McDowell was named the head football coach of Prairie View A&M on January 4, of 2022. He enters his second season as the head coach of PVAMU. The former NFL defensive standout is in his 11th season as a part of the Prairie View A&M coaching staff to include four seasons as an assistant head coach. He also coached the Panther corner backs for 23 seasons.

During the 2019 season, Jaylen Harris asserted himself as one of the most disruptive corner backs in the nation, leading the SWAC in total passes defended and ranking among the top 10 nationally in the category on his way to first-team All-SWAC honors.

In 2018, Ju'Anthony Parker earned first-team All-SWAC and BOXTOROW All-America honors for the second straight year while Harris had a career high in interceptions, and both players had interception returns for touchdowns.

While coaching safeties in 2017, Reggie Stubblefield emerged as the fourth leading tackler on the team (51 stops) while tying for second in interceptions (two), and leading the team in pass breakups (10).

In 2016, Marquice O'Leary was fourth on the team in tackles and third in passes defense.

Running back turned nickel back Arthur Lockett was sixth in tackles, tied for the team lead in interceptions, returning one for touchdown, and ranked second on the team in pass

In 2015, O'Leary earned second-team All-SWAC honors after ranking third on the team in both tackles (51) and pass defense (five) and second in interceptions (two).

In 2014, true freshman defensive back Damond Jackson flourished under McDowell's guidance as he earned a spot on the All-SWAC second team. Jackson finished third on the team with 80 tackles and 5.5 tackles for loss. He also broke up five passes and forced a fumble with one interception.

McDowell was challenged with working with one of the youngest units on the team entering the 2013 season as the majority of players in his unit had limited NCAA playing experience. At the end of the season, a pair of red-shirt freshmen corner backs in Joshua Holley and Foster Brown II finished fourth and fifth, respectively, on the team in tackles while also combining for 10 pass breakups.

McDowell played a big part in the career performance from safety Brian Medlock in 2012 as he earned All-SWAC Second Team Honors at safety during his senior campaign. Medlock led the Panthers with four interceptions in 2012 and finished tied for second in SWAC play in addition to defending a total of eight passes.

Under McDowell's watch, safety Corey Alston also had a big season as he completed his inaugural season at Prairie View A&M with 41 tackles and three pass breakups.

In his first year at PVAMU in 2011, McDowell inherited the youngest unit on the defensive side of the ball as only one player had made a start in a collegiate game. Despite the lack of experience, the Panthers received career highs from all of its safeties as Medlock led the way after finishing fifth on the team in tackles along with four pass breakups.

Born in Georgia and raised in Florida, McDowell was a four-year letterman at the University of Miami and earned a National Championship ring as a starter on the undefeated 1987 squad under former head coach Jimmy Johnson.

McDowell was also recognized by ESPN for his play on the gridiron that season as his knock down of a two-point attempt against longtime rival Florida State was featured as the 11th-best play that defined college football. He graduated with a degree in business management in 1989.

McDowell was drafted by the NFL's Houston Oilers in 1989 and immediately became a starter en route to earning First Team All-Rookie Accolades from Pro Football Weekly and Football News. After a solid rookie year, McDowell played a big part in the Oilers' success on the field as they posted five consecutive winning seasons and five AFC Playoff berths from 1989 to 1993. In 1991, McDowell earned NFL All-Pro Honors and was honored by the Oilers with the "Ed Block Memorial Courage Award" which acknowledged his courage

in the pursuit of professional excellence.

During his final season with the Oilers in 1994, McDowell was selected as the Houston Oilers' NFL Man of the Year for his work in the community. McDowell moved to the state of North Carolina prior to the 1995 season and helped usher in a new era as he played on the inaugural roster of the Carolina Panthers before retiring the next season.

Despite concluding his career in North Carolina, McDowell remained popular in the city of Houston for his work in both the business and community sectors. In 1995, he became one of the first two professional athletes to receive the Human Enrichment of Life "Young African American Achiever" award. During the same year, he became the first athlete ever to receive the Friends of Friends "Positive Influential African American Male" award. In 1996, McDowell earned the first "Warren Moon Athletic and Community Service Award" by Houston's United Negro College Fund which recognized former professional athletes who have excelled in their particular sport while improving the lives of others.

McDowell remained active in a variety of athletic ventures across the Houston area in addition to coaching on the high school level for several years. He has also completed NFL Minority Coaching Internships with the Green Bay Packers, Miami Dolphins and Houston Texans.

