**Overall Record:** 825-244-1 (.771)

## BACKGROUND

Named for the mid-1940s Sooner letterman who still holds OU's career and single-season batting records, L. Dale Mitchell Park was dedicated prior to the 1982 season.

With a $1.3 million price tag, the first phase of the renovation was completed during the 1998 season and included an upper concourse, additional restrooms and additional concession stands. Phase two of the plan provided for new locker rooms, a training room facility and an equipment room for the Sooners.

Prior to the 2002 season, OU completed one of the final stages of the project as the press box facility underwent state-of-the-art improvements. The press box and radio broadcast booths were significantly expanded as well. VIP suites and a disability-accessible elevator were also added.

## NEW PLAYING SURFACE

The Sooners played their final home game on natural grass in May of 2015. Following fall ball, the surface was torn out in October for the beginning of a 90-day turf installation. On January 15, 2016, Oklahoma practiced on its brand new AstroTurf® field for the first time. The new surface features a turf infield, outfield and mound. The outfield walls were padded and a new brick backstop was put in place.

## HITTING FACILITY AND PRACTICE INFIELD

OU added a practice facility prior to the 2009 season which includes a regulation-size infield with natural grass and a 5,160 square-foot indoor hitting facility. The building contains three full-size pitching and hitting lanes and is heated and air conditioned. The $1 million project covers 22,500 square feet of existing ground at L. Dale Mitchell Park and is located down the left-field line adjacent to the Sooners' bullpen.

**.776** — **Oklahoma is 825-244-1 all-time at L. Dale Mitchell for a .771 win percentage, including a 25-6 (.806) season in 2013.**

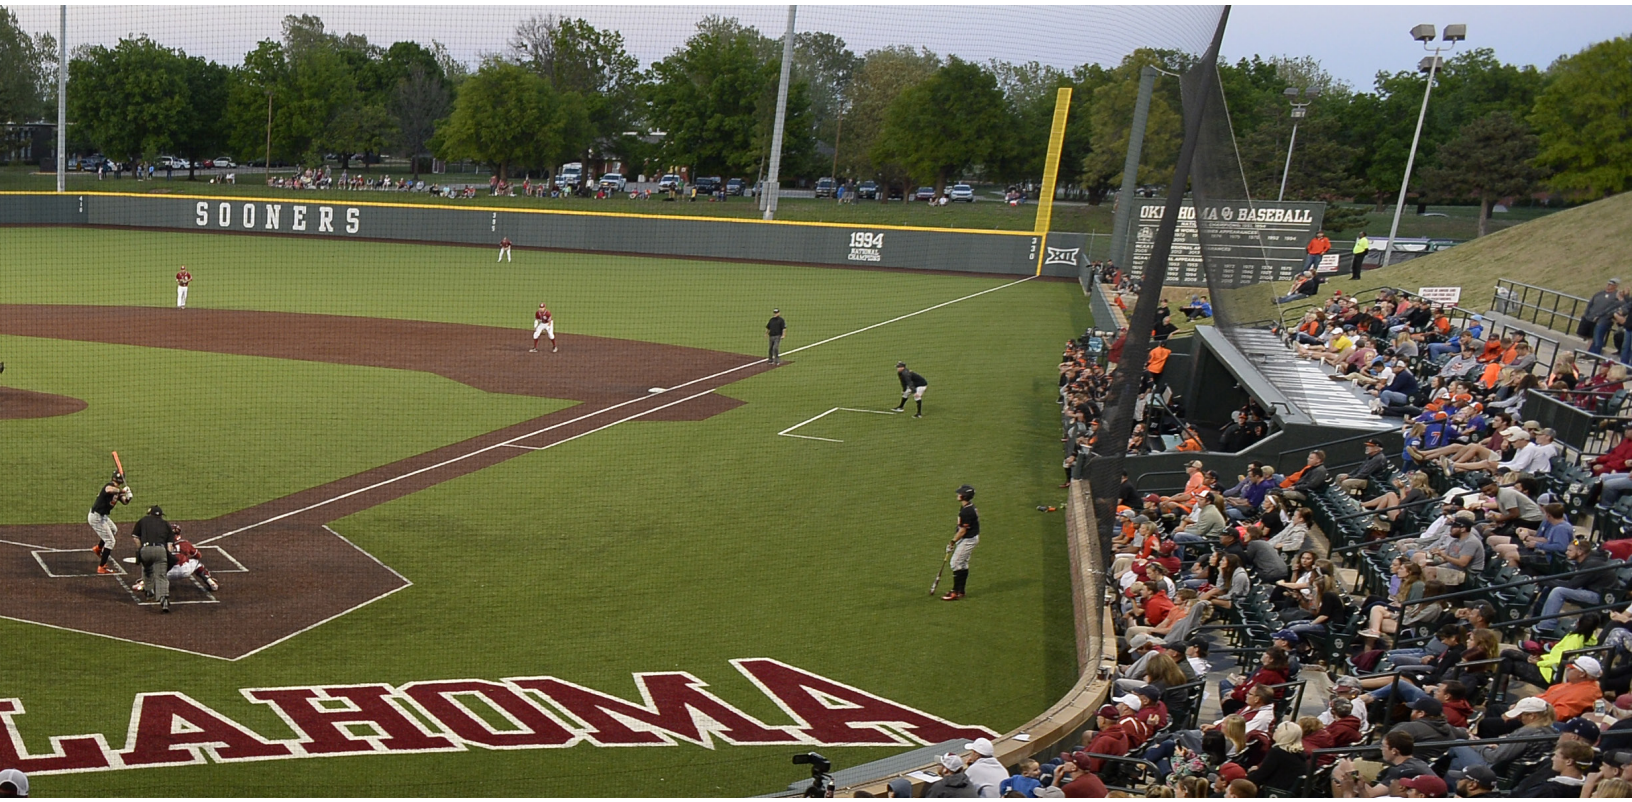

**3** — **The Sooners have been selected as a host site for the NCAA Regionals on three occasions in 2006, 2009 and 2010.**

**4,544** — **The stadium's all-time record for attendance was set on May 4, 1995; a 3-2 win over Texas.**

**7,269** — **Oklahoma set a series attendance record in 2014 with 7,269 on hand for a three-game set vs. Texas.**

**3,531** — **The Sooners won the 2006 Norman Regional over Wichita State in front of 3,531 on June 5, 2006.**

**.312** — **L. Dale Mitchell was a .312 career hitter in 11 seasons in Major League Baseball. He hit .336 in 1948 and led the AL with 203 hits in 1949.**

## SOONERS EARN FIRST TITLE

**For Immediate Release: June, 17, 1951**

**OMAHA, Neb. --** They weren't supposed to be there. They weren't even supposed to be that good, but the 1951 Oklahoma baseball team proved in the end that it could play with the best teams in the nation by sweeping through an impressive tournament field en route to its first baseball national title.

Oklahoma came from behind to defeat the University of Tennessee, 3-2, in the championship game to become the first team in College World Series history to claim the title after winning the double-elimination tournament in straight games without defeat.

The title also gave the University of Oklahoma the distinction of becoming the first school to win three national titles in one school year after the football and wrestling teams both captured national championships.

It was a fine pitching performance by one of those good pitchers that lifted OU to victory in the championship game. Sooners' starting pitcher Jack Shirley limited the Volunteers to two runs on three hits. He faced only five batters over the minimum and retired the side in order in seven of the nine innings. After surrendering a single and a double in the first inning, the righthander from Altus, Okla., quieted the Tennessee bats until the fifth inning when he gave up a RBI-single that drove in the Volunteers' second run of the inning.

