CHAMPIONS

The Thunderbirds claimed their first ever Big Sky Conference title last Saturday as they knocked off rival Northern Arizona 49–41, which also secured them the Hinton-Burdick Grand Canyon Trophy for another season. The previous five times SUU and NAU squared off the road team came away as the victor, but that changed Saturday night. SUU quarterback Ammon Olsen had a huge game through the air, completing 33 passes for 430 yards and five touchdowns. Mike Sharp was Olsen's top target against the Lumberjacks, pulling in eight passes for 169 yards and three touchdowns. Steven Wroblewski also had a big game through the air, pulling in nine passes for 93 yards and one touchdown.

The Conference title marks the team's first since 2010 when the team won the Great West Conference title, and the first since joining the Big Sky Conference four seasons ago. This is the second Big Sky title SUU has claimed this Fall season, as the men's cross country team claimed the Big Sky title in their sport earlier in the season.

AWARD FINALISTS

SUU head coach Ed Lamb was named a finalist earlier in the week for the STATS FCS Coach of the Year Award after leading his team to the playoffs for the second time in three seasons. James Cowser has also been named a finalist for the STATS FCS Defensive Player of the Year Award. T-Bird punter Tate Lewis has also been put on the CFPA FCS Punter Award Watch List.

ALL-BIG SKY PERFORMERS

James Cowser was named Defensive Player of the Year by the Big Sky Conference, and several other members of the team were named to the various teams.

BIG TIME PLAYERS

Last week SUU safety Miles Killebrew accepted an invitation to play in the 2016 Reese's Senior Bowl, and earlier this week defensive end James Cowser and cornerback LeShaun Sims both accepted invitations to play in the East-West Shrine Game. All three of these NFL Draft-rated defenders have had big seasons for the Thunderbirds. Killebrew led the team in tackles with 122, Cowser led the team in sacks with 11 and tackles for loss with 17, and Sims pulled down two interceptions and led the Thunderbirds with 10 pass break ups during the season.

SUU QB Ammon Olsen was also honored this week with THE ROOT SPORTS Co-Offensive Player of the Week. He was also an honorable mention for the FCS National Offensive Player of the Week award, and was recognized by Hero Sports as the Offensive Stud of the Week. Mike Sharp garnered attention from the College Football Performance Awards following his 169 yard and three touchdown day, which was the first CFPA recognition any T-Bird got this season.

ON TO THE NEXT ONE

The Thunderbirds discovered their playoff fate Sunday morning after winning the automatic bid by winning the Big Sky Conference title. SUU will open their playoff journey on the road in Huntsville, Texas to take on Sam Houston State.

SCOUTING SAM HOUSTON STATE

The Bearkats qualified for the playoffs for the fifth straight year this season, and made their way in with an at-large bid out of the Southland Conference. SHSU won their last two games of the regular season, with their only in-conference loss all season coming against McNeese State, who won the conference championship. Jared Johnson saw the most time at QB for SHSU during the season, completing 162 passes for 2,176 yards and 18 touchdowns. Jeremiah Briscoe also saw time at quarterback, completing 63 passes for 871 yards and six touchdowns. Gerald Thomas was the Bearkats top receiver, pulling in 40 catches for 733 yards and five touchdowns. In just nine games as part of the receiving core, LaDarius Brown caught 37 passes for 590 yards and six TDs. Cory Avery is the Bearkats top threat at running back, accumulating 981 yards this season and 11 touchdowns. As a team, SHSU scored 36 touchdowns on the ground during the regular season. P.J. Hall was one of the Bearkats top defenders during the season, leading the team in tackles, tackles for loss and sacks. He also pulled in an interception.

