Dedication
This edition is dedicated in memory of Joye Lee-McNelis, former student-athlete, assistant and head coach. She dedicated over half of her life and all of her spirit to Southern Miss and Lady Eagle Basketball, neither of which would be where they are today without her determination.

Coach McNelis lost her battle with lung cancer on June 24, 2025, at the age of 63. She inspired countless people around the world with her #McNelisStrong movement and helped raise money for families at the Forrest General Cancer Center in Hattiesburg.

BOLD AT SOUTHERN MISS

THE STAFF

MISSY BILDERBACK
HEAD COACH

Alma Mater: Southern Miss, 2001
At Southern Miss: First season as head coach
Overall: 27th season as head coach // 27th season in coaching
Record: 712-183 Overall // 32-33 in Division I // 0-0 at Southern Miss

Missy Bilderback was named as the fifth head coach in Southern Miss women's basketball program history on March 23, 2025. A native of Hattiesburg, Miss., and alumna of The University of Southern Mississippi, Bilderback's return home was a dream realized in more ways than one.

While prepping at Forrest County Agricultural High School (Brooklyn, Miss.) just outside of the Hub City, Bilderback routinely attended some of Southern Miss' greatest games at Reed Green Coliseum. As some of the greatest Lady Eagles to ever wear the uniform made their way through Hattiesburg, Bilderback looked on from the stands.

After making her collegiate debut at Pearl River Community College (Poplarville, Miss.), Bilderback's admiration for Southern Miss and Coach Kay James only grew stronger. After a two-season career at the River that earned her the best female athlete award in 1998, she enrolled at Southern Miss and quickly got involved with the Lady Eagle program, soaking up every moment around James and her Lady Eagles.

While assisting the Lady Eagles on and off the court, Bilderback's love for basketball continued to push her towards her next step. In 1999, the first step on a decades-long path came from a surprising source: Presbyterian Christian School. At that time, PCS was a small, single-A member, of the Mississippi Private School Association, and not an ideal starting spot for a young coach with aspirations of coaching at the highest levels.

However, with James' support and encouragement, Bilderback – just a senior in college at the time – took a leap of faith and accepted the offer to become the school's first girl's basketball coach. Over the next 16 years, Bilderback and the Bobcats grew together and reached heights once thought unreachable.

Slowly but surely, the college senior became a college graduate while the rookie head coach became one of the best in Mississippi. Bilderback compiled a 482-117 overall record with the Bobcats while leading the Bobcats to six MPSA/MAIS State Championships and two overall MAIS crowns in 2008 and 2014.

In 14 of their 16 seasons under Bilderback, the Bobcats posted at least 20 wins. Her success with PCS saw her earn praise from around the region. Bilderback was named the Hattiesburg American's Coach of the Year five times (2002, 2005, 2007, 2013, 2014) and coached in three MAIS All-Star Games (2001, 2003, 2006, 2016).

Eventually, it was time to make the move to the next level. Already an established entity in the high school prep circuit, Bilderback's next move and what followed it made her truly stand out from her peers. In 2015, she accepted a job at Jones County Junior College (Ellisville, Miss.) as the program's associate head coach. However, following the retirement of JC's head coach, Bilderback assumed the role on April 29, 2015.

When she accepted the job in 2015, Jones had never been to the NJCAA National Tournament, nor had they captured a NJCAA Region 23 Tournament Title. Her first year in Ellisville was not quite one to silence the few critics that remained. Jones' record improved by just one game and the Bobcats once again fell out of the league tournament and did not win a game at the NJCAA Region 23 Tourney either.

After one year on the job, Bilderback assembled her first full signing class and did nothing short of the miraculous. The 2016-17 Jones Bobcats re-wrote the program's history books with a 30-2

season and 13-1 ledger in MACJC play, netting Bilderback and her squad the MACJC South Division title. At the league tournament on their home floor, Bilderback's squad finished a perfect 3-0 to claim the championship and continued their hot streak into the Region 23 Tournament, sweeping their way to the Region title and the program's first-ever berth in the NJCAA Tournament.

Bilderback's squad did more than just make the tournament, their statement-making season continued all the way to the Elite Eight before Jones ultimately fell 81-75 to Salt Lake City. Not just a flash in the pan either, Bilderback's breakout 2016-17 campaign was just the start of a seven-year stretch of domination in Ellisville.

From 2016 until 2023, Bilderback's squads won no less than 20 games and no fewer than 24 games in seasons not affected by COVID-19. The Bobcats rattled off seven-straight NJCAA Tournament appearances thanks to seven-consecutive Region 23 Tournament Championships. Her 2022 squad advanced to the Elite Eight again while the 2023 group set a program record and fought to the final four in Lubbock, Texas.

Her prowess in Ellisville netted her a 198-33 overall record with a gaudy 110-11 mark in MACJC/MACCC play. In eight seasons leading Jones, 30 Bobcats were named to All-MACCC teams while 20 were named to All-Region 23 teams. Twelve Bobcats earned NJCAA All-American laurels, highlighted by First Team All-Americans Alexis Tolefree (2017), Daisha Bradford (2022) and Sakyia White (2023).

