COACHES

MVFC Champions: 2003 • 2004 • 2005 • 2008 • 2009 | FCS National Champions: 1983 | FCS Playoffs: 1983 • 2003 • 2004 • 2005 • 2006 • 2007 • 2008 • 2009

Nick Hill is in his first season as the head coach of Saluki Football. He is the 21st head coach in school history and only the fourth to lead his alma mater, joining Abe Martin, Bill O'Brien and Shawn Watson.

Hill was hired as the program's quarterbacks coach in 2014 and was promoted to offensive coordinator in 2015. The results were remarkable as Southern's offense averaged 498 yards per game in 2015 -- the second most in conference history. Director of Athletics Tommy Bell hired Hill as the program's head coach after the season.

Hill also played for SIU. He is one of the most prolific quarterbacks in school history, compiling a 21-6 record as a starter under Hall-of-Fame head coach Jerry Kill in 2006 and 2007. In his senior season, Hill guided SIU to a National Semifinal appearance in the FCS Playoffs.

WHAT THEY'RE SAYING ABOUT NICK HILL

Jerry Kill, Saluki Hall of Fame Football Coach:

"I promise you Nick Hill will work day and night because he doesn't want to let anyone down. Guys work better with a little chip on their shoulder. When I came there I had a little chip, and I surrounded myself with great staff, and he'll do the same thing. He has a good model to work from. I think he's learned a lot about coaching, based on what Southern's offense accomplished last year. What people don't realize is how many people he knows, from various pro leagues, to our guys at Minnesota and throughout college football. Nick will have a lot of people supporting him. He needs to enjoy today, and the bottom line is he has to go out-work people tomorrow. A lot of people weren't fired up about me when I was hired. You get respect by winning football games, and to do that, you recruit good staff and good players. Nick can do that. He's smarter than I was -- a dumb-ass country boy from Cheney, Kan."

Carl Mauck, Saluki Hall of Famer and 34-year NFL playing and coaching veteran:

"Nick has the characteristics you look for in an outstanding head coach. He's level-headed, but also has a lot of fire and energy. He knows what he wants at quarterback, which is the position that makes or breaks your team. He will recruit harder than anyone and will present himself well to recruits and their families. I'm confident that he can assemble a strong staff. He knows the area, he loves the school. I'm proud that he got the job and I'm excited for him and the program."

Deji Karim, Former Saluki running back, teammate and four-year NFL veteran:

"Nick is a great leader because of the type of person he is. He's smart, and his core beliefs and values inspire everyone around him to improve. He has great relationships with current and former players, and I truly believe he will get SIU back on the right track."

Brandon Jacobs, Former Saluki RB, teammate, nine-year NFL veteran, and two-time Super Bowl champion

"First of all, Nick is a great man, and that is a sign of a great coach. He's just a good, solid dude; his character speaks for itself. I spoke to Nick during the process about his goals if he were to get this opportunity, and he is absolutely on the right track. Coach Kill recruited good, hard-working, shipyard guys. Nick is going to do the same thing. He's not in this for a paycheck. He genuinely loves being around the guys. He's in this to win, and his heart is in it. They will play their hearts out for him."
