COACHING STAFF

Identifying and recruiting prospects, coaching talent to play at its peak and preparing players for life after college, whether it be football or in the real world, are just some of the areas where head coach Brent Venables and the Oklahoma coaching staff thrive.

86

PLAYER PROFILES

Among the Sooners returning are a group of 20 offensive lettermen, 19 defensive lettermen and two specialist lettermen. Eleven starters are back (five on offense, six on defense) as the program seeks its 15th Big 12 title and a spot in the College Football Playoff for the fifth time in nine years.

121

2022 REVIEW

Oklahoma's inaugural season under head coach Brent Venables culminated with a Cheez-It Bowl appearance. Among OU's victories in 2022 was a 49-14 triumph at Nebraska, a game that featured the Sooners' most points and yards (580) ever in Lincoln.

142

SOONER RECORDS

History is one tough customer at Oklahoma. The tradition, so rich and so long-standing, is as daunting as it is impressive. To be among the best at Oklahoma is to be among the best in college football. Review award winners, player honors, letterwinners, bowl game tradition, Sooners in the NFL and more.

200

SEASON BY SEASON

The 2023 season will mark the 129th campaign of intercollegiate football at OU. The Sooners were playing football 12 years before Oklahoma even became a state. Rarely has a football program and commonwealth enjoyed a more harmonious relationship than what exists in the Sooner state.

2023 MEDIA COVERAGE POLICIES

The following media policies are subject to change at any time.

Credentials
Requests for media credentials for University of Oklahoma home games should be made online at SoonerSports.com/fbcredentials. Only those requests submitted by the sports editor of a newspaper or the sports director of a radio or television station will be considered.

Priority is given to daily newspapers (by circulation), television stations and radio stations that program sports for more than half of their daily broadcast schedules. A credential does not guarantee a seat and access to the team bench area is prohibited at all times.

Credential requests should be made no later than one week before each game. Organizations may request single-game credentials for the entire season, but requests may be evaluated on a game-by-game basis. Any organization that requests a single-game credential then does not use it might be prohibited from receiving another pass the remainder of the season. No credential requests will be granted after Wednesday of game week.

OU-Texas Credentials
Those interested in covering the annual Oklahoma-Texas game at Dallas will need to make a separate request for credentials. Aside from national media, only season credential holders are eligible.

Because Texas will serve as the host school this year, credential requests should be made to the UT Athletics Communications staff. OU-based media credentials will be distributed at the Tuesday media luncheon in Norman. Any credentials not claimed that day will be available the Friday before the game at a pickup location in Dallas (times and location TBA).

Credential Pickup (OU Home Games)
Credentials may be picked up at media will call (Gate 2) at Gaylord Family — Oklahoma Memorial Stadium on game day beginning 2.5 hours before kickoff (see map on page 9). Each media representative must claim his or her pass by showing official ID. No group pickups are allowed on the day of the game.

Parking Passes
Parking passes will be available to credentialed media on a game-by-game basis. Like last year, OU will utilize digital parking passes for the 2023 season. More information will be shared directly with media members who request parking passes.

MEDIA AVAILABILITY

Practices: Oklahoma's practices during the regular season are closed to media. Media are not permitted to observe practices or workouts from any location without approval from the OU Athletics Communications Office. Reporters will be permitted to view/record portions of OU practices in Norman once the Sooners' bowl game destination is determined.

Monday: Offensive coordinator Jeff Lebby and defensive coordinator Ted Roof will be available to media in person starting at 11:30 a.m. for 15 minutes each.

Tuesday: Head coach Brent Venables' weekly press conference will be held Tuesdays in person from 11:30 a.m. to approximately 12:10.

Player Availability: Player availability during the season will occur following Monday and Tuesday practices, which will conclude early evening. The schedule will be communicated to local media each week. Some players have Monday/Tuesday evening class that could preclude them from interviews.

Game Day: Postgame availability only. Interview requests will be collected at the beginning of the fourth quarter. Members of the OU Athletics Communications staff will escort media representatives to the appropriate postgame interview areas with seven minutes remaining in the game. The Oklahoma locker room, home or away, is closed to media at all times.

For games in Norman, head coach Brent Venables, coordinators and several OU players will be brought to the team's Red Room for press conferences and breakout interviews, while the opposing head coach will meet with the media inside the opponent interview room in the SoonerVision studio (southwest corner, under the stadium grandstands). An OU Athletics Communications Office representative will be on hand to assist media in finding these areas. Contact the visiting team SID for postgame player availability.

GAYLORD FAMILY — OKLAHOMA MEMORIAL STADIUM

Gaylord Family – Oklahoma Memorial Stadium is one of America's most recognized college football cathedrals. Situated on the east side of the Norman campus, this historical facility is the largest sports arena in the state and ranks among the 20 largest college football stadiums in the nation.

With the expansion of Oklahoma Memorial Stadium to an official capacity of 83,489 in 2016 (it was reduced to 80,126 in 2019 due to aisle and seat widening) and with every home game exceeding that capacity, Oklahoma set numerous attendance records the past few years. In fact, the 18 largest crowds in stadium history have occurred in the past seven seasons.

Oklahoma's average attendance in 2022 for six home games was 83,835, ranking OU No. 13 in the nation.

The largest crowd ever to watch a game in the history of the state of Oklahoma jammed Memorial Stadium on Nov. 11, 2017. The No. 5 Sooners cruised to a 38-20 win over No. 8 TCU in front of 88,308 spectators.

OU has compiled a 134-13 home record the last 24 seasons, good for the best winning percentage (.912) in the nation during that period.

CHAMPIONSHIP TRADITION

7 NATIONAL CHAMPIONSHIPS • 50 CONFERENCE CHAMPIONSHIPS • 56 BOWL APPEARANCES

Great college football and the Oklahoma Sooners. For as long as anyone can remember, the two have been one and the same.

Unlike some schools where trad ition represents ancient history, or others where it harkens back only a few years, Oklahoma's tradition is a constant accomplishment unfettered by eras or time.

The Sooners were playing football before Oklahoma became a state and have achieved a legacy so successful that more than contributing to the history of this great game, it defines it.

Oklahoma is king in the modern era of college football (1946-2022). Since the end of World War II, the Sooners are the nation's No. 1 team, with more victories (690) than any other school and the best winning percentage (.766) among Power Five programs.

A LEGACY OF WINNING

Oklahoma has played in four national championship games and four College Football Playoffs over the last 23 seasons and owns 14 Big 12 championships. OU also has turned out a list of award winners and draft picks so long that it taxes even the best memory to name them all.

Greatness begets greatness and there has been plenty of that in Norman for generations. Now, from all corners of the country, the best players come to join a program of traditional success that is riding one of its biggest waves.

Statistics prove that Oklahoma is likely to hit the 11-win mark more than any program in the nation, as the Sooners lead the country with 27 seasons of at least 11 victories. And over the past 23 years (since the start of the 2000 season), OU has registered 18 campaigns of at least 10 wins, tied with Ohio State for the most nationally. The Sooners' 41 all-time seasons of at least 10 wins rank second nationally (one behind Alabama).

NATIONAL CHAMPIONS: 1950, 1955, 1956, 1974, 1975, 1985, 2000

Oklahoma is Championship Football

Nothing defines the competitive success of a college athletics program like a national championship. Oklahoma, with seven football national titles sprinkled over five decades, is one of the very few programs that sets out each fall with the expectation and legitimate goal of pursuing the national crown.

That pursuit rates as a lot more than just talk around Norman. The aura is unmistakable, and it radiates from real and repeated success on college football's biggest stage.

Oklahoma has claimed more national championships than any other Big 12 program.

The Sooners, under Bob Stoops, earned the program's most recent title in 2000 with an Orange Bowl victory over Florida State to cap a 13-0 season. OU's other championships came under Barry Switzer in 1974, 1975 and 1985, and Bud Wilkinson in 1950, 1955 and 1956.

Oklahoma played for the national title four times during Stoops' tenure (2000, 2003, 2004, 2008). During the BCS era, the Sooners were the only team to play in all five BCS bowl games and played in nine total. OU was ranked No. 1 in 20 BCS rankings — the most nationally.

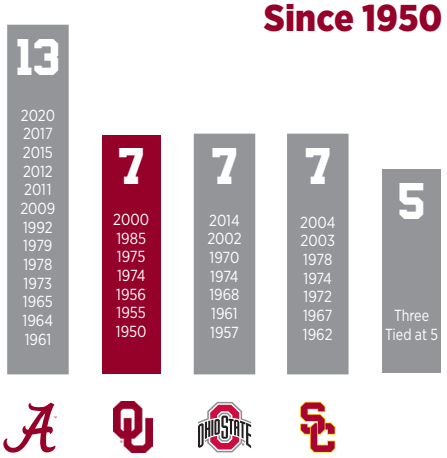

Until 2022, the Sooners were also the only Big 12 program to appear in the College Football Playoff, playing in the Orange Bowl (2015 season) along with the Rose Bowl, Orange Bowl and Peach Bowl (2017, '18 and '19 seasons).

In the words of Switzer: "People don't know what it means to be champions. Oklahoma invented it."

14 BIG 12 CONFERENCE CHAMPIONSHIPS

Since the formation of the Big 12 Conference in 1996, no team has won as many league titles as Oklahoma's 14. In fact, no other school has won more than three, and four league members have yet to win their first.

OU grabbed its most recent crown in 2020 by winning the Big 12 Championship game over Iowa State, 27-21. The Sooners' other Big 12 titles came in 2019 (30-23 in overtime over Baylor in the league championship game in Arlington, Texas), 2018 (39-27 win over Texas in Arlington), 2017 (41-17 win over TCU in Arlington), 2016 (9-0 conference record), 2015 (8-1), 2012 (8-1), 2010 (23-20 win over Nebraska in Arlington), 2008 (62-21 win over Missouri in Kansas City, Mo.), 2007 (38-17 win over Missouri in San Antonio), 2006 (21-7 win over Nebraska in Kansas City), 2004 (42-3 win over Colorado in Kansas City), 2002 (29-7 win over Colorado in Houston) and 2000 (27-24 win over Kansas State in Kansas City).

Making Them Count

Eleven of Oklahoma's 14 Big 12 titles have come via a league championship game. In those 11 Big 12 Championship game victories, the Sooners have outscored their opponents 379-187. That's an average of 35-17. OU's lone Big 12 Championship game loss came to Kansas State in 2003, but the Sooners still advanced to the BCS Championship Game that year thanks to their dominant regular season performance.

Sooners Lead Nation in Conference Titles

Oklahoma won its first conference championship in 1915 and has since tacked on another 49. In other words, the Sooners average a conference title just about every two seasons. That pace has actually improved since 2000 with 14 league crowns in 23 years.

Fast Facts

- Oklahoma's 14 Big 12 championships since the 2000 season are three more conference titles than the Power Five program with the next most (Ohio State; 11). The teams with the third most have won eight.
- Since 2000, OU has won more Big 12 championships (14) than it has lost home games (13).

Fifty-six bowl appearances and 31 bowl victories have firmly entrenched Oklahoma among the most tradition-rich schools in America.

The Sooners have become synonymous with postseason play at the highest level. At a school where the bowl history is laced with games of historical significance, the last several years have represented another fabulous roll for the Schooner.

OU enjoys favored status among the bowl community, mostly for its tradition, but also for its robust fan following. Regardless of the location, Sooner fans flock to follow a bowl tradition that is as fresh as it is historic.

The Sooners have made 24 consecutive bowl appearances, the second-longest active streak in the nation as recognized by the NCAA. Of those 24 showings, four were national championship bouts, nine were BCS bowl games, four were College Football Playoff semifinals contests and 13 were in January.

The Sooners and their fans have enjoyed trips to Phoenix, San Diego, Miami, Pasadena, New Orleans, Atlanta, Dallas, San Antonio and Orlando while playing in the most prestigious bowls in college football.

Most Heisman Trophies in the Nation

For many years, college football has paused at the end of each season to recognize its finest players. The award names like Heisman, Outland, Thorpe, Mackey and Butkus are woven into the fabric of the game as a tribute to the past and a beacon for the present.

The awards ceremonies attract the greatest names in the game, and of course, they attract and honor Oklahoma Sooners.

The road to the bright lights, podium and acceptance speech starts with great talent and hard work, common staples at OU. The Sooner program then provides the national stage on which players can be seen. The result has been an impressive collection of hardware.

Oklahoma has produced four Heisman Trophy winners in the last 20 years. Only four other programs have produced four winners ever.

After Baker Mayfield (2017) and Kyler Murray (2018) gave OU back-to-back Heisman winners, the Sooners became the only program in college football history to have different quarterbacks win the Heisman Trophy in consecutive seasons.

Not only have Sooners won the Heisman Trophy a nation-high-tying seven times, they have constantly appeared on Heisman voters' ballots.

Oklahoma has sent a nation-leading 10 finalists to New York City since 2000 (Alabama is next with nine): Josh Heupel (2000), Jason White (2003 and 2004), Adrian Peterson (2004), Sam Bradford (2008), Dede Westbrook (2016), Baker Mayfield (2016 and 2017), Kyler Murray (2018) and Jalen Hurts (2019). It is the only program to ever produce five finalists over a four-year span (2016-19).

The Sooners have also had multiple players invited to the Heisman ceremony on two different occasions — the only program in the country to accomplish the feat since 1982.

If it's a college football season, the likelihood is that more than one Sooner ranks among the best players in the land. That was true in 1913 when OU produced its first All-American and it's true today when the rate of additions is so rapid that the total now well outnumbers the age of the program itself.

One of college football's greatest programs has been built by some of college football's finest players. That's the natural result when talent meets coaching at a program with eye-popping facilities and great visibility.

Big 12's Consensus All-Americans

University of Oklahoma players have earned consensus All-America honors 82 times in the program's history. That's 20 more than the Big 12 school with the next most.

What is a consensus All-American? The NCAA officially recognizes selections from five All-America teams: AP, AFCA, FWAA, Sporting News and Walter Camp.

A player is designated a consensus All-American if he is a first-team selection on at least three of the five teams.

In 2017 alone, Mark Andrews, Orlando Brown and Baker Mayfield added their names to the prestigious list as they earned first-team All-America honors from all five official bodies, leading the nation. Ben Powers joined the list in 2018 and CeeDee Lamb in 2019.

Elite Program Prepares Players for Next Level

The league. Pro ball. The next level. It is the dream of every college football player. It is reality for many Oklahoma Sooners. Few programs in the country attract talent and prepare it to move on better than OU. Five Sooners were tabbed in the 2023 NFL Draft to extend the program's tally to 116 selections since 2000.

OU plays pro schemes and employs a rigorous strength and conditioning program that is so effective that many of those who have gone on to professional careers come back to Norman in the offseason to continue their training.

Oklahoma is the only program that has had at least four players drafted into the NFL each of the last 16 years. Players with the ability and drive to make the NFL flourish at OU and leave campus equipped to play beyond their college days.

Sooners at Center of College Football

Oklahoma is a household name due to the overwhelming media attention that hovers around the Sooners. Writers and broadcasters representing the nation's most recognized media outlets regularly interact with OU players and coaches, and routinely spend time in Norman.

When they can't come to campus, those same observers keep tabs on OU thanks to extensive television coverage. In 2022, all 13 Oklahoma games were carried live nationally on the ABC, ESPN or FOX family of networks.

146 Consecutive Home Sellouts

Fan support is guaranteed at Oklahoma. Since 1999, the Sooners have drawn 10,771,415 fans to Gaylord Family – Oklahoma Memorial Stadium, with all 146 of those regularly scheduled home games resulting in sellouts (an additional game in 2021 vs. Tulane was moved to Norman due to Hurricane Ida). It is the second-longest current home sellout streak in the nation, trailing only Nebraska.

OU has nearly been unbeatable at home, yielding 134 wins in those 147 contests. The thrilling victories have stoked Sooner Nation and helped lead to the expansion of OU's stadium by more than 11,000 seats. Even so, attendance exceeded the listed capacity in 90 consecutive games prior to 2020 when capacity was limited to 22,700 due to the COVID-19 pandemic.

In 2016, Oklahoma fans set a record for average season attendance (86,857) and broke the single-game mark with 87,979 fans against Ohio State. That mark was topped in 2017 versus TCU (88,308). The top 17 seasons for OU home attendance have taken place since the start of the 21st century.

Oklahoma has sold out every home game since the start of the 1999 season. During that span, the Sooners have won more Big 12 championships (14) than they've lost home contests (13).

October Rivalry in Dallas

The Oklahoma-Texas game, played each season at the Cotton Bowl in Dallas, a location approximately halfway between the two campuses, is one of the country's most spectacular sporting events.

Staged during the State Fair of Texas, the contest is witnessed by a crowd perfectly defined by color — half crimson, half burnt orange — in an atmosphere that is arguably more unique than that found at any other game. This rivalry is one that marks time and gives players and fans alike experiences for a lifetime.

Red River Rivalry Staying at Cotton Bowl at Least Through 2025

In June 2014, the City of Dallas announced that the Cotton Bowl would remain the site of the Red River Rivalry through 2025.

"Generations of Sooners and Longhorns will proudly attest that the Red River Rivalry is played amidst the most unique atmosphere in all of college football. Two of football's greatest programs and their legions of passionate fans are diametrically situated in the historic Cotton Bowl, surrounded by revelry of the State Fair of Texas.

"The University of Oklahoma is thrilled about preserving the rich tradition of this game in the City of Dallas (and)...we are looking forward more future student-athletes and fans enjoying the spectacle of this renowned football rivalry for many years to come."

– OU Vice President for Intercollegiate Athletics, Joe Castiglione

The Tunnel Experience

"From the top of The Tunnel that leads into the floor of the Cotton Bowl it looks like no big deal. All you can see is end zone. Then you start running and the world explodes around you. Your eardrums are pounded by the screams of 75,587 people and the blasts of the modified 12-gauge shotguns that the OU Ruf/Nek spirit group carries...

"You feel the world shake and start to understand why every Longhorn or Sooner who has taken these steps before you can never seem to find the exact words necessary to convey what has just happened.

"You've just run down the tunnel at the OU-Texas game — generally regarded as one of the greatest moments a college football player can experience."

STADIUM IMPROVEMENTS

Recent stadium enhancements included the latest Wi-Fi technology, additional handrails and the widening of aisles and some seats (resulting in the reduction of capacity to 80,126).

Palace on the Prairie

The University of Oklahoma Board of Regents approved a proposal from OU Athletics on June 25, 2014, to proceed with the development of plans and projects for a major renovation and modernization of Gaylord Family – Oklahoma Memorial Stadium.

The first phase of the building project was completed prior to the 2016 season and focused on the south end zone.

The most visible aspect was the completion of the south end zone seating bowl, a feature that initially increased stadium capacity to more than 83,000. The facility is also home to the nation's second-largest video board (50 by 170 feet).

The seating bowl features an expanded concourse, additional restrooms and concessions, and other amenities. The new structure also houses 22 suites, 60 open-air loge boxes and 1,976 club seats, and includes two fresh club options for patrons.

The renovated team portion of the facility allows for all student-athlete services to be moved to the ground floor. That space includes a locker room, large strength and conditioning area, training room, nutrition center, meeting rooms and an elite recovery area.

The weight room nearly tripled in size to 26,600 square feet and features a 70-yard indoor turfed speed and agility training area. The athletic training room also grew substantially to nearly 10,000 square feet. A 2,356-square-foot north video board was added in 2018.

Features Include:

A bowled in south end zone, new fan seating and options, including club seating, loge boxes and suites, as well as a fan plaza, and additional concession and restroom areas.

A 132,000-square-foot football complex featuring a new locker room, training room, nutrition area, coaches offices and player meeting rooms.

A 32,582-square-foot strength and conditioning facility that is triple the size of the previous weight room and features a 70-yard indoor turfed speed and agility training area.

Gaylord Family – Oklahoma Memorial Stadium

Gaylord Family — Oklahoma Memorial Stadium is one of America's most recognized college football cathedrals. Situated on the east side of the Norman campus, this historical facility is the largest sports arena in the state and ranks among the 20 largest on-campus facilities in the nation.

Memorial Stadium's rich heritage has not hindered its evolution, a never-ending growth fueled by the football program's overwhelming popularity. Almost since its inception, the stadium has been a work in progress. That fact holds true today. Using bond money and generous contributions, the stadium has recently undergone a number of changes (see pages 38-39 for information on the latest renovations).

