SERIES HISTORY

- The series between Stetson and Morehead State dates back to 1953 when the Hatters hosted the Eagles and posted a 41-0 victory.
- The programs did not meet again until the 2014 season when Morehead State took a 41-18 victory on its home field thanks to the arm of Eagles QB Austin Gahafer, who threw for 314 yards and four touchdowns.
- The programs did not play

again until 2017 when the Hatters dropped a three-point decision, 29-26, at Jayne Stadium when MSU scored the winning touchdown with just 30 seconds left to play.

- The Hatters got their first win over MSU in the modern era last year with a 48-24 victory thanks to the passing of Colin McGovern (398 yards, 4 TD) and receiving of Donald Parham (9-187-2) and Steven Burdette (4-109-1).

2019 HATTERS NOTEBOOK

- Stetson will be looking to close the 2019 season on a high note, after dropping consecutive home games, when they travel to face Morehead State in the season finale for both teams.
- Like the Hatters, the Eagles have struggled late in the season, losing three of their last four games with the only win coming against Valparaiso. MSU dropped a 52-30 decision at San Diego last Saturday.
- It will be senior day at Morehead State, with 10 Eagles playing their final home game.
- The Hatters come into the season finale averaging 32.1 points per game for the year, but just 14.5 points per game over the last four weeks. MSU is averaging 29.9 points per game, but the Eagles are allowing 34.9 points per outing.
- Both teams come into the game on the short end of the turnover margin for the season. MSU has allowed three more turnovers than they have gotten while the Hatters are minus four. The Eagles have forced 11 fumbles on the year, recovering 10, but have also lost 11 fumbles.
- MSU quarterbacks have completed passes to 23 different receivers this year. Stetson has completed passes to just 14 players and will go into the game at MSU with just 12 of those able to play.
- There will be several Stetson milestones and records to watch for during the game this week. Here are key statistics to watch:
- QB Gaven DeFilippo needs seven rush yards for 500 in his career, needs 240 passing yards for 3500 in his career, is two TD passes away from 30 in his career and also needs 248 yards of total offense for 4,000 in his career. DeFilippo is also 21 completions shy of 200 for the season and 185 passing yards away from 2,000 for the year.
- Steven Burdette, if he is able to play, needs one reception for 75.
- Kicker Jonny Messina needs two points to break the Stetson season scoring record. He needs three PATs to tie his own season mark from last year and he is seven points shy of 200 for his career.
- Johnson broke the Stetson season record for kickoff return yards with his five returns for 140 yards against Davidson. He now has 650 KO return yards this season, which is already good for second on the Stetson career list behind the 931 yards in returns by JaVonta Swinton from 2014-17.
- Johnson also owns the season record for punt return yards with 132 and trails only JJ Henderson (159) on the Hatters career list.
- Freshman Jalen Leary moved to within six yards of the modern Stetson record for rushing yards in a season which is held by Cole Mazza (2014). Leary needs 84 rushing yards in the Hatters season final to become the first runner in the modern era with 1,000 rush yards in a season. He is also 44 all-purpose yards away from 1,000 for the year.
- Redshirt sophomore Alex Piccirilli threw his first career touchdown pass in the game against Davidson last week, connecting with red-shirt freshman Justin Curtis for a 49 yards score.
- The Hatters were without their top two receivers (Justin Jordan and Steven Burdette), second leading rusher (Jareem Westcott) and veteran offensive lineman (Brad Alexander) for the game against Davidson. Jordan, Westcott and Alexander are out for the year and Burdette is questionable for the season finale. Alexander's injury snapped his streak of 22 consecutive starts on the offensive line.
- Senior Colby Duncan moved past Jeb Boudreaux (2013-17) into second place on the career tackles list with his 12 tackles against Davidson. With 259 career tackles, Duncan is 279 tackles behind Donald Payne on the Stetson career list.
- A pair of Hatters were named to the CoSIDA Academic All-District team for District 4. Graduate QB Gaven DeFilippo and sophomore long snapper Colin Wray will move on to the national ballot for the 2019 CoSIDA Academic All-America team, which will be announced in December.
- The loss to San Diego dropped the Hatters to 4-3 in the modern era on homecoming. Stetson is 17-10-2 in homecoming games since the first such game, against Florida Southern, a 52-0 victory in 1930.
- The 51 points scored by USD were the fifth most allowed in a game by the Hatters in the modern era. It was the most points allowed by the Stetson defense since surrendering 53 to Davidson last year.