The win was Shirley's second of the tournament after leading the Sooners to victory in their first game against Ohio State, and his eighth in nine starts that year.

Offensively, Oklahoma pounded out 11 hits off of two Tennessee pitchers. Most of the Sooners' offensive production came from catcher John Reddell (3-for-5), leftfielder Phil McKee (2-for-4) and first baseman Gene Sheets (2-for-5).

However, it was centerfielder Charley Pugsley who delivered the key hit for the Sooners that day. With the game tied at two and two outs in the top of the eighth, Pugsley hammered his only hit of the evening into centerfield to score third baseman Ray Morgosh with the winning run.

OU scored its first run of the game in the sixth inning when UT's starting pitcher walked in Reddell with the bases loaded. Reddell figured into the Sooners' next scoring play when he singled home McKee from third to tie the game at two in the top of the seventh.

After struggling with a 9-8 win in 10 innings over Ohio State in the opener, and a 7-1 win over Springfield (Mass.) College in the second game of the tournament, OU took its spot in the championship game by defeating Southern California, 4-1.

Another pitching star for Oklahoma, Floyd Murphy, led the Sooners to victory over the Trojans as Murphy scattered eight hits, while the Sooner defense aided the effort by turning four double plays in the game.

After beginning the season with six straight losses, OU finished the regular season 12-9 and captured the Big Seven Conference crown after compiling a 10-1 mark in league play. The Sooners' shaky start melted away into a hot streak which saw OU win its last 13 games en route to the title. The 13-game streak ranks in the top 10 all-time as the longest win streak to end a season by a CWS champion.

"We just weren't a great team, but everybody worked hard. We had a couple of good hitters and two good pitchers, three really."

Gene Sheets tags out a Tennessee base runner during the 1951 CWS Championship game.

**7-0** The Sooners were undefeated during the 1951 NCAA Tournament with a perfect 7-0 mark, including a 4-0 record in the CWS.

**19** Oklahoma's win total during the 1951 season, a record for the program's first 72 years until it was surpassed in 1969 (23).

**13** The Sooners won their last 13 games en route to the title, an end-of-season streak that ranks in the top 10 all-time among CWS champions.

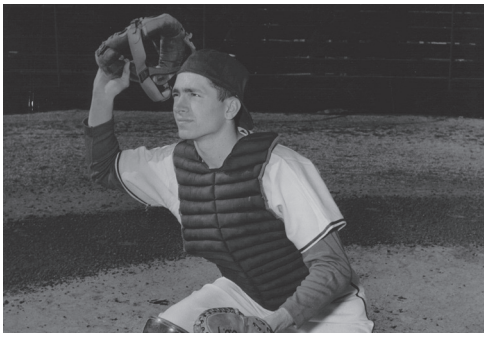

**11** The Sooners produced three runs on 11 hits, while holding Tennessee to only two runs on three hits.

**3** The University of Oklahoma won three national championships in 1951. The football and wrestling teams also won titles that year

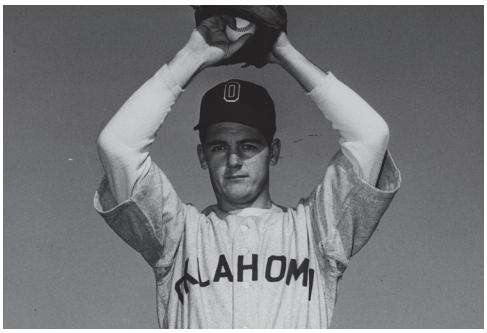

## GENE SHEETS

After winning the 1951 National Championship as a sophomore, Sheets became OU's first two-time All-American, earning the honors in 1952 and 1953. Sheets was also OU's first, first team All-American in 1953.

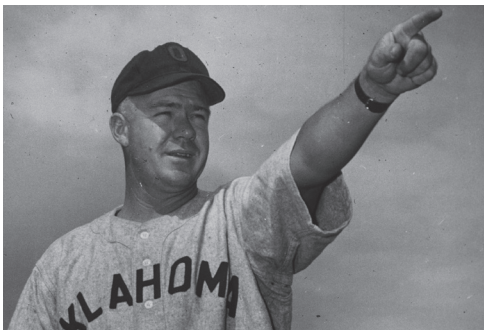

## JOHN REDDELL

A three-year letterwinner in both baseball and football at OU, Reddell scored the Sooners' first run in the national championship game and later drove in the game-tying run in the seventh inning against the Volunteers.

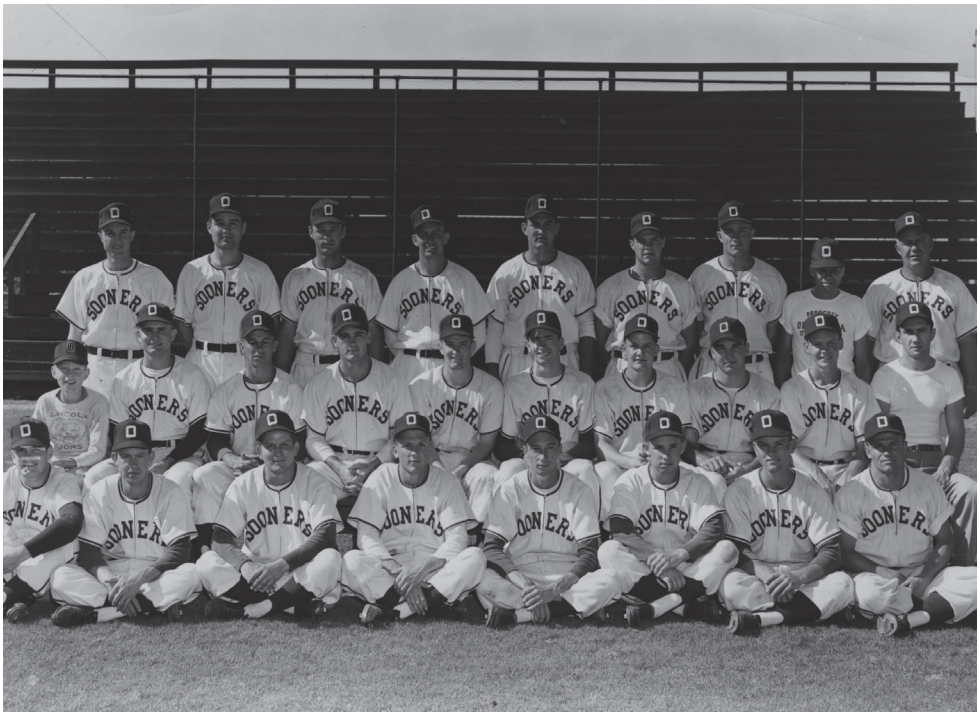

## JACK SHIRLEY

The Sooners' ace during the championship run. His win in the title game was his eighth of the season in nine starts. Prior to limiting Tennessee to two runs off three hits, Shirley also helped OU defeat Ohio State in the CWS opener.

## JACK BAER

The Sooners' coach led Oklahoma to its first national championship in baseball and 281 wins overall during his 26 years. The Sooners won six conference championships and advanced to five NCAA Tournaments under Baer.

## OKLAHOMA POWERS TO SERIES TITLE

**For Immediate Release: June, 11, 1994**

**OMAHA, Neb. --** "Twenty-five guys pulling on the same rope." The 1994 Oklahoma baseball team's season-long motto that inspired them to a 42-17 regular-season record continued to spark OU during postseason play where the Sooners produced thier second baseball national title in school history with a 13-5 rout of Georgia Tech.

