Head Coach Shay Goulding-Meurer

Shay Goulding Meurer is leading the Bruins again for the second time in her esteemed career. She returned to SLCC in May of 2020 after previously leading the Bruins as head coach from 2003-2007.

During her tenure as SLCC's head coach, she was a four-time NJCAA District I Coach-of-the-Year and two-time AVCA West Region Coach-of-the-Year. Under her leadership, SLCC went to four NJCAA tournaments and graduated five NJCAA All-American players. In 2007, with a 44-2 record, her team was the NJCAA runner-up.

Goulding Meurer left the Bruins in 2008 to take the head coaching position at BYU, where she graduated three AVCA All-Americans and had a Top-20 recruiting class in 2011.

In 2012, Goulding Meurer founded 'UP Only High Performance Coaching' for volleyball coaches, and over the last eight years has presented over 100 leadership workshops, coaching clinics, volleyball team camps and mindset boot-camps for coaches and student athletes at the club, high school and college level. The program also serves businesses and organizations coast-to-coast. She is also author of the book, 'From Skill Set to Mindset'.

Goulding Meurer played collegiate volleyball for Coastal Carolina University in South Carolina as a middle blocker and outside hitter. She was named team captain and the Chanticleer's 'Most Valuable Player'.

She earned a graduate degree in Exercise Science with an emphasis in Motor Learning and Sport Psychology from Utah State University in 2001. She also holds an undergraduate degree in History from BYU in 1998.

Goulding Meurer is from Visalia, California. She served as a volunteer missionary for The Church of Jesus Christ of Latter-Day Saints in Santiago, Chile. She loves skiing and biking, and has completed an 'Ironman' triathlon.

She is married to her best friend, John Meurer, and they have one son, Evan (7).

SLCC President Greg Peterson PhD

Dr. Greg Peterson is the ninth president of Salt Lake Community College (SLCC). He was selected to lead Utah's largest two-year higher education institution in April 2024. Throughout Dr. Peterson's tenure in higher education, he has demonstrated his commitment to the community college mission — aspiring to provide all students with access to and success in higher education and in life.

A first-generation community college student himself, Dr. Peterson has launched many initiatives focused on student learning and success. He led college promise programs at several two-year institutions and pioneered the nation's first Artificial Intelligence and Machine Learning associate's degree. Dr. Peterson also has a strong track record of establishing partnerships with community and industry leaders to strengthen workforce pipelines, enabling students to translate

their education into family-sustaining careers. Additionally, Dr. Peterson has led efforts in improving transfer rates among community college students. In 2024, the U.S. Department of Education recognized his work in this area. Most notably, at one institution Dr. Peterson oversaw a 45% increase in transfers for Native American students, a 39% increase for Black students, and a 13% increase for Latinx students.

Before taking the helm at SLCC, Dr. Peterson was the President of Chandler-Gilbert Community College in Arizona. He holds a doctorate in educational administration with an emphasis in community college leadership from the University of Texas at Austin; a master's degree in postsecondary, adult, and continuing education from Portland State University; and a bachelor's degree in English from Brigham Young University.

Vice President of Student Affairs Brett Perozzi Ph.D.

Brett Perozzi is Vice President for Student Affairs at Salt Lake Community College in Utah, USA. He formerly served for five years as Vice President for Student Affairs and ten years as Associate Vice President at Weber State University (WSU). He previously served as Executive Director of Student Engagement at Arizona State University, and has worked at Indiana, Texas Tech, and Colorado State Universities.

Dr. Perozzi holds a Ph.D. from Indiana University and a Master's degree from the University of Arizona, both in Higher Education Administration; with a bachelor's degree in Education from the State University of New York. He has served as a faculty member in the higher education graduate programs at Indiana, Colorado State, Arizona State, and LUMSA University of Rome, and is the cofounder of the Higher Education Leadership program at WSU. Brett has authored dozens of publications in journals, textbooks, monographs, and book chapters. He has published three books, two on the topic of international student affairs and services, and one on student employment during college.

Dr. Perozzi is an active leader with NASPA – Student Affairs Administrators in Higher Education, helping coordinate and shape their global agenda, by establishing a Global Advisory Board, culturally relevant educational programming abroad, and advancing intercultural understanding among those doing student affairs work globally. He has been invited to speak and present on higher education topics worldwide, and seeks to give back to the field through his speaking, writing, and research. Brett is a founding member of the International Association of Student Affairs and Services.

Brett is active in the community through volunteer leadership and board service for organizations such as the cities of Fort Collins, CO and Ogden, UT, United Blood Services, the United Way, and others. Brett and his partner, Teri, enjoy the outdoors and take advantage of their mountain location in all seasons of the year with their Siberian Husky, Akira. They love to travel and explore the world.
