BLIZZARD'S BULLETS

LEADING OFF

St. Cloud State Baseball returns to the diamond this weekend with a trip to Florida for a three-game series at Nova Southeastern followed by two games against Caldwell and one each against Bentley and Pace over a three-day span. The Huskies open their series at Nova with a 5:00 p.m. CT first pitch on Thursday in Fort Lauderdale followed by a 5:00 p.m. CT start on Friday and a noon CT finale on Saturday. SCSU will enjoy an off day on Sunday before picking things back up with Caldwell on Monday, Bentley on Tuesday and a doubleheader with Pace and Caldwell on Wednesday to close out the trip.

BROADCAST INFORMATION

The Nova Southeastern series will be broadcast on the SSC Digital Network with live stats provided by NSU. Fans can find links to each coverage option online on the SCSU Baseball schedule page as well as following the Huskies on social media.

LOOKING BACK

St. Cloud State hasn't played a game since splitting a four-game series at Arkansas Monticello in mid February. The Huskies scored 71 runs over the course of the four-game series, slashing .409/.526/.683 as a club for a 1.209 OPS while producing 67 hits – 26 of which went for extra bases.

A LOADED LINEUP

The Huskies currently lead the NSIC in nearly every offensive category including runs per game, batting average, on-base percentage, slugging percentage, OPS and walk rate while striking out at the lowest clip in the league.

WHAT GIVES?

Entering the Florida trip, SCSU is 0-3 in one-run games and 0-1 in two-run games. The metrics point to poor luck - especially so on the mound. Despite owning bottom-five ERA, FIP and batting average against marks, the Huskies' pitching staff leads the NSIC in K/9 while ranking second in strikeout rate, walk rate and K/BB ratio while working in front of the league's top defense by fielding percentage. The club's plus-50 run differential gives them a 6-2 expected win-loss record, signaling good things to come for one of the most explosive lineups in DII.

PLAYER OF THE WEEK, PART TWO

Centerfielder John Nett earned his second consecutive Northern Sun Intercollegiate Conference Player of the Week honor for the week of February 6-12. Nett went 11-for-17 at the plate with 10 runs scored, five doubles, a home run and nine RBI while anchoring a Huskies lineup that produced 71 runs in four games. The leadoff man slashed .647/.695/1.118 for a whopping 1.813 OPS, recording two four-hit contests and one three-hit game. This marked the third time Nett has been named NSIC Player of the Week in his St. Cloud State career.

FAMILIAR FACES

Despite this being the first-ever meeting between St. Cloud State and Nova Southeastern, an unlikely pair of a Husky and a Shark are extremely familiar with one another: SCSU righthander Eli Emerson and Nova catcher Danny Irisarri were teammates on the 2021 Waterloo Bucks, helping lead the team to a Northwoods League divisional title. Emerson led Waterloo in wins while Irisarri anchored the middle of the order and played a strong second base as both players provided plenty of impact to the Bucks' success.

DOLAN'S DUGOUT

"I went to school at Florida Atlantic in Boca Raton in 1988, and I kick myself sometimes for ever leaving - I'm absolutely looking forward to getting down there and I'm sure the Huskies are too. Over spring break when guys don't have class and you're in the condos for six, seven days, it's great team bonding. Obviously we want to go down there and win baseball games, but you can really find a lot out about your team. We've had two good weekends of really good baseball, playing good baseball, and now we've gone three weeks without playing. After this, then we start playing on a continuous basis - we're looking forward to playing seven games against some good competition."

On the volatility of the spring schedule... "It's kind of weird. You play 75% of our games in seven or eight weeks, and then in the first five weeks we only play 15 games. We've been able to take advantage of the Husky Dome to scrimmage St. John's, we scrimmaged St. Cloud Tech, but at this point of the season we're ready to start playing somebody else."

BLIZZARD'S BULLETS

On Nova Southeastern... "They've been a top team year in and year out for a reason. They've had some of their key guys out, but their starting pitching and their bullpen is fabulous. It's going to be an extreme challenge, but you've got to play those types of teams. We've played the Arkansas Monticello's, the Missouri Southern's, you play them for a reason. We stuck with both of those teams, and we hope to be just as competitive with Nova. Somehow we've got to find a way to win two out of three, which is almost easier said than done against a team like that. The guys are ready to play, no matter who it is or where it is. We're playing to get better."

On the lineup's league-leading production... "Part of it is the short porch and howling winds in Monticello - which is also why our pitching stats are inflated as well. I will say this: we haven't had a lot of lineup depth in the past, and now we have some depth. I've been talking with Doc about how we match some guys up in platoons, moving guys around, that's a good problem to have. It's hard because you're going to get some really good players that aren't going to get 200 at-bats, but we've had at least four or five games where every single position player has gotten an at-bat. We've got a good group of guys, and the role players know how important they are in a variety of spots."

Analyzing the depth of the lineup... "Nett and Riola, there's a reason they're First Team All-Conference guys. Wallat struggled a little early on, but over the last few games in Arkansas he really started to get going again - and he's just so strong at third base that you can't take him out. We don't have that prototypical middle-order cleanup hitter, but we have Otto Grimm back and Mason Primus will be back as well. What I like most about our lineup is 7-8-9. When you've got guys like Schiller, Nav, Sawyer, we've got a lot of really good ball players. It's exciting how we can all come together and click - we're clicking offensively, but we have to win games."

