in all 22 games over his first two seasons, during which time he has totaled 21 catches for 250 yards, one touchdown and three, two-point conversions.

Red-shirt sophomore **Jake Biondi** also returns at tight end after playing in the final three games of last season.

## OFFENSIVE LINE

Rossi and Biondi also serve as integral parts of Shippensburg's offensive line, a unit that surrendered just 20 sacks last season, the fourth-fewest in the PSAC. The group returns three starters in red-shirt senior **Matt Olecki**, senior **Scott Sacco** and red-shirt junior **Dave Fremont** who have 84 games of experience between them.

A key addition to the offensive line will be red-shirt senior **Bill Morrison** who, after three seasons with the defense, is slated to start at right tackle. In 32 games as a linebacker and defensive lineman, he totaled 134 tackles, 21 for loss and 4.5 sacks.

Other veterans on the line include red-shirt junior **Luke Grata**, red-shirt sophomore **Drew Gallardy** and red-shirt sophomore **Myles Roche**. Grata has played in six games in his career, including four last year while Gallardy made three appearances last season.

Others expected to contribute are red-shirt freshmen **Pete Kreisher** and **Steven Hohenwarter**. Neither played in any games last season, but Kreisher is slated to start at center while Hohenwarter is the back-up to Olecki at right tackle.

## DEFENSIVE LINE

Last year, Shippensburg ranked third in total defense and fifth in both rushing and pass offense. A key to that success was an experienced and talented front four, all of whom return in 2008, highlighted by a pair of three-year starters at defensive end.

Red-shirt senior **Jason Groller** who was an All-PSAC Western Division Second Team selection last season, has appeared in all 33 of the team's games over the last three seasons while leading all returning defensive lineman with 95 tackles during that time.

Not to be overlooked is the play of senior **Josh Emberg** who has also played in all 33 games over the last three seasons and leads all returners with 10.0 career sacks, including 4.0 last season. He also added a career-high 42 tackles a year ago.

The inside of the line is bolstered by red-shirt junior **Antoine Parks** and junior **Michael Apgar**. Parks has appeared in 20 games over the last two seasons, totaling 11 tackles last year while Apgar has played in 17 games with 44 career tackles and 2.5 sacks.

Other veteran returnees include red-shirt senior **Joe Brockmeyer**, red-shirt sophomore **Taylor Davis** and red-shirt sophomores **Eric Liddell** and **Erik Van Ness**. Also a key member of special teams, Brockmeyer played in all 11 contests a year ago after transferring from McDaniel College while Davis appeared in three after playing in four games at Frostburg State in 2004.

Liddell and Van Ness are two-year veterans who are looking for their first game action.

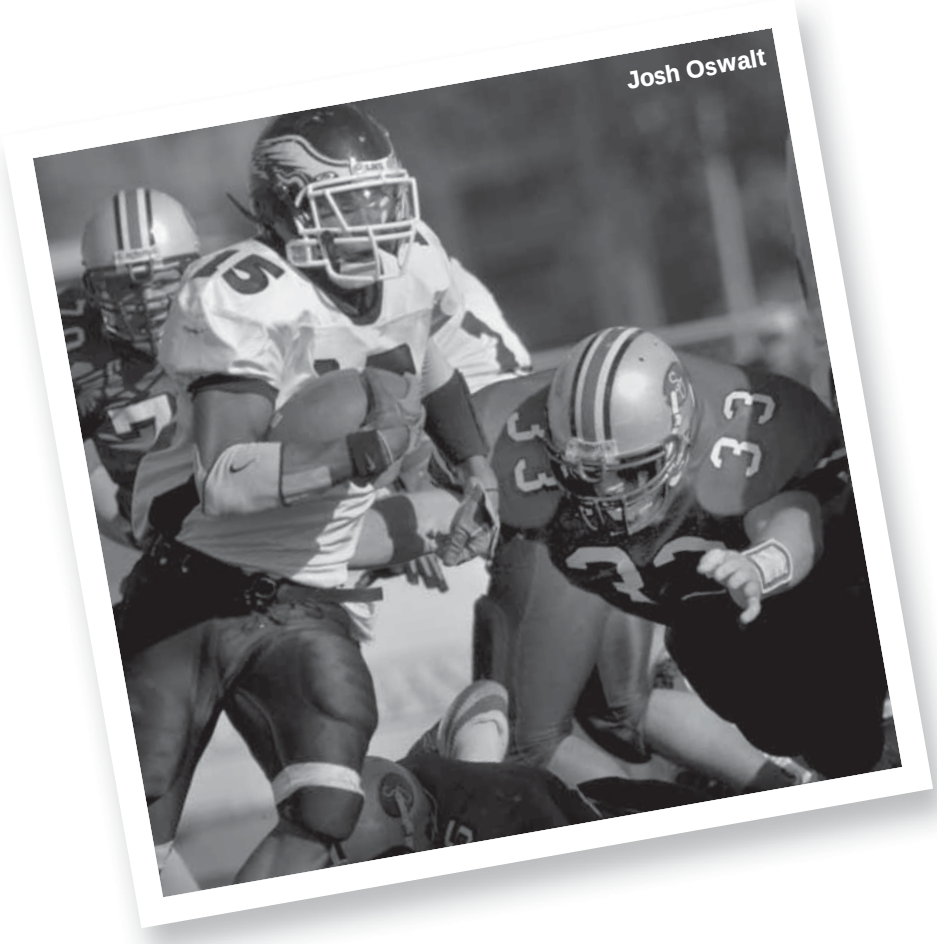
## LINEBACKERS

Also contributing to the defense's success last season was a talented trio of linebackers in red-shirt senior **Josh Oswalt**, red-shirt junior **Andy Casale** and sophomore **Riley Bowen**.

Casale is the most decorated of the three, earning All-PSAC Western Division Second Team honors after finishing second on the team in tackles with 71 while Oswalt, a fellow Cumberland Valley alum, has emerged as a team leader over the past three years, appearing in 31 games and totaling 161 games which includes a career-high 79 as a starter in 2005.

Bowen made an immediate impact in his first season with the Red Raiders, making four starts and totaling 26 tackles.

Red-shirt sophomore **Joel Petersheim** and red-shirt junior **Josh Simmons** have both been key members on special teams and look to extend that experience into time at outside linebacker as both enter the season No. 2 on the depth chart at Sam and Will, respectively.



Josh Oswalt

## SECONDARY

Senior **Reggie Farrior** and red-shirt senior **Jason Stone** return with 49 games of experience to lead the defensive backs, but both enter the season No. 2 on the depth chart at strong corner and free safety, respectively.

Farrior has been a three-year starter at corner where he has totaled two interceptions and 27 pass breakups in 27 games while Stone has amassed 59 tackles, two interceptions and seven pass breakups as a member of special teams and as a free safety.

Entering the season, the starters in the defensive backfield feature returning starter and red-shirt sophomore **Travis Proctor** at free safety, red-shirt sophomore **Jamahn McCullough** at weak side corner, red-shirt freshman **Nick Melusky** at strong safety and red-shirt sophomore **Jeff Fertig** at strong corner.

Proctor appeared in all 11 games last season, emerging as the starter where he totaled 18 tackles and three pass breakups. McCullough also played in all 11 games with three starts while totaling 20 tackles and one interception.

Melusky made his only appearance last season against Lock Haven where he had two special teams tackles and Fertig looks to make his first career appearance after spending the last two seasons as a split end.

Red-shirt sophomore **Eric Bonshock** returns for his third season after appearing in the final five games last year.

## SPECIAL TEAMS

Junior and two-time All-PSAC Western Division selection **Kyler Ford** leads a young, but talented group as he returns as one of the conference's top punters. He will also be counted on to fill the void at placekicker.

Ford ranked sixth in the conference in punting a year ago with an average of 39.5 yards per punt, a mark that was also 27th in Division II. After two seasons, he is averaging 39.6 yards per punt which is the second-best in school history behind Steve Ecker's mark of 46.2 yards from 1963-65.

Junior **James D'Annibale** returns as the team's long snapper for the third-straight season while Chad DiFebbo looks to be the holder.

**Kevin Marshall** and red-shirt freshman **Roshaan McCain** are expected to handle the kick return duties while Mike Harris and David Richards will look to return punts.

Marshall averaged a team-high 22.3 yards per kick return last season which included an 84-yard return for a touchdown versus Slippery Rock and Harris totaled six punt returns for 40 yards.

## SCHEDULE

Shippensburg opens the 2008 season against Shepherd at home on Saturday, August 30 in the 11th annual Great Valley Classic. In week two, they host Edinboro.

"Obviously those first two teams are exceedingly tough. With Edinboro, I personally think Edinboro can challenge for the Western Division title, they have a great quarterback (Trevor Harris), and that kid's a winner. It'll be a three-way race up there on the Western top," Rees said.

The Red Raiders travel to East Stroudsburg on Saturday, September 20 to take on the Warriors at Eiler-Martin Stadium in what will mark the first ever PSAC Eastern Division game for Shippensburg after 48 seasons in the West.

"I feel very strongly about the teams we play after the opening two, they have good programs and their coaches have done a lot with those kids, but they're games where at worst, we're toss up with them. That certainly gives us a chance to get off the board and get going, and from there on it'll be a battle to avoid injuries and we'll see how well the team comes together with team chemistry," Rees said.

Seven of the Red Raiders' 11 games will be televised this year, including all six home games and the road contest at East Stroudsburg. During the course of the 2008 season, the Red Raiders will play three games on the SPORTSfever Television Network (STN) while all six home games will be carried live by Shippensburg University Television (SUTV).

In addition, all 11 games will be broadcast live on Shippensburg University student radio station WSYC 88.7 FM as well as on the internet at www.shipraiders.com.

