## EDWARD J. SHEA NATATORIUM

In 1977, Southern Illinois University unveiled one of the nation's top aquatic facilities for recreational and competitive swimming and diving; the Southern Illinois University Student Recreational Center Pool.

Since its opening, the Recreation Center Pool has been home to the Saluki men's and women's swimming and diving teams, helping train 154 Saluki Missouri Valley champions, 71 All-Americans and 14 Olympians.

Starting in 1994, the Recreation Center Pool became the home site for the Missouri Valley Championship. Saluki swimming and diving teams have taken advantage of the "home pool" edge, capturing nine of the 10 team championships. The pool has also hosted distinguished competitions like the National Independent Championship and the Illinois Intercollegiate State meet.

The Olympic-sized pool, features a 10-lane, 50-meter long course, and two eight-lane, 25-yard short courses. The 770,000 gallon natatorium is surrounded by a closed gutter filtration system which drastically reduces water turbulence helping to increase the swimmers' speed.

Outlining the pool area lies a water resistant deck spanning 20 feet wide.

The diving area, located in-between the 25-yard courses, including four one-meter diving boards, three, three-meter diving boards and a five-meter diving tower. The diving well has a depth of 16 feet.

The pool is also equipped with the latest in aquatic technology including underwater speakers and three viewing windows to record and analyze the athlete's underwater stroke performance. A newly added Colorado Times Electronic Timing System and eight lane readout board was installed in 1997 which allows immediate results. Locker rooms adjacent to the pool deck feature walk-in saunas and allow easy access to the on-site training facility.

Seating for meets includes elevated permanent seating for 400 spectators, with additional bleachers for 200 more individuals. The overlooking seating allows for a spectacular, up-close perspective during competition. For championship meets, the seating capacity can be expanded to hold up to 3,000 people.

# Rick WALKER

---

HEAD COACH – 32nd SEASON

---

ALMA MATER - TEXAS A&M UNIVERSITY

---

Rick Walker enters his 32nd year as a swimming coach at Southern Illinois University in 2017-18. He has served as men's head coach since 1992 and added women's head coaching responsibilities in 2005.

Walker's 29th year was a memorable one, as he led the Saluki women's swimming and diving team to their first Missouri Valley Conference championship since 2007. The Salukis scored 799.50 points to edge out second-place Missouri State by just half a point.

During his tenure in Carbondale, Walker has earned 13 Coach of the Year honors and is a three-time Eastern Independent Championships Coach of the Year (1993-95), two-time National Independent Championships Coach of the Year (1996, 97), four-time Missouri Valley Conference Coach of the Year (1995, 96, 98, 2002), two-time MVC Invitational Coach of the Year (2004, 05) and two-time Mid-American Conference Coach of the Year (2012, 15).

Walker has won nine conference championships in his tenure. He has coached SIU swimmers to 237 individual and relay conference titles. Under his watch, Walker has coached Saluki swimmers to three MVC Swimmer of the Year honors, 209 first-team All-Conference selections and eight Olympic berths. Most recently, Till Pallman was named MAC Swimmer of the Year following the 2014-15 season.

Under Walker's direction, the men's team won five-straight Missouri Valley Conference titles from 1994- 1999, the longest streak in the conference.

He was named head coach of the Egyptian Olympic swimming team for the 2012 London Olympics. He was

a 14-time member of the USA Swimming Olympic Committee and a five-year chairman on the USA Swimming Open Water Committee. He has been on 13 staffs for USA Swimming at World Championships. In 2009, he was honored as the America Continental Open Water Swimming Man of the Year.

Walker was head coach and director for USA Swimming's Open Water National Team for 12 years and the head coach for USA Swimming's development camp for 15 years.

In spring 2010, Walker coached Kirsten Groome to the NCAA Championships, the first Saluki to advance to the national stage in 20 years. In the fall, he was honored with the Adolph Kiefer Safety Commendation award at the annual United States Aquatic Sports convention for heroically saving the life of an Australian swimmer at the 2009 World Swimming Championships in Rome, Italy.

