Southern Illinois University's Charlotte West Stadium was completed in 2003, and has quickly earned a reputation as one of the finest softball facilities in the country, as well as being a tough venue for opponents.

Since its opening on March 1, 2003, the Salukis have recorded a .763 (213-79) winning percentage in their home facility.

The stadium is named after Dr. Charlotte West, who retired as SIU's associate athletics director in 1998 after serving the University for 42 years as a faculty member, coach and administrator.

She began her faculty career at SIU in 1957 as an instructor in the department of physical education. She became a full professor in 1973 and developed SIU's graduate program in sport management, which she directed until June 1991.

From 1960 until 1986, West was the director of intercollegiate athletics for women. She helped transform the department from its meager beginnings into a nationally-recognized program with a budget of more than \$1 million for 11 sports.

After the 1986 merger of the men's and women's athletics departments, West served as associate athletics director for one year, interim director for a year and associate athletics director for 10 years.

The \$1.7 million stadium was officially opened on March 15, 2003 with a 9-0 win over Bradley, in front of a crowd of 395 fans.

In 12 years of existence, Charlotte West Stadium has served as the host of the MVC Softball Championship four times (2004, 2008, 2012 and 2016). It also played host to the NCAA Regionals in 2007.

The state-of-the-art facility holds 502 fans and is one of the finest in the Midwest.

The stadium features chair back and bleacher seating, a concession area, restrooms, lights, large dugouts, a training room, full-size lockers in a carpeted locker room, a large electronic scoreboard, coaches' office, two batting cages, an irrigation system and a spacious, elevated press box with phone and ethernet connections.

The Stadium field consists of a four-way sports turf mix outfield with a Bermuda/rye mix primary and Crimson Stone Ultimate Series Infield, which is illuminated by a top-of-the-line lighting system for night games.

# KERRI BLAYLOCK

#### **HEAD COACH • 20TH SEASON**

The all-time winningest coach in Southern Illinois softball history, Kerri Blaylock enters her 20th season at the helm of the Salukis.

During her tenure, SIU has advanced to the NCAA postseason six times, which includes being the only program in conference history to make five-straight trips from 2003-07. After Southern returned to the NCAA Tournament for the first time in 10 seasons in 2017, the '18 Salukis gutted their way to the MVC Championship game for a second-straight season.

Blaylock's Salukis have posted 16 30-win seasons, including four 40-win seasons and a program-best 47 wins in 2005. The 2018 team went 12-12 in league play to post a winning record in conference play for the 23rd-straight season. SIU has compiled an impressive 659-368-1 record under Blaylock and continues to reach new heights.

One of the winningest active Division I coaches in softball today, Blaylock has guided SIU to national prominence throughout her distinguished career. The 2003 team earned SIU's first-ever NFCA/USATodayTop-25 ranking, and the following season Southern opened and finished the 2004 season ranked in the NFCA Top-25 Coaches poll. All told, SIU has won five conference titles and made seven NCAA Tournament appearances with Blaylock on the staff.

As a head coach, Blaylock has led SIU to four MVC titles with six NCAA Tournament appearances while producing 92 All-Conference selections. She holds a .668 winning percentage in MVC games (304-151) and has been a member of five MVC Coaching Staffs of the Year. She is the fastest coach in MVC history to reach 500 wins overall and 250 MVC wins. On Feb. 23, 2018, Blaylock became the program's all-time winningest coach with a 5-4, 10-inning win over UConn.

SIU has led the Valley in team earned run average 11 times since 1993 and have finished in the top-3 in the league in the category in 13 of head coach Kerri Blaylock's 19 seasons at the helm.

Southern led the league in strikeouts for five consecutive years from 1998 to 2002, setting an MVC record with 500 strikeouts in 2000. The Salukis have also produced four Missouri Valley Conference Pitchers of the Year in Erin Stremsterfer (2001), Amy Harre (2005), Cassidy Scoggins (2006) and Danielle Glosson (2010) during that stretch and Blaylock has been on the coaching staff at SIU for 28 no-hitters.