The national title capped off an incredible NCAA Tournament run by the Sooners who went undefeated in both the regional tournament in Austin, Texas, and the eight-team double elimination World Series. At the time, OU became only the fifth team since the CWS moved to Omaha in 1950 to accomplish such a feat.

To further demonstrate the Sooners' dominance during the postseason, Oklahoma trailed in just one of the 72 innings in the NCAA Tournament. OU finished the series as the top hitting (.327) and pitching (2.37 ERA) team, while ranking second in defense (committing only five errors).

"We got hot at the right time," said Oklahoma Head Coach Larry Cochell following the championship game. "The momentum that we got in Austin carried over, and the two one-run victories here (against Auburn and Arizona State) gave us the confidence to keep it going."

Leading the way for the Sooners was senior centerfielder Chip Glass, who was named the Most Outstanding Player of the series. Glass, who hit only three home runs during the regular season, nailed three round-trippers during the series, including one in the championship game. Over the four-game tournament, the Ukiah, Calif., native batted .389 with four RBI and three stolen bases.

With the game tied at two after three innings, Oklahoma jumped ahead and claimed a commanding lead that it would not relinquish. Aided by four hits and three Yellow Jacket errors, the Sooners scored five runs in the fourth inning to break open a 7-2 lead.

Two frames later, a two-run double by Tech's designated hitter Michael Sorrow (in the top of the sixth) brought the Jackets back to within three runs before a three-run homer by sophomore designated hitter Damon Minor capped off a four-run bottom of the sixth to put the game away for good.

Junior leftfielder Aric Thomas and senior rightfielder Darvin Traylor led all Oklahoma hitters with three hits and runs apiece, while both drove in one run each.

Junior righthander Tim Walton, who pitched five scoreless innings in relief a week before against Arizona State in the OU's second game of the series, picked up the win after throwing 2.1 strong innings in relief of senior starter Kevin Lovingier.

Oklahoma's ace closer, junior righthander Bucky Buckles, came on for the final 3.2 innings of work to close out the game and record his school and Big Eight record 14th save of the season.

Buckles' performance earned him a spot on the all-tournament team along with five other Sooners: Glass, senior second baseman Rick Gutierrez, sophomore first baseman Ryan Minor, Traylor and junior pitcher Mark Redman. As a team, OU set a championship game record with its 13 runs and tied the record with 16 hits.

"We didn't have any superstars. This was a team in the truest sense of the word. We all pulled together and did what it took to win."

**8-0** The Sooners ran the table during the 1951 NCAA Tournament with a perfect 8-0 mark, including a 4-0 record in the CWS.

**71** OU dominated the postseason, leading for 71 of its 72 innings played during the NCAA Tournament.

**13** OU totaled 13 runs on 16 hits against GT in the finals, the fourth time it scored at least 10 runs during the postseason.

**2.37** The OU pitching staff's 2.37 ERA was the lowest among all participants at the 1994 College World Series.

**.327** The Sooners led the 1994 CWS field with a .327 batting average. OU averaged seven runs per game in the series.

## DEFENSE

The Sooners' defense, led up the middle by **Rick Gutierrez** (left) and **Rich Hills**, finished the College World Series ranked second with only five errors.

## ACE IN THE PEN

**Bucky Buckles** completed what was then a school-record 14th save of the season by tossing the final 3.2 innings in the championship game.

## POWER LINEUP

The middle of the Sooners' lineup (third through fifth batters) drove in seven runs on six hits in the title game, led by **Damon Minor's** three-run home run in the sixth inning.

## ELITE COACH

**Larry Cochell** became the second coach in NCAA history to take three programs to the College World Series (his teams made six CWS appearances: Oral Roberts [1978] Cal State Fullerton [1988 and 1990] and Oklahoma [1992, 1994 and 1995]).

## MOST OUTSTANDING PLAYER

Center fielder **Chip Glass** went yard three times at Rosenblatt Stadium and blew through a stop sign at third base to score under the tag of future MLB All-Star Jason Varitek (pictured) in the championship game.

Any Division I baseball program's success is measured in Omaha, Neb., the home of the College World Series. The Sooners have measured up with two national championships and 10 CWS appearances, including five straight from 1972 through 1976 under head coach Enos Semore.

Oklahoma's two national titles are the second-most among Big 12 member schools. Only two other Big 12 programs have more than OU's 10 College World Series appearances.

The Sooners also rank in the top 20 in CWS wins (15) and games played (31).

Oklahoma's crowning moments came during the 1951 and 1994 seasons. The Sooners ran the table in the NCAA postseason with a 7-0 record in 1951 and an 8-0 mark to cap the 1994 campaign.

**OU has played in eight NCAA Regional finals in the last 14 NCAA Tournaments, including 2006, 2010, 2013 (advanced to a Super Regional) and 2018.**

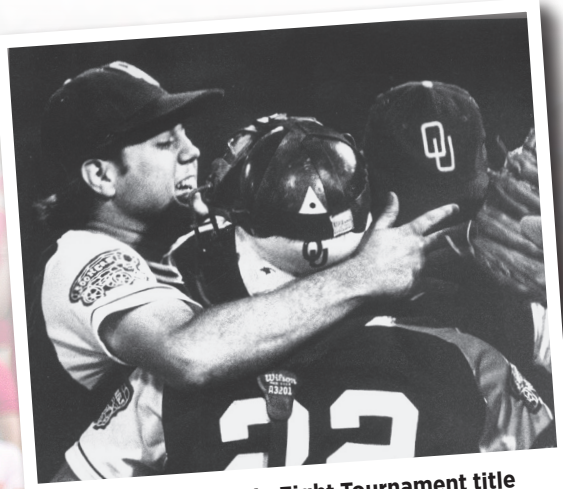

The Sooners' national success begins with winning championships in one of the toughest conferences year in and year out. Oklahoma has won 26 conference championships, which includes three postseason titles in 1977, 1979, 1997 and 2013.

OU's 26 conference championships rank third among active Big 12 schools. Below is a closer look at the breakdown:

| | | | |
|---|---|---|---|
| Texas | 92 | Texas Tech | 5 |
| Oklahoma State | 30 | Kansas | 4 |
| **OKLAHOMA** | **26** | Kansas State | 3 |

**24-8**

Oklahoma ran through the 2013 Big 12 Tournament by outscoring opponents, 24-8, en route to a 4-0 record and a second tournament title.

**21**

The Sooners hold the record for most runs scored in a Big 12 Tournament game. OU defeated OSU, 21-6, in 2006 and held the previous high with 19 against Texas Tech in the 1997 title game.

**4**

Okahoma won four straight regular season Big Eight crowns from 1972-75 under head coach Enos Semore.

The OU baseball program has a long standing reputation of producing top talent for the professional level and, with four players selected in the five-round 2020 draft and three selected in the 2021 draft, the tradition continues.

Nine Sooners were selected in the 2009 MLB Draft, including Garrett Richards (below), who was taken in the first round by the Los Angeles Angels of Anaheim. Oklahoma bested that mark with 11 picks in 2011, which tied for the most in the nation, and matched it again with 11 more in 2015 to lead the entire country. OU set a program record in 2020 with four players selected in the first five rounds of an MLB draft.

