St. Cloud State Traditions:**History of the Nickname**

The Husky Nickname: St. Cloud State's nickname has gone through several changes over the years. Early nicknames included "Normals," "Teachers," "Bear Cats," "Peds," and "Flying Clouds."

There are several theories about how the nickname "Huskies" began to be used. One says that it is a result of a student contest. Another suggests that the name originated with the football team. There was a story in the February 4, 1938, edition of the College Chronicle which referred to the "football huskies." Since huskies was not capitalized in the story, the author could have been referring to the team's size, and this possibly led to the nickname.

Another theory is that the nickname originated within the football team. "I think it occurred during Coach Kasch's days as football coach (1935-42)," said John Weisman, former SCSU Dean of Men and former coach. "The team just started calling themselves the 'Huskies.'"

Why the name was chosen or who exactly selected it remains unclear. The name could have been intended to mean "burly, robust or large," "one that is husky," or "a heavily coated working dog of the arctic region."

Perhaps the nickname was meant to encompass all three meanings. Regardless of its origin, the Husky nickname continues to represent SCSU as a symbol and image of strength.

**The St. Cloud State Rouser**

Oh, here we are, the gang and all,
to cheer our team to victory.
SCSU has heard the call,
We're here to show our loyalty, RAH! RAH!
Come on team fight, We'll win this game,
and to our colors we'll be true.
We'll sing our song, both loud and long,
to victory — S.C.S.U.

The St. Cloud State Hymn

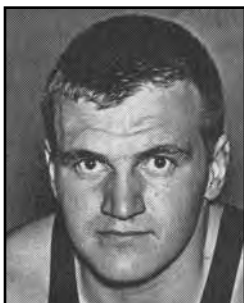

Sing to thee our Alma Mater, High on oak-crowned banks, Emblem of our search for knowledge, Symbol of our youthful ranks, Filled with fires of true ambition, Let us ever be; Loyal to thy fine tradition, Hail St. Cloud, to thee.

By the river's flowing water, By its islands fair, may the loyal sons and daughters, thy enduring friendship share. May they with sincere ambition, through the years e'er be; Loyal to thy fine tradition, Hail St. Cloud, to thee.

ST. CLOUD STATE FACILITIES

FIRST CLASS PROGRAMS...FIRST CLASS FACILITIES

St. Cloud State University's tradition of excellence in athletics is mirrored by the many outstanding athletic facilities that are featured on the SCSU campus. The majority of SCSU's home sporting events take place at the following locations on campus: Halenbeck Hall, Husky Stadium, Selke Field, Dick Putz Field, and the National Hockey Center.

HISTORIC SELKE FIELD: Selke Field is the home to Husky softball, which placed third in the nation in 2004. The softball diamond is located in the southeast corner of the Selke Field athletic complex. Bleachers and two dugouts complete the playing area. In addition, SCSU students use the facility for intramural soccer and touch football.

HUSKY STADIUM: Husky Stadium opened in September 2004. This multi-purpose facility offers seating for 4,198 spectators and is the home to SCSU football and soccer. The field overlooks the scenic Mississippi River and features a state-of-the-art synthetic playing surface along with lights for night play. In the winter months, the field is covered with an inflatable bubble that provides an outstanding practice space for many of the SCSU athletic teams and SCSU's recreation sports programs. Other features of the facility include a press box, President's Suite, concession stands, ticket booths and bathroom facilities.

The stadium is connected to Halenbeck Hall by a new student recreation facility that features a massive fitness center, climbing walls, classrooms, dance studios, snack bar, office space and storage locations.

HALENBECK HALL: Halenbeck Hall was completed and dedicated in 1965. The main gymnasium of Halenbeck Hall has a seating capacity of 6,451. Volleyball, men's and women's basketball, wrestling, and swimming all compete in the main area of Halenbeck. In the summer of 2001, a new wooden floor, arena seating and scoreboard were installed, which makes Halenbeck one of the best courts in the NSIC. The Halenbeck Aquatics Center has seating capacity for 500 spectators. Its features include a six-lane pool and a diving well with one and three meter boards.

HALL OF FAME: Halenbeck Hall is home to the SCSU Athletic Hall of Fame, which was completed in the spring of 1996. The Hall of Fame is located in the south lobby of the main gymnasium and houses the Hall of Fame plaques, as well as trophy cases for each of the Huskies' sports. The building also houses several classrooms, a complete computer lab and offices for the coaches and athletic administrative staff.

HALENBECK HALL SOUTH: Halenbeck Hall South was completed in 1980. It provides SCSU with an indoor training facility for track. The major feature of Halenbeck South is an activity center and multiple purpose area bordered by a running track. A new surface was installed in the Halenbeck South Fieldhouse during the summer of 2006. The facility also houses six regulation size racquetball courts, a wrestling practice room, intramural offices, climbing wall and a human performance laboratory. To the east of Halenbeck and Halenbeck South are outdoor tennis courts.

NORDIC SKI: SCSU's nordic ski team practices at nearby Riverside Park and Greystone Trails, which is located directly across the Mississippi River from the SCSU campus. The Mississippi River also provides many recreation opportunities for the outdoor sports enthusiast, including fishing, canoeing and hiking.

THE HERB BROOKS NATIONAL HOCKEY CENTER:

The Herb Brooks National Hockey Center is home to Husky hockey and opened its doors in December of 1989. Its features include two Olympic size sheets of ice measuring 200' by 100'. The main rink has a seating capacity for 5,371 fans. The arena underwent major renovation recently and is now highlighted by a stunning atrium entrance on the southside of the building, a new concourse level with concession areas, pro shop and the classy Husky Den club room. The project also added in 14 new suites on the southside of the building along with enhancements to the SCSU locker rooms and athletic training operations. The renovations have added new player lounges, shower facilities, changing areas and custom built lockers to the Huskies' home facilities.

THE MAC: Baseball is played at the St. Cloud Municipal Athletic Complex, located at the west end of St. Cloud. The complex features two of the finest baseball fields in the state - Dick Putz Field and Joe Faber Field.

