SMU TENNIS COMPLEX

SMU dedicated its new 45,000-square-foot tennis complex February 20, 2015, opening a competition-level facility for practice, training and tournament play. The complex will be home to SMU's top-ranked men's and women's tennis teams and will provide a premier venue for tennis fans.

Completion of the tennis complex represents the tenth of 16 capital projects initiated during the SMU Unbridled: Second Century Campaign. To date, more than \$942 million in gifts and pledges has been raised to support student quality, faculty and academic excellence and the campus experience.

"SMU is committed to creating opportunities for student success in all of their pursuits," said SMU President R. Gerald Turner. "The new tennis complex will enable us to recruit top-ranked student-athletes and develop programs that perform at the highest levels, building on SMU's legacy as home to world-class tennis events."

The SMU Tennis Complex, located on the southwest corner of Mockingbird Lane and North Central Expressway, includes the Turpin Stadium, with six outdoor courts and the Styslinger Grand Viewing Terrace, and the Brookshire Pavilion, with six indoor courts and a patron balcony. The courts feature individual scoreboards, and officials will use hand-held remotes to update scores wirelessly. Courts surfaces are covered with Plexipave, optimum for practice and top-level competition, and the same surface used at the home of the U.S. Open, the USTA National Tennis Center in New York.

Multilevel outdoor seating for 300 enables spectators to watch six matches simultaneously on the side-by-side courts. More than 280 can view matches on the six indoor courts. In addition to spectator seating, the Styslinger Family Grand Viewing Terrace includes spaced seating designed for special events or temporary seating. The third-floor Edwin L. Cox Club Suite includes both outdoor and indoor court viewing areas, an entertainment area and a catering kitchen.

The SMU Tennis Complex also features a training center that houses locker rooms for home and visiting teams, classrooms, team meeting rooms and coaches' offices. In addition, the training center includes a fitness room and training room for student athlete treatment, injury prevention and rehabilitation with hot and cool hydrotherapy tubs.