2013 RECAP

When SUU and Sam Houston squared off in 2013 the game was relatively close in the third quarter after Cowser forced a fumble and Robert Torgerson returned it to the endzone to cut the Bearkat lead to just 10. But SHSU's offense would score on the next three drives to put the game out of reach for the Thunderbirds, putting an end to their first FCS Playoff run. Aaron Cantu had 289 yards passing in that game, including eight completions to Fatu Moala. Levi Te'o led the team in rushing that game, and will now look to have a big impact on the game this time around.

BIG SKY AT A GLANCE

The Portland State Vikings and Montana Grizzlies both clinched playoff berths as well into the FCS field when the announcements were made Sunday morning. PSU received the sixth seed and got a first-round bye in the bracket. Montana will host their first round matchup, as South Dakota State will travel to Washington-Grizzly Stadium for a game. SUU took on SDSU earlier in the season, and the Jackrabbits took care of business 55–10. The last time a team from the Big Sky Conference won the National Championship was in 2010 when Eastern Washington won the title.

NATIONAL HIGHLIGHTS

+1.91 Turnover margin = #1 in the NCAA
18.9 PPG Scoring Defense = #18 in the NCAA

Thunderbirds Dominate 2015 All Big Sky Conference Teams

Ogden, Utah - There were 11 Southern Utah University football players named to 12 positions on the All Big Sky football teams Tuesday morning, led by Defensive Player of the Year, senior defensive end James Cowser. Cowser is one of four defensive players on the first team, joined by sophomore linebacker Mike Needham and senior safety Miles Killebrew and senior cornerback Leshaun Sims.

Southern Utah's 12-player honor roll was the best in the conference, tied with the University of Montana. Portland State had 11 players honored with the selections. The conference's coaches, who cannot vote for their own players, select the all-Big Sky teams. There were an additional six Thunderbirds also recognized on the honorable mention team.

Cowser finished the season with 11 sacks and 17 tackles-for-loss on his way to setting new national FCS records. Cowser also got into the end zone for the first time in his career when he returned two fumble recoveries for 100 yards in a single game, one of them for a touchdown. James also had three quarterback hurries as part of his 62 tackles. Cowser is now a two-time first team player in the Big Sky, the only consensus pick on the defensive squad, and is a strong candidate for National Defensive Player of the Year.

Killebrew has the distinction of making all-Big Sky at multiple positions this fall. He made the first team as a safety and he made the second team list for special teams players. Killebrew led the Thunderbirds this season with 123 tackles, third highest total in the Big Sky, 66 of them solo, for an average of 11.2 tackles per game. He also had seven pass breakups and seven pass deflections.

Needham also had an outstanding year on defense for the T-birds. He had 86 total tackles, 47 of them solo affairs. He had 7.5 tackles-for-loss, one sack, three interceptions, two fumble recoveries, eight pass deflections, five pass breakups, and three forced fumbles. He also got into the end zone three times from his defensive position, once on an interception and twice on fumble recoveries. His 7.9 tackles per contest was the 18th best mark in the Big Sky.

LeShaun came up with 51 tackles during the 2015 campaign, 28 of them solo tackles. Sims also had 2.5 tackles-for-loss and two interceptions. He added 10 pass breakups and 12 pass deflections over the season, and forced one fumble.

Junior wide receiver Mike Sharp was also selected to the second team for his efforts on one of the most potent offenses in the conference. Sharp led his team with 1,038 all-purpose yards, almost 95 a game. He was second on the team in scoring with 11 touchdowns and 66 points, behind kicker Keita Calhoun. He was the team leader in kick returns with 11 for 239 yards. And, he led the team in yards receiving (748) and average yards per game (68).

Southern Utah had six players on the third team. Seniors Ammon Olsen, Anthony Norris and Steven Wroblewski were honored on the third team list. Sophomore linebacker Taylor Nelson, linebacker Matt Holley and punter Tate Lewis were all named to the third team as well.

Olsen completed 60% (258-430)of his passes this year, connecting for 22 touchdowns against just six interceptions. His efficiency rating was 132 while compiling 269.5 yards passing per game. Norris averaged 9.8 yards per catch this season with a long reception of 36 yards. Wroblewski averaged 10.6 yards a catch and nearly 34 yards a game with his 32 receptions on the year.

