MEDIA INFORMATION

PRESS CREDENTIALS

All requests for working press, photo, and broadcast credentials for SMU's 2004-05 home basketball games should be made in writing on company letterhead by the sports editor or director to Herman Hudson, Assistant Director of Media Relations, P.O. Box 750216, Dallas, Texas 75275 or faxed to (214) 768-2044. Individual game requests must be received by the Media Relations office at least one week prior to the game. All credentials which cannot be mailed should be picked up on game days in the Media Relations Office or at the Pass Gate located at the northeast corner of Moody Coliseum on Binkley Avenue. The Pass Gate is open 90 minutes before the game.

PARKING

Requests for parking passes should be made at the same time as the requests for press credentials. A limited number of spaces are available on Binkley Avenue, due north of Moody Coliseum.

RADIO & TELEVISION

All visiting radio and television stations should coordinate plans through SMU Assistant Athletic Director for Media Relations Brad Sutton at (214) 768-2883. SMU provides two regular business phone lines and a four-wire Switch 56 line for visiting broadcasters on a reciprocal basis.

WORKING AREA

All photographers must have proper credentials, worn in plain sight. Photographers from daily newspapers, wire services, major magazines and television stations have priority. Photographers will be allowed to shoot the game from behind the end lines in the northwest and southeast corners of Moody Coliseum, but not directly underneath the baskets.

INTERVIEWS

The SMU locker room will be closed to the media following games. After a brief cooling down period, Coach Jimmy Tubbs and selected players will be available in an interview room adjacent to the locker room. Please make any specific player requests to Assistant Director of Media Relations, Herman Hudson. Interviews during the week with Jimmy Tubbs or any SMU players should be arranged through the Media Relations Office. Tubbs and players can be available up to 45 minutes before practice or immediately after practice Monday-Friday. It is best to arrange for coach and player interviews at least 24 hours in advance.

2005-06 OUTLOOK

The 2005-06 basketball season holds high hopes for the Mustangs. The team will be young with only two seniors, but second-year head coach Jimmy Tubbs believes this team has the right attitude as it works toward the goal of returning SMU to the NCAA Tournament.

"Obviously we are young with only two seniors, but we have the players with the right mind set," stated Tubbs. "This team has a great desire to compete, and that is a good place to start."

The Mustangs finished 14-14 in Tubbs' first season as they steadily improved throughout. The Ponies finished a solid 5-2 in the final seven conference outings with the two losses coming on a buzzer-beater at Fresno State and in double-overtime at home against Rice.

BACK COURT

The Mustangs will rely on a solid group of guards to set the pace this season. The squad returns senior All-Conference USA candidate Bryan Hopkins (6-0, 195, Dallas, Texas), sophomore Derrick Roberts (6-4, 190, Houston, Texas), sophomore Jon Killen (6-4, 195, Arlington, Texas), and senior Ryan Hopkins (6-2, 170, Dallas, Texas). They are joined in the backcourt by sophomore point-guard Dez Willingham (6-0, 180, De Soto, Texas), junior Brian Epps (6-5, 225, Franklin, Wisc.) from Georgia Perimeter Junior College, and freshman Matt Williams (6-2, 180, Addison, Texas).

The recent in-state recruiting efforts are apparent as the squad features four guards that earned All-State honors from the Texas Association of Basketball Coaches: Hopkins (2002), Willingham (2003), Roberts (2004), and Williams (2005).

"We will have a good perimeter game," says Tubbs. "Our guards are very talented and bring solid leadership and maturity. Bryan brings experience and a superb talent level, Dez will bring leadership, and Derrick is a good athlete to have on the perimeter."

