RALPH MENENDEZ '00

Stony Brook's All-Time Leading Rusher

Stony Brook University lost one of its former football greats this past year when Ralph Menendez '00 passed away in March.

One of the great running backs of all-time at Stony Brook, Menendez still holds the school career rushing record of 2,623 yards. He also holds the school mark for career carries (497) and is third in both career TDs (22) and career rushing TDs (20). In 1999 Menendez rushed for 207 yards against Sacred Heart, the second-highest single-game total at Stony Brook and one of just three 200-yard rushing games currently in the SBU record books. In all he had nine 100-yard rushing games in his career to tie another school record.

Chuck Downey '88 SBU All-American & Hall of Famer

Chuck Downey '88 was one of a kind. As a two-way standout for Stony Brook from 1984-87, Downey still holds or shares 15 NCAA football records - 17 seasons after he finished his career.

In today's era of "specialists," the true two-way player is nonexistent. Some offensive players will give defense a try, and vice versa, but only a handful play both sides of the ball for a four-year career.

What makes Downey's accomplishments even more amazing is that all of his records came as a return man. He played both offense and defense and still had enough left to be one of the most dangerous return men in the history of college football.

Downey is one of six Stony Brook football players in the Stony Brook Athletic Hall of Fame. He was inducted in May of 1996 after being unanimously selected by the Hall of Fame Committee.

As a 5-9, 180-pound running back/defensive back/punt returner/kick returner, Downey's list of records is endless.

In addition to his 16 Division III records, he also shares the all-time, all-divisions NCAA record for punt returns for touchdowns. His seven career touchdowns on punt returns tie him with Oklahoma's Jack Mitchell (1946-48), Widener's Bill "White Shoes" Johnson (1971-73) and Nebraska's Johnny Rodgers (1970-72), the 1972 Heisman Trophy winner. Downey's touchdowns measured 88, 80, 75, 62, 60, 60 and 54 yards.

Downey also had three kickoff-return touchdowns (98, 90 and 90), which combined with his seven punt return touchdowns equals the all-divisions record of 10 set by Virginia Union's Anthony Leonard from 1973-76.