The Kankakee, Ill., native has coached eight Olympians, including three that competed at the 2012 London Games, 11 World Championship swimmers, three Olympic Trials competitors and one Olympic Sports Festival contestant.

SIU produced its first male Academic All-American under Walker in 2003, when Jake Sinclair was named to the 2003 Verizon Academic All-American At-Large First Team with a perfect 4.0 GPA. Sinclair was also named to the 2003 Verizon Academic All-District V At-Large First Team. In 2018, swimmers Chris Cole and Bryn Handley earned Academic All-America honors from the College Sports Information Directors of America.

Before serving as head coach, Walker served as an SIU assistant from 1987-92, coaching former women's head coach Jeff Goelz and his former assistant Gustavo Leal.

Goelz earned multiple All-American honors under Walker's tutelage. During that span, the Salukis also advanced to the NCAA Championships twice, finishing 18th and 27th.

Prior to coaching at SIU, Walker coached at the YMCA in Joliet, Ill., for the 1984-85 season, Texas A&M and the Aggie Swim club during the 1985-86 season, and the Dad's Club YMCA of Houston, Texas, during the 1986-87 season.

Walker graduated from Texas A&M University in 1984 with a degree in recreation and parks. At Texas A&M, he swam for an Aggies team that finished 26th and 31st at the NCAA Championships during his junior and senior seasons, respectively.

During his two years in College Station, Texas, he set school records in the 500, 1000 and 1650 free and the 400 IM, qualifying for the NCAA Championships.

Prior to Texas A&M, Walker swam at National Junior College Athletic Association (NJCAA) power Indian River Community College in Fort Pierce, Fla., where he set NJCAA records in the 500, 1000 and 1650 free and the 4x100 and 4x200 free relays.

He was a seven-time All-American at Indian River and is in the NJCAA Hall of Fame. He is also in the Indian River Community College and Eastridge (Ill.) High School Halls of Fame.

Walker competed at the 1980 Olympic Trials but couldn't compete in the Olympics because of the U.S. boycott, and he qualified for the 1984 Olympic Trials but retired just prior to the event. He was a silver medalist at the Olympic Sports Festival in 1979, participated in the 1978 USA Olympic Training Camp and held a top 50 world ranking in the 1500 meter freestyle in 1981.

He led the U.S. to a World Aquatics Championship in 1998 in Australia and fourth place finishes in 2001 and 2003.

Walker served a seven-year term on the NCAA Swimming and Diving Committee and took the lead in the process to place open water swimming in the 2008 Olympic Games in Beijing, China, a dream that was realized with the announcement in 2006.

In the summer of 2005, Walker coached the U.S. National Open Water Swim Team to a fourth-place finish at the

World Championships in Montreal, Quebec. The U.S. team tallied 72 points in the event, finishing one point out of trophy contention.

For their efforts at the World Championship, Walker and his coaching staff were awarded the Glenn S. Hummer Award from USA Swimming. The award was given Sept. 16, 2005 at the USA Swimming House of Delegates meeting in Greensboro, N.C. This was the second time Walker earned this award.

Walker lives in Carbondale with his wife, Eileen. He has two children, Kyle and Kelsie. Kyle was a thrower on the SIU track and field team and Kelsie was on the swimming and diving team at SIU.

DIVING COACH – 16th SEASON  
ALMA MATER - TIAN-JIN UNIVERSITY (CHINA)

---

Chunhua “Joy” Zhao is in her 16th year as SIU’s diving coach in 2018-19. In her time as SIU’s diving coach, Zhao has earned Diving Coach of the Year recognition five times.

Under her leadership, SIU divers have been named conference Diver of the Year 11 times and have earned 16 conference titles. Most recently, Zhao coached twin divers Beibei Ji and Baobao Ji to a one-two finish at the MVC Championships in the one-and-three-meter dives in 2018. Under her guidance, Baobao was named MVC Diver of the Year, while Beibei was just three points shy of a National Championship meet birth. At the conclusion of the season, Zhao was named MVC Diving Coach of the Year due to her efforts and divers accomplishments.

