To the Stony Brook Athletics family:

As we continue to take bold steps along the path toward growth and prosperity for Stony Brook Athletics, it is important to recognize how far we have come in such a short time.

From our roots as Patriots at the Division III level to our emergence in Division I as Seawolves, we have always kept our sights stretched far across the horizon. A consistent thread that is woven throughout our history is ambition. By dreaming big and shooting for the stars we have achieved historic success academically and athletically while always remaining true to our vision to positively transform the life of each student-athlete.

Now it is time to aim even higher.

As a member of the Colonial Athletic Association, Stony Brook is in the company of prominent academic institutions with highly competitive athletics programs. The importance of increased financial support from our friends and partners has never been greater. Our future success is directly tied to private investment in critical initiatives such as operational budget support, facility enhancements and scholarship support among many others. This is our time to take our boldest steps, and I am asking you to walk with us.

There are so many ways to make an impact. Join us by making a donation, purchasing season tickets and, if you own or manage a business, becoming a corporate partner. The next chapter of Stony Brook Athletics is ours to write so let's make it memorable.

The ambition that has carried us throughout our history will only increase as will the size of our dreams. Your investment can go a long way toward making those dreams become reality. Let's create the next phase of our bold history together.

Thank you for your belief in our Seawolves.

SHAWN HEILBRON | DIRECTOR OF ATHLETICS

What is **SEAWOLVES UNITED?**

Seawolves United is the fundraising arm of Stony Brook Athletics, dedicated to positively transforming the life of each student-athlete.

Contributions to Stony Brook Athletics will directly benefit our student-athletes and their pursuit of academic, athletic and personal success. Whether you choose to support the Seawolves United Unrestricted Annual Fund or any of our sport-specific Funds for Excellence, by making a contribution to Stony Brook Athletics, you become a member of Seawolves United.

Our mission is to build meaningful personal relationships that connect individuals to Stony Brook Athletics by aligning their philanthropic interests with our strategic priorities. By creating a first-class academic and athletic experience for our student-athletes during their time at Stony Brook, we can lay the foundation that will allow them to achieve their dreams in life.

Together we will take Stony Brook Athletics to new heights. Make a gift today and join us in the journey.