On managing the bullpen with seven games in six days... "With seven game sets, we can mix and match a little bit. Ethan Lanthier was our closer last year, he's a starter for us this year, but to be honest if we have a chance to win a game early on he's an option. Now whoever throws those first two days can come back and throw on Tuesday and Wednesday. We've got to play to win games - we've lost four games by a total of five runs. We can't just go out there and just throw guys out there. We can't just be happy with playing good, we have to be playing good and win."

"Last year I think we won 13 games by one or two runs. This year, we're 0-4. Sometimes it just kind of sneaks past you. With our guys, with our leadership - we've got to score some more runs early so we're not in those situations where we're coming back from behind. We've had a couple of situations where we're up two or three runs and have lost, in those games we need to keep adding and get our opponent out of the game. It is frustrating, because I think we're five or six plays away from being at least 6-2 and maybe even 8-0."

NATIONAL NOTICE

St. Cloud State received votes in the 2023 National Collegiate Baseball Writers Association Preseason Top-25 poll, entering the season in the polls for the first time since they began 2019 receiving votes.

OH CAPTAINS, OUR CAPTAINS

Huskies Baseball is captained by four program veterans in graduate student Riley Ahern, redshirt senior Sam Riola and a pair of juniors in John Nett and Jack Habeck. The four share 12 combined years of experience at St. Cloud State as Ahern enters his sixth season, Nett and Habeck each start their fourth and Riola begins his second with the program.

Pat Dolan enters his 16th season at the helm of St. Cloud State Baseball in 2023. Since beginning his tenure with the Huskies on June 15, 2007, Dolan has gone 546-204-1 (.727) as the program's all-time winningest head coach. Named NCBWA DII National Coach of the Year in 2015, Dolan has been honored as Central Region Coach of the Year in 2015 and 2016 while adding NSIC Coach of the Year accolades in 2015.

2023 marks Dolan's 27th season as a collegiate head coach including two years at Itasca College, three at Belmont Abbey and six at Dakota State. Over his 26 seasons, Dolan owns a 847-412-1 career record for a .672 winning percentage with 17 30-win seasons, seven 40-win seasons and one 50-win season.

St. Cloud State Baseball has evolved into a national power under Dolan's leadership, appearing in nine NCAA Regional Tournaments (2010-13, 2015-19) with four region runner-up finishes (2010, 2012-13, 2015). The Huskies earned NSIC Regular Season Championships in 2013 and 2015 along with NSIC Tournament Championships in 2011, 2015 and 2016. SCSU has been routinely ranked in the NCBWA's Top-25 under Dolan including No. 1 reigns in 2015 and 2016.

Winning games has become an expectation at St. Cloud State in the Dolan era. Since 2008, the Huskies have earned 12 30-win seasons, seven 40-win seasons and won a program record 54 games in 2015. SCSU has never finished less than three games over .500 during Dolan's 15 seasons and has earned a top-three conference finish in 14 of 15 seasons including every year since 2010. The Huskies have appeared in 14 of a possible 15 NSIC Tournaments under Dolan, going 32-21 in conference tournament play with a 19-18 record in NCAA Tournament action. Prior to Dolan's appointment in 2008, St. Cloud State hadn't finished .500 or better in a season since 2001.

Over 15 seasons spanning the Dolan era, 66 Huskies have earned All-Conference honors, 48 have gained All-Region status and 20 All-Americans have been crowned. Jordan Smith (2011), Michael Jurgella (2015) and Sam Riola (2022) each were named both NSIC and Central Region Player of the Year while Reese Gregory (2015) and Sheldon Miiks (2016) each were honored as NSIC and Central Region Pitcher of the Year under Dolan. Gregory became the Huskies' first-ever National Pitcher of the Year in 2015.

Six Huskies recruited and coached by Dolan have been selected in the Major League Baseball Amateur Draft – lefthander David Deminsky in 2010, third baseman Jordan Smith and outfielder Brian Hansen in 2011, righthander Kyle Fischer in 2014, outfielder Najee Gaskins in 2019 and lefthander Matt Osterberg in 2021 – in addition to 10 free agent signees. Ryan Duffy, Caeden Harris, Caleb Marquez, Reese Gregory, Garrett Harrison, Mike Jurgella, Sean Borman, Scott Lieser, Nate Hammes and Kyle Resser each signed professional contracts after their St. Cloud State careers concluded. Former Husky righthander Nick Anderson became the sixth SCSU product to reach the Major Leagues after debuting on March 28, 2019 for the Tampa Bay Rays – Anderson spent 2009-11 at St. Cloud State before concluding his career at Mayville State and being drafted by the Milwaukee Brewers in 2012.

Excellence in the classroom is a staple of the Pat Dolan era at St. Cloud State, with 129 Huskies earning Academic All-Conference honors in addition to 10 Academic All-District recipients. Four Huskies have earned Academic All-American status under Dolan's leadership.