In the final week of the season, the top teams from each division will battle in the "State Game," which puts a PSAC Football Championship game back on the schedule for the first time since 1987.

"I played in them, and I really think it's a great idea," Rees said. "I appreciate the idea; I think it'd be great if we had 12 games and the conference championship, but it's still the next best option, and having played in three of them I think it's great and I look forward to seeing it generate some excitement throughout the state and across the country."

## NOTES AND CLARIFICATIONS

- Shippensburg finished the 2007 season 3-8 overall. The last time the Red Raiders finished with three wins or less was in 1996 when they also went 3-8. However, Shippensburg was only 14 points from having a 6-5 record after a five-point loss at No. 9 Shepherd, a five-point defeat at home against No. 19 West Chester and a four-point loss at home to Slippery Rock who finished the season ranked seventh in the Northeast Region. The Red Raiders played against four teams who advanced to the 2007 NCAA Division II Football Championship, the most of any team in the Northeast Region.
- Head coach **Rocky Rees (West Chester '71)** enters his 19th year at Shippensburg in 2007 with a record of 105-94-1 in 18 previous seasons with the Red Raiders. He coached in his 200th game at the university on Nov. 10, 2007 at California (Pa.). With 105 wins, he is seventh among the winningest coaches in PSAC history. Overall, Rees is 141-109-2 in 23 seasons as a college head coach after posting a mark of 36-15-1 in five seasons at Division III Susquehanna. With 141 career victories, he is currently tied for ninth among the winningest active Division II coaches.
- After 48 seasons in the PSAC Western Division, Shippensburg will play its first-ever game as a member of the PSAC Eastern Division on Sept. 20, 2008 when the team travels to **East Stroudsburg**. During that time, the Red Raiders posted a mark of 131-146 in the Western Division, winning division titles in 1976, 1978, 1981, 1988 and 2004. Under head coach Rocky Rees, Shippensburg went 55-52 in Western Division games.
- With the addition of **C.W. Post** to the PSAC in football and field hockey, Shippensburg hosts the Pioneers at Seth Grove Stadium on Oct. 4, 2008. It will mark just the third-ever meeting between the two schools and the first since Sept. 17, 1983 when the Red Raiders won 40-27 at home. The only other meeting between Shippensburg and the Pioneers came back on Oct. 24, 1981 at C.W. Post, a 49-35 Shippensburg victory.
- After red-shirting in 2006, red-shirt junior **Mike Harris (East Earl/Garden Spot)** returned as one of the top receivers in the conference last season, earning All-PSAC Western Division First Team honors. He totaled 57 receptions for 779 yards that were the third and fourth-highest totals, respectively, in the PSAC and the most in a single-season at Shippensburg since Jamie Ware set the school records with 74 for 1,334 yards in 1999. Harris' 57 receptions were the fourth-most in a single-season in school history while his 779 yards were eighth. He also added four touchdowns.
- Junior **Kyler Ford (Bedford/Bedford)** was named to the All-PSAC Western Second Team last season after earning first team honors in 2006. He ranked sixth in the conference in punting with an average of 39.5 yards per punt, a mark that was also 27th in Division II. After two seasons at Shippensburg, Ford is averaging 39.6 yards per punt which is the second-best in school history behind Steve Ecker's mark of 46.2 yards set from 1963-65. Ford was also selected to Don Hansen's Football Gazette All-Northeast Region Second Team and the Daktronics, Inc. All-Northeast Region Second Team in 2006.

## Strength of Schedule

Shippensburg finished the 2007 season 3-8 overall, including 2-4 and in fifth place in the PSAC Western Division. The last time the Red Raiders finished with three wins or less was in 1996 when they also went 3-8.

However, despite the team's record, Shippensburg was only 14 points from having a 6-5 record after a five-point loss at No. 9 Shepherd, a five-point defeat at home against No. 19 West Chester and a four-point loss at home to Slippery Rock who finished the season ranked seventh in the Northeast Region.

The Red Raiders played against four teams who advanced to the 2007 NCAA Division II Football Championship in Indiana (Pa.), West Chester, California (Pa.) and Shepherd, the most of any team in the Northeast Region.

## Heartbreaking Finish

Four touchdowns, two kickoff returns and 38 fourth quarter points highlighted a 38-34 Slippery Rock victory over Shippensburg on October 7. A 12-yard touchdown pass from Red Raider red-shirt senior **Gabe Maiocco** to red-shirt senior **Tim Devanney** on fourth-and-6 started one of the most exciting finishes in college football history.

After Devanney's touchdown reception gave Shippensburg its first lead of the game, 25-24 with 1:28 remaining, Maiocco would find sophomore **Mark Rossi** for the two-point conversion, putting the Red Raiders in front by three, 27-24.

However, just 10 seconds later, a 68-yard touchdown return on the ensuing kickoff would give Slippery Rock the lead once again, 31-27. But not to be outdone, red-shirt freshman **Kevin Marshall** would score his first collegiate touchdown with an 84-yard kickoff return to put Shippensburg back in front, 34-31 with 1:07 left, capping a span of only 21 seconds that saw three touchdowns and a two-point conversion.

Then, with 1:04 to play, The Rock drove 74 yards in nine plays finished off by a 17-yard touchdown pass from Nate Crookshank to Paul Favers with two seconds remaining, giving Slippery Rock the win.

## Heartbreaking Finish II

The Slippery Rock loss was the fourth heartbreaker of the season for the Red Raiders. In the home opener against No. 19 West Chester, red-shirt senior **Kyle Fogarty** was tackled at the 1-yard line on fourth down with 1:29 remaining to preserve a 34-29 win for the Golden Rams.

On September 29, Maiocco's pass was deflected and intercepted by Edinboro's Dan Skelton who returned it 77 yards for the game-clinching touchdown with 1:45 to play, giving Edinboro a 33-18 victory.

Kyle Fogarty

In the season opener, Mark Springirth's 25-yard touchdown pass from Tyler Lazear with 1:48 remaining helped No. 9 Shepherd avoid its first regular-season loss since 2004 as the Rams came from behind for a 19-14 victory over Shippensburg in the 10th annual Great Valley Classic.

## Red Raiders Face Division I Liberty

For the second-straight week, Shippensburg threw a scare into a top-ranked NCAA team on the road, but came up short as Division I Football Championship Subdivision Liberty used four big plays to edge out a 35-14 victory over the Red Raiders on September 9 in front of 12,331 fans.

Lindy's College Football preview magazine ranked the Flames at No. 25 in its preseason FCS/Division I-AA Top 25 poll after they finished the 2006 season with a 6-5 record, matching the best turnaround in the nation a year after the team went 1-10 in 2005.

Liberty, who went on to win the Big South Conference, totaled five touchdowns, all of which were over 20 yards, highlighted by an 88-yard punt return, 65-yard touchdown pass and 61-yard interception return. Those three key plays enabled the Flames to hold off a fearless Shippensburg squad that was facing its first Division I opponent since 1996 and playing in front of the largest road crowd in team history.

## School Record for Total Offense

Two 100-yard rushers, two 100-yard receivers and a 300-yard passer were all a part of Shippensburg's school-record 749 yards of total offense as the Red Raiders rolled to a 56-10 victory over Lock Haven at home. Shippensburg's 749 yards were the second most in PSAC history, only eight behind the 757 yards totaled by California (Pa.) in an 88-12 victory over Mansfield at home on Sept. 10, 2005.

The previous school record for total offense was 644 yards set on Nov. 7, 1998 in a 52-12 victory at California (Pa.). In that game, Shippensburg totaled 351 yards rushing and 293 passing. Against Lock Haven, the Red Raiders had 340 yards rushing and 369 yards passing.

Red-shirt senior **Gabe Maiocco** totaled 369 yards passing, the fifth-highest single-game total in school history and the most since Chris Gicking had 388 in a 36-28 loss at Bloomsburg on Sept. 11, 1999. Red-shirt senior **Tim Devanney** had five receptions for 182 yards and a 78-yard touchdown while red-shirt senior **Kyle Fogarty** caught three passes for 102 yards, including a 75-yard touchdown.

In addition, red-shirt freshman **Kevin Marshall** had a career-high 135 yards and one score on 15 carries and red-shirt senior **Aaron Dykes** totaled 129 yards and two touchdowns on 18 carries. It was the fifth-time in school history that the Red Raiders have totaled two 100-yard rushers in the same game. The last time Shippensburg had two 100-yard rushers in the same game was Oct. 30, 2004 when John Kuhn totaled 156 and Walter Crump had 134.

## Reder Concludes Record-Setting Career

Senior placekicker **Jamie Reder** concluded his career as one of the top kickers in school history after totaling 244 points, the most ever by a kicker, and 44 field goals which are just one behind Howie Guarini's school record total of 45. Reder made 44-of-58 career field goal attempts, 75.9 percent, while hitting 39-of-45 attempts from inside 40 yards (86.7 percent).

## Harris Has Breakout Season

After red-shirting in 2006, sophomore **Mike Harris** returned as one of the top receivers in the conference, earning All-PSAC Western Division First Team honors. He totaled 57 receptions for 779 yards, which were the third and fourth-highest totals, respectively, in the PSAC. He also added four touchdowns.

Harris' 57 receptions were the fourth-most in a single-season in school history while his 779 yards were eighth. Both totals were the most in a single-season at Shippensburg since Jamie Ware set the school records with 74 for 1,334 yards in 1999.

## Postseason Awards

A total of nine players from the Shippensburg University football team were honored with All-PSAC Western Division selections. The Red Raiders' nine selections were the third-most among the 14 teams in the PSAC.