In addition to Southern's on-field success, Blaylock's teams have consistently ranked among the nation's best in the classroom as well. SIU has ranked among the top 20 nationally in team GPA every season since 2001 with seven top-five finishes. The Salukis ranked second nationally for team GPA in both 2007 and 2011. SIU players have earned 84 MVC Scholar-Athlete awards and 12 Academic All-America honors under Blaylock. The Salukis have also tallied 26 Ácademic All-Americans. second to only Nebraska for the most of any DI softball program. The NCAA began giving out Public Recognition Awards in 2003 for programs in the top-10 percent in their sport in APR over each four-year rolling period. SIU was the first MVC softball program to earn the distinction, and Blaylock's programs have earned the honor a league-best seven times.

#### YEAR-BY-YEAR AT SIU

Blaylock took the reins of the program in 2000 after the retirement of Kay Brechtelsbauer, who coached SIU for 32 years. Blaylock served nine seasons as an assistant under Brechtelsbauer, including five as the team's pitching coach.

Saluki softball didn't falter during the transition from Brechtelsbauer to Blaylock. As a first-year head coach in 2000, Blaylock led SIU to a 41-22 record, the first 40-win season since the Salukis went 41-16 in 1997. SIU has finished in the top half the MVC in each of the 16 seasons since.

SIU finished in the top three in the MVC each year from 2001-03 with Blaylock's staff earning MVC Coaching Staff of the Year in both 2002 and 2003. Individually, SIU had the MVC's Rookie of the Year in both 2002

(Amy Harre) and 2003 (Katie Louis). The 2003 Salukis went 39-14 and earned the program's first NCAA Tournament bid since 1991. SIU advanced to the Regional final in the 2003 NCAA Tournament for the program's first-ever Sweet 16 appearance.

Blaylock broke through with her first MVC championship as a head coach in 2004, setting a then-program record for wins with a 45-17 overall record with an 18-6 mark in the Valley. The Salukis followed up by setting a new MVC record for wins in 2005 that still stands today. SIU went 47-14 and set a program record for conference wins with a 24-3 mark in the Valley to win its second-consecutive MVC title. The 2004 and 2005 teams both advanced to the NCAA Tournament and Blaylock's staff also made it four-straight seasons by being named the MVC's Staff of the Year in 2004 and 2005.

SIU earned at-large bids to the NCAA Tournament in both 2006 and 2007, becoming the only program in MVC history to reach five-consecutive NCAA Tournaments. The 2007 squad spent a school-record 13-consecutive weeks ranked in the top 25 nationally, including a program-best No. 18 ranking.

SIU finished third in the MVC in 2008 with Lauren Haas earning the program's first Valley Player of the Year honor since 1997. In 2009, SIU had its best start in school history at 13-1 and went on to finish second in the MVC. The Salukis made it back into the national rankings again in 2009, tying a program-best by elevating as high as No. 18.

The 2010 season saw SIU climb back atop the MVC standings for the third Valley title of the Blaylock era, and the program was rewarded with its fifth MVC Coaching Staff of the Year honor under Blaylock. The Salukis followed up with a pair of 36-win seasons in 2011 and 2012 as Mallory Duran-Sellers became the second MVC Player of the Year under Blaylock in 2012.

The program won 74 games between 2013-15, including a thirdplace finish in the MVC in the 2014 campaign. Blaylock's 2016 team again led the MVC in ERA and won 33 games, including 15 in league play. The 2016 team swept Illinois State for the first time since 2005 and won the series over Northern lowa for the first time since 2010. In 2017, Blaylock led the Salukis to the Missouri Valley Conference Tournament Championship and the seventh NCAA Tournament appearance in school history. Southern posted a 33-24 record with wins over Missouri State, Illinois State and UNI on the way to the conference tournament title. The Salukis faced off against Ole Miss and North Carolina in the Oxford Regional of the NCAA Tournament. Blaylock also recorded her 600th career victory that season in a 4-2 victory over Michigan State.

