PROGRAM

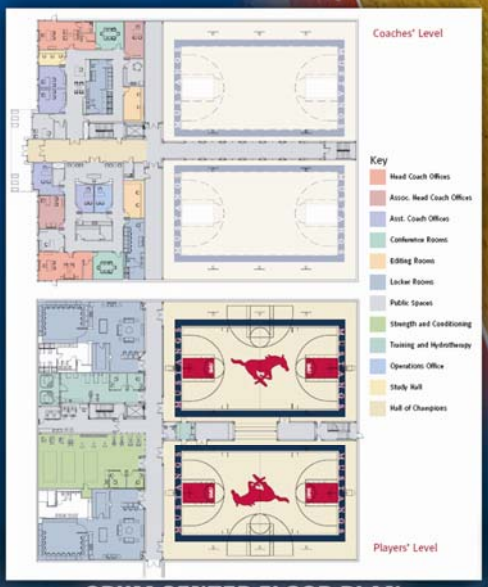
CRUM BASKETBALL CENTER

The SMU Crum Basketball Center is a dedicated, state-of-the art space where the SMU men's and women's basketball programs can practice and train. The SMU Crum Basketball Center will include separate full-size practice courts for each program, locker rooms and lounges, training and rehabilitation areas, coaches' offices, meeting areas and film editing rooms. Construction began with a ground breaking ceremony on Dec. 8, 2006.

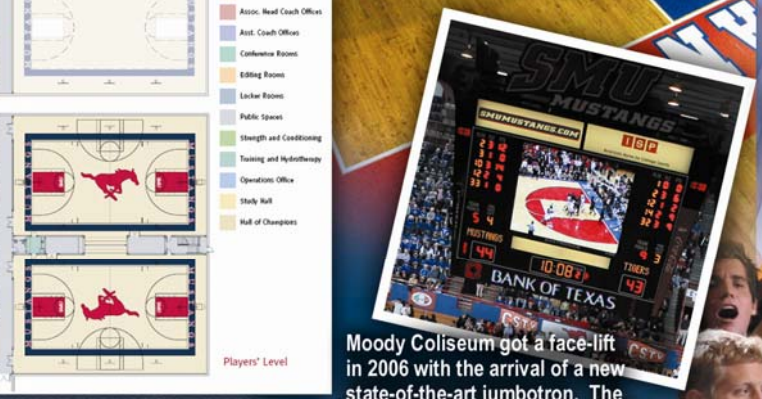
ABOUT THE CENTER:

- $13-million, 43,000 square-foot, state-of-the-art practice facility
- Home for men's and women's basketball with separate full-size practice court for each program with multiple goals
- Locker rooms and lounges
- Fully-equipped training and rehabilitation room with in-ground hydrotherapy pools
- A strength and conditioning room
- On-site laundry facility
- Coaches' offices and conference facilities for both programs
- Coaches' locker rooms and film editing rooms
- Direct connection to Moody Coliseum event level via tunnel

SMU will play on a brand new playing surface beginning in 2007-08 (right). The new wood floor will have an antique finish and the floor design will match one of the early floor designs at Moody Coliseum in the 1950s.



CRUM CENTER FLOOR PLAN



Moody Coliseum got a face-lift in 2006 with the arrival of a new state-of-the-art jumbotron. The new scoreboard has video displays on four sides as well as up-to-date player points and fouls.

HOME OF SMU BASKETBALL
MOODY COLISEUM

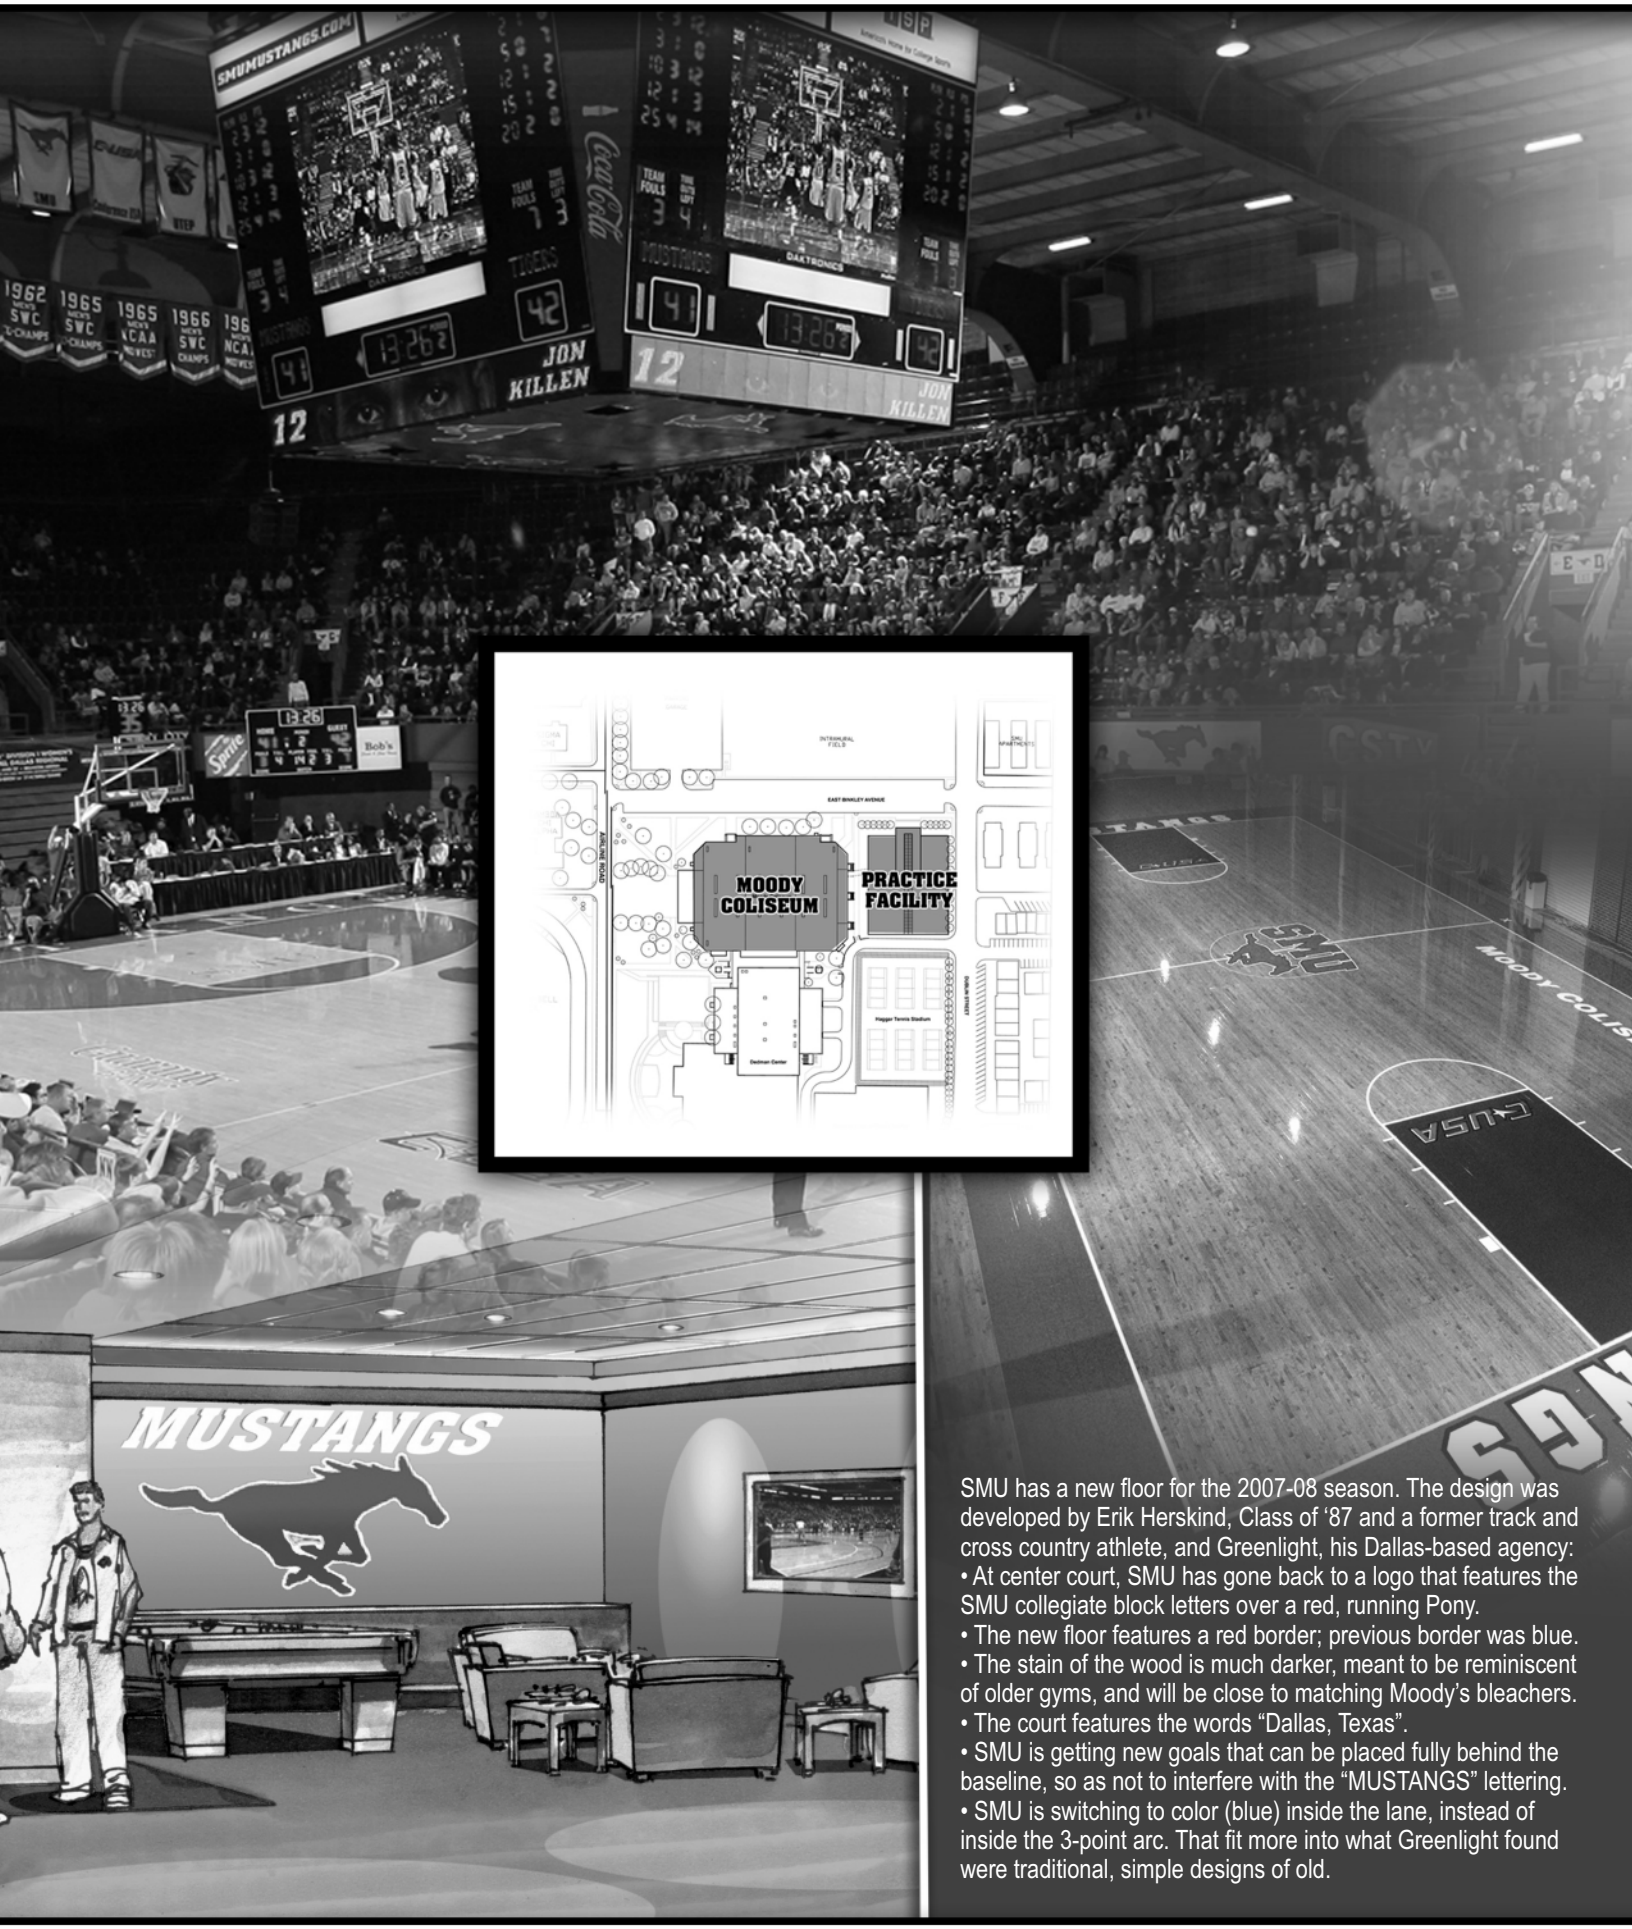
Moody Coliseum has been the home of SMU basketball since December 3, 1956, when the Mustangs defeated McMurry, 113-36. Since then, SMU has played 674 games in Moody Coliseum, winning 454 and losing only 220.