Zhao also recently coached Kaixuan “Sherry” Zhang to seven MVC titles and a bronze finish in the three-meter dive at the 2014 NCAA Championships. Zhang earned MVC Diver of the Week honors 21 times and MVC Diver of the Year three times under Zhao.

On the men’s side, Kegan Skelton came away with the 2015 MAC conference title in the 1-meter dive, finishing his career as the first male Saluki to earn a conference title under Zhao. He was also named MAC Diver of the Year. In 2017, Kai Hoffman-Dussome won the MAC’s Freshman Diver of the Year Award under Zhao’s tutelage.

To conclude the 2014-15 season, Zhao accompanied Zhang to the NCAA Championships for the second straight year where she finished in the top half of competition in the one-and three-meter dives at 24th

and 21st, respectively. In the 2014-15 season alone, Saluki divers rewrote the record book as Kegan Skelton ranked second and fourth all-time at SIU for three-meter dives, while Zhang secured the top five all-time spots for three-meter dives and four of the top five in one-meter dives.

Esther Chen ranked fourth all-time at SIU in the one-meter dives with a 362.31 score to cap off the diving records in the 2014-15 season. During the 2013-14 season, Zhao coached Kaixuan ‘Sherry’ Zhang to one of the best diving seasons in school history. Zhang was a two-time All-American, taking third in the three-meter dive at the NCAA Championships, while also earning All-American status in the one-meter dive. Zhang was also named MVC Diver of the Year after winning the one and three-meter dive and setting new MVC point records. Zhao was also recognized for her coaching prowess as MVC Diving Coach of the Year.

Zhao also saw success with the men’s team in 2013-14 season. Kegan Skelton earned second-team All-Conference honors after finishing second place in the three-meter dive at the MAC Championships. In his second place finish, Skelton posted a lifetime best score and became just the second men’s diver in school history to break the 380-point total in the three-meter dive.

SIU also saw success under Zhao in 2012. Zhang won the three-meter dive at the MVC Championships while setting a new pool record. Esther Chen earned a second place finish in the one-meter dive.

In 2011, Brittany Weigel earned MVC Diver of the Year

honors, marking the second consecutive season Zhao coached the MVC Diver of the Year. Weigel was the third diver to earn MVC Diver of the Year laurels under Zhao, and the fifth Saluki MVC Diver of the year in the past six years. In 2010, Zhao coached Emily Gable to MVC Diver of the Year honors, earning MVC Co-Diving Coach of the Year, as well as guiding Kyle Carevic and Justin Ruszkowski to the NCAA Zone C Regional Meet in West Lafayette, Ind.

In 2007, Zhao coached Curtuneanu to the MVC 1-meter and 3-meter titles and a conference Diver of the Year title. Zhao also garnered league honors as she was named the Valley's Diving Coach of the Year. The Salukis came away with three of the four diving titles at the 2006 MVC Championship and Invitational. Cristina Curtuneanu won the women's 1-meter while Brandon Birchak swept the men's 1-meter and 3-meter titles. For their performance at the meet, Curtuneanu and Birchak both earned MVC Diver of the Year honors, and Zhao was named Diving Coach of the Year for the Men's MVC Invitational. The accomplishments did not stop there, though, as Birchak and Curtuneanu, along with Jessica Leong, qualified for the NCAA Zone D Meet in Columbia, Mo.

Zhao has also continued the tradition of a strong personality on the pool deck, and carries a strong knowledge of the sport, and an attention to detail consistent in SIU's diving coaches. The former international diver came to SIU in 2003 with 20 years of experience as a diving coach, ranging from the international to high school levels, in addition to her personal experience as an international diver in China.

She wasted little time making a mark in her first year as the Saluki diving coach in 2003-04. Zhao was named 2004 MVC Invitational Diving Coach of the Year at her first MVC Invitational Meet, after coaching Brandon Birchak to one- and three-meter titles and an MVC Invitational Diver of the Year award.