In 2018, the Herrin, III. native led the Salukis to their third-straight 30-win season, and the 16th 30-win season in her 19 seasons as SIU's skipper. Southern also advanced to the MVC Championship game for the second-straight season and the Salukis led the Missouri Valley Conference in runs, home runs and runs batted in. It marked the first time since 2005 that Southern led the league in round-trippers.

Blaylock had a stellar playing career in addition to her coaching successes. She was considered one of the top three pitchers in the state as a prep at nearby Herrin High School, according to the Chicago Tribune, compiling a record of 65-7 from 1980-84. She set marks for wins and strikeouts for Herrin High and became the first female athlete ever selected to the Herrin High School Hall of Fame in 1992.

Following her successful prep career, Blaylock attended the University of Evansville, where she developed into one of the Aces' all-time leading hurlers. During her career, she put together a record of 77-48 with a 1.54 ERA and struck out 365 hitters in 857.2 innings of work. Blaylock still holds virtually all of Evansville's pitching records.

Blaylock excelled as a student-athlete both on and off the field at UE. As a junior, she was named a GTE Academic All-American, and in 1988, she was named the Midwestern Collegiate Conference Player of the Year. Evansville recognized Blaylock's success on the diamond by inducting her into the school's Hall of Fame in 1995.

After graduating from Evansville in 1988 with a bachelor's degree in accounting, Blaylock attended Southeast Missouri State University where she began her coaching career as a graduate assistant. She later received a master's degree in 1991 in business administration.

The overall picture for the Southern Illinois University softball team is a bright one, with the return of eight starters, including four who earned all-conference honors a year ago.

The Salukis are coming off a third-straight 30-win season and a second-straight MVC title game appearance. SIU returns a total of 13 letter winners from a squad that went 31-22 in 2018 and added five newcomers in the offseason that will provide depth and lively bats to an already potent lineup.

#### Infield

The infield, which was one of the best in the MVC a year ago, returns a strong nucleus of four positional players who started all 53 games last season. The quartet of returners is led by Preseason All-MVC selections, Maddy Vermejan and Katelyn Massa. Vermejan, who was also the MVC's Defensive Player of the Year, committed just three errors at second base and led the league in on-base percentage (.474)- which was also the highest for a second baseman in program history. Massa, meanwhile, started 50 games behind the dish for the Salukis and led the Valley in RBIs (48) and tied for second in the league in home runs (11). The junior from Wildwood, Mo. is just the second Saluki catcher in the last 20 years to repeat on the All-MVC First Team.

Kyleigh Decker and Jenny Jansen are also back. Decker started all 53 games at first base and showed considerable pop after she finished third on the team with seven home runs. Jansen, a 2018 All-MVC second team selection, made 39 starts in the outfield and 14 at shortstop as a freshman and hit .329 with eight home runs and 29 RBI. The Warrenton, Mo. native will likely move to the hot corner with the arrival of newcomer Ashley Wood. Wood played her prep ball at Carl Sandburg High School in Orland Park, III. where she earned All-State honors after a senior campaign in which she hit .439 with 34 RBI and started all eight fall games at shortstop.

The Salukis will also have considerable options off the bench this season. Sophomore Meredith Werning pinch-ran in 38 games in 2018 and scored 12 runs. Bailee Pulley, a junior from Johnston City, Ill., appeared in 15 games as a pinch-runner while sophomore Shelby Hodo made 15 starts behind the plate during her freshman campaign. Senior Jordan Spicer

appeared in 11 games at first base and designated hitter a year ago while Sidney Sikes, who hit .422 with 14 doubles and 31 RBI as a senior at Grandall High School in Kaufman, Texas, is versatile and played both catcher and third base in the fall.

"What I'm excited about is our depth in the infield," head coach Kerri Blaylock said. "We have three catchers that can catch-Katelyn Massa, Shelby Hodo and Sidney Sikes. Jenny Jansen has moved over to third base as well as centerfield and Sikes can also play third. Our shortstop, Ashley Wood, is as good of a shortstop as I think we have had. She has the arm strength and the range to do a lot of things. Obviously, we also have Vermejan and Decker back on the right side. I feel like we have a lot of options. Then we have Pulley and Werning that are also in the mix. This is a veteran group that has been around the program for a long time."