"Moody Magic" has become a popular term regarding SMU's play at the Coliseum. Why the phrase? The Ponies are 229-118 in the building since the 1982-83 season and have won 94 of 142 home games in the arena in the last 10 seasons.

The Coliseum has undergone several changes over the years to modernize the facility. A new playing surface with a new floor design was installed before the 2007-08 basketball season. That followed a new scoreboard/videoboard that was installed in Dec. 2006.

More renovations are planned for the near future, including a tunnel from the forthcoming Crum Basketball Center that will allow the team to enter Moody Coliseum directly from the new lockerrooms.

Moody Coliseum was the site of the Southwest Conference Post-Season Classic in 1976 and has hosted NCAA Regional tournament games, the McDonald's High School All-American All-Star Game and the NABC College Basketball All-Star Game during the 1986 Final Four in Dallas.



SMU has a new floor for the 2007-08 season. The design was developed by Erik Herskind, Class of '87 and a former track and cross country athlete, and Greenlight, his Dallas-based agency:

- At center court, SMU has gone back to a logo that features the SMU collegiate block letters over a red, running Pony.
- The new floor features a red border; previous border was blue.
- The stain of the wood is much darker, meant to be reminiscent of older gyms, and will be close to matching Moody's bleachers.
- The court features the words "Dallas, Texas".
- SMU is getting new goals that can be placed fully behind the baseline, so as not to interfere with the "MUSTANGS" lettering.
- SMU is switching to color (blue) inside the lane, instead of inside the 3-point arc. That fit more into what Greenlight found were traditional, simple designs of old.

C-USA enjoys significant television exposure through its partnerships with ESPN Inc. and College Sports Television Networks (CSTV). The league entered into long-term agreements with both ESPN and CSTV, which, combined, provides C-USA with significant national and regional exposure for football, men's and women's basketball, and all other conference sports. Additionally, the CSTV agreement includes video-on-demand, Internet, broadband, national over-the-air and satellite radio, and wireless distribution as well as corporate marketing rights, and website production through CSTV Online, a subsidiary of CSTV. The agreement with ESPN extends the conference's current regular season football package to include the broadcast of the conference's Football Championship Game. It also encompasses distribution of men's basketball and women's basketball on ESPN/ESPN2 and both tournament championship games.

Excellence every day. For Conference USA, dedication to excellence is a common thread in athletics, academics and in the community, and the guiding initiative for the league's promising future. Conference USA features 12 nationally prominent, tradition-rich members in East Carolina, Houston, Marshall, Memphis, Rice, SMU, Southern Miss, Tulane, Tulsa, UAB, UCF and UTEP. This combination enhances men's and women's programs that are steeped in athletic success and academic prowess. Together, we are dedicated to excellence, integrity and leadership in athletics, academics and in our communities.

All C-USA institutions sponsor Division I-A football, along with several other men's and women's athletic programs, many of which compete regularly for NCAA Championships. C-USA sponsors competition in 19 sports - nine for men (baseball, basketball, cross country, football, golf, soccer, tennis and indoor and outdoor track and field) and 10 for women (basketball, cross country, golf, softball, soccer, swimming and diving, tennis, indoor and outdoor track and field and volleyball).

The league sponsors numerous academic awards, including the Commissioner's Honor Roll and the Commissioner's Academic Medal, indicative of outstanding achievement in the classroom. C-USA annually awards six postgraduate scholarships, along with the Sport Academic Award, Scholar Athletes of the Year and the Institutional Academic Excellence Award.

PONY UP!

There's a sense of excitement around SMU basketball this season. So SMU Athletics and The Richards Group wanted to come up with something that would tap into that excitement – something provocative, something that will create a buzz and get everyone on board, from the players to the faculty and students, the alumni and the community. That's what we believe we've found in "Pony Up!" It says we're headed in the right direction. It says we've stepped up our game. It says we're committed to making 2007-08 the year it all turns around. We think it's the kind of thing that will really take hold and get people talking. It's time to Pony Up!

SPORTS MEDICINE

The SMU athletic training program features first-class facilities inside the Paul B. Loyd, Jr. All-Sports Center and the outstanding services of leading sports medicine and health care professionals. VIC & GLADIE JO SALVINO STRENGTH & CONDITIONING CENTER

"It is the goal of the SMU Strength & Conditioning program to help each student-athlete reach his/her full athletic potential by providing him/her with training programs that are scientifically-based and founded on modern methods of strength & conditioning.

Our motto as a strength & conditioning staff is simple, 'Stay in the Eye of the Storm.'

The most fundamental and important aspect of the SMU strength & conditioning program is that our coaches will always be on the floor coaching athletes. No athlete is left to train on his or her own. Every workout, every exercise, every set and every rep will be monitored by a coach. The coach will teach, instruct, provide feedback and motivate the student-athlete.

The objective of the SMU strength & conditioning staff is not only to produce stronger, better conditioned student-athletes, but also to build discipline and mental toughness in each student-athlete through the implementation of a very structured and organized environment. Student-athletes are held accountable for the commitment and effort that they put into the program, and lifting and conditioning must be viewed as a vital element in the training program for student-athletes of any sport.

The SMU strength & conditioning staff also plays a major role in the nutritional counseling and the implementation of healthy diets for each of our student-athletes. Our staff is responsible for selecting NCAA-approved supplements that we deem the most beneficial to our student-athletes. On a daily basis, our strength & conditioning coaches weigh-in student-athletes to help monitor changes in bodyweight that may be associated with dehydration, illness, skipping meals, overeating, eating junk foods, etc. This is all done in an effort to help our student-athletes reach his or her ideal playing weight and to keep energy levels high and hydration levels sufficient."

VIC VILORIA,
Head Strength & Conditioning Coach

SALVINO STRENGTH & CONDITIONING CENTER

The SMU strength and conditioning staff, led by head strength & conditioning coach Vic Viloria and basketball strength and conditioining coach Chad Chronistare, train Mustang student-athletes in the Vic and Gladie Jo Salvino Strength & Conditioning Center inside the Paul B. Loyd, Jr. All-Sports Center.

The Salvino Strength and Conditioning Center opened in August of 2000 and is considered one of the finest of its kind in the nation. Twenty-one self-contained free weight stations are complemented by over 13,000 total pounds of equipment available to SMU student-athletes.

With attention to detail including customized iron grip weights emblazoned with the Mustang logo, the Salvino Strength and Conditioning Center services over 500 athletes and 17 sports.

Much of SMU's program is based on the Hatch Training System, which was developed by Olympic coach and USA Strength & Conditioning Hall of Famer Gayle Hatch. The system focuses on explosive strength training and factors in explosive power, absolute strength, muscular endurance, speed, quickness, flexibility, agility and cardiovascular fitness.

Mustang basketball will also have a specialized strength and conditioing room in the new Crum Basketball Center, which will open during the 2007-08 season.

ALTSHULER LEC ACADEMIC SUCCESS

SMU student-athletes excel in the classroom, as a remarkable 97 percent of the 386 SMU scholarship student-athletes who entered SMU between 1990 and 2000 and exhausted their eligibility at SMU earned degrees.

Basketball student-athletes play a big part of SMU's academic success, as Jon Killen, Mike Norton, and Donatas Rackauskas made the Conference USA Commissioner's Honor Roll and Killen and Rackauskas won Commissioner's Academic Medals in 2006-07. In addition, SMU had Killen and Rackauskas selected to the five-man C-USA All-Academic Team and Rackauskas was an *ESPN the Magazine* Academic All-District honoree.

School-wide, 10 of SMU's 15 athletic programs scored a perfect 100 percent in the NCAA Graduation Success Rates (GSR), and all 15 of SMU's programs rated by the NCAA were equal to or better than the national average. Among the 119 NCAA Division I-A football-playing institutions, SMU had the fifth-highest percentage of its sports with 100 percent scores, at 67 percent (10 of 15).

ALEC MISSION STATEMENT

The mission of the A-LEC's academic counseling staff is to create a supportive educational environment that assists student-athletes with their transition to the university culture, to guide student-athletes in becoming responsible for their learning by teaching skills that help them identify and pursue their educational goals, and to encourage student-athletes to develop and apply the skills and abilities that will expand their range of personal and professional choices and reinforce the commitment to life-long learning.

Academic support for SMU's varsity athletes is coordinated through the Altshuler Learning Enhancement Center, which opened its doors to the student population in 1989 and has become one of the University's most widely-used student services.

The A-LEC contains the Blanton Academic Development Complex, including three state-of-the-art, fully-networked computer labs; six private rooms for both individual and small group study; an extensive library of audio, video and digital resources; and a large lounge area.

The A-LEC's content-specific services include tutoring, study groups, review sessions and the Writing Center. At the Writing Center, students receive help with the process of drafting and revising a specific project, as well as assistance with grammar, organization and style.

Understanding the distinctive challenges and unique experiences facing student-athletes, the A-LEC's Academic Counselors are responsible for tracking and responding to student-athlete needs at each stage of the academic calendar. The Academic Counselors' work includes pre-advising student-athletes during summer orientation and registration sessions, meeting with all student-athletes to discuss each semester's academic support needs, and conferring with coaches to determine which student-athletes should be recommended for more closely monitored academic assistance.

COMMITMENT TO EXCELLENCE

GERALD J. FORD STADIUM

Gerald J. Ford Stadium, finished in August of 2000 on the former Ownby Stadium grounds, has a horseshoe configuration with an open south end zone adjacent to Mockingbird Lane. The architecture is consistent with the Collegiate-Georgian style of the entire SMU campus and features traditional, yet state-of-the-art design concepts.