McDowell has two sons, Trey and Myles.

THE MCDOWELL ERA: McDowell enters his second season after being named head coach at PVAMU on Jan. 4, 2022. McDowell led the team to a Western Division Co-Championship title in his first season at the helm.

The former NFL defensive standout will be entering his 12th season as a part of the Prairie View A&M's program to include four seasons as an assistant head coach. He also coached the Panther's cornerbacks for three seasons.

Bubba McDowell will return a core of veteran players, especially on the offensive side of the ball. Last season the Panthers led the Conference in rushing offense (233.7 yds per game), third in scoring offense (29.8 yards per game) and fourth in total offense (378.6 per game).

Defensively in the backfield the Panthers will be young, but on the front side coming off the line PVAMU will return top linebacker Keyshawn Johnson who led Prairie View A&M in tackles (76 (34 solo). The defense led the conference with 14 sacks against opponents, they were fifth in interceptions (11), and had 25 sacks by.

Since coaching at PVAMU McDowell has had several SWAC players to receive either first or second team honors. Before Drake Cheatum's departure, he had a standout career season with the Panthers, leading an ultra-productive secondary having a pick-six and picked off five passes (ranking him 7th in the nation), while defending four more. He led the team on the defense after playing in 11 contest with a total of 82 stops (42 solo, 40 assisted) ranking him 5th in the conference. Posting 5.0-15 tackles for loss/yards. Cheatum earned first team All-SWAC honors for the second straight year.

Along side Cheatum, Darius Campbell was also one of the most active Panthers ranking him among the nation's best pass defenders and was ranked fourth in the SWAC with 14. He was one of PV's top cover men ranking third on the team with 54 stops (29 solo, 25 assisted), earning him SWAC Second Team honors.

PANTHERS WESTERN DIVISION CO-CHAMPIONS: PVAMU just missed playing in the championship game falling to Miss. Valley in their final game of the season and with the Co-Champions Southern defeating Grambling State in the Bayou Classic was the decision maker for the Panthers fate.

MARK FREDRICK

ASSOCIATE HEAD COACH | OFFENSIVE COORDINATOR

Mark Frederick enters his fifth season as one of the elite veteran coaches on the Prairie View A&M coaching staff.

Frederick currently serves as the Assistant Head Coach/Offensive Coordinator for the Panthers. He oversaw an offense that was instrumental in earning 2021 and 2022 SWAC Western Division Championship titles.

In his two season, he has abet former RB Dawonya Tucker post back-to-back 1,000-yard rushing seasons, the first by a Panther football player since 2014. Tucker also had back-to-back 200-yard rushing games, including a season-high 245 yards at Sam Houston. Tucker also achieved a school and career high mark of 263 yards against Grambling State (9/28/19) in his final season as a Panther.

Additionally he oversaw the continued development of H-back Jordan Jones, who blossomed into an All-SWAC performer with 497 yards receiving and four scores before landing with the Green Bay Packers.

He spent 2017 in his second stint at Southern, serving as wide receivers coach. Last season, freshman Jamar Washington led the Jaguars in receptions while ranking second in both receiving yards and touch down receptions.

At Arkansas-Pine Bluff in 2016, Frederick tutored one of the conference's top receiving duos in Willie Young and Cody Swain. They both finished in the top 5 in the conference in Receiving Yards and Receptions per game. Young was voted to the All-Conference team while compiling 70 receptions for nearly 1,000 yards.

Before arriving at Pine Bluff, Frederick was the Offensive Coordinator/Assistant Head Coach at Lincoln University in Missouri for 5 years. Under Frederick's watch at Lincoln, the Blue Tiger's offense emerged as one of the best in school history, breaking numerous offensive records over the years. His system, known as the "Gumbo O" offense, resulted in one of the most prolific passing attacks in program history. In 2015, his offense set records for most completions in a season (242), and most passing yards in a season (2,842). During the 2014 season, his offense broke 11 more records. Khiry Draine ended the best season ever for a Lincoln receiver, as he caught 60 passes for 1,011 yards. Draine, who became Lincoln's first-ever 1,000-yard receiver, also broke the single-season record for receiving yards, which previously stood as Corderious Gregory's 791 in 2011. Morris Henderson broke two single-game records with his six touchdown performance in Lincoln's win over Quincy. All six of Henderson's scores came on the ground, setting what was at the time a new GLVC record. Between the '13 and '14 seasons, the Lincoln football team almost completely rewrote its offensive record book, with nearly 30 game, season or career marks falling. Despite playing in a highly competitive MIAA, a league that boasts 2013 national champion North west Missouri, the Blue Tigers broke or tied 18 records that season.