Dolan has built St. Cloud State into an offensive juggernaut, as his teams have produced 7.38 runs/game on a .324/.406/.482 slash line for a .888 OPS. The Huskies have never posted a team OPS below .802 in a full season under Dolan and have hit better than .300 in 13 of 14 full campaigns – the lone exception being a

.299 team average in his debut season. 16 program offensive records are owned by Dolan-led teams. 29 qualifying Huskies have posted OPS marks north of 1.000 under Dolan's direction while 64 qualifiers have produced an OPS of .900 or better.

A key factor in the Huskies' success under Dolan is a legacy of stellar pitching. Throughout the Dolan era, St. Cloud State owns a 3.65 staff ERA with a 1.29 WHIP, a .677 opponent OPS and a .248 batting average against. The Huskies have posted a team ERA south of 3.00 four times in the Dolan era and have recorded a sub-4.00 ERA a total of eight times. Missing bats and limiting walks are two key factors in the success of Dolan-led pitching staffs as the Huskies have punched out 9.0 or more batters per nine in six seasons and own a 3.6 BB/9 mark since 2018 – issuing less than 3.0 walks per nine innings in eight of their last 10 seasons.

Dolan's coaching philosophy preaches excellent fundamentals, evidenced by the Huskies' emphasis on consistent defensive effort. 14 players have earned Gold Gloves in the Dolan era – including ABCA/Rawlings National Gold Gloves won by Michael Jurgella and Tate Wallat for their work at catcher and third base respectively in 2015 and 2022 – as St. Cloud State has recorded a .965 team fielding percentage and a 37.16 range factor/9 since 2008. The Huskies established a new program record for best team fielding percentage in 2019 at .977, recording a fielding percentage of .970 or better four times. Huskies catchers have thrown out 28.1% of attempting basestealers in the Dolan era while the defense has turned 464 double plays.

St. Cloud State went 37-13 in 2022, finishing second in the Northern Sun and just missing the NCAA Tournament. The Huskies' pitching staff fired nine complete games, logged six shutouts and threw a pair of no-hitters including a perfect game thrown by Luke Tupy on April 21 – just the 28th perfect game in NCAA DII history. Transfer second baseman Sam Riola earned NSIC and Central Region Player of the Year honors after slashing .429/.533/.890 for a 1.423 OPS, setting a new program record with 22 home runs while driving in 66 and stealing 30 bases – becoming one of just two DII players to homer 20-plus times with 30-plus stolen bases in 2022. Tate Wallat earned an ABCA/Rawlings National Gold Glove at third base while hitting .368 and scoring 50 runs. Centerfielder John Nett hit .359 with 17 doubles, 15 steals and a .975 OPS to anchor the top of the lineup. Tupy went 6-1 with a 1.37 ERA, striking out 76 over 46.0 innings to earn NSIC Freshman of the Year and All-American honors alongside Riola. Ethan Lanthier added an All-Region nod in his true freshman season, going 5-0 with a 2.43 ERA and 48 strikeouts in 33.1 innings out of the bullpen. Ryan Duffy signed a professional contract with the Fargo-Moorhead Redhawks after the season to become the 28th Husky under Dolan to play professional baseball.

2021 saw Dolan navigate the Huskies through a pandemic-altered season, leading St. Cloud State to a 22-14 record and a third-place finish in the NSIC standings. Dolan earned his 500th win at the helm of Huskies Baseball with a 9-0 win over No. 24 Minnesota-Crookston on April 24. As a team the Huskies slashed .316/.412/.496 for a .908 OPS, their highest mark since their historic 2016 campaign. John Nett broke out in a big way with a .378/.515/.575 triple-slash for a 1.090 OPS out of the leadoff spot, stealing 15 bases and scoring 45 runs. Paul Steffensen and Matt Quade each added OPS marks north of .960 in the corners while first baseman Jake Shusterich earned All-Region honors with a .371 average and a 1.114 OPS. Four players earned All-NSIC honors and ace Matt Osterberg was selected in the 15th round of the 2021 MLB Amateur Draft by the Philadelphia Phillies. Caleb Marquez signed a professional contract with the Rocky Mountain Vibes following the season.

The Huskies started off the pandemic-shortened 2020 season by going 9-5 before the season was halted by the COVID-19 outbreak.

St. Cloud State earned another 40-win season in 2019, going 41-14 under Dolan's leadership and appearing in their fifth straight NCAA Tournament. Dominic Austing closed his career by earning All-American honors, going 8-0 with a 1.52 ERA across 12 starts with 83 punchouts over 65.1 innings and becoming the program's career strikeout king. Sheldon Miks won eight games and added a 3.87 ERA in his return to the rotation after losing two seasons to injury. Matt Butler shined as the closer, making 20 appearances with six saves and a 2.75 ERA as part of a fearsome bullpen anchored by the talented Ahern brothers Shannon (2.91 ERA, 46.1 IP) and Riley (1.95 ERA, 32.1 IP). Mitch Mallek had a monster senior season, slashing .366/.465/.619 for a 1.084 OPS with 12 homers and 48 RBI, while Mat Meyer hit .354 with seven home runs and 50 RBI. Shortstop Jordan Joseph earned All-Region honors and picked up a Gold Glove alongside the first baseman Meyer. Transfer catcher Toran Shahidi stabilized a key position, posting a .968 OPS with seven home runs and 46 RBI, while centerfielder Najee Gaskins was selected in the 20th round of the MLB Amateur Draft by the San Francisco Giants after posting a 1.025 OPS and stealing 18 bags out of the leadoff spot. Caeden Harris went on to sign a professional contract with the Joliet Slammers.