Wide receiver Justin Brown was selected as a member of the Honorable Mention team, as was offensive tackle Andrew Eide, offensive guard Evan Ross, center Keyan Norman, running back Malik Brown, defensive tackles Shad Ennis and Sefesi Vaa'ivaka as well as defensive end Chance Bearnson.

Justin Brown led the Thunderbirds in number of receptions with 51. He averaged 12.4 yards per catch and rang up 634 total yards and four touchdowns this year. Malik Brown was the leading rusher for SUU with 818 yards on 152 carries. His net average per game was 5.1 and per contest was 70.1 yards.

Ennis rang up 32 tackles from his position, including 12 solo tackles, six tackles for loss, 2.5 sacks and one pass breakup. Va'aivaka had 31 tackles and one tackle for loss over his great season, and Bearnson had 42 tackles, 18 of them solo, and an impressive 12 tackles-for-loss and 2.5 sacks.

Big Sky Football - First Round

Three Big Sky Teams Earn Playoff Bids

Three Big Sky football teams will be moving on to the postseason.

Portland State, Montana and the 2015 Big Sky champion Southern Utah Thunderbirds will be taking part in the 2015 NCAA Division I Football Championship playoffs, with action starting on Nov. 28.

The Portland State Vikings, who finished the conference with a 6-2 record after being picked near the bottom of the league in the preseason polls, received the sixth seed, meaning the Vikings will get a first-round bye. Portland State also has two FBS wins on their resume, including wins over Washington State and North Texas. The Vikings finished the regular season 5-0 against ranked teams.

Portland State will host the winner of the first-round game between Northern Iowa and Eastern Illinois at Providence Park. This is the first time Portland State has been seeded in the Division I playoffs, and only the program's second trip to the postseason as a member of the Big Sky Conference.

Southern Utah overcame early season growing pains to win the Big Sky outright in 2015, finishing the conference slate with a 7-1 record. The Thunderbirds lead the nation in turnover margin, and will hope to use their propensity for forcing them against Sam Houston State in the first round. The Thunderbirds will travel to Sam Houston State for an opening round game on Nov. 28.

On an interesting note, this is Southern Utah's second journey to the postseason as a member of the Big Sky Conference, as the Thunderbirds qualified in 2013. They also faced the Bearkats in that matchup, falling 51-20.

Montana made it into the playoff field as an at-large bid, earning the right to host South Dakota State at Washington-Grizzly Stadium in the opening round on Nov. 28.

The Grizzlies had an up-and-down season, opening the season with a nationally-televised victory over No. 1 North Dakota State, then struggling with injuries. But, Montana finished the season with three consecutive victories, including a 57-16 home win over No. 10 Eastern Washington. The Grizzlies also earned a 54-35 win over Montana State in the "Brawl of the Wild."

All of the teams are competing for a spot in the 2016 Division I Football Championship, as two teams will meet at Toyota Stadium in Frisco, Texas to decide the FCS national title.

The Big Sky's last national champion was Eastern Washington in 2010, as the Eagles downed Delaware, 20-19, to win the title.

Southern Utah, 2008-Present..... Head Coach

Two-time Eddie Robinson Award finalist Ed Lamb is compIteting his eighth season as head coach of Southern Utah University after taking the reins of the football program in 2008. His tenure has seen the program improve from an 0-11 squad, the year before he arrived, to the team's first ever appearance at the FCS playoffs in 2013.

The run has included back-to-back winning seasons in 2010 and 2011 and an 8-5 mark in 2013, tying the best single-season win total in school history. The Thunderbirds have also captured a conference championship, the 2010 Great West Conference title, set numerous school records, and garnered multiple conference and national honors.

