LEGACY OF CHAMPIONS

Tradition has been defined as a long-established or inherited way of thinking or acting. At Oklahoma, that long-established or inherited way of thinking or acting usually involves winning championships.

Under head coach Patty Gasso, the OU Softball program won its first NCAA Championship in 2000 to establish the then up-and-coming program, while the 2013 NCAA National Championship solidified the Sooners as one of the elite programs in the country. The Sooners won back-to-back national titles in 2016 and 2017, becoming just the fourth school to ever win consecutive crowns, before going back-to-back-to-back in 2021, 2022 and 2023. OU has claimed five of the last seven titles and six in the last 10 seasons. With seven national titles, Oklahoma trails only UCLA (12) and Arizona (8) for most in NCAA history. No other team has more than two.

Since that first national title, Gasso and the Sooners have yet to slow down.

THE WINNING

The numbers tell the story of Oklahoma softball's dramatic rise to elite company. Hundreds of student-athletes have helped carry the Crimson and Cream to a winning legacy.

The tradition carried strong in 2023, as the Sooners finished completed back-to-back-to-back national titles with the program's seventh crown and a nation-best 61-1 record.

Furthermore, the 2023 Sooners picked up where the '22 team left off. Their dominant run included an NCAA-record 53-game win streak, a nation-best and program record 35 shutouts, 29 wins by run rule and a 28-0 record vs. ranked opponents.

In conference play, OU claimed its 22nd and 23rd conference crowns to run its Big 12 title streak to 11 straight regular season titles, finishing 18-0 in Big 12 play and claiming its eighth postseason title.

Oklahoma also continued to carry its postseason prowess in 2023. The Sooners went unblemished throughout NCAA Regionals and NCAA Super Regionals to reach their 16th Women's College World Series, culminating in a national title.

LEGACY OF CHAMPIONS

2000 NATIONAL CHAMPIONS

LEGACY OF CHAMPIONS

The University of Oklahoma earned its first-ever softball national championship by defeating UCLA 3-1 in front 8,049 at Don E. Porter Hall of Fame Stadium in Oklahoma City on May 29, 2000. The title was the first by a women's athletic program at Oklahoma. The Sooners finished the season with the best record in the country at 66-8. Oklahoma, the third seed in the WCWS, got on the scoreboard in the third inning with a two-run home run from All-American first baseman **Lisa Carey**. Freshman shortstop **Kelli Braitsch** then nailed an RBI single to left field later in the inning to give OU the 3-0 lead. Pitcher **Jennifer Stewart** earned the World Series Most Outstanding Player award, earning victories in all four of OU's WCWS wins. Carey and Braitsch joined Stewart on the all-tournament team. OU became just the second non-west coast team to win a softball national championship.

LEGACY OF CHAMPIONS

2013 NATIONAL CHAMPIONS

LEGACY OF CHAMPIONS

Oklahoma became just the fifth program to win multiple national championships when it swept Tennessee in two games of the 2013 WCWS Championship Series. Game One saw the first 10 innings pass without a run being scored before the Lady Volunteers hit a three-run home run in the top of the 11th. However, the Sooners rallied for three runs with two outs in the bottom of the frame to extend the contest. In the bottom of the 12th, **Lauren Chamberlain** hit a two-run home run to cap the wild comeback.

In game two, **Michelle Gascoigne** hurled a three-hit shutout, while the tournament's Most Outstanding Player, **Keilani Ricketts**, drove in all four runs, including a three-run home run in the third-inning. OU finished 57-4 (.934) on the year to post the fifth-best winning percentage in NCAA history. In addition to Ricketts and Chamberlain, the Sooners placed **Georgia Casey**, **Callie Parsons**, **Jessica Shults** and **Brianna Turang** on the WCWS All-Tournament Team, which matched the 1987 UCLA squad for the most team members ever.

2016 NATIONAL CHAMPIONS

LEGACY OF CHAMPIONS

OU won its third softball national championship by besting Auburn in a best-of-three WCWS Championship Series. With the win, OU joined UCLA and Arizona as the only programs with more than two national titles.

In game one, **Sydney Romero's** three-run homer in the third inning proved the difference in a 3-2 victory for OU. Auburn hit a two-run homer in the seventh and threatened to tie the game or take the lead with two in scoring position and one out, but **Shay Knighten** knocked down a grounder at first base and threw home as catcher **Lea Wodach** applied the tag to nail the tying run. A pop-up then ended the game.

Oklahoma jumped out to a 7-0 lead after the top of the second in game two, but Auburn came back with 11 unanswered runs to force a decisive game three with an 11-7 victory in eight innings.

In the final game of the WCWS Finals, OU scored twice in the first inning and **Paige Parker** threw a complete game with just one run allowed to post a 2-1 victory. An Auburn error and infield single from freshman **Fale Aviu** accounted for all of the Sooner runs in the first, while Parker retired the last 12 batters of the game.

LEGACY OF CHAMPIONS

2017 NATIONAL CHAMPIONS

LEGACY OF CHAMPIONS

Oklahoma repeated as national champions with a WCWS Championship series sweep of top-seeded Florida, becoming one of just four programs to ever earn back-to-back national titles.

Game One proved to be an instant classic as the Sooners earned an epic 17-inning 7-4 victory. **Shay Knighten** broke a 4-4 tie in the top of the 17th inning with a towering three-run home run to left field.

Four pitchers saw time in Game Two (**Paige Parker, Mariah Lopez, Nicole Mendes** and **Paige Lowary**) as the Sooners claimed a 5-4 win. Offensively, Mendes put OU on the board first with a leadoff home run. Although the Gators reclaimed the lead with three runs in the second, OU would regain the lead with four runs in the bottom of the frame as **Caleigh Clifton** worked a bases-loaded walk and Knighten cleared the bases with a double.

LEGACY OF CHAMPIONS

2021 NATIONAL CHAMPIONS

LEGACY OF CHAMPIONS

The top-seeded Sooners claimed their third national crown in the last five seasons with a 5-1 triumph over 10th-seeded FSU before a crowd of 10,830 at USA Softball HOF Stadium.

En route to winning their fifth title overall, the Sooners set multiple single-season NCAA records, including team batting average, team slugging percentage, on-base percentage, home runs and runs scored, among others.

Jocelyn Alo set the single-season home run record with 34 while frosh **Tiare Jennings** set the school record for doubles and the NCAA freshman record for RBIs (92).

Voted the WCWS MOP, **Giselle Juarez** (5-0) surrendered 16 hits, four runs, eight walks, and had 38 strikeouts in 31 1/3 innings.

In addition to Juarez capturing the MOP award, Alo, Jennings, **Mackenzie Donihoo**, **Kinzie Hansen** and **Nicole Mendes** were named to the all-tournament team.

Not only did the Sooners set D-I single-season records for most home runs and runs scored, they achieved this in far fewer games than previous record-setters.

LEGACY OF CHAMPIONS

2022 NATIONAL CHAMPIONS

LEGACY OF CHAMPIONS

Another record-setting season ended with the Sooners clutching the program's sixth NCAA championship trophy. OU spent every week atop the national rankings while leading DI teams in a gaggle of categories both at the plate and in the circle.

The title clincher came with a 10-5 victory over Red River rival Texas before a crowd of 12,257 at Hall of Fame Stadium. OU finished 59-3 (.952) overall.

As the record suggests, the Sooners disposed of opponents in an authoritative manner that included 41 run-rule victories, 33 shutouts, eight no-hitters, holding opponents to one run or fewer 49 times, hitting home runs in 56 of 62 games, plus numerous other mind-boggling superlatives.

These type things tend to happen when your team has five first-team All-Americans, a group led by super senior **Jocelyn Alo**, the sport's new career home run queen (122). Fellow All-Americans **Jayda Coleman** (.419), **Tiare Jennings** (.400) and **Grace Lyons** (.400) all hit .400 or better while true freshman pitcher **Jordy Bahl** finished with a 22-1 record and a 1.16 ERA with 207 strikeouts in 145 1/3 innings.

LEGACY OF CHAMPIONS

2023 NATIONAL CHAMPIONS

LEGACY OF CHAMPIONS

2023 saw Oklahoma become just the second softball program in NCAA history to go back-to-back-to-back. The Sooners enjoyed an incredible campaign that saw the team finish 61-1, establish a new NCAA Division I record for winning percentage (.984), capture Big 12 regular season and tournament titles while earning the program's third consecutive national championship.

OU extended their NCAA-record winning streak to 53 games in the WCWS clincher, defeating Florida State 3-1 in front of 12,195 fans at Hall of Fame Stadium. Oklahoma led the nation in a plethora of categories including ERA (0.96), batting average (.367) and fielding percentage (.988). The dominant run included a nation-best and program record 35 shutouts, 29 wins by run rule and a 28-0 record vs. ranked opponents.

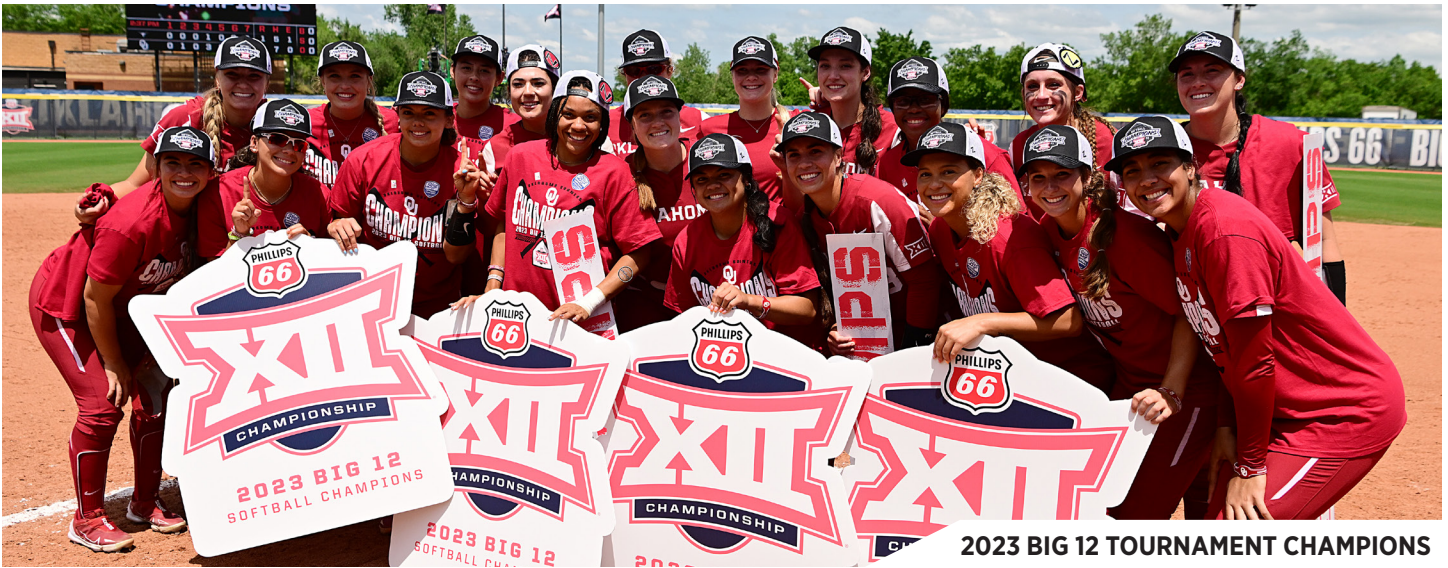

A nation-high five Sooners were named NFCA First Team All-Americans, eight Sooners earned All-Big 12 accolades and five were tabbed WCWS All-Tournament Team selections, including the Most Outstanding Player, pitcher Jordy Bahl.