More challenges awaited SCSU in 2018 as injuries pared down the position player pool to just 10 available student-athletes – again, the Huskies surged past expectations to go 30-17 and make yet another NCAA Central Region Tournament appearance. Dominic Austing anchored a staff missing two of their top-three starters with a 7-1 record and a 1.94 ERA, walking just nine batters in 78.2 innings of work while striking out 76. Mitch Mallek hit .383 with a .990 OPS while Bo Schmitz added a .359/.422/.558 triple-slash for a .980 OPS with eight home runs to anchor the lineup. Caden Harris led SCSU in all four slash categories, producing a .393/.469/.577 line for a 1.045 OPS in his debut season.

THE PAT DOLAN COACHING TREE

The 2017 season provided Dolan and the Huskies with a significant challenge, replacing seven starting position players and losing their ace after just two starts to injury. St. Cloud State responded by winning 41 games, going 41-18 and earning a runner-up finish at the NSIC Tournament before going 2-2 at the Central Region Tournament. Cal Giese ascended to the role of staff ace after the loss of Miks, going 9-2 with a 1.86 ERA over 13 starts while striking out 79. Miles Nablo set a single-season record for relief appearances with 28, saving seven games and posting a 2.37 ERA while Dominic Austing struck out 95 hitters over 80.1 innings of work with a 3.36 ERA. Mitch Mallek earned All-Region honors by hitting .350 with 19 doubles while Jackson Goplen led the lineup with a .974 OPS.

Offensive records came down aplenty in 2016 as the Huskies went 43-10, won the NSIC Tournament Championship and again hosted the NCAA Central Region Tournament as the top seed. St. Cloud State annihilated team hitting records with a .363 average, a .612 slugging percentage, a 1.039 OPS, 147 doubles and 96 home runs as Reese Gregory became a four time All-American after smashing a program record 21 home runs. Judd Davis hit .450 with a .539 on-base percentage to earn NSIC Freshman of the

Year honors while eight of nine everyday starters hit .308 or better. Zak Hoffman and Zach Hoffmann crushed 14 and 11 home runs respectively, Brandon Arnold added 10 while Karl Sorensen hit .403 with 59 RBI. Sheldon Miks earned NSIC and Central Region Pitcher of the Year honors by going 8-3 with a 1.96 ERA, holding a 79:8 K:BB ratio over 87.1 innings of work. Logan Spitzak recorded six saves with a 1.96 ERA out of the bullpen while Gregory went 5-0 with a 1.94 ERA. Gregory would sign with the Fargo-Moorhead Redhawks at the conclusion of his Huskies career.

One of the most dominant seasons in the history of NCAA DII baseball was recorded by St. Cloud State in 2015 as the Huskies went 54-5 under the direction of NCBWA DII Coach of the Year Pat Dolan. SCSU won the NSIC Regular Season and Tournament Championships and hosted the Central Region Tournament as the top seed. The Huskies hit .351 as a team with a .948 OPS – all nine everyday starters hit .300 or better led by NSIC and Central Region Player of the Year Michael Jurgella (.399/.482/.680, 1.172 OPS, 16 2B, 14 HR, 68 RBI), Zak Hoffman (.380/.425/.693, 1.118 OPS, 17 2B, 15 HR, 72 RBI) and Kyle Lieser (.407/.487/.525, 1.012 OPS, 10 2B, 3 HR, 33 RBI). Reese Gregory earned Daktronics NCAA DII, Central Region and NSIC Pitcher of the Year honors after going 13-0 with a 1.49 ERA, six saves and 92 strikeouts over 84.2 innings of work. True freshman southpaw Sheldon Miks burst onto the scene as NSIC and Central Region Freshman of the Year, chartering a 10-2 record and a 1.15 ERA over 86.0 innings pitched. Miks, Gregory, Jurgella, Lieser and Eric Loxtercamp were named All-Americans while Jurgella added an ABCA/Rawlings National Gold Glove. Jurgella signed with the Evansville Otters while Garrett Harrison inked a deal with the Los Angeles Dodgers at the conclusion of the season.

2014 saw St. Cloud State go 37-14 and just miss the NCAA Tournament. The Huskies set a new program record with 13 Academic All-NSIC honorees and three Academic All-District selections. Reese Gregory earned his second straight All-American honor by going 10-3 with a 1.30 ERA in 24 appearances out of the Huskies bullpen, earning seven saves in support of another dynamic rotation of Kyle Fischer, Corey Fitzgerald, Garrett Harrison, Chris Kubitz and Logan Spitzak. The Huskies owned a 2.83 staff ERA as catcher Michael Jurgella handled the pitchers exceptionally well – providing a .383 average, a 1.048 OPS, 15 doubles and seven home runs at the plate for a breakout junior season. Eric Loxtercamp added a .368 average and 15 doubles while Garrett Fischer and Reese Gregory each hit .380 or better on the year. Fischer capped the year by being drafted in the 30th round of the MLB Amateur Draft by the Miami Marlins.

