UNDER NEW LEADERSHIP

For the first time since 1991, SMU has a new head coach on the sidelines. Travis Mays was announced as the fourth head coach in program history on April 7, 2016, after the retirement of Rhonda Rompola, who spent 25 seasons as the head coach of the Mustangs. Mays worked for three Hall of Fame coaches during 12 seasons as a collegiate assistant, helping guide teams to eight NCAA Tournament appearances with a trip to the Final Four with LSU in 2008. A 1990 second-round NBA draft pick out of Texas, Mays' staff includes fellow Longhorns Edwina Brown and Amie Smith Bradley, and associate head coach Mike Brandt, who spent 14 seasons as the head coach at USC Aiken.

ALL-CONFERENCE HONORS

McKenzie Adams was named American Athletic Conference Newcomer of the Year after leading the Mustangs in scoring with 13.4 points per game during the 2015-16 season. She scored a season-high 24 points against Kansas, and reached double figures in 25 of 31 games, including 17 conference games. Alicia Froling was named to the All-American Athletic Conference Third Team, finishing the year as one of three conference players to average a double-double with 12.3 points and 10.6 rebounds per game. She set a school record with 22 rebounds at Cincinnati, and also scored a career-high 33 points against the Bearcats. Froling was also named to the All-American Athletic Conference Preseason Team.

Fellow Australian and sophomore Stephanie Collins posted 73 blocks in her first full season. Froling is fifth in school history in blocks with 108 after recording a career-high five blocks against North Texas, while Collins sits at 99 after getting her first block of the season against the Mean Green. The duo would become the first pair of teammates of the same class to each record 100 blocks in program history. TRAVIS MAYS

**HEAD COACH
TEXAS, '90
1ST SEASON**

Travis Mays was named the Head Women's Basketball Coach at SMU on April 7, 2016. Mays arrived on the Hilltop after 14 years as an assistant coach, where he served under three Hall of Fame coaches, and 11 years playing professionally.

Mays came to SMU following four seasons as Associate Head Coach at Texas, where he made his mark on the program as a dynamic guard from 1986-90, and where he served a previous three-year stint as an assistant coach for the women's basketball program from 2004-07. He returned to UT in 2012 as Associate Head Coach. His duties at Texas included recruiting, preparing opponent scouting reports, instructing guards on the court and public speaking at various community service and campus events.

Following his playing days, Mays began his coaching career with a two-year stint in the WNBA with the San Antonio Silver Stars (2002-04) and then returned to his alma mater as an assistant to Hall of Fame coach Jody Conradt from 2004-07, where he proved himself as a gifted floor coach and recruiter. Mays moved on to LSU and worked on Hall of Fame coach Van Chancellor's staff from 2007-11. At both UT and LSU, Mays helped ink nationally-acclaimed recruits, and all seven of the recruiting classes Mays assisted in assembling were ranked among the nation's top 25, including five top-five efforts - No. 1 (2005), No. 3 (2008), No. 3 (2016), No. 4 (2014) and No. 5 (2015).

After his time in Baton Rouge, Mays was an assistant coach at the University of Georgia for Hall of Fame coach Andy Landers. The Lady Bulldogs finished the 2011-12 season at 22-9 and advanced to the NCAA Tournament's first round.

A 2002 inductee into UT's Men's Athletics Hall of Fame, Mays is still No. 2 among the Longhorns' career scoring leaders with 2,279 points and was the first player to earn back-to-back Southwest Conference Player of the Year honors in 1989 and 1990. As a senior, Mays was a second-team Associated Press All-American. He averaged 24.1 points per game and led Texas to the "Elite Eight" round of the NCAA Tournament. Included in that NCAA run was a 44-point outburst against Georgia in the first round that still ranks 14th-most all time in "March Madness" history. His 23 free throws made and 27 attempts at the line versus the Bulldogs remain NCAA Tournament records. In 2016, he was inducted into the Southwest Conference Hall of Fame in conjunction with the Texas Sports Hall of Fame.

Mays was drafted by Sacramento with the No. 14 overall pick in the first round of the 1990 NBA Draft, and he was a second-team All-Rookie selection after averaging 14.3 points per game. Mays then played two seasons with the Atlanta Hawks, before rupturing two tendons in his right foot. He recovered and enjoyed a successful eight-season career overseas in Greece, Israel, Turkey and Italy.

A native of Ocala, Fla., he received his bachelor's degree in psychology from Texas in 1990. Mays and his wife, Mirella, have two children -- a daughter, Cherrell, and son, Trevor.

WHAT THEY'RE SAYING ABOUT TRAVIS MAYS

GENO AURIEMMA, HALL OF FAME COACH

"Travis has done a great job helping to elevate programs everywhere he has been, and there is no doubt he will do the same thing at SMU."