Red-shirt seniors **Aaron Dykes** and **Jonathan Aldridge**, red-shirt sophomore **Mike Harris** and senior **Jamie Reder** were first team honorees while red-shirt juniors **Kerry Robbins** and **Jason Groller**, red-shirt senior **Jaron Nalewak**, red-shirt sophomore **Andy Casale** and sophomore Kyler Ford were named to the second team.

Dykes and Aldridge were also named to the 2007 All-Northeast Region Team selected by *Don Hansen's Football Gazette*. Dykes was selected to the first team while Aldridge earned a second team selection.

Dykes led the team in rushing for the third-straight season, totaling 634 yards and 11 touchdowns, both career-highs. He finished his career with 1,790 yards rushing, ranking him eighth in school history while also totaling 20 rushing touchdowns.

Aldridge led the team in tackles for the second time in the last three seasons. After totaling a team-high 91 tackles, he finished his career with 256 stops in 38 career games, 32 of which were starts.

## Rob Davis Retires

Former Shippensburg University football standout **Rob Davis '92** announced his retirement from the NFL, ending a 12-year career, the final 11 of which were with the Green Bay Packers. Davis is currently the team's director of player development.

The first Red Raider to ever play in the NFL, Davis took over as the Packers' long snapper in 1997 and played 167 games in a Green Bay uniform which is the third-longest consecutive games streak in team history behind Brett Favre (255) and Forrest Gregg (187).

A standout on the defensive line for Shippensburg from 1988-92, Davis was a two-time All-America and All-PSAC Western Division selection who was inducted into the Shippensburg University Athletics Hall of Fame in 2003.

## Grimes Plays in NFL

On Dec. 27, 2007, **Brent Grimes**, the PSAC's career interceptions leader, became the fourth Red Raider to officially play in the NFL joining **Rob Davis '92**, **John Kuhn '04** and **Ron Johnson '03**.

In a 30-27 overtime loss at the Arizona Cardinals, Grimes had a game-high 11 tackles, 10 of which were solo, while spending most his playing time covering Pro Bowl wide receivers Anquan Boldin and Larry Fitzgerald.

In addition to Shippensburg's NFL players, **Ryan Hoffman** spent three seasons in NFL Europa as a member of the Rhein Fire, Cologne Centurions and Berlin Thunder while **Joel Gamble** has spent two seasons in arenafootball2 as a member of the Tennessee Valley Vipers, Oklahoma City Yard Dawgz and Bossier-Shreveport BattleWings.

## Pediatric Cancer Fundraiser

On June 3, five members of the Shippensburg football coaching staff spent the day volunteering at the fourth annual Lauren's First and Goal Football Camp held at Lafayette College's Metzgar Athletic Complex in Easton.

**Pete Lee**, **Mike Burket**, **J.C. Morgan**, **Chance Powell** and **Frank Duffy** were all part of the non-contact, one-day instructional clinic for students entering grades 9-12 that raised $125,000 for Lauren's First and Goal Foundation. LFGF is a charitable organization created to raise funds to support pediatric brain tumor research, support local pediatric cancer services, provide financial assistance to families living with a pediatric cancer diagnosis and to raise public awareness regarding pediatric brain tumors.

## Television Exposure

Shippensburg had eight of its 11 games televised in 2007, including all four home games and four of the team's seven road contests.

During the course of the 2007 season, the Red Raiders were featured on College Sports Television (CSTV), the SPORTSfever Television Network (STN), Fox Sports Net Pittsburgh, the Flames Sports Network and Shippensburg University Television (SUTV).

In its first year with the PSAC, STN was available to 4.8 million cable, satellite and over-the-air households in Pennsylvania while FSN Pittsburgh reached 2.3 million cables and satellite homes in Pennsylvania, West Virginia, Ohio and Maryland. The Flames Sports Network is available in the Central Virginia area and SUTV can be scene in Cumberland and Franklin counties in Pennsylvania.

Shippensburg's season and home openers were broadcast by CSTV via broadband over the Internet to a national audience through the CSTV Web site.

## Red Raiders Picked Fifth

Coming off a 5-6 season in which it finished fourth in the PSAC Western Division standings, Shippensburg was picked to finish fifth in the 2007 PSAC Western Division Preseason Coaches Poll released during the league's annual Football Media Day.

Held at the Days Inn in Butler, Shippensburg was ranked ahead of Clarion and Lock Haven, respectively, while two-time defending champion California (Pa.) was picked first. Indiana (Pa.) and Slippery Rock were tied for second with Edinboro coming in fourth.

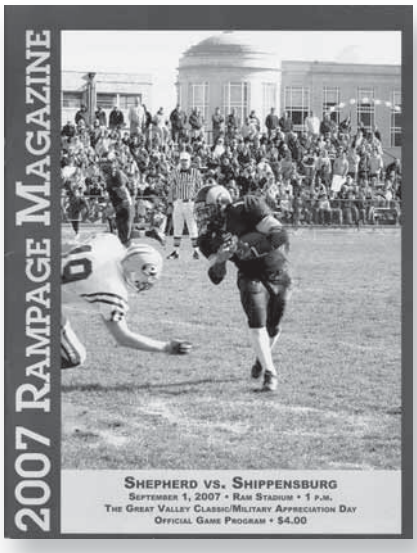
Mark Springirth's 25-yard touchdown pass from Tyler Lazear with 1:48 remaining helped No. 9-ranked Shepherd avoid its first regular-season loss since 2004. The Rams came from behind for a 19-14 victory over Shippensburg Saturday afternoon in the 10th annual Great Valley Classic at Ram Stadium.

Despite 124 rushing yards and two touchdowns from red-shirt sophomore Chris Lynch and a career-high 99 receiving yards from red-shirt senior Howard Chavous, Shippensburg (0-1) lost its second-straight at Ram Stadium by five points or less and its second consecutive against Shepherd in its season-opener.

The last time Shepherd allowed an opponent to rush for 100 yards was back on Sept. 24, 2005, a span of 17 games, when the Rams surrendered 154 yards to Wendell Johnson of Fairmont State in a 14-11 victory at home.

In making his second collegiate start in 19 career games, red-shirt Gabe Maiocco completed 13-of-33 pass attempts for a career-high 178 yards.

Shepherd (2-0) extended its regular-season win streak to 30 and its Great Valley Classic streak to three as the Rams are now 6-4 in the annual classic. The Red Raiders lead the overall series with the Rams, 28-15.



The last regular-season loss for the Rams came back on Sept. 11, 2004 when they lost to Slippery Rock 30-27 at home. The win was also Shepherd's 63rd out of the last 64 when holding its opponent to 14 points or less. The team's only loss during that time came at Virginia State, 13-8 on Aug. 28, 2004.

Trailing 14-13 with 3:09 remaining, Shepherd's Taros Harris would give the Rams excellent field position at the Shippensburg 46-yard line following a 20-yard punt return after the Shepherd defense held the Red Raiders to its second three-and-out in three possessions.

Three plays later, Lazear would find Springirth for his third touchdown pass of the day, giving the Rams a five-point lead with 1:48 to play. Springirth's game-winning reception came against Shippensburg junior Gus Macfoy who spent two seasons at Shepherd in 2003 and 2004.

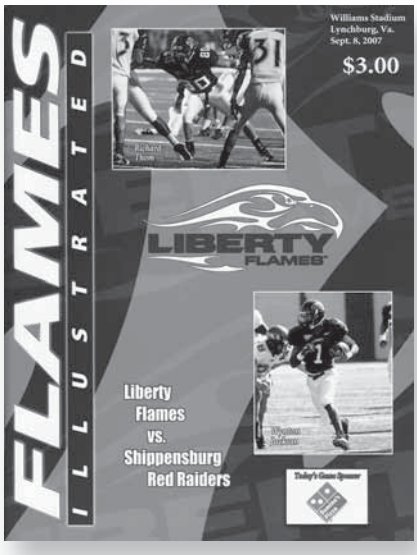
For the second-straight week, the Shippensburg University football team threw a scare into a top-ranked NCAA team on the road, but came up short as Division I Football Championship Subdivision Liberty used four big plays to edge out a 35-14 victory over the Red Raiders Saturday night in front of 12,331 fans at Williams Stadium.

Liberty (2-0) totaled five touchdowns, all of which were over 20 yards, highlighted by an 88-yard punt return, 65-yard touchdown pass and 61-yard interception return.

Lindy's College Football preview magazine ranked Liberty at No. 25 in its preseason FCS/ Division I-AA Top 25 poll after the Flames finished the 2006 season with a 6-5 record, matching the best turnaround in the nation a year ago after the team was 1-10 in 2005.

Those three key plays enabled the Flames to hold off a fearless Shippensburg squad that was facing its first Division I opponent since 1996 and playing in front of the largest road crowd in team history. They also overshadowed what were strong performances by the Red Raiders offense and defense as Shippensburg dominated time of possession and the defense limited a potent Liberty offense.

Shippensburg controlled the ball for 36:54 and totaled 76 plays for 257 yards while the defense forced eight punts, three fumbles and held the Flames to just 2-of-11 on third-down conversions.



Red-shirt senior Gabe Maiocco completed a career-high 17 passes for 172 yards and two touchdowns as the Red Raiders out-gained Liberty 177-165 in passing yards.

The offense also scored on both of its trips inside the red-zone. Red-shirt sophomore Mike Harris hauled in six receptions for 57 yards, both career-highs, including a 15-yard touchdown pass from Maiocco in the first quarter, tying the game at 7-7.

Senior Josh Emberg spearheaded a Red Raider defense that also forced four three-and-outs as he had seven tackles, including two for loss, one sack and one forced fumble. Red-shirt senior Jaron Nalewak also added seven tackles with one tackle for loss, half-a-sack and one forced fumble.