SCSU won the 2013 NSIC Regular Season Championship as part of a 37-11 campaign, earning their fourth straight NCAA Central Region Tournament appearance and finishing runner-up for a third time. The pitching staff recorded their lowest ERA of the Dolan era at 2.54 as Kyle Fischer (11-2, 1.81 ERA), Scott Lieser (10-3, 2.71 ERA), Corey Fitzgerald (6-1, 2.49 ERA) and Chris Kubitz (5-0, 0.77 ERA) formed one of the best rotations in the country. Freshman Reese Gregory earned All-American honors with 10 saves in 21 relief appearances, recording a 1.37 ERA as the closer. Garrett Fischer led the lineup with a .400 average while Sean Borman crushed 20 doubles and drove in 44 with a .367 average and a 1.030 OPS. Lieser added All-American status before he and Borman signed professional contracts with the Milwaukee Brewers and River City Rascals respectively.

The Huskies set a new program record for wins in their fourth-straight season in 2012, going 48-14 and earning runner-up finishes at the NSIC and Central Region Tournaments. Seven players earned All-NSIC honors and six added All-Region honors headlined by Joey Benke, Sean Borman, Phil Imholte, Brian Hansen and Garrett Fischer each posting OPS marks north of 1.000. Imholte stole 31 bags as the Huskies set a new program record with 105 stolen bases, Benke and Hansen each homered 10 times and drove in over 55 runs while Borman led the club with 11 home runs. Scott Lieser and Logan Birr became the program's first ever pair of 10-game winners headlining a rotation supported by Kyle Fischer and Shawn Riesgraf. The Huskies won 20 straight games at one point during the season and set a new program record with a .970 fielding percentage.

St. Cloud State won their first conference tournament championship in two decades with a 2011 NSIC Tournament Championship, going 43-11 to set a new record for wins in a season. Jordan Smith moved to third base and earned both NSIC and Central Region Player of the Year honors by hitting .382 with 22 doubles, two triples, seven home runs and 57 RBI. Scott Lieser anchored a dynamite pitching staff by going 9-0 with a 2.91 ERA, forming a ridiculous pairing at the top of the rotation with Logan Birr as the latter threw 64.0 innings to the tune of a 1.83 ERA. Ryne Schwenke made 21 appearances out of the bullpen with a 1.35 ERA and eight saves while Kyle Fischer, Nick Maiers, Austen Bosch, Chris Kubitz and David Koenig each recorded ERA marks south of 2.50 as the staff pitched to a 2.83 ERA. Smith was selected in the ninth round of the 2011 MLB Amateur Draft followed by Brian Hansen's 49th round selection, both taken by the Cleveland Indians to mark just the second time in program history that two players had been selected in one draft.

In 2010 Dolan's Huskies went a program-record 41-17 and earned their first NCAA Tournament berth since 1991, going 4-2 at the Farmington Regional in New Mexico and finishing runner-up. Third baseman Jordan Smith made it back-to-back NSIC Freshman of the Year honors for SCSU by slashing .457/.521/.829 for a 1.349 OPS with 23 doubles, five triples, 15 home runs and 78 RBI while stealing 17 bases. Left fielder Joey Benke added a .428/.510/.800 triple-slash for a 1.310 OPS while bashing 25 doubles, eight triples and 13 home runs alongside 66 RBI to anchor the lineup. David Deminsky earned All-American honors along with Smith, chartering a 9-4 record and a 3.16 ERA while striking out 107 hitters over 99.2 innings of work before being selected in the 44th round of the 2010 MLB Amateur

Draft by the Minnesota Twins – the first Husky to be drafted since 1992 – while Nate Hammes inked a professional contract with the St. Paul Saints. Righthander Nick Anderson went 8-4 with a 3.33 ERA, punching out 88 over 92.0 frames to give the Huskies their fourth All-Region selection alongside Deminsky, Smith and Benke.

2009 saw the Huskies set a new program record with 36 wins as part of a 36-18 season. NSIC Freshman of the Year Logan Birr burst onto the scene by going 8-1 with a 2.93 ERA, starting 11 games and striking out 72 hitters over 61.1 innings of work. David Deminsky earned All-Region notice alongside Birr as the duo anchored a revitalized rotation featuring Tim Scott and Pat DeLaHunt. Rightfielder Mic Johnson blasted 17 doubles and nine homers while driving in 53 and producing a 1.119 OPS while third baseman Sam Radbil and catcher Nate Hammes each drove in 40-plus runs and posted OPS marks of .960 or better. Freshman first baseman Joey Benke hit .406 with nine doubles and five home runs while Lauren Green homered eight times with a .950 OPS at the DH spot.