WEIGHT TRAINING: St. Cloud State athletes have access to two weight training rooms. Athletes can train in the well-equipped, spacious, free weight rooms in Halenbeck and the Brooks Center.

ATHLETIC TRAINING: St. Cloud State athletes have access to two athletic training rooms. Athletes can get treatment in the well-equipped, spacious, training rooms in Halenbeck and the Brooks Center.

GIVING BACK TO ST.

HUSKY HOCKEY PROVIDES A HELPING HAND IN THE COMMUNITY AND ON CAMPUS

The St. Cloud State University men's hockey program and the entire St. Cloud State University Athletic Department annually provides many hours of volunteer service for the St. Cloud area and the campus community.

Over the years, the St. Cloud State men's hockey team has participated in reading programs for local youths, they provide a helping hand at the University's annual move-in day for students moving into the campus dormitories and they participate in the annual Skate with the Huskies program each fall.

These are just a few examples of the many ways that the St. Cloud State University men's hockey program gives back to the community that surrounds and supports that in St. Cloud and on the campus at St. Cloud State University.

In 11 seasons as head coach at St. Cloud State University, Bob Motzko has made an impact on the world of college hockey, as he has led the Huskies to a place among the nation's elite programs since his arrival on campus in 2005. In those 11 seasons, Motzko has charted a 235-164-42 career record as the Huskies' head coach.

The 2015-16 season was once again filled with several high points. SCSU tied a team record by winning 31 games (31-9-1) and also set a team record by winning 17 (17-6-1) NCHC games. The Huskies captured their first NCHC Frozen Face-off title in 2016 and also earned a top seed at the 2016 NCAA DI West Regional. SCSU finished the year ranked #5 in the final Division I national polls, while defender Ethan Prow was selected as a Hobey Baker Award Top 10 finalist. Prow and goalie Charlie Lindgren were also selected as First Team All-Americans in 2016.

In 2017, Motzko will serve as head coach for Team USA at the IIHF World Junior Championships.

In 2014-15, Motzko led the Huskies back to the NCAA tournament and finished as the runner-up at the West Regional. This marked the fourth time since 2010 that the Huskies have played for a regional title. SCSU (20-19-1, 11-12-1 NCHC) also advanced to the title game of the NCHC Frozen Faceoff in 2014-15.

In 2013-14, the Huskies entered play in the new National Collegiate Hockey Conference and went on to gain their second regular season conference championship with a 22-11-5, 15-6-3 NCHC record. The inaugural Penrose Cup winners, SCSU also earned a bid to the NCAA tournament and advanced to

the championship game of the West Regional in St. Paul, Minn.

The 2014 NCHC Coach of the Year, Motzko was joined in the spotlight by senior forward Nic Dowd, who was a Hobey Baker Award top three finalist, a 2014 first team All-American, the NCHC's Student-Athlete of the Year and the NCHC's Defensive Forward of the Year. To end the year, SCSU was ranked #8 in the final NCAA polls.

The 2012-13 season (25-16-1, 18-9-1 WCHA) proved to be historic for the Huskies, as they won the WCHA regular season title, advanced to the WCHA Final Four and saw Drew LeBlanc named the league's MVP and Student-Athlete of the Year and Nick Jensen was named the WCHA Defensive Player of the Year.

In NCAA tournament action, the Huskies were seeded fourth at the 2013 NCAA Midwest Regional but Motzko's troops prevailed with wins over number one seed Notre Dame and number two seed Miami to win the University's first-ever NCAA regional title.

The regional crown punched SCSU's ticket to the Frozen Four, which marked another first for the program. SCSU lost a tough 4-1 decision to Quinnipiac in the NCAA semifinals. The weekend in Pittsburgh was then capped when LeBlanc was named the Hobey Baker Memorial Award winner for 2013. LeBlanc and Jensen were also named First Team All-Americans for 2013.

In his first season at SCSU, Motzko molded a team that ranked among the nation's top 15 teams with a 22-16-4 overall record. The team also advanced to the WCHA Final Five for the first time since 2002, and the Huskies completed the year with an impressive second place finish at the Final Five before packed houses at the Xcel Energy Center in St. Paul.

Coach of the Year award in 2006-07, as the Huskies placed second in the rugged WCHA at 14-7-7 (22-11-7 overall). The Huskies finished with a number 7/8 ranking in the final college hockey national polls, a return trip to the WCHA Final Five and they gained a NCAA tournament bid - the team's first since 2003.

To cap the season, Motzko was named a finalist for the AHCA's Spencer Penrose Award for the second consecutive season. Motzko also saw two of his players gain prestigious national recognition as forward Andreas Nodl was selected as the HCA National Division I Rookie of the Year and senior goaltender Bobby Goepfert earned All-America honors and was selected as a Hobey Baker Award Top 10 Finalist in 2007.

The success continued in 2007-08, as the Huskies earned their second consecutive NCAA bid, a third consecutive WCHA Final Five trip and another top 15 ranking in the national polls. Sophomore forward Ryan Lasch led the WCHA in scoring, earned 2008 All-America honors and became SCSU's third Hobey Baker Award top 10 finalist.

SCSU carded its fourth consecutive winning season in 2008-09 under the leadership of Motzko. The Huskies were ranked among the nation's top 20 teams for much of the season.

The Motzko success story continued in 2009-10, as the Huskies claimed another winning season at 24-14-5 overall (15-9-4 WCHA). SCSU went on to place second at the WCHA Final Five and gain another NCAA tournament bid.

At the 2010 NCAA West Regional in St. Paul, the Huskies posted a first-round 4-3 double OT win over Northern Michigan and advanced to the quarterfinals of the NCAA tournament.

The Huskies were ranked among the nation's best throughout the season, and they finished the 2009-10 campaign with a #5/7 rating in the year's final NCAA Division I polls. In 2010-11 and 2011-12, SCSU once again received votes in the final national polls and the Huskies returned to the WCHA Final Five in 2012.

