ABOUT TARLETON STATE

With its main campus in Stephenville, an hour southwest of Fort Worth, Tarleton State University offers the value of a Texas A&M University System degree with its own brand of personal attention, individual opportunities, history, tradition and community.

Tarleton is a vibrant learning community with nearly 100 undergraduate and graduate degrees, as well as a doctorate in education, within seven academic colleges – Agriculture and Natural Resources, Business, Education and Human Development, Graduate Studies, Health Sciences and Human Services, Liberal and Fine Arts, and Science and Technology. Tarleton has extended the reach of state-supported, affordable education by expanding online undergraduate and graduate programs and classes in Waco, Midlothian, and Fort Worth.

Recent additions to the main Stephenville campus include a state-of-the-art Nursing Building, and a new \$25 million living and learning residence hall for 500 students. Tarleton's research centers include the renowned Texas Institute for Applied Environmental Research and the Southwest Regional Dairy Center.

ABOUT STEPHENVILLE

Tarleton State University offers the value of a Texas A&M University System degree with its own brand of personal attention, individual opportunities, history, traditions and real community.

Located in the heart of Stephenville and encompassing a 173-acre main campus just an hour southwest of Fort Worth, Tarleton is one of the best university values in Texas and the perfect place for students to begin a future.

Tarleton offers the resources of a major public university, including more than 65 undergraduate programs, more than 20 graduate programs and a doctor of education degree, as well as cutting edge academic facilities and faculty experts with extensive university and industry experience — all with the personal attention, warmth and faculty interaction expected from a smaller college.

ABOUT TARLETON SPIRIT GROUPS

TTP AND TTS – Formed when Tarleton was a junior college, the Ten Tarleton Peppers (TTP) and Ten Tarleton Sisters (TTS) are the two oldest organizations on campus. These spirit organizations for men and women were formed in 1921 and 1923, respectively. New members of these secret organizations are selected by current members. When first organized, the two groups met late at night and prepared signs for upcoming athletic events. The basic signs at this time were made of canvas and were stretched between trees on campus. The clubs met in the attic of the old recreation hall, which is now the Administration Annex. The identities of the senior members were disclosed in group photos when the yearbooks were distributed. Senior members stood facing the camera while others faced away from the camera with various and sundry items placed over their heads. The groups are sponsored by faculty and staff members.

PURPLE POO – The TTS and TTP were precursors of the modern Purple Poo. The still-secret organization makes Poo signs each Monday night, which appear on campus every Tuesday morning. The signs occasionally comment on campus political life and student life, but most promote school spirit. These signs are nailed to trees on campus. Members appear in public dressed in costumes and identity is closely guarded.

THE PLOWBOYS – In 1984, a group of interested students established a spirit organization on campus and re-adopted the name “Plowboys,” which was the former mascot of the athletic teams. The Plowboys attend athletic events and other campus activities and are familiar to students because of their white shirts, hats and purple chaps.

OSCAR P – Legend has it that John Tarleton, founder of the university, had a pet duck named Oscar P who went everywhere with him. The two were so close that Oscar P is said to be buried with Tarleton. At various student activities, the Purple Poo rally Tarleton students by raising the spirit of Oscar P. This is done by kneeling and pounding the ground while calling out “Hey, Oscar P.” Although this has become one of the favorite traditions, there is no evidence to verify the story.

P.A.N.K.U.S. – The P.A.N.K.U.S. acronym stands for People Against Not Knowing University Spirit. People Against Not Knowing University Spirit is an organization, who embraces the Spirit and Traditions of Tarleton. P.A.N.K.U.S. was established at Tarleton in November 2001 and has grown into one of the biggest spirit organizations for students. Their purpose is to be an organization that involves students in spirit activities and events at Tarleton State University.

NOTES

800 PROGRAM WINS

The Texans have reached another milestone in their storied history. Following the Texans 2-0 win over the Texas A&M Commerce Lions, it marked the 800th win in program history. Tarleton State has now won 11 games over the Lions, four of them as Division 1 opponents as the Texans now compete in the WAC while the Lions compete in the Southland.

DANIEL NO-HITTER

Kendall Daniel made her home debut for the Texans on Feb. 18, 2024 throwing the 11th no-hitter in program history in the Texans 9-0 win over Mississippi Valley State. She marks just the second freshman to ever toss a no-hitter in program history with the first being Caryn Holbrook. Holbrook tossed the first perfect game in program history in just Tarleton's second year as a program on March 29, 1997, in Stephenville vs. Eastern New Mexico. It was a 14-0 (5) win.

Kendall Daniel made her first ever collegiate start on February 10, going the distance for the Texans. Daniel would strike out four on the day, one behind her first batter faced. Her first start comes just 22 months after her near-fatal car accident her senior year of high school. "It felt great to be back in the circle," said Kendall Daniel. "It took a lot of time and patience, but once I got back out there it felt like I never left. I can't thank all the people that helped me get to this point enough! As well as my teammates having my back every step of the game."