- The 7 points scored by the Hatters against San Diego were the fewest in a game this year and the fewest in a game since back-to-back outings with 7 points (vs San Diego) and 6 points (against Butler) in the final two games of the 2017 season. Stetson has been held to 10 or fewer points in a game 17 times since restarting the program in 2013.
- USD rushed for 353 yards against the Hatters, which was the third most in a game in the modern era. Davidson set the mark last year, rushing for 519 yards on 72 rush attempts.
- Despite the big rushing numbers, the Hatters held USD to just one touchdown in the first half, forcing the Toreros to punt three times and settle for three field goals.
- The Hatters set a new season record for rushing yards during the USD game. Stetson has rushed for 2,254 yards this year, surpassing the 2,019 yards the 2014 squad posted. Stetson needs just two rushing TDs for a new program record there.
- Freshman Jalen Leary is one of 24 players who was named to the FCS Jerry Rice Award Watch List. The Award goes to the top freshman in FCS football. He is the third Stetson player to be named to the watch list, joining Donald Payne (2013) and Jareem Westcott (2018).
- Stetson snapped its three-game road losing streak by posting its second consecutive victory over Jacksonville on Nov. 2. Each of the last three games between Stetson and JU has been decided by three points and in the final minute of play.
- The win over Jacksonville secured a second consecutive winning season for the Hatters. The last time the Stetson program had consecutive winning seasons was 1950-51 with records of 8-2 and 8-1-2.
- The Hatters had two players surpass 100 yards rushing in the JU game. It is the second time this season, and the third time in modern program history, that has happened. QB Gaven DeFilippo ran for a career-high 116 yards and Leary ran for 112, his fourth straight 100-yard game.
- Messina broke his own program record by connecting on four field goals, in five attempts, in the game at JU. Messina has kicked three field goals in a game three times in his career. His 13 points scored also tied his own program record for kicking points in a game, which he set earlier this year against NC Wesleyan. Messina has also set a new season record at Stetson with 14 field goals this year. He was named PFL Special Teams Player of the Week for the second time this year, and third time in his career, for his effort.
- For the first time, Stetson junior JJ Henderson wore the jersey number of his late teammate, and roommate, Nick Blakely, in the JU game. The Hatters' special teams player of the week wears the jersey in the following game. Henderson responded with his best game of the year, recording eight tackles with 1.5 TFL, and a pass breakup.
- The Hatters completed their first two-point conversion try of the season at Jacksonville. Stetson had a failed attempt early this year at Marist. It was the eighth two-point conversion, in 17 attempts, for Stetson since restarting the program in 2013.
- Horrible weather conditions in north Indiana were not kind to the Hatters, who turned the ball over four times and completed just five passes in a 19-10 loss to Valparaiso.
- It was the fewest pass completions, and fewest passing yardage (40), in a game for

Stetson in the modern era. The 12 passing yards in the first half were also the fewest in a half in the modern era.

- It wasn't just the Hatters who struggled to throw the ball in the windy and wet weather. The Crusaders completed just 6-of-27 attempts for 72 yards passing. The six completions tied for the second fewest in a game against Stetson (at the time) in the modern era and the 72 passing yards were the third fewest. JU completed just four passes the next week.
- Three times now a Stetson opponent has completed fewer than six passes in a game against the Hatters. The first was the game last year against Jacksonville when the Dolphins were 1-of-3 passing. The second was when JU completed just four of nine pass attempts. The third was last week when Davidson was 5-for-5 passing for 203 yards and two touchdowns.
- Jalon - Jalen - Jaylon: No matter how you spell the name, the Hatters' trio of Js have been keys to Stetson success this year. Senior Jalon Scott at corner has two interceptions, freshman Jalen Leary is the Hatters' leading rusher and freshman Jaylon Johnson is leading the team in kickoff and punt return yards in addition to his play on defense where he also has an interception. Another Jalen, Mason, was selected as offensive scout team player of the week for the win over JU. Mason is sitting out this year as a transfer from Jacksonville.
- Freshman Jalen Leary not only recorded the third longest run in modern program history - an 81-yard TD run in the third quarter against Dayton - he also established a new program single-game record for rushing yards, finishing with 220 yards on 19 carries. He surpassed the mark of 213 yards by Jareem Westcott set last year against Davidson.
- Leary saw his streak of consecutive games with at least 100 rushing yards come to an end at four against San Diego. The freshman was held to 73 yards on 18 carries by USD.
- There have been a total of eight players who have rushed for 100 yards or more in a game for Stetson since the program restarted. Cole Mazza did it six times in his career, but both Leary and Jareem Westcott are closing in on that mark with four each. Ryan Tentler had three such games during his career while Jerami Singleton, Gordon Stetson, Matt Taft and DeFilippo have one each.
- The Hatters had an outstanding game against Dayton on special teams. Freshman Davion Maxwell blocked a punt for the second time this year, the Hatters forced a fumble (Bryson Richards) and recovered it (Grant Hodges) on the second half kickoff, and freshman Jaylon Johnson had 96 yards of kick returns.
- In addition to his returns, Johnson also had his first career interception and had four tackles, two pass breakups and a QB hurry.
- Overall, the Stetson defense had eight tackles for loss, including four sacks, against Dayton, with 11 total pass breakups and 12 QB hurries. It was the most TFL in a game this year.
- Senior linebacker Colby Duncan had the job of covering Dayton standout tight end Adam Trautman and did the job well. Trautman, who was averaging more than 100 receiving yards per game and almost two TDs per outing was held to five catches for 83 yards and one score by Duncan, who had five tackles, including two for loss, and one pass breakup.

- The Stetson defense held Dayton to a season-low 84 yards on the ground. It was the third game this year in which the Hatters have held an opponent to less than 100 yards rushing. It was the fewest rushing yards in a game for the Flyers since being held to 65 yards by San Diego on Oct. 13, 2018.
- Junior Antonio Collintino Andrews had the best game of his collegiate career in the game against Dayton. Andrews had two sacks among his four tackles, recovered a fumble and had a QB hurry.
- Stetson had two players (Westcott and Leary) rush for more than 100 yards in the win over Butler. It was just the second time the Hatters have had two rushers surpass 100 yards in a game in the modern era. The first was at Birmingham-Southern on Sept. 20, 2014. Westcott finished with 159 yards on 17 carries with one TD while Leary finished with 111 yards on 20 carries, with his final five attempts covering 55 yards to set up the game-winning FG. Leary and DeFilippo joined the club in the win over Jacksonville.
- Senior Steven Burdette came back to play against Butler, after missing two games, to record three receptions for 51 yards and a TD. He became the fourth player in the modern era to surpass 1,000 career receiving yards, joining with Donald Parham, Kegan Moore and Justin Jordan.
- Jalon Scott also returned after missing a game with injury to record an interception in the end zone to prevent a Butler score. It was his second pick of the year.
- Justin Jordan became just the second player in the modern era of Stetson football with 100 career receptions, hitting that milestone against Butler, with the biggest being his 21-yard TD reception with 3:02 left in the game to tie the score at 27-27. Jordan had two receptions for 45 yards in that 8-play scoring drive that covered 63 total yards. Jordan now has 106 career receptions for 1,283 yards and 9 TDs in his Stetson career.
- Colby Duncan found out the week of the Butler game that he would be playing safety because two starting DBs were suspended. He responded with a season-high for tackles, and his first interception of the year on a spectacular diving catch. Had a big tackle on Butler's final possession to help the Hatters get the ball back for the winning drive.
- Jonny Messina became Stetson's all-time leading scorer with his 27-yard game-winning field goal on the final play of the game to give the Hatters their first victory over Butler. Had 12 points in the game on three field goals and three PATs to move past Cole Mazza into the career scoring lead. It was the second last-second game-winning FG in Messina's career. His 22-yard boot against Jacksonville last year gave Stetson its first win over the Dolphins. Messina was named PFL Special Teams Player of the Week for his performance against Butler.
- Going back to 2013, October has been the Hatters' most successful month. Stetson is 12-14 in October games since bringing the program back. Overall, Stetson has a 71-54-7 record in games played in October.
- The Hatters are now 7-15 in the month of November in the modern era. Overall, Stetson football has a 98-71-14 record in November.
- The Hatters have been a quick strike team on their 39 offensive touchdowns this year. The average for the scoring drives - which includes 21 rush TDs and 18 pass TDs - has

been 6:30 plays covering just 62.23 yards. The Hatters have needed an average of 2:15 off the clock on those scoring drives.

- Only four times this year has Stetson had a TD drive last longer than 3:30. Two came against NC Wesleyan. Stetson had scoring drives of 4:31 and 5:53 in that game. Another came against Dayton when the Hatters used 12 plays to cover 83 yards, using 5:08 off the clock. The longest scoring drive of the year came against Davidson when the Hatters used 6:33 off the clock on a 14-play drive covering 65 yards. The Hatters have 17 TD drives that have lasted less than two minutes so far this year.
- Sophomore Jareem Westcott eclipsed 1,000-yard rushing milestone for his career, becoming just the third Hatter in the modern era to surpass that mark. He joined with Cole Mazza (1,945 from 2013-16) and Ryan Tentler (1,182 from 2013-15). Westbrook enters play this week with 1,258 career rushing yards.
- Colby Duncan is just the sixth Hatter in the modern era to amass more than 200 career tackles, joining Davion Belk (2013-16), Jed Boudreaux (2013-17), David Lazear (2013-16) Donald Payne (2013-16) and Ryan Powers (2013-15).
- DeFilippo has accounted for 22 touchdowns (17 passing/5 rushing) in 10 games and completed passes to 11 different receivers in the win over NC Wesleyan. For his performance, DeFilippo was named the Pioneer Football League's Offensive Player of the Week.
- Connor Wilson's 12-yard return of Davion Maxwell's blocked punt for a touchdown was the first Stetson special teams touchdown since JJ Henderson's 81-yard punt return against Davidson on October 14, 2017. Wilson also had two special teams tackles in the game and was named PFL Special Teams Player of the Week for his effort. The play was ranked as the No. 1 play of the week in FCS play by the NCAA.
- Redshirt senior LB Jamieson Craske has been recognized by the Mayo Clinic as a Comeback Player of the Year candidate. A total of 30 players from across all levels of college football will be selected for the award with the top nine earning donations in their names to their schools' general scholarship fund. The finalists will travel to the Fiesta Bowl in January and be recognized on the field.
- Stetson set a new modern program record by piling up 643 yards of total offense in the win over Western New England. The old mark was 604 yards set at Davidson in 2018.
- Stetson has had 31 players record TD receptions through 76 games starting in 2013. Six of those players recorded their first TD reception in the first three games this year.
- Junior running back Chase Blackmon joined the list of Hatters with a rushing touchdown with his two-yard run against Western New England. He was the third Hatter this year to post a rushing TD for the first time, giving Stetson a total of 26 players who have run to paydirt since the start of the 2013 season.
- Sophomore RB Jareem Westcott has 18 rushing touchdowns in just 17 games. That total is good for second in the modern history of the program, but is still nine behind the 27 scored by Cole Mazza from 2013-16.
- Stetson put up some big numbers through the air in the game at Marist, with DeFilippo completing 35-of-60 pass attempts for 301 yards. The completions tied the program record and the attempts set a new mark. The 301 yards were a career-high for DeFilippo.