In addition to their success at the junior college level, 44 players were able to earn spots on four-year rosters, including 40 on Division I squads. One of the best talent evaluators in the region and a proven talent developer, Bilderback earned the respect of coaches from around the country and fended off multiple offers to move to the next level.

Finally, after her Final Four run in 2023, Bilderback made the move to the Division I level. On March 29, 2023, she accepted the job at ULM, another program longing for success. In the previous four seasons, the Warhawks had won just 17 combined games and had not posted a winning record since 2011.

After assembling her first ULM squad – many her former stars at Jones – Bilderback quickly proved herself as one of the best turnaround coaches in the industry. A season-opening setback against Arkansas was followed by eight-straight victories, already the best in the last five years just nine games into the campaign.

The winning streaks continued, including a six-game unbeaten streak in the heart of Sun Belt Conference play that placed ULM within reach of one of the top spots in the Sun Belt Tournament. Entering the tournament, the Warhawks held the fifth seed and had not won in the conference postseason in seven years. Bilderback won her first game in the conference tournament and gave ULM its first quarterfinals appearance since 2013.

While ULM did fall short in pursuit of a conference tournament championship, the Warhawks did receive and accept a bid to play in the 2024 Postseason WNIT. ULM earned a first round bye and grabbed its first postseason win in 39 years in dominate fashion over Grambling State.

Bilderback knocked Southern Miss' Magnificent Seven out of the tournament in the next round to advance to the Postseason WNIT's Great Eight. ULM fell to Troy to end their postseason run, though the trip to the Great Eight was the program's best postseason since 1985.

ULM took a step back in 2024-25 but still managed to win 11 games and post a 7-11 Sun Belt Record. In two years in Monroe, Bilderback had won 32 games – the most in a two-year stretch at ULM since 2005. ULM earned three spots on All-Sun Belt Conference teams as Daisha Bradford (2024 second team) and Jakayla Johnson (2024 third team, 2025 first team) made names for themselves in the Sun Belt. Bradford also earned SBC Newcomer of the Year honors in 2024 while Kaitlyn Manuel was named as the league's Sixth Woman of the Year

Bilderback is married to Chip Bilderback, a native of El Centro, Calif., and current head football coach at Columbia High School. The two have one son, Drew.

LAUREN PITTMAN
ASSOCIATE HEAD COACH

Alma Mater: Southern Miss, 2014
At Southern Miss: First season as associate head coach // Fourth as an assistant // Eighth overall
Overall: 14th in coaching // 11th in college // Sixth in Division I

A native of Clara, Miss., Pittman returns to her alma mater alongside head coach Missy Bilderback to serve as the Lady Eagles' associate head coach. A three-year letterwinner for Southern Miss from 2006-10, Pittman previously worked under former head coach Joye Lee-McNelis as an assistant coach and recruiting coordinator from 2016-19.

The upcoming 2025-26 season will be her fourth overall as a member of the Lady Eagles' staff and her eighth overall year with the program. It also marks her eighth overall season working with Coach Bilderback.

In two seasons at ULM as the program's associate head coach, Pittman helped the Warhawks to success unseen in nearly 40 years. Her first season in Monroe saw the Warhawks post a 21-14 campaign and the program's first postseason win in 39 years. As associate head coach, Pittman helped oversee the program while working primarily with the guards on the court.

Under her tutelage, the Warhawks garnered three slots on the All-Sun Belt squads. The 2023-24 season saw Daisha Bradford earn second team laurels while Jakayla Johnson checked in on the third team. In the 2024-25 season, Johnson earned first team All-SBC honors.

Before her two seasons in Monroe, Pittman enjoyed two stints with Bilderback at Jones College (Ellisville, Miss.). Most recently from 2019-23, she helped the Bobcats post a combined 95-17 (.848) record. The team reached 20 wins in all four campaigns while capturing three MACJC/MACCC Titles, four NJCAA Region 23 Titles and four trips to the NJCAA Tournament.

Together, Pittman and Bilderback coach 10 NJCAA All-Americans and saw 22 Bobcats sign with Division I programs. The 2021-22 squad posted a 25-8 record with three ranked wins to help the program earn its first-ever No. 1 national ranking. The Bobcats rolled all the way to the NJCAA Final Four, setting a program record for the best postseason appearance by any team.

Prior to her second stint in Ellisville, Pittman worked three seasons at Southern Miss under Joye Lee-McNelis. While with her alma mater from 2016-19, the Lady Eagles tallied 56 total wins with two trips to the postseason. In her first year, Southern Miss advanced to the Conference USA Championship Game and posted a 23-11 ledger before earning a bid to the 2017 WNIT.

Pittman arrived back at Southern Miss after one season at Jones College where she first worked under Coach Bilderback. She was a member of Bilderback's first staff in Ellisville, helping the Bobcats to a 19-7 overall record. In her five combined seasons in Ellisville, JC posted a combined 114-24.

Before joining Bilderback's inaugural staff, Pittman worked as a coach and teacher at Petal High School from 2012-15. She oversaw the school's strength and conditioning program while serving as an assistant coach for the girls' basketball team.

