

How to Download Your Southern Miss Digital Tickets:

- 1.) You will receive an email to the email address on the account with the subject, "Your Southern Miss Digital Tickets Have Arrived!"
 - Note: If you cannot locate this in your inbox, please check your spam or junk folders
 - We also recommend that you confirm your email address on file in advance
- 2.) There is an individual link to all home games in which you have tickets. Click the game link to the tickets you would like to download.
 - We recommend downloading all games once received

Dear Ticket Office,

Your Digital Tickets are ready to download! Please click the link below to view download your tickets.

Click here for your tickets

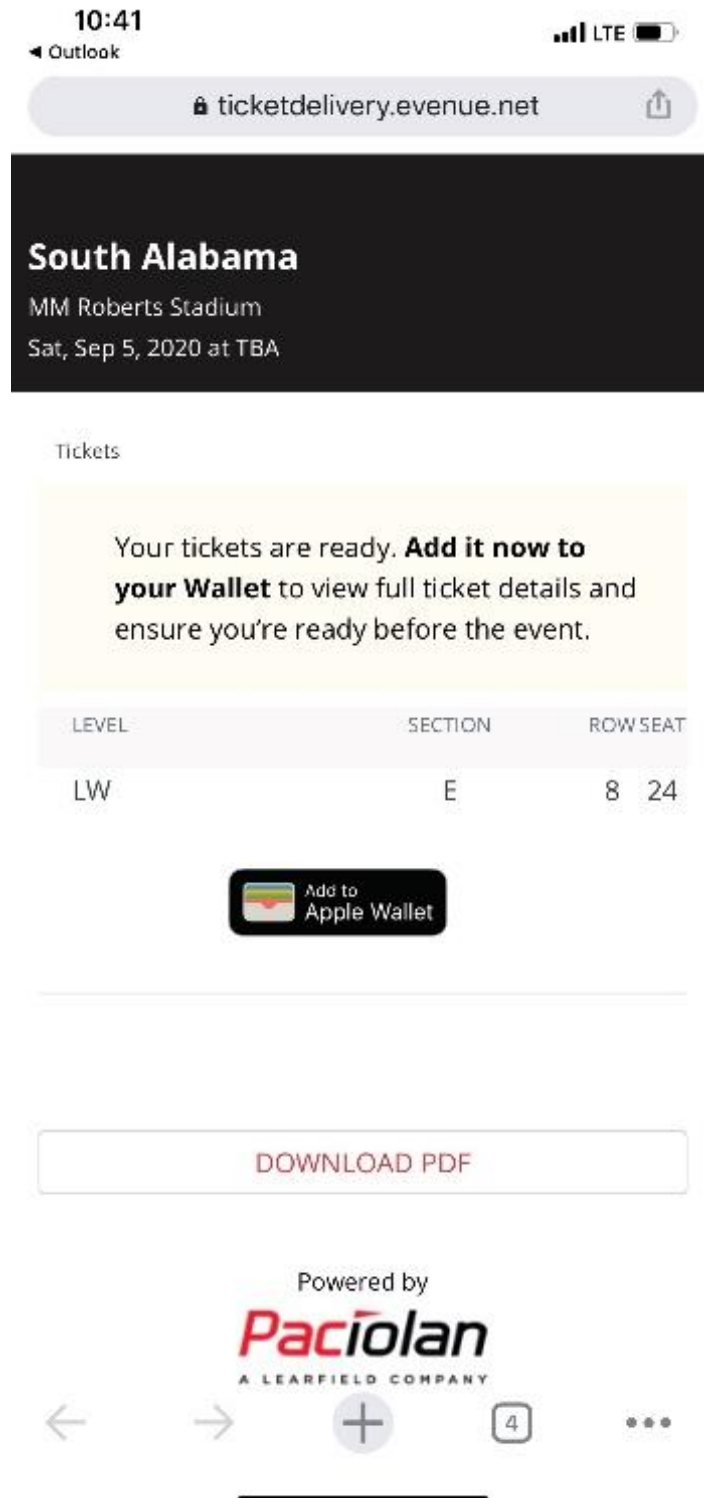

[South Alabama](#)

Please download your tickets prior to attending the event and have them ready to scan upon entry. Each ticket is individually barcoded and required for admission.

Please note: There is an inherent risk of exposure to COVID-19 in any public place where people are present. COVID-19 is an extremely contagious disease that can lead to severe illness and death. Senior citizens and guests with underlying medical conditions are especially vulnerable. By entering the venue, you voluntarily assume all risks related to exposure to COVID-19, and Venue disclaims any and all liability related thereto.

Please also be aware that Southern Miss has a clear bag policy at all athletic ticketed sporting events. For details, go to http://grfx.cstv.com/photos/schools/smis/sports/m-footbl/auto_pdf/2017-18/misc_non_event/08-28-17.pdf

3.) Download tickets to your Apple Wallet (iPhone) or Google Pay Wallet (Android)

4.) Click “Add” in the upper right-hand corner to add to your wallet.

- Note: By downloading tickets to your wallet prior to entering the stadium gates, cell phone receptions and Wi-Fi connectivity is not required to access the tickets in your wallet.

- 5.) The tickets will be added to your wallet for access to your tickets to scan at the gate.
- Note: Please do not print the digital ticket on paper as the ticket and barcode is only made to scan on a digital device.
