The Athletic Department adheres to a strong policy that protects the individual's rights of privacy.

All press releases from the Siena University Department of Athletics are issued from the Office of Athletics Communications which sends the release to appropriate media. All requests for interviews should be directed through the Office of Athletics Communications with at least 24 hours' notice. Interviews will be scheduled at a mutual time for both the student-athlete or coach and the media member. All classes and team responsibilities will take precedent over interviews. It is the policy of the Office of Athletics Communications to issue credentials to members of the media for men's and women's basketball games. The Department of Athletics and the Office of Athletic Communications reserve the right to close the team room at any time. Enforcement:

- The Office of Public Safety will be present 90 minutes prior to scheduled athletic contests, as well as 30 minutes after the conclusion of the contest in order to assist spectators and ensure policy compliance. If an officer identifies a non-Siena student* as drinking an alcoholic beverage on campus:
