HATTERS TWEETABLES

- Stetson football is 0-5 overall for the first time in program history. The team had been 0-4 one other time in its history. In 1931 the Hatters started 0-4 and beat Erskine 19-7 for their first win that season that year.
- In the week five loss at Valpo, Colin McGovern passed for a career-high 383 yards on a career-high 52 attempts to set Hatter records for most in a game in both statistical categories.
- In the week five game at Valparaiso, Stetson outgained its opponent for the first time this season, holding a 450-303 advantage in total yards.
- After allowing an average of over 245 rushing yards per game through the first four game, Stetson held Valpo to just 49 yards rushing, which set a Stetson record for fewest rushing yards allowed in a game by the Hatters. The previous low by an opponent was 53 at Valpo on 10/24/15.
- The Hatters are just one of five NCAA FCS teams yet to intercept a pass this season.
- In week four's loss at home to Campbell makes it five years in a row the visiting team has won since the start of the rivalry in 2013.
- Former Stetson standout Donald Payne made his NFL debut on September 10th for the Jacksonville Jaguars in a win over the Houston Texans. The three-time PFL defensive player of the year is one of five former PFL players currently on NFL active rosters. Payne is the only rookie in that group.
- Overall, Stetson had 24 players make their collegiate debuts in the game at Sacred Heart. That group included 10 true freshmen, 10 redshirt freshmen and four others.
- Sophomore Bryce Blackmon scored his first career touchdown in the game at Marist. Blackmon's two-yard TD run capped a seven play, 59-yard, scoring drive and was the first touchdown of the season for Stetson.
- Prior to Blackmon finding the end zone, the Stetson defense did its job in keeping Marist out of the end zone. The Red Foxes were turned

away on downs inside the Stetson 10 yard line on each of their first two possessions. Freshman defensive lineman Marco Foreman was credited with a share of both tackles on fourth down, sharing with graduates Jeb Boudreaux on the first and Eddie Curry on the second.

- Both Stetson and Marist benefitted from a big defensive play for a score in the game. The Hatters got their defensive touchdown in the second quarter when Boudreaux sacked Red Foxes QB Mike White for a 19-yard loss, forcing a fumble that Eric Martin scooped up and raced 20 yards for a touchdown with Marist answered in the third quarter when Colin McGovern was sacked and stripped by senior Ruben Avalos, who picked up the fumble and scored himself.
- In the game against Dartmouth week three, Colin McGovern found freshman receiver Justin Jordan for a touchdown. It was the first passing touchdown in McGovern's NCAA career and the first receiving touchdown in Jordan's NCAA career.
- So far this season, Justin Jordan has made 27 receptions for 244 yards and two touchdowns.
- In the week four loss to Campbell, Stetson players including junior wide receiver Ja'Vonta Swinton, freshman wide receiver Bensley Bornelus and freshman running back Gordon Stetson all scored their first NCAA touchdowns.
- While Stetson has a group of five players who serve as captains for the 2017 season, the four players who went to midfield for the coin toss at Sacred Heart were the four closest friends of Nick Blakely. That group included redshirt freshmen JJ Henderson and Jeremiah Nails along with sophomores Cam Adams and Reggie Gantt.
- The Hatters were held to just three points in the loss to Sacred Heart, the first time Stetson has been held to just a field goal since Sept. 26, 2016 in a 41-3 loss at Drake.
- The only turnover for the Hatters in the game at Sacred Heart came on a fake punt. Freshman Matias Gasc basically threw the ball as far as he could and the pass was intercepted by the Pioneers' Andrew O'Neil, who was back as the punt returner.
- Backup quarterbacks Cole Martin (1) and Nick Andreas (3) both made starts during the 2016 season, which saw Stetson use five players at QB.
- Two things Stetson has not yet done in four-plus seasons is return a kickoff or a punt that wasn't blocked for a touchdown.
- Stetson has returned three blocked punts for touchdowns and one blocked field goal in four seasons.
- The Hatters are 4-7 in games decided by a touchdown or less (7 points) since restarting the program in 2013.
- The Hatters have won more games away from home (8) than at home (6) since the start of the 2013 season.
- Almost half of the players on the Stetson squad to open the season came from the

state of Florida (50). In addition to the Sunshine State the Hatters hail from 17 other states and one US Territory. Behind Florida, Georgia (18) and California (5) are the most represented states on the roster.