In addition to breaking several team records, a number of Lincoln's offensive skill players flourished under Frederick's leadership. In 2011, Frederick's first year as offensive coordinator, Corderious Gregory broke LU's single game (13) and season (71) records for receptions as well as the single season mark for receiving yards (791). Just one season later, Maurice Woodard nearly match those records, hauling in 11 passes in one game while finishing the season with 65 receptions for 705 yards. Even more notable was the elevation of the quarterback position, as, last season, Jacob Morris set records for most completions in a game (26), longest pass completion in a game (97 yards), most completions in a season (169). Morris threw for 1,718 yards and had 2,108 yards of total offense, the second-most by a Lincoln player in a season in both categories.

Frederick's success wasn't limited just to the passing game. In 2012, Lincoln broke a single season record with 3,734 yards of total offense, breaking the previous standard of 3,523 which was set way back in 1957. Lincoln quarterbacks completed 223 passes in 436 attempts for 2,410 yards, breaking single season records in all three categories that had stood for over 30 years. Running back Morris Henderson compiled over 1,200 all-purpose yards, the Blue Tigers ran 830 plays from scrimmage, another team single season record. In 2011, the Lincoln offense was so effective that it led the MIAA in time of possession and finished fifth in the nation in that stat.

Frederick began his coaching career at Southern University. He was the running backs/special teams coach from 2006-2009 and the assistant defensive line coach in 2010. As the running backs coach, Frederick helped mold two all-conference backs in Darren Coates and Brian Threat and two honorable mention backs in Kendall Addison and Kendrick Smith. He also groomed two all-conference punters and one All-American kicker in Breck Ackley and Josh Duran. As the assistant defensive line coach, Frederick helped coach one of the top defensive linemen in the conference in Jordan Miller who led the conference with 11 sacks in 2010.

A native of Woodville Mississippi, Frederick played his prep football at Wilkinson County High School before coming to Southern where he was a member of the Jags football team for four years and was a member of the 2003 SWAC/HBCU National Championship Team.

He earned a Bachelor of Science degree in Therapeutic Recreation in 2006 and a Master's Degree from the University of Missouri in Education in 2016. Frederick is married to Rocelyn Frederick and has four kids - Laila, Shekira, Mark Jr and, Carson.

ALVIN FOSSELMAN, III

DEFENSIVE COORDINATOR | LINEBACKERS COACH

Alvin Fosselman, III is entering his fifth season on the Prairie View A&M University Football coaching staff, his fourth as the Panthers' Linebackers Coach. Recently, he transitioned to the Defensive Coordinator Coach in January of 2023 after the departure of former PV coach Todd Middleton.

Since Fosselman's helm as the lineback coach and special team's coordinator, he coached one of the conference's top linebackers. Keyshawn Johnson finished in the top 15 of the conference. He finished the season with a total of 76 tackles (34 solo).

During his first year on the defensive side of the ball, Fosselman coached a stellar group of linebackers which was led by first-year JUCO transfer, Tre'Shaud Smith and second-year linebacker Storey Jackson. Smith finished the season as one of the top linebackers in the SWAC, recording 93 total tackles (fourth-most in the league) along with six sacks and 12 tackles for loss, both team-highs. Smith was selected second team All-SWAC. Jackson recorded 72 tackles on the year – ranking seventh in the SWAC for total tackles and stops per game – adding four

sacks and 8.5 tackles for loss. The linebacker group as a whole had an extraordinary year accounting for nearly half of the team's total sacks (14.5 out of 30) and 28 tackles for loss in the 2019 season.

Fosselman initially joined the PVAMU coaching staff as an assistant offensive line coach in 2018, helping to mold a group of offensive linemen that led the nation in rushing yardage for the first half of the college season, regardless of the level of football. Out of this group, there were two offensive linemen to make the All-SWAC team: DeJohn Jones and Christian Rice.