#### On the Mound

The Salukis also return their ace, three-time All-MVC first team selection and 2019 Preseason All-MVC honoree Brianna Jones. Jones is coming off a season in which she went 26-8 with a 2.08 earned run average and 211 strikeouts. The Manchester, Tenn. native will enter the 2019 season in striking distance of virtually every career pitching record and cement her name as one of the all-time great pitchers in school history. She's 18 wins shy of Amy Harre's school-record of 84 and a strikeout shy of becoming just the sixth pitcher in program history with 500-plus strikeouts.

Jones joined an exclusive club following her junior season, as she became the fifth Saluki pitcher in program history to earn three-straight All-MVC First Team selections. Jones joined Jamie Schuttek (1994-97), Carisa Winters (1998-2000), Amy Harre (2002-05) and Cassidy Scoggins (2005-07) as the only Salukis to have done so, and of those four, only Winters has yet to be inducted into the SIU Athletics Hall of Fame.

Jones, who has been the staff workhorse in each of her three seasons in the Maroon and White, will be joined in the circle by a pair of transfers in Claire Miller and Holly Marousek.

"As a pitching staff, this could be one of the best that I've had here in a long time," Blaylock said. "It is probably one of the

most complete staffs of my tenure because both of the kids throwing alongside Bri should've already been pitching at the Division I level. Claire was kind of overlooked coming out of high school but is now where she belongs and Holly went the junior college route but both are DI pitchers."

Miller is looking to have a breakout junior season after transferring from NCAA DII Southwest Baptist. A two-time all-conference pitcher for the Bearcats, Miller earned All-Mid American Intercollegiate Athletics Association (MIAA) first team honors in 2018 after she led the conference in both strikeouts and shutouts and also finished top-five in the league in innings pitched (2nd, 195.0), earned run average (3rd, 1.97), fewest hits per nine innings (3rd, 4.85) and opposing batting average (4th, .190).

Marousek comes to SIU as a sophomore after she spent a season at nearby Lake Land College. While at Lake Land, Marousek went an impressive 22-5 with a 2.67 ERA in 34 appearances. With Marousek as their ace, the Lakers went 48-18 and made their seventh trip in eight years to the NJCAA National Tournament.

"All three of our pitchers are extremely unselfish," Blaylock said. "Bri is one of the most unselfish big-time players that you'll ever meet. They are all extremely happy for each other, they all work very well together and that is what makes it work."

#### **Outfield**

Six players will fight for playing time in the outfield as Susie Baranski, Maris Boelens, Eyrika Brandenburg, Megan Brown and Jenny Jansen return for the Salukis, joined by junior transfer Nicole Johnson.

Baranski started all but one game in the outfield for Southern a year ago and led the team with three outfield assists. The junior from Chicago Heights, Ill., tallied 11 multi-hit games last season, including four hits in the win over Stony Brook on Feb. 24, 2018. Boelens played in all 53 games as a freshman and finished second to Baranski with two outfield assists. Brandenburg did not play last season but started 54 games in 2017 and hit. 313. As a freshman, she tied for the team lead in hits (51).

Brown hit .302 with runners in scoring position a year ago with two home runs and four doubles and is expected to earn considerable playing time in the outfield after splitting time on the mound, in the outfield and as Southern's designated hitter during her freshman season.

A junior transfer from nearby Rend Lake College, Johnson hit .487 as a sophomore and led the team in hits (74), batting average (.487), slugging percentage (.572) and on-base percentage (.530).

"We are six-deep in the outfield, meaning I could play any of the six of them and I feel totally comfortable with all of them," Blaylock said. "Brandenburg is back and Johnson is a new addition. Megan Brown has always been a great hitter but she has improved her skills tremendously in the outfield. Boelens and Baranski were out there last season and have done it for a long time. And then we have Jansen who can come from the infield and play the outfield. We have a lot of combinations that we can use. It's going to be my job to match them based on either the pitcher we are facing or who is on a roll at that moment."