Pittman first arrived in Hattiesburg as a high school signee after prepping at Wayne County High School (Waynesboro, Miss.). She earned Conference USA All-Freshman honors in the 2006-07 campaign before redshirting as a sophomore due to a shoulder injury. She earned three letters as a Lady Eagle with appearances in 71 games and 31 starts.

She finished her bachelor's degree in sports coaching education at Southern Miss in 2014 in addition to a minor in biological sciences.

Jonathan Williams, a native of Wiggins, Miss., returns to his home state as the Lady Eagles' assistant head coach for the 2025-26 season. Williams' resume includes a wealth of championship experience as well as deep roots to South Mississippi.

A product of Stone High School and native Mississippian, Williams returns home to the Magnolia State after one season in Charlotte, N.C., where he served as an assistant coach on the 49ers staff. In one season in the Queen City, Williams helped Charlotte establish its foundations in the first season under Tomekia Reed. The 49ers posted an 11-21 record in Reed's first season but rallied in the American Athletic Conference Tournament and advanced to the quarterfinals – including an upset of five-seed Tulsa – before falling to Temple.

Under his tutelage, junior guard and Wiggins, Miss., native Hayleigh Breland stepped up her game to lead the 49ers with 11.4 points per game. Additionally, four 49ers were selected to the College Sports Communicators All-District Team.

Williams came with Reed to Charlotte after three seasons at Jackson State. While in the state capital, Williams helped Jackson State improve upon its already illustrious stretch under Reed. His first season with the Tigers, Jackson State posted its best season since 2003-04 with a 23-7 overall record and undefeated 18-0 showing in conference play en route to the SWAC regular season crown.

Jackson State finished a perfect 3-0 in the SWAC Tournament in Birmingham, Ala., to complete the regular season and tournament championship sweep. The team's 23-6 regular season record earned Jackson State a 14 seed in the 2022 NCAA Tournament and sent the tigers to Baton Rouge, La. In the first round against home-standing LSU, the 14th-seeded Tigers nearly pulled off the upset over the third-seeded Tigers on their own floor before falling 83-77 to LSU.

Ameysha Williams-Holliday was named SWAC Player of the Year as well as Defensive Player of the Year with Williams-Holliday and Dayzha Rogan earned All-SWAC honors on the first and second teams, respectively. Williams-Holliday was the 25th overall selection in the 2022 WNBA Draft after being taken by the Indiana Fever with the first pick of the third round, marking the first WNBA draftee out of an HBCU since 2002. She was also Jackson State's first draftee in program history.

Year two in Jackson saw the Tigers post another 20-win season with a 21-10 record and 17-1 SWAC ledger, earning Jackson State four consecutive SWAC regular season titles. JSU fell in the tournament semifinals but earned a bit to the Postseason WNIT where they fell at Memphis. Angel Jackson was named SWAC Defensive Player of the Year while Jariyah Covington earned second team All-SWAC laurels.

The 2023-24 Jackson State Tigers rewrote the record books in The City with Soul as they posted the program's best record with 26 wins and seven losses. Another undefeated 18-0 campaign in SWAC play netted the Tigers their fifth-straight SWAC regular season title. Angel Jackson earned second team All-SWAC honors and was named the league's Defensive Player of the Year. Miya Crump and Ti'lan Boler also earned first team All-SWAC.

Another 3-0 performance in the SWAC Tournament saw JSU earn a berth to the NCAA Tournament as a 14-seed. The Tigers were sent to Storrs, Conn., where they fell to three-seed UConn. Angel Jackson heard her named called in the 2024 WNBA draft as the 36th overall selection. The Las Vegas Aces took her with the 12th pick of the third round.

All-in-all, Williams' three seasons in Jackson saw Jackson State post a combined 70-24 (.744) overall record with a 53-1 (.981) record in SWAC play. The Tigers brought home five trophies with three regular season titles and two tournament crowns while making the postseason in all three seasons. Two of his student-athletes were taken in the WNBA Draft while Alexis Roberts won the gold medal at the Deaflympics in Brazil.

He recruited and coached multiple future professional players including two WNBA draftees Ameysha Williams-Holliday and Angel Jackson as well as Tilly Boler (Chicago Sky), Miya Crump (Norrköping Dolphins, Sweden), Dayzsha Rogan (ŽKK Spartak Subotica, Serbia; Essex Rebels, England) and Daja Woodard (Patriotas de Lares, Puerto Rico).

Before making the move to the Division I level, Williams worked three seasons under Coach Hope Adams at Mississippi Gulf Coast Community College in Perkinston, Miss. As associate head coach, Williams was a driving force in the Bulldogs' turnaround year one to year two of the Adams era. His first season in Perkinston saw Gulf Coast go from 6-17 the year before to 16-10 in 2018-19. The 2017-18 squad did not win a conference game, finishing 0-14 in MACJC play, but the 2018-19 team with Williams posted a 9-5 MACJC ledger.

The Bulldogs finished 1-1 in the MACJC Tournament and advanced to the NJCAA Region 23 Tournament Final before falling to Missy Bilderback's Jones County squad. MGCCC's 2019-20 squad posted another winning season and advanced to the MACJC Tournament semifinals. In 2019, two players earned various honors with Breannah Mccullah earning 2019 All-MACJC and 2019 All-Region 23 Tournament Team honors and Kayla Simmons brining home 2019 All-MACJC, All-Region 23 and All-Region 23 Tournament laurels.