She came to SIU from Fresno State University, where she was the women's diving coach from 1999- 2003. At Fresno State, her divers qualified for the NCAA Zone Meet and reached the Western Athletic Conference

finals every year. During that same time she also served as the head coach for the Fresno (Calif.) Diving Club.

From 1997-99, Zhao was an assistant diving coach at the University of Nevada, where she coached Lang Rao, who finished second at the 1999 NCAA championships. In 1999, she also was the head coach at the Carson Valley Diving Club.

Prior to coaching in the U.S., Zhao held three international coaching positions in her native China. From 1993-97, she served her second stint as the men's and women's diving coach for the Tian-Jin Province Diving Team. During her four years, she had a women's diver win the silver medal on the platform at the 17th World University Games, a gold medal at the Youth Games of China and a bronze medal at the 1996 Chinese National Meet.

She also coached Sang Xue to a silver medal at the 1998 Goodwill Games. Her work earned her the Excellence in Coaching Award in 1992 and 1993.

She also served as the diving coach for the Chinese National Team from 1989-93, where one of her divers finished fourth in the women's platform dive at the 25th Olympic Games (1992), second in the platform at the 7th World Cup and second in the platform at the 16th World University Games.

Zhao began her coaching career as the men's and women's diving coach for the Tianjin Province Diving Team from 1983-89. During her time there, two of her male and female divers qualified for the Chinese National Diving Team.

Prior to coaching, she competed internationally as a member of the Chinese National Diving Team from 1977-79, following four years (1973-77) as a member of the Tianjin Diving Team. Zhao received her bachelor's degree in physical education in 1989 from Tian-Jin University in her hometown of Tianjin, China. She lives in Carbondale with her husband, Mark Liu, and their sons, Matthew and Charles.

# IVAN SANCHEZ

---

ASSISTANT COACH – 1st SEASON  
ALMA MATER - SOUTHERN ILLINOIS

---

Ivan Sanchez enters his first season and second stint as an assistant coach for the Southern Illinois swimming and diving program. He previously swam for the Salukis from 2001-05 and served as a volunteer assistant coach from 2006-09.

Sanchez arrives to Carbondale with 11 years of coaching experience, including the last four as the men's and women's swimming assistant coach and recruiting coordinator at Coe College (IA).

During his time at Coe, Sanchez helped the Kohawks break 45 school records and achieve seven NCAA "B" standard cut times. He also coached the women's team to a second-place conference finish at the 2018 Liberal Arts Championships.

In addition to Coe, Sanchez spent the 2017-18 season as the head coach of the women's swimming and diving program at John F. Kennedy High School (IA). He helped swimmers reach junior national status and state time standards, while also implementing new training programs.

Prior to Coe, Sanchez spent five years (2009-14) as the head coach of the men's and women's swimming and diving program at Iowa City High School (IA). Under his tutelage, 10 swimmers broke school records that were

over 15 years old and numerous swimmers qualified for the state championship meet. In 2011, he led the men's team to a sixth-place state finish and produced three state champions.

Sanchez swam under the direction of head coach Rick Walker during his collegiate swimming career as a Saluki. Sanchez helped Southern Illinois to Missouri Valley Conference titles in 2002 and 2004. He was honored as the Most Valuable Swimmer during his junior year and was a co-captain as a senior. In 2004, he became a MVC champion and record holder in the 200- and 500-yard freestyle.

Sanchez also competed as a member of the Mexican National Team from 1995-2008, where he qualified for three Olympic Trials (2000, 2004 and 2008) and competed in many international and national competitions. In 2003, Sanchez swam to a third-place finish in the 15K at Open Water Mexican Nationals.

Sanchez holds an undergraduate degree in management and a master's in sport management. Sanchez and his wife, Brianna, have three children: Ivanna, Gianna, and Elianna.

# TILL PALLMANN

---

GRADUATE ASSISTANT COACH - 2nd SEASON

ALMA MATER - SOUTHERN ILLINOIS

---

Pallmann is in his second year as the SIU swimming and diving team's graduate assistant coach and brings a wealth of experience and accolades to the team.