The stadium has a seating capacity of 32,000 with the possibility for future expansion to 45,000. The 32,000-seat configuration includes nearly 600 preferred club level seats and 240 seats in 24 spacious luxury suites housed in a custom, three-level press box. In addition to housing preferred club and suite seating, the air-conditioned press box provides excellent sightlines and comfortably accommodates more than 125 working print, radio and television media. The playing surface is 25 feet below ground level, with half of the stadium's seats sunk below grade, ensuring a smooth transition into the surrounding neighborhood and the remainder of the SMU campus.

WESTCOTT FIELD

One of the most popular soccer venues in the country, Westcott Field has been the home turf for SMU men's and women's soccer since 1994.

The grass facility was used as a training site for the Dallas venue of World Cup USA '94. Teams from Germany, Bulgaria, Sweden and Holland practiced there before their games at the Cotton Bowl.

In 2004, the Mustangs added a press box to the stadium featuring attractive lettering and the Mustangs' past championsships. Before the 2006 season, SMU announced a soccer enhancement project created to make Westcott Field one of the best soccer facilities in the nation. Phase 1 of that project was completed during the summer of 2006 when new turf and a state-of-the art draining system were installed on the facility.

Phase 2 will include a new and improved press box, possible meeting rooms and locker facilities, and an attractive brick facade circling the entire facility, matching the architecture of the campus in general.

SMU TENNIS CENTER

■Coming in 2008, the SMU Tennis Center will provide the Mustang men's and women's tennis programs with one of the premier tennis facilities in the nations. The center will include six outdoor courts and a place for a future designated indoor tennis facility.

The tennis center will be built just south of the Crum Basketball Center, currently under the construction on the grounds where Haggar Tennis Stadium once stood.

MOODY COLISEUM

Moody Coliseum has been the home of SMU basketball since Dec. 3, 1956, when the Mustangs defeated McMurry, 113-36. Moody Coliseum has also served as the home of SMU volleyball since the program's inception in 1996.

The Coliseum has undergone several changes over the years to modernize the facility. A new playing surface with a new floor design was installed before the 2007-08 basketball season. That followed a new scoreboard/videoboard that was installed in Dec. 2006.

CRUM BASKETBALL CENTER

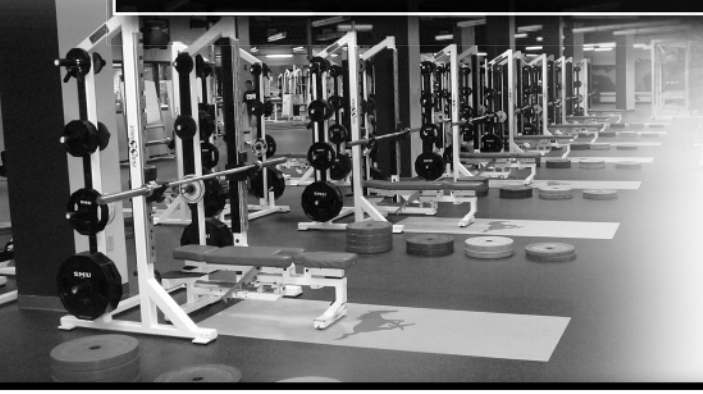
The SMU Crum Basketball Center, scheduled to open during the 2007-08 season will be a dedicated, state-of-the art space where SMU men's and women's basketball programs can practice and train. The SMU Crum Basketball Center will include separate full-size practice courts for each program, locker rooms and lounges, training and rehabilitation areas, coaches' offices, meeting areas and film editing rooms.

PAUL B. LOYD, JR. ALL-SPORTS CENTER

The Paul B. Loyd, Jr. All-Sports Center, which is attached to the northwest corner of Gerald J. Ford Stadium, is a 72,000 square-foot structure providing all Mustang student-athletes with several improvements over old facilities, including: Offices and locker facilities for football and several Olympic sports; a state-of-the-art, 10,000 square-foot weight room featuring Olympic free weight machines and cardiovascular equipment; a sports medicine complex; conference rooms, including a modern, theater-style meeting room for all SMU sports; a modern equipment room which provides easy access to the playing field and houses expanded laundry and storage areas in order to serve all sports residing in the facility; and the offices for SMU's athletic administration.

VIC & GLADIE JO SALVINO STRENGTH & CONDITIONING CENTER

The Salvino Strength and Conditioning Center opened in August of 2000 and is located in the Loyd All-Sports Center. The 10,000 sq. ft. state-of-the-art training facility includes 1,500 sq. ft. of functional drill space to go along with 14 Olympic platforms with elite Olympic bumper plates. Twenty-one self-contained free weight stations are complemented by over 13,000 total pounds of equipment available to SMU student-athletes. The Salvino Strength and Conditioning Center includes state-of-the-art aerobic equipment and 35 top-of-the-line weight stations. The Salvino Center saw several upgrades during the summer of 2007 including new weight platforms and a 20-yard speed-track.



SMU GOLF FACILITY

SMU and The Dallas Athletic Club have entered into an agreement to establish the DAC as the home of the SMU men's and women's golf programs. As part of the agreement, SMU will construct a new $4 million practice facility and clubhouse on the grounds of the DAC.

The complex will consist of a team clubhouse, men's & women's locker rooms, a Golf Hall of Fame and trophy room, coaches' offices, study rooms, a conference room, a workout facility and a media room. There will also be two hitting bays equipped with state-of-the-art video and swing analysis capabilities. On the five acres surrounding the complex, there will be two large putting greens - one Bentgrass and one Bermuda grass. Chet Williams of The Nicklaus Design Team will create a four-hole short course with a multitude of practice stations for every conceivable lie or situation.

STUDENT-ATHLETE ADVISORY COMMITTEE
SAAC

The mission of the Student-Athlete Advisory Committee is to enhance the total student-athlete experience by promoting opportunity, protecting student-athlete welfare, and fostering a positive student-athlete image.

The SAAC provides insight on the student-athlete experience and offers input on the rules, regulations, and policies that affect student-athletes' lives.

The Committee is an invaluable resource for:

- Promoting communication between athletics administration and student-athletes
- Promoting communication between athletics and campus-wide administration
- Providing feedback and insight, as well as soliciting responses to department issues and proposed NCAA legislation
- Building a sense of community within the athletics program involving all athletics teams
- Organizing community service projects and efforts
- Creating a vehicle for student-athlete representation on campus-wide committees such as student-government
- Operating as a collective voice of campus student-athletes
- Disseminating information to individual student-athletes

The SMU SAAC is comprised of two members of each sponsored team (one upperclassman and one underclassman), along with representatives from supporting organizations (band, cheer, dance, training). During the monthly meetings, SMU SAAC works from a formal agenda and focuses on discussions involving NCAA legislation. There are also question-and-answer sessions with university and athletic department administrators. SMU SAAC is positioned to increase opportunity for service to the community and to help enhance the image of Mustang student-athletes in the community.

The 2007-08 Outlook & Notes

The second season of the Matt Doherty era at SMU represents a new beginning. His first group included four seniors that saw a lot of floor time. The 2007-08 Mustangs return three players with extensive experience, two reserves and seven freshmen that as a group were rated as high as 24th nationally.

"The thing that I am excited about is, yes the infusion of seven talented freshmen, but the great leadership out of the junior and senior classes," says Doherty.

Those leaders include captains and senior guards Jon Killen and Derrick Roberts. Those two along with junior center Bamba Fall are the leading returnees.

"The fact that Jon Killen and Derrick Roberts are returning and that Bamba has grown as a leader is critical to mold the young guys," explains Doherty. "They will give them terrific direction. It's one thing when I tell the guys what to do. Then when I leave the locker room, it is very important that Derrick and Jon reinforce what I tell them."

The Mustangs had four significant players graduate: starting forwards Ike Ofoegbu and Devon Pearson, along with part-time starters in center Donatas Rackauskas and guard Dez Willingham. Ofoegbu was an all-conference performer who led the team in scoring (14.2) and rebounding (7.6) while Pearson was second in both categories (9.6 points and 6.2 rebounds). Rackauskas was third in rebounding (5.7) and tallied 7.8 points per game. Willingham averaged 5.4 points and two assists per contest.

That means the Ponies will need the newcomers to play a critical role early. With that in mind, the entire team enrolled in the first session of summer school to have time to work together.

"It is a big challenge. We will have to get these young guys up and running quickly," says Doherty. "It is a challenge, but I think it is going to be a fun challenge because they are good guys. They were all here for summer school and I think that that helped form some chemistry among them. They also got to understand the work ethic it would entail, because they spent a lot of time in the weight room and running on the track. That will make the transition this fall a lot easier for them."

Senior Guard Jon Killen

Part of the new era is the opening of the Crum Basketball Center. The state-of-the-art $13-million, 43,000 square-foot basketball training center features two full-size courts, new locker rooms, a fully equipped training and rehabilitation room with in-ground hydrotherapy pools, and a customized strength and conditioning room. It also includes new coaches' offices, conference facilities, and film editing rooms. It is also directly connected to Moody Coliseum via tunnel.

"I think it is exciting that we will be in the Crum Center this season. It creates an energy in our program that will benefit our team tremendously. Our coaches will benefit from it, and our fans will benefit from, because ultimately it will help us put a better team on the floor," Doherty explains.

Part of the excitement for the second stanza is residual from last season. It started with a tip-in at the buzzer in the opener to defeat Illinois State and the final home game saw the Mustangs go toe-to-toe with sixth ranked Memphis in a thrilling 64-61 contest. In the process, the Ponies improved their RPI rank by more than 60 spots from the previous season while finishing with a 14-17 record. The squad allowed the opponents just 62.7 points per game, which was the third-best scoring defense in SMU history. The season also included a seven-game winning streak which was the longest since 1999-2000 and an 11-3 start that was the best since 2000-01.

"Last year, even though we didn't perform as well as we would have liked in league play, I thought our kids did a good job of staying the course," says Doherty. "We never seemed to have the same team on the floor in January and February due to injury and suspension, but the focus culminated with a good effort against Memphis at home. Even though we lost, we had a chance to win that ballgame against one of the best teams in the country."

With the cornerstone of the first season in the books, the program is set for a bright future.

"I think the foundation is laid, in terms of the culture and character of our team, for a bright future and that will lead into this season."

STYLE OF PLAY

Coach Doherty and the Mustangs will look different this season in terms of personnel and style. The Ponies expect to be deeper and better ball handlers to allow pushing the pace in 2007-08. Last season, the Mustangs played a grinding style that saw the team finish third in the league in scoring defense (62.6) and 11th in scoring (62.7). The squad also struggled at times handling the ball, averaging 16.2 turnovers and 12.5 assists. Part of the slower pace was dictated by depth as SMU had eight primary players, but rarely had all of them available due to injuries or suspensions.

"You will see us push the ball a little bit more this year. Partially because we will have guys that can handle and pass the ball and that we will have a little bit more depth," emphasizes Doherty. "I look for our assist to turnover ratio to be positive. Last year it was negative; we had more turnovers than assists. The other thing is that we will play a little faster. With the ability to handle the ball and shoot the ball a little better, I want to try and score in the first 10 seconds of the shot clock before the defense gets set."

The Mustangs will also change up the defense.

"Last season, we started out playing a pressure half-court man-to-man defense, but once league play started and we were playing against smaller, quicker teams; they drove us too much," says Doherty. "We will have two versions of the man-to-man defense. We have the pressure man-to-man in the half court and more of a containment man-to-man where you are guarding the three-point line and in to protect against dribble penetration. We will also play 10-20 percent zone. We played a little more zone last year than I would typically like."