Fifteen Bulldogs moved on to the next level with eight signing at Division I programs, including eight that signed with Division I programs. His efforts as an assistant coach also helped Gulf Coast head coach Hope Adams earn MACJC Coach of the Year honors in 2019. Daphane White earned NJCAA All-American honors in 2020 as well as All-MACJC and All-Region 23 honors before signing with Houston.

Before taking over as a associate head coach of the Bulldogs, Williams worked the 2018-19 season as a volunteer assistant at Mississippi Gulf Coast while finishing his duties as a boy's varsity assistant at Stone High School in Wiggins, Miss., just up Highway 49.

In his three seasons in Wiggins, the Tomcats combined to win 58 games and made marked progress each year. His first season saw the team finish 15-15 but by year two the team had improved to 24-6 overall. The 2017-18 squad put it all together and exploded for that 24-6 record and perfect 6-0 showing in district play. The Tomcats captured the regular season title and tournament title in Class 5A's District 8 and earned a bye in the Class 5A State Championship tournament. Stone defeated Pearl River Central to advance to the quarterfinals at the Big House in Jackson, Miss., before falling to Callaway. In his final season with the Tomcats, Stone posted a 19-9 campaign where they once again advanced to the MHSAA Class 5A Tournament before falling to North Pike in the first round.

Prior to his coaching career, Williams worked across the business management industry at AT&T, Antonelli College, at the Island View Casino Resort and at the Beau Rivage Resort & Casino. Williams earned his bachelor's degree in business administration from Faulkner University in 2011 and his master's in business administration from William Carey University in 2013.

A standout high school athlete, Williams helped Stone to 65-plus wins in four seasons with the varsity team and was recognized as a top 50 player in his senior year. He signed to play at Pearl River Community College (Poplarville, Miss.) out of high school where he helped the Wildcats to back-to-back MACJC state titles and ranked finishes in both of his seasons in Poplarville.

In the prep circuit, Williams founded and owns Elite Sklz Basketball Training, one of South Mississippi's premier basketball development programs. Through Elite Sklz, Williams helps to train professional, collegiate, high school and amateur basketball talent for success at the next level.

Previous talent to come through Elite Sklz include former Lady Eagles Shonte Hailes, Alarie Mayze and Kennedy Gavin as well as Hayleigh Breland, Charlotte's leading scorer in the 2024-25 season. On the men's prep circuit, he has worked with former Magnolia State standouts Tristan Walley (Jones County JC & Arkansas State), Roderick Sikes (Southwest Mississippi CC & South Alabama) and Dominick Stewart (Penn State).

Williams is the son of the late Robert and Annie Williams of Wiggins, Miss., and he has one son, Cortez Dennis, who plays baseball at New Orleans. Cortez also previously played at Meridian Community College (Meridian, Miss.) and Pearl River Community College.

LAUREN GROSS
ASSISTANT COACH

Alma Mater: Southern Miss, 2021
At Southern Miss: First season as an assistant // Fifth overall
Overall: Second season

Lauren Gross, a former three-year letterwinner and soon-to-be three-time graduate of Southern Miss, returns to her alma mater as Missy Bilderback's assistant coach for the 2025-26 season. Gross rejoins Bilderback after completing her career at ULM in 2023-24 and working last season as the Warhawks' director of player development.

A native of Southaven, Miss., Gross first arrived in Hattiesburg ahead of the 2019-20 season after transferring from North Florida. After sitting out and taking a redshirt in her sophomore campaign due to NCAA transfer rules, she debuted in the Black & Gold in the 2020-21 season, playing 13.1 minutes per game.

Her contributions increased in 2021-22 where she played in 23 games and made four starts for the Lady Eagles. She was named as the team's captain for the 2022-23 season where she started in all 31 games for the Sun Belt Conference regular season champions. During this stretch, Gross completed her bachelor's degree in sport and fitness administration/management in 2021, her master's degree in sport and fitness administration/management in 2022 and played the 2022-23 campaign while working on her doctorate, just one of two players in NCAA Division I to do so.

While with Southern Miss, she twice earned the Conference USA Commissioner's Academic Medal and was named to the Conference USA Commissioner's Honor Roll once.

She transferred to ULM for the 2023-24 season, again starting in every game for the Warhawks and playing an instrumental role on and off the court for Coach Bilderback's first ULM squad. Her efforts helped the Warhawks to a Great Eight finish in the Postseason WNIT, marking the program's best postseason performance in nearly 20 years.

Before her successful collegiate career, Gross prepped at Northpoint Christian School in Southaven. She helped her teams to a 113-15 mark across her career while recording 1,654 points, 738 points, 394 assists and 313 steals as a starter. She led the school to two state titles and four consecutive final fours with two nods on the State All-Tournament Team. She also earned the Commercial Appeals' Best of Preps award three times.

Gross resides in Hattiesburg and is the daughter of Stephen and Chelle Gross of Southaven, Miss. The Gross family is well-represented across college athletics in Mississippi. Lauren's brother, Michael, currently serves as the Voice of the Statesman at Delta State while her sister, Maycee, is a member of the beach volleyball team at William Carey.