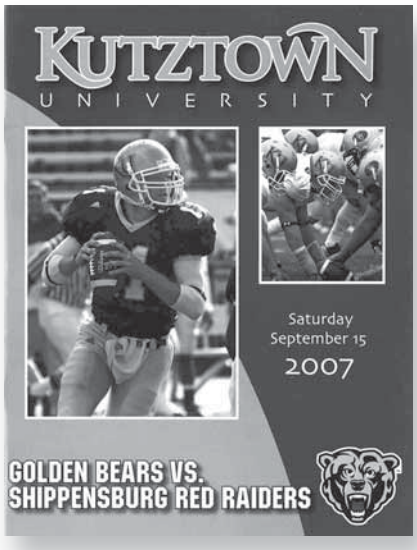
Behind 21 third-quarter points and a tough red zone defense, Kutztown rallied from a nine-point halftime deficit en route to a 28-16 victory over Shippensburg Saturday afternoon at University Field. The loss marked the first time since 1969 that the Red Raiders have started the season with three consecutive losses.

In making his first return to Kutztown since transferring to Shippensburg (0-3), red-shirt senior Gabe Maiocco threw for a career-high 236 yards and one touchdown on 22-of-43 passing. He also ran for one score, but was hampered by two interceptions inside the Golden Bear 5-yard line. Maiocco's completions and attempts were also career-highs.

Kutztown (2-1) was led by Dontay Wilson who totaled 55 yards rushing and one touchdown while also accounting for 127 yards in kickoff returns, including a 94-yard touchdown return on the opening kickoff of the second half that was the first of three third-quarter touchdowns for the Golden Bears.

The win snapped a nine-game losing streak for Kutztown against Shippensburg as it was the first for the Golden Bears since a 28-24 victory at home on Sept. 19, 1998. It also ended a three-game losing streak for Kutztown against the Red Raiders at University Field.

For the second-straight week, Shippensburg was impaired by allowing big plays on special teams and defense, including a kick return and a long pass completion.



Against Kutztown, Shippensburg surrendered Wilson's 94-yard kickoff return and then, after the Golden Bear defense forced a three-and-out on the Red Raiders' next offensive possession, Kyle Spotts connected with Elfren Quiles for an 87-yard touchdown pass, the longest in school history, to give Kutztown its first lead, 21-16 with 12:09 left in the third quarter.

Later in the quarter, Wilson would add his second touchdown of the game on a 1-yard run with 4:44 left, extending the Golden Bears' lead to 12 points, 28-16.

Trailing 28-16 at the start of the fourth quarter, the Red Raiders' comeback hopes were thwarted by four missed scoring opportunities inside the Golden Bear 11-yard line.

Red-shirt senior Howard Chavous finished with a career-high seven receptions for 96 yards and one touchdown against Kutztown, his third career game with at least 91 receiving yards. His career-high is 99 yards set earlier this season at Shepherd.

Defensively, the Red Raiders were led by 11 tackles, including three for loss and half-a-sack from red-shirt senior Jaron Nalewak. Senior Jonathan Aldridge had 10 tackles.

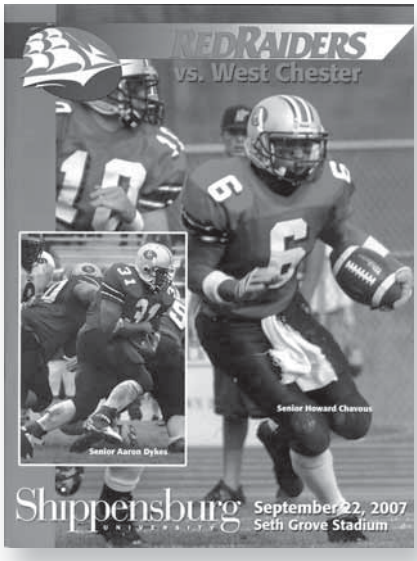
In a play similar to that of the final play from Super Bowl XXXIV, West Chester's Mike Mignogno tackled Shippensburg red-shirt senior Kyle Fogarty at the 1-yard line with 1:29 remaining, allowing the No. 19-ranked Golden Rams to escape with a 34-29 victory over the Red Raiders Saturday afternoon in front of 7,000 fans at Seth Grove Stadium and a state and world-wide television audience.

The loss was the fourth-straight for Shippensburg (0-4), marking the first time that the team has started the season 0-4 since 1969. It was also the fourth consecutive loss for the Red Raiders against West Chester, including third at Seth Grove Stadium.

After being held to just 85 yards in the first half and trailing 31-7 at halftime, Shippensburg outscored the Golden Rams 22-3 in the second while out-gaining West Chester, 256-77, including 153-39 in the third quarter.

The Red Raiders began their final drive with 4:41 left in the fourth quarter following a key 26-yard field goal by Alex Walsh that increased West Chester's lead to five.

Shippensburg's 9-play, 58-yard drive, highlighted by a 33-yard pass completion from red-shirt senior Gabe Maiocco to red-shirt sophomore Mike Harris, would lead the team down to the Golden Ram 9-yard line where the team had four plays to reach the end zone.



Harris finished the game with seven receptions for 114 yards, both career-highs, and one touchdown while sophomore Mark Rossi had five catches for 65 yards, one score and two, two-point conversions.

Following two rushes that totaled five yards, an incompletion and the Red Raiders' final timeout, Maiocco would complete a three-yard pass to Fogarty out of the backfield, down to the 1-yard line where Mignogno made the game-saving tackle for West Chester.

The tackle not only saved the game for West Chester, but prevented a story-book ending for a historic comeback by Shippensburg who scored touchdowns on all three of its possessions in the third quarter to allow itself a chance at pulling the upset in its home opener.

For the third time in four games this season, Maiocco set a new career-high in passing yardage, throwing for 247 yards and two touchdowns. He completed 19-of-34 attempts and is the first Red Raider quarterback since current assistant coach Rick Henshaw on Oct. 11, 2003 to pass for over 200 yards in back-to-back games.

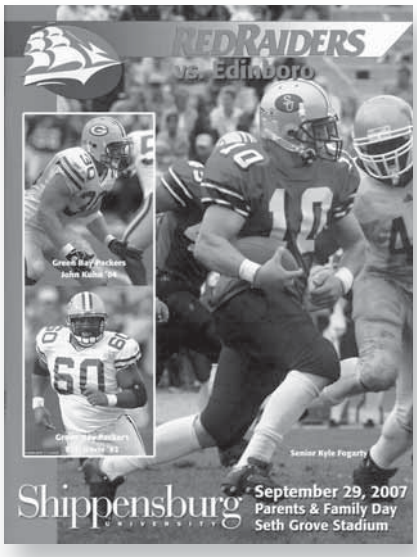
Trevor Harris completed 33-of-44 pass attempts, both school records, for 331 yards and three touchdowns as Edinboro won just its second PSAC Western Division opener in the last 11 seasons with a 33-18 victory over Shippensburg Saturday afternoon at Seth Grove Stadium. Ironically, both victories have come against Shippensburg in 2005 and 2007.

The loss marked the first time since 1961 that the Red Raiders (0-5, 0-1 PSAC West) have started a season with five consecutive losses. That year, the team finished 0-8 under Hall of Fame coach Jack Roddick.

Saturday marked the fourth-straight game in which Harris has thrown at least three touchdowns and the eighth time in his 16 career starts. In two games against Shippensburg, he has thrown for 768 yards and eight touchdowns while completing 58-of-81 passes for 71.6-percent. Last year, Harris threw for a school-record 437 yards and five touchdowns on 25-of-37 passing against the Red Raiders.

On Saturday, the Fighting Scots (4-1, 1-0 PSAC West) jumped out to a 20-0 lead with 11:15 remaining in the second quarter when Harris connected with David Bostic for an 80-yard touchdown, the first of Bostic's career.

Shippensburg managed to get on the board with six seconds remaining in the first half when senior Jamie Reder made a 26-yard field goal, his first of the season, to pull the Red Raiders within 17 at the half, 20-3. Shippensburg was held to just 95 yards in the first half while Edinboro totaled 269.



However, Shippensburg refused to quit and battled back on consecutive touchdown runs of 11 and two yards, respectively, by red-shirt senior Aaron Dykes, pulling the Red Raiders within one possession, 26-18, following a two-point conversion from red-shirt senior Gabe Maiocco to red-shirt senior Kyle Fogarty with 4:17 remaining in the game.

But, much like last week's heartbreaking loss against West Chester that ended on the 1-yard line, the Red Raiders would be denied their first win of the season for the second-straight week. Maiocco's pass from the Edinboro 40-yard line was deflected and intercepted by Dan Skelton who returned it 77 yards for the game-clinching touchdown with 1:45 to play, giving Edinboro a 33-18 lead.

Maiocco finished the game with a career-high 263 yards, the fourth time this season he has set a new career-high in passing yards. He completed 20-of-43 attempts, but was intercepted once and did not throw a touchdown.

Harris led Shippensburg with six receptions for 80 yards, the fourth time in five games this season that he has totaled at least six catches. Dykes led the rushing attack with 13 carries for 44 yards and two scores.

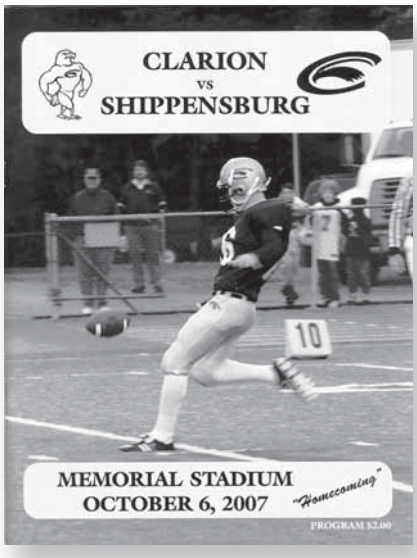
Red-shirt senior Aaron Dykes ran for 114 yards and three touchdowns to lead the Shippensburg University football team to its first victory of the season on Saturday afternoon, 41-23 over Clarion at Memorial Stadium. Dykes became the first Red Raider to surpass 100 yards rushing this season.