COACHING STAFF

Doherty's coaching staff this season closely resembles that of last season. Assistant coaches Steve Lutz and Lance Irvin return with Malcolm Farmer as the Director of Operations.

"First of all, it is nice to be in a place for a second year. I was at FAU for one year and at Notre Dame for one year," says Doherty.

Milton Barnes is the newest member of the staff, joining the Mustangs as the Associate Head Coach in July. He replaced Mike Garland, who returned to Michigan State.

"I am glad to be here with generally the same staff. Mike Garland left to go back to Michigan State, where he spent seven years. He was a college roommate of Tom Izzo, and it made sense for him to do that and I supported that. That created an opportunity to hire someone, and we hired a great coach in Milton Barnes. He was an assistant at Minnesota for many years and helped put together the Final Four team they had. Then he became the head coach at Eastern Michigan and went to the NCAA Tournament."

Barnes came to the Hilltop with championship coaching and administrative experience at every level of basketball over 28 years; he spent the last two years as a college scout for the Washington Wizards, coached an NBDL title with Greenville (S.C.) in 2002, a Goodwill

Games Gold Medal with Team USA in 1998, and a Mid-American Conference Tournament crown as the head coach at Eastern Michigan in 1998. He has also helped 19 players reach the NBA, including Bobby Jackson and Earl Boykins.

"I like having an experienced associate head coach, someone that has been a head coach. He was the head coach of an NBDL team that won the championship, so Milton knows how to coach. He knows how to lead and manage people and that's not easy to do in the NBDL. He lost two of his best players to the NBA and still managed to win the championship. He is a proven recruiter and a proven evaluator. His experience will not only help our players, it'll help our assistants. It will help Steve, Lance, and Malcolm as they grow in their careers."

The basketball staff combines 68 years of collegiate coaching with 12 conference crowns and nine conference tournament championships. They have earned 24 postseason appearances, including 16 bids to the NCAA Tournament with 10 trips to the Sweet 16, eight Elite Eights, three Final Fours and one National Championship. The coaching success also includes more than 40 players that have gone on to the NBA.

BACK COURT

The Mustangs return captains Jon Killen (G, 6-4, 195, Sr.) and Derrick Roberts (G, 6-4, 198, Sr.) in the back court. They are joined by Ryan Harp (G, 6-4, 180, Fr.), Bennie Rhodes (G, 6-6, 185, Fr.), and Mike Walker (G, 6-0, 190, Fr.).

"The thing that excites me about Jon and Derrick is their athleticism and their ability to defend," stats Doherty. "They are going to be very good defenders for us."

Killen led the Mustangs with 4.87 assists per outing, which was fourth in Conference USA. It was also the most by a Mustang since 1992-93. Killen also was a scoring threat, finishing fifth on the team at 8.0 points per game. On the defensive end, he gathered 1.74 steals per night to finish third in the league.

"Jon Killen will play some point-guard and two-guard. I think his natural position is that of a two. He seems more comfortable in that position, but he played a lot of point for us last year and did a terrific job."

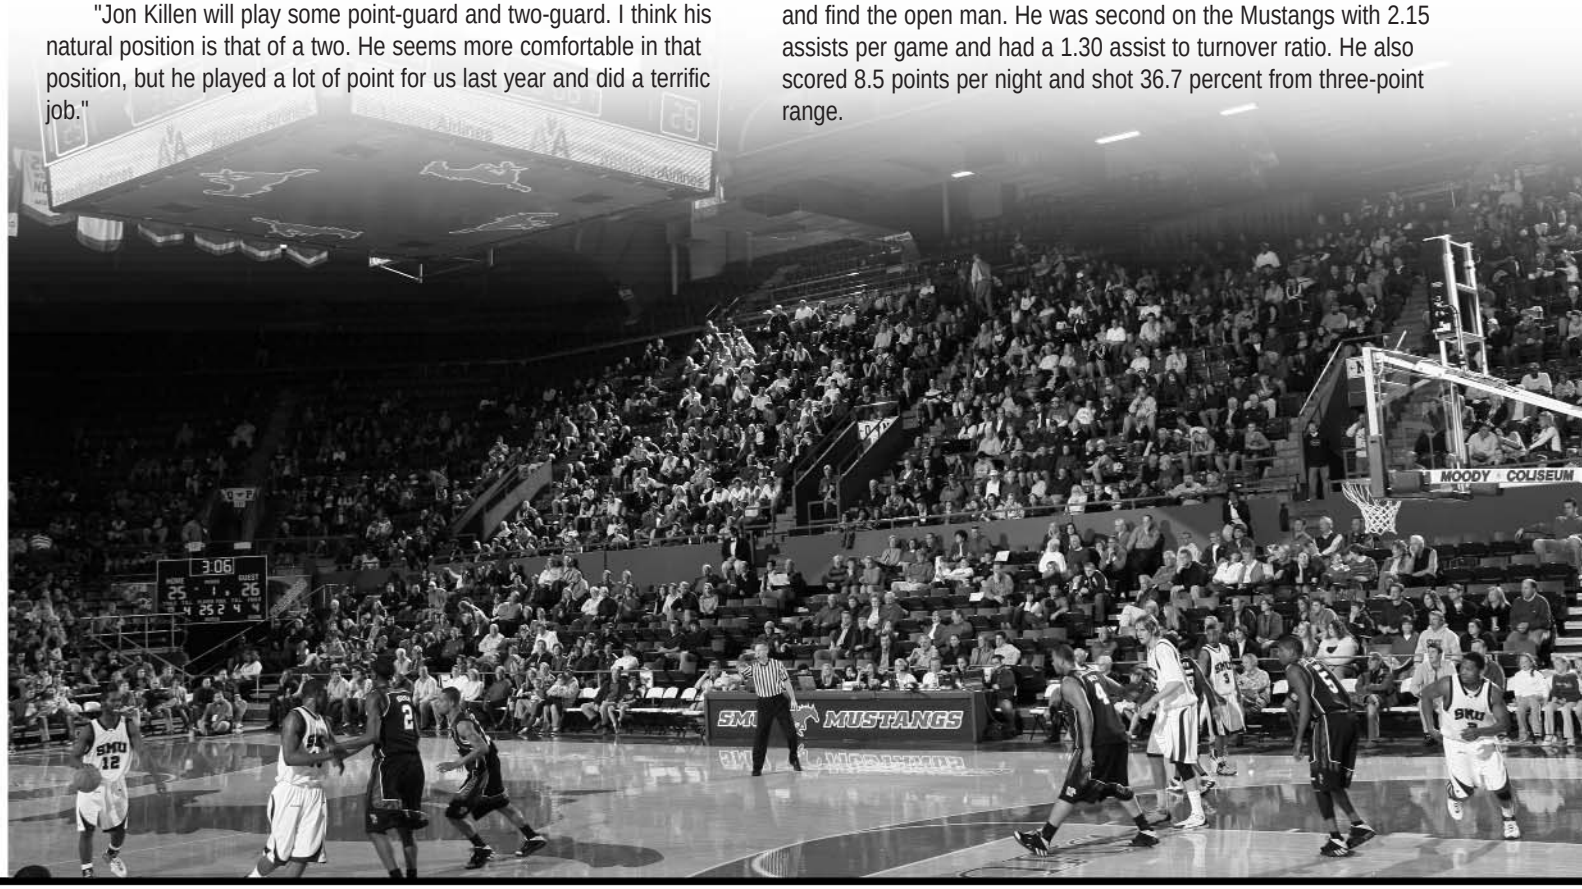
Roberts can shoot from the perimeter or penetrate to the basket and find the open man. He was second on the Mustangs with 2.15 assists per game and had a 1.30 assist to turnover ratio. He also scored 8.5 points per night and shot 36.7 percent from three-point range.



"Derrick Roberts will probably be more of a swingman for us this season. He will play some shooting guard and some at small forward."

The newcomers will have to step in immediately with only two returning players on the perimeter.

Walker is a point guard from South Kent School in Connecticut. He averaged 12 points and five assists as a team captain last season. His basketball roots are deep as his father Mike coached at Iowa after playing careers at Bowling Green State and for the Indiana Pacers.

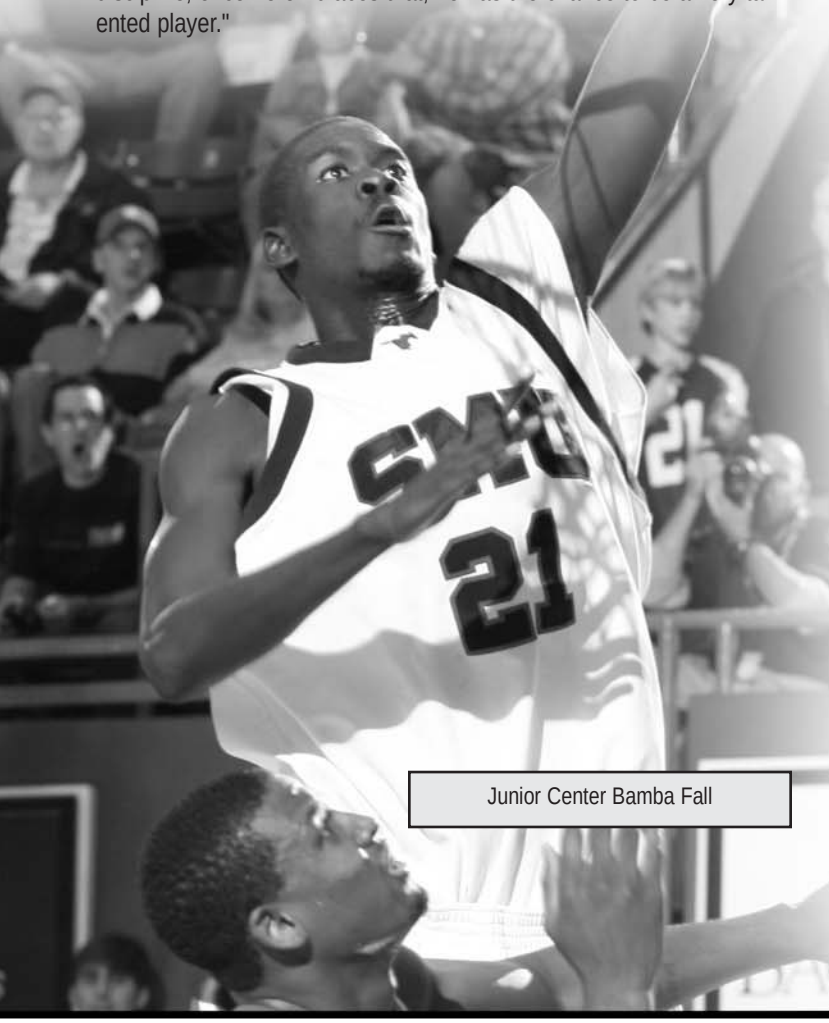
"Mike Walker will play a lot at the point," says Doherty. "He is really a strong, athletic guard that can guard the ball and get into the paint. He makes great decisions with the basketball, and I am looking forward to his development. We are going to lean on him a lot at the point."

Harp is a left-handed shooting guard from Cooper High School in Abilene, Texas. He scored 2,010 points in his career and was first-team All-State as a senior after averaging 21.9 points, 8.8 rebounds, and three assists. Also the son of a coach, his father Dennis coached at Hardin-Simmons.

"Ryan Harp will play primarily a two-guard position for us. He is the son of a coach and he really knows how to play. He plays very hard, and he can pass, handle, and shoot the ball. Ryan will see significant time at the two-guard position."