Along with his team's success, Motzko has helped several recent SCSU players make the move to the professional ranks. Motzko's former players from SCSU who have gone on to play in the NHL include Charlie Lindgren, Nic Dowd, Kevin Gravel, Oliver Lauridsen, LeBlanc, Ben Hanowski, Andreas Nodl, Andrew Gordon, Casey Borer, Joe Jensen and Nate Raduns.

It All Started at SCSU

Motzko's quick success with the Huskies should come as no surprise as his coaching resume reflects excellence and a life-time of dedication to the sport of hockey.

For Motzko, the move to St. Cloud State in 2005 was a return to his roots. A 1987 graduate of the University, Motzko was a two-year varsity letterwinner for the Huskies from 1983-85.

A native of Austin, Minnesota, Motzko also began his coaching career with the Huskies. In 1986-87, Motzko joined the staff at SCSU along with legendary head coach Herb Brooks and then first-year assistant coach Craig Dahl - who Motzko replaced as head coach in 2005-06.

"The opportunity provided by Craig (Dahl) and SCSU back in 1986, is the reason I am a college hockey coach today," Motzko said.

Motzko's coaching career continued to grow after his season with the Huskies. In 1987, he was named head coach and general manager of the USHL's North Iowa squad. Motzko went on to spend four seasons at North Iowa and led the Huskies to the 1989 U.S. National Junior "A" championship.

In 1991, Motzko returned to the college coaching ranks as an assistant coach at Miami of Ohio. He served with the RedHawks from 1991-93 before moving to the University of Denver as an associate head coach from 1993-94. He returned to Miami as an associate head coach in 1994, and remained in that position until 1999.

At Miami, Motzko helped the RedHawks win that school's first CCHA league title, gain two NCAA tournament bids and four conference playoff appearances. Motzko also was part of the staff that recruited several top level players to Miami including NHLers Dan Boyle, Kevyn Adams, Todd Rohloff and Randy Robitaille. The Return to Campus

The call of college hockey brought Motzko back to campus in 2001, as he was named an assistant coach at the University of Minnesota. With the Gophers from 2001-2005, Motzko played a key role in Minnesota's success. Some of the highlights included two NCAA Division I championships in 2002 and 2003 and WCHA playoff titles in 2003 and 2004.

At Minnesota, Motzko was part of a program that produced one Hobey Baker Award winner, three first team All-Americans, two second team All-Americans and many All-WCHA award winners. He helped recruit three eventual first-round NHL draft picks at Minnesota and he worked with the nation's leading scorer (Johnny Pohl) in 2002, and the nation's leading rookie scorer (Thomas Vanek) in 2003.

Back Home Again

"I had a tremendous experience as a student and athlete at St. Cloud State," Motzko said. "Some of my best friends to this day are guys that I went to college with and played hockey with at SCSU."

Of course Motzko has noticed a few changes since his college days along the Mississippi.

"The changes that have taken place on campus since I left in 1987 have been incredible. The Herb Brooks Hockey Center, the new ISELF building, Husky Stadium and the Halenbeck student recreation center, the G.R. Herberger College of Business (which is housed in the newly renovated Centennial Hall), the library and updates at the Atwood Center, and the Wick Science Center have really been great additions to the campus. This is really a vibrant and upbeat campus with outstanding professors and academics. It is a great place to go to school."

Motzko also points out the changes to the Herb Brooks National Hockey Center, which will provide the Huskies with a state-of-the-art facility, as another point of pride for his alma mater.

When it comes to his philosophy on recruiting and coaching, Motzko has a very simple answer.

"It always seems that if you surround yourself with good student-athletes who have high skills, you will achieve success.

"Our biggest goal is to bring a student-athlete in here and have them succeed in the classroom and on the ice. We want them to graduate and then leave here after having a great college experience.

"I really want to let our players have the same sort of positive college hockey experience I enjoyed at SCSU.

"When your players go through your program and have a great experience, they will give back to your program in many ways. I want my players to have pride in our program and this University."

Motzko and his wife, Shelley, are the parents of one daughter (Ella) and two sons (Mack and Beau). They reside in St. Cloud. He originally hails from Austin, Minn. and is a 1979 graduate of Austin High School.

ST. CLOUD STATE HOCKEY HISTORY 101

Celebrating St. Cloud State University Men's Hockey Before the Division I Era

The 1930s

The sport of hockey has enjoyed a long history at St. Cloud State, dating back well before the Huskies moved to the NCAA Division I level in 1987-88. In fact, University records show the start of organized intercollegiate hockey as the 1931-32 season, when St. Cloud Teachers College posted a 1-7-90 record under the leadership of coach Ralph Theisen.

SCSU quickly became a college hockey power in the 1930s and 1940s. With hockey greats Frank Brimsek, Sergio Gambucci, Roland Vandell and other premiere talents, St. Cloud State Teachers College rose to a prominence which provided collegiate hockey with a tremendous boost.

"No institution did more for collegiate hockey in the '30's and '40's than St. Cloud," said the late Minnesota hockey great John Mariucci. "The Vandell brothers, (Bernard) Bjork, (Ray) Gasperlin, Gambucci, Strand and (Walter) DePaul all ended up at St. Cloud State and were instrumental in helping the hockey program. (Later) Gambucci started the high school hockey program in Grand Forks and Robert DePaul was the coach at International Falls."

One of the most influential and successful individuals in St. Cloud's hockey history was Frank Brimsek. Brimsek was a member of the 1933-34 hockey squad and later played goalie for the Boston Bruins in the NHL. He earned the nickname "Mr. Zero" as a rookie goaltender for the Bruins when he led the NHL in victories, goals against average and shutouts, won the Calder Trophy as the rookie of the year and led the Bruins to victory in the Stanley Cup playoffs. He played nine seasons before retiring in 1950. Brimsek holds the distinction of being the only St. Cloud alumnus to be inducted into the United States Hockey Hall of Fame and the International Hockey Hall of Fame in Toronto.

Ludwig Andolsek, who coached the Huskies from 1932-35, guided St. Cloud State into the final game of the national championships in 1935. There was one major contrast between that era and now - St. Cloud had no indoor rink. Hockey depended on the elements and there was either too much cold, too much snow or not enough cold to preserve the ice.