JEREMY McCLAIN
DIRECTOR OF ATHLETICS

Alma Mater: Delta State, 1999
At Southern Miss: Ninth year
As Director of Athletics: Sixth year

When Jeremy McClain took over as the school's eighth Director of Athletics, he knew that he would have to roll up his sleeves and get to work in helping to build and create more opportunities not for only this department, but more importantly, for its student-athletes.

Since the announcement of his hiring on April 8, 2019, McClain has done just that.

In just the last year, McClain guided the Southern Miss athletics program into its inaugural season of the Sun Belt Conference and the Golden Eagles responded with four team championships coming in the sports of women's cross country, women's and men's basketball and baseball. In addition, the school finished fourth in the Vic Bubas Cup, which is given annually to the Sun Belt's annual all-sports champion based on a points system.

In the summer of the 2022, McClain also unveiled a three-year strategic plan, #ToTheTop25, outlining a bold vision for the future of Golden Eagle athletics which comprised of 25 strategic initiatives to be completed by the end of the 2025 calendar year. Just 14 months after the announcement of the plan, the department had met or surpassed 10 of the 25 goals.

His ability to fund raise has also shown through with a record-breaking year in 2022-23 in regard to total Eagle Club members (2,871) and total giving ($2.3 million). He also continues to help and advise on Golden Eagle student-athlete's education and collaborating with them to maximize their NIL (Name, Image and Likeness) opportunities during their time with the University.

McClain's efforts to improve and enhance the Golden Eagle student-athlete's experience can also be felt in the capital projects that he has seen to completion.

In the fall of 2020, the Bower Academic Center, located in Cook Library, opened its doors. The new academic center provides an improved and expanded home for the 400 Southern Miss student-athletes, while also bettering the work area for those that oversee the process of those individuals meeting their academic goals.

In addition, the Wellness Center, which houses the volleyball program, opened, as well as a renovation to the home courts of the beach volleyball program. Golden Eagle fans also have enjoyed the newly installed lighting system that will benefit both men's and women's basketball teams, as well as help with the enjoyment of Golden Eagle fans in attendance at Reed Green Coliseum.

Other facility upgrades have included a new LED lighting and a new videoboard at baseball, the installation of a new synthetic turf at Pete Taylor Park/Hill Denson Field, along with new recovery tubs in sports medicine and a new synthetic surface at M.M. Roberts Stadium.

More upgrades at both Reed Green Coliseum and Pete Taylor Park are expected over the next few years.

McClain's continued quest to heighten the student-athlete experience at Southern Miss is not just limited to their performance in the classroom or on the field.
He hired the department's first person to oversee sports counseling and performance and the entire coaching staff, as well as the administrative team, passed Mental Awareness Training, becoming the first athletics department at a secondary educational institution in the state to accomplish this feat in the summer of 2022.

During his first full year on the job, McClain had the task of hiring new coaches for several sports, including the school's first beach volleyball coach. He also positioned the department better in terms of student-athlete development with the addition of a new position of Executive Senior Associate AD for Student-Athlete services.

His toughest duty on the job at Southern Miss, though, came during the early months of 2020, as he has provided sound leadership in helping the guide the department school through the COVID-19 pandemic.

McClain returned to the University after serving as the Director of Athletics at Troy University since August of 2015. He served as the Deputy Director of Athletics at Southern Miss for three years prior to his departure to Troy.

Under McClain, the Troy football program won 31 games, tied for the most wins over three seasons by Group of Five conference schools with Boise State and UCF. The Trojans won three-straight bowl games and a Sun Belt Conference title, while earning a national ranking and recording a historic victory at LSU in that time period. In addition, the football program enjoyed record attendance in his three seasons.

The men's basketball team won the 2017 Sun Belt Conference Tournament and made its first appearance in March Madness since 2003, while the women's basketball team captured 82 games over four seasons with a pair of Sun Belt Conference Tournament titles and two trips to the NCAA Tournament.

Troy finished in third place in the 2017-18 Bubas Cup standings, which is the Sun Belt Conference's all sport trophy; the best finish in Troy's 13-year history in the league.

As for facilities, the long-anticipated Troy Football North End Zone Facility broke ground in the fall of 2016 and opened in the summer of 2018. The $25 million facility is the state-of-the-art home to the football program with new coaches offices, locker room, weight room and team lounge. Additionally, the project added 400 luxury seats to Veterans Memorial Stadium and a new high-definition video board.

McClain dedicated his first year at Troy to improving the fan experience with the implementation of several new gameday initiatives, the unveiling of a new ticketing system and spearheading a redesign of the Athletics website, TroyTrojans.com.

During his earlier stint at Southern Miss, McClain oversaw the day-to-day operations of the Athletics Department, and was responsible for revenue generation, which included licensing, corporate development, fundraising and ticket sales.

As the primary fundraiser for the Golden Eagles, McClain led a staff that set giving records in 2013 for the annual fund and the overall Southern Miss Athletic Foundation. He was also responsible for securing funding and supervising several major facility projects.

Prior to his time at Southern Miss, McClain served as Director of Athletics at Delta State University for five-plus years, beginning in 2007. While at Delta State, McClain developed a plan to increase student-athlete services.