Rhodes averaged 19 points, nine rebounds, and seven assists last season at Mt. Zion Academy in North Carolina. Before Mt. Zion, he was a four-time all-league selection and a three-time all-metro honoree in Oakland, Calif.

"Bennie can probably play three perimeter positions. I think he can be a really good defender; he has quick feet and long arms. He just needs to settle in and get comfortable. He needs some structure and discipline, once he embraces that, he has the chance to be a very talented player."



Junior Center Bamba Fall

Senior Forward Paulius Ritter

FRONT COURT

The Mustangs' lost three significant pieces along the frontline in all-conference performer Ike Ofoegbu (F, 6-8, 225), fellow starter Devon Pearson (F, 6-6, 235), and part-time starter Donatas Rackauskas (F/C, 6-11, 245). The Ponies return Conference USA All-defensive selection Bamba Fall (C, 7-1, 210, Jr.) along with reserves Paulius Ritter (F, 6-7, 255, Sr.) and Cameron Spencer (F, 6-8, 220, So.). The incoming class features Papa Dia (F, 6-9, 250, Fr.), Tomasz Kwiatkoski (C, 7-1, 245, Fr.), Alex Malone (G/F, 6-8, 185), and Robert Nyakundi (F, 6-8, 200).

Bamba Fall returns after he had the honor of playing for the Senegalese national team in the African Games, an Olympic qualifying event. Last season, he led Conference USA with 2.48 blocks per game. He owns the SMU blocks record in a season for a freshman (53) and a sophomore (62). Last year he also had 7.1 points and 4.7 rebounds per contest while shooting a team-best 54.4 percent from the field. Fall also improved his free throw shooting to 83.3 percent (20-24) in conference play from 55.6 percent (20-36) in non-league action.

"Bamba has made terrific strides over the last year in his strength. He has also improved his shooting ability and his jump hook, so much so that the Senegalese national team invited him to play and represent his country in the African Games. His progress has been very impressive. I think his confidence will come through this year, and you will hopefully see a different player in Bamba Fall."

Spencer played in 19 games as a freshman reserve, totaling 15 points and 27 rebounds. In his lone start, the game against North Carolina A&T, Spencer grabbed 10 boards.

"Cameron struggled at times with the adjustment to college basketball and all the demands," explains Doherty. "If he embraces the discipline, the hard work, and the level of intensity if takes to play at the college level, he can be a significant contributor for us at the power forward spot."

The lone frontline senior is Paulius Ritter. He saw time in 18 games as a junior, but played more extensively when the Mustangs had injury problems down the stretch in conference play.

"Paulius made great strides as a person and a student. He was a terrific practice player for us last season, and will add value in practice. I don't know how much time he will get on the floor, but he is an integral part of our team."

Papa Dia comes to the Hilltop as the most highly touted of the newcomers. He was top-75 nationally according to several outlets and begins his career at 6-9 and 250 pounds. He makes his was to SMU via South Kent School along with his teammate Mike Walker. Dia is also a native of St. Louis, Senegal, the same hometown as Bamba Fall.

"Papa Dia can play either post position. He is truly a talented player with great hands that can really rebound and can score inside. I would see Papa Dia getting significant time at the four spot and the five

because he can score, block shots, and rebound. The biggest thing with Papa is conditioning. He has some back issues that we discovered this summer, but they will be addressed and he should be close to 100 percent, if not 100 percent by the time practice starts. If he is in good shape, he will have a heck of a year."

Tomasz Kwiatkowski brings a large frame and high-level international experience. He averaged six points and seven rebounds last year at Lee Academy in Maine. Before coming to the U.S., he played for the U-18 and U-16 Polish National Teams. He also helped his high school in Wloclawek, Poland, win the 2006 State championship.

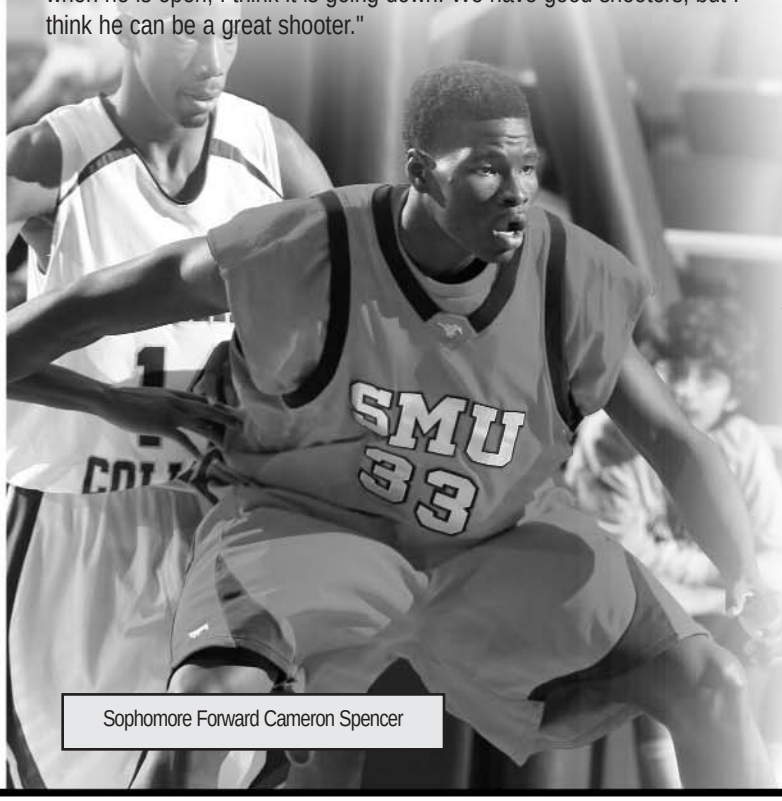
"Tomasz will be a pleasant surprise. He is a big body who knows how to play and is a physical player. When we go against some bigger schools, he will have the ability to bang and rebound in the post."

Alex Malone is another Texas native, hailing from Timberview High School in Mansfield. He was all-district as a junior and senior and was rated as high as 22nd for Texas prospects by Texas Hoops. During the summer, he played for the Global Games All-Americans in the Global Games at Moody Coliseum where he average six points and 5.3 boards.

"Alex Malone is very talented and skilled," adds Doherty. "We have talked about toughness because he has to improve in that area and I think he has. If Alex embraces the toughness, he can be an outstanding player because he has a skill package at 6-8 that is really special."

Robert Nyakundi also played for the Global Games All-Americans this summer. In his only game, he had six points, four rebounds, a block, and a steal in 18 minutes before a foot injury caused him to miss the rest of the tournament. He was an all-district and all-region performer last season at Bowie High School in Arlington, Texas, and was rated number 76 in the state by Texas Hoops.

"Robert is a combo forward between the three and the four spot, and was a little under the radar. The thing I loved about Robert is his ability to shoot the basketball and that he knows how to play the game. He is not an explosive athlete, but he can really pass the basketball, shoot the ball, and he knows how to move without the ball," elaborates Doherty. "He is a strong young man and will be one of our guys that when he is open, I think it is going down. We have good shooters, but I think he can be a great shooter."



Sophomore Forward Cameron Spencer

INTERNATIONAL EXPERIENCE

Three of this season's Mustangs saw international action this summer. Bamba Fall was selected to the Senegalese National Team for the African Games in Angola. Incoming freshmen, Alex Malone and Robert Nyakundi played for the Global Games All-Americans in the Global Games at Moody Coliseum. Fellow freshman Tomasz Kwiatkowski played for his native Poland in international U-16 and U-18 events before coming to the U.S.

"I think it is great for them to play internationally because they get to play against talented players and physical players," emphasizes Doherty. "I watched some of the Global Games and Alex was getting knocked around a little bit and that was good because he got back up. I think anytime a player can get that kind of exposure and that kind of experience not only playing against good competition, but practicing against high-level players, it is a good experience."

SCHEDULE

The Mustangs 29-game schedule features 13 non-league matchups and 16 Conference USA contests. The Ponies will have 18 home games at Moody Coliseum and play a total of 22 events in the state of Texas. The Conference USA Championship returns to the FedEx Forum in Memphis from March 12-15.

The 13-game non-conference schedule features two home invitational events and a total of 10 home dates. The three road dates are visits to Dayton of the Atlantic 10 on Nov. 24, UT-San Antonio of the Southland on Dec. 1, and concludes with Colorado of the Big 12 on Jan. 4. The season begins Nov. 10 and 11 with the Mustangs hosting the inaugural Tip-Off Classic with matchups against Southern and Alabama State. The inaugural Holiday Classic provides the other bookend of the home non-league slate, as the Ponies host in-state opponents Stephen F. Austin and Texas State on Dec. 29 and 30. The matchup with DFW Metroplex rival TCU is Dec. 5 at Moody Coliseum.The rest of the non-conference calendar includes home contests with Centenary on Nov. 17, Paul Quinn on Nov. 27, Houston Baptist on Dec. 9, SC-Upstate on Dec. 18, and Prairie View A&M on Dec. 20.

"The non-conference schedule doesn't have a lot of marquee names, but that doesn't mean they are not good teams," says Doherty. "With seven freshmen, we felt that it was important to have a lot of home games and plan a less rugged non-conference schedule before a tough run through Conference USA."

The Conference USA slate will feature home and home meetings with defending champion Memphis as well as Houston, Rice, Tulsa, and UTEP. The Mustangs will also host Marshall, UAB, and UCF with visits to East Carolina, Southern Miss, and Tulane.

"Memphis will be Memphis again and probably even better; they lost Jeremy Hunt, but they brought in Derrick Rose who is one of the best guards in the country," state Doherty. "UAB will be significantly better because they had three very good players sitting out. Southern Miss is a team not a lot of people are talking about, but they had a lot of talented freshmen last year, and I look for them to be in the top-four teams in the league. Houston will be better because they were talented last year and they had Lanny Smith sitting out. I think those are the four teams we will see at the top of the league right now."