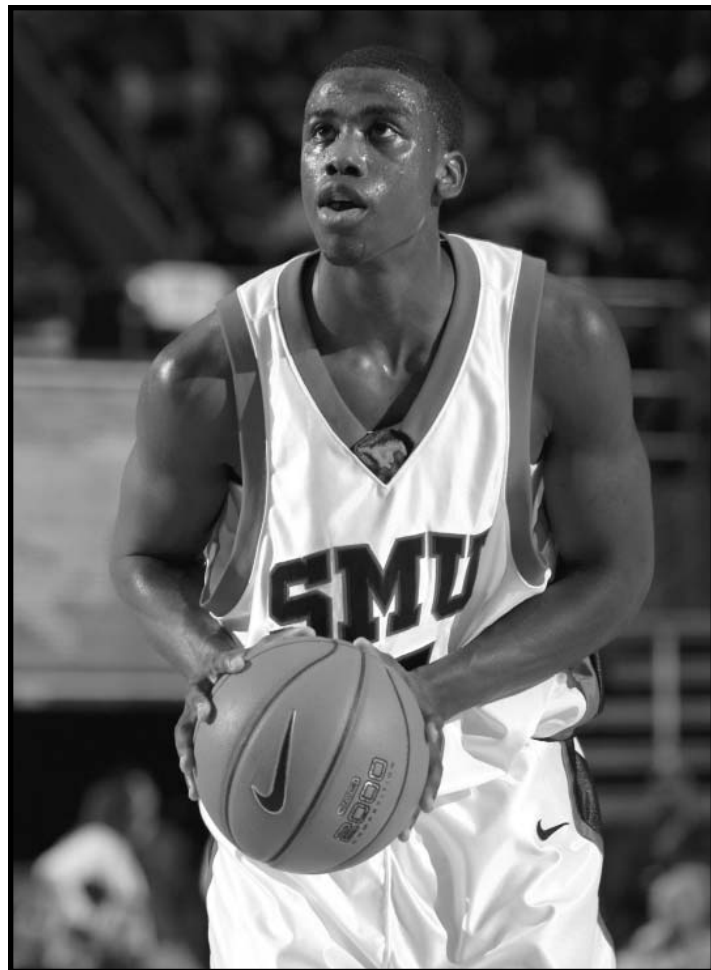

Hopkins paced the Mustangs at 17.9 points per outing and earned second-team All-Western Athletic Conference honors in 2004-05. He also contributed 3.9 boards, 3.9 assists, and 2.4 steals per game. Hopkins ranked 31st nationally in steals per game, capped by his SMU and Moody Coliseum single-game record of nine picks against San Jose State.

"We have to be sure that he takes his talent to the highest possible level," Tubbs stated. "He has to continue to make good decisions and hit his shots."

Willingham is a pure point-guard from nearby De Soto High School that played his freshman campaign at Kansas State in 2003-04. He averaged 17.4 minutes in 22 games while contributing 2.8 assists and 4.4 points per contest playing for the Wildcats.

"Dez can penetrate off the dribble and is a good shooter," Tubbs says. "He will help open up the floor."

The addition of Willingham will allow Hopkins to focus more on his scoring role, which is key to SMU's success. Last season, he averaged 22.5 points in wins and 12.9 points in losses.

Derrick Roberts finished eighth in the WAC during league play with a 1.65 assist to turnover ratio. He also scored in double figures in the final three regular season contests.

Roberts and Epps are expected to provide solid swing players. Both can shoot from the perimeter and explode to the basket. Roberts shot 42.1 percent from three-point range during league play while averaging 9.0 points and 3.1 assists per game. Epps shot 57 percent from beyond the arc as a sophomore while averaging 12.2 points and 6.0 boards per game.

Roberts missed 12 games last season due to a strained ligament in his right knee, but improved as he was able to play consistently during league play. He finished eighth in assist/turnover ratio at 1.65 in league games where he dished 3.1 assists per game compared to 1.9 turnovers per outing. Roberts also scored in double figures six times, including the final three regular season games. He scored a season-high 19 points in a last-second loss at Louisiana Tech.

"Derrick is versatile, and we can have him at the two or the three," states Tubbs. "We are looking for him to improve his shooting. If he does that, it really opens his game up because he is good at penetrating the defense."

"Brian brings maturity as a junior college player. We hope he can stretch the defense as an outside threat. He

is also physically strong and will need to score some on the inside."

Killen provided steady support as a back-up point guard last season. He is the only returning player that saw action in all 28 games last season. Killen had 23 assists and 18 turnovers while playing 12 minutes per contest. His best performance came in the regular season finale with eight points, four steals, and two assists in the double-overtime loss to Rice.

"Jon will bring toughness and smarts to this team," said Tubbs. "I really like how his toughness rubs off on the rest of the team when he is on the floor."

Ryan Hopkins saw limited time in seven contests last season, but could contribute as a senior.

"Ryan is a mature and mentally tough kid," Tubbs states. "His mental make up is good for us. He is a good influence in the locker room and he always plays hard."