The Home Run Club has been a helpful source of financial support for the Oklahoma baseball program for more than 20 years. Joining the Home Run Club provides a chance for Sooner fans to help make sure the tradition that is OU baseball will prosper well into the future. The club provides a great social opportunity as well as a chance to be a part of one of the best programs in the country.

The club begins each baseball season with its annual kickoff banquet, the Diamond Dinner. Put on by the club, the Diamond Dinner allows fans and supporters of the program to socialize with other members and staff of the baseball team. The banquet includes an introduction of the team as well as speeches from distinguished guest speakers and head coach Skip Johnson. The event usually takes place in late January or early February prior to the start of the season.

The University of Oklahoma Home Run Club is the official presenter of the event. Those interested in joining the Oklahoma baseball team's official support group can do so at the banquet or by contacting the Oklahoma baseball office with a donation of $50. Through the years, the Home Run Club has helped provide the resources to keep the team's facilities among the best in the nation, raising money to provide the washers and dryers for the new equipment room, as well the medical equipment for the training room in the new clubhouse at L. Dale Mitchell Park.

One of the club's main fundraising events every year is its golf tournament held at the Jimmie Austin OU Golf Club. The tournament, which is attended by both OU coaches and players, allows participants a chance to have a great time while supporting the Sooners. Drawings are held for door prizes as well as prizes for a hole-in-one, closest to the hole on all par 3s and team prizes for first-, second-, and third-place teams. The Home Run Club also supports the Sooners with its presence at both home and away games. The club organizes road trips for members to travel to away games together, such as the series against Oklahoma State held in Tulsa and Oklahoma City. At home games, members have the chance to sit together in some of the best seats inside L. Dale Mitchell Park.

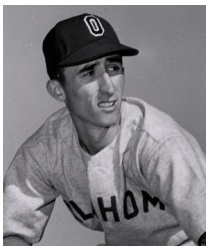

Those interested in joining the Home Run Club can contact the OU baseball office at (405) 325-8354.

## LETTER FROM COACH JOHNSON

I am honored to be a part of one of the best programs in college baseball. The storied tradition of this program is something that is special to me, and I am excited to have the opportunity to lead our program into the future. We want you to be a part of the journey with us by joining the official booster club of the Oklahoma Baseball program- the Home Run Club.

The Home Run Club is an organization that consists of former players, alumni, and friends of the baseball program who are committed to supporting Sooner Baseball as we work to bring home our third National Championship.

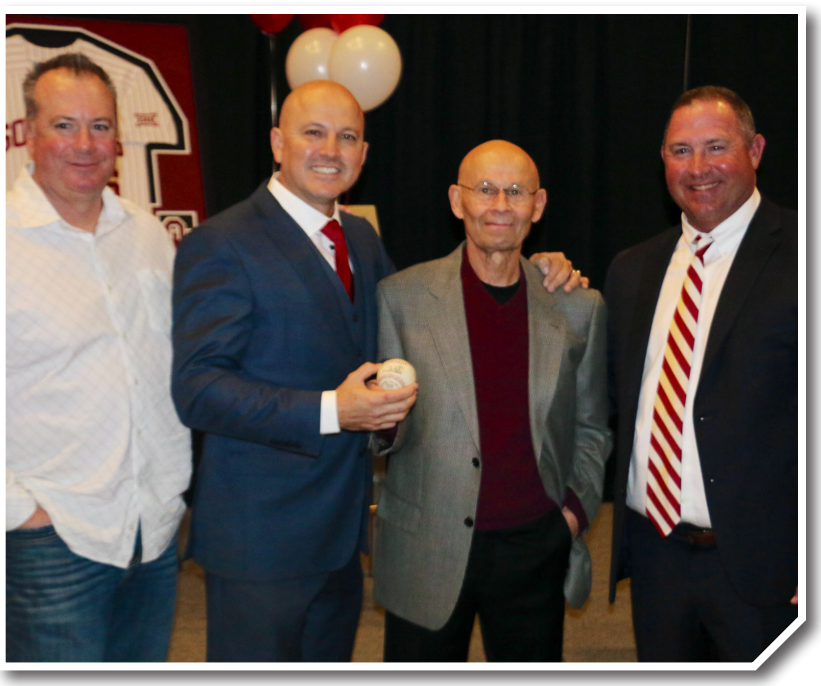

In becoming a member of the Home Run Club, you will be helping our program by strengthening our budget in the areas of recruiting, equipment, team events, and travel. Furthermore, your generosity will aid the exciting expansion projects we have planned for our facility.

A strong support group is vital for the success of our baseball program. The Home Run Club will give us the means to ensure our student-athletes have a world-class experience while at the University of Oklahoma. Having your support is important to me and our program. Please join our team today by signing up today!

Gutierrez presented the game ball from the final out of the 1994 national championship game to the program at the 2019 Diamond Dinner. He had kept the ball untouched for 25 years since that game until he presented it to the program at the banquet.**

**Kendall Pettis (second from left) was honored with the 2021 Mitchell Whitaker Award prior to the annual Go Mitch Go game. He was presented the award by head coach Skip Johnson, John Whitaker and 2020 award winner Tyler Hardman. The 2021 banquet was not held due to the COVID-19 pandemic.**

### DIAMOND DINNER BANQUET

The annual banquet allows fans and supporters of the program to socialize with other members, the coaches and players and staff of the baseball team. The event kicks off the upcoming season and is typically held in late January or early February.

### DIAMOND DINNER Q&As

At each Diamond Dinner, the inductees participate in a question and answer session with the audience. Pictured left, Daniel McCutchen, the 2011 honoree, talks about his OU and professional career in baseball.

### SOONER BASEBALL FAMILY TAILGATES

Prior to select home games throughout the season, the Sooner Baseball Family offers a tailgate for its members. Players and coaches speak at the function, which also serves as an opportunity for fans to learn more about the current team.

### TOP NOTCH FACILITIES

Donations over the years by the Sooner Baseball Family have helped provide the Sooners with the top resources in the country, including a new indoor hitting facility, scoreboard and upgrades to the playing field and the team's clubhouse.

# SKIP JOHNSON

## HEAD COACH

Fifth Season
Texas-Pan American '90

#44

Widely regarded as one of the premier pitching coaches in the country, Skip Johnson has led the Oklahoma baseball program since June 2017. Since taking over the reins after serving one year as the Sooners' pitching coach, he has led the Sooners to a 112-80 record in four seasons.

Johnson's influence on the program began immediately and has progressed each year. The OU pitching staffs posted a progressively lower ERA in each of his first four seasons in Norman. Oklahoma's 3.92 team ERA in 2019 was only the seventh team ERA under 4.00 since 1980, and the first since 2015. In his first two seasons, Sooners pitchers posted two of the top five strikeout totals in program history. A total of 17 pitchers have heard their name called in the Major League Baseball Draft since 2017 and 23 Sooners overall have been drafted by MLB teams since 2018.

Johnson earned his 100th career victory at OU with a 10-4 victory over Kansas on April 9, 2021. First baseman Tyler Hardman earned second-team All-America honors from three outlets (ABCA, NCBWA and Perfect Game) and was selected in the fifth round of the 2021 MLB Draft. Pitchers Wyatt Olds (seventh round) and Jason Ruffcorn (eighth round) were also taken in the MLB Draft. Hardman won the Big 12 batting title with a .397 average — the highest by a Sooners since 2001 — and the pitching staff ranked 16th nationally by averaging 10.6 strikeouts per nine innings.