The 1940s & 1950s

The 1931-32 squad at SCSU

Johnny Alexander in the 1930s

Hockey and college athletics were limited by World War II in the early 1940s, but SCSU returned to the ice with solid teams in the later 1940s. Coach George Lynch led the Huskies to a 14-3-2 record in 1946-47, before Vandell returned to campus to coach the SCSU skaters from 1947-50 and again in 1951-52. Future SCSU president Brendan McDonald coached the Huskies in 1953-54, while player-coach Jim Baxter and standout Jerry Reichel (father of future SCSU All-American Dave Reichel) guided SCSU to more winning seasons in the mid 1950s.

The 1960s & 1970s

Coach Jack Wink took over the helm for the next decade, as he led the Huskies to new heights in the early 1960s. Thanks to the emergence of several top players such as Skeeter Hawkinson, Ed Noble, Dale Carmichael and Bill Fritsinger, the Huskies peaked with a perfect 12-0-0 record in 1961-62.

Later in the 1960s, coach Charlie Basch began his tenure at SCSU in 1968-69. The 1960's and 70's produced five All-Americans in Ronald Gordon (1970), Paul Oberstar (1971), John Fitzsimmons (1973), Pat Sullivan (1974, 1975), and Dave Reichel (1978, 1979).

Teams in the late 1970s also featured Husky standouts Steve Martinson (a future NHLer) and Jeff Passolt, who is currently the news anchor for KMSP Fox 9 TV in the Twin Cities. Passolt completed his career with 68g/68, while Martinson had 69g/64a.

The 1980s

The 1980's were an introduction to several of the top scorers of all-time at SCSU and the beginning of future thoughts of taking Husky hockey to a new level - NCAA Division I.

In 1980, Basch led the Huskies into the Northern Collegiate Hockey Association, the inaugural season of the league. John Bergo emerged as a star with 76g/69 during the early 1980s. Basch ended his career with 181 victories - the second most in team history. Upon his retirement from coaching Basch was replaced by John Perpich, who in two seasons (1984-86), led the Huskies to back to back winning seasons.

After Perpich exited, the Herb Brooks and Craig Dahl became the one-two coaching punch for Husky hockey and a whole new wave of excitement landed on the SCSU campus during the 1986-87 season.

With the new coaching staff came a long range plan for developing SCSU into a Division I Hockey school. Brooks had coached the U.S. Olympic Team to Gold in 1980 and garnered NHL Coach of the Year honors as head coach of the New York Rangers.

In Brooks' first and only season as head coach at SCSU, the Husky hockey team broke or tied 45 school records. As the season progressed so did the excitement and Husky fans filled the MAC Ice Arena. Noteworthy players from that squad included leading scorer Mike Brodzinski, Steve Brodzinski, Herm Finnegan and Bill Korfhage.

The Huskies finished the season with a 25-10-1 record, first in the NHCA and placed third at the NCAA Division III Championships. The Huskies were seeded first in the Western Division and defeated Salem State in the first round of the NCAA Division III Championships. The series win over Salem State sent the Huskies to the finals. SCSU dropped their opening game to Oswego State 5-2 which put the Huskies in the third place game. SCSU defeated conference rival Bemidji State 6-4 and finished third in the nation.

SCSU Makes Move to DI

For many years, the Husky hockey program played at the NCAA Division II and III level. It wasn't until the mid 1980's that thoughts of Division I hockey entered the SCSU arena. A Division I commitment was made during the 1986-87 season and the Huskies joined Division I hockey as an Independent in 1987-88.

A key component to making the move would be a new, larger arena. The lobbying effort for this new sports facility was moving slowly. SCSU's proposal was left out of Gov. Rudy Perpich's construction proposals and the Senate bonding bill. The outlook wasn't bright. But then things took an interesting turn. Perpich began promoting his Olympic and amateur sports initiatives, ideas that included building various sports facilities around the state including a hockey arena. Suddenly St. Cloud State University was in the running, along with the City of Blaine for a proposed \$9.5 million Olympic training hockey arena as part of Perpich's initiatives.

In late May of 1987, the arena proposal with the backing of Gov. Rudy Perpich and important on-campus help from President Brendan J. McDonald, Bill Radovich, Coach Herb Brooks and Athletic Director Dr. Morris Kurtz was approved. Groundbreaking for the arena occurred in the fall of 1988. Doors opened for the first hockey game on December 16, 1989 against Northern Michigan.

At the time, the National Hockey Center was one-of-a-kind in the United States with two Olympic sheets of ice under one roof.

While the construction of the NHC was

Craig Dahl

underway, the Husky hockey team forged its way as an Independent among the NCAA Division I ranks. Craig Dahl took over as head coach of the Huskies in the fall of 1987 and led the Huskies to an 11-25-1 overall record. The Huskies won five of its last eight games, including an upset win over third-ranked Lake Superior State. The following season the Huskies posted a winning record of 19-16-2 and received an invitation to the NCAA Division I playoffs.

In 1989-90, the Huskies' third season as an Independent, SCSU opened the NHC with a 5-4 and 4-2 sweep of Northern Michigan in mid-December. At the end of the 1989-90 season, the Huskies were ranked second in the NCAA Division I Independent poll behind Alaska Anchorage.

SCSU Joins the WCHA

SCSU joined the WCHA in the 1990-91 season and finished fifth in the league with a 12-16-4 record. Junior defenseman Bret Hedican was SCSU's first All-WCHA First Team pick. Hedican opted to leave the Huskies the following season to play for the U.S. Olympic Hockey Team in Albertville, France.

Seniors Jeff Saterdalen and Tim Hanus became the number one and two scorers of all-time, completing their careers with 179 and 172 career points, respectively. The Huskies posted a 14-21-2 record in their second season as a member of the WCHA.

In 1993-94, SCSU (21-13-4) posted its fourth ever 20-win season, defeated UMD in the first round of the WCHA playoffs at home, defeated Wisconsin 3-2 in overtime in the semi-finals of the WCHA Final Five Tournament and fell to Minnesota of 3-2 in overtime in the championship game of the Final Five.