- Stetson was done in at Marist by big plays. The first came when Marist blocked a punt for a safety after the Hatters' first possession. The Red Foxes also converted on a 45-yard TD pass on the final play of the first half after Stetson was stopped on fourth down. The third big play came right after the Hatters took a 23-19 lead in the fourth quarter when Marist converted on third and 10 for a 75-yard TD pass.
- Stetson led almost every category against Marist, including total offense, turnovers, sacks, time of possession and in the red zone. The Hatters also missed a field goal and had a failed two-point conversion try that could have made a difference in the game.
- The Hatters rushed for more than 300 yards in the game against LC, marking just the third time in the modern era that Stetson has surpassed 300 rush yards in a game. Remarkably, none of the five players who had rush attempts in the game managed to hit the 100-yard milestone.
- Chase Blackmon had a career-high 91 rush yards in the Louisiana College game to lead the Hatters. Alex Piccirilli had 88 yards on just six carries, including a 65-yard TD run. That was the fifth longest run in modern program history and the fourth-longest TD run. Four of the five longer runs, including two of the three TD runs, were also by quarterbacks.
- The Stetson defense also had a good game, holding LC to just 75 rush yards, which ranks sixth in modern program history. The Hatters also had three interceptions in the game, which is tied for the third most in a game.
- Freshman Jaylon Johnson came close to doing something no one else has done in the modern era of Stetson football. His fourth quarter kickoff return of 60 yards against LC was the third longest in program history and was a shoestring tackle from going 100 yards for a touchdown. Stetson has not yet returned a kickoff for a touchdown since the relaunch of the program in 2013.
- Stetson has had 120 different players make starts since the program restarted in 2013.
- The Hatters have posted a 19-24 record at home since restarting the football program in 2013. That record included an 11-game home win streak in 2018-19.
- With the victory over Louisiana College, Stetson is 30-23-2 in season-opening games going back to the very first intercollegiate football game in the state of Florida, played in 1901. The Hatters are 5-2 in the modern era in season openers. Stetson is 21-4-1 all-time in season-opening games at home.
- Stetson had three players named to the 2019 preseason All-PFL team, as selected by the league's head coaches. That trio included senior WR Steven Burdette, senior LB Colby Duncan and redshirt junior DB JJ Henderson as a part of the 29-man squad.
- Burdette, who ranked 18th in FCS football last year with 10 touchdown receptions, finished his first season at Stetson with 52 receptions for 769 yards. All three totals were second for the Hatters behind departed All-American Donald Parham. He ranked fourth in the PFL last year in receptions per game, seventh in receiving yards per game and fifth in TD receptions.
- Duncan returns for his final season after ranking third in the PFL in tackles per game with 8.8 last year. His 88 total tackles ranked fifth in the conference in 2018. He also tied for sixth in the league in tackles for loss with

9.5. Duncan led the league last year with four forced fumbles.

- Henderson is on the preseason All-PFL squad for the second straight year after being named as a kick returner in 2018. He posted 33 total tackles last fall, with four tackles for loss and had two interceptions. He was second on the team with 10 total pass breakups. Henderson also had 184 yards on kickoff returns.
- That trio was joined on the Phil Steele preseason All-PFL teams by 12 other Hatters. RB Jareem Westcott, OL Bradley Alexander and DE Fermon Reid were named to the second team while seven Hatters were named to the third team: QB Gaven DeFilippo, FB (now LB) Grant Hodges, WR Justin Jordan, OL Alex Brown, LB Jamieson Craske, LB Tarren Smith II, DB Reggie Gantt, DB Jalon Scott and LS Colin Wray. Henderson was also selected to the third team as a returner.
- Senior Jamieson Craske is one of five captains for the Hatters this year and is in his second year in the leadership role. He is joined by three-year captain Gaven DeFilippo and first year captains Tarren Smith II, Colby Duncan and Austin Perlman.
- DeFilippo, who missed the 2017 season as the result of injury, is one of three Stetson players this year who has already graduated and is working toward an MBA. He is joined by Jeremiah Nails and graduate transfer Max Draper, who came to Stetson for his final season of eligibility after graduating from Eastern Illinois University.
- The Hatters have a total of 60 players returning to the squad from last season, including eight who redshirted last year. The 44 new players on the roster includes OL Wilson Grooms, who worked with team video last year. That group also includes WR Justin Curtis, who transferred from Huntingdon College in Montgomery, Ala., and TE D'Andre Lewis, who transferred from Mars Hill College in North Carolina.
- Stetson has 13 players sitting out this season, working as student managers and student video staff. Those players, most of who will join the active roster in the spring, are:

Name	Pos.	Hometown
Kyle Benedict	WR	Lutz, FL
Andrew Butler	OL	Orlando, FL
Marc Ferere III	LB	Pembroke Pines, FL
Jack Harris	WR	Sanford, FL
Colin Ibson	LS	Ormond Beach, FL
Malachi Jimenez	LS	Lehigh Acres, FL
Max Mazur	QB	Boca Raton, FL
Tyler McClung	LB	Tampa, FL
John Pascale	LB	Cape Coral, FL
Shamar Rush	RB	Jacksonville, FL
Sean Ryker	RB	Hammonton, NJ
Tyler Schwarz	QB	Tavares, FL
Alec Williams-Carr	QB	Miami, FL

- Two former Hatters, Davion Belk and Austin Tyrrell, continue to benefit from their time as Stetson players. Both attended the third annual National Football Foundation Campbell Trophy Summit in Palo Alto, Calif., at Stanford University this summer. QB Gaven DeFilippo is the Hatters' 2019 Campbell Trophy nominee.
- In addition to that nomination, Jonny Messina has been nominated for the Fred Mitchell Award, which is presented annually to the top kicker from outside the FBS.
- The Hatters have 60 native Floridians on the squad this year along with 15 players from the state of Georgia. Other states represented on the roster are California and Mississippi (four players each); New Jersey and

Maryland (three players each); Ohio, Arizona, Pennsylvania and North Carolina (two players each) and Alabama, Michigan, Illinois, Connecticut, Tennessee, and New York with one each. The squad also has a player from Puerto Rico and another from Panama.

- Stetson has sent two players from the modern era - LB Donald Payne (Jacksonville) and TE Donald Parham (Washington) to the NFL, but did you know the Stetson football program had a player drafted by the NFL in 1951? Running back Bill Johnson was selected in the 27th round of the 1951 draft by the Washington Redskins.
- In the modern era, Stetson has played just 11 games without committing a turnover and just 15 games without forcing a turnover. The Hatters did not have a turnover in two of the first four games (Marist and Western New England) this year. Stetson failed to force a turnover in the games against NC Wesleyan, Jacksonville and Davidson this year.
- The Hatter Hammer has been around for a while and is carried to the field by the player who was most physical in the previous game, as chosen by the player who carried the Hammer the previous week. That player is presented with the hammer at dinner the night before the next game.
- Stetson is 4-26 in its modern history when failing to rush for 100 yards in a game.
- In 76 games since restarting the program, the Hatters have been shutout three times and have been held to less than 10 points in a game 11 times.
- In games in which Stetson has rushed for more than 200 yards, the Hatters are 13-3, including each of the first three games last year and in seven games this year.

- Extremes in passing yards in a game does not provide an accurate measure of success for the Hatters. Stetson has failed to throw for at least 100 yards in a game seven times, and is 0-7 in those games. The Hatters have passed for more than 200 yards in a game 40 times, with a 19-21 record in those games.
- Over 76 games, the Hatters have scored defensive or special teams touchdowns 18 times. Connor Wilson added his name to that list against NC Wesleyan when he returned a Davion Maxwell blocked punt for a touchdown. Prior to that, only JJ Henderson on the current squad had ever scored a NOT (non-offensive TD). He has two after returning an interception for a TD against Morehead State last year. The Hatters also have posted two safeties, one in 2014 and one in 2016 against Valpo.