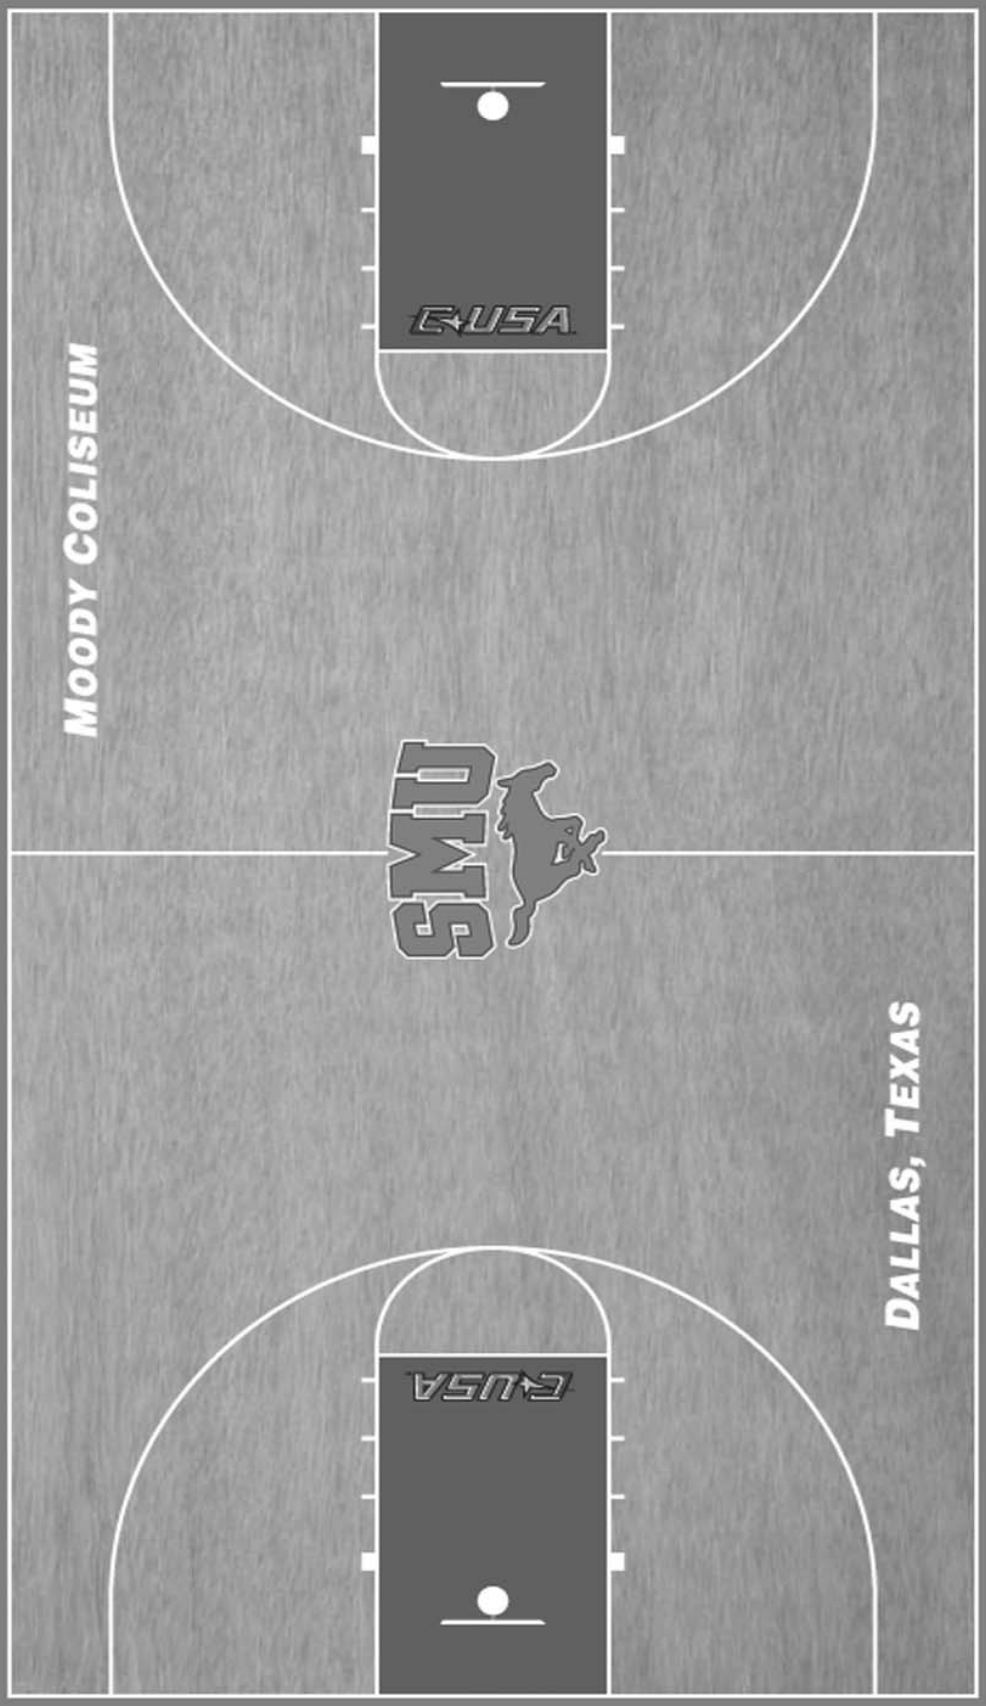
MUSTANGS



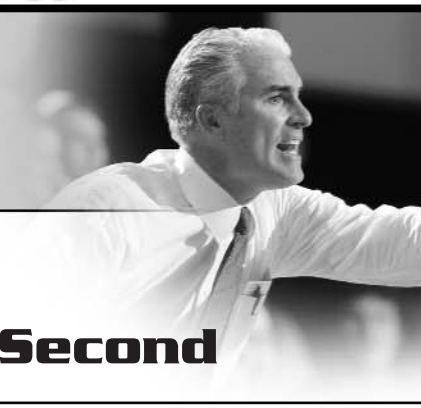
COACHES & STAFF

MATT DOHERTY

Head Coach

North Carolina 1984

Overall: Seventh, SMU: Second



Head Coach Matt Doherty is entering his 17th season of coaching, seventh as a head coach, with eight NCAA Tournament berths, seven conference titles, a Final Four appearance and the 2001 Associated Press National Coach of the Year award. He has also coached 21 players that have gone on to the NBA.

Doherty was named the head men's basketball coach at SMU by Director of Athletics Steve Orsini on April 24, 2006. Doherty is the 19th head coach in SMU history and is one of most heralded coaches ever to come to the Hilltop.

Doherty's first season on the Hilltop energized the program. The Mustangs broke ground on the $13-million, 43,000 square-foot Crum Basketball Center, unveiled a million-dollar scoreboard/video board, played on national television a program record six times, and signed a recruiting class ranked as high as 24th nationally. On the floor, the Mustangs improved their RPI rank by more than 60 spots from the previous season while finishing with a 14-17 record. The squad allowed the opponents just 62.7 points per game, which was the third-best scoring defense in SMU history. The season also included a seven-game winning streak which was the longest since 1999-2000 and an 11-3 start that was the best since 2000-01.

Doherty came to the Hilltop after spending the 2005-06 campaign as the head coach at Florida Atlantic, where he led the Owls to a 15-13 season that included a 14-6 record in Atlantic Sun play, the best in school history. The 15 wins were also five more than FAU had managed in the year prior to his arrival.

Doherty possesses a dynamic basketball background that includes coaching at the highest levels as well as affiliations with some of the best teams, coaches and players in the game's history.

As a player, Doherty earned national recognition as a collegian at North Carolina, where he played in 129 games from 1980-84 under legendary coach Dean Smith. Doherty was a starter as a sophomore on UNC's 1982 National Championship team that went 32-2, playing alongside Michael Jordan and James Worthy. In all, North Carolina won at least 28 games in each of the four seasons Doherty starred as small forward and garnered three ACC regular season and two ACC Tournament titles, as well as four NCAA Tournament appearances. Doherty became only the second player in ACC history to post 1,000 points, 400 rebounds and 400 assists in a career. In his four years, North Carolina went 117-21 (.848).

As a senior, Doherty received the Jim Tatum Award, which is given to the UNC student-athlete with the most outstanding achievements in his or her sport while constructively participating in the community. He graduated in four years and received a Bachelor of Science degree in Business Administration in 1984.

He began his coaching career in 1989 with a three-year stint as an assistant at Davidson College. He then moved on to Kansas, where he spent seven years as an assistant with Roy Williams and one of the nation's top programs. During his time in Lawrence, the Jayhawks went 202-42 (.828), posting an average of 29 wins per season. Doherty recruited eight McDonald's All-Americans and coached five All-Americans and eight future NBA players. Those recruits included Jacque Vaughn, Raef LaFrentz, Paul Pierce, Drew Gooden, Kirk Hinrich and Nick Collison. Kansas would win six conference championships and play in the NCAA Tournament in each of Doherty's seasons, reaching the 1993 Final Four.

In 1999, he was named head coach of Notre Dame, and guided the Fighting Irish to their best season in a decade. In just one season, he turned around a team that was without a 20-win season since 1988-89. By the time the year ended, the Fighting Irish had finished with a 22-15 record, defeated five ranked opponents and played in the championship game of the NIT. That season, Doherty led Notre Dame to a pair of victories over defending national champion Connecticut. He also coached future NBA players Troy Murphy, Ryan Humphrey and Matt Carroll.

Following his extraordinary season in South Bend, Doherty was named the head coach at North Carolina, his alma mater, in 2000. In his first season at UNC, Doherty led the Tar Heels to a 26-7 record and was named Associated Press National Coach of the Year. The team won the Atlantic Coast Conference regular season co-championship and advanced to the second round of the NCAA Tournament. UNC earned a No. 1 ranking during the season and two Tar Heels, Brendan Haywood and Joe Forte, were tabbed All-Americans and became first-round NBA draft choices. Doherty capped off his first year by putting together one of the top-five recruiting classes in the nation.

Doherty's reputation as one of the nation's top recruiters continued in his second season at North Carolina, when he signed Raymond Felton, Sean May and Rashad McCants, all of whom would play instrumental roles on North Carolina's 2005 National Championship team. In his final year at North Carolina, Doherty's team won the Preseason National Invitation Tournament and was ranked as high as No. 12 in the nation before advancing to the NIT following the season.

After his time in Chapel Hill, his basketball success made him a natural as an analyst, a role he has served for ESPN-plus and CSTV in various capacities since 2003. Doherty has also worked as a scout for the NBA's New York Knicks.

He was born Matthew Francis Doherty on Feb. 25, 1962 in East Meadow, N.Y. He and his wife, the former Kelly Propst of Concord, N.C., are the parents of Tucker (June 1997) and a daughter, Hattie (September 1999).

1999-2000 Notre Dame: Doherty was named head coach of Notre Dame, and guided the Fighting Irish to their best season in a decade. In just one season, he turned around a team that was without a 20-win season since 1988-89. By the time the year ended, the Fighting Irish had finished with a 22-15 record, defeated five ranked opponents and played in the championship game of the NIT. That season, Doherty led Notre Dame to a pair of victories over defending national champion Connecticut. He also coached future NBA players Troy Murphy, Ryan Humphrey and Matt Carroll.

2001-02 UNC: Even though the victories on the floor were limited, Doherty's reputation as one of the nation's top recruiters continued in his second season at North Carolina. He signed Raymond Felton, Sean May and Rashad McCants, all of whom would play instrumental roles on North Carolina's 2005 National Championship team. The team's biggest win was a 92-76 over 15th-ranked St. Joseph's on Dec. 22.

2006-07 SMU: The Mustangs finished 14-17 in head coach Matt Doherty's first season on the Hilltop. The 2006-07 season included a long list of on and off the floor highlights as Doherty and his staff set a foundation for the future. The Mustangs broke ground on the $13-million, 43,000 square-foot Crum Basketball Center, unveiled the new million-dollar scoreboard and video board in Moody Coliseum on Dec. 30. The Mustangs also made headlines during the early signing period as the incoming class of five freshmen was ranked as high as 24th nationally. On the floor, the Mustangs improved their RPI rank by more than 60 spots from the previous season while finishing with a 14-17 record. The team had a school-record six regular-season games on national television, a seven-game winning streak which was the longest since 1999-2000, and the 11-3 start was the best since 2000-01. The team allowed the opponents just 62.7 points per game, which was the third-best scoring defense in SMU history. Senior forward Ike Ofoegbu was named All-Conference USA third-team after leading the Mustangs with 14.5 points and 7.6 rebounds per game. Ofoegbu also led Conference USA with 10 double-doubles on the season and shot a league-best 51.3 percent from three-point range in conference play. Sophomore center Bamba Fall earned C-USA All-defensive team honors after leading the conference with 2.48 blocks per game. Fall also set the SMU sophomore record with 62 blocks in 25 games, breaking Jon Koncak's mark of 54 from 1982-83. Junior guard Jon Killen led the team with 4.87 assists per game, which was the most at SMU in 14 seasons. Senior forward/center Donatas Rackauskas was named to the ESPN The Magazine Academic All-District 6 Team. Rackauskas and Killen were also named to the Conference USA All-Academic Team. Those two plus freshman guard Mike Norton were selected to the C-USA Commissioner's Honor Roll.