Before arriving at Prairie View, Fosselman was the Offensive Coordinator/Assistant Head Coach at his alma mater Wilkinson County High School in Woodville, Miss. During his tenure at WCHS, Fosselman established one of the most explosive offenses in the region. He was very instrumental in developing young players and providing a platform to showcase their talents. During the 2009 and 2010 seasons, he oversaw the development of wide receiver Devin Fosselman who led the team with 92 receptions, 1,065 receiving yards, and nine touchdowns, respectively, through his junior and senior years. Devin went on to be rated as a three-star receiver and the No. 14 prospect in the state of Mississippi. After the 2010 season, he was selected by the Mississippi Association of Coaches to compete in the Mississippi/Alabama All-Star Game. Devin later signed with Mississippi State University before finishing out his career at Jackson State.

In 2012, WCHS improved to a 9-3 record overall led by quarterback Devin Voorhies and wide receiver Allenzae Stagers. Together, the duo connected 52 times for 825 yards and six scores as the combination led the Wildcats to the third round of the playoffs. In 2013, the record-breaking offense took off as Voorhies passed for 2,374 yards and 19 touchdowns while adding 2,027 yards rushing and 15 touchdowns on his way to a four-star rating as an athlete and a top-five player in the state. Voorhies was also recognized as the 2013 Mississippi Gatorade Player of the Year and selected as First Team Parade All-American as a utility player. He also was selected by the Mississippi Association of Coaches to participate in the Mississippi/Alabama All-Star Game. Voorhies later signed with Louisiana State University in 2014.

Stagers hauled in an incredible 75 receptions on the year for 1,406 yards and 13 touchdowns in that season, going on to East Mississippi Community College – where he helped the team earn a JUCO national championship – before finishing out his career at the University of Southern Mississippi. Also, senior running back LaDarion Peterson rushed the football 131 times for 1,165 yards and 15 touchdowns. That year, Wilkinson County finished the 2013 season with an 11-4 record and hosted the South State Championship.

The Wildcats' offense was even more dominant under Fosselman's leadership in 2015. Quarterback Desmond Hunter became the school's all-time leading single-season passer, throwing for 4,861 yards and 42 touchdowns. Fosselman coached three wide receivers past the 1,000-yard mark, with Juan Anthony Jr. leading Wilkinson County with 95 receptions for 1,584 yards while Travion Jones racked up 62 catches and 1,173 yards.

Fosselman is a native of Woodville, Miss., and played at Southwest Mississippi Community College before transferring to Southern University, where he was a key member of the Jaguar football team during the 2007 and 2008 football seasons. He earned a bachelor's degree in Therapeutic Recreation from Southern in 2009 and a master's from Prairie View A&M University in Physical Education in 2019.

Fosselman is married to LaTessia and together they have three children, Kaelin, Amiyah and their new addition Alysha.

MARLON WATSON

DEFENSIVE COACH | SPECIAL TEAMS COORDINATOR

Watson will be a first year staff member with the Prairie View A&M Panthers after a two year stint as the Defensive Coordinator/ Linebackers Coach for the Elizabeth City State Vikings.

Prior to ECSU he spent three seasons at Alabama A&M University. In 2017 he was in control of the Linebacker unit. Watson, Coached 1st Team All-SWAC Linebacker, Kenny Davis. Davis led the team in tackles and was top 10 in the SWAC conference in tackles, tackles for loss, and sacks. In his 1st season he coached the Nickelbacks and the 2016 season he tutored the Defensive Line.

Before coaching at AA&MU, Watson served as Linebackers Coach at Georgia Military College. While coaching Linebackers at GMC, three of the Linebackers finished top five on the team in total tackles and Dezmin Reed finished second on the team in tackles, sacks, and tackles for loss.

McDowell on the Offense

"Let's start with Connley our QB, which I feel will have a big year, coming out starting fast and finishing fast. He's been here all summer getting the job done along with our young quarterback, Dumas who will be Connley's back up. He's definitely one of our top guy's coming back. We also will have three other quarterbacks that will be called on when needed.

We have newly acquired running back C. Johnson that will play a pivotal role in backfield. We will be fully loaded back there a lot of good running backs, that's going to help our running game out quit a bit. Antoine will also be big for us in the running back position. He's been a player that's been here all of his college career that has been improving every year. He did miss a few games last year due to injury. We have a few receivers like Jenkins from AAMU coming in and some returning play makers such as Bloomfield we are hoping he has a big year along with Cooper who's a young guy, but I think his upside is huge. This young man could be one of the top receivers in the SWAC as he grows. Spiller should make an impact this season. He was injured last year, but as a freshman he tore it up and I think he can make things happen for us again. The offensive line without a doubt will definitely make the run game a difference. We should be really good up front. If we are gonna go on offense those guys are key to how we pass, how we protect, and how run. Chemistry wise Arrington, Lewis and Dunn will have a big impact."