Despite its slow start, the win moved Shippensburg (1-5, 1-1 PSAC West) into a tie for third place in the PSAC Western Division standings with Indiana (Pa.) following the Crimson Hawks' 38-16 loss at home to California (Pa.). The Vulcans and Edinboro, who defeated Lock Haven 63-19 at home, are currently 2-0 in the division.

It was the second 100-yard rushing performance of Dykes' career and first since Oct. 22, 2005 when he totaled 139 yards and one touchdown in a 37-0 victory over Clarion at home. His three touchdowns was a career-high.

Meanwhile, red-shirt junior David Richards just missed his third career 100-yard output as he finished with 92 yards and one touchdown. Richards' last 100-yard rushing game came in last year's season finale when he rushed for 106 yards and one score in a 35-10 win against Clarion at home on Nov. 11, 2006.

A big difference in the game came in the first half as the Red Raiders, who had been outscored 93-40 in the first half coming into today's game, managed a 21-7 lead at halftime, marking just the second time in six games this season that the team has led at intermission.



After Clarion (0-6, 0-2 PSAC West) took a 7-0 lead with 17 seconds left in the first quarter, Dykes responded with back-to-back touchdown runs of one and three yards to give Shippensburg a 14-7 lead with 2:34 remaining in the second quarter.

The two scores began a streak of 31 consecutive points scored by Shippensburg as it built a 31-7 advantage with 6:30 to play in the third quarter, capped off by a 32-yard field goal by senior Jamie Reder.

Reder would add a career-long 45-yard field goal with 4:15 left in the fourth quarter to put the Red Raiders in front 41-16. He now has 38 in his career, which is seven behind Howie Guarini's school record.

Shippensburg totaled a season-high 444 yards of total offense, including 296 yards rushing, and scored six times on seven trips inside the red zone with five touchdowns. In addition, the offensive line did not surrender a sack for the first time since a 42-27 victory over Kutztown at home on Sept. 16, 2006, a span of 15 games.

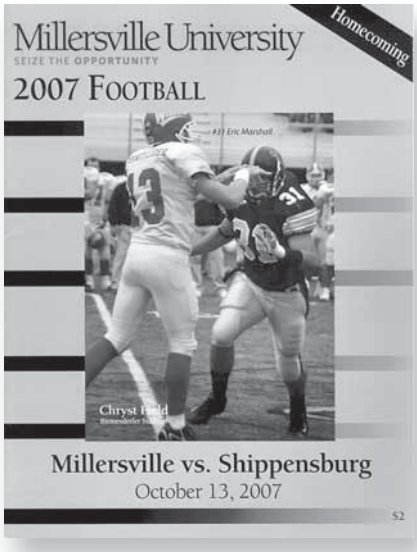
Senior Jamie Reder made all three of his field goal attempts and the offense controlled the ball for over 20 minutes in the second half as Shippensburg won its second-straight game of the season Saturday, 23-14 over Millersville at Chryst Field at Biemesderfer Stadium. The win extended the Red Raiders' winning streak over the Marauders to four.

Shippensburg (2-5), who entered the game ranked second in the PSAC in time of possession behind Millersville, totaled 32:38 in possession time, including 20:29 of the 30 minutes in the second half.

Also for the second consecutive week, the Red Raiders were led by red-shirt senior Aaron Dykes who totaled 79 yards rushing and one touchdown. Joining Dykes was red-shirt junior David Richards who also had 79 yards and a touchdown rushing as the two combined for 158 of Shippensburg's 186 yards rushing.

Ironically, Shippensburg also totaled 186 yards passing as red-shirt senior Gabe Maiocco completed 16-of-28 pass attempts, six of which went to red-shirt sophomore Mike Harris for a game-high 80 yards. Saturday marked the sixth-straight game in which Maiocco completed at least one pass to five different receivers.

In the absence of red-shirt senior Howard Chavous, Harris hauled in at least six receptions for the fifth time in seven games this season and totaled at least 80 yards for the third time.



The Red Raiders jumped out to a 7-0 lead with less than five minutes gone by in the first quarter as Dykes capped off a 5-play, 73-yard drive with a 16-yard touchdown run with 10:29 remaining.

The touchdown run was the eighth of the season for Dykes who entered the season with eight in his previous three seasons combined. His 16-yard run was also the second-longest of his career, second only to his 37-yard touchdown run at Slippery Rock on Oct. 29, 2005.

Shippensburg extended its lead to 10 when Reder made a 31-yard field goal with 49 seconds remaining in the quarter.

Following a 3-yard touchdown run by Jamal Smith, Millersville (2-5) would pull within three early in the second quarter, but Richards would score on a 15-yard run right before the half to give the Red Raiders a 17-7 halftime lead.

Reder clinched a victory with a 31-yard field goal, his third of the game, to jump the Red Raiders back in front by nine. Not only were Reder's three field goals the difference in the score, but they also marked the 11th time in his 41-game career that he has made multiple field goals in a game and the sixth time that he has made three or more.

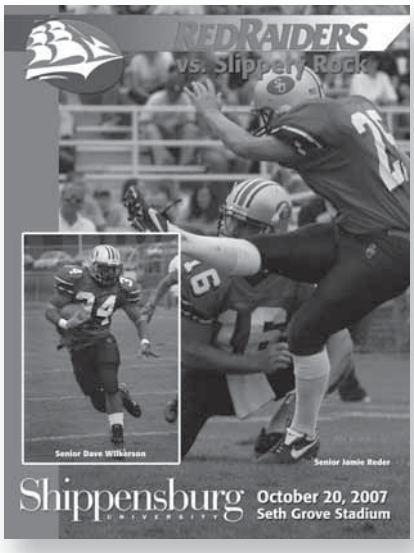
Four touchdowns, two kickoff returns and 38 fourth quarter points highlighted a 38-34 Slippery Rock victory over Shippensburg Saturday afternoon at Seth Grove Stadium.

A 12-yard touchdown pass from Red Raider red-shirt senior Gabe Maiocco to red-shirt senior Tim Devanney on fourth-and-6 started one of the most exciting finishes in college football history.

After Devanney's second touchdown reception of the season gave Shippensburg (2-6, 1-2 PSAC West) its first lead of the game, 25-24 with 1:28 remaining, Maiocco would find sophomore Mark Rossi for the two-point conversion, putting the Red Raiders in front by three, 27-24.

However, just 10 seconds later, a 68-yard touchdown return on the ensuing kickoff would give Slippery Rock (7-1, 2-1 PSAC West) the lead once again, 31-27.

But not to be outdone, red-shirt freshman Kevin Marshall would score his first collegiate touchdown with an 84-yard kickoff return to put Shippensburg back in front, 34-31 with 1:07 left, capping a span of only 21 seconds that saw three touchdowns and a two-point conversion.



Then, with 1:04 to play, The Rock drove 74 yards in nine plays finished off by a 17-yard touchdown pass from Nate Crookshank to Favers with two seconds remaining, giving Slippery Rock its third-straight victory and second consecutive conference win.

Red-shirt senior Aaron Dykes totaled his second 100-yard rushing performance in the last three weeks with 112 yards and a touchdown on 22 carries. During that time, he has totaled 305 yards and five scores.

Red-shirt sophomore Mike Harris also surpassed the 100-yard mark, catching five passes for 102 yards, becoming the first Red Raider since Ferguson in 2004 to total multiple 100-yard receiving games in the same season.

Key in Shippensburg's performance was that it did not surrender a sack, holding The Rock defense, which entered the game ranked second in the PSAC with 24, without one for the first time in eight games this season.

The Red Raider offense also totaled 34 points and 403 yards against a team that was ranked second in scoring defense (17.3 avg) and total defense (316.0 avg).

Two 100-yard rushers, two 100-yard receivers and a 300-yard passer were all a part of Shippensburg's school record 749 yards of total offense as the Red Raiders rolled to a 56-10 victory over Lock Haven Saturday afternoon at Seth Grove Stadium on Homecoming and Senior Day. It was the first win at home this season for the Red Raiders and their third overall in the last four games.

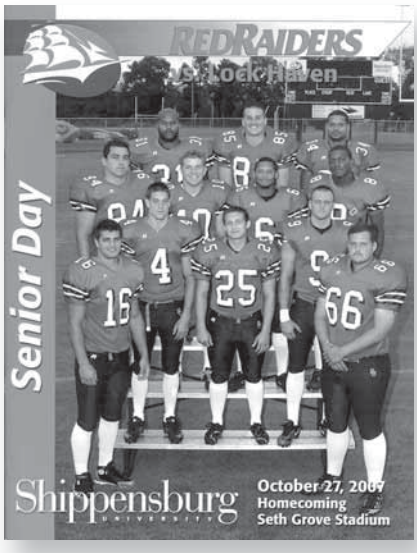
Shippensburg's 749 yards were not only the most in school history, but also the second most in the history of the PSAC, only eight behind the 757 yards totaled by California (Pa.) in an 88-12 victory over Mansfield at home on Sept. 10, 2005.

The previous school record for total offense was 644 yards set on Nov. 7, 1998 in a 52-12 victory at California (Pa.). In that game, Shippensburg (3-6, 2-2 PSAC West) totaled 351 yards rushing and 293 passing. On Saturday, the Red Raiders had 340 yards rushing and 369 yards passing.