The Mustangs add Williams as an outstanding shooter. He averaged a Trinity Christian Academy school-record 29.0 points during his senior season. Williams also set school records by scoring 61 points in a single-game and hitting 125 three-pointers on the year. He enters with a strong familiarity of SMU basketball as a third generation Mustang. Williams' mother, Claire Morris-Williams, played at SMU and grandfather, Max, was a two-time All-Conference player for the Ponies.

"Matt can really shoot the ball," says Tubbs. "That is what he has to do well, and I think he will. His shooting should extend the defense and that will help us all around."

Bryan Hopkins was All-WAC second team as a junior after leading the Mustangs in scoring, assists, and steals.

FRONT COURT

The frontcourt will have more size than a year ago, including 6-11 Donatas Rackauskas and 7-1 Bamba Fall, but will be relatively inexperienced. The Mustangs have to replace four-year starters Eric Castro and Patrick Simpson. The Mustangs return juniors Devon Pearson (6-6, 225, Miami, Fla.), Rackauskas (6-11, 240, Alytus, Lithuania) and Ike Ofoegbu (6-9, 215, San Antonio, Texas) along with sophomore Paulius Ritter (6-7, 255, Vilnius, Lithuania). Two newcomers join the interior: freshmen Brian Morris (6-8, 260, Portland, Ore.) and Fall (7-1, 200, Senegal).

Pearson became a force during the second half of last season and should be a leader on the blocks this season. During his final 13 games, all starts, he averaged 13.8 points, 7.4 boards, 1.9 assists, and 1.6 steals per contest compared with 6.8 points, 5.0 rebounds, 1.3 assists, and 1.3 steals in the first 12 contests. Pearson ended the season ranked 11th in the conference games at 6.6 rebounds per night.

Devon Pearson averaged 11.6 points and 6.6 rebounds as a sophomore during league play while shooting 49.7 percent from the field.

"Devon is a tough kid," stresses Tubbs. "The main thing he brings is toughness, and that was proven when he was hurt at the end of last season. We were not as effective without him."

"Last year was also his first on the perimeter, and he shot pretty well. I would like to see his shooting continue to improve and for him to become a more complete player."

After a redshirt season, Rackauskas returns to the middle. He injured his right knee during preseason workouts and missed the season following surgery. Rackauskas is a solid shooter that hit 49.1 percent during the 2003-04 campaign. That season, he averaged 2.0 points and 1.5 boards in 7.7 minutes per game.

"Donatas gives us versatility because he is 6-11 and has a good jump-shot from the high post," says Tubbs. "He will really help us stretch the defense."

Fall brings a shot-blocking presence to the middle at 7-1. He had a career-best 14 blocks during a game as a senior at Oak Hill Academy. He will also continue to develop as an offensive threat.

"Bamba has to have success in the weight room to get stronger," states Tubbs. "We have to start with him inside and get low-post production. That will open up the outside game. Defensively, his length in the middle and ability to block shots will allow us to bring more defensive pressure. We expect good things, and we need him to grow up fast."

Morris was a two-time league MVP in high school and led his Jefferson High School team to back-to-back league titles. He showed his post presence by averaging 16 points and 12 rebounds as a senior.

"Brian has good size and a good feel for the game. He will bring toughness and the ability to bang inside," Tubbs states. "We have to make sure he has success in the weight room to continue to develop his physical toughness to go along with his tough attitude."

Ritter provides a physical presence in the post where he uses his size to keep opponents off the boards. He played 20 games as a freshman. Ofoegbu is more active in the interior and provided more defensive help in his 25 games a year ago.

"Paulius really helped us with his physical play," stated Tubbs. "He also brings the intangibles; playing hard, rebounding, going after loose balls."

"Ike has gotten stronger and we hope he can give us consistency with his rebounding and some scoring. He also can be a good defender with his length and quickness."

OVERALL

Tubbs is known as a defensive-minded coach that wants to push the transition game. In his first season, the Mustangs finished 48th in the nation at 8.6 steals per game, highlighted by an SMU single-game record 19 picks in the win over Arkansas-Pine Bluff. It was the second-highest average in SMU history to the 9.3 per outing of the 1999-2000 campaign. The improved defense combined with taking care of the ball resulted in the first positive turnover margin (+1.9 per game) in four seasons.