DEFENSE

The defense will return five starters. Keyshawn Johnson, Warren Shankle and Tre' Vion Green, are the returning linebackers. Safties Bryce Turner and Turiq Mulmore, will also play a big factor for PVAMU's defense heading into the 2023 season. The Panthers had to fill a lot of spots with the loss of some impact players.

The defense led the conference with 14 sacks against opponents, they were fifth in interceptions (11), and had 25 sacks by.

LINEBACKERS

Veteran starter K. Johnson will be the top returning veteran in the linebackers position. He led the team with 76 tackles (33 solo), he recorded 11 TFL of 66 yards, and had five sacks for a loss of 54 yards. Johnson also had three PD, a force fumble and one block kick. Shankle is another veteran on the defense, who appeared in 10 games in 2022 posting 57 tackles, five for loss of 26 yards, had one sack for a loss of four yards, one INT for a 26 yard return, one break up, one QB hurry, and one force fumble. Green will be returning for his final season after spending four seasons at PV. He recorded 49 tackles, 2.5 for loss for 19 yards, two sacks for 19 yards and one PD. There are other experienced linebackers returning such as redshirt freshman Teylan Nelson, and Tayvian Guidry, senior Kendon Jones (appeared in 11 games), Adrian Lacy (appeared in nine games), Jeremiah Harris (appeared in 10 game), and they all will offer the Panthers some defensive stops along with four newcomers.

2023 PANTHER FOOTBALL PREVIEW

DEFENSIVE BACKS

The secondary lost some stand-out players, and replacing them will be critical. The Panthers will return a stable young squad, starting with senior safety **Tariq Mulmore**, who was PV's top defender after appearing in all 11 games (40 tackles, 2.5-3 TFL, two PD's, one QBH, one fumble return and one blocked kick), while **Dejuan Lewis** will start his sophomore year after playing in 10 games in his rookie season. He had 38 tackles, one TFL for three yards and one INT. Senior **Bryce Turner** will be the returning after appearing in all 11 games in 2022 he had 27 tackles, one fumble return and one blocked kick. Other experience players who will contribute are senior **Stacy Brown** (appeared in five games prior to his injury), safety **Cameron Franklin** (nine appearances) redshirt senior **Dylan DeCuire** (appeared in nine games), sophomore **Tayvion Haggerty**, and redshirt sophomore **Travis Pearson** (seven appearances).

DEFENSIVE LINEMEN

Moving across the line of scrimmage to the defensive lineman as they will return **Myles McHaney** who appeared in 10 games with 19 tackles, 0.5 TFL, one PD, and two QBH. **Derrick Ray** had 10 appearances for 14 tackles, 2.5-24 TFL, one sack for 18 yards, one PD, one QBH and one FF. **Jamal Marshall** (appeared in nine games). The Panthers had to fill this position with quit a few newcomers after loosing 13 players mostly to graduation or eligibility. Fans will be sure to see newcomers Lawrence Martin, Darren Vasquez, Davier Fairrow, Jackson Bailey, Sten Shaw, Jr., Tiago Sumbo, Jabez Oliphant, and Tito Chikere.

SPECIAL TEAMS

Prairie View's kicking game will be led by **Carlos Villagomez**, who made two field goals with the longest for 42 yards. Sophomore Efen Jasso will return as the Panther's punter. He had 44 punts for 1,624 yards the longest was 53 yards.

The kick and punt returners will be a factoring decision coming more after preseason camp.

MCDOWELL ON THE DEFENSE

"The defensiveline will have a few guys coming back like McHaney and Marshall. We will be expecting a lot from these two. Ray will be another big factor on the line for us. He's had a lot of ups and downs, but I think that once he gets back he will big for us. We also will have some guys coming in, that I know that we will do what we need.

At the linebacker position J. Harris will come back as a key factor for the Panthers. He was hurt last season (2021), but is expected to make some big plays when needed. He's quick and big and we are looking for great things from him. We are especially excited about K. Johnson coming back and we have Green returning that will be a guy that can make it to the next level as a linebacker. He can play inside or outside. The linebackers are a special group of guys and I know coach Rock (Fossilman) is excited about those guys, especially now being the new DC. They are fast, smart, physical and they will be pretty much our top defensive guys. They are going to be our guys that can win.