In the 2020 season shortened due to COVID-19, the Sooners compiled a 14-4 record and climbed as high as No. 9 in the national polls. In the process, OU turned in some historic performances. Dane Acker pitched Oklahoma's first individual no-hitter since 1989 against No. 11 LSU in the Shriners College Classic, and the pitching staff combined for a Big 12-record 21 strikeouts in one game against Arkansas-Pine Bluff. Cade Cavalli became OU's 10th first-round selection in the regular June Major League Baseball Draft when he was selected 22nd overall. A program-record four Sooners were drafted in the first four rounds, including all three pitchers in the weekend rotation (Cavalli, Levi Prater and Acker).

Johnson coached OU to the program's 38th NCAA Regional appearance in 2018. The Sooners posted a 38-25 record – the highest win total since 2013 – and reached the finals of the Tallahassee Regional. In the process, Oklahoma pitchers set a school record with 608 strikeouts. Outfielder Steele Walker was named a Second-Team All-American by Baseball America and the NCBWA, and pitcher Levi Prater was selected as a Freshman All-American by Collegiate Baseball. Outfielder Kyler Murray, who went on to win the 2018 Heisman Trophy with the OU football team, was the ninth overall selection in the 2018 MLB Draft. Nine players were drafted, including five in the first 10 rounds (Walker in the second round, pitcher Jake Irvin in the fourth round, pitcher Austin Hansen in the eighth round and outfielder Cade Harris in the 10th round).

Oklahoma pitchers surrendered the fewest home runs in the Big 12 Conference in 2017 and combined for 531 strikeouts to rank fourth in the league and fourth in OU single-season history. The Sooners' 9.26 strikeouts per nine innings ranked second in the conference. As a team, OU pitchers struck out 10 or more batters on 24 occasions.

Sooner pitchers combined for 17 starts of six innings or more in 2017, including the first two games of the Louisville Regional. Three Oklahoma pitchers were selected in the 2017 MLB Draft. Sooner closer JB Olson was drafted in the 10th round to extend a string of seven straight years with an Oklahoma player chosen in the first 10 rounds. OU saw starter Devon Perez and reliever Vincenzo Aiello selected on day three of the draft.

Prior to coming to Oklahoma, Johnson spent a 25-year coaching career in the state of Texas, including the most recent 10 years as an assistant and associate head coach at the University of Texas.

Johnson was hired as the pitching coach at Texas for the 2007 season

under Augie Garrido, who stepped down from his position as the winningest coach in college baseball in May 2016 to take on new duties in the UT athletics department. In 10 seasons, Johnson helped the Longhorns to seven NCAA Regional appearances, four Super Regionals and three College World Series appearances.

During his tenure in Austin, 32 Texas pitchers were selected in the MLB Draft, including 14 in the first 10 rounds and three first-round picks. Johnson also oversaw the development of six Longhorn pitchers who have made it to the big leagues. The Texas pitching staff produced a team earned run average below 3.00 on five occasions and struck out better than 7.5 per-nine-innings in five of his last eight seasons. As Texas reached its second CWS with Johnson on staff in 2011, his pitchers led the Big 12 in ERA (2.35), batting average against (.198) and strikeouts per nine innings (8.28).

Prior to his time in Austin, Johnson was the head coach for 13 years at Navarro College of the NJCAA's Texas Eastern Athletic Conference. From 1994-2006, he guided the Bulldogs to 13 NJCAA Regionals, nine TEAC championships and four regional titles while compiling 450 wins.

Johnson has mentored a number of players outside of those he has coached at OU, UT and Navarro, regularly working with three-time Cy Young Award winner Clayton Kershaw of the Los Angeles Dodgers, Homer Bailey of the Kansas Oakland Athletics and Chris Davis of the Baltimore Orioles, among others.

A standout baseball player at Denton High School, Johnson began his collegiate playing career at Ranger (Texas) College. After a two-year career there, Johnson moved on to play baseball at the University of North Texas in 1988 before the school dropped its baseball program. He completed his collegiate playing career at UT-Pan American, lettering for the Broncs in 1989 and receiving his bachelor's degree in 1990. Johnson earned a master's degree in education from UT-Tyler in 1993.

A native of Denton, Texas, Johnson and his wife, Cathy, have two sons, Tyler and Garrett.

**1906 - BENNIE OWEN ERA BEGINS**
Bennie Owen becomes the first official coach of the Sooner baseball team and guides the squad to a 10-6 record in 1906. Owen went on to coach OU until 1927 and finished his career in Norman with a 142-102-4 (.581) overall record.

**1915 - SOONERS RECORD PROGRAM-BEST 17 WINS**
Under Bennie Owen, Oklahoma goes on to win 17 games during the 1915 season. Owen and company finished 17-4, and the win total remained a school record for the next 20 years.

**1927 - HASKELL TAKES OVER**
Lawrence Haskell became the Sooners' third head coach and debuted in 1927 with a 12-5 record and the program's first conference title. Oklahoma won seven conference championships and was 176-74-2 in the Haskell era.

**1936 - OU WINS 18 GAMES, EIGHTH CONFERENCE TITLE**
For the second time in school history, Haskell and the Sooners won back-to-back titles in 1935 and 1936 (also 1930-31). The run during the 1936 season produced the program's eighth conference championship and a school-record 18 wins, breaking a 21-year-old mark.

**1942 - MEMORABLE NAMES JOIN SOONERS**
After Haskell's career ended in Norman, another soon-to-be Sooner legend took over the reins when Jack Baer was hired for the 1942 season. Baer wasn't the only legendary Sooner to begin his OU career in 1942. Baer had the pleasure of coaching freshman L. Dale Mitchell in 1942, a season that saw Mitchell hit .409.

**1946 - WWII ENDS, MITCHELL RETURNS**
After World War II ended in 1945, the Sooners returned to collegiate baseball the following year. Mitchell, who fought overseas, didn't lose a beat as the Sooner recorded a .507 batting average during the 1946 season. The clip still ranks as the best batting average for a single season in OU history. Mitchell finished his short career with a .467 batting average, also a program best, before leaving school early for professional baseball.

**June 17, 1951 - SOONERS WIN FIRST NATIONAL TITLE**
In his seventh season at the helm, Baer guided the Sooners to the program's first national title in 1951. The Sooners went a perfect 7-0 during the postseason run, claiming the title with a 3-2 win over Tennessee on June 17 in Omaha, Neb. The postseason run marked the first time in College World Series history that a team made it through the double-elimination tournament without a loss. The 1951 Sooners finished the season with a 19-9 record, breaking the 1936 record for most wins in a season (18). The Sooners also won the program's 10th conference title in 1951.

**1963 - HADDOCK STRIKES OUT 20**
OU hurler Jerry Haddock tosses 11 innings and records a school-record 20 strikeouts as the Sooners complete a three-game sweep of Kansas in Norman. Haddock's performance broke the record held by Hal Cumberland who struck out 17 batters against Kansas State in 1941. Cumberland's performance is still the best by a Sooner in nine innings and was tied by Bobby Witt against Texas on March 25, 1985.

After the ceremony, Mitchell, who played in three World Series, called the day his biggest thrill in the sport. The facility would later undergo a $1.3 million expansion that was completed in 2000 and included a new locker room, renovated press box, an upper concourse and increased seating capacity. Bennie Owen's career at the University of Oklahoma began in the fall of 1905 as the head football coach. In the following spring he became the first head coach of the OU baseball program and guided Oklahoma to a 10-6 record; the program's first winning season.