A group of Oklahoma Sooners softball players are celebrating their victory. They are holding up a large trophy that says "BIG 12 CHAMPION" and "UNIVERSITY OF OKLAHOMA". Several players are also holding up signs that say "XII CHAMPIONS". The players are wearing red and white uniforms and are cheering with their arms raised. The background shows a baseball field with a scoreboard and trees.

The Sooners' work in the Bedlam series is just as impressive. Since the official start of The Bedlam Series (2001), the trophy hasn't left Norman. OU has won it outright 20 of the 22 years and retained it after splits in 2003 and 2010. Since the start of Big 12 play, OU has done no worse than a split with Oklahoma State in the regular season series, while claiming the series in 23 of 27 years.

PLAYER OF THE YEAR

Keilani Ricketts made history in 2012 as the first player in Oklahoma history to be named the USA Softball Player of the Year, which is considered the most prestigious honor in Division I women's collegiate softball. She then followed it up in 2013 by becoming just the third player in history to win the award more than once. **Jocelyn Alo** followed in Ricketts' footsteps, claiming the crown back-to-back seasons in 2021 and 2022 to finish her record-breaking career.

Ricketts capped her remarkable career at the University of Oklahoma by being named the winner of the 2013 Honda Cup, given to the nation's top female collegiate athlete by the Collegiate Women's Sports Awards. Ricketts became the first student-athlete in Oklahoma history to win the Honda Cup and just the third softball player to take home the honor at the time.

Oklahoma pitcher **Lana Moran** took the term student-athlete to new heights with her 2000 Academic All-American of the Year recognition. The lone senior on the 2000 National Championship team, Moran captained the squad as she tallied a 26-2 mark with five shutouts in the circle. Moran's biggest achievement came in the classroom where the San Bernardino, Calif., native compiled a 3.88 GPA in sociology. Moran was a two-time GTE first team Academic All-American, a four-time Academic All-Big 12 selection and the first Sooner in any sport to be named the Academic All-American of the Year.

All-time, the Sooners have earned 15 CoSIDA Academic All-America honors.

Since the NFCA began naming the Division I Freshman of the Year in 2014, Sooners have claimed the prestigious award four times. **Paige Parker** became the first Sooner to earn the accolade after a sensational freshman campaign in 2015. In her first season, Parker matched an NCAA record with four perfect games while finishing with a 28-7 record and a 1.65 ERA. **Jocelyn Alo** joined her teammate in the record books when she was recognized as NFCA Freshman

of the Year in 2018. Alo led the nation with 30 home runs during her first season, matching the NCAA DI freshman home run record and Oklahoma single-season home run record. **Tiare Jennings** joined the elite company in 2021, collecting NFCA Freshman of the Year after leading the country in RBIs (92) and hitting 27 home runs. **Jordy Bahl** made it back-to-back FOTY accolades for OU in 2022, going 22-1 in the circle with a 1.16 ERA and 207 strikeouts.

JOCELYN ALO
NCAA HOME RUN RECORD HOLDER

Jocelyn Alo set the NCAA's all-time home run record on March 11, 2022 with a two-run blast in her home state of Hawaii (photo left). It was the 96th of her career, breaking fellow Sooner Lauren Chamberlain's mark she set in 2015. The home run came in her 224th career game and 651st at-bat after an eight-game stretch that saw Alo walked 16 times.

Alo ran her home run total to 122 and finished her career first in NCAA Division I history for home runs, total bases (761) and slugging pct. (.987) and became the first player in history to hit 30 home runs and bat .500 in the same season. She was also the first player to record three seasons of 30-plus home runs, accomplishing the feat in 2018, 2021 and 2022.

Alo, Chamberlain, Parker and Ricketts are the only Sooners in program history to earn four All-America honors during their exceptional careers.

SOONERS IN THE PROS

As the sport of softball has risen in popularity over the last decade, the number of opportunities for collegiate athletes to play following their career has skyrocketed.

The Sooners have watched numerous alums graduate to the professional ranks. As far back as Jill Most, Jennifer Jaime and Lynnette Velasquez, OU has made an impact on the highest stage of softball.

The selections of Keilani Ricketts, Jessica Shults, Michelle Gascoigne and Brianna Turang in 2013 were a school record, topping the three Sooners that were chosen in 2008. All four players were chosen within the first nine selections, highlighted by pitcher Ricketts, who was drafted by the USSSA Florida Pride with the fourth overall pick.

History was made in 2015 when Lauren Chamberlain and Shelby Pendley became the first teammates in the history of the National Pro Fastpitch draft to be taken with the first two picks. The USSSA Pride selected Chamberlain with the No. 1 overall pick, making her the first player in Oklahoma history to be taken first in the draft. With next pick, the Pride selected Pendley, who would go on to be the 2015 Rookie of the Year.

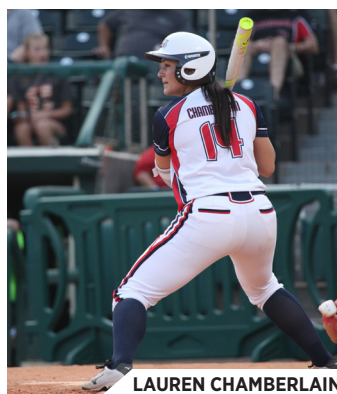

In 2018, Paige Lowary became the second Sooner to ever be selected as the No. 1 overall pick, chosen first by the Chicago Bandits. Teammates Paige Parker and Nicole Pendley were also drafted within the first two rounds.

OU SOFTBALL COMPLEX

Marita Hynes Field at the OU Softball Complex has been one of the sparkling gems of the sport since it opened its doors in 1998. OU was one of the first schools outside of the Pac-12 to make the commitment to its softball program by building an exclusive facility for the sport. The trend caught on and Oklahoma was again leading the pack in women's athletics as new stadiums have sprung up across the national landscape. The OU Softball Complex uses a synthetic waterproof dirt on the infield and warning track, which allows Patty Gasso's team to train on the field minutes after a rain storm has moved through. A 6,020-square-foot indoor facility opened in January 2009. The indoor facility features a 65' x 65' infield with Hilltopper infield dirt and storage for the team and grounds crew. In 2015, the entire field was replaced to improve drainage and artificial turf was added to foul territory by the dugouts.

The complex provides permanent chair back and bleacher seating with a capacity of 1,378; a concessions building and rest rooms; press box; VIP lounge and a ticket office. The complex is equipped with a state-of-the-art underground drainage system, sprinkler system and batting cages. A paved parking lot was in place in time for the 1999 season and OU added the Robert E. Young & Family Softball Locker Room in 2002. A full-color video scoreboard was added prior to the 2010 season. The field was named for former softball coach and senior woman administrator, Marita Hynes in 2004. Oklahoma boasts a record of 462-60-1 (.884) all-time at the OU Softball Complex, including a 152-33 (.822) mark in Big 12 play.

It's a tough task to find a single individual who has had more effect on the collegiate sport of softball and its rise in popularity than Marita Hynes. The longtime former senior woman administrator for Oklahoma actually served as the program's second softball coach. When she retired from coaching to begin a career as an administrator, she remained active in the softball world. She spearheaded the fund-raising campaign to build the OU Softball Complex and oversaw its construction. During those years, she helped lure the Women's College World Series to Oklahoma City. For all her contributions to OU and beyond, the athletics department officially christened the playing surface as Marita Hynes Field on April 24, 2004.

Love's Field, the new home of Oklahoma softball, officially opens March 1, 2024.

In October 2021, Love's Travel Stops, the nation's leading travel stop network, provided the lead and naming gift for the University of Oklahoma's new softball stadium.

The company pledged \$9 million toward the project and also extended a challenge to other donors. It will match every other donation dollar for dollar up to an additional \$3 million as part of project fundraising. Once fulfilled, the match will result in a total gift of \$12 million from Love's, making it the largest philanthropic gift directed toward a female specific sport program in OU Athletics history.

Love's Travel Stops is headquartered in Oklahoma City. The company opened its first location in 1964 in Watonga, Oklahoma, and now has more than 560 locations and 33,000 employees in 41 states.

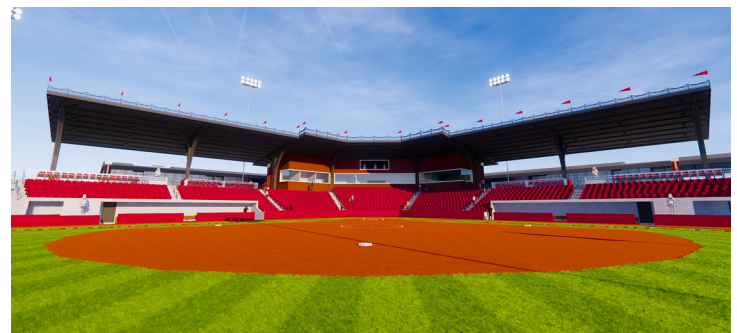

Love's Field features a 10,669-square-foot indoor training center and several team spaces, including a training room, locker room and classroom. It also has space for a recognition area to showcase national championships, All-Americans and other outstanding accomplishments.

