

Southern Illinois University is an institution where you can experience success in both academics and athletics.

Are you serious about your college education?

Both the men's and women's swimming and diving teams currently hold a cumulative team GPA over 3.0. The men posted a 3.3 last semester and finished ranked in the top 20 among Division I teams while the women earned a 3.45 and finished in the top 4 of Division I teams.

Are you ready to get in touch with the real world?

SIU is home to a diverse community that can enhance any educational field. With the culmination of backgrounds and customs at SIU our students are being exposed to cultures that other Universities cannot provide. SIU is waiting to expose you to the vast world that exists beyond your hometown, state or country.

Our Alumni are a proud and successful group who know that much of their success can be traced back to their education and experience at SIU. Let us introduce you to some of our Alums.