In the 1994-95 season, the Huskies posted a 17-20-1 overall record and finished fifth in the WCHA with a 15-16-1 mark. SCSU earned home ice for the WCHA playoffs but lost to North Dakota in two games.

Success at the NHC

St. Cloud State made its second appearance in the WCHA Final Five in 1995-96, after upsetting Denver in the first round of the playoffs. SCSU went on to face Michigan Tech in the WCHA Final Five and fell to the Huskies 4-3 in overtime. SCSU finished the

Tim Hanus

Matt Cullen

season with a 13-22-4 overall record.

St. Cloud State completed the 1996-97 season with a 23-13-4 overall record. The Huskies finished the WCHA regular season in third place with an 18-10-4 league mark. The Huskies advanced to the WCHA Final Five for the second straight year. Matt Cullen and Mark Parrish (an All-America in 1997) completed their careers at SCSU, and have since been standouts in the NHL.

In 1997-98, the Huskies posted a second straight 20-win season and played in their third straight WCHA Final Five. SCSU posted a 22-16-2 overall record and Dahl was named the WCHA Coach of the Year.

For the third straight year, the Huskies advanced to the WCHA Final Five in 1998-99. The Huskies had finished the season 16-18-5 overall and were seventh in the WCHA with an 8-16-4 record. That was all put behind SCSU as the Huskies upset Wisconsin 5-2 and 3-2 in Madison during the first round playoffs. Senior defenseman Kyle McLaughlin was named the 1998-99 WCHA Student-Athlete of the Year. He was the first Husky to be so honored.

The 1999-2000 season was a break through year for the Huskies as SCSU elevated its game to the next level, the NCAA tournament. The season started slow but would end in a flurry as SCSU made its second ever NCAA Tournament appearance, advancing to the East Regional of the 2000 NCAA tournament in Albany, NY.

The Huskies road to the regional included a fifth straight WCHA Final Five appearance and a 23-14-3 overall mark. Defenseman Mike Pudlick gained All-America notice.

WCHA Final Five Champs

Success followed the Huskies during the 2000-2001 season. The Huskies completed the season with a school best 31-9-1 overall record and a 20-8-0 second place record in the WCHA. SCSU claimed the Broadmoor Trophy for the first time after defeating North Dakota in the title game of the 2001 WCHA Final Five. SCSU gained its second

consecutive bid to the NCAA tournament and completed the season ranked #5 in the final NCAA national poll.

Junior Tyler Arnason was named the WCHA Final Five MVP. Senior Scott Meyer became fourth Husky to gain All-America honors. Of note, a total of six players from that team have played in the NHL (Tyler Arnason, Jeff Finger, Ryan Malone, Joe Motzko, Mark Hartigan and Duvie Westcott)

Number One in the Nation

In 2001-02, SCSU continued its pattern of success with a 29-11-2 overall record and a second place finish in the WCHA. SCSU gained its third consecutive NCAA bid and received its first-ever #1 national ranking in the college hockey polls that season. Senior forward Mark Hartigan set team scoring records during the season, and was named a Hobey Baker Award top three finalist along with being named an All-America award winner.

In 2002-03, the Huskies earned their fourth consecutive NCAA bid with a 17-16-5 overall record. The 2004-05 season marked the end of an era, as Coach Craig Dahl stepped down as the Huskies' head coach in Sept. 2005. His legacy at SCSU was impressive with a 338-309-52 record. He helped SCSU make its move to Division I and position SCSU as one of the nation's top collegiate hockey programs.

The Motzko Era Begins

Bob Motzko was named the Huskies' coach in 2005-06, and quickly made a mark for himself with a second place finish at the Final Five. Motzko was named the WCHA Coach of the Year and goalie Bobby Goepfert gained All-America notice.

In year two of the Motzko era, the Huskies ended with a second place finish in the WCHA and bids to the WCHA Final Five and the NCAA tournament. Motzko was named the WCHA Coach of the Year once more, while Goepfert repeated as an All-American and was selected as a Hobey Baker Award finalist. Freshman forward Andreas Nodl joined the honors circle by being listed as the HCA Division I and WCHA Rookie of the Year. In 2007-08, the Huskies once again gained NCAA and WCHA Final Five bids, while Ryan Lasch won the WCHA scoring title. Lasch was also named a Hobey Baker finalist and an AHCA All-American.

The Huskies returned to the Final Five in 2010, and also earned the team's first NCAA tournament win with a 4-3 OT decision against Northern Michigan in the NCAA West Regional in St. Paul. The Huskies advanced to the NCAA tournament quarterfinals in 2010 and ended the year ranked

#5/7 in the final national college hockey polls with a 24-14-5 overall record. Of note, senior Ryan Lasch broke the team's career point record in 2009-10, as he ended his sterling SCSU career with 183 career points.

The 2010-11 season saw Drew LeBlanc earn All-WCHA honors, and it also marked Garrett Roe's senior season at SCSU. Roe finished his career with 178 points (3rd in the team records) and set a team record for career assists with 113 from 2007-11.

In 2011-12, the Huskies also made the announcement that they would be joining the new National Collegiate Hockey Conference at the start of the 2013-14 campaign. The new league will include SCSU, North Dakota, Minnesota Duluth, Western Michigan, Miami of Ohio, Nebraska Omaha, Denver and Colorado College. The 2012-13 season will mark the final year of play in the WCHA for the Huskies.

The 2011-12 season saw the Huskies return to the WCHA Final Five as sophomore defender Nick Jensen was named to the All-WCHA team and freshman defender Andrew Prochno was named to the All-WCHA Rookie team for the Huskies.

One of the biggest highlights of 2012 was the start of construction on the expansion project of the arena. The Huskies' home ice will now be called the Herb Brooks National Hockey Center. The project will also include many improvements to the building's entrance, locker rooms, new suites in the main arena and enlarged concourses - all of which will enhance the overall fan game-day experience and provide top notch facilities for the SCSU student-athlete.