VAN CHANCELLOR, HALL OF FAME COACH

"I think as a former player at Texas, Travis has name recognition and the ability to recruit that will make him a tremendous hire at SMU. Sometimes during a hire, the Athletic Director is trying to hit a home run, and I think SMU has hit a grand slam. Travis will do a great job and be very successful at SMU."

JODY CONRADT, HALL OF FAME COACH

"Travis was outstanding as a player, very good and passionate about the game. I knew him as a player, and seeing him on the staff of a WNBA team gave me the comfort to hire him at Texas. It told me he had an appreciation for women's basketball and a future in the field. He was a great hire at Texas, eager to learn, and he turned the passion he had as a player into a passion for teaching the game. He was a wonderful assistant with the ability to establish relationships and connects with players very well. He has a great opportunity at a prominent institution in an excellent location, and I'm excited to watch what he does at SMU. I know he will be successful."

SMU PONY PROMISE

The Mission of SMU Athletics is to "prepare students for life." To that end, SMU is reinforcing its long-standing commitment to student-athlete development, well-being and experience with the Pony Promise. The Pony Promise consists of several initiatives that provide for an outstanding student-athlete experience from enrollment through graduation.

1. Student-Athlete Academic Services

Recognizing that varsity athletes commit to representing the University, and thus face the unique challenge of balancing academic and athletic objectives, SMU's Student-Athlete Academic Services team is tasked with providing mentoring and core skills support; help them respond effectively to specific academic challenges; better articulate their educational goals; and succeed in their undergraduate pursuits.

Student-athletes work through either the Altshuler Learning Enhancement Center (A-LEC) or the Center For The Academic Development of Student-Athletes (ADSA) for support.

The mission of the A-LEC is to help student-athletes respond effectively to specific academic challenges, articulate and achieve educational goals, and successfully complete the undergraduate curriculum. Specialists help student-athletes build success from the beginning, through both developmental and accelerated programs designed to maximize learning potential, personal adjustment, and academic performance.

ADSA staff provides services such as academic counseling, mentoring, tutoring and reading/writing assistance. ADSA has six Academic Counselors, three Reading/Writing Specialists, an Administrative Assistant and two interns. Additionally, ADSA works in collaboration with the A-LEC to provide disability services and other various programs.

2. Full Cost of Attendance

SMU provides scholarships up to the full cost-of-attendance for all student-athletes. Each school's financial-aid office, not its athletics department, uses a federal formula to set the cost-of-attendance figure for the school year. Using those guidelines, SMU's Financial Aid Office has set the figure at \$2,676 annually for full-scholarship student-athletes. That figure represents the gap between last year's full scholarship amount and full cost of attendance at SMU. Students may qualify for additional support based upon individual needs. For example, students with significant demonstrated need are eligible for a Pell grant in the amount of \$5,775 per academic year.

These figures do not include or take into account other distributions that SMU student-athletes may receive, such as off-campus stipends, which are provided to upperclassmen who, as the term would indicate, live off-campus after two years of on-campus residency. Those stipends are currently valued at \$15,650 per academic year (fall and spring semesters).

3. Student-Athlete Development & Welfare

Strength & Conditioning

Vic & Gladie Jo Salvino Strength & Conditioning Centers are located in the Paul B. Loyd, Jr. All-Sports Center and the Crum Basketball Center. Both of the state-of-the-art training facilities include functional drill space and Olympic platforms and weights. The Salvino Strength & Conditioning Centers also include aerobic equipment, weight stations and free weights.

Equipment & Apparel

SMU is a proud partner of Nike, who provides SMU gear and apparel. The SMU equipment staff handles all of the ordering and inventory of athletic gear for the SMU Athletic Department and its teams, custom fitting all Mustang student-athletes with all needed equipment.

Sports Medicine

The SMU Sports Medicine Program is housed in the Lindsay & Bobbie Embrey Sports Medicine Complex inside the Loyd All-Sports Center, and offers the outstanding services of leading sports medicine and health care professionals. The SMU Sports Medicine staff works with physicians to design rehabilitation programs for injured student-athletes to minimize the loss of fitness during recuperative time.

Mental Health & Sports Psychology

While intercollegiate athletics has a large focus on the physical demands for the student-athlete, SMU Athletics also understands the importance of providing resources to address the emotional and mental demands associated with being a student-athlete. Because of this, we have developed a two-tiered mental health program. One tier has a focus on the emotional and mental well-being of a student-athlete, while the other tier focuses on finding ways to address mental aspects of sport performance.

Tier 1: Mental Health and Well-Being

Mental Health Resources for Student-Athletes are designed to provide counseling services to meet the student-athletes' needs for achieving emotional well-being necessary for success in college. The life of a student-athlete often comes with pressures, high expectations, and many obligations that can potentially feel stressful or overwhelming. Counseling provides a confidential, supportive, and accepting environment to address issues that may be interfering with a student-athlete's ability to enjoy a fully satisfying life or reach his/her full potential.