Constructed at the northwest corner of South Jenkins Avenue and Imhoff Road, Love's Field is approximately one-half mile south of the current stadium location and will accommodate seating for 4,200.

The complex's overall square footage is 44,000, compared to 15,168 at Marita Hynes Field, OU's previous facility. The team areas grew from 2,598 square feet to 5,593 square feet and the indoor practice facility jumped from 4,744 square feet to 10,669 square feet.

Parking will be at the existing paved lot at the Lloyd Noble Center, which is across the street to the south of the new site. In terms of other fan amenities, Love's Field includes three concessions stands with a total of eight points of sale, with additional space for auxiliary locations. It also includes an increase of more than 80 restrooms from the current facility.

To date more than \$36 million has been raised through the generosity of Sooner Club members. Love's Field is expected to be fully funded by direct private support making it the most ever privately fundraised for a female student-athlete facility in intercollegiate sport.

HEADINGTON HALL

GAME-CHANGING STUDENT HOUSING FACILITY

Opened in July of 2013, Headington Hall houses 380 OU students, including 180 student-athletes. The facility is named in honor of former OU tennis player Tim Headington, one of many OU alumni who gave generously to the project.

Located on the corner of Jenkins Ave. and Lindsey St., southeast and across the street from Gaylord Family – Oklahoma Memorial Stadium, it boasts apartment-style accommodations in two and four-bedroom units. The building includes central dining, computer labs and study rooms, as well as a faculty-in-residence unit.

The \$75 million facility, which replaces Bud Wilkinson Hall, was funded by the University of Oklahoma Department of Intercollegiate Athletics.

The first floor features Einstein’s Bagels, Qdoba, Sport Clips and OU Bookstore locations with room for future development.

The facility is six stories tall and approximately 230,000 square feet, giving it a significant campus presence. It is designed in the style of the University’s historic buildings, as well as modern additions.

Former Sooners Adrian Peterson and Sam Bradford made substantial donations to Headington Hall. The Sam Bradford Training Table is a state-of-the-art dining facility that fulfills the dietary and nutritional needs of all OU student-athletes, not just the residents of Headington Hall, in a vastly expanded modern space.

STRENGTH & CONDITIONING

Oklahoma's weight training program is a pioneer in the development of strength and conditioning and is a vital part of the Sooners' traditional success. OU strength and conditioning coaches utilize their expertise along with a wide array of equipment and tests to produce national championship-caliber athletes.

Evaluation, goal-oriented programs, supervision and state-of-the-art facilities help Oklahoma athletes become bigger, faster, stronger and more flexible. The 32,582-square-foot strength and speed complex is triple the size of OU's former weight room and features a 70-yard indoor turfed speed and agility training area to facilitate the intensive training of OU athletes.

The objective of the strength and conditioning program is to ensure each athlete in every sport is provided with a sound in-season and off-season program. This program of activity includes strength, conditioning, flexibility and nutrition. A strength and conditioning coordinator for each sport is provided to assist athletes in reaching the highest possible training levels.

Oklahoma feels a strong responsibility to help its athletes reach and maintain their optimum health and achieve conditioning goals. For this reason, OU has developed excellent training and conditioning programs to lessen the possibility of injuries. However, should injuries occur, the department is committed to a comprehensive rehabilitation program. Complete athletically-related medical services are provided to Oklahoma student-athletes by team physicians and OU's certified athletic trainers, and OU obtains the services of the best medical consultants available.

After renovations in 2018, the state-of-the-art athletic training room inside the Barry Switzer Center also grew substantially to nearly 10,000 square feet, ensuring Oklahoma's players will continue to be treated not only by the finest doctors and training staff in the country, but also in the finest facility in the land. From simple therabands to taping tables, the new facility offers everything a school can have or hope to have. The Sooner training room is equipped to perform isokinetic joint evaluation for preventive medicine and for post-injury rehabilitation. The therapy room is supplied with the latest modalities on the market.

A total team effort is the key to OU's efficiency in preventing, treating and rehabilitating injuries sustained by student-athletes. These measures keep Sooner athletes at their highest level of performance as they compete for championships.

NORMAN CAMPUS

FLAGSHIP EDUCATIONAL INSTITUTION OF THE SOONER STATE

The University of Oklahoma is experiencing a golden era in the history of a great institution. The quality of new students is soaring and donor confidence is at an all-time high. OU continues to break private fundraising records with more than \$3 billion in gifts and pledges since 1994, which has provided funding for dramatic capital improvements, the growth of faculty endowment and student scholarships.

For the last quarter century, OU has undergone significant changes that have resulted in a learning environment of the highest order. Correspondingly, the state of Oklahoma enjoys resources that impact everything from medical science to the arts for many years to come.

The University of Oklahoma has long embraced the great tradition of Sooner athletics. With competitive facilities all located on the main campus, including several near the heart of the university, student-athletes and their classmates mingle comfortably in an environment that fosters an attitude of excellence, regardless of the endeavor.

NORMAN IS A QUICK 196-MILE DRIVE FROM DALLAS. ROUGHLY 20 PERCENT OF OU'S STUDENTS ARE FROM TEXAS AND CHOOSE TO COME NORTH

Norman is an ever-changing city of more than 120,000 residents. Located in the heart of the state, it has grown to become the third-largest city in Oklahoma. Despite its continuous growth, it has maintained the spirit and serenity of a small, close-knit community.

Since the Oklahoma Land Rush of 1889, Norman has grown into a popular and well-educated city. The spirit of Norman and its citizens is unwavering and uncompromising. While other towns were clamoring to become the state capital, Norman residents wanted to have the first state university. When the first OU president got off the train and saw a prairie, he saw opportunity.

As home to the state's premier educational institution, Norman boasts an excellent quality of life and is a city that thrives on and celebrates the diversity of its community.

Legendary University of Oklahoma football coach Barry Switzer called Norman "a university town with a championship spirit."

Norman continually exhibits its love for sports by hosting numerous local and national athletics events.

OKLAHOMA CITY

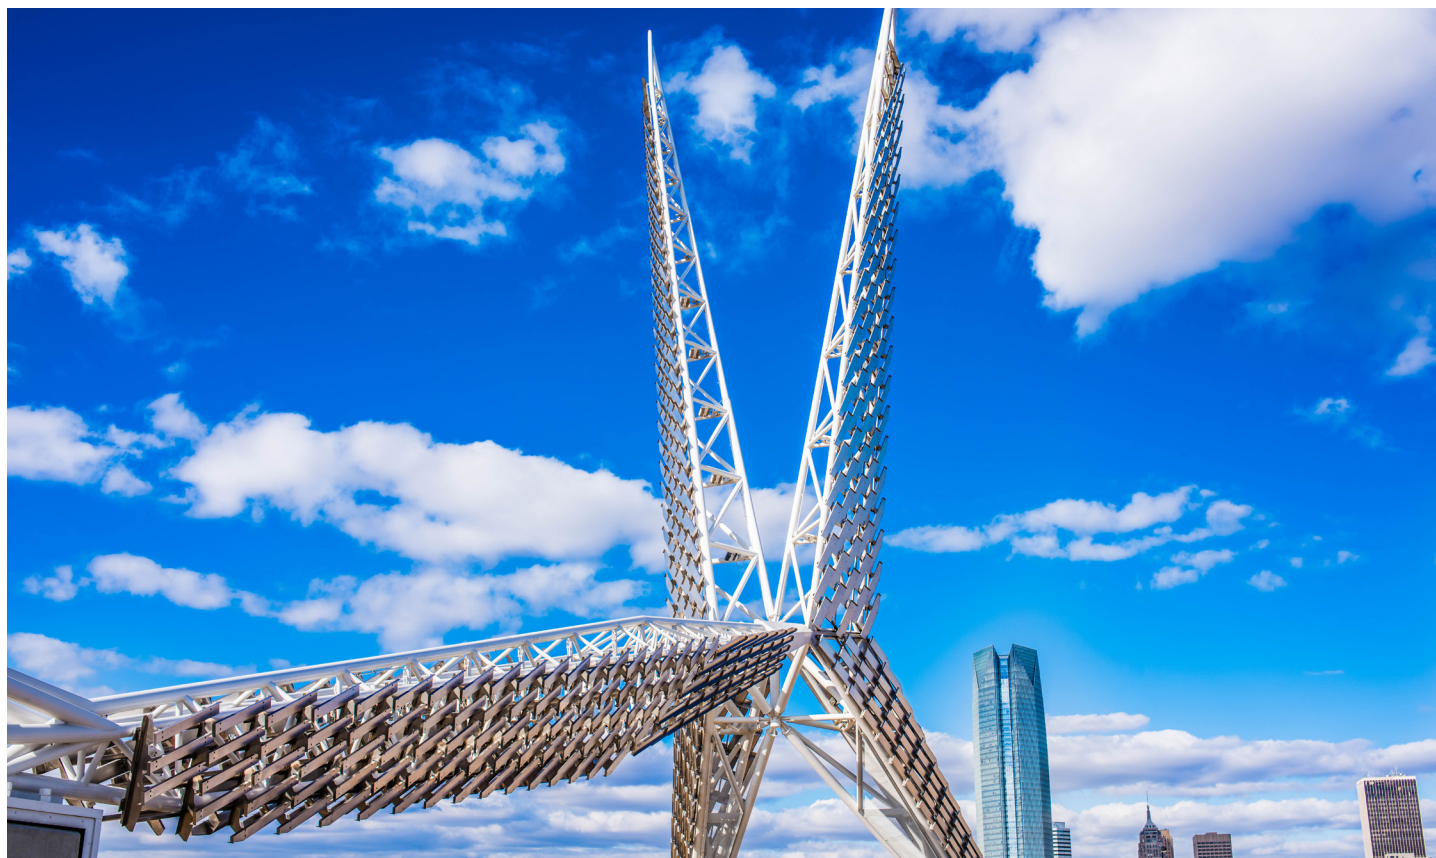

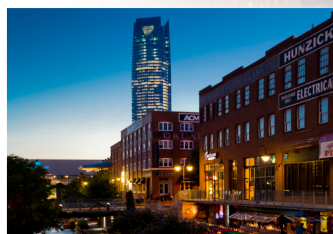

Oklahoma City, the state's capital, is located just 18 miles north of the Norman Campus. It was the first city settled in the Land Run of 1889 because of its position at the center of the state.