McClain also increased donations to the school's athletic department, helping secure funding for the first phase of DSU's Athletic Master Plan.
Delta State's on-field successes also increased under McClain. During his tenure, the Statesmen and Lady Statesmen claimed seven Gulf South Conference championships, five NCAA Regional crowns and 21 NCAA postseason appearances. In 2010, the football team appeared in the NCAA Division II National Championship Game and in 2012 the baseball team earned a runner-up finish at the NCAA Division II College World Series.

McClain earned his bachelor's degree in business administration from Delta State in 1999, where he was a Division II All-American in baseball. He also earned his M.B.A. from Delta State in 2002. After graduation, he played five years of professional baseball.

He was a four-year letterwinner at his alma mater in which he posted a 45-9 overall record, including a 15-0 season in 1999 as a senior. McClain helped lead the Statemen to the 1996 College World Series and he was inducted into the Delta State Hall of Fame.

He is married to the former Christie Cannon of Calhoun City, Miss., and the couple has three children, son Cannon, and daughters Kate and Piper.

On October 26, 2021, The University of Southern Mississippi announced its intention to join the Sun Belt Conference, no later than July 1, 2023. The Sun Belt Conference and its board of CEOs voted unanimously to add Southern Miss. The Golden Eagles would announce on Feb. 11, 2022 their intention to leave Conference USA, its home for the past 27 years, on June 30, 2022. Southern Miss joined Marshall, Old Dominion and James Madison as one of four new additions to the Sun Belt Conference for the 2022-23 season.

"This is a big day for our conference. We are thrilled to welcome The University of Southern Mississippi to the Sun Belt. Southern Miss brings a host of strengths to our conference. They are competitive across all of their sports, have a strong brand and are supported by a great fan base. The electric atmosphere surrounding their games is a tradition we are proud to now be a part of," said Keith Gill, Sun Belt Conference Commissioner. "I am grateful to President Dr. Rodney D. Bennett and Athletics Director Jeremy McClain for their leadership during this process. I'd also like to thank the CEOs and athletic directors of our current member institutions for their efforts as we continue our discussions around adding new members."

The addition of Southern Miss will bring the number of Sun Belt members to 14 with the Golden Eagles joining current members App State, Arkansas State, Coastal Carolina, Georgia Southern, Georgia State, James Madison, Louisiana, ULM, Marshall, Old Dominion, South Alabama, Texas State and Troy.

"When national realignment discussions began, our presidents and chancellors expressed confidence in the current SBC configuration, but also defined the parameters for potential new members. Our goal was to only add schools that added value, that fit geographically, and that mirrored our athletics and academic missions," said Dr. Kelly Damphousse, Texas State President & Chair of Sun Belt Executive Committee. "Southern Miss perfectly matched those parameters, and my colleagues look forward to welcoming President Bennett and his colleagues to the Sun Belt Conference."

The University of Southern Mississippi, founded in 1910 and located in Hattiesburg, Miss., is a Tier-1 Research University that supports a student population of over 14,000. The school has won five NCAA national championships—two in NCAA Division II football in 1958 and 1962 and three individual crowns in track & field. The football program has appeared in 26 bowl games all-time. The men's basketball program won the National Invitational Tournament (NIT) in 1987, the softball program appeared in two College World Series in 1999 and 2000 and the baseball team advanced to the College World Series in 2009.

"Membership in the Sun Belt Conference is an exciting opportunity for The University of Southern Mississippi, for our student-athletes, for our alumni and fans, and for the University's host communities," said then-University President Rodney D. Bennett. "This move will allow Southern Miss student-athletes to compete in what is fast-becoming the best Group of Five conference in the country and will provide greater visibility for the University's championship athletics programs."

Geographically, Southern Miss is a natural fit as the state of Mississippi is bordered by three states (Alabama, Arkansas and Louisiana) that are currently home to Sun Belt institutions.

"The Sun Belt's geographic footprint will create new regional rivalries and will encourage more visitors to Mississippi, further increasing our athletics programs' $41 million annual economic impact on the state," Bennett said.

The Golden Eagles sponsor 17 varsity sports. Men's sports include baseball, basketball, football, golf, indoor track & field, outdoor track & field and tennis. Women's sports include basketball, beach volleyball, cross country, golf, indoor track & field, outdoor track & field, soccer, softball, tennis and volleyball. Southern Miss participates in every sport sponsored by the Sun Belt Conference except men's cross country.

"Today is a great day for Southern Miss. I want to thank Commissioner Gill and the Board of Directors within the Sun Belt for their faith in our institution and our ability to add value to the conference," said Jeremy McClain, Southern Miss Director of Athletics. "We are excited about adding our rich tradition of success and passionate fan base to a conference that values those attributes, and look forward to working together to continue to elevate the Sun Belt on the national stage."

The Sun Belt sponsors 17 NCAA sports and annually awards nearly $134 million in financial aid to more than 4,600 student-athletes.

