In his 14 years at Syracuse, head coach Ian McIntyre re-established the Orange as a national contender year-in-year-out in a highly competitive Atlantic Coast Conference. McIntyre has guided student-athletes in Upstate New York to both on field and off the field success and most recently earned the distinction of becoming a national champion during the 2022 season.

McIntyre has a record of 230-150-72 in his 25 years of coaching experience, and a 123-87-40 tally during his time in the Salt City. He's led his teams to ACC Tournament Championships, NCAA Tournament triumphs and a trip to the College Cup in 2015.

DONNING ORANGE

McIntyre became the 15th coach in Syracuse soccer history on Jan. 6, 2010. During his time in Syracuse, McIntyre has gone about the task of building the Orange into a national contender. That effort began paying dividends in 2012 as Syracuse won 14 games, executing the biggest single season turnaround in school history.

Overall, Syracuse finished 14-6-1 in 2012 and was the most improved team in the nation, posting a win-loss improvement of +8.5. The Orange nearly doubled its number of goals (39) from the previous year and the defense posted 12 shutouts, tied for the third-most in the country. As a result, Syracuse finished second in the BIG EAST Red Division and earned a berth in the 2012 NCAA Championship, just the second time in program history the Orange advanced to the national tournament.

Syracuse continued to perform upon reaching the national stage, knocking off Ivy League champion Cornell and VCU in the opening two rounds to notch the first NCAA Tournament victories in team history. In the third round (Sweet 16), the Orange tied eventual national finalist Georgetown, 1-1, before being eliminated on penalty kicks.

McIntyre and his assistants were rewarded with 2012 BIG EAST Coaching Staff of the Year honors for authoring the breakout campaign.

In 2013, Syracuse's first year in the Atlantic Coast Conference, McIntyre led the Orange to a 10-7-1 record, marking the first time in more than a decade that the team posted double-digit wins in consecutive years. Along the way, the Orange went undefeated in non-conference play (7-0-0), beat two ranked teams (#12 Connecticut and #19 Clemson) and earned its first ACC win, a 2-1 victory at Duke.

The Orange reached unprecedented heights in 2014 when it climbed to No. 1 in the national rankings for the first time in school history. Syracuse won a share of the ACC Atlantic Division and earned a program-best No. 9 seed in the NCAA Tournament. The Orange defeated Penn State on its home field before its season came to an end in the Sweet 16 in a 2-1 overtime loss to Georgetown. Syracuse posted a 16-4-1 record, finishing just one win shy of the single-season school record for victories.

The 2015 squad produced the most successful season in school history. Syracuse, which had to replace seven starters, became the first No. 10 seed to win the ACC Tournament, the first in school history. The Orange earned a program-best sixth seed in the NCAA Tournament. After a first-round bye, they defeated Dartmouth, Seattle and Boston College to advance to the College Cup for the first time in school history. The Orange faced No. 3 Clemson for the third time that season and were tied with the Tigers, 0-0, after 110 minutes of play. Clemson won the penalty kick shootout to advance to the national final. Syracuse ended the season with a 16-5-4 record and was No. 4 in the final NSCAA poll, its highest final ranking in school history.

Syracuse continued its success in 2016, earning the No. 8 seed in the NCAA Tournament. The Orange started the season 8-0-0 and reached the No. 2 position in the polls. The Orange finished with a 12-4-4 record and made their third-straight appearance in the NCAA Tournament. 'Cuse dominated in a 3-0 win in the second round, and lost a close match to North Carolina in the third round.

In 2017, the Orange finished with a losing record and missed out on the national tournament for the first time since 2013. But the following season in 2018, the Orange returned to the NCAA Tournament.

'Cuse returned to their winning ways in 2019, as they finished with a 8-7-5 record and a spot in the NCAA Tournament for the second consecutive year. The Orange knocked off Rhode Island in the first round before falling to St. John's in the second round.

After losing a talented and veteran group, the 2020 and 2021 seasons were transition years for the program. The 2020 season was shortened and played in both the fall and spring due to the COVID-19 pandemic. The Orange finished with a 2-7-4 record.

'Cuse bounced back in 2021, finishing with an 8-8-2 record and narrowly missing out on a berth to the NCAA Tournament. The marquee moment of the season was a 2-0 win over eventual national champion Clemson on Senior Night.

Syracuse had a historic 2022 campaign, finishing with a program-best 19-2-4 record. The Orange earned the ACC Regular Season Title, won the ACC Championship and the program's first NCAA Championship after defeating Indiana, 7-6, in PKs.

McIntyre has led the Orange to seven NCAA Tournament appearances. In those seven trips, 'Cuse has a record of 13-4-2.

DEVELOPING THE ORANGE

A staple of McIntyre's legacy as Orange head coach is preparing student-athlete for the next level. In the past seven years, 12 former Orange were taken in the first two rounds of the MLS SuperDraft. Once at the professional ranks, Syracuse alumni have thrived, some playing for both club and country.

Former 'Cuse center back Miles Robinson was taken with the second overall pick in the 2017 MLS SuperDraft by Atlanta United. After a couple of loan spells, The Arlington, Massachusetts native cemented his place in the Atlanta United squad in 2019. Along with starring for his club, Robinson has also been a staple in the United States men's national team since his senior debut in 2019. He played every minute of the 2021 Gold Cup, and scored the title winning goal in extra time against Mexico. Robinson was also a key figure in the United State's qualification for the 2022 World Cup in Qatar. While at Syracuse, Robinson won the 2016 ACC Defender of the Year, and led the Orange to the 2015 NCAA College Cup.

Tajon Buchanan and Kamal Miller are both slated to play a major role in Canada's first World Cup appearance since 1986. Kamal Miller is a defensive anchor for his club Inter Miami CF, while Tajon Buchanan is an electrifying attacking prospect. Buchanan recently moved to Belgian side Club Brugge. Miller, a two-time captain while at Syracuse, was initially drafted by Orlando City SC in the 2019 MLS SuperDraft. Buchanan brokeout in the 2018 season, scoring eight goals on his way to a First Team All-ACC honor. Buchanan was drafted by the New England Revolution with the ninth pick in the 2019 MLS SuperDraft.

REVIVING HIS ALMA MATER

Prior to taking over the Orange, McIntyre spent seven seasons (2003-09) as the head coach at his alma mater, Hartwick College. He guided the Hawks to four 10-win seasons and a 2005 NCAA Championship appearance.

McIntyre succeeded the legendary Jim Lennox in 2003 and promptly led the Hawks to 15-2-1 overall record, the most wins for the program since 1993. The next season, McIntyre was named the regional coach of the year after presiding over a 13-3-3 campaign that featured a nine-game winning streak and an Atlantic Soccer Conference runner-up finish.