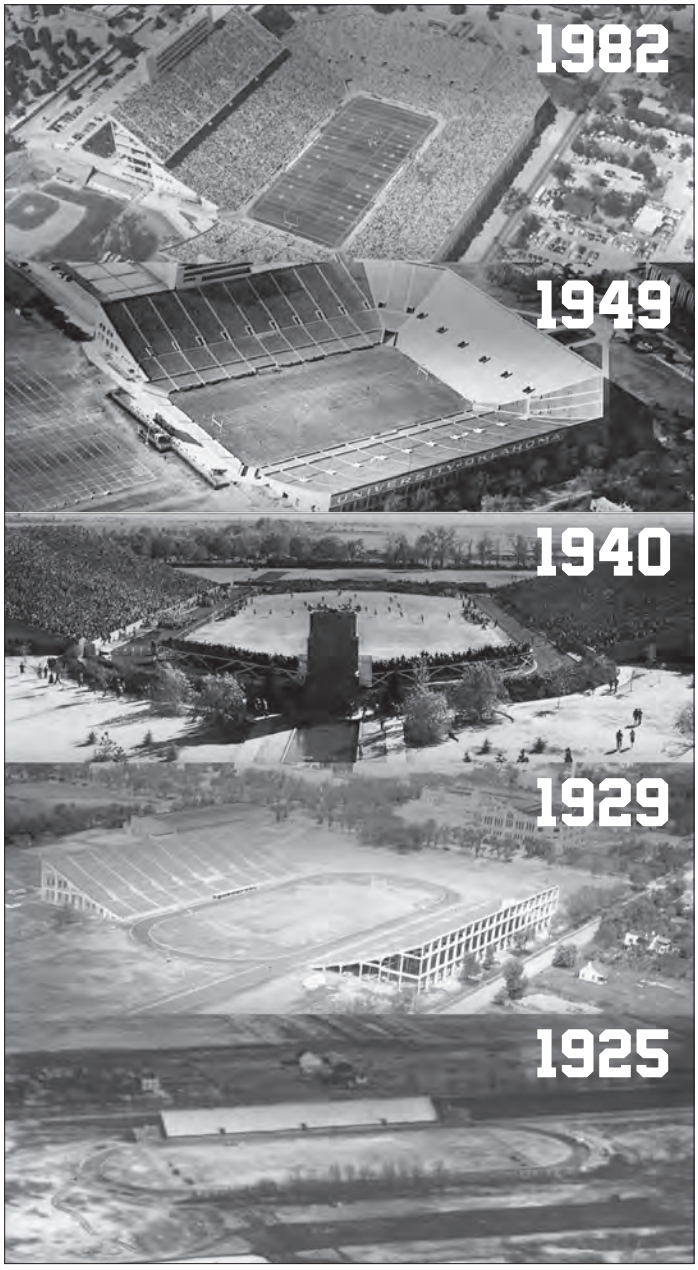

Prior to the 2009 season, additions and renovations were completed in Barry Switzer Center. The players locker room was expanded and remodeled while a 950-square foot hydrotherapy area and a new 4,000-square foot Red Room with seating for 211 was built.

The most major of those was a $4.5 million venture that added a state-of-the-art 3,689-square-foot HD video board atop the south end zone in 2008.

The summer of 2003 saw a venture that added 8,000 seats, including 27 suites on the stadium's east side, bringing the total number of suites to 63. At the same time, the press box was remodeled and outfitted with several state-of-the-art features. Another phase of that project stretched into 2004

when renovations to the Santee Lounge, restroom and concessions facilities and a new brick facade on the west side were completed.

In the two years prior to the stadium upgrade and expansion, renovations were completed in the coaches' offices, locker rooms, sports medicine and weight training facilities.

In 1921, University of Oklahoma students started a movement for construction of a student union. By 1925, the idea had grown to include a combined football stadium/student union.

In the original architect's drawings, the north end of the proposed structure was strikingly similar to the present Oklahoma Memorial Union, which eventually was constructed separately when head coach Bennie Owen suggested it would be best to raise funds for a union and a stadium.

The first game played at the site took place Oct. 20,1923 (a 63-7 win over Washington, Mo.), before the stadium/union plan got under way. The field was named Owen Field after Owen, who became a charter member of the National Football Hall of Fame.

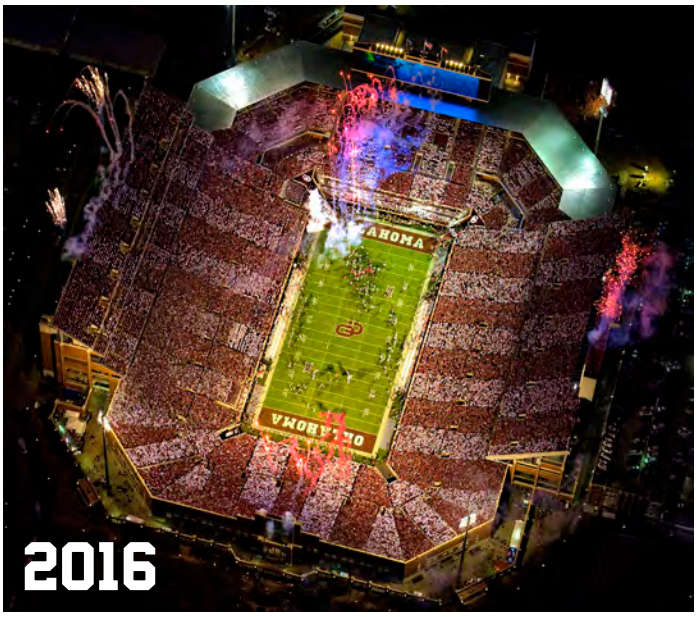

In 1925, the first contest was played in front of the new stands on the west side of the field. The 16,000-seat Oklahoma Memorial Stadium, named in honor of University personnel who died in World War I, was erected at a cost of approximately $293,000.

Stands on the east side of the stadium were added prior to the 1929 season. That addition increased the seating capacity to 32,000, where it stood for 20 years.

In 1949, OU president George L. Cross pushed for expansion and the result was a six-foot lowering of the old playing surface and the elimination of a running track that surrounded the playing area.

The changes produced 7,000 new ringside seats and brought capacity to 55,000. The north end of the stadium also was enclosed. In 1957, green grandstand bleachers were added to the south end of the field, enabling the stadium to hold 61,836 fans.

Eighteen years later came the addition of the upper deck and new press box. Another 8,436 seats were added at a cost of $5,726,345. Capacity for the 1975 national championship season was 71,187. Before the 1980 campaign, the old green bleachers were replaced with the new south end zone facility.

In addition to improved seating, the complex included coaches' offices, the weight room, meeting rooms, a training room, the equipment room and two locker rooms. The addition brought the stadium capacity to 75,004. Capacity was decreased to 72,765 in 1998 to provide more wheelchair seating.

In July, 1970 the original natural grass surface was removed and artificial turf was installed. That tartan turf was replaced with super turf before the 1981 season. Owen Field returned to grass in 1994.

A Stadium Master Plan was approved by the OU Board of Regents in June 1994. Construction of nine west side suites began in April 1995.

Subsequent improvements included the installation of stadium lights to allow night games, a new scoreboard and a video screen.

Preparing Leaders for Tomorrow

Gaylord Family – Oklahoma Memorial Stadium includes office space in the facility's north end. The largest piece of that area houses the Prentice Gautt Academic Center. Some 30,000 square feet are dedicated to the academic pursuits of Sooner student-athletes.

Major emphasis is placed on classroom performance at OU. The center's staff has achievement as its focus, a fact that is reflected in the student-athletes' record performance the past many academic years. In addition to its academic support, the staff assists in several life skills areas designed to enrich students in a broad range of tasks.

▶ *As part of the HR 4170 course, "Reflection of Apartheid in South Africa," 17 members of the OU football team traveled to South Africa in May 2023 to learn, firsthand, about the history of apartheid and the process of a country healing. During the in-country experience, the student-athletes visited historic sites related to apartheid, worked with experts in the field of creating social cohesion and conducted service-learning projects to help meet the physical needs of the communities.*

Sooners Excel On and Off Field

Recent numbers from the NCAA Academic Progress Rate (APR) show the Oklahoma football program is a prime example of accomplishing excellence both on and off the field. OU tied for first in the Big 12 with an annual APR of 997 for the 2021-22 academic year. APR is used as a real-time assessment on how student-athletes perform academically in regard to eligibility, retention and graduation.

In 2008, along with leading the Oklahoma offense to the NCAA record for most points scored in a single season, quarterback Sam Bradford and running back DeMarco Murray were named CoSIDA Academic All-Americans. Brian Lepak became the third Sooner in as many years to garner the honor when he was named to the team in 2010. Gabe Ikard followed as a three-time Academic All-American in 2011, 2012 and 2013.

Ty Darlington continued the Sooners' recent streak of Academic All-Americans in 2014 and 2015 when he became the 18th OU student-athlete to earn Academic All-America honors twice in a career. He also became OU's first recipient of the Willlam V. Campbell Trophy, given to the absolute best football scholar-athlete in the nation. And quarterback Connor McGinnis (2019) and safety Pat Fields (2020 and '21) were named Academic All-Americans.

Study Abroad – Sooners Around the Globe

Since 2003, OU Athletics has focused on building study abroad programs to accommodate the unique needs and time constraints of all student-athletes while providing an innovative way of obtaining course credit. The first two programs were launched in 2011, and the number of student-athletes who have studied or interned abroad exceeds 250 in 12 different countries. Specifically for football student-athletes, OU offers yearly study abroad programs in March and May to Brazil, South Africa, Spain, Italy, and Mexico (expansion to other countries is planned every other year). With an in-country service component, the programs provide meaningful experiences in areas of intercultural relations, international politics, human rights, health and exercise science, history, and all forms of artistic expression. These programs have transformed the lives of players, giving them the knowledge and confidence needed to participate effectively in an increasingly globalized society.

Taking an Active Community Role

OU lives by a clear and strong motto as it interacts with its student-athletes...Inspiring Champions for Today, Preparing Leaders for Tomorrow. As part of that promise, the Athletics Department and the football program take an active role in a number of community service projects.

Oklahoma's student-athletes recognize that wearing the Crimson and Cream means representing a popular sports program and themselves as individuals. They are encouraged to respond to a public that adores them, while learning important lessons about making a positive impact in the lives of others in and around the community in which they live.

Sooners Regularly Recognized for Service

Oklahoma's student-athletes are as visible off the field as they are when competing for the Sooners. Their significant community service efforts have been recognized not only on the local scene where they have the most impact, but also by national organizations that recognize the scope of OU's outreach.

No player embodied the Sooner spirit better than Quinton Carter, who was named the recipient of the seventh annual Wooden Citizenship Cup in 2011. The award is presented annually by the Atlanta-based Athletes For a Better World.

The award honored Carter who started his own foundation, the SOUL Foundation, while at OU. The Las Vegas native also adopted a class at Norman's KinderCare while volunteering for a multitude of other causes.

Players from Oklahoma's football team have also been named to the American Football Coaches Association's Good Works Team, an honor reserved for individuals who excel in their service to others. Jacob Gutierrez was named to the team in 2006, Nic Harris in 2007, Gerald McCoy in 2008, Carter in 2010, Caleb Kelly in 2018 and Chanse Sylvie in 2020.

Gutierrez, who in 2005 was named the Norman Youth Citizen Volunteer of the Year, also was named a finalist for the Wooden Cup. Then, in 2006, Carl Pendleton was tabbed a finalist for the honor, as was Ty Darlington in 2015.

Subsequently, Pendleton received postgraduate scholarships from the NCAA and the National Football Foundation, while also being named Big 12 Conference Sportsman of the Year. In addition, Pendleton won the Bobby Bowden Award, the highest student-athlete honor presented by the Fellowship of Christian Athletes.

Darlington also won the Bowden Award and the Wuerffel Trophy in 2015. The Wuerffel Trophy is awarded to the FBS player who best exhibits exemplary community service. Fellow OU center Gabe Ikard also won the national honor in 2013, while safety Pat Fields was one of three 2021 finalists. Fields was also a 2021 finalist for the Jason Witten Collegiate Man of the Year award, presented to the student-athlete who exhibits exemplary leadership on and off the field.

SOUL MISSION

"SERVE OUR UNCOMMON LEGACY"

Almost immediately after being hired as Oklahoma's 23rd head coach in December 2021, Brent Venables went to work on formulating SOUL Mission, a comprehensive in-house player development program.

The "SOUL" in SOUL Mission stands for "Serve Our Uncommon Legacy." The program's goal is to create first-class, impactful student-athletes and prepare them to be servant leaders and sustain a lifestyle of winning.

Four SOUL Mission pillars target every facet of off-the-field enhancement of OU's football student-athletes: civic engagement, life skills, career development and former player development.

"For me, I was like 'That's got to be the backbone of the program,'" Venables said upon revealing the program. "Because if you make it all about winning and chasing championships, that's going to be a very empty, unfulfilling journey. You can be dysfunctional and really good. I think some of the best of the best programs, when they focus only on winning, they're exactly that. We have an opportunity to have some generational change if we can keep the main thing the main thing. That's equipping these young people and pouring life into them. Making sure that we're not just asking the right questions but putting the right resources and people where they need to be."

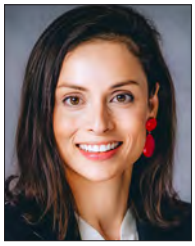

Venables hired three former Sooner football players as SOUL Mission directors — linebackers Caleb Kelly and Curtis Lofton, and running back/receiver Josh Norman — as well as Zulaikha Losman.

CALEB KELLY

ZULAIKHA LOSMAN

JOSH NORMAN

An impactful component of SOUL Mission is an annual community service trip. The inaugural five-day 2022 version took place the week after the spring semester concluded, as 24 student-athletes traveled to Miami Gardens, Fla., for a "Social Change Process" human relations remote study course. OU's contingent explored the challenges faced by community members and the positive and proactive action being taken by educators, administrators and community leaders to build a stronger and safer environment for students. The Sooners also took part in a full-service Scott Lake Elementary School beautification project that included painting, landscaping and renovating the science lab.

In May 2023, as part of the university's HR 4170 course "Reflection of Apartheid in South Africa," 17 members of the OU football team traveled to South Africa to gain firsthand knowledge of the history of apartheid and the process of a country healing. During the in-country experience, the student-athletes visited historic sites related to apartheid, worked with experts in the field of creating social cohesion and conducted service-learning projects to help meet the physical needs of the communities. As a result of the experience, players have maintained communication with the communities with which they collaborated and have worked to provide ongoing assistance.

There's Only ONE Oklahoma

Since well before statehood, the University of Oklahoma has unceasingly pursued academic and research excellence for the betterment of people and places around the world. Driven by a boundless determination to change lives, OU has inspired generations of students to find purpose and meaning through their OU education, and our state and society have long benefited from OU's innovative spirit. It's this unparalleled ambition to seize new heights of excellence that has defined us for well over a century as the one, and only, Oklahoma.

ONE Oklahoma — Endless Possibilities

- Over the last three years, the University of Oklahoma has ambitiously pursued the fulfillment of its first Strategic Plan in over a generation. "Lead On, University" aims to position OU as a top-tier public research university that fosters a culture of innovation, excellence, and inclusivity. Since the Plan's unveiling, OU has instituted structural changes like adding premier freshman housing, the merger of OU Health, joining the SEC, and more. Learn more about the plan at ou.edu/leadon.
- Research at OU continues to shatter records, recently setting all-time highs for research expenditures ($416.6 million university-wide for FY22 — an 8% increase from FY21) and sponsored research awards ($210.4 million on the Norman campus for FY23 — a nearly 33% increase from the previous fiscal year).
- The last three freshman classes at OU have set records for being OU's largest and most diverse incoming classes. This year, topping 5,100 students for the first time in OU history, the Class of 2027 is breaking additional university records, with the largest percentage of first-generation students than any other incoming freshman class and more underrepresented students than any other year.
- Supporting Oklahoma's workforce is one of OU's key priorities. OU announced the launch of the OU Polytechnic Institute at OU-Tulsa, which will offer bachelor's degree completion and graduate programs in critical STEM fields to meet the region's economic needs. In recent years, OU has significantly expanded student enrollment in several key academic areas to support the state's workforce demands, such as nursing, aviation and engineering.

Discover Norman!

In 1870, the United States Land Office contracted with a professional engineer to survey much of Oklahoma territory. Abner E. Norman, a young surveyor, became chainman of the central survey area in Indian Territory. The surveyor's crew burned the words "Norman's Camp" into an elm tree near a watering hole to taunt their younger supervisor. When the "Sooners" (those who headed west before the official Land Run date, April 22, 1889) and the other settlers arrived in the heart of Oklahoma, they kept the name "Norman." Today, with more than 120,000 residents, Norman is the third largest city in the state.

Despite its continuous growth, it has maintained the spirit and serenity of a small, close-knit community.

Since the Oklahoma Land Rush of 1889, Norman has grown into a popular and well-educated city. The spirit of Norman and its citizens is unwavering and uncompromising.

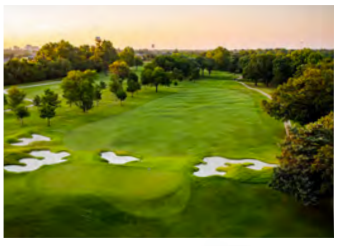

As home to the state's premier educational institution, Norman boasts an excellent quality of life and is a city that thrives on and celebrates the diversity of its community.

Norman was recently acknowledged as one of the most progressive cities in Oklahoma and the Norman Public School system was recognized as the top school system in the state.

Oklahoma City — The Modern Frontier

Oklahoma City, the state's capital, is located just 18 miles north of the OU campus. Named one of the 50 Best Places to Travel in 2020 by Travel + Leisure, OKC offers all of the culture, cuisine, attractions and amenities you'd expect in a modern metropolis.

The city features 14 unique districts and offers a variety of attractions and activities different from any other place in the country. Sprawling across 625 square miles of America's heartland, making it the nation's third-largest city by land area, the city's metro population numbers 1.4 million — a third of the entire state's population.

Residents of Oklahoma City voted yes to a one-cent Metropolitan Area Projects (MAPS) sales-tax initiative, bringing more than $5 billion in both private and public investment to the city since 1993.

Oklahoma City has become a haven for exciting sports action. The Thunder played in the NBA Finals in just its fourth season in OKC and has produced two league MVPs. The city is also home to three minor league teams and hosts the NCAA Women's College World Series.

2023-24 MARKS OU'S FINAL YEAR IN BIG 12 CONFERENCE

The Big 12 enters its 28th year as one of the nation's premier athletic conferences under the direction of new commissioner Brett Yormark.

The Big 12 is comprised of 14 institutions after welcoming BYU, UCF, Cincinnati and Houston on July 1, 2023. TCU and West Virginia were the first new additions since inception when they joined the league on July 1, 2012. Baylor, Iowa State, Kansas, Kansas State, Oklahoma, Oklahoma State, Texas and Texas Tech are legacy members.

The 2022-23 academic year saw Oklahoma earn its second straight NCAA women's gymnastics trophy and was crowned Women's College World Series champion for the third consecutive season. Texas captured the NCAA women's volleyball title as well as the women's outdoor track and field national championship. TCU reached the College Football Playoff National Championship game, and other national runner-up finishes came from Oklahoma State in men's cross country and from Texas in women's swimming and diving and women's indoor track and field. NCAA individual titles were collected by 23 student-athletes. The Big 12 tied its own record as the only league to place 70% of men's basketball teams in the NCAA Championship and 80% of football squads in bowl games in the same academic year, also accomplishing the feat in 2017-18.

The Conference office is headquartered in Irving, Texas.

KEY HIGHLIGHTS:

• Home of 81 NCAA team titles and 742 individual national championships (as of July 1, 2023).

• Big 12 institutions create a league that encompasses eight states, three time zones and a combined population of over 79.3 million.

• The league sponsors 23 sports. Men's squads include baseball, basketball, cross country, football, golf, indoor track & field, outdoor track and field, swimming and diving, tennis and wrestling. Women's teams are fielded in basketball, cross country, equestrian, golf, gymnastics, indoor track and field, outdoor track and field, rowing, soccer, softball, swimming and diving, tennis and volleyball.