The 2012-13 saw the Huskies end their run in the WCHA by capturing the league's regular season title with a 25-16-1, 18-9-1 WCHA record. The Huskies went on to qualify for the WCHA Final Five and also won the 2013 NCAA Division I Midwest Regional championship with wins over Notre Dame and Miami in Toledo, Ohio.

The regional crowd provided the Huskies with their first trip to the NCAA Frozen Four, which was held at the CONSOL Energy Center in Pittsburgh, Pa. The Huskies suffered a tough 4-1 loss in the NCAA semifinals against top seed Quinnipiac.

To cap the weekend at the Frozen Four, SCSU forward Drew LeBlanc was named the 2013 Hobey Baker Award winner. LeBlanc also earned the WCHA's Player of the Year and Student-Athlete of the Year honors along with being selected as the College Hockey Premier Player of the Year. A top four nominee for the 2013 ESPY Male College Athlete of the Year award and Sports Illustrated's Male College Athlete of the Year award, LeBlanc was named a first team All-American along with teammate Nick Jensen. Of note, Jensen was also picked as the WCHA's Defensive Player of the Year in 2012-13.

In 2013-14, the Huskies began play in the newly formed National Collegiate Hockey Conference and were crowned as the inaugural regular season champs for the league. SCSU also enjoyed a newly renovated home arena which was renamed the Herb Brooks National Hockey Center at the beginning of the season. To complete the historic season, SCSU earned another NCAA tournament bid

and advanced to the championship game of the West Region tournament. Senior forward Nic Dowd was selected as Hobey Baker Award top three finalist, earned All-America honors and was named the NCHC's Student-Athlete of the Year and Defensive Forward of the Year in 2013-14.

The Huskies' postseason success continued in 2014-15. A first round playoff winner with a two-game sweep at Omaha, the Huskies finished as the runner-up at the 2015 NCHC Frozen Faceoff in their first appearance at the tourney in Target Center. To cap the winter, SCSU also gained its third consecutive NCAA tournament bid and finished as the runner-up at the 2015 NCAA West Region tournament in Fargo, N.D. SCSU's Nick Oliver was named the 2015 NCHC Sportsmanship Award recipient.