On just his first season at the helm of St. Cloud State, Dolan guided the Huskies to their first winning season since 2001 with a 27-23-1 record in 2008 for a third place regular season finish. The Huskies improved their run production by nearly a run and a half per game while dropping their team ERA by almost two full runs. Shortstop Kyle Resser flourished in his final campaign, providing 17 doubles, 10 home runs and a .416 average before signing with the St. Paul Saints. On the mound, Tim Scott and David Deminsky became the first Huskies duo to each start at least seven games and post ERA marks below 5.00 since Matt Lisbeth and Matt Beyer both did so in 2001 – a span of seven seasons.

Pat Dolan was named head coach of St. Cloud State Baseball on June 15, 2007.

Prior to joining St. Cloud State, Dolan spent six seasons leading NAIA program Dakota State University in Madison, South Dakota, becoming the program's all-time winningest coach with a 181-111 career record and was inducted into the Dakota State Athletics Hall of Fame in 2021. He guided a quick turnaround for the Trojans, leading his club to a 15-22 record in his debut 2002 season – tripling their win total from the three prior seasons combined (5-99) – and reaching the regional rankings for the first time in 18 years. His 2003 Dakota State team set a school record with 33 wins and won their first ever NAIA Regional Tournament to advance to the program's first Super Regional, closing the season ranked nationally for the first time in program history.

After playing their most difficult schedule in school history in 2004, Dakota State won their second NAIA Region III Tournament in 2005 and went 34-16 to break their own record for wins in a season. The 2006 Trojans earned a No. 16 ranking in the NAIA Top-25 while going 34-16 for the second straight campaign. In Dolan's final season at Dakota State, the Trojans finished with yet another program record 38 wins as part of a 38-12 campaign, reaching No. 7 in the NAIA national polls.

Dolan spent 1999 through 2001 as the head coach at NCAA DII program Belmont Abbey in Belmont, North Carolina. He completely revitalized a club that hadn't enjoyed a winning season in over 30 years, breaking that streak with a 39-18 CVAC Regular Season Championship in 2001 to earn a No. 26 final ranking in the NCAA polls while being named CVAC Coach of the Year.

In 1997 and 1998, Dolan served as the associate head coach at NCAA DII institution St. Andrew's Presbyterian College in Laurinburg, North Carolina.

At the age of 25, Dolan became one of the youngest coaches in college baseball at Itasca Community College in Grand Rapids, Minnesota. Dolan began his collegiate coaching career with 21 consecutive victories and earned a .761 winning percentage with a 54-17 record over his two seasons in Grand Rapids. 12 players from his first recruiting class went on to play college baseball at four-year institutions while Itasca climbed as high as No. 10 in the NJCAA poll and earned two straight Northern Minnesota League Championships.

Dolan began his coaching career at his alma mater in Cold Spring as the head coach of American Legion Post 428 and assistant coach with ROCORI. He earned a 204-81 overall record and helped his two teams to a combined seven league championships.

Not just a record-setting baseball player, Dolan earned All-American honors at Iowa Western College for Bob Nowaczyk and set career records with a .483 batting average, 92 RBI, 60 walks drawn and 47 stolen bases before closing his collegiate career at Florida Atlantic under Kevin Cooney.

A three-sport standout at ROCORI, Dolan was a six-time All-Conference honoree and 10-time letterwinner while playing for Bob Brink, Jim Thelen and Tom Bergner. He was named Central Minnesota Baseball Player of the Year and participated in the Minnesota State High School League's All-Star games for both baseball and basketball.

A native of Cold Spring, Minnesota, Pat resides in St. Cloud with his wife Jade.

- ▼ Recruited and coached 60 MLB Amateur Draft selections between his NCAA and Northwoods League career

Rob "Doc" Swendra enters his 12th year as a member of the St. Cloud State coaching staff in 2023. Doc is the third-longest tenured assistant coach in the NSIC, serving as the first base coach while instructing the outfielders and hitters.

In Swendra's 11 seasons the Huskies have posted a 399-135 record for an incredible .747 winning percentage, earning seven NCAA Tournament berths (2012-13, 2015-19) and three NSIC Championships. St. Cloud State earned the 2013 NSIC Regular Season Championship in Doc's second season on staff then added back-to-back NSIC Tournament Championships in 2015 and 2016.

A frequent panelist discussing defense at the ABCA National Convention, Swendra has spent time coaching on the Team USA circuit including serving as the Midwest Region's head coach at the National Team Identification Series.

Under the direction of Swendra, 50 Huskies have earned All-NSIC honors, 36 have been named All-Region and 16 have been crowned All-Americans. Two athletes recruited and coached by Swendra – Michael Jurgella and Sam Riola – have been honored as both NSIC and Central Region Player of the Year in 2015 and 2022 respectively. Three Huskies coached by Swendra have been selected in the Major League Baseball Amateur Draft in addition to seven free agent signees.

Defense has been a calling card of Swendra's work on the staff, as St. Cloud State has had 11 players earn NSIC Gold Gloves including centerfielder Eric Loxtercamp's back-to-back nods in 2014 and 2015. Michael Jurgella and Tate Wallat earned ABCA/Rawlings National Gold Gloves for their work at catcher and third base respectively in 2015 and 2022.