Founded in 1882 by civil engineer Capt. William H. Hardy, Hattiesburg was named in honor of Hardy's wife, Hattie (Lott). Hardy chose what was then known as Gordon's Creek due to its prime location along his planned Gulf & Ship Island Railroad route and at the confluence of the Leaf and Bouie Rivers. The Pearl of the Pine Belt is now home to over 48,000 and is the centerpiece of the Hattiesburg Metropolitan Statistical Area, which is home to over 160,000.

Known as the "Hub City" due to its long history as a railroad "hub" and continuing development around the rail industry, Hattiesburg has transformed from a railway siding specializing in timber to a thriving city that blends collegiate life, urban living, outdoor activities and more into one cohesive lifestyle. Additionally, as the "Hub City," Hattiesburg finds itself postioned advantageously around all its major neighbors" Laurel to the north, Meridian to the northeast, Waynesboro to the east, Mobile to the southeast, Gulfport to the south, New Orleans to the southwest, Natchez to the west and Jackson to the northwest.

Hattiesburg also supports two universities (The University of Southern Mississippi and William Carey University) within its city limits and almost 20,000 college students every semester with a growing downtown district and many black and gold clad shops along each street. The city is also home to one fo seven historic Saenger Theaters in the heart of its downtown core. Hattiesburg's populations also encompasses Camp Shelby, the largest United States National Guard training base east of the Mississippi River, which sees over 100,000 trainees every year. Hattiesburg's reach also extends to countless parks and recreational areas, including Paul B. Johnson State Park, the Leaf River Blueways, Kamper Park & Zoo and the reclaimed Rails to Trails Longleaf Trace. Under second-term Mayor Toby Barker, Hattiesburg has become yet another hub, now in the arts world. Mayor Barker has promises to make Hattiesburg the city of 100 murals by the end of his current term, brightening up both Hattiesburgers' and visitors' stay in the Hub City at every step.

Barker was elected as the 35th mayor of Hattiesburg. At age 25, Barker became the youngest legislator elected to the Mississippi House of Representatives, representing District 102. Now at 40, Barker continues to advance Hattiesburg in every sense of the world and has built upon the long friendship of Southern Miss and the City of Hattiesburg. A 2004 graduate of Southern Miss, Barker received his bachelors in communications and master of economic development degree in 2006 and chose to make Hattiesburg his home. Outside of cheering on the Golden Eagles, Barker is heavily involved in the Hattiesburg community. He is a Rotarian and Paul Harris Fellow affiliated with the Rotary Club of Hattiesburg-Sunrise. He aslo serves on the Hattiesburg Public School District Foundation Board and the Avenues Alliance. Barker recently won reelection in 2021, spurred by his complete renovation of Hattiesburg High School, expansion of City Services and over 100 miles of newly-paved streets within city limits, all of which improve the lives of Hattiesburgers each and every day.

The Hattiesburg area is also known for its wide cuisine nationally recognized restaurants. Robert St. John, a Hattiesburg resident and graduate of The University of Southern Mississippi, is largely credited with the growth of Hattiesburg restaurant industry, which is anchored by St. John's Mahogany Bar, Tabella, Crescent City Grill, El Rayo, Ed's Burger Joint and the Midtowner, as well as Hattiesburg staples Keg & Barrel, Leatha's BBQ, Patio 44, Mugshots, Tophers, Glorybound, T-Bones, Southbound, Murky Waters BBQ, Sully's & more.

The University of Southern Mississippi, lovingly referred to as Southern Miss, was founded by Mississippi House Bill 204 on March 30, 1910 after a decades long struggle dating back to 1877. In 2023, Southern Miss enters its 111th year of operation, having opened its doors to 876 students on Sept. 18, 1912 to the first class of Mississippi Normal College. In the succeeding years, Southern Miss has grown from a small teacher's college to a comprehensive doctoral and research-driven institution with a student body of 13,651 students from all 50 states, 72 countries and every corner of Mississippi.

The place affectionately known as Southern Miss began as five buildings on 120 acres of cutover timber land donated by A.A. Montague, T.E. Ross and H.A. Camp, three Hattiesburg timber moguls. Mississippi Normal College received no state support and instead had to rely on the City of Hattiesburg's and Forrest County's $250,000 bonds given to the school for its orginial construction and operating needs. College Hall, Forrest County Hall, Hattiesburg Hall, the Women's Industrial Cottage (now the Honor House) and President's Home (now the Ogletree Alumni House) were all constructed with the bonds, forever linking the city, county and institution as kindred spirits united in the cause of education.

The first athletic teams were known as the Tigers, but were sometimes referred to by their nickname, the "Normalites," based on the Mississippi Normal College moniker. In 1924, the student body selected Yellow Jackets as the new mascot after the Legislature renamed MNC to Mississippi State Teachers College. After the growth of MSTC and expansion of its academic offerings, the Mississippi Legislature awarded MSTC the name, Mississippi Southern College in 1940. The student body then voted to rename the athletic teams the Confederates. After three semesters, the name was changed to the Southerners, which MSC would keep until 1972. On Feb. 27, 1962, Governor Ross Barnett's signature changed the institution's name to The University of Southern Mississippi in recognition for the now university's sustained growth and thriving graduate programs.