Oklahoma City offers a variety of attractions and activities different from any other place in the country. Sprawling across 625 square miles of America's heartland, the city's metro population numbers more than one million — a third of the entire state's population.

Oklahoma City has become a haven for exciting sports action. Its NBA franchise, the Thunder, played in the NBA Finals in just its fourth season in Oklahoma City and has produced two league MVPs. The city is also home to three minor league teams and is the host of the NCAA Women's College World Series.

Located just southeast of downtown, Bricktown is OKC's entertainment and dining district. Restaurants with a total capacity of more than 4,000 seats, shopping, and a generous helping of turn-of-the-century charm has turned Bricktown into a hotspot for Oklahoma City nights.

COACHES & STAFF

PATTY GASSO

PATTY GASSO

HEAD COACH • 30TH SEASON • LONG BEACH STATE, 1984

Entering her 30th season at the University of Oklahoma in 2024, NFCA Hall of Fame head coach Patty Gasso has molded the OU softball program into a national power and permanently placed herself among the elite college softball coaches in the country.

Oklahoma has won seven national championships, winning in 2000, 2013, 2016, 2017, 2021, 2022 and most recently in 2023. OU is one of just three programs in NCAA history to win more than two national titles. She's reached the Women's College World Series 16 times during her tenure, and in the process, advanced to the postseason in each one of her 29 seasons (no tournament in 2020).

With 33 seasons as a head coach to her name, Gasso has a career collegiate coaching record of 1,617-404-3 (.799) and holds an overall record of 1,456-345-2 (.808) at the University of Oklahoma.

She has won more Big 12 games (394-87; .819) than any coach in the league's history and has more than twice as many overall wins as any other coach in OU history. OU has claimed 15 Big 12 regular season titles, including an unprecedented 11 straight since the 2012 season, and eight conference tournament titles under her direction. Gasso's Sooner teams have finished second or higher 23 different times in the 27 years since the inception of the Big 12 in 1996.

Numerous Sooner players have prospered under Gasso's tutelage and garnered national, regional and conference recognition. Most recently, Jocelyn Alo helped lead the Sooners to back-to-back titles en route to winning consecutive USA Softball Collegiate Player of the Year awards in 2021 and 2022. Keilani Ricketts was also a two-time USA Softball Player of the Year in 2012 and 2013. Gasso has recruited and coached 79 All-Americans, 145 All-Region honors and 192 all-conference selections at OU.

In the Big 12 era, Sooners have been named Big 12 Player of the Year a total of 16 times and Big 12 Pitcher of the Year nine times, while nine have been selected as Big 12 Freshman of the Year and one as Big 12 Newcomer. In 2010, Amber Flores became the first player in league history to earn Player of the Year honors twice, Shelby Pendley joined her in 2015 before Alo claimed the honor in consecutive seasons in 2021 and 2022.

The OU softball success under Gasso has also spilled over into the classroom where the Sooners have been honored with 170 academic all-conference honors. 20 of those have gone on to become Academic All-Americans, including Lana Moran, the 2000 Academic All-American of the Year.

Gasso and her staff have consistently been recognized for their efforts on and off the field. The staff was awarded three consecutive Speedline/NFCA Midwest Region Coaching Staff of the Year awards from 1999-2001 and received the national honor in 2000, 2013, 2016, 2017 and 2023. Gasso and staff have claimed the regional honor in 15 of their 29 seasons with the most recent award coming in 2023. In addition, Gasso has been named the Big 12 Coach of the Year 15 times: 1996, 1999, 2000, 2009, 2012, 2013, 2014, 2015, 2016, 2017, 2018, 2019, 2021 and 2023.

In 2018, Gasso led the Sooners to an 18-0 record in Big 12 play, marking the first perfect conference season in program history

and making OU just the second Big 12 school to accomplish the feat. Oklahoma claimed an unprecedented seventh consecutive Big 12 regular season crown before sweeping the Big 12 Tournament for the second straight year. Additionally, Oklahoma was the recipient of Big 12 Pitcher of the Year (Paige Parker), Defensive Player of the Year (Kelsey Arnold), Freshman of the Year (Jocelyn Alo) and Coach of the Year.

Overall, the 2018 squad finished with a 57-5 record, good for the best mark in the nation and second-best in school annals. The Sooners reached their 12th Women's College World Series, sweeping both the NCAA Regionals and NCAA Super Regionals to reach Oklahoma City.

Oklahoma became just the fourth program in NCAA history to win back-to-back national titles by taking home the crown in 2017 with a 61-9 record. Playing as the No. 10 seed, OU lost their opening game of the NCAA Regionals but won 11 straight postseason games after that en route to the title. The Sooners won four straight elimination games to win the Regional before taking down Auburn in the Super Regionals in a rematch of the 2016 WCWS Championship Series with Auburn. At the 2017 WCWS, OU ran through the opening rounds to reach the finals against top-seeded Florida, where the Sooners dispatched the Gators in two games.

Shay Knighten was named the WCWS' Most Outstanding Player and was joined on the All-Tournament Team by Paige Lowary, Nicole Mendes and Paige Parker. Knighten and Parker were also tabbed as Second-Team All-Americans, along with Caleigh Clifton.

OU captured its sixth straight Big 12 regular season crown and also swept the Big 12 Tournament (which returned for the first time since 2010). For the third straight year, Oklahoma was the recipient of Big 12 Player of the Year (Shay Knighten), Pitcher of the Year (Paige Parker), Freshman of the Year (Nicole Mendes) and Coach of the Year.

To some, the 2016 season was expected to be a rebuilding season. Losing such a dominant senior class and replacing it with eight freshman, the largest freshman class in Gasso's career, a drop-off was expected. However, the Sooners fought through early growing pains en route to the program's fifth straight Big 12 title and its third national title.

Sitting at 25-7 on April 2, the Sooners won their next 22 games to reach the postseason as the No. 3 national seed. After working through the Regional and Super Regional, OU ran the winning streak to a school record 31 games and reached the WCWS Finals against Auburn. Oklahoma won game one, dropped game two as the winning streak ended, but came back to win game three and take the national championship. Freshmen Sydney Romero and Shay Knighten were named to WCWS All-Tournament Team, as was sophomore Paige Parker who was named Most Outstanding Player.

Parker was named to the All-America First Team, while senior Erin Miller and freshman Shay Knighten were each selected to the All-America Second Team. OU tied a school record by having all eight of its nominees named to the All-Region squads. Within the Big 12 OU swept all the individual awards, including Big 12 Player of the Year (Miller), Pitcher of the Year (Parker), Freshman of the Year (Knighten), Defensive Player of the Year (Kelsey Arnold) and Coach of the Year.

The 2015 season saw the Sooners continue their dominant run through the Big 12, winning an unprecedented fourth straight league crown. OU then earned the No. 11 national seed and advanced as far as the Super Regionals for the sixth consecutive season.

For the third time in four seasons OU had at least three representatives on the NFCA All-America teams. Seniors Lauren Chamberlain and Shelby Pendley were each named to the All-America First Team, while freshman Paige Parker, the NFCA Freshman of the Year, was selected to the All-America Second Team.

The program tied a school record by having all eight of its nominees named to the 2015 NFCA Division I All-Central Region Team, including five first-team honorees. It marks the second straight season that OU had eight selections. The five first-team selections also tied a school record for Oklahoma, matching the mark set by the 2005 and 2007 squads.

to capture each of the four major end-of-season awards, taking home Player of the Year, Pitcher of the Year, Freshman of the Year and Coach of the Year honors this season.

Also in 2015, Gasso became the second-fastest coach in NCAA Division I history to reach 1,000 wins when she accomplished the feat this season in 1,300 games. She was the 28th coach in NCAA softball history to reach that figure and the 17th to do it at the DI level. She also became one of 10 coaches to get 1,000 wins at one Division I school.

On April 30, Lauren Chamberlain hit a grand slam at North Texas for the 91st home run of her career to break the all-time mark of 90 held by former UCLA player Stacey Nuvean. Chamberlain went on to hit four more home runs during the season to finish her remarkable career with 95. In addition, she set the NCAA all-time slugging percentage record with a .960 career mark.

History was made by the Sooners in 2014 as they became the first team to win the Big 12 championship three seasons in a row. Sitting at 18-8 on March 15 and with All-American Lauren Chamberlain out with an injury, the team proceeded to win 31 of its next 33 games to win the league title and earn the No. 7 national seed. OU went on to reach the Women's College World Series for the fourth straight season and ninth time in program history.

Junior Shelby Pendley was named a first-team All-American for the first time in her career, while fellow junior Lauren Chamberlain became a three-time All-American as she was placed on the third team. Sophomore Kelsey Stevens became the first Sooner in program history to lead the nation in wins as she tied for the top spot with a school and Big 12 record total of 38 victories.

Oklahoma put together one of the finest seasons the sport had ever seen in 2013, rolling to a 57-4 record, which was the fifth best winning percentage in NCAA history. Included in that record was a 10-0 mark in the postseason that saw OU outscore its opponents, 91-16, en route to the second national championship in school history. In Big 12 play the Sooners were 15-2 as they captured their 10th conference championship.

OU led the nation in four separate categories, including winning percentage and slugging percentage, and became the first team in NCAA history to lead the country in both earned run average and runs scored per game. Individually, Lauren Chamberlain was the nation's leader in home runs, home runs per game, runs scored per game and slugging percentage, while Michelle Gascoigne's ERA of 0.88 was the best by any player in the country since the 2009 season.

Eight players received All-Big 12 recognition, while Ricketts was named the Big 12 Pitcher of the Year and Shelby Pendley was tabbed the Player of the Year.

The Sooners returned to the Women's College World Series in 2012 for the seventh time in program history and reached the best-of-three championship finals for the second time since the format was changed in 2005.

Keilani Ricketts was named the 2012 USA Softball Player of the Year, the first Sooner to win the honor. She shared All-American accolades with teammates Jessica Shults and Lauren Chamberlain.

All three players also received All-Big 12 First Team honors along with Georgia Casey. Destinee Martinez was named to the conference's second team. Ricketts was named the Big 12 Player of the Year and set program records for strikeouts in a career, season and game.