During his first year at SUU Coach Lamb turned around a program which had been mired in a 19-game slide, and while the 2008 team finished with just four wins, those were four more than the program had in any of the previous three seasons. SUU also broke through with its first road-win in four years when it stopped Southland Conference champion and 22nd-ranked Texas State, 34-30, in 2008.

That same season Lamb oversaw a program which put 11 players on the all-Great West Conference squad, including seven first-team selections as well as its special teams player of the year. The Thunderbirds finished the 2008 season ranked among the nation's top-20 teams in punting and punt returns, passing offense and tackles-for-loss last year as well.

The improvement continued in 2009 when the team finished with a 5-6 mark, its best record since 2004. The team ranked among the nation's top-20 programs in passing, pass efficiency, total offense, scoring offense and punt returns in addition to leading the nation on net punting.

The Thunderbirds had two all-Americans in 2009, placed 12 players on the all-conference squad and had 14 academic all-conference selections. SUU had individuals ranked among the nation's top 10 in pass receptions, receiving yards, total offense, punt returns and scoring as well.

In 2010 the team continued its ascent, as the T-Birds claimed their first Great West championship with a perfect 4-0 mark in conference games, posted an overall 6-5 record, the team's first winning record since 2004, and finished the season ranked among the nation's top-30 in both the coaches and the media polls. Among the team's five losses, only one came by more than eight points.

SUU matched 2010's 6-5 record in 2011, a season which included the team's first win over a FBS-level team in 14 seasons and only its second ever, a 41-16 win at UNLV. Although the team went through a three-game GWC skid midway through the year, SUU closed the season winning three of four games, including a win over UC Davis and victories at future Big Sky rivals Weber State and Northern Arizona, with the only setback a loss at then-No. 5 Northern Iowa.

SUU dominated the all-GWC teams in 2010 and 2011, with 14 selections in each season. In 2010 SUU had 10 first-team selections, four on the second-team and three more earning honorable mention. SUU wide receiver Tysson Poots was the GWC's offensive player of the year in 2010 as well as a consensus first-team All-American.

In 2011 SUU swept the GWC's individual awards, as QB Brad Sorensen was named offensive player of the year, DE Tyler Osborne earned defensive player of the year honors, RB/KR Austin Minefee was the special teams player of the year and WR/PR Brady Measom was the newcomer of the year. In addition to those honors, SUU had nine first-team and five second-team all-GWC selections, while Osborne and Minefee both earned all-America honors.

In 2012, in the program's first season in the Big Sky, SUU notched wins over a pair of ranked teams, then-No. 1 Eastern Washington and then-No. 11 Northern Arizona, and picked up a road win at perennial BSC power Montana. Lamb's T-Birds placed 13 players on all-BSC teams, and linebacker

HEAD COACH

Zak Browning was tabbed as the league's newcomer of the year. Browning and defensive end James Cowser were both Jerry Rice Award finalists and named freshman all-Americans and Sorensen was a Walter Payton Award finalist for the second straight season.

2013 saw the Thunderbirds qualify for their first-ever FCS playoff spot after matching a school-record eight wins, including road victories over No. 8 Montana State (22-14) and FBS opponent South Alabama (22-21). Freshmen Robert Torgerson and Chandler Dowell each picked up freshman All-American honors, with LB Zak Browning and K Colton Cook earning first-team all-Big Sky recognition. In all, SUU was honored with 16 all-Big Sky accolades with Cook also being recognized as a third-team All-American.

In 2014, SUU football went up against one of the toughest schedules in the Nation. The list of opponents included two FBS-level opponents in Nevada and Fresno State, along with five top-25 FCS opponents in #3 Southeastern Louisiana, #11 South Dakota State, #2 Eastern Washington, #15 Montana and #22 Northern Arizona. SUU would end the season with a 3-9 record overall and 3-5 conference record, good enough for eighth place. During the season, newcomer Ammon Olsen emerged as the starting quarterback for the Thunderbirds and garnered Newcomer of the Year in the Big Sky Conference. James Cowser was a first-team all-conference award winner and broke the Big Sky record for tackles for loss for a season.