#### **Schedule**

The Salukis will play a 53-game schedule featuring nine opponents that played postseason softball a season ago, including seven who advanced to the NCAA Tournament.

Southern will host 24 games at Charlotte West Stadium while playing on the road 15 times and competing in 14 neutral site contests. Southern will take part in five tournaments, three away from home and two in Carbondale.

SIU will face a challenging schedule that consists of 10 opponents that finished the previous season in the top-100 in the RPI, of which five ranked in the top-50 led by No. 15 Kentucky. Southern's five opponents that finished the previous season ranked in the top-50 of the RPI are its most in a single-season since 2013.

When you make schedules you just get into tournaments and you don't know who is going to be there. So it turned out to be a top-flight schedule. I'm glad that it turned out the way it did because if you bump a couple of those teams off, it sets the tone for our team. Im not into moral victories but if you play well, you get to see where you're at. In 2017 when we won the MVC Championship, we lost to Mississippi State twice early but on our mistakes. So we knew how close we were and how good we could be. I'm looking for us to just compete and see where we are at. We like to take each tournament as its own separate pod and see where we are."

#### Missouri Valley Conference Outlook

Drake won the regular season and conference tournament title behind All-American pitcher Nicole Newman. The Bulldogs went 45-12 and 24-1 in conference play to advance to the NCAA Tournament, where they won the program's first-ever tournament games.

Southern was one of three teams, along with Drake and Missouri State, to win 30-plus games and post a winning record in conference play. Drake, SIU and Missouri State were picked 1-2-3 in the annual conference preseason poll. Blaylock expects the 2019 conference race to be a battle with multiple teams in the hunt for a championship until the bitter end.

"I think Drake was rightly picked number one (in the preseason poll) because of Nicole Newman and who they have coming back," Blaylock said. "But I also think our goal every year is to win it - we're not gonna back down or shy away. When we faced (Newman) in the conference championship last season we had great at-bats, scored a run and hit the ball hard several times. I think Jen (Sewell) is doing a great job to prepare us for that. But there are eight other teams that we have to be ready for and I respect those other eight teams immensely. We can't be consumed with Drake only- our conference is good, top-to-bottom and we have to be ready to go every game."

The Missouri Valley Conference, the nation's second-oldest NCAA Division I conference, continues to be a leader in college athletics and is one of the nation's most progressive conferences, celebrating its 112th season in 2018-

Last season marked the beginning of the latest chapter for the Conference, as Valparaiso University became the league's 34th all-time member on July 1, 2017. Missouri State highlighted the 2017-18 campaign, as for just the fifth time since joining the Conference in 1990, MSU won the league's coveted All-Sports Championship Trophy. Missouri State earned a league-best five regular-season titles, and it also won post-season MVC tournament titles in women's soccer, women's tennis, volleyball and baseball. Southern Illinois was second, followed by Illinois State, Indiana State and UNI.

Notably, the MVC was well represented on CoSIDA (College Sports Information Directors) Academic All-America® teams throughout 2017-18, ranking fifthbest among all leagues with nearly 30 Academic All-Americans. Notably, two MVC student-athletes earned CoSIDA Academic All-America® of the Year in their respective sports (Lily Johnson of Missouri State in women's volleyball and Devlin Granberg of Dallas Baptist in baseball). That marks the third time in league history the MVC had multiple Academic All-America® of the Year selections during an academic calendar.

The Valley brand remains very strong, both regionally and nationally, and the great athletic tradition of The Valley remains a compelling force in recruiting student-athletes and in marketing all the MVC programs. League members

have worked together to ocus on common goals and bjectives, placing a high value on league harmony, while continuing to invest in athletic programs to compete at the highest level.

Men's basketball continues to be the engine that drives Valley athletic programs. In 2018, Loyola Chicago represented the Conference in the NCAA Tournament, reaching the Final Four in San Antonio. The Conference has combined for 17 wins in the NCAA Tournament in the past six seasons, earning multiple bids four times since 2012. Recent success in resurrecting the challenge series with the Mountain West Conference, and the increased opportunities for MVC teams to participate in ESPN's early-season multiteam events and in other elite tournaments, have added strong opponents and more national television exposure the non-conference scheduling mix.