In his final game at Seth Grove Stadium, red-shirt senior Gabe Maiocco totaled 369 yards passing, the fifth-highest single-game total in school history and the most since Chris Gicking had 388 in a 36-28 loss at Bloomsburg on Sept. 11, 1999.

Maiocco also tied a career-high with three touchdowns, all of which were over 45 yards, and his pass efficiency rating for the day was 249.48.

Maiocco's favorite target was red-shirt senior Tim Devanney, who had a career-high 182 yards receiving and one touchdown on just five



catches. Devanney totaled 82 yards on his first two catches, a 40 and 42-yard reception in the first quarter, and had four receptions for 104 yards at halftime. His 182 yards were the sixth-most in a single-game in school history.

Devanney's final catch of the game came with 47 seconds left in the third quarter when he caught a 78-yard touchdown pass from Maiocco which marked Shippensburg's longest play of the season and gave the Red Raiders a 42-10 lead.

Red-shirt senior Kyle Fogarty also totaled 100 yards receiving in his final home game, hauling in three receptions for 102 yards and a 75-yard touchdown pass with 3:38 left in the second quarter.

In addition to two 100-yard receivers, the Red Raiders also two 100-yard rushers as red-shirt freshman Kevin Marshall had a career-high 135 yards and red-shirt senior Aaron Dykes totaled 129. The last time Shippensburg had two 100-yard rushers in the same game was Oct. 30, 2004 when John Kuhn totaled 156 and Walter Crump had 134.

Defensively, red-shirt junior Josh Oswalt had nine tackles, including five for loss and 1.5 sacks en route to earning Shippensburg VFW Defensive Player of the Game honors. For his efforts, Maiocco was named Offensive Player of the Game.

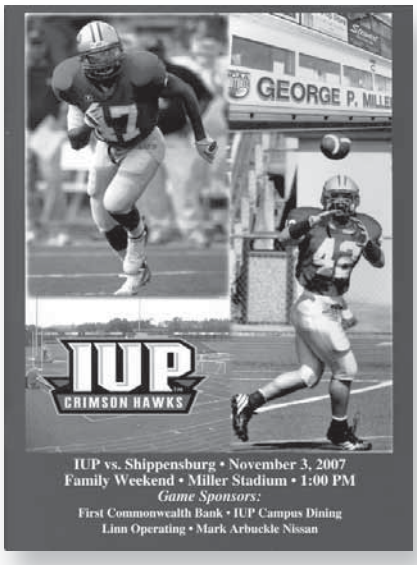
Rushing struggles and key turnovers plagued the Shippensburg University football team as No. 20-ranked Indiana (Pa.) defeated Shippensburg 30-0 on Saturday at Miller Stadium. It was the first time this season that the Red Raiders had been held scoreless and the first time since Sept. 23, 2006, when they were blanked 24-0 at West Chester.

Shippensburg (3-7, 2-3 PSAC West), who suffered its 20th consecutive loss to IUP, forced six punts and two fumbles, but committed three turnovers of their own which led to 17 Crimson Hawk points. The Red Raider defense also limited Indiana to 338 yards of total offense but was on the field for nearly 35 minutes as IUP dominated in time of possession, 34:36 to 25:24.

With the exception of a 13-play, 62-yard drive that resulted in a field goal for IUP's Matt McNelis, the teams exchanged lackluster drives in the first quarter with the Crimson Hawks leading just 3-0 after 15 minutes of play.

However, the second quarter proved to be the difference in the game.

With IUP leading 6-0 late in the first half, the Crimson Hawks reeled off a 9-play, 60-yard drive that propelled them to a 13-0 lead with 4:16 remaining. On the ensuing drive, Shippensburg red-shirt senior Gabe Maiocco was picked off by Quinton Cobb, who returned it to the Red Raider 25-yard line.



Three plays later, Andrew Krewatch found Dan Pickens in the end zone for his second touchdown pass of the game, giving Indiana (Pa.) a 20-0 lead that it would take into halftime.

IUP (8-1, 5-1 PSAC West), whose rushing defense was ranked second in the PSAC, contained Shippensburg's running backs for the duration of the contest as the Red Raiders finished the day with minus-16 yards rushing on 20 carries.

Facing constant pressure all day, Maiocco attempted a career-high 48 passes, 10 of which were deflected, including two interceptions, and he was sacked three times. He did manage to complete a career-high 23 passes for 283 yards.

Six different running backs combined to rush for just 11 yards on 17 carries for Shippensburg.

One of lone bright spots in the game was red-shirt sophomore Mike Harris, who reeled in nine catches for 130 yards, becoming the first Red Raider receiver since 2004 to record three 100-yard receiving games in a season.

Defensively, red-shirt sophomore Andy Casale led the Red Raiders with a team and career-high 13 tackles. He also had a 16-yard fumble return.

Shippensburg University football senior Jamie Reder kicked three field goals as the Red Raiders concluded its 2007 season with a 30-9 loss at No. 6-ranked California (Pa.) on Saturday at Adamson Stadium.

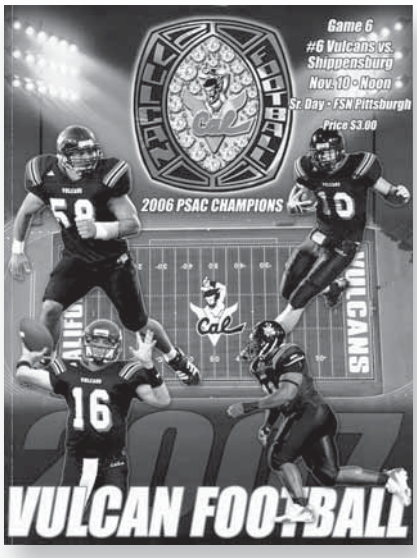
The last time Shippensburg (3-8, 2-4 PSAC West) finished the season 3-8 was in 1996. Meanwhile, the victory gives the Vulcans (11-0, 6-0 PSAC West) its third consecutive PSAC Western Division championship as well as the school's third undefeated regular season.

Reder concluded his career having made 44 field goals, one short of the record held by Howie Guarini. He finishes his career with 244 points, surpassing Guarini's total of 230 for the most points by a kicker in school history. Reder finishes his career second in school history for total points behind current Green Bay Packer John Kuhn '04, who amassed 322 points in his career.

Despite a roster that has been felled by injuries, the Red Raiders remained within two possessions of one of the best teams in Division II until the final moments of the game.

Against the Vulcans, Shippensburg was without the services of its two leading rushers, senior Aaron Dykes and red-shirt junior David Richards, as well as its second-leading tackler, red-shirt senior Jaron Nalewak.

Sophomore Chris Lynch delivered a season-high 22 carries after totaling just two carries for four yards in the last four games.



Lynch ran for 71 yards against the nation's No. 1-ranked rushing defense, a unit that entered the contest allowing just 49.4 yards per game. It is the second largest single-game total for a running back against the Vulcan defense this season.

Shippensburg's versatile backfield was also benefited by a strong performance from another senior in Dave Wilkerson who finished the contest by leading the Red Raiders with a seven receptions for 66 yards. Red-shirt senior Gabe Maiocco finished the game with 15 completions for 165 yards.

Overall, the offense totaled 219 yards against the nation's No. 2 ranked defense, who entered the contest holding opponents to just 185.6 yards per game. Reder's three field goals came against a team that was ranked No. 1 in the nation in scoring defense and who had allowed just four field goals all season as well as just 10 touchdowns.

A rough opening quarter ultimately doomed Shippensburg on Saturday. After spotting the Vulcans a 14-0 lead by surrendering two touchdowns and 161 yards on California's two opening drives, the Red Raider defense rebounded to allow just 173 yards and 16 points over the final 52 minutes of the game.

Jonathan Aldridge

Defensively, red-shirt sophomore Andy Casale contributed one of the strongest games of his young career, recording a career and team-high 14 tackles, including three for loss.

# The PSAC

**The Pennsylvania State Athletic Conference**, with 57 years of organized competition, has evolved into one of the NCAA's largest and most heralded intercollegiate athletic conferences.

The 2008-09 academic year will be a groundbreaking one for the PSAC, as the league will expand beyond its original 14 members for the first time since its official formation in 1951. New full-time members Gannon University and Mercyhurst College, along with associate member Long Island University – C.W. Post, expect to complement the PSAC's already solid foundation.

With 16 full-time institutions, the PSAC shares distinction with the West Virginia Intercollegiate Athletic Conference as the NCAA Division II's largest in terms of membership. League expansion has brought acclaim through postseason opportunities, as well. In 2008-09, the Conference will sponsor 23 championships, the most for leagues in Division II.

Highly competitive on a regional and national level, PSAC schools annually combine to send nearly one-third of its teams into NCAA postseason play. Ultimately, the membership's success has yielded 40 NCAA team and 218 individual title winners.

While proud of its athletic accomplishments, the league also has evolved into one of Division II's finest from an academic standpoint. Today, well over a quarter of the PSAC's estimated 5,300 participants are honored each year as "Scholar-Athletes" for maintaining a grade-point average of 3.25 or better - a total that has nearly doubled since PSAC Scholar-Athletes were first recognized in the mid-1990s.

The PSAC was organized in 1951 for the purpose of promoting and administering men's athletic programs within the 14 state teachers colleges in the Commonwealth of Pennsylvania. In 1977, due to the interest and growth of women's athletics, the conference was restructured to provide for women's programs.

Upon its formation, the league did not have a standard competitive division. However, in 1980, the league voted to reclassify the entire conference to NCAA Division II. Although all 16 current institutions are members of Division II, eight schools also compete at the Division I level in select sports. PSAC schools enroll over 117,000 students and claim over 661,000 alumni, including 430,000 who reside in Pennsylvania.