Coach Lamb came to SUU from the University of San Diego, where he served as special teams coordinator, recruiting coordinator and defensive backs coach for three years.

A 1996 graduate of Brigham Young University, Lamb helped guide the University of San Diego to three consecutive Pioneer League championships as well as back-to-back NCAA Division I-AA Mid-Major National Championships in 2005 and 2006. In 2007 the USD special teams ranked first or second in the Pioneer League in every statistical category and the defense finished 2006 ranked fourth nationally after the Toreros completed an 11-1 season. While at USD Coach Lamb's responsibilities included serving as the team's budget manager and recruiting in addition to his on-field responsibilities.

Prior to joining the Toreros in 2005, Lamb spent two seasons as defensive coordinator at the University of Idaho where his 2003 team finished second in the Sun Belt Conference in scoring defense. As part of his duties as coordinator, his primary responsibility was with the Vandal secondary.

Coach Lamb spent the 2001 season on the BYU staff as a defensive assistant working with the linebackers. While with the Cougars he helped the squad to a 10-2 record and a Mountain West Conference title.

Lamb served as defensive coordinator and linebackers coach at the University of Redlands from 1998 through 2000, where his teams went 21-6 overall and boasted the Southern California Intercollegiate Athletic Conference's top scoring defense every year he was with the program. He also served as the Bulldogs' recruiting coordinator.

Prior to becoming defensive coordinator at Redlands Lamb spent one season as a graduate assistant working with the defensive line.

As a student-athlete, Lamb played linebacker and defensive end from 1992-96 on Brigham Young University and BYU-Idaho teams which combined to win four conference championships.

Lamb and his wife, Sarah, are the parents of three daughters: Anna, Amelia and Summer, and son Claude Edward IV.

Game #1

September 3 at Utah State Loss, 9-12

Logan, Utah - A punt returned for a touchdown late in the fourth quarter proved to be the difference Thursday night, as the Utah State Aggies pulled out a win against the Thunderbirds 12–9 in a defensive struggle.

With just under five minutes to play in the game and the score at 9–5 in favor of the Thunderbirds, USU's Andrew Rodriguez returned a punt 88 yards for a touchdown, snatching the victory from T-Birds who had led the entire game until that point.

The Thunderbirds struck first early in the game after linebacker Matt Holley blocked an Aggie punt, and T-Bird quarterback Ammon Olsen found wide receiver Mike Sharp from 27 yards out for a touchdown. However, the PAT was blocked and returned by USU making the score 6–2.

The Aggies put three more points on the board with 4:59 to play in the first quarter with a 30-yard field goal from kicker Brock Warren, making the score 6–5. The last play of the first quarter was an interception for Thunderbird defensive back Josh Thorton.

Near the end of a second half filled with punts, the Thunderbirds pushed the ball into the redzone, and on a 4th & 12 Calhoun hit a field goal with nine seconds left on the clock to give SUU a 9–5 advantage going into the halftime break.

At the half the two teams had combined for 15 punts, and neither team had converted on a third down.

No points were scored in the third quarter, and every single possession during the quarter ended in a punt.

An extremely long scoring drought was snapped with about five minutes left in the fourth quarter, when Rodriguez returned the aforementioned punt 88 yards to the house to give the Aggies a 12–9 lead.

When SUU got the ball back a penalty and sack stacked up and forced the Thunderbirds to punt the ball back to the Aggies. However, SUU's defense held and with 2:13 left in the contest the Aggies were forced to give the ball back to SUU.

On SUU's final drive, faced with a 4th & 9, a pass from Olsen to receiver Justin Brown fell incomplete, allowing USU to take possession and run the clock dry.

In a game dominated by defense, SUU defensive back Miles Killebrew said he was pleased with how the unit played as a whole.