Throughout Swendra's tenure, the Huskies own a .968 fielding percentage and a range factor/9 of 37.11. In his first season on staff in 2012, SCSU set a new single-season record for best fielding percentage at .970 – a mark which they have since broken three times in 2017 (.972), 2019 (.977) and 2022 (.975). The Huskies haven't committed more than 60 errors in a season since 2016 and have recorded more than 70 errors just twice in Doc's time on staff.

St. Cloud State has become an juggernaut at the plate under the direction of Swendra, slashing .324/.404/.480 for a .884 OPS while producing 7.38 runs per game since 2012. The Huskies have been exceptionally effective on the basepaths, setting a new program record with 105 stolen bases in Doc's first season as an assistant then breaking the century mark again in 2022 with 102. Huskies baserunners are successful on 75.4% of stolen base attempts under Swendra's watchful eye and nabbed bags at a stellar 85.7% clip in 2021, their best mark of the Dolan era.

Kyle Fischer (2014), Najee Gaskins (2019) and Matt Osterberg (2021) were each selected in the MLB Amateur Draft after playing under Swendra's watch while seven more – Ryan Duffy, Caeden Harris, Caleb Marquez, Reese Gregory, Garrett Harrison, Mike Jurgella, Sean Borman and Scott Lieser – have signed professional contracts.

Swendra served as an assistant coach for the Willmar Stingers in the Northwoods League from 2011-17. A whopping 57 players from Swendra's time with the team have been selected in the Major League Baseball Amateur Draft, and seven have made their Major League Baseball debuts: Steven Brault (Pirates, 2016), Hunter Dozier (Royals, 2016), Anthony Bemboom (Rays, 2019), Colin Poche (Rays, 2019), Ty Tice (Blue Jays, 2021), Tanner Banks (White Sox, 2022) and Phoenix Sanders (Rays, 2022).

In addition to his on-field duties, Swendra also coaches with Pat Dolan's prestigious Starz of Tomorrow baseball camps and clinics.

A graduate of Dassel-Cokato High School in central Minnesota, Swendra starred in baseball and hockey as an All-Conference and All-Subsection two-way player on the diamond while serving as the Litchfield-Dassel-Cokato goaltender. He earned team

MVP honors in both sports and went on to play baseball collegiately at Hibbing Community College.

Doc has been married for 25 years to his baseball loving wife Karen and has three daughters.

VOLUNTEER ASSISTANT COACH EDDIE ESTRADA**Estrada at a Glance**

- Entering his first season on the staff as St. Cloud State's volunteer assistant coach
- Played four seasons and 129 games for the Minnesota Gophers, driving in 46 while adding 12 doubles and 10 homers
- Three-time Academic All-Big Ten selection at Minnesota
- Younger sister Jasmin is a standout softball player at St. Cloud State

Eddie Estrada begins his first season with St. Cloud State as a volunteer assistant coach in 2023.

Well-known in Minnesota baseball circles thanks to his career with the Gophers, Estrada blasted seven home runs to go with a monstrous .920 OPS as a senior in 2019. Across his four-year career spanning 129 games played, the lefthanded power bat drove in 46 while adding 12 doubles and 10 homers, scoring 45 runs and drawing walks at a 13.4% clip.

A three-time Academic All-Big Ten selection at Minnesota, Estrada also spent three seasons in the Northwoods League with the Willmar Stingers. He slashed .296/.376/.425 for a .801 OPS over 107 games in Willmar, doubling 21 times with seven long balls and 61 RBI en route to making a 2016 Major League Dreams Showcase appearance.

Ranked as the No. 1 player in the state of Minnesota by Prep Baseball Report entering his senior season at Litchfield, Eddie is the son of Eduardo and Tanya Estrada. His younger sister Jasmin is a standout softball player at St. Cloud State.

**STRENGTH & CONDITIONING COACH JOSH NEUMANN**

Josh Neumann begins his first season with St. Cloud State as the strength & conditioning coach in 2023.

Since August 2021, Neumann has served as the Associate Director of Sports Performance at Carleton College, where he trained and implemented strength and conditioning programs for approximately 400 student-athletes across 20 sports. Neumann designed and tailored workouts in coordination with coaching staffs to help student-athletes reach their full potential.

Prior to his time at Carleton, Neumann worked as an assistant strength and coaching intern at Concordia St. Paul while finishing his bachelor's degree. Here, he evaluated individual knowledge, skills and strengths, assigned team positions to maximize talent areas, and established benchmarks for performance and assigned team positions.

Neumann played three seasons of collegiate football, first at Pearl River Community College (2016-17), then at NSIC member Concordia St. Paul (2018). He also served as the Defensive Line coach at Stone High School in Wiggins, Miss., from April 2016 to Jan. 2018.

ATHLETIC TRAINER JUSTIN PERREAULT, LAT, ATC

Justin Perreault enters his second season with St. Cloud State as the Huskies' athletic trainer in 2023. He is the primary athletic trainer for Huskies Baseball and Women's Basketball.