Despite not fielding a team in 1908 and having the 1917 season cancelled due to World War I, Owen was able to amass a record of 142-104-4 over his 15 seasons at the helm, giving him a .581 winning percentage. Owen and his team had their most successful season in 1915 with a 17-4 record.

Owen remained the football coach at OU through 1926. He finished his career with a 122-54-16 record. The university named its playing field after him, Owen Field. He also coached the basketball team to a 113-49 record from 1908-21.

Along with his coaching duties, Owen served as the university's Director of Athletics from 1907-34 and later as the Intramural Director from 1934-50.

Owen and his wife Nina had three children; all daughters. He passed away in Houston on February 26, 1970 at the age of 94.

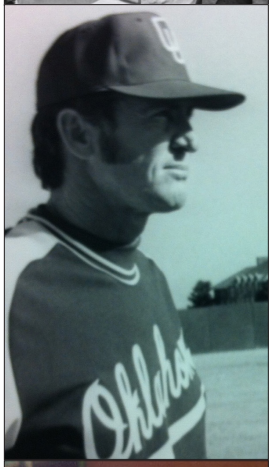

**BILL OWEN**

The brother of Bennie Owen, Bill took over the Sooner baseball program in 1923 and coached it until 1926. During that four-year stretch, Owen led Oklahoma to a 42-13 record, recording the highest winning percentage among the program's coaches at .764.

Bill and Bennie's brother Ted was also the head athletic trainer for the Sooners in the 1920s.

Owen and his wife Laura lived in Norman until his death at 81.

**LAWRENCE HASKELL (Top)**

Lawrence "Jap" Haskell served as baseball coach, freshman and assistant football coach and Director of Athletics during his tenure at Oklahoma. From 1927-41, he compiled a record of 176-74-2 on the diamond, including a 89-29-1 mark in conference games. Haskell was the Sooner athletic director from 1941-47.

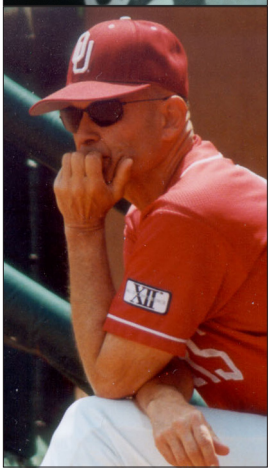

Haskell coached OU to eight Big Six conference titles, including his first season in 1927 with a 12-5 record. Under his direction, the Sooners won a then-record 18 games and claimed a Big Six championship in 1936.

In the United States Navy, Haskell attained the rank of Lieutenant Commander during World War II.

As a student, he lettered four years in football at end and four years in baseball as an outfielder.

Prior to the opening of L. Dale Mitchell Park in 1982, the Sooners played their home games at Haskell Park, named in his honor, located next to Memorial Stadium.

Haskell and his wife Thyra had two daughters, LaRue and Joyce. He passed at age 65 in Tulsa on February 10, 1964.

**JACK BAER (Second From Top)**

The Sooners won their first National Championship in 1951 with seventh-year head coach Jack Baer at the helm. Baer took the reigns of the program in 1942, but was without a team from 1943-45 due to World War II, in which he served as a Lieutenant in the Navy. For his career, he totaled a 281-250 record. Baer guided Oklahoma to six conference championships during his 23-year run.

OU participated in its first NCAA Tournament under his directon in 1947. Four years later, despite losing its first six games, Baer's squad won a program-record 19 games en route to winning the Big Seven and the National Championship over Vanderbilt in Omaha, Neb.

Baer lettered in baseball under coach Haskell from 1936-38. He also played for the Sooner football team as an All-Big Six quarterback and record-setting punter and kicker. Professionally, Baer played in the minor leagues for the Boston Red Sox and Boston Braves in the Southern Association and Eastern League.

Following his days coaching the Sooners, Baer stayed on as the equipment manager for Oklahoma's football team until 1985.

Baer and his wife Katherine had one daughter, Nancy. He passed away on March 8, 2002 at the age of 87.

**ENOS SEMORE (Second From Bottom)**

Enos Semore took over for Jack Baer in 1968 and stayed at the helm through the 1989 season. He is Oklahoma's all-time winningest coach with a record of 851-370-1. Semore led Oklahoma to five straight College World Series from 1972-76 and collected a program-record 62 wins in 1976. During his Sooner career, his teams won six conference titles. In his final season of 1989, he was named the Big Eight Coach of the Year.

Prior to his tenure at Oklahoma, Semore spent five seasons as the head coach at Bacone (OK) Junior College where he compiled a 152-22 record. In 1967, his team won the National JuCo Championship.

**STAN MEEK**

In one season as head coach, Stan Meek put together a 31-26 record in 1990. He was elevated to interim head coach in January of that year upon Enos Semore's resignation. Meek had been the Sooners' pitching coach from 1977-89.

Meek was a left-handed starter for Oklahoma from 1972-74 and helped the Sooners reach the College World Series in each of those seasons. He was drafted by the St. Louis Cardinals in 1974 and played in their farm system for four seasons, reaching Double-A in 1976.

Meek and his wife Gina have two children; Paige and Jay.

From 1991-2005, he coached Oklahoma to a 511-336-1 record before resigning during the 2005 season. Cochell's teams reached the College World Series in 1992, 1994 and 1995, won the 1997 Big 12 Tournament and reached eight NCAA Regionals.

## SUCCESS ON THE NATIONAL SCENE

Oklahoma has made 38 NCAA Tournament appearances in its history. The Sooners have won 12 regional titles, played in four Super Regionals and appeared in 10 College World Series. Overall, OU is 86-76 in the NCAA postseason, including a 6-3 mark in 2010 (CWS) an 8-0 mark in 1994 (national champions) and a 7-0 mark in 1951 (national champions) on the road to the College World Series in Omaha.

During the 1970s, OU advanced to five consecutive College World Series (1972-76), compiling a 19-12 record in those five postseasons.

In 2006, Oklahoma advanced to its first Super Regional at No. 1 Rice, since the tournament format changed in 1999. The Sooners also won the 2010 Charlottesville Super Regional over No. 1 Virginia and appeared in the 2012 Columbia and 2013 Baton Rouge Super Regionals.

The 2006 season also marked OU's first time hosting a NCAA Regional in Norman at L. Dale Mitchell Park. The stadium opened in 1982 after the Sooners had twice hosted a regional at Haskell Park in 1975 and 1977. OU had also hosted NCAA regionals in Oklahoma City.

In 2009, Oklahoma was awarded its first national seed in the NCAA tournament (No. 7).

## THE AUTOMATIC BID

The Big 12 Conference, and the Big Eight before it, is considered one of the toughest conferences year-in and year-out across the country in every sport. The conference is typically well-represented in the baseball postseason and the College World Series.

That postseason success on the national scene all starts with competition in the Big 12 regular season and the conference tournament. The winner of the eight-team, double-elimination tournament receives an automatic bid into the NCAA tournament.

The Sooners have taken advantage of that route on four occasions and are one of only two Big 12 teams to advance to every conference tournament since 1997.

OU ended the 1970s with two Big 8 Tournament Championships out of the final three years. The 1977 title was the first for OU in the conference's postseason tournament, and it came after the Sooners won the regular season title as well. In 1979, the Sooners once again claimed the postseason championship after finishing third in the regular season.

