Head Coach

Amy LePeilbet

Amy LePeilbet, a longtime fixture in professional and international soccer, enters her second season as the Head Coach for the SLCC Bruins.

LePeilbet was instrumental to the success of the Bruins in Fall 2022. She was involved in all aspects of coaching, including implementing the new style of play for the program, and leading individual player development and video analysis. Her tactical knowledge was pivotal in preparing for post-season play including a must-win game against rival Snow College in the Region 18 Tournament. LePeilbet coached three players to NJCAA All-American accolades, including two defenders, Emma Fry and Ella Pierce.

Prior to joining SLCC, LePeilbet was most recently the Interim Head Coach for the Utah Royals in the NWSL in 2020 after serving as an Assistant Coach and Director of Professional Development from 2018-2020. In 2019, she was also the Head Coach for the Utah Royals Reserves where she led the team to the WPSL National Final and earned recognition as the Mountain Conference Coach of the Year. In addition to coaching in the NWSL, LePeilbet has also coached within the U.S. Youth National Team circuit for the U23s, U20s, and U18s.

LePeilbet's playing experiences are extensive and well-noted. Most notably, LePeilbet was a standout player for the U.S. Women's National Team, earning 84 caps from 2004 through 2013. As a stalwart outside back, LePeilbet helped lead the USWNT to gold at the 2012 London Olympics and silver at the 2011 Women's World Cup in Germany. Throughout her international career, LePeilbet featured in several of the women's domestic professional leagues. LePeilbet was selected as the #4 draft pick by the Boston Breakers for the inaugural season of the WPS in 2009, where should play until 2011. During her time with the Breakers, LePeilbet was twice named WPS Defender of the Year in 2009 & 2011.

LePeilbet then joined the Chicago Red Stars in 2013 for the inaugural season of the NWSL but spent the season recovering from an ACL injury. LePeilbet finished her professional career with FC Kansas City from 2014-2015, winning the NWSL Championship back-to-back. In 2015, LePeilbet played every minute of the regular season for Kansas City and was earned another Best XI appearance.

SLCC President Greg Peterson PhD

Dr. Greg Peterson is the ninth president of Salt Lake Community College (SLCC). He was selected to lead Utah’s largest two-year higher education institution in April 2024. Throughout Dr. Peterson’s tenure in higher education, he has demonstrated his commitment to the community college mission — aspiring to provide all students with access to and success in higher education and in life.

A first-generation community college student himself, Dr. Peterson has launched many initiatives focused on student learning and success. He led college promise programs at several two-year institutions and pioneered the nation’s first Artificial Intelligence and Machine Learning associate’s degree. Dr. Peterson also has a strong track record of establishing partnerships with community and industry leaders to strengthen workforce pipelines, enabling students to translate

their education into family-sustaining careers. Additionally, Dr. Peterson has led efforts in improving transfer rates among community college students. In 2024, the U.S. Department of Education recognized his work in this area. Most notably, at one institution Dr. Peterson oversaw a 45% increase in transfers for Native American students, a 39% increase for Black students, and a 13% increase for Latinx students.

Before taking the helm at SLCC, Dr. Peterson was the President of Chandler-Gilbert Community College in Arizona. He holds a doctorate in educational administration with an emphasis in community college leadership from the University of Texas at Austin; a master’s degree in postsecondary, adult, and continuing education from Portland State University; and a bachelor’s degree in English from Brigham Young University.

Vice President of Student Affairs Brett Perozzi Ph.D.

Brett Perozzi is Vice President for Student Affairs at Salt Lake Community College in Utah, USA. He formerly served for five years as Vice President for Student Affairs and ten years as Associate Vice President at Weber State University (WSU). He previously served as Executive Director of Student Engagement at Arizona State University, and has worked at Indiana, Texas Tech, and Colorado State Universities.

Dr. Perozzi holds a Ph.D. from Indiana University and a Master’s degree from the University of Arizona, both in Higher Education Administration; with a bachelor’s degree in Education from the State University of New York. He has served as a faculty member in the higher education graduate programs at Indiana, Colorado State, Arizona State, and LUMSA University of Rome, and is the cofounder of the Higher Education Leadership program at WSU. Brett has authored dozens of publications in journals, textbooks, monographs, and book chapters. He has published three books, two on the topic of international student affairs and services, and one on student employment during college.

Dr. Perozzi is an active leader with NASPA – Student Affairs Administrators in Higher Education, helping coordinate and shape their global agenda, by establishing a Global Advisory Board, culturally relevant educational programming abroad, and advancing intercultural understanding among those doing student affairs work globally. He has been invited to speak and present on higher education topics worldwide, and seeks to give back to the field through his speaking, writing, and research. Brett is a founding member of the International Association of Student Affairs and Services.

Brett is active in the community through volunteer leadership and board service for organizations such as the cities of Fort Collins, CO and Ogden, UT, United Blood Services, the United Way, and others. Brett and his partner, Teri, enjoy the outdoors and take advantage of their mountain location in all seasons of the year with their Siberian Husky, Akira. They love to travel and explore the world. As a former musician Brett has been involved with many arts events over the years, and seeks out musical endeavors whenever possible.