We are going to have to revamp the whole defensive backfield. We are going to have guys that will be

big and cover receivers all the way downfield. This will be the first time since I've been here that we have had guys that's tall and long for quit some time. We also have Brown, Turner and Lewis coming back.

Special teams will be a bit challenging, but we will have some new players and maybe some old. This is an another area that we will have to see when the time comes."

PANTHER HISTORY

The first football coach at Prairie View was H.B. Hucles, who began in 1924. Before Hucles's arrival at Prairie View, the school played two games without a coach on record: a 1907 7–0 win against a team from Wylie, Texas and a 1920 7–6 loss to Tuskegee University.

Prairie View's most recognized and celebrated coach was William "Billy" Nicks. Nicks was head coach in 1945–47, assistant coach in 1948–51, and head coach again in 1952–65. His record for 17 years was 127-39-8. He led the Panthers to eight Southwestern Athletic Conference championships and five black college national championships. At the Panthers' peak under Nicks, Eddie Robinson was said to dread playing Prairie View.

Nicks was inducted into the College Football Hall of Fame in 1999. Nicks was named the American Football Coaches Association's recipient of the Trailblazer Award. The award was presented posthumously at the AFCA Kickoff Luncheon on Monday, January 7 at the 2008 AFCA Convention in Anaheim, California.

Prairie View is recognized as the first historically Black university to create and play in a post-season bowl game. The Prairie View Bowl was played in Texas from 1929 through 1961.

The Panthers won Black college football national championship titles in 1953, 1954, 1958, 1963, and 1964 and Southwestern Athletic Conference Championships SWAC in 1933, 1951, 1952, 1953, 1954, 1958, 1960, 1963, 1964, and recently in 2009. Notable football players that have achieved success in the National Football League (NFL) are National Football Hall of Fame Inductee Kenny Houston, who played for the Houston Oilers and Washington Redskins and Otis Taylor, who won a World Championship with the Kansas City Chiefs in 1969. On a small note of significance, Charlie "Choo Choo" Brackins, who played from 1952–1955, was the first HBCU alumnus to play quarterback in the NFL.

The end of Jim Crow caused a significant talent drain for all HBCUs. Nicks had been able to stem the tide somewhat by persuading many of the state's black high school coaches to continue sending their players to Prairie View rather than to a predominantly white school. At one point, nearly all of them had played for Nicks, and owed their jobs to him. Usually, a single phone call from Nicks was enough to persuade one of Nicks' former players to send a prospect to "The Hill." He wasn't above threatening to have them fired if they didn't do so. However, Prairie View's fortunes sank rapidly after Nicks retired in 1965. The Panthers would only "officially" finish above .500 twice from 1968 to 1989. This included winless seasons in 1974, 1979, 1983, and 1984 and a 28-game losing streak from 1982 to 1985. They managed a .500 record in 1988 under coach Haney Catchings—their first non-losing season since 1976. However, that win was forfeited after the season due to an ineligible player.

Prairie View bottomed out when it returned to the field for the 1991 season. The team did not have any scholarships because only 150 alumni responded to a request to help raise a scholarship fund. The Panthers did not win a single game until 1998. The 80 consecutive losses spanning parts of nine seasons (including two losses to close the 1989 season) almost doubled Columbia University's 44 straight losses between 1983 and 1988.

The streak finally ended with a 14–12 victory over Langston on September 26, 1998. However, that team only had 15 scholarship players. The road back was difficult; the Panthers only won a total of 23 games between 1998 and 2006.

On November 10, 2007, Prairie View clinched its first winning season since 1976, and only their second since 1967, with a 30–27 victory over traditional power Jackson State University under then head coach Henry Frazier, III.

In 1999 the SWAC moved to a new divisional format with Western Division and Eastern Division champions to play for the SWAC Championship. On November 14, 2009, it clinched its first SWAC Western Division Championship by defeating Alcorn State. The next weekend would see the Panthers go undefeated in the SWAC by defeating Arkansas Pine Bluff and securing an 8–1 record; their only loss during the season was to New Mexico State. They finished the season by winning the SWAC Championship on December 12, defeating Eastern Division Champion Alabama A&M, 30–24, in the SWAC Championship Game. They exited the 2009 SWAC football campaign with an unblemished 9–0 SWAC conference record. They were led by their quarterback, 6 ft 4 in, 225-pound KJ Black, who led all quarterbacks in the SWAC with a passer efficiency rating of 168.1 their SWAC second-leading rusher in Donald Babers that averaged 5.2 yards per carry