"We really want to extend our defense," says Tubbs. "Having a shot-blocker in the middle will help that. Extending the defense will also make for an exciting brand

Donatas Rackauskas returns to the lineup after missing last season due to preseason knee surgery.

of basketball for the players and the fans."

The Tubbs' coaching staff has also added a more physical mindset that shows in the off-season weight training and preseason conditioning. The Mustangs improved their rebounding margin by five per game (-4.0 to +1.0) and blocked shots to 3.6 from 2.9 per contest during Tubbs' inaugural season.

"We would like to be a good rebounding team. We have good length and we need that to turn in to toughness and rebounding."

The aggressive defensive and transition attack requires depth, which should be improved for the Mustangs this season.

"I do think our depth will be better," Tubbs stated. "We will play eight to nine guys. It will be good for our practices. It's also important that we balance our aggressive style of play with protecting the ball. We can't just run out of control. We need to develop as a team and play the right way by hit-

ting the open man, making good decisions, and taking care of the ball.

"We will play hard and play with a purpose. We have smart players that have the ability to do that and those are positive ingredients for success."

SCHEDULE

Coach Tubbs is excited about the move to Conference USA and what the future holds for his program.

"I like the move to Conference USA," emphasizes Tubbs. "We have a good television package with CSTV and an exciting brand of basketball. It is really a transition type league that runs the court and shows the players' skills.

"The league has a great basketball tradition with teams like Memphis and UAB. It will also be great for travel and rivalries. Our fans can easily make trips to New Orleans, Houston, Tulsa, Memphis, and others."

The Mustangs also sport a competitive non-conference schedule. The Moody Coliseum slate features cross-town rival TCU, Big 12 power Oklahoma, Toledo, and Harvard. The Mustangs road schedule is highlighted by visits to national power Oklahoma State, in-state rival Texas State, and Wyoming.

"Our schedule is very tough and competitive," says Tubbs. "We face traditional powers Oklahoma, Oklahoma State, TCU, Wyoming, and Toledo before we even get into conference play. This schedule will help us mature and develop as we advance as a program."

Head Coach Jimmy Tubbs is in his second season. The Mustangs improved throughout his first season, going 5-2 in their final seven conference regular season games.

COACHES & STAFF

JIMMY TUBBS

Head Coach
Bishop '72
Overall: Second
at SMU: Second

Jimmy Tubbs enters his second season in charge on the Hilltop. The former Mustang assistant was named SMU's Head Men's Basketball Coach on Friday, March 26, 2004.

"I'm just so excited to be at SMU," said Tubbs at his hiring. "I'm home. I can tell you this - we're going to win at SMU, and we're going to win big. That's a guarantee."

