## AGAINST THE BLACK BEARS

Stony Brook has won 52 of the 83 overall meetings in a series that dates back to 2002. The Seawolves won four of the five meetings, including both America East Championship contests last season in Stony Brook's run to the Championship Round.

## PLATE DISCIPLINE

The Seawolves started the season with double-figure strikeouts at the plate in seven of their first nine games as the team got off to a 3-6 start. Since then, they have only eclipsed that mark twice and have won eight of their previous 10. This includes striking out just 13 times total in three games against Sacred Heart and going down by way of the K 11 times in the team's first America East series against UMBC.

## CLARKE IN CONTROL

Senior Bret Clarke has quickly lowered his ERA thanks to back-to-back quality starts from the mound. He has allowed two earned in his last 14.2 innings, dropping his season average to 2.40, good for second in the conference amongst pitchers with three or more starts. His .218 average against is third-lowest amongst pitchers within the same category. He featured a 2.19 ERA his freshman season, going 6-2 on the year.

## WILSON HAS THE JUICE

Junior Michael Wilson is one of the nation's leading power hitters, currently ranking seventh in the country in slugging percentage (.821) and fourth in batting average (.463). He also sits seventh in hits per game and 12th in RBI per contest. Over his 10-game hitting streak, Wilson is hitting .528 with 14 RBI, four doubles, two triples and two homers with hits in seven of his last 11 at-bats.

## TOP THREE GETTING IT DONE