• The Big 12 conducts postseason championships for 22 of its 23 sports.

• Entering the 2023-24 academic year, the Big 12 has over 800 Academic All-America recipients.

• National academic accolades have always been strong in the Big 12. In the last 13 seasons, 27 student-athletes were recipients of the NCAA Elite 90 award, including Meilin Sullivan (Oklahoma gymnastics) and Luke Savage (TCU baseball) in 2023.

FORWARD, AS ONE

Sooners continue to build roster, look to take big step in year two under head coach Brent Venables

OFFENSE

After a first season that saw Oklahoma run a fast-paced, quick-scoring attack that ranked 13th nationally with its 474.0 yards per game, the Sooners look to take a step forward under second-year offensive coordinator and quarterbacks coach **Jeff Lebby** in 2023. The challenge this season for Lebby, offensive line coach **Bill Bedebaugh**, running backs coach **DeMarco Murray**, tight ends coach **Joe Jon Finley** and first-year wide receivers coach **Emmett Jones** will be to elevate the young returning players, meld them with the Division I transfers and develop the highly rated incoming freshmen.

In total, Oklahoma returns 20 letterwinners on offense (29 total returners) and brought in 29 newcomers (10 transfers and 19 freshmen). The young unit returns only six players who made more than one start last season, but that figure includes quarterback **Dillon Gabriel**, who will be in his second season leading the offense and who has thrown for 95 TDs in his 38 career games. That's the most TDs nationally over the last four years among active players.

DEFENSE

Oklahoma's defensive unit was admittedly not as strong as hoped in 2022. But if there's one thing that's certain, it's that a defense on a **Brent Venables**-coached team won't stay down for long. OU's staff of defensive coordinator and linebackers coach **Ted Roof**, defensive tackles coach **Todd Bates**, defensive ends coach **Miguel Chavis**, cornerbacks coach **Jay Valai** and safeties coach **Brandon Hall** established a foundation last year and then revamped personnel after the season. With 19 returning defensive letterwinners (26 total returning players) and 31 total newcomers (10 transfers and 21 freshmen), the Sooners expect to have a deeper and more capable group of players on that side of the ball in 2023.

Ten defensive players have made at least two career starts at OU, but only six have started in eight or more contests. Seven transfers, including five defensive linemen, have played at least one full season at the FBS level. Thirteen of the freshmen or redshirt freshmen were rated as four- or five-star athletes in their respective signing classes.

SPECIAL TEAMS

Oklahoma returns placekicker **Zach Schmit**, but will have new players at punter, long snapper and holder for the first time in years. To that end, the Sooners will rely on returning roster players and incoming transfers to fill the all-important roles in the kicking game. Schmit looks to take a step forward in his second year, but may have to fight off **Josh Plaster**, **Gavin Marshall** and transfer **Redi Mustafaraj**. Plaster and transfers **Luke Elzinga** (an accomplished punter at Central Michigan) and **Ashton Logan** (played in three games at Colorado last year) will battle for punting duties, while returning team members **Ethan Lane** and **Ben Anderson** compete for the long snapper position.

In the return game, **Drake Stoops** and **LV Bunkley-Shelton** have handled punts in the past, but the Sooners must replace three-year return man **Marvin Mims Jr.** in the primary role. **Jalil Farooq** and **Billy Bowman** returned the majority of kickoffs last season and figure to factor again this year.

WELCOME TO NORMAN

After adding 47 new players to the program last season, Oklahoma welcomes 63 newcomers for 2023, **Brent Venables'** second season as head coach. Forty of those 63 newcomers are scholarship players. That means 51% of OU's 2023 roster is comprised of first-year Sooners.

Ninety-seven of OU's 123 players (79%) are first- or second-year Sooners, with 63 of them on scholarship. Only 26 of 116 players on OU's 2021 end-of-year roster are on the 2023 roster (19 of those are currently on scholarship [eight on offense, 11 on defense]).

QUICK LOOK AT 2023

Oklahoma returns 10 players (not including specialists) who started at least nine of the team's 13 games last season (five on each side of the ball). The five offensive players are quarterback **Dillon Gabriel** (12 starts), linemen **McKade Mettauer** (13 starts) and **Andrew Raym** (10 starts) and wide receivers **Jalil Farooq** and **Drake Stoops** (10 starts each). The defensive players are linemen **Ethan Downs** (13 starts) and **Reggie Grimes** (10 starts), linebacker **Danny Stutsman** (13 starts) and defensive backs **Billy Bowman** (nine starts) and **Woodi Washington** (13 starts). Defensive lineman **Isaiah Coe** started six contests.

The Sooners also welcome back kicker **Zach Schmit**, who handled all field goal, PAT and kickoff duties last season, and Farooq served as OU's primary kickoff returner.

RETURNING ALL-BIG 12 HONOREES

The Sooners return five players who earned 2022 All-Big 12 honors — two on offense and three on defense. Quarterback **Dillon Gabriel** was named Big 12 Offensive Newcomer of the Year as a redshirt junior after passing for 3,168 yards and 25 touchdowns and rushing for 315 yards and six more scores. And center **Andrew Raym** was an honorable mention all-league selection as a junior after giving up just two sacks on 358 pass-blocking plays in his 10 games (all starts).

Defensive end **Ethan Downs** earned second-team All-Big 12 accolades as a sophomore when he ranked fourth in the conference with 13.5 tackles for loss (he is the league's leading returner in TFLs). Linebacker **Danny Stutsman** and defensive back **Billy Bowman** were honorable mention All-Big 12 performers in 2022 as sophomores. Stustman led the conference and ranked 18th nationally with his 9.6 tackles per game, while Bowman logged 60 tackles and ranked second on the team with three interceptions in his 11 games (nine starts).

EMMETT JONES NEW RECEIVERS COACH

OU's only full-time coaching addition since last season occurred in January when **Emmett Jones** was hired as wide receivers coach and passing game coordinator. Jones, who has strong ties to the Dallas area, spent the 2022 season at Texas Tech as wide receivers coach and passing game coordinator. From 2019-21, he served as wide receivers coach at Kansas and added the title of passing game coordinator his final two years there. He also served as KU's interim head coach in spring 2021. Jones was also at Texas Tech from 2015-18, serving the first of those seasons as director of player development and the last three as outside receivers coach. Prior to collegiate coaching, Jones was a Texas high school coach for 14 years, the last three as head coach at South Oak Cliff High School.

GABRIEL A TD MACHINE

Redshirt senior quarterback **Dillon Gabriel**, who has started 37 of his 38 career games between UCF (2019-21) and OU (2022), including each of his last 37, ranks second nationally over the last four seasons with his 95 touchdown passes despite missing 11 games during the span due to injury (Houston's Clayton Tune passed for 96 TDs in four more games). If Gabriel continues to average 2.5 TD passes per contest like he has in his first 38 games, he would finish with 127 career TDs in a 13-game 2023 season, which he would accomplish in a 51-game career. For perspective, **Landry Jones** is the OU record-holder for career passing TDs with 123 in 52 games.

BIG 12 FAREWELL

With the Sooners set to join the Southeastern Conference on July 1, 2024, the 2023 football season will mark their last in the Big 12 Conference. OU has more than half of the Big 12's football championships (14 of 27) since the league began in 1996, and has posted a 180-59 (.753) record against conference competition (includes an 11-1 record in Big 12 Championship games).

Oklahoma's 14 Big 12 titles are 11 more than the programs with the next most (Baylor, Kansas State and Texas have three each). Going back to and including 2010, OU has won eight Big 12 titles and is followed by Baylor and Kansas State (three each) and Oklahoma State and TCU (one each).

Four new programs will make their Big 12 debuts in 2023, with BYU, Cincinnati, Houston and UCF joining the league. OU will host UCF on Oct. 21 and play at Cincinnati on Sept. 23 and at BYU on Nov. 18.

FIVE NFL DRAFT PICKS

Oklahoma had five players picked in the 2023 NFL Draft, all on the offensive side of the ball and one in each of the first three rounds. **Anton Harrison** became OU's first offensive lineman taken in the first round since 2013 when he was selected with the No. 27 overall pick by the Jacksonville Jaguars. He also became the 10th offensive lineman drafted in nine years under O-line coach **Bill Bedenbaugh**. Harrison was followed by wide receiver **Marvin Mims Jr.** in the second round (Denver Broncos), offensive lineman **Wanya Morris** in the third round (Kansas City Chiefs), running back **Eric Gray** in the fifth round (New York Giants) and tight end **Brayden Willis** in the seventh round (San Francisco 49ers). Since 2000, 116 Sooners have been selected, which is 36 more than the next-closest Big 12 program during that span (Texas, 80).

HOME IS WHERE THE "W" IS

Oklahoma has won more Big 12 championships over the last 24 years (14) than it has lost home games. OU is 134-13 (.912) at Gaylord Family — Oklahoma Memorial Stadium since the start of the 1999 season. It is the nation's best home winning percentage over the last 24 seasons (followed by Boise State [.907] and Ohio State [.892]). OU has outscored its opponents by an average of 43-18 in those games. No program has won more than three Big 12 titles since the Sooners won their first in 2000. OU has posted 146 straight sellouts of originally scheduled home games dating back to the start of the 1999 season. Only Nebraska (FBS-record 389) has a longer current streak nationally.

EXTRA POINTS

▶ Oklahoma won six straight Big 12 championships from 2015-20, giving it a nation-leading 50 conference titles. Nebraska ranks second with 46 and Michigan third with 44. OU's 14 league titles since 2000 are three more than the Power Five program with the next most (Ohio State has 11 while Alabama, Clemson and Oregon have eight).

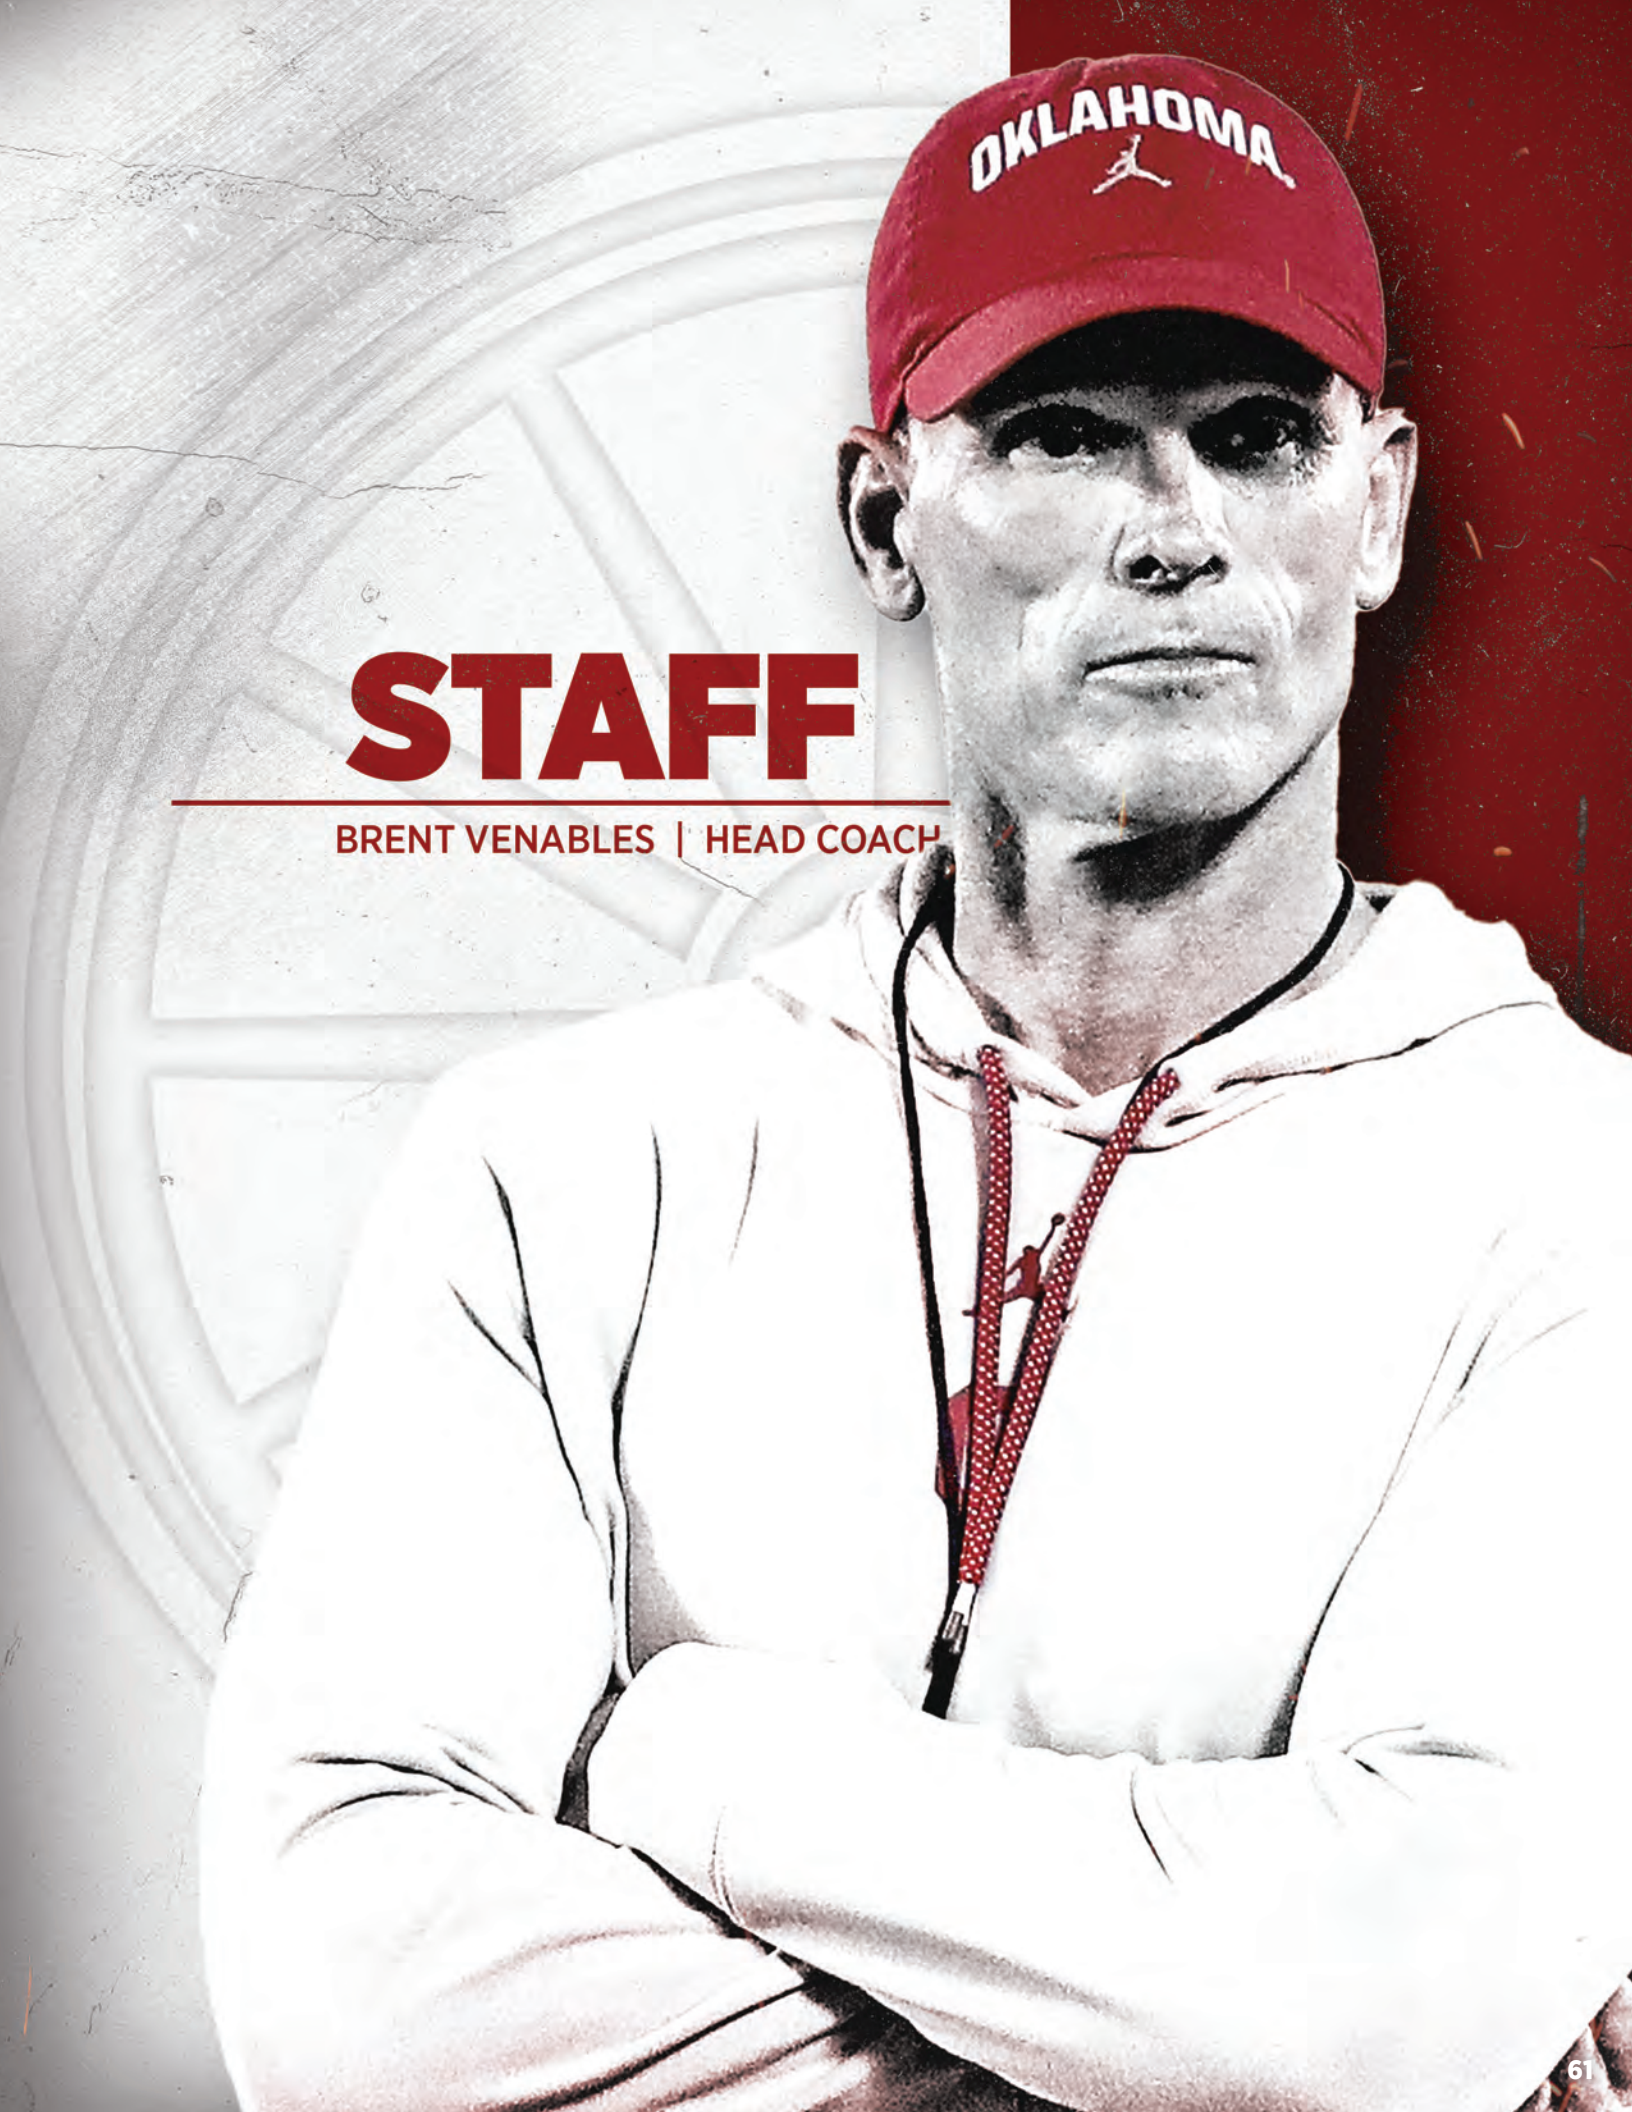

▶ Every OU freshman class from 1999-2020 has won at least one Big 12 title and all but the 2011 and 2020 freshman classes have won at least two. The 2015, 2016 and 2017 freshman classes each won four Big 12 crowns.