Chamberlain was tabbed as the Big 12 Freshman of the Year as she smashed the school and conference record for home runs in a season and broke the school record for slugging percentage.

As a team, OU established new conference bests for slugging percentage and home runs. In addition, school records were broken for strikeouts thrown and strikeouts per seven innings.

The 2011 season saw the Oklahoma Softball program return to the Women's College World Series for the sixth time in program history and the first since 2004. OU made the postseason for the 18th straight season as it won its first ever NCAA Super Regional sweeping Arizona in two games in Tucson.

Ricketts was named a NFCA First Team All-American while Shults earned second team honors as both finished in the USA Softball Player of the Year Top 25. The duo, along with freshmen Destinee Martinez and Brittany Williams, earned NFCA All-Region honors.

Ricketts, Martinez and Chana'e Jones made first team All-Big 12 while Shults, Dani Dobbs and Haley Nix earned second team honors. Dobbs and Michelle Gascoigne earned first team Academic All-Big 12 honors, while Jones took second team honors.

The season saw Gasso claim her 800th win at Oklahoma with a 7-6 win over Washington on March 19, just a little over a month after Gascoigne threw the program's seventh perfect game on Feb. 11. In all 43 program records were set in 2011, including 37 of the postseason variety when the squad caught fire. Ricketts set the program's single-season record for strikeouts while Shults set the season record for putouts by a catcher.

The 2010 season saw great success as the Sooners advanced to NCAA Super Regional play. OU won the final Big 12 Championship and finished second in the regular season. Flores and freshmen Jessica Shults and Keilani Ricketts were named NFCA second team All-Americans. Those three, along with Vandever, earned all-region honors. Flores and Ricketts were top 25 finalists for USA Softball's Collegiate Player of the Year.

Flores was named Big 12 Player of the Year and Vandever was named Defensive Player of the Year. Five Sooners were named to the All-Big 12 first team and two were named to the second team. OU placed five student-athletes on the All-Big 12 Academic team. Flores closed out her career as the Big 12 career leader in home runs and sat atop OU career categories in home runs, extra-base hits, walks drawn, slugging percentage and on-base percentage.

Ricketts also earned most outstanding player honors at the Big 12 Championship and was named conference pitcher of the week three times. She also earned National Player of the Week honors on Feb. 23. Shults was named Big 12 Player of the Week on March 30.

The 2009 Sooners won their fourth Big 12 regular season title and hosted an NCAA Regional for the second consecutive year. Flores was named Big 12 Player of the Year and Gasso earned her fourth Big 12 Coach of the Year honor. Flores was named a first team All-America selection by the National Fastpitch Coaches Association and senior Samantha Ricketts was named to the second team. Flores, Ricketts, Vandever and senior D.J. Mathis were named to the first team All-Central Region by the organization. Flores was also a top 10 finalist for USA Softball's Collegiate Player of the Year.

Five Sooners were named to the first team All-Big 12 team and three were named to the second team. OU

placed five student-athletes on the All-Big 12 Academic team. Flores was named Big 12 Player of the Week three times, while Krystle Huey earned the honor once. Mathis was also named Big 12 Pitcher of the Week once during the season. Flores earned NFCA/Louisville Slugger National Player of the Week honors and ESPN/USA Softball National Player of the Week honors on Feb. 10.

In 2008, the Sooners advanced to the NCAA Super Regionals and finished second in the Big 12. In addition to Savannah Long being named the Big 12's Defensive Player of the Year, she and four teammates were named first team All-Big 12. Four Sooners earned All-Midwest Region first team honors with another on the second team.

The Sooners opened the 2007 season by winning their first 23 games of the season and 30 of their first 31 contests. The dominant start propelled the team to a Super Regional berth.

In 2006, Gasso led the Sooners to their 13th straight 40-win season. The young Sooner squad made a strong postseason run, winning 12 of its final 15 contests to finish second in the Big 12 Championship and advance to the NCAA Regional Finals for the seventh consecutive year.

In 2005, the Sooners made their 11th straight NCAA postseason appearance under Gasso and claimed the Regional 14 Championship in front of the home crowd in Norman. Despite missing out on its sixth straight WCWS appearance after dropping a best-of-three series to Arizona in the NCAA Super Regional, the Sooners were one of the best hitting teams in program history (fourth in the nation with a .320 batting average). The highlight of the season was OU's record 29-game winning streak that spanned 36 days and was extended during play in five different states. The Sooners outscored opponents 218-40, run-ruled 10 opponents and claimed five tourney championships during the streak.

The 2004 season went down as one of the most memorable in Sooner history. OU battled through injuries during the entire regular season and peaked at the right time. OU, seeded second in the NCAA Region I Championship, stormed through Tucson, Ariz., knocking off No. 1 Arizona and No. 9 Louisiana-Lafayette en route to the Sooners' fifth consecutive WCWS.

The Sooners entered the WCWS as the hottest hitting team in the postseason and held onto that recognition, despite being eliminated after winning their opener against Washington. Gasso's staff was recognized for a

PATTY GASSO

fifth time as the NFCA Midwest Region Coaching Staff of the Year, thanks to one of the most memorable postseason runs in NCAA history.

Oklahoma fell just short of its goal, the Women's College World Series, but the Sooners proved once again that they were a national powerhouse. That year, OU defeated several top-25 teams including Louisiana State, Texas, Massachusetts, Oregon, Texas A&M, Missouri and Nebraska. In addition, the Sooners swept the four-game series with state rival Oklahoma State. The last victory against the Cowgirls in the regular season finale clinched the Big 12 title.

The 2003 squad was led by five seniors and sophomore hurler Kami Keiter. OU reached its fourth consecutive WCWS by becoming the first Sooner squad to claim a regional championship away from Norman. OU won one game before being eliminated from the 2003 WCWS.

Five Sooners were named to the All-Big 12 Conference first team including senior Leah Gulla, who led the conference in batting average, hits and RBI. Underclassmen Keiter, Scaglione and Kristin Vesely joined senior Erin Evans on the all-conference team. The NFCA bestowed All-America honors on Keiter and Gulla, while Evans joined the duo on the Midwest Region Team. The OU program reached a couple of milestones during the 2003 season. The program recorded its 1,000th victory when the Sooners knocked off Bethune-Cookman in its regional opener on May 15. Justifying its nickname, the Sooners also became the first Big 12 team to reach the 100-win mark in conference play. OU beat Nebraska, 1-0, in Lincoln on March 20, 2003, to be the first squad to reach the century mark.

In 2002, Oklahoma took their team motto "Triple Threat" to heart as the Sooners swept their third consecutive NCAA Regional and advanced to a third straight Women's College World Series.

Following the 2000 National Championship season, Gasso's 2001 squad continued the string of success. The 2001 team went on to match many of the accomplishments of the previous year, including a return trip to the Women's College World Series, a 50-win season and four All-America selections. The team also established its own successes by compiling a school-record 23-game win streak and the program's first Big 12 Tournament title since 1996.

The 2000 Sooners won their third Big 12 regular season title since the league began in 1996 and hosted their first NCAA Regional since 1997. Behind an explosive offense and a dominant defense, the Sooners rolled to a 66-8 record and won their final eight games of the season to capture the first softball national championship in school history.

Four Sooners earned All-America honors, with Lisa Carey and Ashli Barrett earning first team recognition. Evans and pitcher Jennifer Stewart were both third team All-Americans and Stewart was also named the Most Outstanding Player of the WCWS. The accolades rolled in as Gasso was named the Dallas Morning News Big 12 Coach of the Year. She and her staff also earned the Midwest Region Coach of the Year award and Speedline/NFCA Division I National Coaching Staff of the Year.

In 1999, Gasso led OU to its sixth straight NCAA regional

playoff appearance. Along the path to the regional playoffs in Baton Rouge, La., the Sooners seized several awards and honors. For the second time in the three-year history of the Big 12 Conference, OU was crowned regular season champion.

Not only were Gasso's players honored for their accomplishments in 1999, but she was also recognized for her solid coaching effort. Gasso was named the 1999 Big 12 Coach of the Year and joined her staff as the Midwest Regional Coaching Staff of the Year.

The 1998 season was probably one of Gasso's best coaching jobs. However, it wasn't because of the number of wins and losses or the tournaments won by the Sooners. It was due to the fact the team featured six freshmen. Gasso led the young group to a second-place conference finish and a No. 1 seed in a NCAA Regional. Five Sooners were named to the all-conference squad and three players were named to the All-Midwest Region team.

Gasso continued the trend of reaching new heights in 1997 when the team recorded the then-second best record in school history (55-19). The season was highlighted by two impressive 12-game winning streaks that helped the team to a second-place finish in the Big 12. For the fourth consecutive year, OU advanced to a NCAA Regional. It marked the first time in school history that OU hosted the event.

Gasso and the Sooners reached new heights in 1996, recording a 50-20 record, a first-ever Big 12 Championship, and another regional final berth. OU dominated the inaugural Big 12 Tournament, putting five players on the all-tournament squad. Pitcher Jill Most was named the tourney MVP.

Gasso's 1996 squad also became the first team outside of the states of California or Arizona to win the prestigious Pony Tournament. Gasso was recognized by her peers for her team's performance, earning the Big 12 Coach of the Year award. Again, Sooner players were mentioned as some of the league's best with 10 players receiving All-Big 12 recognition.

In her first season at the helm, the Sooners recorded a 43-23 record, finished second in the conference and reached the regional final. Several Sooners received awards for their play during the 1995 season, including 11 players who garnered all-conference accolades (four on the first team).

Gasso's career with the Sooners began in 1995 when she arrived at OU after five successful years at Long Beach City College. Her accomplishments during her tenure at LBCC and since led to Gasso being named to the LBCC Hall of Champions in 2004. Later during the 2004 summer, Gasso was inducted into the inaugural class of the Long Beach City Baseball and Softball Hall of Fame. She has also been inducted into the El Camino City College Hall of Fame in 2000 and the Long Beach State Hall of Fame in 2013.

Gasso and her husband, Jim, reside in Norman. Their oldest son, J.T., is in his fourth year as an assistant softball coach at Oklahoma, while their youngest son, D.J., is entering his first year as a graduate assistant for the Sooners. Patty and Jim are also the grandparents of Joseph and Grace Gasso, the children of J.T. and his wife, Andrea.