Tier 2: Sport Psychology/Peak Performance

There have been a wide variety of written materials about the physical component of the game, yet the emotional and mental side often makes the difference in performance and outcome. One thing the student-athlete has complete control over is his/her thoughts, emotions, and behaviors that make up the main components of the mental skills process. Being keyed into these three areas will influence one's competitive edge. SMU Athletics strives for each student-athlete to take charge of his/her process of the game.

Concussion Protocol

The SMU Sports Medicine Department has established a detailed protocol to manage the risks and concerns of concussions for SMU student-athletes. This management plan follows the guidelines and recommendations set forth by the NATA, NCAA, American Athletic Conference, United Educators and the practicing physicians involved in SMU Athletics. This policy is a living document that is reviewed annually by SMU Risk Management and team physicians. The purpose of this plan is to ensure that standards of care are being met and that overall healthcare and specifically the management of concussions is done in a manner that protects and treats the student-athlete with the highest regard to safety.

The concussion management plan is broken into three major components. The first component is education of concussions. The second is based upon the management and treatment of concussions. The third is the student-athlete's return to activity.

The SMU Concussion Policy has a management plan to help guide student-athletes safely through a return-to-play protocol, as well as a return-to-learn plan. Awareness and communication are key components to the management of our policy, and because of this, we involve key individuals ranging from administrators, coaches, academic advisors, neurologist, psychologist, team physicians and athletic trainers. Our policy also allows us to work within the University and the academic community in a manner in which accommodations can be made to help support the student academically through the recovery phase.

Mike Morton, SMU's Director of Sports Medicine, was hired this year by the NFL to serve as an injury spotter for games held at AT&T Stadium. To obtain this position, Morton completed an NFL training program to review and understand protocols in place to help identify NFL players that may be demonstrating symptoms associated with head and neck injuries.

Sports Dietician

The goal of a sports nutrition program is to ensure student-athletes are well nourished, optimally refueled after exercise to speed up complete recovery and prepared for overall lifelong health. By providing team talks, one-on-one meal plan counseling, grocery store tours, cooking classes and education at the on-campus fueling stations, the sports dietician engages with student-athletes on a daily basis. Other responsibilities include managing the ordering and inventory of the fueling stations, identifying optimal products to stock the fueling stations, developing relationships with vendors to support SMU student-athletes and creating custom educational materials.

Supplemental Meals & Snacks

SMU student-athletes have access to supplemental meals in conjunction with participation in athletic activities.

SMU Athletics has partnered with SMU Dining Services to provide SMU student-athletes with the best in nutritional and dining options. SMU student-athletes are able to access the Arnold Dining Commons to receive supplemental meals and snacks.

SMU student-athletes can also fuel up at the fueling stations located in the Salvino Strength & Conditioning Centers, where pre- and post-workout nutrition is available for student-athletes along with snacks for between classes.

4. Life Skills Programming

SMU is committed to the holistic development of our student-athletes. Life Skills programming cultivates skills that prepare student-athletes for the ultimate competitive challenge - Life.

Our S.T.A.N.G.S. (Student-Athletes Together Achieving the Necessary Goals for Success) program is based on:

Personal Development

SMU supports the development of a well-balanced lifestyle for student-athletes, encouraging emotional well-being, personal growth and decision-making skills.

Community Service

SMU facilitates community outreach opportunities for student-athletes, providing them with an appreciation for the value of service and a chance to show their gratitude to the DFW communities that support them.

Career Development

SMU places a priority on preparing students for life after college. Our program helps give student-athletes a career direction and provides networking opportunities.

Financial Literacy

SMU equips student-athletes with the tools needed to efficiently and effectively manage their resources and build a positive credit history, working to ensure that student-athletes will be prepared to handle post-graduate financial responsibilities.

5. The Student-Athlete Advisory Council

The Student-Athlete Advisory Committee (SAAC) is a partnership of the student-athletes representing all 17 sports at SMU. SAAC provides insight on the student-athlete experience. The SAAC also offers input on the rules, regulations and policies that affect student-athletes' lives on NCAA member institution campuses.

6. Facility Enhancements

Providing championship-caliber facilities gives our student-athletes the best possible environment for success.

SMU opened a renovated and expanded Moody Coliseum and the new Miller Event Center in 2014. In 2015, SMU opened the new SMU Tennis Complex, completed Phase II of the DAC golf practice facility and updated the Salvino Strength and Conditioning Center and the football offices and meeting rooms. SMU is in the process of building other facilities, including a new home for golf and a track and field throws area, while a new aquatic center is close to breaking ground. An athletics facilities master plan is being developed to identify and address future investments in the student-athlete and fan experiences.