- The Hatters have five captains for the 2017 season: LB Jeb Boudreaux, RB Arkee Brown, DE Jeff Fallabel, DB Dre Long and QB Colin McGovern.
- The Sacred Heart game was the first for Stetson in which no players from the original team in 2012 were on the roster.
- For the first time since restarting the program, the entire Stetson schedule consists of NCAA Division I opponents.
- Stetson is looking to finish better than .500 for the first time since 1951 (8-1-2). The Hatters' best record was 5-6 during the 2014 season.
- In week three's loss to Dartmouth, the Hatters were held to -3 yards rushing, the lowest output for Stetson since the restart of the program, and the first time they netted negative yardage for a game.
- Stetson was held to less than 100 yards rushing as a team in four of 11 games last season and all five games this season. The Hatters have failed to rush for at least 100 yards in a game in 20 of 50 games since restarting the program. Not surprisingly, the Hatters are 0-20 in those games and 14-15 in all other games. Here is a look at the games when the Hatters were held to less than 100 yards on the ground.
- Five of the eight lowest rushing outputs in Stetson's history since restarting the program in 2013 have all come this season. The Hatters' season best rushing output this season was 69 yards against Marist in week two.

- Extremes in passing yards in a game does not provide an accurate measure of success for the Hatters. Stetson has failed to throw for at least 100 yards in a game six times, and is 0-6 in those games. The Hatters have passed for more than 200 yards in a game 21 times, but are just 5-16 in those games.
- Over 50 games, the Hatters have scored defensive or special teams touchdowns 14 times. Amongst current players, Eric Martin now has two and Shayne White has one. The Hatters have also posted two safeties, one in 2014 and one in 2016 against Valpo.

The Coaching Staff

- The 2017 season mark's head coach Roger Hughes' 32nd season of college football. He joins linebackers coach Bob Majeski to have reached three decades of college coaching.
- Roger Hughes is the ninth different head coach in Stetson football history. He has a career record of 61-86 in 13 seasons as a collegiate head coach.
- With Stetson's 2013 win over Warner, the nine Hatter head coaches have combined to go 7-2 in their debut contests.
- Before coming to DeLand, Hughes already had 10 years of head coaching experience, posting a 47-52 mark at Princeton from 2000-09.
- Hughes' Tigers shared the 2006 Ivy League title, going 9-1 overall and 6-1 in "the ancient eight".
- Hughes has previously served as an assistant with the Omaha Nighthawks of the UFL and collegiately at Dartmouth, Cameron, Wisconsin-Whitewater, Nebraska and, his alma mater, Doane College in Crete, Nebraska.
- Hughes graduated from Doane in 1982 after playing both football (tight end) and golf. His daughter, Maddison, is in her senior season as a member of the women's golf team at Doane.
- Jacob Behrns is back for his fourth season with the Hatters. He coached tight ends in 2014, but led the receivers in 2015 and 16. A graduate of Wayne State, Behrns also has a degree from the Arizona Culinary Institute.
- Nolan Behrns returns for his sixth year at Stetson where he serves as the Director of Football Operations and also works with the Hatters kickers. He was the first person hired by Hughes when he agreed to take the job of building the new Stetson program from scratch in 2011.
- Brian Boerboom came to Stetson in 2015 from Southeast Missouri State, where he had served as offensive line coach for eight seasons. Boerboom played collegiately for Tom Osborne at the University of Nebraska where he was an All-Big Eight selection. His son, Jacob, is a linebacker for the Hatters.
- Matt Diniak returns for his fourth year as running backs coach. He played collegiately at Grand Valley State for current Notre Dame head coach Brian Kelly and got his coaching

start as a member of Kelly's staff in 2001. He spent four seasons working for the Tampa Bay Bucs as an offensive scout.

- Jonathan Johnson is in his second season as defensive line coach for the Hatters. He came to Stetson in 2016 from Mississippi Gulf Coast Community College where he filled a variety of roles, including equipment manager and facility manager in addition to coaching the offensive line, tight ends and full backs.
- Bob Majeski is a member of the three-decade club for the Hatters. He returns to coach linebackers while also working to coordinate the Hatters' special teams. Majecki played collegiately at Kansas State and has worked in virtually every capacity possible as a coach, including multiple stops as a head coach at the junior college level, earning Jayhawk Conference Coach of the Year honors in 2010.
- Clay Mazza is in his second season as a full-time member of the coaching staff as the tight end coach. Prior to being a full-time coach, Mazza worked for two seasons as a volunteer assistant coach with the Hatters. He graduated from Lenoir Rhyne University and was a three year member of the football team. While there, the team won the conference championship each year and went to the national championship game in 2013.
- Cliff Odom is the lone new member of the Hatters coaching staff in 2017, serving as defensive backs coach. A native of Arlington, Texas, Odom worked as a graduate assistant for the University of Missouri in 2016 and Texas Christian University in 2015. As an undergraduate, he played four seasons at Baylor University and was team captain for three. He is the son of Cliff Odom, Sr., who played linebacker in the NFL for 13 season with the Cleveland Browns, Baltimore / Indianapolis Colts and Miami Dolphins.
- Defensive coordinator Brian Young was the first on-field coaching hire for Hughes and he has been a steady force on the staff from the very first day. Also a former player at Georgia Southern, Young played in the arena leagues before starting his coaching career and has had stops at Mississippi College and Cornell before joining the Stetson staff.

Season Dedicated to Memory of Nick Blakely

Nick Blakely had an infectious smile, the spirit of a competitor and was looking forward to playing in his first Hatter football game this Saturday.

The 19-year-old accounting major had complained about being light-headed Monday evening and was on the sidelines being monitored by athletic trainers when he collapsed.

The trainers performed CPR on him until paramedics arrived. He was taken to Florida Hospital DeLand, where he passed away.

The Hatter football team and hundreds of others from the Stetson Community gathered on Tuesday, just hours after his passing, to remember Blakely.

Wearing black stickers with Blakely's number 37, the crowd overflowed from the auditorium as they held hands, prayed and embraced.

"I saw what it meant to be a Hatter last night," Head Coach Roger Hughes told the students, faculty and staff. "When a tragedy like this hits part of our family, we come together as a family. We come together to support each other ... to feel the spirit that makes us Stetson Hatters."

Football practice was canceled and flags were lowered to half-staff on the Stetson campus in Blakely's honor. A campus memorial service was

held on Thursday, August 31.

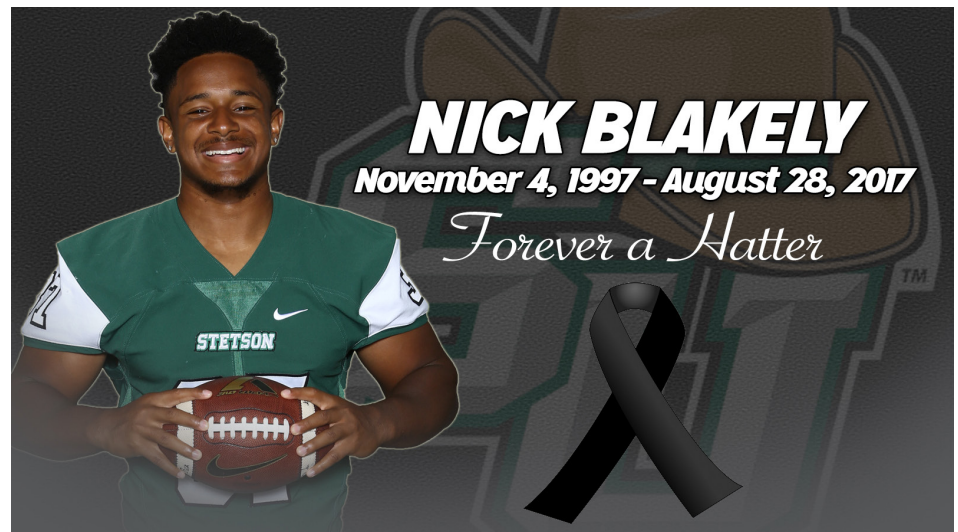

The University provided counselors at Blakely's classes on Tuesday, as well as for his teammates. Counseling hours were extended Tuesday for students who needed assistance. And grief counseling sessions were made available for coaches, staff and athletic trainers.

Social media was filled with kind words and condolences for Blakely. In one tweet posted Monday night, fellow teammate Matt Andreas said Blakely spoke with another player just hours before his death and said, "I'm not much of a traveler, but I'd sure like to go to heaven."

"Stories like this only confirm God," Andreas, a freshman receiver on the team, tweeted Monday night. "Literally gives me chills just thinking of it."

The Hatters will play the 2017 season with helmet stickers emboldened with NB. Several other Stetson teams will also wear stickers this year.

Hatters History

- The 2017 season marks the 53rd overall season of play for Stetson football. The Hatters have an all-time record of 173-169-27.
- Stetson began play in 1901, defeating the Florida Agricultural College, 6-0, on Nov. 22 (Thanksgiving Day) at the State fairgrounds in Jacksonville.
- The Hatters compiled a 155-127-27 (.543) mark in their history prior to discontinuing the program following the 1957 season.
- Stetson participated in the 1951 Tangerine Bowl, defeating Arkansas State, 35-20.
- The Hatters claimed the Florida state championship six times (1901, 03, 05, 06, 07 and 09).
- The program had been halted three times before, not competing in 1915, 1917-18 (World War I) and 1941-45 (World War II) in addition to 1957-2012.
- All four times that Stetson has missed a season of play, the Hatters won their first game upon the program's resumption, downing Rollins College in 1916, the Florida Military Academy in 1919, Troy in 1946 and Warner in 2013.
- Stetson football has produced 22 coaches and players who have been inducted into the Stetson Athletics Hall of Fame, in addition to the 1927, 1938 and 1951 teams.

Noting the Hatters

- LB Jeb Boudreaux is the lone returning Hatter who was named to the All-Pioneer League team last season. He also led the team and Pioneer Football League in tackles in 2016 with 116.
- After sitting out last season with injury, Colin McGovern is the starting quarterback this season. Last season, the Hatters had three different starting quarterbacks (Nick Andreas, Gaven DeFillippo, Cole Martin)
- RB Arkee Brown was the leading rusher last season amongst the returning running backs this season with 137 yards.
- TE Donald Parham led the Hatters in receiving touchdowns in 2016 with six and was one of only two Hatters to amass more than 100 yards receiving in a game during the 2016 season. He had 109 yards receiving against Marist (11/5/16). He has looked very impressive during the 2017 preseason camp, and is expected to be a big part of the offense this season.
- LB Jacob Boerboom is the son of offensive line coach Brian Boerboom and is one of six children.
- Five members of the 2017 Hatters are enrolled as graduate students (Jeb Boudreaux, Eddie Curry, Dre Long, Austin Tyrell and Shayne White).
- DB Eric Martin is the only returning Hatter to have more than one interception last season. He had two interceptions in 2016 along with six pass breakups.
- WR Luke McDermott, who redshirted last season, was originally a quarterback but made the switch last season.
- Despite being located in DeLand, the Hatters have just two players who attended DeLand High School (Jackie Johnson and Austin Tyrell).

- QB Nick Andreas set a Stetson record for most passing yards in a game with 339. He set the record against Marist College (11/5/16).
- FB Tony Gilotti is the only Hatter from Volusia County not from DeLand. He is a resident of Orange City and attended University HS.
- PK Jonny Messina redshirted last season, but has already proven his ability to kick from distance. He successfully connected on a 51 yard field goal attempt during a team scrimmage at preseason camp.
- QB Gaven DeFillippo, who is redshirting this season, led the Hatters last season in completions (131), passing yards (1,272) and touchdown passes (9).
- RBs Bryce and Chase Blackmon, who are twins, are both expected to be key parts of the running game in 2017.