▶ Since the start of the 1999 season (**Bob Stoops**' first as OU head coach), the Sooners rank second among all Power Five conference programs in wins (252; two fewer than Ohio State and two more than Alabama). During the same span, OU leads the nation in points per game (38.6; next-highest average among Power Five programs is 37.1 by Oregon).

▶ The Sooners are the only program that has produced at least four NFL Draft picks each of the last 16 years. It is the third-longest streak in the common draft era (since 1967).

A former 13-year University of Oklahoma assistant coach who won a national championship with the Sooners and two more with Clemson University during an ultra-successful 10-year stint as defensive coordinator, Brent Venables was named OU's 23rd head football coach Dec. 5, 2021.

The 52-year-old Venables served as co-defensive coordinator and linebackers coach at Oklahoma from 1999-2003 and as associate head coach, defensive coordinator and linebackers coach from 2004-11 under former head coach Bob Stoops. Venables has coached in eight national championship games between his time at OU and Clemson, winning titles with the Sooners in 2000 and Tigers in 2016 and 2018. In 26 years as a full-time assistant coach, Venables' teams produced 26 winning seasons, won 13 conference titles, went to 30 bowl games (includes four College Football Playoff National Championship games) and won at least 10 games 22 times.

After joining Clemson prior to the 2012 season, Venables constructed one of the nation's top defenses. From 2012-2021, the Tigers ranked first nationally in sacks (445; next most was 392) and opponent third-down conversion percentage (30.2%), second in opponent pass efficiency rating (111.1) and takeaways (244; tied), third in scoring defense (17.8 ppg) and opponent completion percentage (53.3), fourth in total defense (311.4 ypg) and pass defense (190.5 ypg), fifth in interceptions (148) and sixth in rushing defense (120.9 ypg). They won conference titles each year from 2015-20.

Since 2000, Venables has coached eight national award winners and 16 consensus All-Americans. In that time, 57 defensive players under his guidance have been selected in the NFL Draft (12 first-rounders), including 15 linebackers, two of whom were first-round picks.

As a defensive coordinator and linebackers coach, Venables produced winners of three Butkus Awards (OU's Rocky Calmus in 2001 and Teddy Lehman in 2003, and CU's Isaiah Simmons in 2019), two Nagurski Awards (OU's Roy Williams in 2001 and Derrick Strait in 2003), two Thorpe Awards (Williams in 2001 and Strait in 2003) and one Bednarik Award (Lehman in 2003). And in 2018, Clemson defensive tackle Christian Wilkins became the school's first winner of William V. Campbell Trophy, also known as the "Academic Heisman."

Venables has received national accolades for his coaching and recruiting. He received the Frank Broyles Award in 2016 as the nation's top assistant coach after being named a finalist in 2015. He was named FootballScoop's Defensive Coordinator of the Year in 2014 and Rivals.com's Recruiter of the Year in 2015.

Venables' defensive units were remarkably consistent during his 10 years with the Tigers. Each of his last eight Clemson defenses ranked in the top 15 nationally in yards allowed and seven of the last eight ranked in the top 20 in points allowed. Over his last eight years there, his units ranked first (in 2014), 10th, eighth, fourth, fifth, sixth, 15th and ninth (in 2021) in total defense. Additionally, his units ranked first or second in the ACC in total defense each of his last eight years (ranked first in six of those seasons).

Under Venables' tutelage in 2021, Clemson ranked second nationally in scoring defense (15.0 ppg) and red zone defense (62.1 conversion percentage), fourth in sacks (3.4 per game), eighth in rushing defense (98.8 ypg) and ninth in total defense (308.4 ypg).

Venables' 2020 Clemson defense tied for the national lead with 46 sacks, despite no player producing more than 4.5 sacks individually. His 2019 unit allowed fewer than 300 yards of total offense in each of its first 12 games of the season, the first defense nationally since at least 1996 to accomplish that feat. Clemson held 16 straight opponents to 20 or fewer points across the 2018-19 seasons, the best streak at the school since the 1937-40 seasons.

Clemson's 2018 squad led the nation in scoring defense (13.1 ppg) for the first time in school history and set a program record by recording 54 sacks.

Venables' Clemson defenses ranked among the top 10 nationally in sacks each year from 2014-21 and ranked in the top 10 in tackles for loss from 2013-20. The units led the nation in TFLs every year from 2013-16.

From 1999-2011, Venables helped OU to the 2000 national championship, three other national championship game appearances (2003, '04 and '08) and seven Big 12 titles. He was a finalist for the Broyles Award in 2006 when the Sooners led the Big 12 in total defense and scoring defense.

Oklahoma linebackers under Venables earned three Big 12 Defensive Player of the Year awards, five Big 12 Defensive Newcomer of the Year accolades and six first-team All-America honors. Ten of his OU linebackers — and 31 defensive players overall — were taken in the 2000-12 NFL Drafts.

While Venables was an Oklahoma assistant, the Sooners ranked among the top 16 nationally in total defense eight times (including each year from 2000-06) and among the top 20 in scoring defense eight times. OU led the Big 12 in scoring defense on four occasions (2000, '04, '06 and '11) and topped the conference in total defense three times (2003, '04, and '06).

Prior to joining Stoops' first staff at OU, Venables coached linebackers at Kansas State (1996-98), serving as defensive running game coordinator in 1998, and was a graduate assistant at K-State under Bill Snyder from 1993-95.

As a player at Kansas State (1991-92), Venables earned honorable mention All-Big Eight honors in 1992 after registering 124 tackles. He began his collegiate playing career at Garden City (Kan.) Community College (1989-90), where he earned All-America honors after recording 276 tackles and was inducted into the school's athletics hall of fame in April 2023.

A native of Salina, Kan., Venables received his bachelor's degree in political science from Kansas State in 1992. He and his wife Julie have four children: sons Jake and Tyler and daughters Laney and Addie.

Coaching Notes and Accomplishments

• Named Oklahoma's offensive coordinator and quarterbacks coach Dec. 10, 2021, after serving two seasons in the same capacity at Ole Miss.

• A former Sooners offensive lineman and student assistant who graduated from OU in 2007.

• Presided over an Oklahoma offense in 2022 that averaged 32.8 points per game and led the Big 12 with its 474.0 total yards (13th nationally) and 219.8 rushing yards (10th nationally) per contest. QB Dillon Gabriel was named Big 12 Offensive Newcomer of the Year and ranked second in the Big 12 with his 263.6 passing yards per game, 25 TD passes and 154.4 passing efficiency rating.

• Coordinated some of the top offenses in the country at Ole Miss (2020-21) and UCF (2019). His units each of those three years each ranked in the top six nationally in total offense and in the top 25 in scoring offense.

• Ole Miss led the SEC in total offense in 2021 (492.5 ypg; ranked sixth nationally) and also paced the league in 2020 (555.5 ypg; ranked third nationally), Lebby's first season in Oxford. Both seasons he was named a semifinalist for the Broyles Award, which is presented to the nation's top assistant coach.

• Lebby's 2020 unit also broke the SEC record for total offense in conference play (562.4 ypg).

• Under Lebby's direction in 2021, the Rebels averaged 33.7 points (ranked 24th nationally), 274.8 passing yards (22nd) and 217.6 rushing yards (12th) per game.

• As quarterbacks coach, he watched Ole Miss signal-caller Matt Corrall complete 70.9% of his passes in 2020 for 3,337 yards and 29 touchdowns in 10 games. Corrall led the nation with his 384.9 yards of total offense per game and ranked fifth in the country with his 333.7 passing yards per contest. He was the only player in 2021 who passed for at least 3,000 yards and rushed for more than 500 (614; 11 TDs).

• Prior to arriving in Oxford, Lebby spent two seasons at UCF under head coach and former Oklahoma All-America quarterback Josh Heupel. Lebby was the Knights' quarterbacks coach in 2018 before being promoted to offensive coordinator for the 2019 season.

• In 2019, UCF set a school record and ranked second nationally in total offense (540.5 ypg) and ranked fifth in the country in scoring offense (43.4 ppg). The 2019 UCF offense was one of only two units in the nation to average more than 300 passing yards and 200 rushing yards per game. The other was Oklahoma.

• As quarterbacks coach in 2018, he helped lead the Knights to their second straight undefeated regular season and American Athletic Conference championship, as well as a berth in the Fiesta Bowl. He tutored McKenzie Milton, who threw for 2,662 yards and 25 touchdowns on his way to his second American Athletic Conference Offensive Player of the Year honor and a sixth-place finish in Heisman Trophy voting.

• Spent the 2017 season as offensive coordinator at NAIA Southeastern University in Lakeland, Fla., helping the Fire lead the nation in scoring offense (55.1 ppg) and rank third in total offense (557.4 ypg) while posting a 5-0 conference record and earning a berth in the national playoffs.

• Prior to Southeastern, Lebby served in various capacities on the football staff at Baylor. He coached running backs from 2012-16 and was also the passing game coordinator and offensive recruiting coordinator for the 2015 and '16 seasons. From 2008-11, he served as assistant director of football operations in charge of offensive quality control and was the program's liaison to the NFL.

• In his five seasons as Baylor's running backs coach, Lebby presided over five 1,000-yard rushers and was named FootballScoop's 2013 Running Backs Coach of the Year.

• Before moving into the college ranks, Lebby served as the offensive line/tight ends coach at Victoria (Texas) Memorial High School in 2007.

As a Player

• An offensive lineman and member of OU's 2002 recruiting class, Lebby's college playing career was cut short due to injury, but he transitioned to a role as a student assistant for the program for four years.

Coaching Notes and Accomplishments

• Named Oklahoma's passing game coordinator and wide receivers coach and on Jan. 10, 2023.

• Spent the 2022 season at Texas Tech as wide receivers coach and passing game coordinator. From 2019-21, Jones served as wide receivers coach at Kansas and added the title of passing game coordinator his final two years there. He also served as KU's interim head coach in spring 2021 until Lance Leipold was hired as head coach.

• In 2022, Texas Tech led the Big 12 and ranked 12th nationally in passing offense (302.0 yards per game) and 13th nationally in passing yards (3,926). Eight receivers under his tutelage registered at least 20 receptions and five of those averaged at least 12.0 yards per catch.

• In each of Jones' three seasons at Kansas, the Jayhawks produced a top-11 receiver in the Big 12. In 2019, Andrew Parchment ranked fourth in the league by averaging 69.3 receiving yards per game, becoming the first KU player to rank among the top-five Big 12 receivers in the category since 2009. In 2020 and '21, Kwamie Lassiter II ranked 11th (50.9 yards per game) and eighth (54.4 ypg) in the Big 12, respectively.

• Jones's background is firmly rooted in the state of Texas. A highly respected figure from his time as head coach at South Oak Cliff High School in Dallas from 2012-14, he made the jump to the collegiate ranks in 2015 when then-Texas Tech head coach Kliff Kingsbury hired him as director of player development. He was promoted the next year to outside receivers coach and spent three seasons in that role.

• Regarded as a top developer of wide receivers in the college game, he helped build one of the nation's most productive offenses in his first stint at Texas Tech. In 2016, the Red Raiders led the nation in total offense (566.6 ypg) and passing offense (463.0 ypg), and ranked fifth in the country in scoring offense (43.7 ppg).

• In 2018 under Jones' tutelage, Tech receiver Antoine Wesley earned first-team All-America honors from the Football Writers Association of America after catching 88 passes for 1,410 yards and nine touchdowns. His receiving yard total ranked as the third-best in Tech history, behind only a pair of two other eventual NFL players in Michael Crabtree and Keke Coutee. Wesley ranked second nationally that season in receiving yards per game (117.5), third in total receiving yards and eighth in receptions per contest (7.3). He led the Big 12 in receiving yards and catches per game.

• A Biletnikoff Award semifinalist, Wesley was one of four Red Raider outside receivers who made it to the NFL under Jones. The others were Dylan Cantrell (drafted by the Los Angeles Chargers and also played for the Arizona Cardinals, New England Patriots and the now-Washington Commanders), Derrick Willies (Cleveland Browns) and T.J. Vasher (Dallas Cowboys).

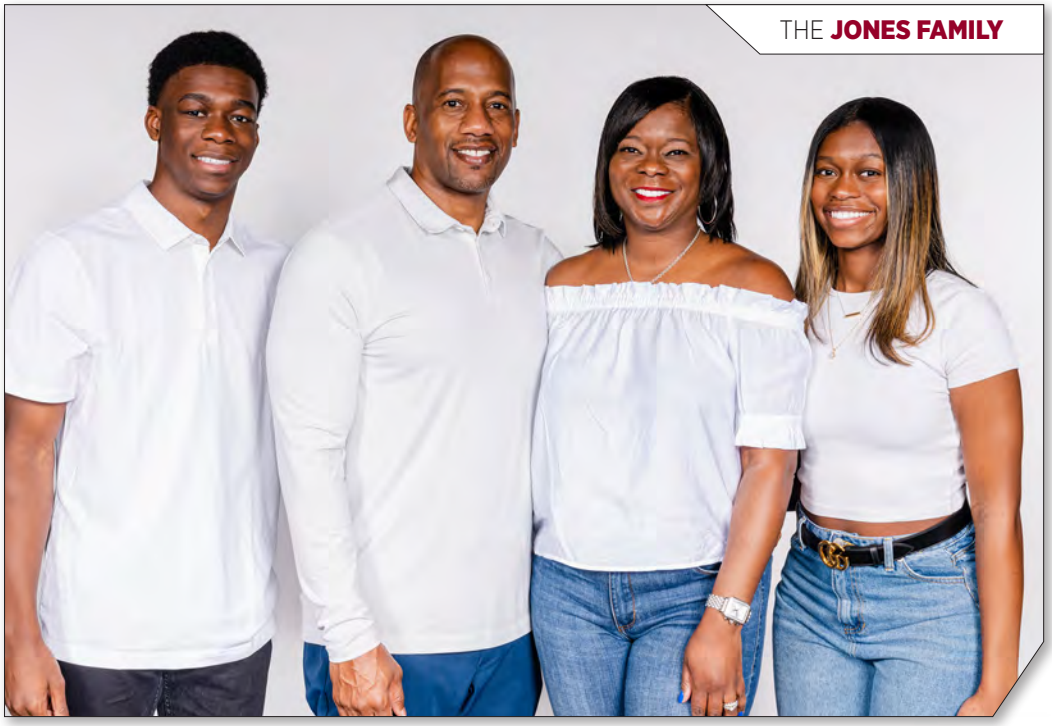

• Led South Oak Cliff High School to a 30-8 record in his three seasons as head coach. The Golden Bears advanced deep into the Class 4A and 5A playoffs each of those three years. The school produced several FBS signees under Jones, including five players in the 2014 class alone.

• Prior to his time at South Oak Cliff, Jones served as an assistant coach at multiple Dallas-area high schools. He spent seven seasons at Dallas Skyline, starting there as wide receivers coach before being promoted to offensive coordinator. He served on the Dallas Lincoln staff for the 2004 season. He began his coaching career at Seagoville, spending the 2001-03 seasons at his alma mater.

VENABLES' 2023 CLASS RANKED AS HIGH AS NO. 4

Head coach **Brent Venables** and staff hauled in Oklahoma's second-straight top-10 recruiting class in 2023. The class featured 24 scholarship players — 23 during the December signing period and one more in February. The class ranked No. 4 nationally by 247Sports and ESPN, No. 6 by Rivals, and No. 7 by On3.

Of the 24 signees, three were ranked as consensus five-star prospects on a five-star scale by 247Sports, ESPN, On3 and Rivals, 12 were rated a four-star recruit by at least two of the outlets while nine others received three-star designation from at least one of those services.

"I'm incredibly proud of our staff for putting together an amazing class," said Venables, who is in his second year as OU's head coach. "I love the belief of all of these recruits and their families, the stick-to-itiveness that we ask our players to have all the time. They certainly have represented that. Obviously, you have to be talented and good enough athletically, but I think that's just the bare minimum. We're really looking for the right people. Eighteen guys we're talking about are former captains where they come from. Great leaders where they are, excellent students, but just people that have been about commitment and they understand the heart and the work ethic that it takes."

All but one of the 24 signees were high schoolers (one came from the junior college ranks) and hail from 14 states: five from Texas, three each from Oklahoma and Florida, two each from Missouri and Washington, and one each from California, Colorado, Indiana, Nebraska, New Jersey, North Carolina, Ohio, Pennsylvania and Tennessee.

Ten members of the signing class are classified as offensive players and 14 as defensive players.

Thirteen of the Sooners' signees enrolled at OU for the spring semester and participated in team activities. They were quarterback **Jackson Arnold**, defensive linemen **Adepoju Adebawore** and **Ashton Sanders**, running backs **Kalib Hicks** and **Daylan Smothers**, offensive linemen **Joshua Bates** and **Cayden Green**, linebacker **Phil Picciotti** and defensive backs **Peyton Bowen**, **Kendel Dolby**, **Erik McCarty**, **Makari Vickers** and **Jasiah Wagoner**.

KENT STATE	3
#7 OKLAHOMA	33

NORMAN — No. 7/7 Oklahoma trailed 3-0 late in the first half but drove 76 yards to score a touchdown with 18 seconds remaining in the second quarter and outscored Kent State 26-0 after halftime to post a 33-3 home win. The Golden Flashes were picked by MAC head coaches to win the league's east division title.

Kent State's three points were the fewest Oklahoma allowed an FBS opponent since a 41-3 win at Kansas in 2017. The Sooners recorded 14 tackles for loss against the Golden Flashes (their most since 2019) and three sacks.

Dillon Gabriel completed 21 of 28 pass attempts for 296 yards and three touchdowns without an interception. His TD passes covered 36, 18 and 58 yards. The 36- and 58-yarders went to receiver Marvin Mims Jr., who tied a career high with seven catches for a career-high 163 yards. He also set a career high with 203 all-purpose yards with the help of a 41-yard punt return, OU's longest since 2019.

For the first time since 2018, three Sooners registered double-digit tackles in a game. Linebacker Danny Stutsman (12) and safety Billy Bowman (11) set career highs in tackles for the second straight game, while safety Justin Broiles tied a career high with 11 stops in his first start of the season. Stutsman recorded 4.0 tackles for loss, OU's most in three seasons, and added a sack, while Bowman was credited with a forced fumble and recovery on the same play.

Justin Harrington made his first career interception, David Ugwoegbu logged a safety and Reggie Grimes recorded 2.5 TFLs and 1.5 sacks.

DALLAS — Playing without injured starting quarterback Dillon Gabriel, Oklahoma had its four-game winning streak against Texas snapped in a 49-0 defeat at the Cotton Bowl in Dallas. The Sooners were outgained 585-195 in total yardage and managed just 24 yards after halftime. It was the first time OU got shut out since 1998.

Without Gabriel, OU started redshirt junior Davis Beville got his first career start at quarterback and the Sooners used a variety of players in "wildcat" packages to try to kickstart an offense that averaged 3.7 yards per play on the day. Beville completed 6 of 12 pass attempts for 38 yards and was intercepted once.

The Sooners held Texas to seven points in the first quarter before allowing 21 in the second, 14 in the third and seven in the fourth.

Receiver Jalil Farooq was OU's leading rusher, carrying five times for 60 yards, while running back Eric Gray finished with 59 yards on 11 carries. Tight end Brayden Willis got several snaps in the "wildcat" package and gained 18 yards on seven rushes.

Linebacker Danny Stutsman logged a game- and career-high 13 tackles and was joined in double digits by defensive back Woodi Washington (career-high-tying 10) and linebacker David Ugwoegbu (10). It was Ugwoegbu's third straight game with at least 10 stops (the only double-digit games of his career). Defensive back C.J. Coldon registered one of OU's four tackles for loss, as well as his first interception as a Sooner that he returned 20 yards.

OKLAHOMA	27
IOWA STATE	13

AMES, Iowa — Oklahoma registered three interceptions and held Iowa State to 66 rushing yards (2.4 per carry) in a 27-13 victory, giving the Sooners their 25th win in their last 26 trips to Ames. The 14-point margin marked ISU's largest defeat of the season at the time.