The Coaching Staff

- The 2019 season mark's head coach Roger Hughes' 34th season of college football. Hughes is the ninth different head coach in Stetson football history and has a career record of 77-98 in 16 seasons as a collegiate head coach.
- With Stetson's 2013 win over Warner, the nine Hatters head coaches have combined to go 7-2 in their debut contests.
- Before coming to DeLand, Hughes posted a 47-52 mark at Princeton from 2000-09. His Tigers shared the 2006 Ivy League title, going 9-1 overall and 6-1 in "the ancient eight".
- Hughes has previously served as an assistant with the Omaha Nighthawks of the UFL and collegiately at Dartmouth, Cameron, Wisconsin-Whitewater, Nebraska and, his alma mater, Doane College in Crete, Nebraska.
- Hughes graduated from Doane in 1982 after playing both football (tight end) and golf. His daughter, Maddison, graduated from Doane in 2018.
- Stan Clayton is back for his second season at Stetson. A former standout player at Penn State, Clayton helped the Nittany Lions to the 1986 National Championship. After a five-year career in the NFL, Clayton embarked on a coaching career that has included stops at Massachusetts, Alabama State, Princeton, Toledo, Lafayette and Morgan State. In addition to coaching the offensive line, Clayton serves as the Hatters' offensive coordinator.
- Clay Mazza is in his fourth season as the tight end coach. Prior to being a full-time coach, Mazza worked for two seasons as a volunteer assistant coach. He graduated from Lenoir-Rhyne University and was a three-year member of the football team. While there, the team won the conference championship each year and went to the national championship game in 2013.
- Defensive line coach Jeremy Perkovich is in his second season at Stetson. A graduate of Puget Sound, Perkovich spent the 2017 season working at PFL champion San Diego. As a player, he was a four-year letter winner on the defensive line.
- Harry Richards is one of two members of the Stetson coaching staff to have most recently served at Mississippi State. A Virginia native, Richards spent time at Rutgers and at his alma mater, James Madison, before joining the Hatters in 2018.
- Quarterbacks coach Scott Sallach has more than 25 seasons of collegiate coaching experience and is in his second season at Stetson. Most recently, Sallach spent eight seasons at Mississippi State where he worked for his former college teammate, Dan Mullen. Sallach also spent time at both Princeton and Dartmouth with Stetson head coach Roger Hughes.
- Defensive coordinator Brian Young was the first on-field coaching hire for Hughes and he has been a steady force on the staff from the very first day. A former player at Georgia Southern, Young played in the arena leagues before starting his coaching career and has had stops at Mississippi College and Cornell before joining the Stetson staff.
- New members to the coaches staff this fall includes a veteran and two young coaches. Steve Davis is the veteran, having made coaching stops at Auburn, LSU, Troy, Tulane, Southern Miss and Middle Tennessee dur-

ing a coaching career that is into its fifth decade. He most recently spent 14 seasons at Mississippi Gulf Coast Community College.

- The other newcomers to the Stetson staff are Kyle Faxlanger and Tim Schroer. Faxlanger came to Stetson from South Alabama, where he served as a graduate assistant following his graduation in 2016. Schroer came to DeLand from his hometown of Cincinnati, Ohio, where he coached at Mount St. Joseph University. A 2015 graduate of St. John Fisher College, he has also coached at Black Hills State College and Otterbein University.
- Stetson has a pair of volunteer quality control assistants on the defensive side of the ball as well. Jesse Marsh is in his sixth season helping with the defensive backs and Russell Jackson joined the team this year to assist with the linebackers.

Hatters History

- While the 2019 season marks the 150th season overall in college football, it is the 55th season of play for Stetson football. The Hatters have an all-time record of 185-173-27.
- Stetson began play in 1901, defeating the Florida Agricultural College, 6-0, on Nov. 22 (Thanksgiving Day) at the State fairgrounds in Jacksonville.
- The Hatters compiled a 155-127-27 (.543) mark in their history prior to discontinuing the program following the 1957 season.
- Stetson participated in the 1951 Tangerine Bowl, defeating Arkansas State, 35-20.
- The Hatters claimed the Florida state championship six times (1901, 03, 05, 06, 07 and 09).
- The program had been halted three times before, not competing in 1915, 1917-18 (World War I) and 1941-45 (World War II) in addition to 1957-2012.
- All four times that Stetson has missed a season of play, the Hatters won their first game upon the program's resumption, downing Rollins College in 1916, the Florida Military Academy in 1919, Troy in 1946 and Warner in 2013.
- Stetson football has produced 22 coaches and players who have been inducted into the Stetson Athletics Hall of Fame, in addition to the 1927, 1938 and 1951 teams.

2019 STETSON FOOTBALL

AT MOREHEAD STATE

PLAYERS OF THE WEEK

Redshirt freshman Justin Curtis, a converted quarterback who has been working at both receiver and running back, had a breakout game with four receptions for 78 yards and a touchdown against Davidson.

Redshirt sophomore Gregory Moore clogged up the middle of the line of scrimmage, recording five tackles. Freshman Bryson Wilcox had a big tackle on special teams and helped hold Davidson to just 37 yards on punt returns and 36 on kickoff returns. Wilcox will wear jersey number 37 for the season finale.

Bryson Richards played his normal game, running at full speed on every play and inflicting maximum punishment on every hit.