Jennifer Rocha was hired as the program's associate head coach and pitching coach in the summer of 2018, and recently concluded her fifth season with her alma mater in 2023.

Once a student-athlete (1996-98) and graduate assistant (1999-2001) for the Sooners, the former Jennifer Jaime led one of the most successful pitching staffs in the country in her first year on the coaching staff in 2019 and has assisted the Sooners to consecutive trips to the Women's College World Series since her return to Norman, including back-to-back-to-back national titles in 2021, 2022 and 2023.

Rocha's OU pitching staff owns a 1.46 ERA and 120 shutouts since her hiring, striking out 2084 hitters in 1668.2 innings (8.7 K/7) and walking just 2.1 per 7.0 innings. Her hurlers have earned three Big 12 Pitcher of the Year awards, 20 Big 12 Pitcher of the Week honors and two NFCA Pitcher of the Week nods.

Named the NFCA Assistant Coach of the Year in 2023, Rocha's staff anchored a 61-1 national championship season by leading the NCAA in ERA (0.96) and shutouts (35). The quartet of Jordy Bahl, Kierston Deal, Nicole May and Alex Storako held ERA marks below 1.15 and combined for 460 strikeouts while holding opponents to a .162 batting average. The staff threw four no-hitters and one perfect game, surrendering just 53 earned runs.

Three Sooner pitchers were named All-Big 12 in Jordy Bahl, Nicole May and Alex Storako, while Bahl was named an NFCA First Team All-American, Big 12 Pitcher of the Year and Most Outstanding Player at the Women's College World Series.

Throughout OU's dominant 59-3 campaign in 2022, Rocha mentored a pitching staff that paced the country in ERA (1.05) and shutouts (33) and recorded eight no-hitters on the season, including two perfect games. The 33 shutouts were good for a school record, while three Sooner pitchers ranked in the top five nationally through the season in ERA: senior Hope Trautwein, sophomore Nicole May and freshman Jordy Bahl.

Bahl collected NFCA Freshman of the Year honors and NFCA First Team All-America honors for her dominant 22-1 campaign, including 205 strikeouts and 1.09 ERA. Trautwein was named All-Big 12 and to the WCWS All-Tournament Team after an impressive showing in OKC that included a 4-0 record in 22.1 IP and 16 strikeouts.

In 2021, the OU pitching staff recorded two perfect games, three no-hitters and 22 shutouts, while senior Giselle Juarez was named the WCWS Most Outstanding Player following a 5-0 record (three complete games), one shutout, 38 strikeouts and just four runs allowed (0.89 ERA) in the World Series. Juarez and fellow senior Shannon Saile were both All-Big 12 honorees and Saile was named NFCA First Team All-Central Region.

Under Rocha, the Sooners led the nation in ERA (1.40), shutouts (28) and strikeout-to-walk ratio (6.50) in 2019. Individually, all three of OU's primary pitchers ranked in the top 20 nationally in ERA, hits allowed per seven innings pitched, strikeout-to-walk ratio and strikeouts per seven innings pitched.

Juarez was named the 2019 Big 12 Pitcher of the Year, and she was joined by Shannon Saile on the All-Big 12 Teams. Juarez and Mariah Lopez each earned NFCA First-Team All-Central Region honors, and Juarez went on to become an NFCA First-Team All-American.

Rocha returned to Oklahoma after most recently spending 13 years at Florida, where she began in 2006 as an assistant coach and was elevated to associate head coach after the 2017 season. During her tenure, the Gators won two NCAA titles (2014, 2015) and made nine Women's College World Series appearances (2008, 2009, 2010, 2011, 2013, 2014, 2015, 2017, 2018). Additionally, Florida claimed seven SEC regular season titles (2008, 2009, 2013, 2015, 2016, 2017, 2018) and four SEC Tournament titles (2008, 2009, 2013, 2018) with Rocha on staff.

Leading the Gators' pitching staff, Rocha coached seven All-Americans.

In 2015, Rocha was named NFCA Assistant Coach of the Year. She was part of five NFCA Southeast Region Coaching Staff of the Year selections and the 2015 NFCA DI National Coaching Staff of the Year.

Prior to her time at Florida, Rocha was an assistant coach at Wichita State University from 2003-05. She was an assistant at Oregon for one year before joining the Shockers. Beginning her playing career at Long Beach City College in 1995, Rocha transferred to Oklahoma in 1996 and was a three-year letterwinner. She finished her Sooner career with a 43-17 record (.721) and a 1.46 ERA.

Rocha played professionally for the Virginia Roadsters in the Women's Professional Softball League in 1998 before returning to Oklahoma as a graduate assistant coach from 1999-2001. Overall, Rocha was part of six straight NCAA Regional appearances with the Sooners, three Big 12 regular season crowns, two Big 12 Tournament titles, two WCWS appearances and one national championship.

Rocha earned a Bachelor of Arts in sociology from OU in 1999 and a Master of Arts in human relations in 2001. She married Paul Rocha in November 2006, and the couple has one daughter, Eliana.

JT GASSO

ASSOCIATE HEAD COACH • NINTH SEASON • EAST CENTRAL, 2011

JT Gasso enters his first season under the title of associate head coach following eight seasons as Oklahoma's assistant coach. His primary responsibilities are focused on working with OU's outfielders and the Sooner hitters.

During Gasso's tenure, the Sooners have won seven Big 12 regular season titles and four Big 12 Tournament crowns (the tournament was not played during Gasso's first season, finished in 2019 or played in 2020) while making seven Women's College World Series appearances and winning five national titles.

Gasso's lineup has produced nearly 7.8 runs per game over his eight seasons directing the hitters while posting a .350/.439/.613 slash line for a 1.052 OPS. OU has blasted 800 home runs over that span, has struck out in just 9.2% of their plate appearances and draws walks at an 11.6% clip during his tenure. His hitters have earned two USA Softball Collegiate Player of the Year awards and have garnered six Big 12 Player of the Year honors.

The 2023 Sooners earned their third consecutive national championship by going 61-1 and recording the best winning percentage in NCAA Division I softball history at .984. OU won both the Big 12 regular season and tournament titles while leading the nation in batting average (.367), on-base percentage (.456), slugging percentage (.666), runs scored (501), runs per game (8.08) and home runs (117) while ranking second in doubles (116). The dominant run included an NCAA-record 53-game win streak, 29 wins by run rule and a 28-0 record vs. ranked opponents.

A nation-leading five Sooners were named NFCA First Team All-Americans, eight earned All-Big 12 accolades and five were named to the WCWS All-Tournament Team. Four OU hitters posted batting averages north of .400 while 10 qualifiers posted OPS marks above 1.000 in 2023.

Under Gasso's guidance, the 2022 Sooners picked up where the 2021 team left off, leading the nation in batting average (.371), home runs (155), slugging percentage (.733) and on-base percentage (.474). The team also paced the country in scoring, averaging 9.34 runs per game for a total of 579 runs, ranking third in NCAA history. The Sooners' 155 homers ranked third all-time, just three shy of second place and six shy of OU's first-place mark of 161 from 2021. The team finished with three more marks in the all-time top-five including 1,137 total bases, a 2.50 home runs-per-game average and its .733 slugging clip.

With the help of Gasso's offensive expertise, redshirt senior Jocelyn Alo concluded her career as arguably the best hitter in college softball history. Alo claimed her second straight USA Softball Collegiate Player of the Year award, among countless other accolades including being a unanimous NFCA First Team All-American and the WCWS Most Outstanding Player. Alo hit a nation-best 34 home runs and broke the NCAA career home run record during the 2022 season, finishing with a career total of 122 blasts, 27 better than second place. Alo also paced the NCAA in slugging percentage (1.212), on-base percentage (.646) and total bases (200). She ranked in the top five in the country in six additional categories, including second in RBIs (85) and batting average (.515). Sophomore Tiare Jennings beat out Alo for the RBI crown in 2022 with 87 while also ranking third in homers (29) and fifth in slugging (.940) and total bases (171).

As a team, the Sooners had three players rank in the top 10 for home runs, two in the top five for on-base percentage, three in the top 10 for RBIs, slugging percentage and total bases, and a pair rank in the top 25 in batting average and hits. Behind OU's powerful offense coupled with stellar pitching, the Sooners won their second consecutive and sixth overall national title.

Under Gasso's eye, the 2021 team rewrote the record books. The offense hit an NCAA-record 161 home runs and set NCAA records for team batting average (.405), slugging (.778), on base percentage (.490), runs scored (638) and total bases (1,279). The team also averaged a record 10.63 runs per game and 2.68 home runs per contest. Gasso helped senior Jocelyn Alo to her own record-shattering season, hitting a program-best 34 home runs en route to winning 2021 USA Softball Collegiate Player of the Year. Freshman Tiare Jennings completed the Sooner slugger sweep by winning NFCA National Freshman of the Year honors while hitting an NCAA-best and program record 25 doubles to go with 27 home runs.

The Sooners hit 34 home runs in the shortened 2020 season,

led for seventh-most in the nation. OU's 1.42 HRs-per-game average was also good for seventh in the country.

Gasso developed one of the nation's most potent offenses in 2019 as the Sooners led the country in the following statistical categories: batting average (.344), home runs per game (1.83), on-base percentage (.435) and slugging percentage (.639).

A program-record six student-athletes earned NFCA All-America accolades, including five position players in Caleigh Clifton, Sydney Romero, Falepolima Aviu, Jocelyn Alo and Grace Green. Romero was also tabbed the Big 12 Player of the Year while Green was named Big 12 Freshman of the Year.

In 2018, Gasso coached the Sooners to a nation-leading .532 slugging percentage. Additionally, Oklahoma ranked second nationally in scoring average (6.66 runs/game) and on-base percentage (.424), fourth in home runs per game (1.32) and ninth in batting average (.321).

Gasso also mentored NFCA Freshman of the Year Jocelyn Alo, who led the country with 30 home runs in 2018 to match the NCAA freshman record and the Oklahoma single-season record. Alo and Sydney Romero were both named NFCA First-Team All-Americans and were joined by Nicole Pendley, Shay Knighten, Caleigh Clifton, Kelsey Arnold and Nicole Mendes on the All-Region teams.