In 1972, an ad hoc committee appointed by Alumni Association president, Elmo Lang '54, elected to change the Southerners moniker, first changing to a temporary name, the Miners. The committee voted on names submitted by students, faculty and alumni, choosing the Golden Eagles - the largest bird of prey in North America - over the War Lords, Timber Wolves, Raiders and Southerners. The Golden Eagles and their mascot, Seymour d'Campus are now staples of the Southern Miss community and have been for over 50 years.

Throughout the storied history of Southern Miss, Golden Eagles have always served as innovators in all fields. Famous alumni of the university include: political figures Evelyn Gandy, Phil Bryant, Steven Palazzo and David Ishee; musician Jimmy Buffett; Iron Chef Cat Cora; athletic stars Brett Favre, Ray Guy, Sammy Winder, Clarence Weatherspoon, Brian Dozier and Tori Bowie; and award-winning journalists Chuck Scarborough and Kathleen Koch.

One of the greatest Southern Miss stories came in 1965, when Raylawni Branch and Gwendolyn Carter enrolled to become the first African-American students at The University of Southern Mississippi. In 1969, Dr. Walter Washington became the first African-American in the state of Mississippi to earn a doctoral degree and went on to become a storied president of Alcorn State University. One year prior, Wilbert Jordan joined the men's basketball team, becoming the schools first African-American student-athlete. By 1974, Fred Cook, a member of the Golden Eagle football team, was named Mr. Southern Miss and in 1980 Jacqueline Redd was selected as the first African-American Homecoming Queen. In 1993, the Student Services buildings was renamed in honor of Dr. Washington and Clyde Kennard, a Hattiesburg resident and Korean war veteran that attempted to enroll at MSC in 1955 before being jailed on trumped-up charged to prevent his enrollment. Mr. Kennard died at Parchman State Penitentiary from cancer in 1963 before he could complete his dream of integrating Southern Miss. Kennard-Washington Hall now serves as the heart of university operations. On April 1, 2013, Dr. Rodney D. Bennett became the 10th university president and first African-American president in school history and at any predominantly white institution in the state.

Southern Miss continues to thrive through its innovative spirit and thriving academics, making it the premier institution of the Gulf South and the crown jewel of Hattiesbug, the Pine Belt and South Mississippi as a whole.

REED GREEN COLISEUM

HATTIESBURG, Miss. – Southern Miss Director of Athletics Jeremy McClain on Wednesday announced a $35 million project intended to modernize and enhance the fan and student-athlete experience at Reed Green Coliseum.

"Today signifies a huge step in our efforts to revitalize Reed Green Coliseum for the betterment of our basketball programs and our community," McClain said. "This renovation process will reshape the future of this facility, while allowing us to work to reach our full potential in an ever-changing college athletics environment. I am incredibly grateful for the City of Hattiesburg and everyone who has supported this project."

Reed Green Coliseum has served as the home of Southern Miss men's and women's basketball since its completion in 1965. Though some minor upgrades and improvements have taken place over the years, including an addition in 2009, the arena has largely gone untouched. The new-aged vision will embrace the qualities that gives the Golden Eagles their homecourt advantage, while also modernizing systems and technology necessary for it to function as a destination venue. It will also add amenities to enrich the experiences of the student-athlete, fans, and community.

"We are excited about these significant upgrades to Reed Green Coliseum," said University President Dr. Joseph S. Paul. "These upgrades will help our basketball programs reach even greater heights while also making the facility a premier asset for our community – for entertainment events, area school events and more. We are indebted to Mayor Barker and the City's leadership team for helping to make this possible."

Below is a breakdown of what the vision includes:
- New north entrance with lobby, ticketing and arena offices
- Practice facility for men's and women's basketball
- Addition of 200 premium-loge style seats at the top of the bowl
- Addition of 625 sideline premium seats
- New arena club level with drink rails and casual seating
- Updated concessions and restrooms
- ADA accessibility improvements

The reimagined north entrance off Fourth Street will provide a new lobby, ticketing and arena offices. The change will improve accessibility into the arena and create a top-notch environment when entering into Reed Green Coliseum. The renovation will also expand the width of the concourse, add accessible seating, provide premium loge-style seating, and add new scoreboards and signage ribbons throughout the facility. The existing concession areas will open onto the concourse, and new toilets will be added along the east and west sides of the stadium.

"The vision was set in 2019 when the citizens of Hattiesburg believed in our desire to do more and voted to implement the 1% sales tax revenue split between the City of Hattiesburg's Parks and Recreation Department and the University of Southern Mississippi for the renovation of Reed Green Coliseum. This single act further elevated our ability to be a premier city in the Gulf South for recreation and entertainment," said Mayor Toby Barker. "With dozens of groundbreakings and ribbon cuttings under our belt since that time, we are proud to stand with the University today as they unveil plans to modernize a much-needed venue for our city and continue our trajectory of going after big things - and getting them."

The south side of the concourse will be expanded to become a club lounge that will enhance the game day experience. The club will house its own concessions and restrooms. It will also connect to the new basketball practice facility and have an overlooking view onto the playing surface. The area will also serve as a team lounge for players and recruits.

The addition to Reed Green Coliseum will also include a new practice gym and training facility for both basketball programs. The addition will also connect to the existing player facilities and improve access to the arena by replacing the existing ramp and service dock.