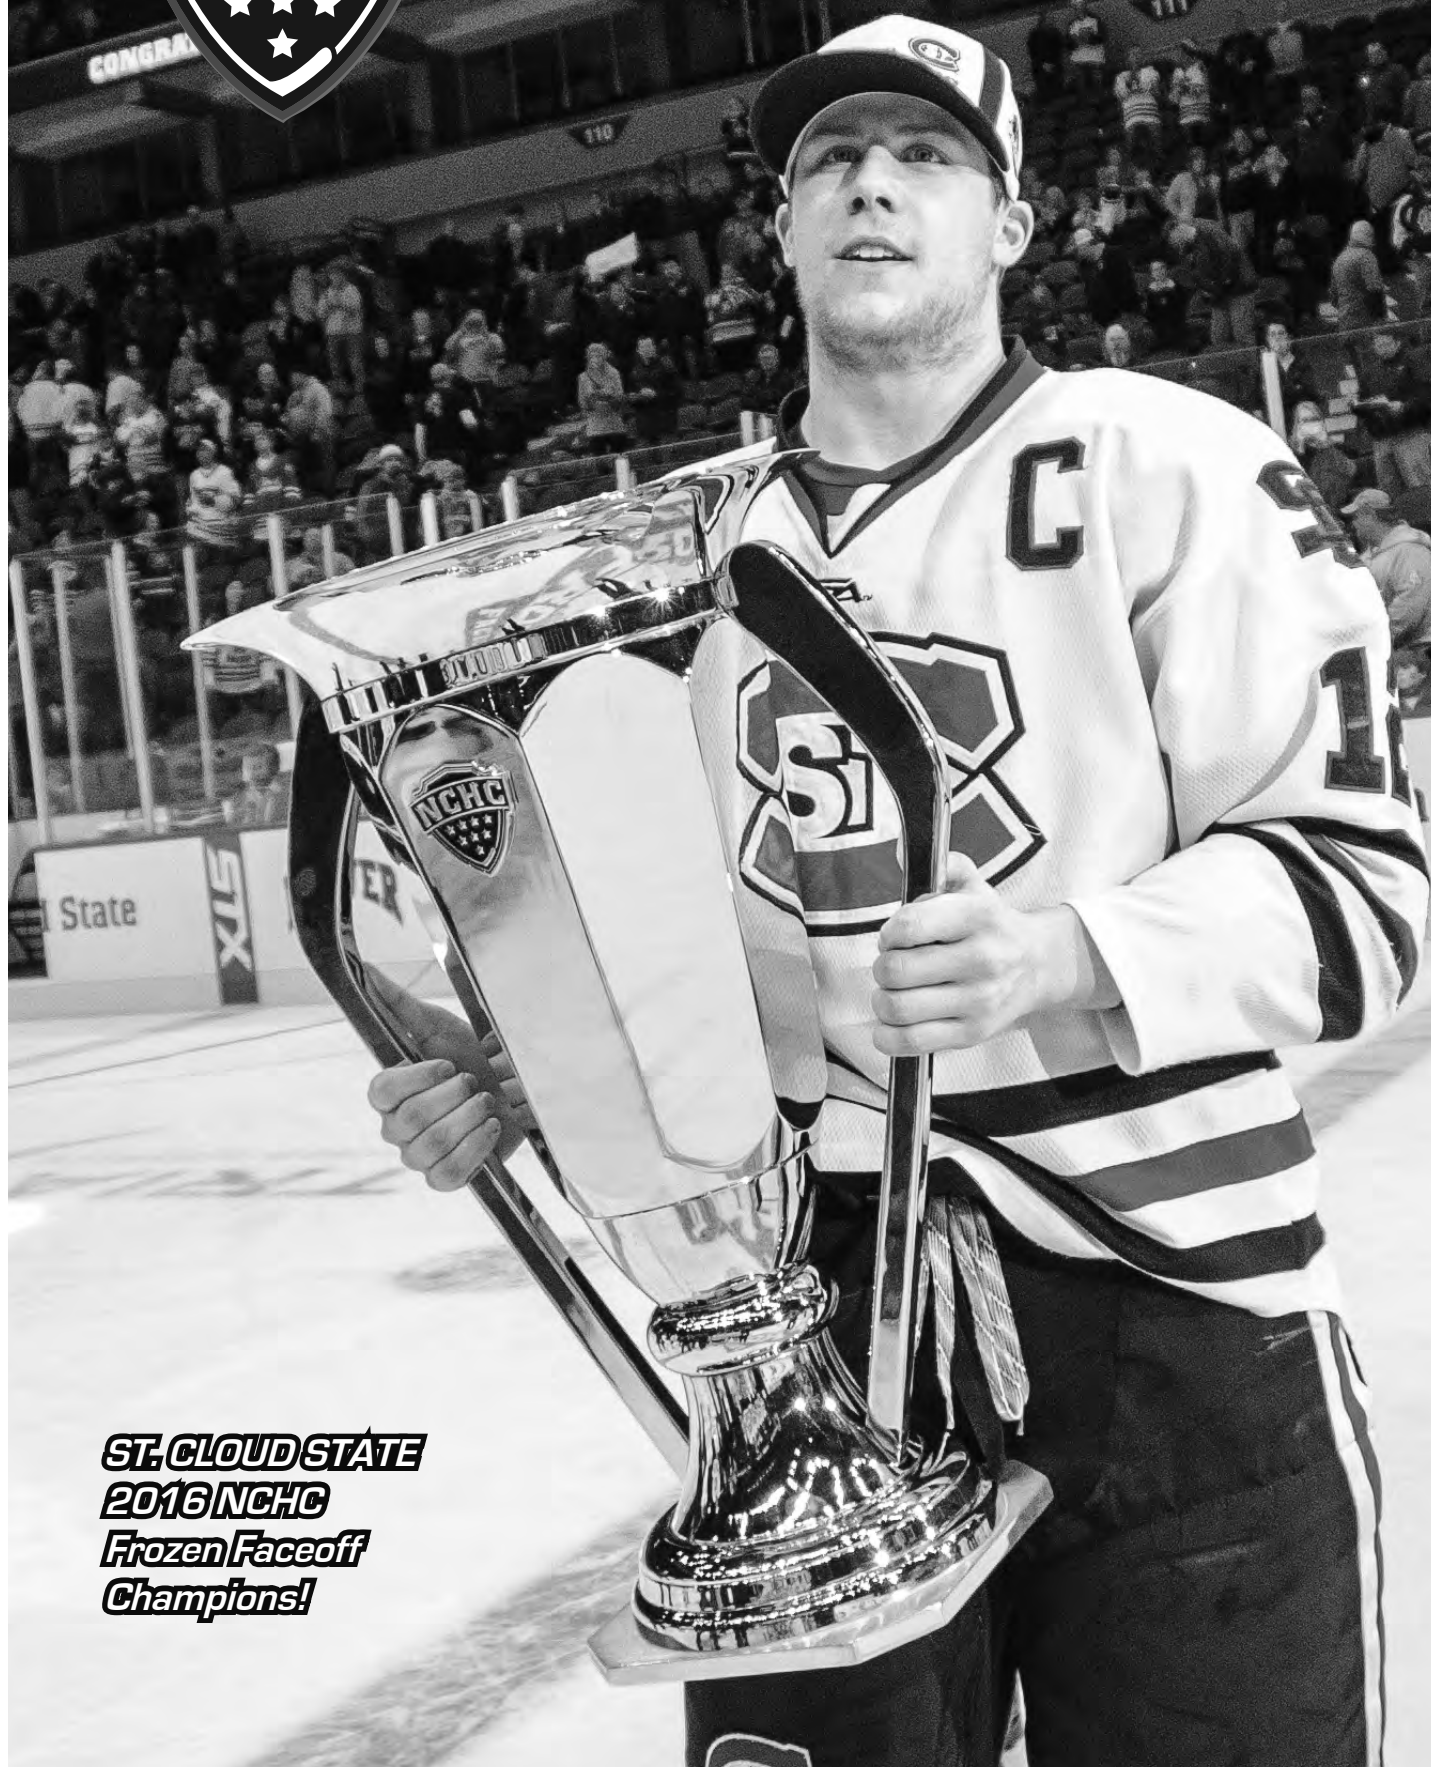

SCSU tied a team record with 31 wins in 2015-16 (31-9-1) and won its first ever NCHC Frozen Faceoff championship at the Target Center. The number one seed at the 2016 NCAA West Regional, SCSU was led during the season by All-Americans Ethan Prow and Charlie Lindgren. The NCHC Player of the Year, Prow was also selected as a Hobey Baker Award top 10 finalist in 2016.

SCSU and the Stanley Cup

In recent years, several former St. Cloud State University hockey players have hoisted the Stanley Cup as part of championship seasons with the Carolina Hurricanes, Anaheim Ducks and Detroit Red Wings.

The SCSU Stanley Cup connection also includes Hall of Famer Frank Brimsek, who helped the Boston Bruins win two NHL titles during his career from 1938-50.

St. Cloud State's Matt Cullen and Bret Hedican led the Carolina Hurricanes to their first Stanley Cup championship during the 2006 season, while Joe Motzko and Mark Hartigan were with the Anaheim Ducks organization during their title run in 2007.

Hartigan returned to the spotlight in 2008, as part of Detroit's championship season.

Clockwise from top: Matt Cullen, Bret Hedican, Mark Hartigan, Mark Hartigan and Joe Motzko, Joe Motzko.

SCSU Hockey Pioneer - Roland Vandell

One of St. Cloud State's hockey pioneers was Roland Vandell. A native of Eveleth, Minn., Vandell was a math major and played hockey at St. Cloud State Teachers College during the 1930s. He also went on to teach and coach at SCSU from 1946-50 and during the 1951-52 season.

In 2006-07, SCSU received a gift of \$100,000 to provide scholarships for student-athletes in the Husky men's hockey program. The gift established the Roland A. Vandell Family Endowed Scholarship.