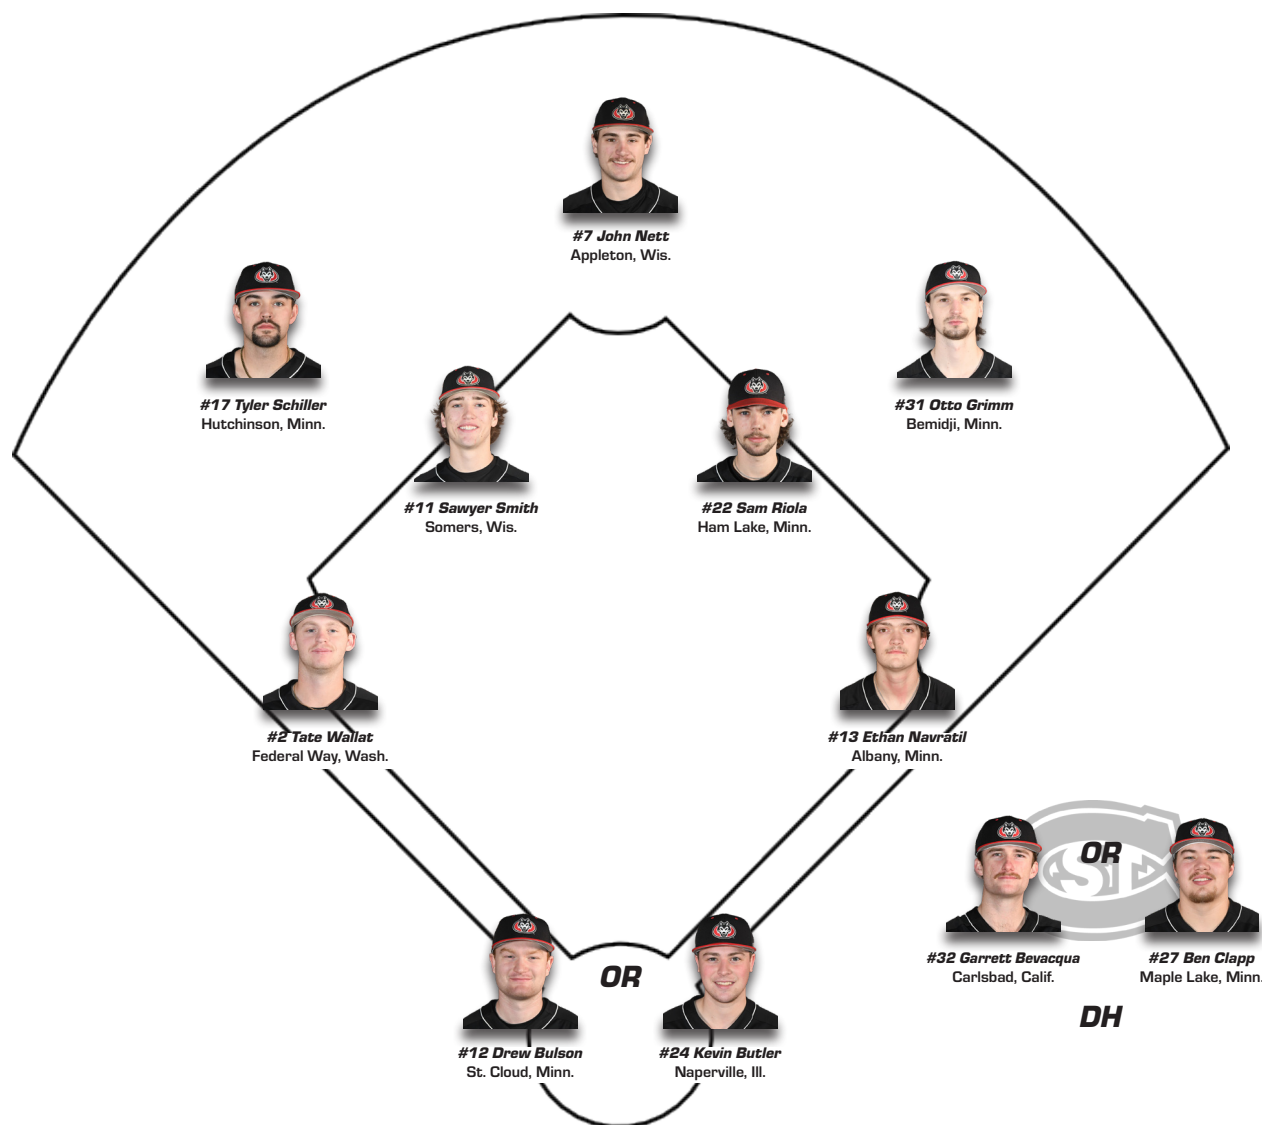

A native of Moorhead, Perreault joined SCSU as a Certified Athletic Trainer with CentraCare in August of 2022 following a year as a Graduate Assistant Athletic Trainer. His experience as an AT includes stops with the St. Cloud Rox, U.S.A. Hockey and the University of North Dakota as an undergraduate student.

Perreault will earn his M.S. in Clinical Exercise Physiology from SCSU this May. He holds a B.S. in Athletic Training along with a double-minor in Psychology and Community Health from the University of North Dakota, graduating in May of 2021.