"I'm proud of our defense first of all," he said. "They gave great effort from the line all the way back to the secondary. The coaches did a very good job of preparing us and we just played our hearts out, on both sides of the ball, but I'm really proud of my defense especially."

SUU defensive end James Cowser gave Utah State full credit for the victory, and said the team will use this game to improve next time out.

"Utah State did what they had to do to win," he said. "Their defense played phenomenal, their offense kept rolling when they had to roll and their special teams got it done. Unfortunately, you've got to play the game for the full 48 minutes, but there's a lot we can learn from, a lot we can take pride in and get better."

Olsen finished the game 17-of-34 passing, for 111 yards and one touchdown. USU senior QB Chuckie Keeton had similar numbers without the TD, finishing 16-of-33 for 110 yards.

Sharp finished with 40 receiving yards on four catches and Brown finished with 38 yards on five catches.

SUU running back Jarom Healey finished as SUU's top rusher, carrying the ball 12 times for 38 yards. Aggie back LaJuan Hunt carried the ball 23 times, resulting for 80 yards.

Linebacker Mike Needham led the team in tackling, finishing the game with 10. Holley finished with eight, and Cowser finished with seven.

By the time the game was over, the two punters had put their work in, combining for 28 punts on the night.

On deck for the Thunderbirds is a matchup in Brookings, South Dakota against South Dakota State. Kickoff next Saturday is scheduled for 5 p.m.

Game #2

September 12 at #10 South Dakota State Loss, 55-10

Brookings, South Dakota - After taking an early lead in Saturday's matchup against the top-10 ranked South Dakota State Jackrabbits, things turned quickly against the Thunderbird football team as they fell to SDSU 55–10 at Coughlin-Alumni Stadium.

SUU (0–2) didn't give up an offensive touchdown in its opener against Utah State, but SDSU (2–0) was able to move the ball and score against the Thunderbirds defense.

"We schedule these games to find out where we're at against the best, and we came up short," SUU head coach Ed Lamb said about the loss.

The Thunderbirds struck first with 6:27 to play in the first quarter, when quarterback Ammon Olsen found wide receiver Brady Measom in the endzone from nine yards out, to put a cap on an eight play, 84-yard drive, putting SUU up 7–0. That marked the first time this season the Jackrabbits trailed, after they were ahead of Kansas for the whole game in their opener.

After SUU got on the board, the Jackrabbits scored 48 unanswered points, led by a three man attack from quarterback Zach Lujan, wide receiver Jake Wieneke and running back Brady Mengarelli.

The Thunderbirds were able to put three points on the board with seven minutes to play in the game, as kicker Keita Calhoun hit a 24-yard field goal, making the score 48–10.

On the first play of the Jackrabbits next drive, backup quarterback Dalton Douglas completed a pass to tight end Dallas Goedert for a touchdown from 77 yards away, for the final score of the night putting SDSU up 55–10.

Olsen finished with 137 passing yards for SUU, completing 17-of-29 passes and throwing one touchdown and one interception. Running back Malik Brown led SUU on the ground, carrying the ball 11 times for 67 yards. Tight end Steven Wroblewski caught four passes for 30 yards.

SUU defensive end James Cowser recorded two sacks in the game, and defensive back Miles Killebrew led the team in tackles with 11.

Lujan finished with 314 passing yards, completing 19 passes and throwing for two touchdowns. Wieneke caught 11 passes for 205 yards and two touchdowns, and Mengarelli ran for 145 yards and three touchdowns. Lamb said he was impressed by what SDSU brought to the game on the ground.

"They did a really good job staying balanced," he said. "I really like the way their offensive line works together and climbs to the next level and they have a run game system that's kind of based on (the fact) they can take some some tackles for loss on some run throughs, but if they're patient with it, they stick to it and have believed then they do a great job in the running game. Mangarelli is a heck of a back with a lot of speed and ability to see the hole, and runs with great desire and heart."

