### SLU Soccer Camp

The SLU camps are focused on helping local players develop. The camps are built on the elements of fun, technique, tactics and a low player-to-coach ratio. Technique and skill development will be appropriate to age and skill level of the player. Players will have their feet on the ball for many repetitions and have plenty of opportunities to achieve success. Tactical learning of the game will be emphasized by using small sided games and other match situations. Our goal is to see and play the game better while having fun using small-sided games!

### Camp Staff

The SLU camps feature first year head coach Katie Shields as well as her staff. Current SLU Soccer players will be working as camp coaches throughout the week and campers will be able to interact and get individual time with Division I female college athletes.