OU, which never trailed for the second straight game, rushed for 182 yards, the second highest total by an Iowa State opponent. The Cyclones entered the day allowing just 105.3 rushing yards per contest.

Oklahoma took a 13-3 to halftime and kicker Zach Schmit accounted for all 13 of the team's points with a 41-yard field goal, a two-yard receiving touchdown on a fake field goal, a PAT and a 34-yard field goal. The touchdown was thrown by holder Michael Turk, who became OU's first full-time punter to throw a TD pass since 1970.

Eric Gray turned in his fifth 100-yard rushing performance of the season, finishing with 101 yards and a four-yard touchdown on 20 carries (5.0 average). It was the second most rushing yards ISU gave up to an individual player on the year.

OU's three interceptions were its most since the 2020 Cotton Bowl vs. Florida and came from Woodi Washington on Iowa State's second play and Justin Broiles and Danny Stutsman in the fourth quarter. Stutsman's pick was the first of his career.

DaShaun White registered a career-high 14 tackles (10 solo) and 1.5 tackles for loss.

Turk punted six times for an average of 49.3 yards. He had key 61- and 60-yard punts in the fourth quarter that flipped the field and OU's defense registered takeaways on the ensuing possessions.

BAYLOR	38
OKLAHOMA	35

NORMAN — Oklahoma was unable to overcome three turnovers and dropped a 38-35 home contest to Baylor, snapping the Sooners' two-game winning streak.

OU marched 75 yards on the game's opening possession and went up 7-0 on quarterback Dillon Gabriel's 10-yard touchdown run. It was the team's only lead of the day, however, as Gabriel threw three first-half interceptions (two came on deflections) that Baylor turned into 10 points.

The Bears led 17-14 at halftime despite being heavily outgained (334 yards to 187) and took three different 10-point leads in the second half (24-14, 31-21 and 38-28). Eric Gray's one-yard TD run with 4:05 remaining cut OU's deficit to three, but BU converted three third-down attempts on its ensuing possession and ran out the clock.

Gabriel completed 22 of 34 passes (65%) for 261 yards and ran for a career-high 70 yards on nine carries. Gray registered his third straight 100-yard rushing game, finishing with 106 yards and two TDs on 23 carries, and caught a career-high-tying eight passes for 58 yards. #22 OKLAHOMA STATE	13
OKLAHOMA	28

NORMAN — Unranked when playing Oklahoma State for the first time since 2009, Oklahoma raced to a 28-0 first-quarter lead then rode its defense the rest of the way in a 28-13 home win over the 24th-ranked Cowboys. It marked just OU's second victory in program history in which it only scored in the first quarter (the other was in 1937).

The Sooners set first-quarter school records for total offense (their 299 yards were the second most in any quarter in program history) and passing offense (their 224 yards were six shy of the program standard for any quarter). OU's 28-point lead marked its largest ever in the first quarter in the Bedlam series.

Dillon Gabriel completed 14 of 18 passes for 224 yards and two touchdowns in the first quarter, and ran three times for 15 yards and a score, also in the opening 15 minutes. The 239 yards of total offense set the OU record for any quarter. He finished the game 20 for 40 through the air for 259 yards.

OU's defense tied a season high with six sacks, registered 13 tackles for loss (one shy of season high) for 60 yards and tallied 12 quarterback hurries, the program's most since 2002 and tied for the fourth most since the stat was tracked beginning in 1970.

Oklahoma registered four takeaways on the night, all interceptions, and three of them came in the game's first 18 minutes. The four picks, which were OU's most in a game since 2015 and most against OSU since 1985, came from cornerback C.J. Coldon, defensive end Jonah Laulu (first of career), safety Billy Bowman and linebacker DaShaun White.

Defensive lineman Jordan Kelley played perhaps his best career game, logging career highs of six tackles, 2.5 tackles for loss and 2.0 sacks.

Eric Gray rushed 20 times for 90 yards and a touchdown, and Drake Stoops caught a career-high six passes for 89 yards, all in the first half. Included were a season-long 33-yarder and a 23-yard TD reception.

	OKLAHOMA	**32**
	#13 FLORIDA STATE	**35**

ORLANDO, Fla. — Oklahoma, looking to record its 24th consecutive winning season, jumped to a 14-3 lead over No. 13 Florida State and led 25-18 early in the fourth quarter before falling 35-32 in the Cheez-It Bowl after an FSU field goal with 55 seconds left.

The Sooners finished with 496 yards of offense on the night (253 rushing and 243 passing), but the Seminoles registered 587 yards (418 through the air).

Quarterback Dillon Gabriel, who completed 14 of 24 passes for 243 yards and no interceptions, accounted for OU's first two touchdowns that resulted in the 14-3 advantage with 14:31 left in the second quarter. He threw a 22-yard TD pass to Jalil Farooq on the Sooners' first drive before running for an eight-yard score.

The teams traded blows the rest of the way, with FSU taking a 32-25 lead with 7:22 left in the game before OU's Jovantae Barnes rushed for a 12-yard score with 3:37 to go to knot the score. Then Seminoles kicker Ryan Fitzerald kicked the game-winning 32-yarder.

Barnes (108 yards on 27 carries) and backfield mate Gavin Sawchuk (100 yards on 15 carries) became the first pair of OU freshmen with at least 100 rushing yards in the same game since 1985 (QB Eric Mitchel [135 yards] and FB Leon Perry [132 yards] vs. Iowa State). Barnes made his first career start and Sawchuk played in his second career game.

GAME SUMMARY

This was the first Orange Bowl that featured two national powers as both teams were undefeated and untied. To lure the Sooners to Miami, the Orange Bowl director circled the Norman campus, leaving chalk messages that promoted the game. Tennessee's powerful ground attack was too much for the Sooners, winners of 14 straight, as the Volunteers raced to a 17-0 victory in the fifth annual Orange Bowl. The victory was the 13th straight for the Vols, who were coached by Major Bob Neyland. The game was considered to be the roughest of all bowl games played that year as both teams combined for more than 200 yards in penalties.

GAME SUMMARY

In a game that featured two of the marquee names in college football at the time, Oklahoma blasted North Carolina State, 34-13, before an overflowing crowd of 10,000 in the second annual Gator Bowl. The Sooners did not take long to get on the scoreboard, two minutes to be exact, on an Eddie Davis one-yard plunge. N.C. State roared back to even the score, but OU put the game out of reach by scoring 20 second-quarter points and coasted from there. The marquee matchup was made possible because of the Tournament of Roses committee decision to match representatives of the Western Athletic Conference (now the Pac-12) and the Big Nine, (now the Big Ten). This agreement made it possible for teams not waiting for a possible Rose Bowl berth to be picked by the Gator Bowl committee.

GAME SUMMARY

It was legendary Coach Bud Wilkinson's first bowl game as the fifth-ranked and underdog Sooners took on the third-ranked and unbeaten North Carolina Tar Heels accompanied by their All-America tailback Charlie "Choo Choo" Justice. Oklahoma upset the 'Heels with the big play coming in the first quarter as linebacker Myrle Greathouse intercepted a pass and returned it 70 yards to set up Jack Mitchell's one-yard run. The Sooners never trailed after that.

GAME SUMMARY

Bud Wilkinson's team was rated second in the nation and it was the first one of his squads to post an undefeated record, 10-0. The game was one-sided and still stands as the largest margin of victory in OU bowl history. One of the many Sooner big plays was Leon Heath's OU bowl record-breaking 86-yard TD run. The game was marred by an early-week incident where a former LSU player was caught spying on Sooner practices. It was the only time in Wilkinson's career that he publicly blasted an opponent.

OU lost a bowl-record five fumbles in falling behind 13-0. A fourth quarter 17-yard TD pass by Billy Vessels narrowed the margin, but a come-from-behind effort was foiled by an interception in the final minute of play.

Twice, the Terrapins had first down with the ball inside the 10-yard line, and both times the Sooner defense refused to allow any points on the scoreboard. Sooner tailback Larry Grigg scored the only TD of the game with a 25-yard scamper in the second period. The 1954 bowl game was the first bowl game in which the players had to play both ways. Sooner hero Grigg also played defensive back.

Oklahoma got only six first downs, lost the total offense battle (328 yards to 279) and picked up an OU-bowl-record 165 yards in penalties, but used two interception returns for TDs, including an OU-bowl-record 94-yarder from David Baker, two fumble recoveries, a blocked punt and a bad snap from center to win going away. The 48 points marked an all-time OU bowl record that stood until matched by the '91 Gator Bowl team.

LB Lee Roy Jordan, the MVP, and QB Joe Namath led the Crimson Tide to the victory.The Sooners had first and goal twice in the first half, but fumbles ended OU's chances and the Sooners never really threatened again. The lone highlight for Oklahoma was a visit by President John F. Kennedy to the Sooners' locker room. Although President Kennedy claimed neutrality, it was obvious by the grimace on his face he was backing OU.

Tennessee came back to narrow the Sooner lead to 19-17 before Oklahoma defensive back Bob Stephenson picked off a pass and raced 24 yards to give OU an all important insurance TD. The Sooners desperately needed the insurance when Dewey Warren plowed in from a yard out. The Vols then missed a potential game-winning field goal as the gun went off.

The "bone" produced 349 yards rushing and touchdown runs of 58 and 25 yards by All-American Greg Pruitt, but the Sooners still needed a late field goal by Bruce Derr to forge the tie with the Crimson Tide.

QB Jack Mildren, playing in the final game of his brilliant college career, scored a Sugar Bowl-record three times. GAME SUMMARY

Played for the first time on New Year's Eve, the Sugar Bowl brought the Big Eight Champion Sooners to do battle with Joe Paterno's fifth-ranked Nittany Lions. The Sooner defense posted a shutout while allowing only 11 first downs and 49 yards rushing the entire game. It was the first year that freshmen were eligible and Sooner wide receiver Tinker Owens celebrated with five catches, good for 132 yards and one touchdown. It was also the last game for Sooner head coach Chuck Fairbanks who left for the NFL the following spring.

GAME SUMMARY

It was Oklahoma's first bowl trip under legendary head coach Barry Switzer and a storybook setting. Ohio State, the No. 1-ranked team in the country, had lost in the Rose Bowl earlier in the afternoon. The upset gave the Sooners an opportunity to win the national championship if they could beat the Michigan Wolverines coached by Bo Schembechler. A 39-yard end around by Billy Brooks and a nine-yard keeper by Steve Davis were enough for a 14-6 victory and a fifth national championship.

The Sooners led 27-0 at the third quarter mark before the reserves added two more scores in the fourth period. OU did not punt the entire game, the only time in Sooner bowl history that had happened.

GAME SUMMARY

Called by Barry Switzer, "the most disappointing loss of my career," OU was a victim of one of the biggest upsets in bowl history. When Notre Dame downed Texas in the Cotton Bowl, OU was in the running for a national championship. A big win over Arkansas might impress the voters and secure the crown for the Sooners. As a result, Switzer went against his own strategy by choosing to receive the opening kickoff rather than play defense. OU fumbled inside its own 10 on the third play of the game and Arkansas immediately scored for a lead it never relinquished.

GAME SUMMARY

A truly amazing turn of events produced a rematch after Nebraska's victory in November. The Sooners, ranked No. 1 with one loss, had lost a heartbreaker to the Cornhuskers, 17-14, on a late fumble at the NU three-yard line. When the Huskers were upset the following week by Missouri, producing a Big Eight Championship tie, the Orange Bowl officials came up with the idea of a rematch, much to the Sooners' joy and the Huskers' shock. It went as predicted: an Oklahoma victory.

GAME SUMMARY

The Big Eight Champion Sooners met an undefeated Florida State team on New Year's night. After the Seminoles took a 7-0 first-quarter lead, OU unleashed 17 second-quarter points to take the lead for good. J.C. Watts was named Orange Bowl MVP on offense. He scored on a 61-yard option play and rushed for more than 100 yards. Bud Hebert, who recorded three interceptions, earned the award on defense. Billy Sims wrapped up his brilliant collegiate career scoring on a 22-yard pitch from Watts. Oklahoma finished third in the country and won the Orange Bowl for the third time in five tries under Switzer. The Seminoles crossed midfield only two times after the first quarter and never passed the 35-yard line.

GAME SUMMARY

This contest featured a rematch with a great deal more excitement as OU turned to a foreign weapon, the pass, to notch its third straight Orange Bowl win. QB J.C. Watts was chosen MVP and with good reason. The Seminoles used a fourth-quarter TD to break a 10-10 tie and seemingly gain control. OU was forced to start deep in its own territory after the kickoff with little time left. Watts went to work and passed the Sooners to the 11-yard line where he hit Steve Rhodes with a TD strike to pull the Sooners to within one with less than a minute to go. Watts then proceeded to hit tight end Forrest Valora for the two-point conversion that gave the Sooners their ninth Orange Bowl victory, including three in the last four years. Oklahoma finished ranked No. 3 in the nation.

GAME SUMMARY

Brigham Young was No. 1 in the polls, but Sooner head coach Barry Switzer had argued that the Sooners should be No. 1 because of a tougher schedule. A win over a fine Husky team would solidify that claim. However, Washington refused to cooperate and turned a 17-14 fourth-quarter deficit into a 28-17 triumph. The game was marked by a bizarre incident when, after thinking an Oklahoma field goal was good, the Sooner Schooner raced onto the field as called for by tradition. A penalty negated the field goal, but the Schooner became stuck in the muddy field in front of UW's bench, resulting in a 15-yard penalty. The following 42-yard try was no good.

Tim Lashar booted an Orange Bowl-record four field goals to give the Sooners an early lead. GAME SUMMARY

The Sooners' hopes of winning their seventh national championship were put to rest by Miami, 20-14. The Hurricanes took the opening kickoff and moved 65 yards in eight plays for a 7-0 lead, then never looked back. The Sooner offense, which led the nation in six categories, was held to only 179 rushing yards and 255 overall. Late in the fourth quarter, the Sooners scored on a 29-yard fumblerooski which gave the Oklahoma faithful a flicker of hope. The Hurricane defenders blew it out when they sacked quarterback Charles Thompson and caused a fumble to ensure the victory.

GAME SUMMARY

After a dry three quarters and the score deadlocked at 6-6, Clemson held off a late Sooner rally to post a 13-6 victory and give the ACC its first victory over Oklahoma in 16 tries. On the Sooners' last possession, OU took over possession on its own 20 with 2:59 left on the clock. QB Jamelle Holieway, playing in his final game, scampered 11 yards on a fourth down to keep the drive alive. Holieway then completed passes of five, seven, four, 12, seven, 12 and 13 yards, to get OU inside the Tiger 14 with 12 seconds remaining. But two desperation heaves by Holieway dropped incomplete to end all Oklahoma hopes.

OU's defense surrendered 485 yards and four touchdowns through the air. BYU's John Walsh set Copper Bowl records for completions (31) and TD passes (4). Sooner linebacker Broderick Simpson was defensive player of the game with 13 tackles, a sack and a pass breakup.

GAME SUMMARY

Top-ranked Oklahoma used a smothering defense to shut down the third-ranked Seminoles and Josh Heupel generated enough offense to lead OU to a perfect season. As the nation's only unbeaten team, the Sooners were the unanimous winners of the AP media poll. They were automatically crowned national champions in the coaches' poll under the Bowl Championship Series format. Led by Orange Bowl MVP Torrance Marshall, the Sooners time and again forced Florida State quarterback Chris Weinke into bad decisions. Tim Duncan kicked two field goals and Quentin Griffin scored the clinching touchdown on a 10-yard run up the middle with 8:30 to play. Florida State avoided its first shutout in 12 seasons when Stanford Samuels tackled OU punter Jeff Ferguson in the end zone for a safety with 55 seconds remaining after the snap sailed over his head.

GAME SUMMARY

Arkansas' defense played well, but few will remember. Oklahoma's defense was that much better. The final statistics were as chilling and stark as the weather. The Razorbacks, who reached OU territory just two times the entire game, could muster only 13 passing yards on two completions while their rushing attempts (42) outnumbered their rushing yards (37). Sooner defenders tied a school and Cotton Bowl record with a whopping nine sacks. Late in the first quarter, Oklahoma set sail on a 13-play, 63-yard scoring drive that culminated in a one-yard sneak by quarterback Nate Hybl. Along the way, the Sooners converted two third downs and one fourth. The resulting touchdown and PAT made the rest of the afternoon academic. OU added a 32-yard field goal by Tim Duncan in the third frame to build a 10-0 advantage that felt like twice that given the play of the defense. Arkansas, aided by penalties, finally scratched out a field goal, but no serious threat to the outcome was ever mounted.

GAME SUMMARY

Riding its defense, LSU won the BCS title, 21-14. Oklahoma entered the game as the nation's top scoring offense, but struggled against the Tigers. The OU defense gave a good account too, surrendering 64 of LSU's 312 total yards on a non-scoring run on the Tigers' first snap. Still, it was the LSU defenders who stole the show. DE Marcus Spears returned an interception 20 yards for a TD on the first series of the second half and seemingly opened the floodgates. But OU stiffened and got its running game untracked. After pulling within seven at 21-14, the Sooners made another push to the LSU 12, but missed on four straight pass attempts, the last one with just 2:46 left. The crowd was the largest ever to see a sporting event in the Louisiana Superdome.

But the Sooners' 28-0 deficit to start the game proved too much to overcome. Kyler Murray threw for 308 yards and two touchdowns while rushing for the most yards (109) by a quarterback against a Nick Saban-coached Alabama team. CeeDee Lamb caught eight passes for 109 yards and a TD while Charleston Rambo posted career highs of three catches and 74 receiving yards, including a 49-yard TD. OU's 34 points, 471 total yards, 308 passing yards, 26 first downs and 6.8 yards per play were Alabama opponent season highs.

HEISMAN TROPHY WINNERS

92 NATIONAL AWARD WINNERS • 167 ALL-AMERICANS • 7 HEISMAN TROPHY WINNERS

1952 • HEISMAN WINNER • BILLY VESSELS

Billy "Curly" Vessels was the man who started it all. The first Sooner to win college football's most prestigious individual achievement award, Vessels led the Sooners to a 26-4-1 record during his career.

The 1950 Sooners, under the direction of head coach Bud Wilkinson, went 10-1 to give Oklahoma its first of seven national championships. As a sophomore, Vessels started on the 1950 squad, scoring 15 touchdowns.

But Vessels' most successful individual season came during his senior campaign when he won the Heisman Trophy. Vessels rushed for 1,072 yards on 167 carries and scored 17 touchdowns.

Creating a new meaning for the word "versatile," the Cleveland, Okla., slasher was part of every phase of the Sooner offensive attack. Vessels was even a threat from above. "Curly" connected on seven passes for two touchdowns in 1952.

The 1952 Sooners went 8-1-1, finishing fourth in the nation, and won Oklahoma's ninth conference title. OU opened with a 21-21 tie against Colorado and then reeled off five straight wins, averaging 46 points per contest. OU dropped a 27-21 decision to Notre Dame and then finished strong by sweeping the last three games.

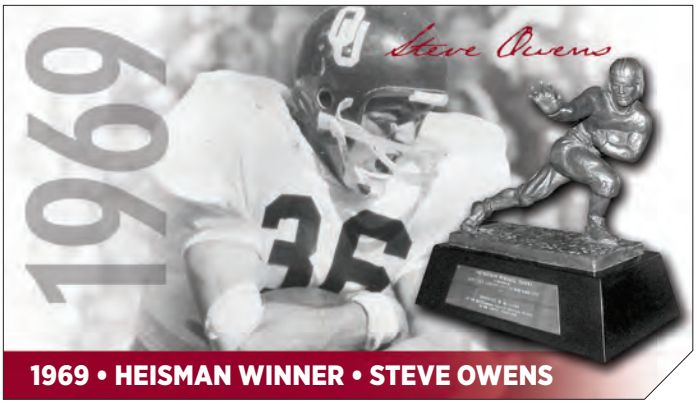

In 1953, Vessels turned pro with the Edmonton Eskimos and won the Schenley Award as the top player in Canada. He then served as an officer in the U.S. Army. Vessels was elected to the National Football Foundation and College Hall of Fame in 1974.