The PSAC is governed by the presidents of the 16 member institutions. It employs a commissioner, two assistant commissioners and a director of media relations at its headquarters in Lock Haven, Pa.

## Steve Murray

*Commissioner*

Steve Murray was appointed commissioner of the Pennsylvania State Athletic Conference on July 1, 1998 by the league's Board of Directors.

Murray has served the PSAC since August of 1993. He was the conference's first sports information director, a position he held for three years. He was promoted to assistant commissioner for media relations in 1996, and served as the conference's acting commissioner for a year until taking over his current post.

While athletic success has been visible among the league's institutions, Murray has been an equal proponent for academic achievement for PSAC student-athletes. The number of PSAC Scholar-Athletes - those achieving a cumulative grade point average of 3.25 or better - has increased in every year during his tenure. That total has risen to well above 1,300, nearly double that figure of the mid-1990s.

The PSAC continues to engage in several new endeavors under Murray's leadership. A few examples includes the implementation of the league's Sportsmanship Policy in 2003, the collaborative yearly project by the PSAC Student-Athlete Advisory Committee to host an Organ Donor Awareness Day, and a major role in the application of the PSAC's Dixon All-Sports Trophy which was introduced in 1996. With Murray's guidance, opportunities for student-athletes and institutions has increased, evidenced by the expansion of PSAC playoff fields in seven team sports, and the addition of championships in Men's and Women's Indoor Track and Field in 2002.

In addition to his duties as commissioner, Murray serves on the NCAA's Playing Rules and Oversight Panel. From 1999-2004 he held a spot on the NCAA II Football Selection Committee, including the position of Chair from 2001-04. Since its inception in 1999-2000, Murray has chaired the regional selection and served as voting coordinator for the Disney National Scholar-Athlete of the Year awarded by the Division II Conference Commissioners Association.

A native of Emporium, Pennsylvania, Murray graduated from Gannon University in 1985 with a degree in business administration. He also played baseball for the Golden Knights for two years. Following graduation, Murray earned a master's degree from the United States Sports Academy in Mobile, Alabama.

Murray came to the PSAC after a six-year stint at Centenary College in Louisiana, where he served the institution in several different capacities. Originally, he was athletic trainer and assistant baseball coach at Centenary. He later became compliance coordinator and eventually served as sports information director for three years.

Murray, his wife Candace, and son Ian, live in Lock Haven.

## PSAC Champions

Prior to the origination of the PSAC in 1951, Pennsylvania's sportswriters used a poll to select a "conference champion" based on the results of all the "state colleges." The sportswriters' poll was considered a mythical championship. With the advent of the conference, the Saylor Point System was used in determining a champion. From 1960 to 1987, a "State Game" played between the Western and Eastern Division champions determined the conference champion. Through 2007, to the conference's desire to qualify more teams for the postseason play, only divisional champions have been named.