His first two seasons in Norman couldn't have gone any better as the Sooners won both the 2016 and 2017 national championships. He and the OU staff were named the NFCA National Coaching Staff of the Year for their efforts in 2016 and 2017.

In 2017, sophomores Caleigh Clifton and Shay Knighten were each named second-team All-Americans, while Knighten was the Big 12 Player of the Year and Nicole Mendes was tabbed Big 12 Freshman of the Year. Along with Clifton, Knighten and Mendes, Falepolima Aviu, Nicole Pendley and Sydney Romero were given All-Region honors.

The Sooners ranked ninth in the country with 6.26 runs per game, 19th in slugging percentage (.471), 21st in on-base percentage (.393) and 22nd in average (.311). The team's 605 hits and 99 doubles were fourth most in program history, while the 438 runs and 916 total bases were fifth, the 172 extra-base hits were eighth and the 211 walks were 10th most.

During the 2016 campaign, senior Erin Miller was named a second team All-American and became the first outfielder in league history to be named Big 12 Player of the Year. Shay Knighten was also tabbed a second-team All-American as she took home Big 12 Freshman of the Year honors. In addition, to Miller and Knighten, Kelsey Arnold, Caleigh Clifton, Lea Wodach, Sydney Romero and Fale Aviu all earned All-Region honors.

The team's batting average of .351 and hit total of 631 ranked second in both OU and Big 12 history; the 631 hits were 16th most in NCAA history. The offense posted the third most doubles (100) and total bases (967) in school history; the doubles total also third most in Big 12 annals. The on-base percentage of .427 ranked fourth in school and Big 12 annals, while the slugging percentage of .538, 435 runs scored, 183 extra-base hits and 14 sac flies were fifth highest in OU single season history; the runs scored ranked fifth in Big 12 history and slugging was eighth highest. OU also hit 70 home runs and walked 208 times, ranking 10th in school annals in each.

Gasso joined Oklahoma after spending one season as an assistant at Michigan State. While working with the Spartans, his primary responsibilities were focused on defensive play in the infield and hitting, while being heavily involved in recruiting and overall player development. Prior to Michigan State, JT Gasso was a part of a first-year coaching staff which helped guide Purdue to a spot in the Big Ten Tournament quarterfinals in 2014. The program placed five players on the All-Big Ten postseason teams and a program-record six Boilers earned All-Region honors.

JT Gasso spent the 2012 and 2013 seasons as a graduate assistant at Oklahoma, where he was responsible for compiling scouting reports, game day and practice set up and assisting in hitting instruction and game planning for the team, including its 2013 national championship and 2012 national runner-up seasons. His coaching pedigree also includes time as a camp coach with national championship programs at LSU and UCLA, and at the IntenCity Sports Training Academy in Norman.

University of Oklahoma head softball coach Patty Gasso announced in July 2023 the addition of program alumna Falepolima Steele (Aviu) to the Sooners' staff as an assistant coach. Steele's hiring was made possible by an NCAA Division I Council decision in January to increase the number of countable coaches in select sports starting July 1.

A two-time national champion and All-American as a player for the Sooners and part of another national title on staff, Steele returns to Norman after a one-year stint as assistant coach at North Carolina. Prior to her time in Chapel Hill, the Oceanside, Calif., native served as a graduate assistant at OU for the 2022 national championship season, a graduate manager at Ole Miss in 2021 and as a student manager upon graduation from OU in 2020.

"I'm very grateful we're able to welcome back Falepolima to our staff," said Gasso, who has coached OU to seven national championships, including titles each of the last three years. "She's a Sooner through and through, and she made an incredibly positive impact on our program as a player and leader for four years and as a graduate assistant during the 2021-22 school year, helping us win three national championships.

"But her success isn't limited to OU. I'm proud of the growth and development she exhibited as a member of North Carolina's staff this past year. She's extremely talented and has so much to offer our players. We're incredibly excited she's back home and I know she can't wait to get started."

A four-year OU starter, Steele finished her collegiate playing career as a three-time All-Big 12 honoree and 2019 NFCA Second Team All-American. The outfielder holds top-10 spots in program annals for games played (255), doubles (45), times hit by pitch (36) and sacrifice flies (9). Steele was part of OU's first set of back-to-back national championships in 2016 and 2017 before helping OU complete the feat again as a graduate assistant with the 2022 squad.

In her lone season at North Carolina, Steele helped the Tar Heels to a top-six finish in ACC play and a three-win improvement from the year prior. Steele served as the hitting coach under Donna J. Pappa at UNC and helped four athletes to All-ACC recognition including first-team member Abby Settlmyre.

Steele returned to Oklahoma in 2022 as a graduate assistant, serving her second stint on Coach Gasso's staff. The 2022 Sooners earned the program's sixth NCAA championship while leading the nation in batting average (.371), home runs (155), slugging percentage (.733) and on-base percentage (.474). The team also paced the country in scoring, averaging 9.34 runs per game for a total of 579 runs, ranking third in NCAA history. The Sooners' 155 homers ranked third all-time, just three shy of second place and six shy of OU's first-place mark of 161 from 2021. The team finished with three more marks in the all-time top-five including 1,137 total bases, a 2.50 home runs-per-game average and its .733 slugging clip.

Beginning her coaching career as a support staff member at Oklahoma in 2020 and Ole Miss in 2021, Steele reached the NCAA Tournament with the Rebels

while gaining tremendous experience in both the SEC and Big 12.

The daughter of William and Patricia Aviu, Falepolima married her husband Jalen in 2023.

DIRECTOR OF ATHLETICS

JOE CASTIGLIONE

VICE PRESIDENT FOR INTERCOLLEGIATE ATHLETICS PROGRAMS & DIRECTOR OF ATHLETICS

Few collegiate athletics administrators have experienced the long-term success that Joe Castiglione has enjoyed at the University of Oklahoma.

Now in his 26th year at the helm of the legendary program, he leads an OU Athletics Department that hardly resembles the one that welcomed him in July of 1998. In fact, the Sooners have won 24 of their 43 team national championships since he arrived in Norman. He has celebrated 107 conference titles in that same period.

By creating a positive culture based on core values, a dynamic vision and a collaborative spirit, Castiglione has made OU Athletics a "destination of choice" and a world-class experience for student-athlete development.

Of course, Oklahoma is not immune to any of the challenges intercollegiate athletics has faced in the past quarter century, and through it all, Castiglione has stood unwavering in his commitment to position OU Athletics as one of the nation's premier programs. For many, it was his response to the COVID-19 pandemic that demonstrated the leader he really is.

As the pandemic arrived, then continued to worsen, Castiglione led the department through the sudden ending of the academics and athletics year with a calm and determined approach. His leadership gave OU's student-athletes, coaches and staff ample reasons to be confident the Sooners would get through the challenges that awaited. Their confidence was warranted.

After an incredibly successful 2021-22 athletics campaign, the 2022-23 academic year yielded OU's seventh softball national championship (third straight and sixth in the last 10 years) and women's gymnastics' sixth (all in the last nine years) led the way. Softball won its 11th consecutive Big 12 crown, women's gymnastics its 10th in the last 11 years and women's basketball its seventh in the regular season, while men's golf and women's tennis each won their second league titles in a row. And women's tennis senior Layne Sleeth finished as the individual national runner-up.

The Learfield Director's Cup recognizes overall program excellence. The Sooners have ranked among the top 25 in 20 of his 25 years and finished 10th in 2021-22, their best showing since 2012-13. (With the interruption of competition schedules, the Learfield Director's Cup was not awarded for 2019-20.)

GPA numbers and graduation rates continue to set program records. OU's program-record 3.25 cumulative 2023 spring semester GPA marked the 23rd consecutive term that OU's student-athletes as a group recorded a 3.0 or better figure. And the latest graduation success rate report (2022-23) reflects an OU-record-tying 89% figure.

OU Athletics, one of the few remaining self-sustaining departments nationally, has been a model of fiscal responsibility, closing the books in the black in each of Castiglione's first 22 years, including the pandemic-shortened 2019-20 season, and again in 2021-22 and 2022-23. His responsible approach has benefited the general campus. Through direct and indirect support, the athletics department provides millions of dollars annually to OU's academics budget. It also established an endowment at Bizzell Library and partnered with the president's office to eliminate the admission fee at OU's internationally known Fred Jones Jr. Museum of Art.

Athletics facilities improvement and construction have been carried out at a record pace and Castiglione takes pride in the fact that those improvements have been funded with private donations. Castiglione was instrumental in the athletics department's major campaign, Great Expectations: The Campaign for Sooner Sports, that impacted each of OU's sports and became a national model. During the 2021-22 fiscal year, OU Athletics received a record-breaking \$109 million in donations and pledges (the previous single-year record was \$58 million), and followed in 2022-23 with its second-highest figure in school history (\$79 million).

A \$160 million Gaylord Family – Oklahoma Memorial Stadium renovation was completed prior to the 2017 season and included enclosure of the south end zone, new seating options for Sooner fans and new team facilities, and the Griffin Family Performance Center for men's and women's basketball at Lloyd Noble Center opened in 2018. Construction on a new softball stadium, Love's Field, began this

year. Other plans include major renovations at baseball and new team facilities for golf, gymnastics, tennis and track, as well as refurbished team areas for men's and women's basketball. The \$75 million Headington Hall provides housing for the general student population as well as student-athletes. The state-of-the-art building opened in August 2013 and won the President's Trophy as the outstanding housing unit on campus four times. It makes OU the leader in providing an engaging community living option for students.

Castiglione was named Co-National Athletic Director of the Year in May 2018 by the Sports Business Journal. He had won the award in 2009 and been a finalist in 2016. A survey conducted by Sports Illustrated in the summer of 2017 named him the best athletics director in the country and Stadium selected him in 2020 as the nation's top AD. Other awards and honors include the 2018 Katha Quinn Award (U.S. Basketball Writers of America); 2018 induction into the Oklahoma Sports Hall of Fame; the 2013 John L. Toner Award (National Football Foundation and College Hall of Fame); Carl Maddox Sports Management Award (United States Sports Academy); 2000 and 2018 Athletics Director of the Year (NACDA); 2004 Athletics Director of the Year (Bobby Dodd Foundation); 2003 induction into the National Association of Collegiate Marketing Administrators Hall of Fame; and the 2001 General Robert R. Neyland Athletic Director Award for lifetime achievement (All-American Football Foundation).