1969 • HEISMAN WINNER • STEVE OWENS

Steve Owens was a 6-2, 215-pound powerhouse from Miami, Okla., who ravaged defenses from 1967-69, setting four conference records of the day.

Playing on a 1969 squad that had been hurt badly by graduation in 1968, Owens carried the load for the Sooner offense. OU's workhorse carried the ball 358 times that year for 1,523 yards while scoring a school-record 23 touchdowns.

Owens had two 200-plus-yard games while leading the Sooners to a 6-4 season. Spurred by Owens' effort, Oklahoma averaged 28.5 points a game in 1969.

Owens' great career left a mark on the OU records book, and he still has several school standards to his credit. He is the school's all-time leading scorer with 57 career touchdowns, and he holds the records for the most carries in a game (55) and career (958). Owens finished his three-year career with 4,041 rushing yards, the fifth most in school history.

Detroit selected Owens in the NFL Draft first round. He was the first Lion to gain over 1,000 yards in a season and was an All-Pro selection in 1971 and 1972.

In 1991, Owens was named to the Oklahoma Sports Hall of Fame and was the Walter Camp Foundation Alumnus of the Year. Owens was inducted into the National Football Foundation and College Hall of Fame in 1991 and into the Orange Bowl Hall of Honor in 1992.

HEISMAN TROPHY WINNERS

7 NATIONAL CHAMPIONSHIPS • 50 CONFERENCE CHAMPIONSHIPS • 56 BOWL APPEARANCES

1978 • HEISMAN WINNER • BILLY SIMS

Billy Sims, a 6-0, 205-pound running back from Hooks, Texas, swept through defenses like a tornado flying across the Oklahoma landscape.

He set a Big Eight single-season rushing record in 1978 with 1,896 yards on 256 carries and led the nation in rushing by averaging more than 7.0 yards per carry. He topped the 200-yard mark in a school-best four different games that season.

Sims led the Sooners to an 11-1 record, Orange Bowl championship and third-place finish in the final poll. OU opened with a 35-29 win over Stanford and then crushed West Virginia and Rice by a combined score of 118-17.

The Sooners rolled over Texas and won the first five games of the conference schedule heading into the Nebraska contest. Sims ran for 153 yards against the Cornhuskers, but it was not enough as the Sooners fell, 17-14.

OU responded by clubbing Oklahoma State 62-7 and was rematched with the Cornhuskers in the Orange Bowl. The Sooners edged Nebraska 31-24 in the second meeting between the top-10 schools.

Sims ranks first in the OU records book for 200-yard rushing games in a season (4) and a career (7), and ranks second in rushing yards in a season (1,896). He was first on OU's all-time rushing list with 4,118 yards until Samaje Perine (4,122) passed him in 2016.

2003 • HEISMAN WINNER • JASON WHITE

OU quarterback Jason White became the trigger man for the country's most potent offensive attack in 2003. At a school where the points can flow like an Oklahoma gusher, White led the OU team that outscored all of its predecessors (601 total points).

He did so with uncanny accuracy, especially on deep throws, and a touchdown to interception ratio (four to one) so gaudy that it read like a typographical error.

White set school records for touchdown passes in a season (40) and game (5, twice). His season passing total ranked No. 2 at OU. He was No. 4 nationally in touchdown percentage (8.87), No. 7 in passing efficiency (158.11), No. 18 in interception percentage (2.22) and No. 22 in total offense (264.0).

The outpouring of recognition was impressive. White captured player of the year honors from the Associated Press, *Sports Illustrated*, *The Sporting News* and CNNSI.com. He also won the Davey O'Brien Award and the Jim Thorpe Courage Award.

White returned for another season after his Heisman campaign and finished third in the voting. It was an unprecedented finish by one school when his teammate Adrian Peterson finished second.

HEISMAN TROPHY WINNERS

92 NATIONAL AWARD WINNERS • 167 ALL-AMERICANS • 7 HEISMAN TROPHY WINNERS

2008 • HEISMAN WINNER • SAM BRADFORD

As the leader of the most potent and highest-scoring offense in NCAA history (716 points), Sam Bradford rewrote the Oklahoma record books on a continual basis throughout the 2008 season while lighting up scoreboards.

Known for his poise in the pocket and pinpoint accuracy, Bradford posted one of best ever touchdown-to-interception ratios, 6.25-to-1, in the history of college football.

When the dust had settled on the 2008 season, Bradford led the nation in passing efficiency and touchdowns, was No. 3 nationally in passing yards, set the Oklahoma season records for yards, touchdowns, passing efficiency, 200-yard games, 300-yard games, and 400-yard games, along with the career record for TD passes.

Bradford threw for at least four touchdown passes in eight games, tossing five scoring strikes in four different contests. In addition, Bradford surpassed Florida's Rex Grossman with the most touchdowns through the freshman and sophomore years with 82.

In one of the closest Heisman races in recent history, Bradford held off fellow quarterbacks Colt McCoy and Tim Tebow to become the fifth winner in program history.

Bradford also brought home the Associated Press Player of the Year, Davey O'Brien, Sammy Baugh and Chic Harley awards while being named the Big 12 Offensive Player of the Year by the league coaches. The AP and *The Sporting News* named Bradford a first-team All-American.

2017 • HEISMAN WINNER • BAKER MAYFIELD

Baker Mayfield arrived at Oklahoma unannounced as a walk-on. He left as the most decorated player in program history.

The quarterback, who grew up an OU fan in Austin, Texas, finished his career with a season for the ages in 2017, leading the Sooners to their third straight Big 12 title and a second College Football Playoff appearance in three years, while being named Big 12 Offensive Player of the Year, a unanimous All-American and OU's sixth Heisman Trophy winner.

Mayfield led the FBS in completion percentage in 2017 (.705), points responsible for (296) and yards per pass attempt (11.5), and broke his own FBS single-season record for passing efficiency rating (198.9). He also set the OU single-season record for total offense (4,938 yards) and finished second in school single-season history in completion percentage and touchdown passes (43). All told, he accounted for 49 TDs and just six turnovers.

The landslide Heisman winner did all he could to cement the honor in a Nov. 4 contest at Oklahoma State in which he set OU records with 598 passing yards (387 in the first half to also set a school standard) and 589 yards of total offense in a 62-52 win. He was 24 of 36 through the air, threw for five touchdowns and ran for a score.

Named Big 12 Offensive Player of the Week four times in 2017, Mayfield also won that season's Maxwell Award, Davey O'Brien Award, Manning Award, Earl Campbell Tyler Rose Award and Walter Camp Player of the Year Award. He was also named AP and *Sporting News* Player of the Year, and went on to become the No. 1 overall pick in the 2018 NFL Draft.

HEISMAN TROPHY WINNERS

7 NATIONAL CHAMPIONSHIPS • 50 CONFERENCE CHAMPIONSHIPS • 56 BOWL APPEARANCES

2018 • HEISMAN WINNER • KYLER MURRAY

Kyler Murray played full-time only one season as a collegian, but it was one for the history books.

After a consensus-national-player-of-the-year honor capped a legendary Texas high school career, the quarterback started three games as a Texas A&M freshman in 2015, transferred to Oklahoma that December, sat out the 2016 season and was Heisman winner Baker Mayfield's backup in 2017.

All Murray did in his lone season as a full-time starter was lead the Sooners to the 2018 Big 12 championship and the College Football Playoff, be named Big 12 Offensive Player of the Year, earn All-America honors and claim OU's seventh Heisman Trophy.

Murray, who tied the record by being named Big 12 Offensive Player of the Week five times, became the first FBS player to ever average at least 300.0 passing yards (311.5) and at least 60.0 rushing yards (71.5) per game for a full season. And he became just the second player to ever record at least 4,000 passing yards and at least 1,000 rushing yards in a campaign.

The speedy Murray led the nation in total offense (school-record 5,362 yards), points responsible for (324), yards per completion (16.8) and yards per pass attempt (single-season FBS record of 11.6). He also ranked second in passing efficiency rating (199.2; second best in FBS history).

Murray, who also won the 2018 Davey O'Brien Award, Manning Award and Earl Campbell Tyler Rose Award and was named AP Player of the Year, went on to become OU's second straight No. 1 overall pick in the NFL Draft, less than one year after being selected No. 9 overall by the Oakland A's in the Major League Baseball Draft. He became the first person ever selected in the first round of both drafts.

FIRST-TEAM ALL-AMERICANS (SINCE 2000)

Oklahoma players have earned first-team All-America honors 46 times since 2000. The total includes 26 players from the offense, 18 players on defense and two from special teams. Showing versatility, players at OU the last 19 years have earned All-America honors at 14 different positions. During that span, 22 Sooners have been named consensus All-Americans on 27 occasions.

2019 • CEEDEE LAMB • WR

After recording a gaudy 2,032 receiving yards and 33 receiving scores as a high school senior, CeeDee Lamb spent his three years in Norman validating his status as one of the country's top prep wideouts. And then some.

Lamb capped his incredibly productive collegiate career with a 2019 junior campaign that saw him earn consensus All-America honors (AP, FWAA, Sporting News and Walter Camp Foundation) and lead the Big 12 with his 21.4 yards per catch (ranked third nationally) and his 14 receiving touchdowns (tied for fifth nationally). He also ranked 10th in the country with 102.1 receiving yards per game despite ranking 71st with 4.8 catches per contest. His six games of at least 135 receiving yards were the nation's second most.

The Most Outstanding Player of the 2019 Big 12 Championship, Lamb left OU ranked second in career receiving TDs (32) and third in career receiving yards (3,292) and career 100-yard receiving games (14) despite playing just three seasons (the Sooners won Big 12 titles and played in the College Football Playoff all three years). He was the first Big 12 player taken in the 2020 NFL Draft, going to the Dallas Cowboys in the first round (17th overall).

2018 • MARQUISE BROWN • WR

He was small in stature but huge when it came to on-field performance. Marquise Brown, who arrived at OU after one year of junior college standing 5-10 and weighing 148 pounds, eventually bulked up to 168 as a junior when he was named a first-team All-American by the Associated Press. One of the country's fastest players at any position, he had a penchant for making highlight-reel plays.

Brown's 2018 season was one of the best ever recorded by an OU receiver. The Biletnikoff Award semifinalist overcame multiple injuries to make 75 receptions for 1,318 yards (17.6 per catch) and 10 touchdowns. His receiving yardage total was the fourth-highest in school single-season history and he tied for the national lead in catches of 40-plus yards (11), 50-plus yards (seven) and 60-plus yards (four).

Nicknamed "Hollywood" (his hometown is Hollywood, Fla.), Brown holds the top two receiving performances in OU history, racking up 265 yards at Oklahoma State in 2017 and 243 yards at West Virginia in 2018. He also produced a 191-yard effort at Iowa State in 2018. He was a first-round selection (No. 25 overall) by the Baltimore Ravens in the 2019 NFL Draft.

2018 • KYLER MURRAY • QB

Blending lightning-quick feet with a strong and uncannily accurate arm, Kyler Murray delivered to college football viewers in 2018 things rarely observed prior to that season. His lone year as a full-time starter culminated with a Big 12 championship, a College Football Playoff appearance, a Heisman Trophy and first-team All-America honors from the AP and FWAA, as well as multiple school and NCAA records.

After being selected by the Oakland A's with the ninth overall pick in the 2018 Major League Baseball Draft, the two-sport star established the OU single-season record with 5,362 yards of total offense and set an FBS single-season standard with his 11.6 yards per pass attempt. He also became the first player in major college football history to average at least 300.0 passing yards (311.5) and at least 60.0 rushing yards (71.5) per game for a full season.

Murray led an OU offense that set the FBS single-season record for yards per play (8.6) and he became just the second player to ever record at least 4,000 passing yards (4,361) and at least 1,000 rushing yards (1,001) in a campaign.

The eventual No. 1 overall pick by the Arizona Cardinals, Murray is the only person ever selected in the first round of both the NFL and MLB Drafts.

2018 • BEN POWERS • OG

Ben Powers got an opportunity in his rookie year at OU as a sophomore and never looked back. An offensive guard who was barely recruited out of high school or junior college, Powers was inserted into the lineup when a teammate was injured in the third game of the 2016 season. Thirty-five starts later, Powers etched his name as one of the most accomplished OU offensive linemen of the 21st century. He was crowned a 2018 first-team All-American by the AFCA, FWAA, *Sporting News* and Walter Camp Foundation, becoming the Sooners' 81st consensus All-American.

Blocking for a pair of Heisman Trophy winners (quarterbacks Baker Mayfield in 2017 and Kyler Murray in 2018), Powers helped OU to Big 12 titles in each of his three seasons in Norman and to College Football Playoff appearances in his last two. As a senior, he played 829 snaps without giving up a sack, and was part of an offensive line that won the Joe Moore Award as the nation's top O-line unit. The two-time Academic All-Big 12 First Team member was selected in the fifth round of the 2019 NFL Draft by the Baltimore Ravens.

2017 • MARK ANDREWS • TE

Mark Andrews excelled as a freshman and was even better as a sophomore. And he dominated as a junior en route to becoming a unanimous first-team All-American and Oklahoma's first recipient of the Mackey Award (nation's top tight end) before leaving early for the NFL Draft.

Helping the Sooners to the College Football Playoff his first and last years in Norman, the big and athletic Andrews led OU with 62 catches and eight touchdown receptions as a junior. He was a nightmare to cover for both slower linebackers and smaller defensive backs, and he finished his career as OU's all-time leader in receiving yards among tight ends (1,765) while ranking sixth among all Sooners in touchdown catches (22).

The three-time Academic All-Big 12 honoree, who battled type 1 diabetes and monitored his blood sugar levels several times each game, excelled after the catch and scored a touchdown on 20 percent of his career receptions (22 of 112).

2017 • ORLANDO BROWN • OT

He only played three years at Oklahoma, but Orlando Brown was one of the most effective — and decorated — offensive linemen in school history. Known for his ultra-competitive nature and nasty demeanor on the field, he showcased an ability to shut down bull-rushes in pass protection and be a mauler in the run game.

Brown started at left tackle in all 40 of the Sooners' games from 2015 through 2017, and was the 2016 and '17 Big 12 Offensive Lineman of the Year. He was a Sporting News freshman All-American in 2015, an AP and FWAA second-team All-American in 2016, and a unanimous All-American and Outland Trophy finalist in 2017.

Protecting quarterback Baker Mayfield's blind side, it's no surprise the Sooners won Big 12 Championships each of their three years together and made a pair of College Football Playoff appearances.

2015 & 2017 • BAKER MAYFIELD • QB

From walk-on transfer to All-American to Heisman Trophy winner to No. 1 pick in the NFL Draft, Baker Mayfield was a revelation for Oklahoma in 2015 and simply got better with each season thereafter. He directed the Sooners to three consecutive Big 12 titles and the program's first two College Football Playoff appearances, and as a result left Norman as the most decorated player in program history.

With his gunslinger mentality and catch-me-if-you-can scrambling ability, Mayfield registered 4,105 total yards and 43 total touchdowns in his first year at OU, and was named *Sporting News* Player of the Year and a *Sporting News* and Walter Camp first-team All-American.

Statistically he was even better in 2016 when he accounted for 4,142 yards and 46 more scores in leading OU to a second straight Big 12 title and a Sugar Bowl win. A Heisman finalist, he also set the FBS single-season passing efficiency record with a 196.4 rating.

And in 2017, Mayfield led the FBS in completion percentage (.705), points responsible for (296) and yards per pass attempt (11.5), and broke his own FBS single-season record for pass efficiency rating (198.9). He also set the OU record for total offense (4,938 yards). All told that year, he accounted for 49 TDs and just six turnovers as he won the Heisman Trophy, earned his second Big 12 Offensive Player of the Year award and was a unanimous All-American.

2017 • OGBONNIA OKORONKWO • DE/LB

Ogbonnia Okoronkwo's career at Oklahoma didn't start with a bang, but boy did it end with one. The defensive end/outside linebacker totaled just 17 tackles over his first two seasons, then over his junior and senior campaigns racked up 147, spending ample time in opponent backfields.

An elite pass rusher who could beat offensive tackles with his speed on the edge but also had the power to win inside, Okoronkwo registered 17.0 sacks and 29.5 tackles for loss as a junior and senior to help the Sooners to a 23-4 record during that time.

Okoronkwo, whose parents emigrated from Nigeria, finished his career with 21.0 sacks to rank second in school history among linebackers, and in 2017 registered 8.0 sacks and 17.5 TFLs to earn first-team All-America honors by the Walter Camp Football Foundation and be named Co-Big 12 Defensive Player of the Year.

2016 • DEDE WESTBROOK • WR

Dede Westbrook did things in 2016 no Oklahoma receiver had ever done, and as a result became the Sooners' first unanimous All-American since 2004.

OU's first winner of the Biletnikoff Award and one of five Heisman Trophy finalists (he finished fourth), Westbrook set a single-season school record with his 17 receiving TDs as a senior, all of them coming in the final 10 games. They averaged a stunning 46.3 yards. His 12 TDs of at least 40 yards were the most in a season by an FBS player since at least 1996, and he recorded at least 100 receiving yards in eight of OU's nine Big 12 games (88 in the other).

Westbrook, who registered four straight games of multiple touchdowns to start October, led all Power 5 players in receiving yards (1,524) and receiving TDs per game (1.31) on the year. His 17 receiving scores over the last 10 games were more than 43 teams had the entire season. He averaged 145.7 receiving yards in Big 12 play, 50.0 more than the next closest player.

2015 • ERIC STRIKER • LB

The unquestioned heartbeat of the team, Eric Striker led the Sooners both on and off the field during his four years in Norman. The outspoken linebacker used his relentless motor and lightning-quick first step to rack up 23.0 career sacks, the most ever by an OU linebacker, 7.5 of which came in his senior season. Striker also logged 19.0 tackles for loss in leading OU's much improved defense to the 2015 Big 12 championship and a berth in the College Football Playoff.

Striker was named the winner of the 2015 Bob Kalsu Award, given annually to the Sooner who personifies Oklahoma legend Bob Kalsu's spirit of leadership and serving as a motivator and role model for his teammates. He took home All-America honors from *Sporting News* and *Sports Illustrated* and was also named first-team All-Big 12 by the league's coaches, AP and ESPN.com.

2013 • GABE IKARD • C

This Oklahoma City native always dreamed of starring for the Sooners. Originally recruited as a tight end, he cracked the lineup at left guard as a redshirt freshman before eventually finding his home at center as a sophomore in 2011. Ikard would start 50 games during his OU tenure, including 32 games at center.

A two-time team captain, Ikard anchored a blocking unit that helped pave the way for a rushing offense that averaged 223.9 ypg in 2013, the best total of the Stoops era. During his four-year tenure, Oklahoma won two Big 12 titles and a pair of BCS bowl games while registering 43 victories, the best total of any Big 12 team over that span.

The inaugural OU player to win both the Wuerffel Trophy and the Selmon Spirit Award, Ikard was also named a Capital One Academic All-American of the Year and a finalist for the Campbell Trophy.

2010 & 2011 • RYAN BROYLES • WR

A hometown product from Norman, Ryan Broyles rewrote the receiving section of the Oklahoma record books in his career. When the dust had settled on the season, Broyles held eight of the nine major receiving records in Oklahoma history, spanning from game records to career standards.

As a junior, he became just the third NCAA statistical champion in Oklahoma history as he led the nation with 9.36 receptions per game. He was also tops in total receptions with 131, 20 more than the next closest player.

Broyles' senior year saw the local receiver change the NCAA record books as he became the all-time receptions leader in college football history with his 349th reception, fittingly on a 57-yard touchdown play at Kansas.

2010 • QUINTON CARTER • S

One of the nicest guys off the field, Quinton Carter was anything but friendly on the field to opposing offensive players. The safety from Las Vegas was known for his ability to patrol passing lanes while delivering punishing hits to ballcarriers.

As much as he was known on the field, Carter was also well known off the field and in the community. Having started a foundation during his collegiate playing career, Carter was awarded the Wooden Citizenship Cup and was named to the American Football Coaches Association 11-member Good Works Team.

Despite only starting for two seasons, Carter is one of just two defensive backs in Oklahoma history with two seasons of at least 88 tackles and the only player to accomplish the feat in back-to-back seasons.