NO WALL TOO HIGH

Kayla Wallace now leads the team in long balls with three following her two three-run shots in the Texans 9-0 no-hitter win over Mississippi Valley State on Feb. 18. Her first home run of the season came during Tarleton States 7-2 win over the Lamar Cardinals on Feb. 9.

HILL & ROWLAND SISTERS

For the first time in program history, Tarleton Softball has two sets of sisters on the active roster.

The Hill sisters marked the third set of sisters in program history. Kelci Hill transferred to Tarleton ahead of the 2023 season from Middle Tennessee State. Following the completion of the 2023, Kalyn Hill transferred to Tarleton State with her commitment coming in the summer of 2023. Kayln transferred from WAC foe Seattle U. The sisters will get one last chance to play on the field together with Kelci playing her final season. Kayln will have one year left next season.

The Rowland sisters mark the fourth set of sisters in program history. Brady Rowland transferred to Tarleton before the 2022 season. Brady's sister Keegan is a

freshman on the roster following her high school career at Colbert HS in Colbert, Oklahoma.

BACK-TO-BACK 30+ WIN SEASONS

The Texans are coming off back-to-back 30+ win seasons.

The Texans posted a 30-25 record in 2022 with a 16-8 home record. They opened the season 10-0 sweeping the Furman Tournament and the Texans' Whataburger Invitational. They finished the season with a 14-10 conference record.

The Texans posted a 31-29 record in 2023 with a 16-11 home record. They once again swept the Whataburger Invitational going 5-0 on the season. In the final game of the tournament, Grace Garcia a transfer pitcher from South Dakota threw just the second perfect game in program history vs A&M Commerce. The Texans beat the Lions 8-0 (6) on Feb 19, 2023.

BETTER TOGETHER

Mark Cumpian and Stefanie Phillips have reached the decade mark of time spent together. The two joined forces as assistants in 2014. They spent three seasons as assistant coaches together before Cumpian took over as head coach. They have been together for 549 games with a record of 316-233 together. Game No. 2 of the doubleheader against Grambling in 2023 was the duo's 500th game together on the Tarleton coaching staff. The second game of Tarleton's sweep at UTA on April 29 was the duo's 300th victory together on the coaching staff.

CUMPIAN AMONG THE NATION'S BEST

While reclassifying programs are not counted among the national records and yearly record books, Tarleton head coach Mark Cumpian would be considered among the elite coaches in the nation. The eighth year head coach enters the week with a career record of 234-155 for a win percentage of .602.

BACK-TO-BACK NISC APPEARANCES

Tarleton earned their second straight post season berth with a bid to the 2023 NISC. The NISC (eight teams) is the only other nationally-recognized postseason college softball tournament outside of the NCAA championships (64). The Texans collected their second ever post season win defeating UC Davis 10-4 on May 19, 2023.

SCHAEFER TOPS 100 RBI

Katy Schaefer is entering Tarleton elite territory as an all-time run producer. The Sweeny, Texas native drove in her 100th career RBI with a run-scoring single up the middle on March 5, 2023 against Maine. Her

NOTES

walk-off home run against Grambling State on March 29, 2023 moved her into top five all-time at Tarleton. She is now in sole possession of third place all-time for RBI in program history (160) and 31 away from top two behind Nyka Wood (191, 2015-2018) and Georgia Capell (215, 2018-2022).

TOUCH 'EM ALL, KATY

Katy Schaefer has also moved into third all-time at Tarleton State for career home runs. Schaefer has 33 home runs and is 8 away from tying Arianna Rodriguez (41).

WAC PRESEASON POLL

The Texans were selected to finish fifth out of 10 in the preseason poll, putting the in the middle of the pack just as they were last season. Last season the Texans were selected to finish sixth out of 12 teams. WAC Softball is now a 10 team league after New Mexico State and Sam Houston left for Conference USA. UTRGV is the lone team in the WAC that does not sponsor softball.

MCNEESE STATE TOURNAMENT

The Texans opened their season on the road for the fourth straight time in Lake Charles, Louisiana. They went 2-3 on the weekend picking up wins over Tennessee State and Lamar. The Texans beat the Tigers 13-5 in five innings. They then won their second game of the day over the Cardinals 7-2.

CUMPIAN AMONG TARLETON ELITE

It hasn't taken long, but Mark Cumpian has already climbed to the elite status of Tarleton Athletics coaches. With his 200th career win vs. Texas A&M Commerce on Feb. 19, 2023, Cumpian is the eighth head coach in Tarleton Athletics history (seventh with NCAA wins during the tenure) to reach the 200-win milestone. He is the fourth-fastest coach at Tarleton to reach the milestone and the fastest among baseball or softball coaches to reach the plateau.