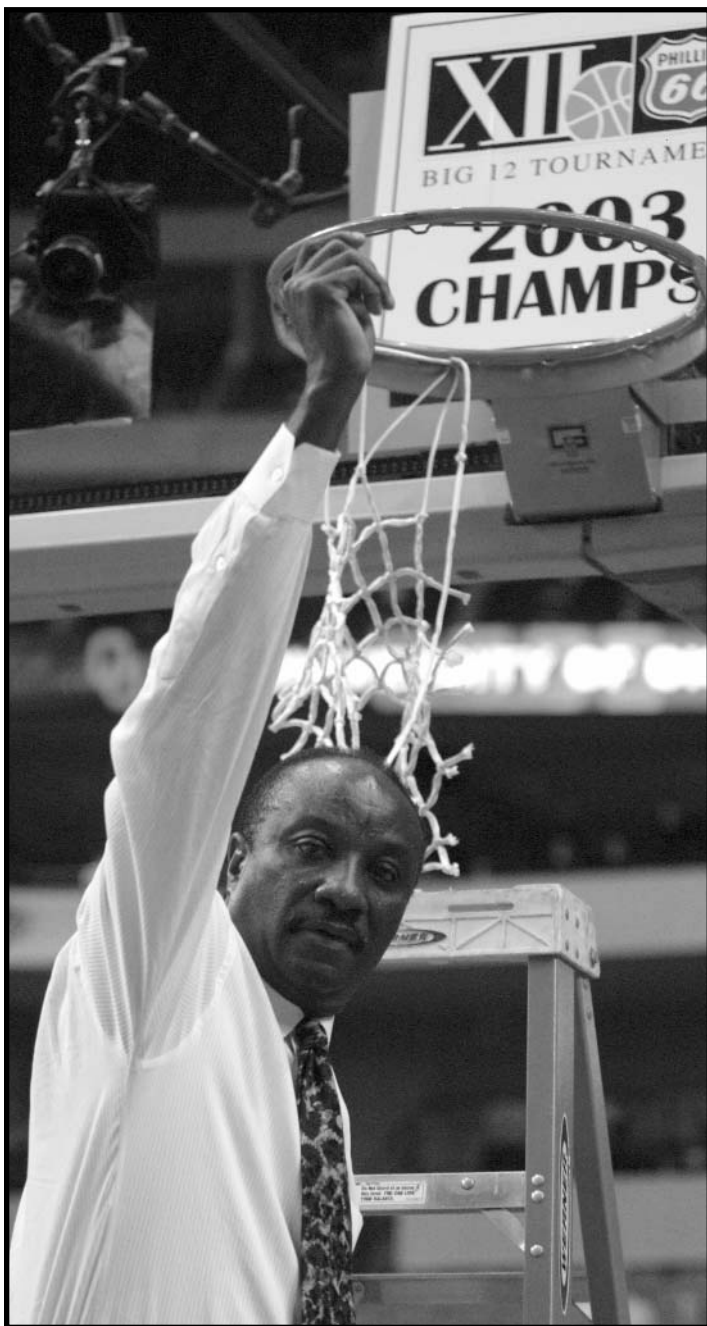

His first squad showed signs of what is to come, finishing 14-14 with a strong stretch run of 5-2 in the final seven conference games. The Mustangs concluded their final season in the Western Athletic Conference at 9-9. The team improved from 12-18 a year earlier and was better statistically in every offensive and defensive category. The defensive midset of Tubbs began to take effect as the Mustangs finished 48th in the NCAA in steals at 8.6 per game. He also had two players rank in the top-50 nationally; Bryan Hopkins was 31st in steals at 2.4 per game and Eric Castro finished 32nd by shooting 56.3 percent.

Tubbs returned to SMU after spending two seasons as an assistant coach at Oklahoma, where he helped guide OU to a combined 47-18 record over two campaigns. While in Norman, Tubbs assisted Kelvin Sampson's clubs to an NCAA Elite Eight appearance, a Big 12 Tournament title and a ranking as high as No. 3 nationally by the Associated Press. Tubbs also helped the Sooners land a recruiting class ranked fourth nationally by HoopScoop in 2003, a group which included McDonald's All-American Drew Lavender.

Prior to his two seasons at Oklahoma, Tubbs spent 12 seasons at SMU as an assistant under head coaches Mike Dement and John Shumate. Tubbs saw SMU's basketball program reach new heights and was an integral part of helping SMU capture the Southwest Conference title and reach the NCAA Tournament in 1992-93. In Tubbs' last six seasons at SMU, the Mustangs won 103 games and posted six straight 15+-win seasons.

Another one of Tubbs' primary focuses at SMU is improving the Mustangs' recruiting presence in the state of Texas. His first recruiting class includes

Texas All-State honoree and Dallas native Dez Willingham. During his last seven seasons as an assistant SMU, the Mustangs landed 16 Texas-based recruits, including 10 who earned high school All-State recognition. Jeryl Sasser, Quinton Ross, Damon Hancock, Stephen Woods, Jay Poerner, Willie Davis and Bryan Hopkins are among the Mustang greats from Texas to sign with SMU while Tubbs was an assistant on the Hilltop. This was after SMU signed just 11 players from the state of Texas - and only five from the Dallas area - in the previous 11 years.

As an assistant coach, Jimmy Tubbs won the 2003 Big 12 Tournament with Oklahoma and the 1993 Southwest Conference title at SMU. He also won a Texas state championship as the head coach at Kimball High School in 1990.

Prior to arriving at SMU, Tubbs was the head coach at Kimball High School in Dallas for eight years. He guided the Knights to a 232-42 record, which culminated in his final season with the Texas class 5-A state title. Tubbs' Kimball teams enjoyed five 30-win seasons. He earned District Coach of the Year honors five times, and was the Dallas-Fort Worth Metroplex Coach of the Year twice. During Kimball's state championship season (1989-90), Tubbs was chosen as the Texas High School Boys' Coach of the Year.

Tubbs is the 15th coach in SMU history.

"Recruiting kids out of Dallas got a little tougher today," OU coach Kelvin Sampson said of Tubbs' hiring. "No question in my mind that Jimmy was the right choice for SMU. Dallas is his town, and SMU is his school."

