HEAD COACH KIRK NELSON

On Monday Dec. 6, 2021, Kirk Nelson was named the women's soccer head coach for the Bears, effective Jan. 1, 2022.

Kirk is in his fourth season as head coach of Missouri State women's soccer, carrying an overall record of 39-17-11.

Nelson led the team to the program's first-ever regular season championship in 2024 with a 1-0 win at Illinois State (10/24). The team then went on to win the MVC Tournament 4-0 over Drake (11/10) for the program's second tournament title and trip to the NCAA Tournament in three years. Nelson, along with the rest of the coaching staff, was named Coaching Staff of the Year. The Bears finished the year with a record of 13-5-3 and a 9-0-1 record in conference play. The Bears exit the MVC with two straight seasons having not lost a Valley game. MoState swept the end of the year awards with Player of the Year (Julia Kristensen), Defensive Player of the Year (Jenna Anderson), Goalkeeper of the Year (Camielle Day) and Freshman of the Year (Jane Hansen).

In only his second year at the helm, Nelson recorded another 12-win season with a final record of 12-2-5. In Missouri Valley Conference play, the Bears were undefeated with a 7-0-3 mark and a four-game winning streak to end the regular season. Nelson's Bears finished second in the MVC and set new records in shutouts (13), consecutive shutouts (8) and road wins (6). Missouri State led the MVC in goals allowed (8), goals against average (.42) and shutouts. Senior goalkeeper Camielle Day broke the record for most solo shutouts in the season (10) and goals against average (.45).

That same season, the Bears were named statistical champions by the NCAA in goals against average (.452) and shutout percentage (.684). Day was named the statistical champion in goals against average.

In the 2023 season, Missouri State players earned back-to-back MVC Defensive Player of the Year (Carly Raunig) and MVC Goalkeeper of the Year (Day) honors. Nine Bears were selected to all-conference teams with four being first team. Nelson also had two Bears selected to the United Soccer Coaches All-Midwest Region Team (Raunig, Grace O'Keefe). The Bears also brought home a spread of academic awards in 2023 as well. For the second year in a row, Nelson had a player named MVC Scholar-Athlete of the Year (O'Keefe). Six more Bears were honored with MVC Scholar-Athlete selections for the most from any school in the Valley.

During his first year as Missouri State head coach, Nelson led the Bears to a victory in the Missouri Valley Conference Tournament Championship, earning MSU a spot in the NCAA Tournament for the first time since 2017. Nelson guided the Bears to a 12-7-2 overall record, including a 7-2-1 mark in The Valley, and a second-place finish in the MVC regular season. That year, Missouri State tied its all-time record for shutouts in a season (11), and freshman Hailey Chambliss broke the Bears' all-time record for individual game-winning goals in a season, racking up five total.

In 2022 under Nelson, Missouri State players earned: MVC Player of the Year (Grace O'Keefe), MVC Defensive Player of the Year (Carly Raunig) and MVC Freshman of the Year (Chambliss) honors. The Missouri Valley Conference selected eight Bears to all-conference teams and four MSU players to its all-tournament team. Nelson also guided three MSU players to United Soccer Coaches All-Midwest Region Team selections (O'Keefe, Chambliss and Raunig), and one of Nelson's players was honored with the Elite 17 Award (O'Keefe). Academically, two MSU players were selected to the MVC Scholar-Athlete First Team in 2022 (O'Keefe and Camielle Day), with one of them being named MVC Co-Scholar Athlete of the Year (O'Keefe). In addition, all 30 Bears made the MSU Athletic Director's Honor Roll for the fall 2022 semester and six MoState players were selected to the College Sports Communicators Academic All-District team.
