## HEAD COACH KIM HUGHES

In his 32nd year at the helm of the Hornet gymnastics program, head coach Kim Hughes has built a program from the ground up and has solidified Sacramento State as a contender in the NCAA West Region and the Western Athletic Conference.

With a career record of 306-286-2, Hughes led the Hornets to the WAC titles in 2006 and 2007 as well as a pair of second-place finishes (2009, 2012). He has also twice been named the WAC Coach of the Year (2006, 2012). Hughes' teams also won back-to-back MPSF Championships (2002-03) and added a third title in 2005. He also directed Sacramento State to consecutive Western Independent Championships in 2000 and 2001.

In 2004, Hughes led the team to its two best scores in school history. The top mark of 195.875 came at the Salbasgeon Suites Invitational at Oregon State.

Among his other accomplishments, Hughes guided Sacramento State to a second-place finish at the National Invitational Tournament in 2000 and gave the program its first regional bid in 1999 while also being named NCAA Region 1 Coach of the Year.

Hughes earned his first Coach of the Year honor in 1984 when the Hornets were a member of the Div. II Northern California Athletic Conference. A graduate of Chico State in 1976, Hughes joined the Sacramento State women's gymnastics program in 1977 and was named head coach in 1983. During his tenure, Hughes also guided the Hornets to Div. I status in 1992.

Hughes has also earned the respect of his campus peers. On Apr. 12, 2007, he was presented the Distinguished Faculty Award. The award is given to just one faculty member per year.

## RQS RECORD

The two scores this past weekend guaranteed that Sacramento State will end the year with its highest RQS in school history. The Hornets currently own an RQS of 194.740 which easily surpasses the mark of 194.470 from last year. Since 2001, the Hornets have had an RQS of at least 194 seven times.

## NO PLACE LIKE SUU

The Centrum at Southern Utah has been kind to Sacramento State over the last few seasons. The team won its second WAC title in Cedar City in 2007 with a team score of 195.275. That year, Marina Borisova was the conference champion on floor and Melissa Genovese captured the title on floor.

The Hornets' high score from this season — and the ninth-highest score in school history — came at SUU. Sacramento State tallied a 195.250 in the meet on Feb. 15.

## SOPHOMORE SURGE

A year after being named the WAC Freshman of the Year, Kalliah McCartney avoided a sophomore slump with another amazing season. The Vancouver, Wash., native ranks second in the conference in the all-around and on beam. She is also eighth on floor, tied for 10th on vault and tied for 12th on beam.

McCartney is on pace to have the greatest season by a Sacramento State gymnast in school history. She currently averages 39.084 in the all-around and would become the first Hornet to finish the year with an average above 39 in a year. Borisova currently holds the school record at 38.888 in 2009. McCartney is also set to become the first Sacramento State to average 9.800 on beam. In her 11 meets this year, she's averaged 9.800 in the event. Her average of 9.798 on vault would place her third and her mark of 9.814 on floor would tie for sixth in school single-season history.

## PLAYING A MAN DOWN

Sacramento State will be without the services of freshman all-arounder Cassie Benning for the WAC Championships. Benning, who was limited last week due to an ankle injury, damaged her elbow in practice and will not compete. During the season, the Roseville, Calif., native had two meets of 39-plus in the all-around and had individual victories on vault (1) and floor (2).

## THIS & THAT

Due to pneumonia, head coach Kim Hughes was unable to travel with the team on Thursday. Hughes is hoping to join the squad prior to the meet...junior Kaila Kilwein finished first on bars against Air Force for her first career win in any event...defending WAC floor and beam champion Kailey Hansen made her season debut on floor but fell in both routines. Hansen did win beam on Sunday with a season high of 9.875...the Hornets' beam score of 48.950 against the Falcons is the ninth-highest in program history.