Tubbs received his degree in History from Bishop College in 1972 and a Master's of Education in Guidance and Counseling from Prairie View A&M in 1976. Born in Oakwood, Texas, Tubbs has one son, Andrew (16).

Jimmy Tubbs is home again on the Hilltop where he was an assistant for 12 seasons from 1990-91 through 2001-02. He returns after two years as an assistant at Oklahoma.

**TIM
HESKETT**
Dir. of Operations
Oklahoma '01
Yrs. at SMU: Second

Tim Heskett is in his second year as SMU's Coordinator of Basketball Operations, having been hired by Head Coach Jimmy Tubbs on May 13, 2004.

In his position, Heskett will be involved in coordination of video scouting, on-campus recruiting and other administrative functions.

"Tim will bring a lot of energy and enthusiasm to our program," said Tubbs. "He's well-prepared for this job, having been a very good player and having served on some very good coaching staffs. He will bring a mental toughness and a team-first attitude as a coach, just as he did as a player."

Heskett comes to Dallas after two seasons as a graduate assistant coach at Clemson, serving under coaches Larry Shyatt and Oliver Purnell. Prior to his stint at Clemson, he spent the 2001-02 season as administrative assistant under John Kresse at the College of Charleston.

Heskett played for the University of Oklahoma (1997-2001) and was a key reason the Sooners compiled 112 victories in his five seasons with the program. He was the co-captain of the 2000-2001 Big 12 Tournament Championship Team and also won the Leadership Award and the Inspirational Award that same season.

He won the team Academic Award and the Hustle Award as a freshman and was named Big 12 Rookie of the Week twice and was named the team's Most Improved Player. Over his career at

Oklahoma he scored an even 800 points and dealt out 165 assists against just 95 turnovers. He connected on 215 three-point goals in 540 attempts, a 40 percent figure. At the conclusion of his career he was second in school history in three-point field goals made and fourth in games played.

Heskett started 31 of his 128 career games, including nine in 1998-99 when he averaged 9.5 points per game. He had a 7.4 scoring average in 1999-00 when he started 13 contests. He made 79 three-point goals as a redshirt sophomore in 1998-99, hitting a school-record 47.3 percent of his three-point shots. He was named to the Big 12 All-Bench team and his .838 free throw percentage also led the team. He set a career high with seven three-pointers that year in a win over Western Carolina.

Heskett played his high school basketball in Lexington, S.C., where he was named the 4A Player of the Year as a senior and was a three-time All-State pick. He led his Lexington High team to the state championship and a 26-1 record his senior year. He became the first Lexington High School basketball player to have his jersey retired. Heskett comes from an athletic family, as his sister, Jenny, played golf at the College of Charleston.

"I asked Tim to give my staff and I a clinic to demonstrate his teaching ability," John Kresse said. "He gave one of the greatest lectures I've ever seen. I just couldn't believe a guy who was in his early 20s could deliver such a sound clinic. He dazzled us for three hours. I hired him on the spot."

"The only thing I don't like about him is that we missed on him recruiting when he was a player," former Clemson head coach Larry Shyatt said. "I didn't want to miss again and was glad to add him to my staff."

Heskett received his management degree from Oklahoma in May of 2001. During his career at Oklahoma he also spent many hours working on community service programs. He was specifically involved in the Feed the Homeless Program, Elementary School Reading Program and Big Brother/Big Sister Program.

Heskett is married to the former Natalie Hixson, making him the son-in-law of former SMU quarterback great Chuck Hixson.

The Mustang Legend

Legend has it that when Ford Motor Company was preparing to introduce the sports car that would gain fame as the Mustang, it was considering other names such as Cougar, Bronco, Cheetah and Colt.

But during the 1963 football season, SMU took an undersized but quick team to Ann Arbor to play a massive Michigan Wolverine squad. Michigan gained the early advantage, but had to fight off the feisty Ponies for a 27-16 win.

After the game, Ford's Lee Iacocca entered the SMU locker room and addressed the disappointed Mustangs.

"Today," Iacocca said, "After watching the SMU Mustangs play with such flair, we reached a decision. We will call our new car the Mustang. Because it will be light, like your team. It will be quick, like your team. And it will be sporty, like your team."

Ford's new car got its name, and the rest, as they say, is history.