OU'S CONSENSUS AND UNANIMOUS ALL-AMERICANS

• Oklahoma has produced 82 consensus All-Americans, a number that trails only Notre Dame (108), Yale (100; all before 1945), Ohio State (92), Harvard (88; all before 1942), Michigan (87) and Alabama (84).

• According to the NCAA Records Book, to be named a consensus All-American, a player has to be listed on the first team for more than half the All-America teams used in the compilation. If no player meets this criterion at a position, a player can be selected if named first team on at least two of the All-America teams. Second and third teams are used to break ties. In the case of a true tie, all players are listed. Since 2002, the following organizations have been used to compile the consensus team: American Football Coaches Association, Associated Press, Football Writers Association of America, *Sporting News* and Walter Camp Foundation.

• OU has produced 35 unanimous All-Americans, trailing only Alabama (41) and Ohio State (37). The Sooners are followed by Notre Dame (34), USC (29) and Michigan (28). Unanimous All-Americans are those who earn first-team All-America status by every official selector (American Football Coaches Association, Associated Press, Football Writers Association of America, *Sporting News* and Walter Camp Foundation since 2002).

• In 2017, OU became the first program to produce three unanimous All-Americans on offense in one season: tight end Mark Andrews, tackle Orlando Brown and quarterback Baker Mayfield.

• Below is a list of Oklahoma's consensus All-Americans. OU's 35 unanimous All-Americans are denoted by asterisks.

FIRST-TEAM ALL-AMERICANS

92 NATIONAL AWARD WINNERS • 167 ALL-AMERICANS • 7 HEISMAN TROPHY WINNERS

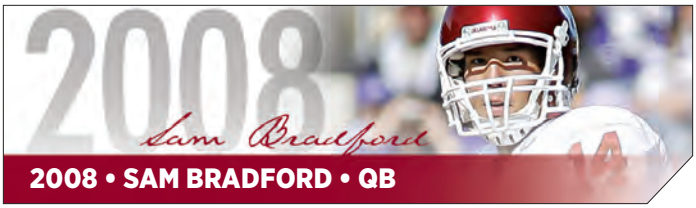

2009 • TRENT WILLIAMS • OT

A consensus All-American in 2009, Trent Williams earned the reputation as one of the most versatile offensive linemen to play on Owen Field.

Named to the All-American First Team by the Associated Press, American Football Coaches Association and the Walter Camp Foundation and first-team All-Big 12 by six organizations, Williams was the ringleader of the OU offensive line in 2009.

After starting at right tackle for the better part of his first three collegiate years, Williams slid across the line his final year to protect the blind side of Sam Bradford and Landry Jones.

When injuries left the Sooners with no available centers in the Sun Bowl against Stanford, Williams answered the call in the middle as the Oklahoma offensive line gave up no sacks in a win against the Cardinal.

2008 • SAM BRADFORD • QB

As the leader of the most potent and highest-scoring offense in NCAA history (716 points), Sam Bradford rewrote the Oklahoma record books on a continual basis throughout the 2008 season while lighting up scoreboards like an employee of General Electric.

Known for his poise in the pocket and pinpoint accuracy, Bradford posted one of best ever touchdown-to-interception ratios (6.25-to-1) in the history of college football.

When the dust had settled on the 2008 season, Bradford led the nation in passing efficiency and touchdowns, was No. 3 nationally in passing yards, set the OU season records for yards, touchdowns, passing efficiency, 200-yard games, 300-yard games and 400-yard games, along with breaking the career record for TD passes.

2008 • JERMAINE GRESHAM • TE

The first tight end to earn All-America honors under Bob Stoops, Jermaine Gresham turned in a record-setting season in 2008 when he was a finalist for the Mackey Award and a member of *The Sporting News* All-America team.

A matchup nightmare for opposing defensive coordinators, Gresham had more TDs (14) and receiving yards (950) in a season than any other tight end in OU history.

Named first team All-Big 12 by the conference coaches, Gresham exceeded 90 yards in five games and five receptions in eight games. When the team needed it the most, Gresham performed, racking up 25 catches, 302 yards and four touchdowns in the final three games of the season.

2008 & 2009 • GERALD McCOY • DT

With the habit of collapsing the opposing team's pocket by attacking through the interior of the line, it was no surprise that Gerald McCoy was named an All-American in 2008 by both *The Sporting News* and *Sports Illustrated*.

One year later the Oklahoma City native followed up the performance by becoming Oklahoma's latest consensus All-American and the 35th two-time All-American in OU history.

Both years saw McCoy as the anchor of the Sooners' defensive tackle rotation, leading the group and finishing second on the team each year in sacks.

McCoy's presence was never more felt than in the 2009 FedEx BCS National Championship game where he constantly harassed the Florida offense while grabbing his first career interception.

2007 & 2008 • DUKE ROBINSON • OG

A consensus All-American in both 2007 and 2008, Duke Robinson built a reputation as one of the best offensive linemen to pass through Norman.

A 2008 Outland Award finalist, Robinson became a two-time consensus All-American by being named a first-team member to four All-America teams (Associated Press, Football Writers Association of America, *The Sporting News* and the Walter Camp Foundation) and earned first-team All-Big 12 honors from five outlets.

Robinson was a first-team member of four All-America teams in 2007 (AP, American Football Coaches' Association, *The Sporting News* and *Sports Illustrated*), and earned first-team All-Big 12 honors from eight different outlets.

The Atlanta, Ga., native took to the field early, playing in 10 games as a true freshman. From blowing open holes for Adrian Peterson to giving Sam Bradford time in the pocket, the versatile Robinson proved his worth as a member of three consecutive Big 12 Championship teams.

2007 • CURTIS LOFTON • LB

For a definition of a breakout season, see Curtis Lofton, 2007.

In his first season atop the depth chart, the junior from Kingfisher, Okla., put together one of the top seasons ever for an Oklahoma linebacker and was rewarded with a consensus All-American tag.

Lofton led Oklahoma with 156 tackles, sixth-best in program history, and established a school record with nine double-digit tackles including a career-high 18 tackles in the team's first meeting against Missouri.

The 2007 Big 12 Defensive Player of the Year, Lofton had a knack for forcing critical turnovers against big time opponents, never more evident than his interception of Missouri's Chase Daniel in the Big 12 Championship.

The one season of stardom paid off for Lofton, as the linebacker was OU's first selection in the 2008 NFL Draft, going in the third round to the Atlanta Falcons.

2006 • RUFUS ALEXANDER • LB

Linebacker Rufus Alexander was named first team All-America by the American Football Coaches' Association at the conclusion of the 2006 season.

The Baton Rouge, La., native led the Sooner defense in 2006 with 118 tackles (75 solo), including 12 for loss (-43 yards). Alexander was also credited with 3.5 quarterback sacks, four forced fumbles (two recoveries) and an interception.

Alexander had 36 starts in his career, including every game of the 2006 and 2005 seasons. He played in 39 total games for the Sooners from 2003-06 after redshirting in 2002. The 2006 Big 12 Conference Defensive Player of the Year, Alexander became the first OU player to lead the team in tackles in back-to-back seasons since Rocky Calmus did so in three consecutive seasons from 1999-2001.

2004 • ADRIAN PETERSON • RB

Adrian Peterson set an NCAA freshman rushing record for most rushing yards with the third-highest figure in the nation for the season. He also eclipsed the OU standard for most rushing yards in a season.

Peterson had what was then the highest finish ever by a freshman in the Heisman voting (second) and was the first freshman to be named a finalist for the Doak Walker Award. He was a consensus All-American.

Peterson broke three NCAA freshman rushing records: most consecutive 100-yard rushing games (9), most total 100-yard rushing games (11) and most rushing attempts by a freshman with 314.

2004 • VINCE CARTER • C

A two-time finalist for the Rimington Award as the nation's top center, Vince Carter was a four-year fixture at Oklahoma. He was rewarded as a senior when he was named to the prestigious Walter Camp All-America team.

The Waco, Texas, native stepped in as a freshman when Josh Smith went out with an injury in 2001 and went on to start at center for the Sooners for four seasons.

He earned first-team All-Big 12 Conference honors in 2003 and 2004.

As a senior in 2004, Carter helped pave the way for running back Adrian Peterson and protected quarterback Jason White — both Heisman Trophy finalists — as the Sooners completed a second consecutive undefeated regular season and won the 2004 Big 12 Conference Championship.

2004 • DAN CODY • DE

Dan Cody was so destructive as a senior that OU coaches devised a special position for him. Cody, at times, stood up from his defensive end spot to play a spinner role. In that capacity, he roamed the defensive front and menaced opposing offenses. At season's end, he had the top sack total in the Big 12 with 10 and a spot on the FWAA's All-America team. Cody was a two-time finalist for the Hendricks Award who was noted for his all-out effort.

2003 & 2004 • JAMMAL BROWN • OT

A dominating senior season led to Jammal Brown earning Oklahoma's fourth Outland Trophy. He followed that up as a first-round pick (No. 13) by the New Orleans Saints.

He did not allow a sack or hurry during the regular season while logging a team-best 130 knockdown blocks. At season's end Brown was a consensus All-American.

As a junior, Brown had the highest line grade in a year when the offense had one of the most productive seasons in school history. The performance landed the Lawton native on the American Football Coaches Association's first team All-America squad.

Brown had 127 knockdowns and ran his string of consecutive starts to 28 during the season.

2003 & 2004 • MARK CLAYTON • WR

Noted as one of the great stories of progress in OU history, Mark Clayton went from struggling to bench press 135 pounds in his first workout to twice being named an All-American. By the time his career was over, he held virtually every Sooner receiving record and was widely regarded as the best to ever play the position at the school.

After a wildly successful junior year, Clayton's numbers dipped somewhat as a senior, but that was attributable to an improved running game and a deeper receiving corps. He still led OU in receptions and yards and was named to the AFCA All-America team. Moreover, when punt returner Antonio Perkins was injured, Clayton added that role and took back one for a touchdown at Oklahoma State. As a junior, Clayton built a reputation as perhaps the most elusive receiver in the nation with 533 yards after catch. He set OU standards with 83 receptions for 1,425 yards and broke the school mark for receiving yards in a game with 190 against Texas.

2003 • DERRICK STRAIT • CB

Derrick Strait duplicated former OU great Roy Williams by winning the Nagurski (best defensive player) and Thorpe (best defensive back) Awards in 2003. Strait earned consensus All-American and All-Big 12 honors as a senior. He was named AP Big 12 Defensive Player of the Year.

Strait set school records for starts (53), career interception return yards (397) and passes broken up (53). The Austin native ignited Oklahoma's 65-13 win over Texas in 2003 with a season-high 11 tackles, an interception, a 30-yard return, two fumble recoveries and three pass deflections against the Longhorns. Strait was a Thorpe Award semifinalist and consensus first team All-Big 12 selection in 2002.

He started every game at corner and tied for the OU lead with six interceptions. He contributed immediately as a redshirt freshman and was named Big 12 Conference Defensive Newcomer of the Year in OU's 2000 national championship season.

2003 • ANTONIO PERKINS • RS

Antonio Perkins became the nation's most feared punt returner by re-writing the NCAA record book during his junior season. He set an NCAA mark with four returns for touchdowns on the season, including an NCAA-record three against UCLA.

He also set an NCAA mark with 277 punt return yards against the Bruins. His other touchdown return, which tied the NCAA career mark at seven, came against Missouri. The returns were spectacular too, with lengths of 84, 74 and 65 against UCLA and 65 against Missouri.

Perkins, who also started every game at cornerback and had two interceptions on the season, finished No. 20 in the nation in return average, but that figure was diluted by the fact that his 53 attempts out-distanced the rest of the country's returners by at least eight.

2003 • JASON WHITE • QB

From two reconstructive knee surgeries in successive years to consensus All-American. That was the out-of-the-blue story for Jason White, who wasn't even announced as the team's starter until the summer before the 2003 season. He posted mind-boggling numbers, the most impressive of which were the 40 touchdowns and just 10 interceptions.

White proved particularly adept at completing the long ball and set a school season record with 17 hookups of 40 or more yards. He completed 50 percent or more of his passes in all but two games and was over 60 percent nine times, including 16-of-21 against Texas and 16-of-18 vs. Texas A&M. He fired five TD strikes against both Iowa State and A&M and had a career-high 394 passing yards against Texas Tech.

2002 & 2003 • TOMMIE HARRIS • DT

Tommie Harris rose to the pinnacle of his position in his junior season, which would be his last at OU. He departed for the NFL after just three years in Norman. As a junior, he continued to rocket into opposing backfields with his uncanny quickness. Harris had 10 tackles for loss and 19 quarterback hurries.

After finishing as a finalist for the Lombardi Award one year earlier, he won the coveted piece of hardware in his final Sooner season. He also was one of four finalists for the Nagurski Award, which went to teammate Derrick Strait. Harris' sophomore season was impressive despite an injury. Slowed by a groin pull suffered in August, he still faced regular double teams.

Harris was named to three All-America squads and was named a finalist for the Bednarik Award. He was the 14th overall selection in the 2004 draft by the Chicago Bears.

2002 • BRANDON EVERAGE • FS

Free safety Brandon Everage earned All-America honors after a stellar junior campaign in 2002.

Six interceptions, with 107 yards in returns, would indicate that Everage understood the centerfield nature of his position. The 94 tackles, third-most on the team, speak to the linebacker-like mentality with which the Oklahoma free safety played. It was that combination of abilities that landed Everage on the All-America rolls.

Everage recorded 60 tackles in 2003 (44 solo) including four for loss and one sack. He also nabbed one interception with four passes broken up.

2002 & 2003 • TEDDY LEHMAN • LB

Determining the greatest linebacker in OU history is a tough chore. With Teddy Lehman in the mix, determining the fastest is much easier. That speed, which made him an outstanding high school sprinter, set the Sooner backer apart from his peers. He capped a brilliant career by winning the Butkus and Bednarik Awards after finishing as a finalist for each just one year earlier. His ability to get from sideline to sideline caught a lot of attention...and ball carriers. As a senior, he had 117 tackles, including 19 for 47 yards in losses.

As a junior, Lehman logged 112 tackles, including 17 for loss. He also had two interceptions, which went for 51 yards in returns, including one that set up the go-ahead touchdown against Texas. His one-yard return against Texas as a sophomore, the one that came on the back end of a play that saw Roy Williams leap a blocker to disrupt Longhorn QB Chris Simms, is one of the most memorable plays in school history. He was picked in the second round of the 2004 draft by the Detroit Lions.

2001 • JEFF FERGUSON • P

Most punters are known for the length and/or the accuracy of their kicks. Jeff Ferguson was outstanding in both areas. But Ferguson separated himself with athletic ability and intelligent play that made him the complete player at his position. He ended his career as the school record holder for punting average in a career and became just the second player in school history to average more than 40 yards in each of his four seasons. The length of the kicks did not come at the expense of accuracy. Twenty-one of his 71 senior season punts were downed inside the 20-yard line.

The thunderous punts and the balls that trickled dead deep in enemy territory will be secondary as time remembers Ferguson's career, though. In his junior season, he made a brilliant play in the national championship game against Florida State, turning a bad snap into a safety rather than an opportunity for the Seminoles to get back into the game by recovering the ball in the end zone.

2001 • FRANK ROMERO • OT

Frank Romero didn't take the conventional path to All-America status.

A tight end and defensive lineman in high school, he never played on the offensive line until his sophomore year at OU. He started the team's final four games that season (Bob Stoops' first as head coach) before starting all 13 games at left tackle in 2000 as the Sooners went undefeated and claimed their seventh national title. As a senior in 2001, he again started all 13 games and earned All-America honors from CNNSI as OU went 11-2 and won the Cotton Bowl.

Romero, who played on the defensive line and made 19 tackles as a freshman in 1998 under head coach John Blake, switched to the other side of the ball during 1999 training camp due to a lack of depth on the offensive line. By the time he finished his collegiate career he had racked up a string of 30 consecutive starts under coordinators Mike Leach and Mark Mangino, helping the Sooners to a 26-4 record in those contests.

The Moore, Okla., product was a two-time first-team All-Big 12 pick (2000 and '01), and protected 2000 AP Player of the Year and Heisman Trophy runner-up Josh Heupel.

7 NATIONAL CHAMPIONSHIPS • 50 CONFERENCE CHAMPIONSHIPS • 56 BOWL APPEARANCES

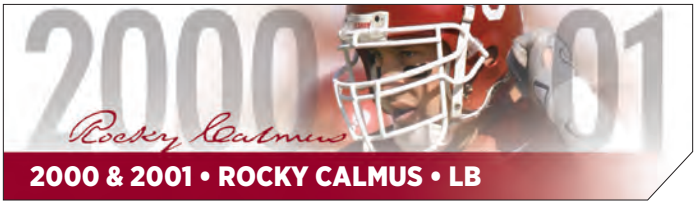

2001 • ROY WILLIAMS • SS

By the time his career was over, Roy Williams was more feared by offensive opponents and more respected by his defensive peers than any player in the country.

In his final season at Oklahoma, he won the Nagurski Award as the nation's top defender and the Thorpe Award as the nation's top defensive back. He was No. 7 in the Heisman Trophy voting, the highest finish of the year by a non-quarterback.

Williams bypassed his senior season of eligibility to enter the NFL draft, but still left his mark on the OU record book. He was drafted in the first round (No. 8 pick overall) in the 2002 NFL Draft by the Dallas Cowboys.

2000 & 2001 • ROCKY CALMUS • LB

Only a few players define their position, but that is precisely what Rocky Calmus meant to college football. As a senior, he won the Dick Butkus Award as the nation's top linebacker, but also was a finalist for the Nagurski and Bednarik Awards as the nation's best defender and the Lombardi Award as the country's top interior player. His senior year total of 117 tackles vaulted him into Oklahoma's top five career tacklers and capped an incredible career.

As a junior, he was named the toughest player in college football by The Sporting News during the Sooners' 2000 national championship season. OU's all-time leader in tackles for a loss by a linebacker, Calmus was named Big 12 Defensive Player of the Year by the Associated Press and was a finalist for the Butkus Award. A first-team All-Big 12 selection in each of his last three seasons, Calmus led the squad in tackles in each of those years. He was drafted in the third round of the 2002 draft by the Tennessee Titans.

2000 • JOSH HEUPEL • QB

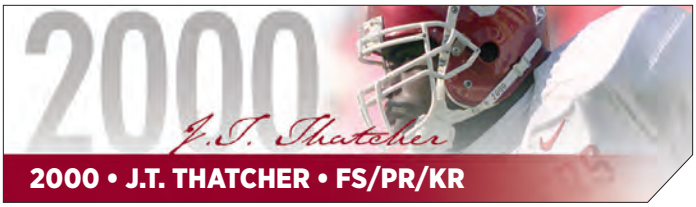

The runner-up for the 2000 Heisman Trophy, Josh Heupel became Oklahoma's first consensus All-America quarterback and the first Sooner QB to earn All-America honors since Jack Mildren in 1971.

As team captain his two years with the Sooners, Heupel is largely credited with turning an offense that statistically ranked as one of the worst in the nation before his arrival into one of the country's most explosive.

Heupel was named Associated Press Player of the Year, Walter Camp Player of the Year, *The Sporting News* Player of the Year, CBS Sports Player of the Year, Big 12 Player of the Year and Big 12 Offensive Player of the Year in 2000.

The first-team all-conference selection guided OU to a school-record 13 wins and its seventh national championship. Heupel left with virtually every OU and numerous Big 12 passing records.

2000 • J.T. THATCHER • FS/PR/KR

A standout on both defense and special teams, J.T. Thatcher was named an All-American as both a defensive back and returner. The Mosi Tatupu Special Teams Player of the Year Award winner, Thatcher was one of only seven players to return two or more punts for a touchdown in 2000 and ranked ninth nationally in punt return average.

A four-time Big 12 Special Teams Player of the Week selection, Thatcher set OU's single-game (160) and single-season (599) records for punt return yards. He also posted the second-highest single-game kickoff return yard total with 150, including a 93-yard return to set up OU's go-ahead touchdown against second-ranked Kansas State.

Thatcher was a semifinalist for the Jim Thorpe Award and tied school records for interceptions in a game (3) and season (8).