Pallmann swam with the Salukis from 2012 to 2016 and won the Mid-American Conference Swimmer of the Year in 2014-15 and holds the MAC record in the 500-yard freestyle with a time of 4:18.16. He is a four-time conference champion in the 500-yard freestyle and a two-time champion in the 200-yard freestyle. He was also on the teams that won the 400-yard medley relay and the 200-yard freestyle relay at the MAC Conference Championship. Pallmann made the MAC All-Conference First Team in all four of his years at SIU.

He is a school record holder in the 50-yard, 100-yard, and 200-yard freestyle and the 100-yard backstroke. He shares the program record in the 500-yard freestyle. Pallmann was on teams that set program records in the 400-yard freestyle relay, the 800-yard freestyle relay, and the 400-yard medley relay.

Pallmann was born in Zweibrucken, Germany and is a 2016 graduate of Southern Illinois University - Carbondale.

# WHAT IS A SALUKI?

## SOUTHERN ILLINOIS UNIVERSITY

**SIU** Southern Illinois University Carbondale, now in its second century, is a major public higher education institution dedicated to quality academic endeavors in teaching and research, to supportive programming for student needs and development, to effective social and economic initiatives in community, regional, and statewide contexts, and to affirmative action and equal opportunity.

Enrolling students throughout Illinois and the United States and from a large number of foreign countries, SIUC actively promotes the intellectual and social benefits of cultural pluralism, encourages the participation of non-traditional groups, and intentionally provides a cosmopolitan and general education context which expands student horizons and leads to superior undergraduate education.

Seeking to meet educational, vocational, social, and personal needs of its diverse population of students and helping them fully realize their potential is a central purpose of the university. Emphasis on accessibility and regional service which creates distinctive instructional, research, and public service programs also gives SIUC its special character among the nation's research universities, and underlies other academic developments, such as its extensive doctoral programs and the schools of medicine and law.

Committed to the concept that research and creative activity are inherently valuable, the university supports intellectual exploration at advanced levels in traditional disciplines and in numerous specialized research undertakings, some of which are related directly to the southern Illinois region. Research directions are evolved from staff and faculty strengths and mature in keeping with long-term preparation and planning.

Even as the university constantly strives to perpetuate high quality in both instruction and research, it continues a long tradition of service to its community and region. Its unusual strengths in the creative and performing arts provide wide-ranging educational, entertainment, and cultural opportunities for its students, faculty, staff, and the public at large. Its programs of public service and its involvement in the civic and social development of the region are manifestations of a general commitment to enhance the quality of life through the exercise of academic skills and application of problem-solving techniques. SIUC seeks to help solve social, economic, educational, scientific, and technological problems, and thereby to improve the well-being of those whose lives come into contact with it.

## WHAT IS A SALUKI?

Several members of the Southern Illinois University athletic staff suggested a new nickname in 1951. The teams had been known as the Maroons since intercollegiate athletics began in 1913. The name became official on March 19, 1951, when the student body overwhelmingly approved "Salukis" as the new symbol of SIU athletics, easily besting "Rebels," "Knights," "Flyers," "Marauders," and "Maroons."

The oldest purebred dogs in the world with records dating back to 3600 B.C., the Saluki is an ancient Egyptian hunting dog known for its speed and

hunting prowess.

So why is the name Salukis relevant to Southern Illinois? Natives of southern Illinois know that the region is frequently referred to as "Egypt." Historian Baker Brownell, in his book "The Other Illinois," explained how the region came to be known as Egypt.

He wrote, "There was a drought in the northern counties (of Illinois) in the early 1800s...the wheat fields dried up, the streams died in their beds. But in Southern Illinois, rain fell and there were good crops, and from the north came people seeking corn and wheat

as to Egypt of old. Thus, the name, Egypt."

The 19th century drought in Illinois parallels the Biblical account of the country of Egypt. In Egypt at that time, Salukis were accepted as the finest animal a family could possess. Adopting such a well-respected dog as its mascot fit perfectly for a school in a region known as "Little Egypt."