Quoting Hatters Coach Roger Hughes Thoughts on the Valpo game:

Good and bad. I was really proud of the effort the kids put in after falling into a deficit so early. I thought that when a team has not had a lot of success and is down 10-0 it's easy to just fold the tent and ride it out. But our guys didn't do that. They hung tough and kept fighting and fighting, and once we got through that first series, we held our own, came back and did some good things. All you can ask for is a chance to win the game in the fourth quarter and we had that with less than two minutes remaining in the game. We didn't execute like we should have, but there was a lot of improvement and certainly and there was a lot of build on as we progress further into the season.

On keeping Valpo to just 49 yards rushing, a new Stetson defensive record:

I think our kids played well and I think that our kids are getting more and more comfortable with their role in the defense. We gave up a bunch of rushing yards to Campbell quarterback a few weeks ago because the kids did not do the technique that was executed. It wasn't a big mistake but anytime we rush off the edge you're supposed to take the deepest back which is the quarterback. And they were taking the upback instead of covering the quarterback. That made us a gap short and allowed the quarterback to run a bunch. And so we emphasized all week of 'do your job.' You don't have to make every play. You just have to be where you're supposed to be when you are supposed to be there, and that is what they did a large percentage of the time. The other thing that happened when we did give up yards, in the passing game a couple of times it was a miscommunication, where two corners were playing man and the rest of the secondary was playing zone. That is what we worked very hard on this week was to improve glitches and communications we may have had.

On the improvement on offense:

I think everyone played better. Our offensive line did a great job of holding up pass protection. Colin had been hit numerous times in earlier games and he didn't get touched much this week and I think it's a combination of the line playing well and Colin getting rid of the ball quickly. I think the other thing

was we were able to establish a run game. We were able to run the ball effectively, especially early in the game, which just makes it easier to call plays. Like when it's second and six as opposed to second and fifteen it makes a big deal. The thing we didn't do well was the turnovers. We had two fumbles, one that put us down 10-0 before the offense saw the field, and another one inside the 20 where they got another field goal. You take away those six points and we win the game. Add that to the interception on the very last play which was the right read, it was the right person to go to, but the ball placement on the throw needs to be deeper in the end zone. And we practice that everyday, but we just didn't execute it appropriately.

On the team's growth and remaining confident:

I credit our player, who have blocked out the noise so to speak. They have kept their focus on the process. You can stand around and gripe about being 0-5 or you can roll up your sleeves and do something about it. And our guys are taking the approach that we are going to do something about it.

The second thing I attribute it to is our fine assistant coaching staff who is demanding, but staying positive and basically telling them not how to do it wrong, but how to do it right. I think part of it is we had eight new starters on offense who never played a college game before, we had four on defense and both our kickers and our long snapper, so we had fifteen of our twenty-five starters who never played in a college game before, and so we expected a learning curve, but I think our learning curve flattened out with the events that happened early in the year (death of teammate followed by Hurricane Irma) and I think what you have seen is improvement in the second half of the Campbell game and that carried over to the game against Valparaiso, and so I think the learning curve we expected to occur three weeks ago, occurred over the last couple of weeks and we need to keep that going against a very good Brown opponent.

Scouting report on Brown:

Offensively they have some of the best weapons we are going to see all year. Their receivers and running backs are very good. Their quarterback did not start at the beginning of the year, but has started since the Harvard game. And they seem to have found a niche with him, someone who can do a lot. He is not as experienced as the other quarterback, but he's creating a lot of plays and they are scoring a lot of points. So that is going to be a challenge match-up wise because their skill is probably going to be the best we face.

Defensively, they run a Virginia Tech style four-four defense so they always got six guys around the box, sometimes seven. They are an aggressive defense, they are not afraid to blitz. They are not afraid to bring safety blitzes and things like that, and so it comes down to being able to run the ball efficiently. We have to find ways to run the ball efficiently and we have to find ways to nickel and dime them a little bit with a short passing game to take some pressure off our offensive line, and hopefully get them spread out a little bit.