** Consensus All-American*

NOTING OU'S ALL-AMERICANS

- Since the year 2000, Oklahoma has produced 46 first-team All-Americans. Of the 46, 28 were consensus picks. Before 2000, the Sooners had not produced a consensus All-American since 1988.
- The most total All-Americans in one season came in 1974 and 1975 when eight Sooners were so honored. There were seven during the 2003 season.
- In 2003, OU set a record when six Sooners were named to the FWAA All-America team.
- Oklahoma had at least one All-American in 18 consecutive seasons from 1971 to 1988. There was also a 14-year stretch from 1946 to 1959.
- Three sets of brothers have been All-Americans at OU: Lee Roy, Dewey and Lucious Selmon all earned the honor, as did Steve and Tinker Owens and Buddy and Kurt Burris.
- Eight Sooner All-Americans went on to serve as assistant coaches at OU: Leon Cross, Eddie Crowder, Frank "Pop" Ivy, Claude Reeds, J.D. Roberts, Lucious Selmon, Jackie Shipp and Josh Heupel.

UNIVERSITY
DRAKE STOOPS | WR | R-SR
SOONERS

JOSEPH HARROZ JR.

PRESIDENT, UNIVERSITY OF OKLAHOMA

Serving the University of Oklahoma for over 27 years in various leadership roles, Joseph Harroz Jr. was named the 15th president of OU on May 9, 2020. Harroz's previous service to the university includes a one-year term as interim president, nine years as dean of the College of Law, 12 years as general counsel, and two years as vice president for executive affairs.

As president of OU, Harroz led the development of the university's Strategic Plan — a comprehensive strategy that positions OU as one of the nation's leading public research universities marked by a transformative student experience. At the heart of the plan is the university's fundamental purpose – We Change Lives – three small but powerful words that carry deep meaning. The complete Strategic Plan is available at ou.edu/leadon.

Under Harroz's leadership, OU is making remarkable strides toward the fulfillment of the Strategic Plan. The last three freshman classes at OU have set records for being OU's largest and most diverse incoming classes. This year, topping 5,100 students for the first time in OU history, the Class of 2027 is breaking additional university records, with the largest percentage of first-generation students than any other incoming freshman class and more underrepresented students than any other year. Research at OU continues to shatter records, recently setting all-time highs for research expenditures ($416.6 million university-wide for FY22 — an 8% increase from FY21) and sponsored research awards ($210.4 million on the Norman campus for FY23 — a nearly 33% increase from the previous fiscal year).

An abundance of other successes have come to life since the Strategic Plan's launch three years ago — the launch of a historic $2 billion fundraising campaign, the addition of premier freshman housing, the merger of OU Health, joining the SEC, and more. Altogether, these endeavors are sparking a new era of excellence at OU.

A native Oklahoman, Harroz graduated Phi Beta Kappa from OU in 1989 with a Bachelor of Arts degree in economics and a minor in zoology. He earned his J.D. in 1992 from Georgetown University Law Center.

JOE CASTIGLIONE

VICE PRESIDENT FOR INTERCOLLEGIATE ATHLETICS PROGRAMS AND DIRECTOR OF ATHLETICS

Few collegiate athletics administrators have experienced the long-term success that Joe Castiglione has enjoyed at the University of Oklahoma.

Now in his 26th year at the helm of the legendary program, he leads an OU Athletics Department that hardly resembles the one that welcomed him in July of 1998. In fact, the Sooners have won 24 of their 43 team national championships since he arrived in Norman. He has celebrated 107 conference titles in that same period.

By creating a positive culture based on core values, a dynamic vision and a collaborative spirit, Castiglione has made OU Athletics a "destination of choice" and a world-class experience for student-athlete development.

Of course, Oklahoma is not immune to any of the challenges intercollegiate athletics has faced in the past quarter century, and through it all, Castiglione has stood unwavering in his commitment to position OU Athletics as one of the nation's premier programs. For many, it was his response to the COVID-19 pandemic that demonstrated the leader he really is.

As the pandemic arrived, then continued to worsen, Castiglione led the department through the sudden ending of the academics and athletics year with a calm and determined approach. His leadership gave OU's student-athletes, coaches and staff ample reasons to be confident the Sooners would get through the challenges that awaited. Their confidence was warranted.

After an incredibly successful 2021-22 athletics campaign, the 2022-23 academic year yielded OU's seventh softball national championship (third straight and sixth in the last 10 years) and women's gymnastics' sixth (all in the last nine years) led the way. Softball won its 11th consecutive Big 12 crown, women's gymnastics its 10th in the last 11 years and women's basketball its seventh in the regular season, while men's golf and women's tennis each won their second league titles in a row. And women's tennis senior Layne Sleeth finished as the individual national runner-up.

The Learfield Director's Cup recognizes overall program excellence. The Sooners have ranked among the top 25 in 20 of his 25 years and finished 10th in 2021-22, their best showing since 2012-13. (With the interruption of competition schedules, the Learfield Director's Cup was not awarded for 2019-20.)

GPA numbers and graduation rates continue to set program records. OU's program-record 3.25 cumulative 2023 spring semester GPA marked the 23rd consecutive term that OU's student-athletes as a group recorded a 3.0 or better figure. And the latest graduation success rate report (2022-23) reflects an OU-record-tying 89% figure.

OU Athletics, one of the few remaining self-sustaining departments nationally, has been a model of fiscal responsibility, closing the books in the black in each of Castiglione's first 22 years, including the pandemic-shortened 2019-20 season, and again in 2021-22 and 2022-23. His responsible approach has benefited the general campus. Through direct and indirect support, the athletics department provides millions of dollars annually to OU's academics budget. It also established an endowment at Bizzell Library and partnered with the president's office to eliminate the admission fee at OU's internationally known Fred Jones Jr. Museum of Art.

Athletics facilities improvement and construction have been carried out at a record pace and Castiglione takes pride in the fact that those improvements have been funded with private donations. Castiglione was instrumental in the athletics department's major campaign, Great Expectations: The Campaign for Sooner Sports, that impacted each of OU's sports and became a national model. During the 2021-22 fiscal year, OU Athletics received a record-breaking $109 million in donations and pledges (the previous single-year record was $58 million), and followed in 2022-23 with its second-highest figure in school history ($79 million).

THE **CASTIGLIONE FAMILY**

A $160 million Gaylord Family — Oklahoma Memorial Stadium renovation was completed prior to the 2017 season and included enclosure of the south end zone, new seating options for Sooner fans and new team facilities, and the Griffin Family Performance Center for men's and women's basketball at Lloyd Noble Center opened in 2018. Construction on a new softball stadium, Love's Field, began this year. Other plans include major renovations at baseball and new team facilities for golf, gymnastics, tennis and track, as well as refurbished team areas for men's and women's basketball. The $75 million Headington Hall provides housing for the general student population as well as student-athletes. The state-of-the-art building opened in August 2013 and won the President's Trophy as the outstanding housing unit on campus four times. It makes OU the leader in providing an engaging community living option for students.

Castiglione was named Co-National Athletic Director of the Year in May 2018 by the Sports Business Journal. He had won the award in 2009 and been a finalist in 2016. A survey conducted by Sports Illustrated in the summer of 2017 named him the best athletics director in the country and Stadium selected him in 2020 as the nation's top AD. Other awards and honors include the 2018 Katha Quinn Award (U.S. Basketball Writers of America); 2018 induction into the Oklahoma Sports Hall of Fame; the 2013 John L. Toner Award (National Football Foundation and College Hall of Fame); Carl Maddox Sports Management Award (United States Sports Academy); 2000 and 2018 Athletics Director of the Year (NACDA); 2004 Athletics Director of the Year (Bobby Dodd Foundation); 2003 induction into the National Association of Collegiate Marketing Administrators Hall of Fame; and the 2001 General Robert R. Neyland Athletic Director Award for lifetime achievement (All-American Football Foundation).

He earned a master's of education degree in May 2007 and became an adjunct professor in OU's Jeannine Rainbolt College of Education, teaching graduate classes in marketing, development and leadership in higher education. He serves on the college's board of advocates and received the "Award of Distinction" given by the college in 2019. He was recognized for his distinguished service by OU's College of Arts and Sciences and was named a Price College Distinguished Partner in 2018.

Hired on April 30, 1998, Castiglione previously served as athletics director at Missouri for more than five years. His career began as the sports promotions director at Rice. Other stops included director of athletic fund-raising at Georgetown, then director of communications and marketing at Missouri. He marks his 31st year of serving student-athletes as an athletics director with the 2023-24 academic year.

A 1979 Maryland graduate, Castiglione received the university's Distinguished Alumnus Award in April 2007 and was inducted into the State of Missouri's Sports Hall of Fame in November 2015.

He completed a term on the College Football Playoff Committee in January 2021, making him the only person in history to serve on that committee as well as the NCAA Division I Men's Basketball and Baseball committees. He has served on multiple NCAA committees and commissions including

(continued)

the NCAA's Board of Governor's Commission to Combat Sexual Violence on Campus, NCAA Championship/Competition Cabinet, the NCAA Division I Women's Basketball Discussion Group and the United States Olympic Committee Athlete Career and Education Strategic Working Group. He formerly served on the Gatorade Collegiate Advisory Board and continues to serve on the National Football Foundation and College Football Hall of Fame Board of Directors.

Castiglione is a past president of both the Division I-A Athletic Directors Association and NACDA. He also served three terms as the chair of the Big 12 Board of Athletics Directors. A former member of the Phi Delta Theta Foundation Board of Trustees, he is a highly requested speaker at annual conventions and continuing education institutes. In November 2011, his hometown recognized him by selecting him for the Broward County (Fla.) Sports Hall of Fame.

Locally, he served the United Way of Norman, among other organizations. His third term as OU's campus co-chair resulted in the highest recorded contributions ever by faculty, staff and students to the United Way of Norman's annual campaign. He encourages student-athletes and athletics staff to engage in those efforts as well, as OU Athletics representatives have been known to participate in more than 5,000 hours of community service per year.

A native of Fort Lauderdale, Fla., Castiglione is married to the former Kristen Bartel, a 1990 graduate of the University of Missouri. They are the parents of two sons, Joseph Jr., who earned a Bachelor of Business Administration degree and a master's degree from Oklahoma in 2019 and 2021, respectively, and Jonathan, who graduated from OU in 2023 with a bachelor's degree in journalism (creative media production).

OKLAHOMA'S 24 TEAM NATIONAL CHAMPIONSHIPS UNDER CASTIGLIONE

More than half of Oklahoma's team national championships — 24 of 43 — have come since Joe Castiglione was hired as athletics director in 1998. Not including the pandemic-shortened 2019-20 school year, the Sooners have won at least one national title in each of the last 10 years, and have totaled 17 during that period. In spring 2017 alone, OU captured national championships in men's and women's gymnastics, men's golf and softball, all in the span of 52 days.

Men's gymnastics has won nine national championships since Castiglione arrived in Norman while softball has won seven (including each of the last three), women's gymnastics six (the last two) and football and men's golf one each.

OKLAHOMA'S 15 BIG 12 ATHLETES OF THE YEAR UNDER CASTIGLIONE

Oklahoma's 15 Big 12 Athletes of the Year in the 27-year history of the league are tied with Texas for the most of any program, and all have been honored since Joe Castiglione became OU's athletics director. GAUTT ACADEMIC CENTER

7 NATIONAL CHAMPIONSHIPS • 50 CONFERENCE CHAMPIONSHIPS • 56 BOWL APPEARANCES

The Prentice Gautt Academic Center provides student-athletes with comprehensive academic support services and that promote excellence. The environment encourages a collaboration between staff members and student-athletes. In addition, it is highly conducive to learning in all areas of students' academic endeavors and features a variety of learning centers.

Located on the second and third floors in the north end of Gaylord Family – Oklahoma Memorial Stadium, the Academic Center houses academic advising offices, a computer center and learning and skill development centers for writing, study skills, math, foreign languages and career preparation.

ACADEMIC ADVISING

Athletics Academic Advising is considered a campus-advising unit. It is conveniently located within the Academic Center. The athletics department employs eight professional, full-time advisors who support student-athletes through the educational process.

It is important that student-athletes utilize these services. Advisors assist student-athletes with planning their class schedules and choosing a degree program that will suit their educational and professional interests. In addition, they help student-athletes with career planning, setting academic goals, academic support strategies and personal counseling.

KERR SOONER CAREER CENTER

Whether student-athletes are new to OU, preparing to graduate or are proud alumni, they will benefit from the services of the Kerr Sooner Career Center. It provides a system of services that educates and guides students through the career development process.

The Career Center is dedicated to helping student-athletes make the transition from college to career by developing an individualized career plan. Opportunities are provided for student-athletes to gain the knowledge and skills necessary for resume writing and interviewing techniques. Additionally, staff provide guidance for student-athletes preparing to take graduate program entrance examinations including the GMAT, GRE, LSAT and MCAT. The center is also linked to OU Career Services on campus, which offers effective job-hunting skills, online resume services, training and career resources.

MATH AND TUTORING CENTER

The tutoring program provides support to student-athletes in both lower- and upper-division classes in order to ensure successful completion of courses. Tutors are available to assist in a wide array of subject areas, for individual or small group sessions. As a supplement to class instruction, the center provides support with all levels of math concepts and problems to help review course material and offers personal and group tutoring sessions to reinforce math concepts.

KERR FOUNDATION FOREIGN LANGUAGE CENTER

The Foreign Language Center offers a multi-media environment designed to enhance the learning experience in all foreign languages offered at OU, including Native American languages and English as a second language. Tutors are available during lab hours to clarify grammatical concepts and to engage in conversation practice in the target language. In addition to learning a second language in the Foreign Language Center, student-athletes can gather information and prepare to participate in one of OU's study abroad programs.

KERR FOUNDATION COMPUTER CENTER

Computers are an integral part of the learning experience. The Computer Center meets the technological needs of each student-athlete, while supplying state-of-the-art equipment along with the support necessary to succeed.

The Computer Center provides student-athletes with access to desktop and laptop machines that include a complete array of educational software to help them excel in the classroom. The same resources are available through the laptop program, which maintains an inventory available for check-out throughout each semester.

ASSISTANT ACADEMIC ADVISORS AND LEARNING SPECIALIST PROGRAM

Assistant academic advisors and learning specialists work with student-athletes in individualized sessions on key skills that are important in developing the whole student. One of the most essential skills that is encouraged and practiced in a mentor session is time management. Student-athletes often experience a steep learning curve when trying to balance academics and athletics, so it is pertinent to learn this skill to become successful students and athletes.

Assistant academic advisors and learning specialists also help students learn useful study techniques such as note-taking and test-taking strategies as well as improve problem solving strategies. They teach students how to utilize their unique learning style to maximize time spent studying for their classes.

GRIT PROGRAM

GRIT (Growing Resilient Innovative Thinkers) teams student-athletes with a GRIT mentor who is focused on high-impact learning strategies to empower student-athletes to feel and find success in the classroom. These sessions support student-athletes who have unfinished learning and allow opportunities to close any possible academic gaps in math and reading. The program builds on the student-athlete's voice, learning style and academic foundation in the individualized sessions to allow ownership in the educational process as we celebrate a lifelong journey full of growth, resilience, innovation and thinking.

THOMPSON WRITING CENTER

The Writing Center offers one-on-one conferences focused on writing for all disciplines, and can assist with the organization, style, and clarity of papers. Writing consultants can help review basic writing strategies, develop proofreading skills and help students become better writers. The goal is to help student-athletes develop the strategies they need to be successful by encouraging the use of the center for all facets of the learning and writing processes encountered in college.

OKLAHOMA SOONERS

While many people know the nickname Oklahoma Sooners is uniquely linked to the University of Oklahoma and has become synonymous with excellence, some aren't aware of the roots, which reach to our state's Indian Territory origins. Originally the home of several tribal nations of the Southern Plains, Congress set aside Indian Territory in 1830 as part of its forcible relocation of numerous tribal nations from their ancestral homelands via the Trail of Tears. Following the U.S. Civil War, some tribal nations lost portions of their new land in Indian Territory due to renegotiated treaties, which became known as the Unassigned Lands.

Pioneers, known as Boomers, vigorously campaigned to settle the Unassigned Lands, which were later incorporated into Oklahoma Territory. Oklahoma Territory and Indian Territory became known as the Twin Territories. Famously, Oklahoma Territory was opened for settlement through land claims races, or Land Runs, and in 1889, thousands made their way to the Twin Territories to participate in the first of these dramatic events. Each race began with a pistol shot, and those who jumped the gun were called Sooners. Later, Indian Territory was opened for non-native settlement, and in 1907 the Twin Territories were merged into one state – Oklahoma – which is the joining of two Choctaw words, "okla" and "homma," meaning "red people" or American Indian.

Due to the enthusiasm of many pioneers and their descendants, Sooner came to denote energetic, "can-do" individuals. The university embraces the complexity of our heritage. OU athletics teams were called either Rough Riders or Boomers for 10 years before the current Oklahoma Sooner nickname emerged in 1908. Taken together, Oklahoma Sooners reflects our state's American Indian and pioneer heritage and, today, symbolizes a special university spirit that values resilience and perseverance as well as the inclusivity that unites all who are a part of the University of Oklahoma family.

CRIMSON AND CREAM

In the fall of 1895, Miss May Overstreet was asked to chair a committee to select the colors of the university. The committee decided the colors should be crimson and cream and an elaborate display of the colors was draped above a platform before the student body. The students approved with great enthusiasm and immediately pennants, banners and decorations of every description appeared on the streets, in the windows, at chapel, in classrooms and all public places around campus.

SOONER SCHOONER

The Sooner Schooner is a Conestoga, or covered wagon, reminiscent of the mode of travel used by pioneers who settled Oklahoma. The Schooner is powered by matching white ponies named Boomer and Sooner, and it ventures onto Owen Field in a triumphant victory ride after OU scores. Although the Schooner was introduced in 1964, it did not become the official mascot until 1980. The Schooner is well-recognized by college athletics fans across the country and makes regular appearances at university functions.

BOOMER SOONER!

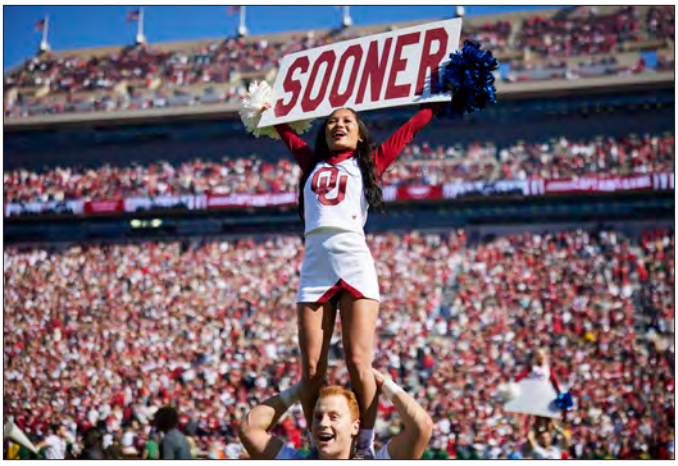

In 1905, Arthur M. Alden, a student in history and physiology whose father was a Norman jeweler, wrote the lyrics to the fight song, borrowing the tune from Yale University's 'Boola Boola' but improvising the words. A year later, an addition was made to it from North Carolina's 'I'm a Tarheel Born' and the two combined to form the university's fight song today. Though the tune was first made known by Yale, the everlasting success of Sooner squads has taken the melody of 'Boomer Sooner' to national popularity.

OKLAHOMA!

The Pride of Oklahoma plays perhaps the most popular and recognizable state song in history. *Oklahoma!* is the final rousing chorus of Rodgers and Hammerstein's epic musical. Breaking all Broadway box office records when it opened in 1943, *Oklahoma!* was the first collaboration between the legendary pair who were awarded a Pulitzer Prize for their seminal work.

THE OU CHANT

Every fan who wears the official colors, each current student and student-athlete and all OU alumni are encouraged to stand and raise one finger in the air during the playing of the Chant – a symbolic gesture that shows the greatness of the university and the unity between all Sooners. The Chant was written in 1936 by Jessie Lone Clarkson Gilkey, who directed the OU girl's glee club from 1936 to 1938 and was voted Outstanding Faculty Woman in 1937.

OU CHANT LYRICS

O-K-L-A-H-O-M-A
Our chant rolls on and on!
Thousands strong
Join heart and song
In alma mater's praise
Of campus beautiful by day and night
Of colors proudly gleaming Red and White
'Neath a western sky
OU's chant will never die.
Live on University!