His coaching experience includes an NBDL title with Greenville (S.C.) in 2002, a Goodwill Games Gold Medal with Team USA in 1998, and a Mid-American Conference Tournament crown as the head coach at Eastern Michigan in 1998. He has also helped several players reach the NBA, including Bobby Jackson and Earl Boykins.

"His varied experiences are a great asset to our coaching staff and our student-athletes," says Doherty. "He will be a great representative for Mustang Basketball."

At the professional level, Barnes has spent the last two seasons as a college scout for the Washington Wizards of the NBA. There he scouted 2007 draftees Nick Young and Dominic McGuire. In 2001-02, Barnes was the head coach and general manager for the NBDL in Greenville, S.C. guiding Greenville to the inaugural NBDL Championship. He had several players move on to the NBA including Ansu Sesay (Seattle Supersonics), Billy Thomas (New Jersey Nets/Washington Wizards), Kimani Ffriend (Miami Heat) and others who played overseas. His NBDL title was book-ended by one-year stints with Harlem Globetrotters, the second as head coach and general manager. He has also been involved with numerous NBA pre-draft camps and was the Commissioner of the World Basketball League in 2003-04, a league of NBA hopefuls that had expired their college eligibility.

"I am honored to be a part of one of the nation's great universities and great cities," stated Barnes. "I am blessed to work with outstanding coaches in Matt Doherty and his staff. It is my privilege to be part of the resurgence of SMU onto the college basketball scene."

At the collegiate level, Barnes went 62-53 in four years at Eastern Michigan (1996-2000). He was also the head coach for the Organizer News All-Stars (1980).

Barnes' involvement in international basketball continues as an assistant coach for Senegal's National Team in preparation for the 2008 Olympics. He served in a similar role for the Nigerian National Team during the 2006 World Basketball Championships in Japan. Barnes' first international coaching stint was an assistant coach for the 1998 USA Basketball team, which won the Gold Medal at the Goodwill Games in New York.

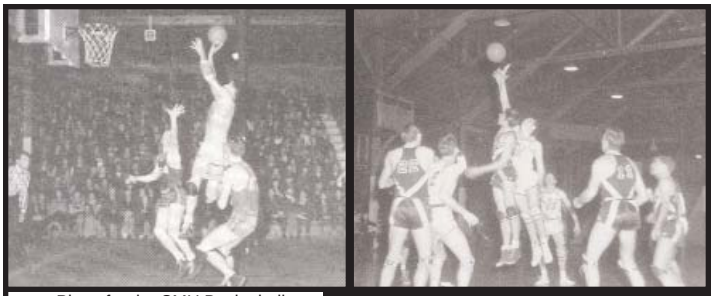
SMU Gym
1919-26
Cost: $24,000
Capacity: 902

SMU Gym opened for the 1919-20 season and was the first "home" for SMU basketball. The Mustangs played their first two seasons at the Dallas Y.M.C.A. It was originally scheduled to open for the 1918-19 season, but was pushed back due to WWI.

The building was expanded before the 1922-23 school year to make room for more physical education classes.



SMU Basketball Pavilion
1926-42
Cost: $100,000
Capacity: 3,500

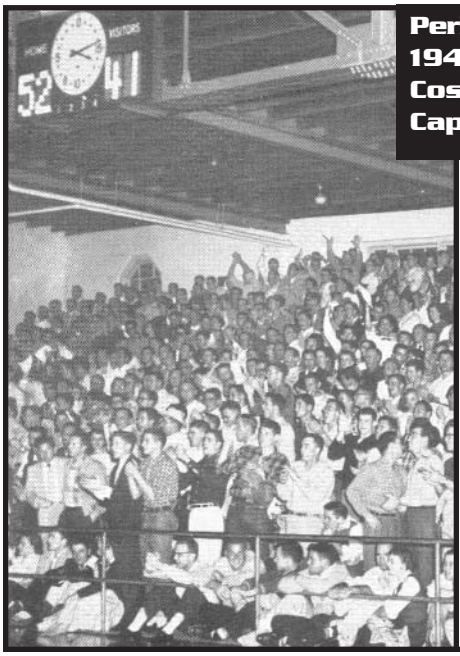
Plans for the SMU Basketball Pavilion were announced in 1924 and the building opened for the 1926-27 season. The gym also housed the university's physical education classes.

The Pavilion featured a full-size wood floor and sufficient lightning. Construction was initiated after some Southwest Conference teams threatened not to play at SMU due to a small court and inadequate facilities.

The new facility also made viewing available to the general public for the first time. SMU Gym's seating capacity liomited spectating to students and a few friends.

The Texas Longhorn basketball players raised $50 and presented it to the University for the first cash contribution toward the facility. The Longhorns agreed to later shingle the roof of the new Gym while they were in Dallas as SMU's guests to watch SMU's undefeated football team play on New Year's Day.

The Pavilion was later used for indoor tennis matches after Perkins Gym was built.



Perkins Gym
1942-56
Cost: $167,000
Capacity: 4,000

Perkins Gym opened for the 1942-43 season and was the home for the Mustangs until Moody Coliseum opened in 1956.

The facility was named for Mr. and Mrs. J.J. Perkins of Wichita Falls based upon their generous donation. It was also the last SMU building built before the conclusion of WWII.

After basketball moved to Moody Coliseum, it became Perkins Natatorium and is still used for SMU men's and women's swimming and diving.

Moody Coliseum
1956-present
Cost: $2,500,000
Capacity: 8,998

Moody Coliseum has been the home of SMU basketball since Dec. 3, 1956, when the Mustangs defeated McMurry, 113-36. When the building opened in 1956, it was known simply as SMU Coliseum. In 1965, the arena was named Moody Coliseum in honor of W.L. Moody, Jr.

The Coliseum has undergone several changes over the years to modernize the facility. A new playing surface with a new florr design was installed before the 2007-08 basketball season. That followed a new scoreboard/videoboard that was installed in Dec. 2006.

In 1980-81, the newly remodeled E.O. (Doc) Hayes Memorial Dressing Room was opened. In 1984, a new scoreboard was installed over the center circle and new chairback seats were built at floor level on the north side. In 1985, more chairback seats were added, this time in the west end. The original wood floor of Moody Coliseum was replaced with a new wood surface and new lighting was installed in August of 1986. In 1996, the court was redesigned to mark SMU's entry into the Western Athletic Conference. Shortly thereafter, significant improvements were made to the men's basketball locker room and players' lounge to help make Moody Coliseum one of the most attractive arenas in the nation.

Moody Coliseum was the site of the SWC Post-Season Classic in 1976 and hosted NCAA Regional tournament games, the World Championship of Tennis Finals, the Virginia Slims of Dallas tennis championship, the Rolex National Indoor Intercollegiate Tennis Championships, the McDonald's High School All-American All-Star Game and the NABC College Basketball All-Star Game during the 1986 Final Four held in Dallas.

The Coliseum is used for a myriad of events, including cheerleader, drill team, and basketball camps throughout the summer. Several concerts and other sporting events have been held at Moody Coliseum in recent years. In the spring of 1992, President George Bush addressed SMU's seniors during their graduation ceremony at Moody Coliseum.

The largest crowds ever at Moody Coliseum have been 10,276 vs. Texas A&M and 10,091 vs. Texas, both in 1979. Changes in the seating arrangement in recent years have reduced the seating capacity to 9,007 and as of the 1995-96 season, to 8,998.

Prior to arriving at SMU, Tubbs was the head coach at Kimball High School in Dallas for eight years. He guided the Knights to a 232-42 record, which culminated with the Texas class 5-A state title in 1989-90, his final season . Tubbs' Kimball teams enjoyed five 30-win seasons.

Tubbs received his degree in History from Bishop College in 1972 and a Master's of Education in Guidance and Counseling from Prairie View A&M in 1976.

MATT DOHERTY
19th Head Coach
2nd Year: 2006-pres.
All: 14-17
C-USA: 3-13

Matt Doherty was named head coach at SMU on April 24, 2006, by Director of Athletics Steve Orsini.

Doherty's first season on the Hilltop energized the program. The Mustangs broke ground on the $13-million, 43,000 square-foot Crum Basketball Center, unveiled a million-dollar scoreboard/video board, played on national television a program record six times, and signed a recruiting class ranked as high as 24th nationally. On the floor, the Mustangs improved their RPI rank by more than 60 spots from the previous season while finishing with a 14-17 record. The squad allowed its opponents just 62.7 points per game, which was the third-best scoring defense in SMU history. The season also included a seven-game winning streak which was the longest since 1999-2000 and an 11-3 start that was the best since 2000-01.

Doherty came to the Hilltop with 16 previous seasons of collegiate coaching, six as a head coach, with eight NCAA Tournaments, seven conference titles, a Final Four appearance, and 21 players that had gone to the NBA.

Doherty joined SMU after spending the 2005-06 campaign as head coach at Florida Atlantic, where the Owls were 15-13, including a 14-6 record in Atlantic Sun play, the best in school history.

His coaching career started in 1989 with a three-year stint as an assistant at Davidson College. He then moved on to Kansas, where he was an an assistant to Roy Williams for seven seasons. During his time, the Jayhawks went 202-42 (.828). Doherty recruited eight McDonald's All-Americans and coached five All-Americans while the team won six conference titles and played in the NCAA Tournament in each season, reaching the 1993 Final Four.

In 1999, he was named head coach of Notre Dame, and guided the Fighting Irish to their best season in a decade. The squad finished with a 22-15 record, defeated five ranked opponents and played in the championship game of the NIT. That season, Doherty led Notre Dame to a pair of victories over defending national champion Connecticut.

Following his season at Notre Dame, he was named the head coach at North Carolina, his alma mater, in 2000. In his first season at UNC, the Tar Heels were 26-7 and Doherty was named AP National Coach of the Year. The team won the Atlantic Coast Conference regular season co-championship and advanced to the second round of the NCAA Tournament. UNC earned a No. 1 ranking during the season and two Tar Heels were tabbed All-Americans and became first-round NBA draft choices. Doherty capped off his first year by putting together one of the top-five recruiting classes in the nation. Doherty's reputation as one of the nation's top recruiters continued in his second season at North Carolina, when he signed Raymond Felton, Sean May and Rashad McCants, all of whom would play instrumental roles on North Carolina's 2005 National Championship team. In his final year at North Carolina, Doherty's team won the Preseason NIT and was ranked as high as No. 12 in the nation before advancing to the NIT following the season.

After his time at UNC, he served as an analyst for ESPN, CSTV and C-SET (Carolinas Sports Entertainment TV). He was also a scout for the NBA's New York Knicks until taking the reigns at FAU.

As a player at North Carolina, he played in 129 games from 1980-84 under legendary coach Dean Smith. Doherty was a starter as a sophomore on UNC's 1982 National Championship (32-2), playing alongside Michael Jordan and James Worthy. UNC won at least 28 games in each of the four seasons he starred as small forward; garnering three ACC regular season and two ACC Tournament titles, as well as four NCAA appearances. Doherty became only the second player in ACC history to post 1,000 points, 400 rebounds and 400 assists in a career. In his four years, UNC went 117-21 (.848). He received a Bachelor of Science degree in Business Administration in 1984.