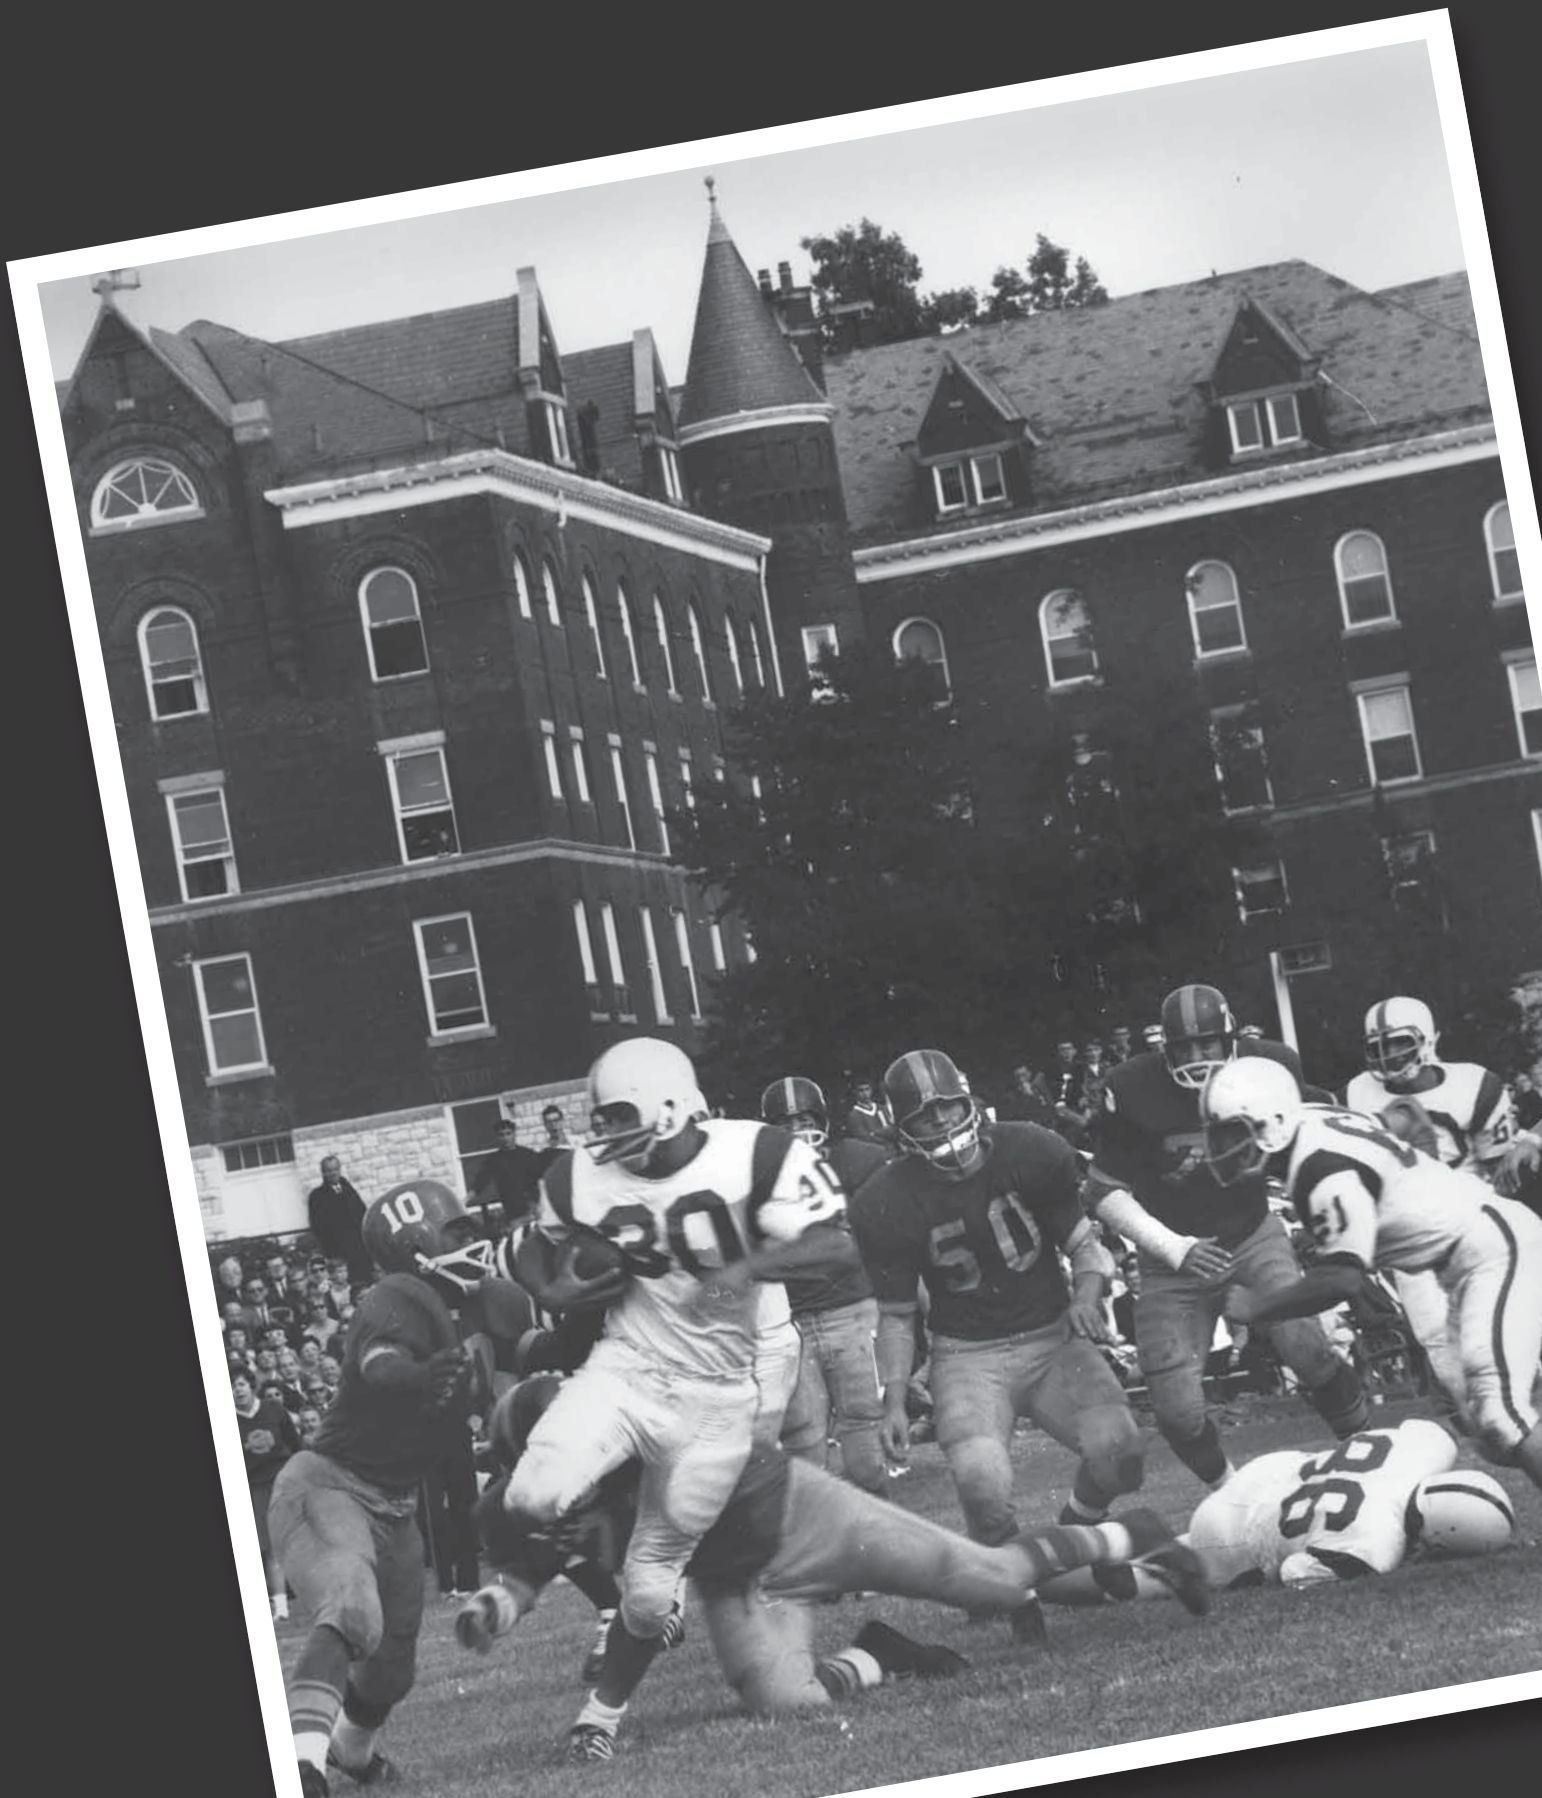
# History



## RED RAIDER CAPSULE HISTORY

For more than a century, football has been a part of campus life at Shippensburg. The university was founded in 1871 as the name Cumberland Valley State Normal School. Twenty years later, the football team was organized in the fall of 1891 by a group of enthusiastic students who had read about exploits of major college teams in newspapers.

The team played its first game against Chambersburg Academy on Dec. 5, 1891. The Normal school players had no coach or uniforms and paid their own train fare for the 12-mile trip.

The first winning season was in 1895 and the first undefeated season in 1897. In 1908, the sport was dropped, but was revived in 1915 as football grew in popularity. The team won the Pennsylvania Normal School Eastern Section championship in 1921, 1924 and 1925 and the State Normal School championship in 1925 with a 14-6 victory over Indiana (Pa.).

In 1926, the institution was granted the power to confer bachelor degrees and the team formally entered the ranks of intercollegiate football. Since that time, Shippensburg has compiled a 382-316-21 record, a .546 winning percentage. Since 1891, the team's first official season, the record stands at 439-368-31 for a .542 winning percentage.

During the 1930s, Shippensburg captured or shared the mythical PSAC title three times, with championship seasons in 1931, 1935 and 1938. Until 1960, the championship was determined by a vote of sportswriters and/or a mathematical rating system called the Saylor System. Jack Green, one of the best athletes ever to attend Shippensburg, led the 1931 team, scoring 15 touchdowns as Shippensburg went 6-1-1.

The 1935-38 teams, led by fullback John Bay, had an outstanding 24-4-3 record. The defense shutout the opposition 21 times in four years, and Bay led the offensive attack, scoring 25 touchdowns in his career.

The Red Raiders enjoyed football success throughout the decade of the 1950s. The team lost only one game in 1950 and between 1951 and 1954, they won 20 games in a row and 24 out of 25. That winning streak is the longest in PSAC history.

The 1952 team went 7-0 and outscored the opposition 266-20, receiving only nine kickoffs the entire season. However, of those nine kickoffs, five were returned for touchdowns.

The 1953 squad, which was led by Associated Press Little All-American tackle Robert Adams, was the first team in the history of college football to lead the nation in total defense, pass defense and rushing defense in the same season. Other teams had led in total defense and either passing or rushing defense, but never all three.

**Winston Horshaw (1988-89, 1991, 1993)**

In 1954, the football team saw its 20-game win streak come to an end with a 13-7 loss to California (Pa.) on homecoming. Spencer Keyes, who scored 26 touchdowns during his career, including seven on punts and kickoffs, was forced to miss that game with an injury.

Three years later in 1957, the team won a share of the conference championship again with a unbeaten 6-0-1 record. That year, Nick Cutro averaged an amazing 12.8 yards per carry, gaining 474 yards on 37 carries.

In 1960, the PSAC split into Eastern and Western divisions, and began deciding its champion on the field. The annual State Game was established, pitting the champions of the both divisions.

After several years of limited success, the Red Raiders began to develop into a conference contender in the early 1970s. The team won a share of the conference title in 1976 when it tied East Stroudsburg 14-14 in the State Game.

In 1981, Shippensburg won the PSAC championship again, defeating Millersville 34-17 in the State Game. Shippensburg then went on to defeat Virginia Union 40-27 on the road in the NCAA Division II quarterfinals before losing at home to North Dakota State 18-6 in the semifinals.

For their efforts, the Red Raiders were named ECAC Division II Team of the Year. In addition the team won the Lambert Cup, which was awarded to the top Division I-AA or II team in the East. The Lambert Trophies Board created a separate award, the Lambert Plaque, for Division II teams in 1982. Shippensburg is the last Division II team to win the Lambert Cup.

The Red Raiders won the PSAC Western Division title in 1988, rebounding from two early season losses to go through its division schedule with a 5-1 mark. In 1991, the team's centennial season, it compiled a 10-3 record and reached the quarterfinals of the NCAA tournament.

Since 1981, Shippensburg has won or shared four PSAC Western Division titles and two overall conference championships, compiling 18 non-losing or winning years. Under head coach Rocky Rees, the team continues to be in contention for conference honors. In 1999, the team went 8-3, the third consecutive winning season for the Red Raiders. In 2001, Shippensburg won eight of its last nine games to finish 8-3 and second in the Western Division. The Red Raiders finished second again in 2002.

Shippensburg finished the 2003 season with an 8-3 record for the third time in five years. John Kuhn was the Division II co-leader in total touchdowns with 22.

The Red Raiders used the momentum from the end of the 2003 season by winning its first five games of 2004 before losing at Indiana (Pa.) on October 2 when the team was ranked at No. 9 in Division II. However, the team would finish the season with a 10-1 record and a share of its first PSAC Western Division championship since 1988.

After receiving a first round bye in the NCAA Division II Football Championship, Shippensburg's comeback at home against West Chester in the second round fell just short as the Golden Rams won 33-28, ending one of the best season's in school history.

After 48 seasons of competition in the PSAC Western Division, the Red Raiders will partake in their first PSAC Eastern Division conference game on September 20 at 6 p.m. when they travel to East Stroudsburg in a game that will be broadcast live on the SPORTSFever Television Network (STN).

"I don't think it'll be a great difference for us, moving to the east," head coach Rocky Rees said. "Geographically, in terms of trips, it really helps because we don't have so many of those five-and-a-half hour bus rides and that gets tiring. It's only a slight adjustment to us and we're really looking forward to it."

A total of four Red Raiders, Rob Davis '92, John Kuhn '04, Brent Grimes and Ron Johnson '03, have played in the National Football League. Davis and Kuhn have been on Super Bowl teams, with Kuhn winning one as a member of the Pittsburgh Steelers in 2005. A fifth Red Raider, Ryan Hoffman '05, spent two seasons in NFL Europa from 2006-07.

## ROB DAVIS '92

Davis announced his retirement on Mar. 26, 2008, ending a 12-year NFL career, the final 11 of which were with the Green Bay Packers. However, Davis currently serves as the team's director of player development.

The first Red Raider to ever play in the NFL, Davis took over as the Packers' long snapper in 1997 and played 167 games in a Green Bay uniform - the third-longest consecutive games streak in team history behind Brett Favre (255) and Forrest Gregg (187).

Davis was also the first Red Raider to play in a Super Bowl as the Packers were defeated by the Denver Broncos 34-21 in Super Bowl XXXII on Jan. 25, 1998.

Super Bowl XXXII was the second professional football championship appearance for Davis after he won a Grey Cup in 1995 as a member of the Baltimore Stallions of the Canadian Football League. The Stallions beat the Calgary Stampeders, 37-20 on Nov. 19, 1995.

Davis has the distinction of playing in a Super Bowl, Grey Cup and NCAA championship game after Shippensburg advanced to the 1991 NCAA Division II Football Championship.

In 1996, Davis made his NFL debut on Monday Night Football in Chicago's 22-6 victory over the Dallas Cowboys on September 2. He played in all 16 games for the Bears that season before joining the Packers on Nov. 4, 1997. All totaled, Davis played in 199 professional football games, including 183 in 12 NFL seasons.

Davis was a standout on the defensive line for Shippensburg from 1988-92. He was a two-time All-PSAC Western Division selection, earning First Team honors in 1991. He also received two All-America honors, earning a Third Team selection in 1991 before being chosen Honorable Mention by the American Football Coaches Association (AFCA) in 1992.