Vandell was inducted into the SCSU Athletic Hall of Fame in 1987.

In Memory of Marty Sundvall 1965-2012

A longtime member of the St. Cloud State University Athletic Media Relations Statistics crew, Marty Sundvall passed away on May 13, 2012. His dedication to Husky Athletics and presence in the NHEC press box will surely be missed. He was a leader for the Husky Stats crew since the 1990s and helped make it one of the best in all of college hockey.

***The Herb Brooks National Hockey Center
Home of the Huskies!***

The WOW Factor at SCSU!

The renovation project at the Herb Brooks National Hockey Center, which started after the completion of the 2011-12 season, has made a major impact on the home of the Huskies.

The project has produced a definite wow factor for the facility, which was originally opened during the 1989-90 season at SCSU.

Some of the features include a dramatic southside atrium entrance and ticket lobby, a wider and improved main concourse level, concession areas, restroom facilities, pro shop and the classy Husky Den club room.

On the top of the south side grandstands, 14 luxury suites have been added along with new elevator access to the suite level.

SCSU team's have also benefited from the project with new locker rooms, changing rooms, player lounges, athletic training facilities and equipment areas.

The Herb Brooks National Hockey Center - A Great Home for a Great Team!

SCSU's Herb Brooks National Hockey Center

New updates enhance the home of Huskies Hockey!

Loyal and loud fans, great sight lines and a true collegiate atmosphere make the Herb Brooks National Hockey Center one of the best places in the nation to watch NCAA Division I hockey.

The expanded Herb Brooks National Hockey Center has brought a first class experience for St. Cloud State University hockey fans and athletes. This project added several amenities like gathering areas and 14 new executive suites filled with Husky tradition and it modernized the facilities, improving everything from locker rooms to a front atrium and ticket lobby.

As fans enter the Herb Brooks National Hockey Center, they are greeted by a new entrance on the south side of the building, which will include a spectacular atrium ticket lobby filled with Husky colors and tradition. New elevators and stairways lead fans to an improved main concourse level that includes new restroom facilities, concession areas, trophy showcases and the classy Husky Den club room. A new team store, located at the site of the old west side ticket office, features a wide selection of Husky souvenirs for fans on game day. The suite level, also accessible by the main elevators, offers 14 luxury suites. The new suite experience includes complete food service, wide screen video monitors, deluxe seating and a premiere view of the main arena's rink.

For the SCSU student-athletes, the renovation provides new and improved training facilities and locker room areas. Both the SCSU men's and women's locker facilities have been completely revamped and feature a variety of new amenities including hydro-therapy pools, changing areas and team rooms with custom build locker stalls. The end result is a first class training and game-day environment for our student-athletes.

The project has also provided room for a new loading dock, audio-visual updates, and equipment storage areas along with a new entrance and ticket window for the Herb Brooks National Hockey Center's practice rink.

The Brooks Center, located on the south end of the St. Cloud State University campus, has been the home to Husky hockey since December of 1989. In the first game played at the Brooks Center, the Huskies defeated Northern Michigan 5-4.

The victory was just a harbinger of the good times to come at the Brooks Center. Since 1989, St. Cloud State has enjoyed a 62.0 percent home ice winning rate, which features a 305-170-53 record since that first game on Dec. 16, 1989.

In terms of hockey history, the Brooks Center has created its own sense of tradition. The raucous Dogg Pound student section, SCSU's trademark player introductions and a deafening sieve chant whenever the Huskies score make the Brooks Center the place to be during winter nights in Central Minnesota. In fact, over 2.7 million fans have watched the Huskies play at the NHEC since 1990.

The NHEC is a multi-purpose facility featuring two Olympic size sheets of ice under one roof. Overall, the facility measures over 175,000 square feet with each sheet of ice measuring 200x100.

The main ice arena, which has been named in honor of former SCSU president Brendan J. McDonald (an advocate for the Huskies' move to Division I in 1987-88), seats 5,371 spectators. The lower level seating throughout the main arena features seatbacks, and seatbacks were added to upper level seating on the north side of the building in 2000 and the south side in 2006. The remainder of the upper level seating is bench style.

The main arena has several luxury suites on the southside and east end of the rink. Two scoreboards with jumbo video replay screens are located on the east and west ends of the main arena. The wide concourse of the main arena features full concession stands, ATM, bathroom facilities, ticket office, pro shop and in-game television monitors located throughout.

New wall graphics throughout the building salute the rich history of Husky hockey. Media providing coverage for the Brooks Center events are able to work in a spacious press box along the upper level of building's north side. The press box was remodeled in 2000, and it offers in-game statistic monitors and ample seating for newspaper, web media, radio and television coverage. Press work rooms and interview areas are located on the lower level of the building. An elevator provides complete access to all levels of the facility.

The second sheet of ice is adjacent to the main area, and it can accommodate several hundred spectators. Two Zambonis maintain and groom the ice on both rinks.

On the lower level, one can find 11 locker rooms, two officials rooms, a fully equipped athletic training room, a weight lifting/fitness center, player lounges, equipment rooms and office space for the SCSU coaches.

The Huskies' locker room is just steps from the main arena. This spacious facility offers players an outstanding place to prepare for games and practice. The main area of the locker room provides players with individual custom build wood lockers. A player lounge is connected to the main locker area, which includes a wide screen television and breakfast bar area. The Brooks Center also offers wireless Internet access for SCSU's student-athletes. Players also have easy access to the main training room and the team's equipment area.

Nothing Beats Home Cooking!

Since opening the NHEC on Dec. 16, 1989, with a 5-4 win over Northern Michigan, the Huskies have made full use of their home ice advantage.

A total of more than 2,725,219 fans have packed themselves into the National Hockey Center since the doors opened.

In fact, SCSU owns a 305-170-53 all-time record in the National Hockey Center since 1989-90 – which translates to a .620 winning rate in the NHC. Over the last 14 seasons, the Huskies own a 194-99-33 home ice record at the National Hockey Center.