He earned a master's of education degree in May 2007 and became an adjunct professor in OU's Jeannine Rainbolt College of Education, teaching graduate classes in marketing, development and leadership in higher education. He serves on the college's board of advocates and received the "Award of Distinction" given by the college in 2019. He was recognized for his distinguished service by OU's College of Arts and Sciences and was named a Price College Distinguished Partner in 2018.

Hired on April 30, 1998, Castiglione previously served as athletics director at Missouri for more than five years. His career began as the sports promotions director at Rice. Other stops included director of athletic fund-raising at Georgetown, then director of communications and marketing at Missouri. He marks his 31st year of serving student-athletes as an athletics director with the 2023-24 academic year.

A 1979 Maryland graduate, Castiglione received the university's Distinguished Alumnus Award in April 2007 and was inducted into the State of Missouri's Sports Hall of Fame in November 2015.

He completed a term on the College Football Playoff Committee in January 2021, making him the only person in history to serve on that committee as well as the NCAA Division I Men's Basketball and Baseball committees. He has served on multiple NCAA committees and commissions including the NCAA's Board of Governor's Commission to Combat Sexual Violence on Campus, NCAA Championship/Competition Cabinet, the NCAA Division I Women's Basketball Discussion Group and the United States Olympic Committee Athlete Career and Education Strategic Working Group. He formerly served on the Gatorade Collegiate Advisory Board and continues to serve on the National Football Foundation and College Football Hall of Fame Board of Directors.

Castiglione is a past president of both the Division I-A Athletic Directors Association and NACDA. He also served three terms as the chair of the Big 12 Board of Athletics Directors. A former member of the Phi Delta Theta Foundation Board of Trustees, he is a highly requested speaker at annual conventions and continuing education institutes. In November 2011, his hometown recognized him by selecting him for the Broward County (Fla.) Sports Hall of Fame.

Locally, he served the United Way of Norman, among other organizations. His third term as OU's campus co-chair resulted in the highest recorded contributions ever by faculty, staff and students to the United Way of Norman's annual campaign. He encourages student-athletes and athletics staff to engage in those efforts as well, as OU Athletics representatives have been known to participate in more than 5,000 hours of community service per year.

A native of Fort Lauderdale, Fla., Castiglione is married to the former Kristen Bartel, a 1990 graduate of the University of Missouri. They are the parents of two sons, Joseph Jr., who earned a Bachelor of Business Administration degree and a master's degree from Oklahoma in 2019 and 2021, respectively, and Jonathan, who graduated from OU in 2023 with a bachelor's degree in journalism (creative media production).

UNIVERSITY PRESIDENT

JOSEPH HARROZ, JR.

15TH PRESIDENT, UNIVERSITY OF OKLAHOMA

Serving the University of Oklahoma for over 27 years in various leadership roles, Joseph Harroz Jr. was named the 15th president of OU on May 9, 2020. Harroz's previous service to the university includes a one-year term as interim president, nine years as dean of the College of Law, 12 years as general counsel, and two years as vice president for executive affairs.

As president of OU, Harroz led the development of the university's Strategic Plan – a comprehensive strategy that positions OU as one of the nation's leading public research universities marked by a transformative student experience. At the heart of the Plan is the university's fundamental purpose – We Change Lives – three small but powerful words that carry deep meaning. The complete Strategic Plan is available at ou.edu/leadon.

Under Harroz's leadership, OU is making remarkable strides toward the fulfillment of the Strategic Plan. This marks the third consecutive year for OU to have record-breaking freshman classes. With nearly 5,200 students, the Class of 2027's record-setting size represents an 11% increase in new students over last year. The class is also breaking other university records, with the largest percentage of first-generation students and more underrepresented students than any other incoming class. Research at OU continues to shatter records, recently setting all-time highs for research expenditures (\$416.6 million university-wide for FY22 – an 8% increase from FY21) and sponsored research awards (\$210.4 million on the Norman campus for FY23 – a nearly 33% increase from the previous fiscal year).

Supporting Oklahoma's workforce is another key priority of the Strategic Plan. In recent years, OU has significantly expanded student enrollment in several key academic areas to support the state's workforce demands, such as nursing, aviation, and engineering. Enrollment in the Bachelor of Science in Nursing program has increased 73% compared to fall 2020, and across all Health Sciences academic programs, new student enrollment is up 16% over last year. OU has also expanded its top-ranked aviation program to meet growing workforce demands. Compared to last academic year, freshman enrollment in aviation programs has more than doubled, and the school's total enrollment has grown 48%. OU aims to increase enrollment in aviation programs to 600 students within the next four years. The OU Polytechnic Institute at OU-Tulsa will officially open its doors in Fall 2024, with plans to offer bachelor's degree completion and graduate programs in critical STEM fields. From cutting-edge curriculum to on-site training, the OU Polytechnic Institute will help meet the changing academic and workforce needs of the Tulsa region.

In Fall 2022, OU embarked on the largest philanthropic campaign in the history of Oklahoma higher education. With a historic goal of raising \$2 billion, "Lead On: The University of Oklahoma's Campaign for the Future" builds upon OU's core traditions while striving to reach new heights of excellence. In alignment with the university's Strategic Plan, the campaign prioritizes increasing access through enhanced student support and programming, fostering faculty growth, creating research opportunities, and encouraging a welcoming campus culture.

An abundance of other successes have come to life since the Strategic Plan's launch three years ago – the addition of premier freshman housing; the merger to create OU Health, Oklahoma's first fully integrated academic health system; joining the SEC; and more. Altogether, these endeavors are sparking a new era of excellence at OU.

A native Oklahoman, Harroz graduated Phi Beta Kappa from OU in 1989 with a Bachelor of Arts degree in economics and a minor in zoology. He earned his J.D. in 1992 from Georgetown University Law Center. A grandson of Lebanese immigrants to Oklahoma, Harroz is father to Joseph, Zara, and Jude, and is married to Ashley Harroz.

Masterful Accountable Gracious Inclusive Competitive

PHILOSOPHY

The University of Oklahoma Athletics Department promotes excellence in athletics without compromising excellence in academics or integrity in its commitment to rules or conduct. Student-athletes

are encouraged by the coaching and administrative staff to maintain a balance between athletics, academics and the social aspects of college.

It is believed that athletics participation gives an added dimension to the student's overall college experience and provides an opportunity for social, moral, emotional and cultural growth and development.

The athletics programs strive to create traits that, once acquired, will carry over and benefit student-athletes in their personal and professional endeavors. The University of Oklahoma maintains a tradition of excellence in intercollegiate sports.

The OU Athletics Department continues to uphold this tradition by striving to make each athletics team and individual of championship caliber. Its staff members work to instill in student-athletes an appreciation for hard work, perseverance and pride in accomplishment. POLL HISTORY

Oklahoma is the only program to be ranked every week of the National Fastpitch Coaches Association (NFCA) poll. The Sooners entered the rankings at No. 18 in the first poll on January 24, 1995. They have not dropped out since — 422 straight polls. Likewise, the Sooners have been ranked every week of the USA Softball poll, dating back to the 2003 season. Oklahoma formally recognizes the NFCA poll as its poll of choice. The Sooners earned their first No. 1 ranking after winning the 2000 national championship. OU has been ranked among the nation's top 10 teams every week dating back to April 16, 2017.

SOONER TRADITIONS

WHAT IS A SOONER?

Sports fans are hard-pressed to find a nickname that is as unique and as linked to a state's history as a Sooner. The University of Oklahoma is the only school known as Sooners.

Oklahoma Territory opened with the Land Run of 1889. Settlers from across the globe, seeking free land, made their way to the prairies of the plains to stake their claim to a new life. One of the few rules to claiming a lot of land was that all participants were to start at the same time, on the boom of a cannon. Settlers who went too early were called "Sooners."

OU athletic teams were called either Rough Riders or Boomers for 10 years before the current Sooner nickname emerged in 1908. The university actually derived its name from a pep club called 'The Sooner Rooters.' The success of University of Oklahoma athletic teams over the years has made the nickname synonymous with winning.

CRIMSON AND CREAM

In the fall of 1895, Miss May Overstreet was asked to chair a committee to select the colors of the university. The committee decided the colors should be crimson and cream and an elaborate display of the colors was draped above a platform before the student body. The students approved with great enthusiasm and immediately pennants, banners and decorations of every description appeared on the streets, in the windows, at chapel, in classrooms and all public places around campus.

SOONER SCHOONER

The Sooner Schooner is a Conestoga, or covered wagon, reminiscent of the mode of travel used by pioneers who settled Oklahoma. The Schooner is powered by matching white ponies named Boomer and Sooner, and it ventures onto Owen Field in a triumphant victory ride after OU scores. Although the Schooner was introduced in 1964, it did not become the official mascot until 1980. The Schooner is well-recognized by college athletics fans across the country and makes regular appearances at university functions.

BOOMER SOONER!

In 1905, Arthur M. Alden, a student in history and physiology whose father was a Norman jeweler, wrote the lyrics to the fight song, borrowing the tune from Yale University's 'Boola Boola' but improvising the words. A year later, an addition was made to it from North Carolina's 'I'm a Tarheel Born' and the two combined to form the university's fight song today. Though the tune was first made known by Yale, the everlasting success of Sooner squads has taken the melody of 'Boomer Sooner' to national popularity.

OKLAHOMA!

The Pride of Oklahoma plays perhaps the most popular and recognizable state song in history. Oklahoma! is the final rousing chorus of Rodgers and Hammerstein's epic musical. Breaking all Broadway box office records when it opened in 1943, Oklahoma! was the first collaboration between the legendary pair who were awarded a Pulitzer Prize for their seminal work.

THE OU CHANT

Every fan who wears the official colors, each current student and student-athlete and all OU alumni are encouraged to stand and raise one finger in the air during the playing of the Chant – a symbolic gesture that shows the greatness of the university and the unity between all Sooners. The Chant was written in 1936 by Jessie Lone Clarkson Gilkey, who directed the OU girl's glee club from 1936 to 1938 and was voted Outstanding Faculty Woman in 1937.

O-K-L-A-H-O-M-A
Our chant rolls on and on!
Thousands strong
Join heart and song
In alma mater's praise
Of campus beautiful by day and night
Of colors proudly gleaming Red and White
'Neath a western sky
OU's chant will never die.
Live on University!