MARK CUMPIAN

HEAD COACH • EIGHTH SEASON

Mark Cumpian has been an instant success since taking over the Tarleton Softball program in 2017. The head coach will begin his eighth year at the helm when the 2024 softball season begins.

In just their second year as a member of NCAA Division I and the Western Athletic Conference, Cumpian led the Texans to one of the nation's best turnarounds. Tarleton recorded its first 30-win campaign at the Division I level and qualified for the National Invitational Softball Championships (NISC). It marked the first national postseason berth by any Tarleton Athletics program in the Division I era and the Texans won second game of that tournament – 6-4 over UC San Diego – for the first postseason win in school history.

In the spring of 2021, Cumpian led Tarleton into the Division I ranks as a member of the Western Athletic Conference in the spring of 2021. Tarleton wasted no time in taking on some of the nation's elite with showdowns against No. 1 Oklahoma, No. 11 Oklahoma State and No. 10 Texas in the first two months of the season. Cumpian earned his first win as an NCAA Division I head coach with a 7-3 home win over Prairie View A&M.

Through the first two years of Division I, Cumpian has had six All-WAC selections including first team OF Georgia Capell and second team SS Morgan Medford in 2021. Capell finished her career as the program's all-time leader in eight statistical categories, including home runs, and was a three-time All-American at the Division II level.

Tarleton finished its Division II tenure as one of the elite softball programs in the nation under Cumpian. Tarleton won 109 games from 2018-20, which was the most by any team in the daunting Lone Star Conference over that span. Tarleton was atop the league standings with a 19-4, 6-0 record when the COVID-19 pandemic ended the 2020 season. Prior to that, Tarleton had posted 90 wins in each of its previous two seasons with a school-record 50 wins coming in 2018.

Cumpian's team also spent nine weeks in 2018 ranked in the NFCA National Top 25 poll, including eight straight top 20 weeks to close out the season. Tarleton reached as high as No. 15 in the nation on two different occasions

throughout the season. The team stayed nationally-ranked through the majority of its remaining tenure at the Division II level.

In his first season at the helm, Cumpian made Tarleton history by becoming the first rookie head coach in any Tarleton sport to qualify for the NCAA postseason in his first year as head coach. His team won 35 in the debut season and earned the No. 7 seed in the NCAA South Central Regional Tournament. He totaled four All-LSC selections in his first year as head coach, including first-team catcher Nyka Wood, to go along with an Academic All-LSC selection and an LSC Gold Glove award winner.

His encore to an impressive debut would be the record-setting three-year run to close out Tarleton's time in NCAA Division II.

During his time as a head coach in the Lone Star Conference, Cumpian had three players named to All-America teams, including the school's first freshman All-American, Georgia Capell, and Academic All-American, Megan Durante. Capell and Withrow were multi-year All-Americans. He had 10 all-region award winners and 30 All-LSC awards, including the LSC Pitcher of the Year, two LSC Academic Players of the Year, LSC Newcomer of the Year, and LSC Freshman of the Year.

His foundation of success started within the Tarleton Softball program after spending six seasons as the top assistant coach.

Over his final two seasons as an assistant coach for Tarleton, Cumpian was the primary hitting instructor and led Tarleton to back-to-back seasons of hitting over .300 as a team, which was the first time a Tarleton team topped a .300 batting average since 2007. His 2015 Tarleton offense ranked No. 14 in the nation in scoring offense.

In 2015, his first season as the primary hitting instructor, he led Tarleton to new heights offensively with two players hit over .400 for the season and, as a team, the team hit .328 for the No. 27-ranked batting average in the nation.

In addition to his leadership of the offense, Cumpian has spent his final two seasons as an assistant coach as the recruiting coordinator for Tarleton. His first recruiting class helped Tarleton clinch the 2015 South Central Region I Championship and advance to the NCAA Division II Super Regional Series for the first time in school history. Tarleton has been ranked in the NCAA regional rankings in five of Cumpian's six seasons as an assistant.

In his earlier seasons with Tarleton, Cumpian served as the pitching coach and had success in that area as well. He coached a first-team all-conference, all-region, and two LSC Gold Glove pitchers during his time in charge of the Tarleton pitchers.

In his time as an assistant coach for Tarleton, he has mentored 26 all-LSC players, four LSC Gold Glove winners, the 2011 LSC Newcomer of the Year, four all-region selections, and one NFCA All-America honoree. Tarleton has also had 42 LSC Commissioner's Honor Roll selections during his time on the coaching staff.

Cumpian, a 2010 graduate of Howard Payne University, was the student assistant with the Lady Jackets for the 2009-10 season prior to joining Tarleton. Cumpian was a relief pitcher for Howard Payne's baseball team for four years. He graduated with a bachelor's degree from HPU and earned a master's degree in kinesiology from Tarleton in 2014. He resides in Stephenville with his wife, Jennifer, and his children, Myles and Hazel.