2006-07: SMU broke ground on the $13-million, 43,000 sq.-foot Crum Basketball Center, unveiled the million-dollar video/scoreboard in Moody Coliseum, and signed five freshmen in the early period that as a group were ranked as high as 25th nationally. Two late signings made it seven in Doherty's inaugural recruiting class. SMU had a team-record 6 regular-season games on national TV. On the floor, the RPI improved more than 60 spots from 2005-06, a 7-game win-streak which was the best since 1999-00, and the 11-3 start was the best since 2000-01. The team allowed 62.7 pts/gm, which was the 3rd-best at SMU. Ofoegbu was named All-C-USA 3rd-team (led team 14.5 pts, 7.6 rebs), C-USA high 10 double-doubles and shot a league-best 51.3 percent on 3FG in C-USA play. Fall earned C-USA All-defensive honors (led C-USA with 2.48 blocks/gm). Fall set SMU soph. record with 62 blocks, breaking Jon Koncak's 54 from 1982-83. Killen led SMU with 4.87 assists/gm (most at SMU in 14 seasons). Rackauskas made *ESPN The Magazine* Academic All-District 6. He and Killen were C-USA All-Academic. Those two plus Norton made C-USA Commissioner's Honor Roll.

The Mustang Legend

Legend has it that when Ford Motor Company was preparing to introduce the sports car that would gain fame as the Mustang, it was considering other names such as Cougar, Bronco, Cheetah and Colt.

But during the 1963 football season, SMU took an undersized, but quick team to Ann Arbor to play a massive Michigan Wolverine squad. Michigan gained the early advantage, but had to fight off the feisty Ponies for a 27-16 win.

After the game, Ford's Lee Iacocca entered the SMU locker room and addressed the disappointed Mustangs.

"Today," Iacocca said, "After watching the SMU Mustangs play with such flair, we reached a decision. We will call our new car the Mustang. Because it will be light, like your team. It will be quick, like your team. And it will be sporty, like your team."

Ford's new car got its name, and the rest, as they say, is history.

R. GERALD TURNER

President

As the president of Southern Methodist University since 1995, R. Gerald Turner is leading an era of unprecedented progress at the University. The Campaign for SMU: A Time to Lead raised more than $542 million for academic programs, scholarships, professorships, and student life programs. A new strategic plan is guiding the University's advancement, and the Centennial Master Plan is the physical profile of the campus, including development of a new East Quad.

Beyond the campus, Gerald Turner serves on the boards of the United Way of Dallas, the Methodist Hospital Foundation, the Salvation Army of Dallas, and three publicly traded companies.

President Turner holds leadership positions in several higher education associations. He is co-chair of the Knight Commission on Intercollegiate Athletics and chair of the NCAA Subcommittee on Presidential Leadership of Internal and External Constituencies. He is the winner of the Henry Cohn Humanitarian Award of the Anti-Defamation League of Dallas and the Chief Executive Leadership Award from District Four of the Council for Advancement and Support of Education.

Before joining SMU, President Turner was the chancellor of the University of Mississippi. A native of New Boston, Texas, he earned a B.S. degree in psychology from Abilene Christian University and M.A. and Ph.D. degrees in psychology from the University of Texas at Austin. He and his wife, Gail, a native of Graham, Texas, have two daughters, both of whom live with their husbands in Dallas. Angela is a professional opera singer and the mother of Luke; Jessica, an SMU alumna, is a professional actress.

PAUL ROGERS

Faculty Athletic Representative

Paul Rogers, professor of law and the former dean of the SMU School of Law, is the university's faculty athletic representative and represents the university with Conference USA and the NCAA. Rogers formerly served as president of the Southwest Conference and was more recently on the NCAA Division I Academics/Eligibility/Compliance Cabinet. He was recently appointed to the National Advisory Committee for the National Football Foundation's Honor Society and also is a member of the Executive Committee of the Division I-A Faculty Athletics Representative Association.

In 1988, Dean Rogers was the principal drafter of the University's Manual of Governance for SMU Athletics and became the first chair of the SMU Athletic Council, which establishes academic and administrative policies for student-athletes at SMU. He continues to serve as a member of the council.

Prior to joining the SMU law faculty in 1980, he served on the law faculty at Loyola University of Chicago. He previously practiced law in Pennsylvania. Dean Rogers has earned two degrees (B.A., J.D.) from the University of Texas and an LL.M. from Columbia University.

Rogers served as dean of the School of Law from 1988-97. Earlier he served as associate dean for academic affairs at the Law School from 1982-86. He has co-authored a leading casebook on antitrust law, now in its fourth edition, and has written numerous articles on antitrust, regulated industries, contracts, commercial law and legal history. An avid baseball historian, he has published three books and a number of articles dealing with the history of baseball.

He is a member of the board of directors of Dispute Mediation Services and a former Trustee of the Dallas Bar Foundation. Dean Rogers is a fellow of the Dallas Bar, Texas Bar, and the American Bar Foundations. He also served as chair of the Ethics Oversight Committee for Dallas 2012 and is president of the Hall-Ruggles Chapter (Dallas-Fort Worth) of the Society of American Baseball Research.

President R. Gerald Turner talks to students on The Boulevard.

SMU ADMINISTRATION

STEVE ORSINI

Director of Athletics

Arriving on the Hilltop with over 25 years of experience in athletic administration, Steve Orsini began his tenure as the Director of Athletics at SMU on June 1, 2006. A little over a year into his tenure, Orsini has already created a tremendous sense of excitement for SMU fans.

Orsini made an immediate impact by hiring 2001 Associated Press National Coach of the Year Matt Doherty to lead the Mustang men's basketball program even before his first "official" day on the job. In his first year on the job, SMU was again the top-ranked Conference USA school in the U.S. Sports Academy Directors' Cup standings and has now been ranked as the top school in its conference for nine straight years.

In the classroom, 10 of SMU's 15 athletic programs scored a perfect 100 percent in the NCAA Graduation Success Rates, and all 15 of SMU's programs rated by the NCAA were equal to or better than the national average. Among the 119 NCAA Division I-A football-playing institutions, SMU had the fifth-highest percentage of its sports with 100 percent scores, with a .667 figure (10 of 15). Football was further honored when SMU received the American Football Coaches Association's 2006 Academic Achievement Award after the school recorded a 100 percent graduation rate for its football players. In all, SMU boasts a remarkable 97 percent refined graduation rate with 188 student-athletes being named to the Conference USA Commissioner's Honor Roll.

SMU is also seeing a construction boom under Orsini. SMU has embarked on a $60 million plan to build new facilities and improve existing ones. The $13-million, 43,000 square-foot Crum Basketball Center, a basketball-only practice facility, is under construction adjacent to Moody Coliseum and is expected to be finished in time for practice this fall. SMU also has plans for new tennis, golf and natatorium facilities as well as continued renovations to Moody Coliseum, which began last season with the installation of a new $900,000-dollar Daktronics videoboard and redesigned court.

His desire to strengthen the business model for SMU Athletics led to the creation of several new roles within the department and his desire to reach out to SMU fans has taken him out into the community and even led to the creation of a blog, "Mustang Musings," featuring himself, administrators and Mustang coaches. SMU is the only Division I-A athletic department to have a frequently-updated, multi-administrator blog.

"Steve Orsini has the right combination of skills to continue moving SMU's athletics program forward," said SMU President R. Gerald Turner. "In addition to his experience building an athletics program similar in size to ours, he has a love of Dallas and business expertise that is helping us build resources and fan support. He shares our commitment to competing at highest level, running a program with integrity, and graduating student athletes who are prepared for life after college."

1999-2002:	Senior Associate A.D, Georgia Tech
1994-1999:	Associate A.D. and Treasurer, U.S. Naval Academy Athletics Association
1993-94:	Sales Controller, Fujitsu-ICL Systems
1984-93:	Director of Administration/Ticket Manager, Dallas Cowboys
1981-84:	Assistant Business Manager & Ticket Manager, Notre Dame
1978-81:	Senior Accountant, Deloitte, Haskins & Sells

"I am here because SMU has a very successful program and is committed to providing all of the ingredients to build upon that success into greater success," said Orsini at his hiring. "We can be successful on a national level. My philosophy on how to have fun in athletics is spelled W-I-N. Our goal in every sport is to be in the top 25 in the nation - and for the ones that already are, I want them to be in the top 10. Collegiate athletics can excite the whole community, build school spirit and really create a sense of community."

Orsini came to SMU from the University of Central Florida, where he served as A.D. since June 2002. Orsini helped transform UCF into a top athletic program. He guided the Golden Knights to Conference USA membership and established the UCF Athletics Association, Inc., a private, non-profit, direct support organization of the University of Central Florida.

As part of a 70 percent increase in the department's budget during his tenure, Orsini increased funding for all sports while at UCF and the Golden Knights achieved immediate success under his leadership. During the 2004-05 academic year, six UCF teams advanced to NCAA play, including the men's basketball squad, which made its second consecutive trip to the NCAA Tournament. Competing in their last season in the Atlantic Sun Conference, the Golden Knights swept the league's all-sports awards, given to the top program in the conference, for the third straight year. UCF followed that up by advancing to the inaugural Conference USA Football Championship Game and its first-ever bowl appearance in the fall of 2005 after winning the C-USA Eastern Division crown. In all, 25 teams competed in postseason play during his time at UCF, and the Golden Knights posted their highest-ever NACDA Cup finishes in 2003-04 and 2004-05.

Orsini's tenure at UCF was marked by growth. He oversaw major facility additions and renovations at UCF, including the completion of the Wayne Densch Sports Center and the Nicholson Fieldhouse, two of the top athletic facilities in the nation. He also initiated plans and secured financing for a new on-campus football stadium, a softball stadium complex, a rowing boathouse and a convocation center and arena as part of a $270 million mixed-use development - all of which are set to open by the fall of 2007.

Orsini expanded the Golden Knight fan base, with UCF setting all-time records in football season ticket sales and in revenues generated through ticket sales, corporate sponsorships and fundraising. He also saw UCF set attendance records for football and men's and women's basketball contests.

Prior to his appointment at UCF, Orsini spent three years as senior associate director of athletics for the Georgia Tech Athletic Association. In that capacity he was responsible for administration and business affairs for the Yellow Jackets. He played a pivotal role in the expansion of the football and baseball stadiums and also served as the tournament manager for the 2002 NCAA Final Four in the Georgia Dome.

Orsini, 51, joined the Georgia Tech staff after five years as the Associate Athletics Director and Treasurer at the U.S. Naval Academy Athletic Association. Previously, he spent 10 years in administration with the Dallas Cowboys of the National Football League.

A native of Hummelstown, Pa., Orsini graduated from the University of Notre Dame in 1978 with a degree in Business Administration, majoring in accounting. He was a three-time letter winner at fullback on the Fighting Irish football team and was one of four team captains on the 1977 national championship squad.

After graduation, he spent three years as Senior Assistant Accountant and became a Certified Public Accountant (CPA) in the New York office of the national accounting firm Deloitte, Haskins and Sells.

He began his career in athletics administration in 1981 as Assistant Business Manager and Ticket Manager at Notre Dame and remained in that capacity for three years until leaving to join the Dallas Cowboys as ticket manager in 1984. He became Director of Administration for the Cowboys in 1989, serving in that capacity until 1993 when he went back into private business as the Sales Controller for Fujitsu-ICL Systems, Inc. in Dallas. He resumed his career in athletics administration at the Naval Academy in 1994.

During his time at Navy, Orsini was responsible for all business and legal affairs and helped increase the Athletic Association's revenue by 70 percent. Responsible for the development of the department of External Affairs while at Navy, the program set all-time records at the school for season ticket sales, marketing and sponsorship revenues and fan attendance during his tenure.

Orsini is married to the former Amy Kertesz of South Bend, Ind., and the couple has a daughter, Angela.