The State Farm MVC Men's Basketball Championship - affectionately known as Arch Madness - continues to

be a spectacular showcase for the league, and the MVC has extended the tournament agreement with Enterprise Center (formerly known as Scottrade Center) that will keep Arch Madness in St. Louis through at least 2020. During the 2011 MVC Championship, the league surpassed 1 million in total attendance for the event, now in its 29th year in the Gateway City. The tournament, in 2016, celebrated its 40th anniversary overall.

The league made great strides in men's basketball, earning a No. 8 ranking as a league in the RPI, which was four spots better than 2016-17. Last year, the Valley joined the Big 12, the Big East and the SEC as the only leagues with all its teams rated 185 or better in the RPI. Loyola Chicago represented the MVC in the NCAA Tournament and was the national story of the tournament, becoming the second league team in six years to reach the Final Four. The Ramblers won 32 games (tied for third-best all-time in the MVC) and ended the year ranked No. 7 in the USA Today Coaches top-25 poll. Loyola Chicago defeated Miami (Fla.), Tennessee, Nevada and Kansas State to reach San Antonio. The win over Miami in the first round gave the MVC a perfect 9-0 record in first-round NCAA Tournament games since 2012.

While the success of men's basketball has received the greatest attention, the overall performance of league teams in virtually every sport continues to raise the national profile of the Conference.

In softball, Drake dominated. The Bulldogs finished the MVC regular-season race with a 24-1 record (a full seven games ahead of second-place Missouri State). After earning the league's tournament title, the Bulldogs won their first-ever NCAA Tournament games with two victories over BYU and set the program record for most overall wins with 45 and MVC wins with 24. Drake had a 24-game winning streak that started the final weekend before conference play and didn't end until the second-to-last league series.

Meanwhile, the success of The Valley television package is one of the great stories in the league. The MVC Television Network has blossomed into a revenue-generating vehicle and The Valley's most visible marketing tool. Also, The Valley continues to be proactive in upgrading the production and marketing of both institutionally-produced and Conference-produced events.

The summer of 2015 yielded two major announcements on the TV front, as ESPN and the Missouri Valley Conference announced a 10-year extension to their current media rights agreement that will provide increased coverage of Conference events across ESPN platforms through 2023-24. As part of the deal - which continues a business relationship that began in 1986 - ESPN, the Missouri Valley Conference and its 10 institutions will work jointly to develop in-house production capabilities at each campus that will provide significant national coverage for multiple sports on ESPN3 or ESPN+ and hands-on educational opportunities for students. As a result, ESPN3 or ESPN+ will showcase a minimum of 820 events a year (a minimum of 70 men's basketball) in the final six years of the agreement on the league's co-branded digital network (The Valley on ESPN3 or ESPN+).

Additionally, CBS Sports and the MVC are in a multi-year agreement to televise Valley basketball games on the CBS Television Network and CBS Sports Network. The deal, which began in 2015-16 and continues through 2023-24, is through a sublicense agreement with ESPN. CBS Sports has televised the men's basketball tournament final since 2006.

In 2010, The Valley took a major step toward ensuring current revenues in television media and tournament sponsorship sales would be guaranteed in future years when it announced a 10-year partnership with Learfield Sports. The Jefferson City, Missouri-based company has the exclusive sales and marketing rights to MVC assets that include championships and television advertising. In June 2016, the MVC and Learfield Sports extended that partnership through 2023-24, concurrent with the league's contract with ESPN.

#### **NO HITTERS**

There have been 30 no-hitters in Saluki Softball history. Twenty-eight of those have come with Kerri Blaylock on the staff and 22 have come since she became head coach in 2000. Of note: SIU has three perfect games but has never had a seven-inning perfect game. Erin Stremsterfer is the only player in program history to throw a no-hitter and lose the game (2/20/00), and that happened in Blaylock's fourth-ever game as SIU's head coach. Stremsterfer is also the only pitcher who threw a no-hitter in an extra-inning game (2/24/01).