In the first year of the Big 12 Conference, the Oklahoma defeated Texas Tech, 19-17, in the championship game to claim the first conference tournament title. OU finished the regular season in fourth place with an 18-11 record in Big 12 play. The Sooners were 39-20 overall in 1997 and went 0-2 in the NCAA Tournament.

# JOSEPH HARROZ JR.

PRESIDENT, UNIVERSITY OF OKLAHOMA

Serving the University of Oklahoma for over 25 years in various leadership roles, Joseph Harroz Jr. was named the 15th president of OU on May 9, 2020. Harroz's previous service to the university includes a one-year term as interim president, nine years as dean of the College of Law and 12 years as general counsel.

As president of OU, Harroz led the development of the university's Strategic Plan — a comprehensive strategy that positions OU as one of the nation's leading public research universities marked by a transformative student experience. At the heart of the plan is the university's fundamental purpose — We Change Lives; three small but powerful words that carry deep meaning. The complete Strategic Plan is available at www.ou.edu/leadon.

Under Harroz's leadership, OU is making strides toward the fulfillment of the Strategic Plan. In fall 2020, OU welcomed its third-largest class in its 130-year history — 35% of which is comprised by historically underrepresented minority groups. OU's research landscape has progressed tremendously in the past year, with OU reaching a record-high $445.9 million in research awards earned through grants and external funding by OU faculty and staff in fiscal year 2020. Oklahoma health care is taking a major step forward with the historic merger formalized in June 2021 between OU and University Hospitals Authority and Trust to join their clinics and hospitals into Oklahoma's first comprehensive academic health system — OU Health. It offers a seamless patient experience with improved outcomes, research-driven care, and access to the latest treatments found nowhere else in the state.

Throughout his term as dean of OU Law, the college earned national recognition, including the highest-ever U.S. News & World Report ranking by any Oklahoma law school and the first law school in the nation to achieve Apple Distinguished School status from Apple, Inc.

A native Oklahoman, Harroz graduated Phi Beta Kappa from OU in 1989 with a Bachelor of Arts degree in economics and a minor in zoology. He earned his J.D. in 1992 from Georgetown University Law Center.

# JOE CASTIGLIONE

VICE PRESIDENT FOR INTERCOLLEGIATE ATHLETICS PROGRAMS AND DIRECTOR OF ATHLETICS

It would be difficult to find an athletics administrator who has experienced the long-term success at a legendary program that Joe Castiglione has had at the University of Oklahoma. However, it was his response to the COVID-19 pandemic that demonstrated the leader he really is.

As the pandemic arrived, then continued to worsen, Castiglione helped lead the department through the sudden ending of the academics and athletics year with a calm and determined approach. His leadership gave OU's student-athletes, coaches and staff reasons to be confident that the Sooners would get through the challenges that awaited.

Now in his 24th year, he leads an OU Athletics Department that hardly resembles the one that welcomed him in July of 1998. In fact, the Sooners have won 20 of their 39 team national championships since he arrived in Norman. He has celebrated 97 conference titles in that same period. Those numbers would surely be higher if the 2019-20 year had not had winter and spring postseason events wiped out. It's more than success that sets his tenure apart — it is the consistency of that success that makes the department stand out from others.

By creating a positive culture based on core values, a dynamic vision and a collaborative spirit, Castiglione has made OU Athletics a "destination of choice" and a world-class experience for student-athlete development.

The 2020-21 academic year yielded another accomplished campaign in school history. OU's fifth softball national championship (fourth in the last eight years) led the way, while three other teams (men's golf and men's and women's gymnastics) were national runners-up. Football won its sixth consecutive conference crown, softball and men's gymnastics their ninth straight and wrestling its first since 2002. Softball's Jocelyn Alo was named the 2021 USA Softball Collegiate Player of the Year while Anastasia Webb was named the Honda Sport Award Winner for gymnastics. Webb was also honored as the 2020-21 Big 12 Female Athlete of the Year, giving OU 10 of the last 19 Big 12 Athletes of the Year.

The Learfield Director's Cup recognizes overall program excellence. The Sooners have ranked among the top 25 in 18 of his 23 years, finishing 24th in 2020-21. (With the interruption of competition schedules, the Learfield Director's Cup was not awarded for 2019-20.)

GPA numbers and graduation rates continue to set program records. The 2021 spring semester marked the 19th consecutive that OU's student-athletes as a group recorded a 3.0 or better GPA. And the latest graduation success rate report (2020-21) reflects an OU-record 89% figure.

OU Athletics, one of the few remaining self-sustaining departments nationally, has been a model of fiscal responsibility, closing the books in the black in each of his first 22 years, including the pandemic-shortened 2019-20 season. Castiglione's responsible approach has benefited the general campus. Through direct and indirect support, the athletics department provides more than $9 million annually to OU's academics budget. It also established an endowment at Bizzell Library and partnered with the president's office to eliminate the admission fee at OU's internationally known Fred Jones Jr. Museum of Art.

Athletics facilities improvement and construction have been carried out at a record pace and Castiglione takes pride in the fact that those improvements have been funded with private donations. Castiglione was instrumental in the athletics department's major campaign, Great Expectations: The Campaign for Sooner Sports, that impacted each of OU's sports and became a national model.

Gaylord Family — Oklahoma Memorial Stadium underwent a $160 million renovation, completed prior to the 2017 season, that included enclosing the south end zone and creating new seating options for Sooner fans and new team facilities. Other improvements completed and/or planned included the opening of the Griffin Family Performance Center for men's and women's basketball at Lloyd Noble Center; a $25 million plan to build a new softball stadium; $15 million in renovations at baseball; and new team facilities for gymnastics and tennis. The $75 million Headington Hall provides housing for the general student population as well as student-athletes. The state-of-the-art building opened in August 2013 and won the President's Trophy as the outstanding housing unit on campus four times. It makes OU the leader in providing an engaging community living option for OU students.

THE **CASTIGLIONE FAMILY**

Castiglione was named Co-National Athletic Director of the Year in May 2018 by the Sports Business Journal. He had won the award in 2009 and been a finalist in 2016. A survey conducted by Sports Illustrated in the summer of 2017 named him the best athletics director in the country and Stadium selected him in 2020 as the nation's top AD. Other awards and honors include the 2018 Katha Quinn Award (U.S. Basketball Writers of America); 2018 induction into the Oklahoma Sports Hall of Fame; the 2013 John L. Toner Award (National Football Foundation and College Hall of Fame); Carl Maddox Sports Management Award (United States Sports Academy); 2000 and 2018 Athletics Director of the Year (NACDA); 2004 Athletics Director of the Year (Bobby Dodd Foundation); 2003 induction into the National Association of Collegiate Marketing Administrators Hall of Fame; and the 2001 General Robert R. Neyland Athletic Director Award for lifetime achievement (All-American Football Foundation).

He completed a master's of education degree in May 2007 and became an adjunct professor in OU's Jeannine Rainbolt College of Education, teaching graduate classes in marketing, development and leadership in higher education. He serves on the college's board of advocates and received the "Award of Distinction" given by the college in 2019. He was recognized for his distinguished service by OU's College of Arts and Sciences and was named a Price College Distinguished Partner in 2018.

Hired on April 30, 1998, Castiglione previously served as athletics director at Missouri for more than five years. His career began as the sports promotions director at Rice. Other stops included director of athletic fund-raising at Georgetown, then director of communications and marketing at Missouri. He marked his 25th year of serving student-athletes as an athletics director with the 2018-19 academic year.

A 1979 Maryland graduate, Castiglione received the university's Distinguished Alumnus Award in April 2007 and was inducted into the State of Missouri's Sports Hall of Fame in November 2015.

He completed a term on the College Football Playoff Committee in January 2021, making him the only person in history to serve on that committee as well as the NCAA Division I Men's Basketball and Baseball committees. He has served on multiple NCAA committees and commissions including the NCAA's Board of Governor's Commission to Combat Sexual Violence on Campus, NCAA Championship/Competition Cabinet, the NCAA Division I Women's Basketball Discussion Group and the United States Olympic Committee Athlete Career and Education Strategic Working Group. He also serves on the Gatorade Collegiate Advisory Board and the National Football Foundation and College Football Hall of Fame Board of Directors.

Castiglione is a past president of both the Division I-A Athletic Directors Association and NACDA. He also served three terms as the chair of the Big 12 Board of Athletics Directors. A former member of the Phi Delta Theta Foundation Board of Trustees, he is a highly requested speaker at annual conventions and continuing education institutes. In November 2011, his hometown recognized him by selecting him for the Broward County (Fla.) Sports Hall of Fame.

Locally, he served the United Way of Norman, among other organizations. His third term as OU's campus co-chair resulted in the highest recorded contributions ever by faculty, staff and students to the United Way of Norman's annual campaign. He encourages student-athletes and athletics staff to participate in those efforts as well, and in 2018-19, OU Athletics representatives logged more than 5,000 hours of community service.

A native of Fort Lauderdale, Fla., Castiglione is married to the former Kristen Bartel, a 1990 graduate of the University of Missouri. They are the parents of two sons, Joseph Jr., who earned a Bachelor of Business Administration degree and a master's degree from OU in 2019 and 2021, respectively, and Jonathan, who is an OU junior.

# BIG 12 CONFERENCE • STRENGTH AND SUCCESS

The Big 12 welcomes in 2021-22 fresh off its 25th anniversary as one of the nation's premier athletic conferences under the direction of 10-year commissioner Bob Bowlsby.

TCU and West Virginia joined the league on July 1, 2012 and became the Big 12's first additions since inception, joining Baylor, Iowa State, Kansas, Kansas State, Oklahoma, Oklahoma State, Texas and Texas Tech.

With 10 members, the Big 12 remains as the only autonomy conference to determine its champions in all sports directly on the field of play with a full round-robin schedule. The Conference's hard work ethic and strong values have translated to enormous success in its first 25 years. Since it began competition in 1996-97, the league can boast of 69 NCAA team titles and over 700 individual national championships.

The Big 12 has been at the forefront in college athletics reform, specifically with student-athlete welfare issues to include cost of attendance, student-athlete time demands and strengthening its policy for concussion diagnosis and management. In 2014-15, the Big 12 introduced and hosted three "State of Collegiate Athletics" forums to examine the issues facing college athletics. Two were conducted in Washington, D.C and one in New York City. Panelists included respected authorities from intercollegiate athletics, university leadership and sports journalism. The third forum featured a special session comprised of student-athletes. The Big 12 continued the "State of Collegiate Athletics" forums with Dallas serving as the host site for three events and one staged in Atlanta.

The award-winning Big 12 Champions for Life, an initiative of the Conference, begins its seventh year in 2021-22. It features current and former student-athletes, selected by league institutions, in a series of public service announcements highlighting the positive impact an athletics scholarship has had on their lives leading to stories of personal growth and success.

The Big 12 claimed five team national championships in 2020-21, the third-most in an academic year in Conference history, and tallied five NCAA runner-up finishes. Baylor won its first and the Conference's second title in men's basketball while Texas men's swimming & diving captured its and the Big 12's ninth national crown since 2000. Texas women's tennis and rowing captured the Big 12's first national championships in those sports. Oklahoma softball won its and the Big 12's fifth Women's College World Series since 2000. Additionally, 17 individual national champions were added in 2020-21. NCAA runner-up finishes included Oklahoma women's gymnastics, Texas volleyball, Baylor men's tennis, Oklahoma State women's golf and Oklahoma men's golf.

The Big 12 was the only autonomy conference to go undefeated in 2020 bowl games with a 5-0 finish (a sixth game was canceled due to COVID-19). It marked the first perfect bowl record in Big 12 history. Oklahoma and Iowa State played in CFP New Year's Six Bowls to give the Big 12 two teams in the postseason structure for the fifth season in its seven years. The Big 12 has made 12 appearances in a CFP News Year's Bowl in the seven years of the structure. From 2017-19, the Sooners made three straight CFP semifinal appearances and has made four since 2015.

The Conference has claimed seven Heisman winners, including former OU signal callers Kyler Murray in 2018 and Baker Mayfield in 2017. The Big 12 has had a finalist in 16 of its 25 seasons for a total of 21 with two finalists in five seasons.

The Big 12 and its member institutions are committed to a competitive environment where sportsmanship and fair play take center stage. Whether on the field, in the classroom, or within the community, the student-athletes, administrators, coaches and game officials of the Big 12 support the highest ideals in sportsmanship.

National academic accolades have always been strong in the Big 12. Ty Darlington (Oklahoma) was the recipient of the 2015 William V. Campbell Trophy, known as the Academic Heisman. Alison Gibson (Texas) was presented the NCAA Today's Top 10 Award in January 2021. It recognizes former student-athletes for their successes on the fields and courts, in the classroom and in the community. Since 1996, the Big 12 has a total of 14 honorees for this prestigious award. In the last 11 seasons, 22 student-athletes were recipients of the NCAA Elite 90 Award with Emma LaPinta (Oklahoma gymnastics) and Jules Callahan (Oklahoma State softball) picking up the most recent honors in 2020-21. The accolade showcases individuals who have reached the pinnacle of competition at the national championship level, while also achieving the highest academic standard among their peers.

In its short history, the Big 12 has over 720 Academic All-America recipients, averaging over 25 each season. Big 12 student-athletes have shown commitment to their studies by earning numerous individual academic recognitions. On 23 occasions a league athlete has garnered the top academic honor for their respective sport, including Bianca St. Georges (West Virginia) for soccer in 2018-19 and Brittany Brewer (Texas Tech) for women's basketball in 2019-20.

Competitive excellence, scholarship and sportsmanship are all equal components of the Big 12 philosophy. All-Big 12 teams and Academic All-Big 12 squads are recognized for each sport at the end of their respective seasons. At the end of each academic year, the Conference honors its top male and female student-athletes with the Big 12 Athlete of the Year and Big 12 Sportsperson of the Year awards.

Institutions can also nominate student-athletes for the prestigious Dr. Prentice Gautt Postgraduate Scholarships. A total of 461 scholars have received over $3.5 million in postgraduate financial aid through the first 24 years of the program.

The Big 12 sponsors 23 sports. Men's squads include baseball, basketball, cross country, football, golf, indoor track & field, outdoor track & field, swimming & diving, tennis and wrestling. Women's teams are fielded in basketball, cross country, equestrian, golf, gymnastics, indoor track & field, outdoor track & field, rowing, soccer, softball, swimming & diving, tennis and volleyball.

Big 12 institutions create a league that encompasses five states and nearly 38 million people. Nearly 5,000 student-athletes from across the United States and around the World compete annually in the sports sponsored by the Conference.

The Conference currently conducts postseason championships for 22 of its 23 sports with the Football Championship Game returning in 2017 after a six-year absence. Each championship helps to determine teams and/or individuals that will represent the Conference in national postseason competition.

The Conference office is headquartered in Irving, Texas.