Next up for the Thunderbirds will be both their home opener and Big Sky Conference opener, as Northern Colorado will travel to Cedar City. Kickoff from Eccles Coliseum is scheduled for 6 p.m.

Game #3

September 19 Northern Colorado Win, 30-3

Cedar City, Utah - The Thunderbird football team picked up their first win of the season Saturday night in their home opener with a 30–3 victory over Big Sky Conference opponent Northern Colorado.

SUU head coach Ed Lamb said the there is a sense of relief picking up the first win, but it started with how the team responded to the previous loss throughout the week.

"It feels great and it was a new start in terms of that in college football you've got to set out and want to win every week for certain," he said. "We didn't talk about this week being the start of conference play and our first home game and all that, but everybody knew it and it gave us a renewed sense of purpose and a regained sense of what's possible and I think the players responded really well."

The Thunderbirds (1–2, 1–0 Big Sky) forced six turnovers, five of which were interceptions and one fumble recovery. Four different players recorded an interception for the defense, who did not give up a touchdown on the night.

SUU linebacker Mike Needham said the defense puts a strong emphasis on starting strong, and that happened for them today.

"Every first drive of the game we come in strong and it's just kind of a test of how we're going to do this game," he said. "Last week was kind of a shocker for us, but we learned from our mistakes and this week we prepared very well. We're not afraid of any opponent, we're going to come out strong every game."

The teams split field goals to open the game, but the Thunderbirds scored the first touchdown of the contest when quarterback Ammon Olsen ran the ball into the endzone from 19 yards out to put SUU up 10–3.

The Thunderbirds struck again with 35 seconds left in the first quarter, when Olsen capped off eight play drive with a rush into the endzone from one yard out to put SUU up two scores.

SUU put two more field goals on the scoreboard before the half, giving them a 23–3 advantage at the break.

After the intermission there was only one more score, and that was when Mike Needham picked off a tipped pass and returned it to the the house from 27 yards away to put the Thunderbirds up 30–3, which would be the final score.

Olsen threw for 250 yards in the contest, completing 30 passes to 10 different receivers. Olsen's 250 yards was more than his total yards through the first two games. However, it wasn't through the air that Olsen got touchdowns, it was on the ground as he ran two in. Olsen gave credit his receiver for picking up yards after the catch and his offensive line for creating holes for the running game.

Malik Brown finished the game with 124 all-purpose yards, picking up 68 on the ground and 56 through the air. He said he starts with the big men in front of him.

"The O-line opens holes and I hit them," he said. "All praise to them, I'm just finishing. It's that simple."

Jonathan Newsom started the game for UNC at quarterback, but Jacob Knipp played for the majority of the game, completing 19 passes for 257 yards, but did throw three interceptions. Stephen Miller was the Bears top receiver, catching six passes for 111 yards.

Needham said the team played a complete game on Saturday night.

"We just wanted to win," he said. "The last game just hurt us really bad and the defense is all just one big family … and we just want to do our part. We know the offense is going to do their part and we didn't do anything different, we just were a little big more focused."

Next up for the Thunderbirds is their Homecoming game, when they will take on Brevard College. Kickoff next Saturday is scheduled for 6 p.m. MST.

Game #4

September 26 Brevard College Win, 55-7

Cedar City, Utah - The Thunderbirds Homecoming football game put a cap on an exciting weekend, as they were able to take care of business against Brevard College on Saturday night at the Eccles Coliseum 55–7 in front of a 109 percent capacity crowd.

The win moves the Thunderbirds to 2–2 (1–0 Big Sky) on the regular season, and will now dive head first back into Big Sky play. Brevard, who competed in their first game outside of the Eastern timezone ever on Saturday, now moves to 0–4.

SUU held coach Ed Lamb said being at home for two straight games has helped the team exponentially.

"The crowd the first two games has been amazing," he said. "The fan support, the buzz in Cedar City and in southern Utah, it's been incredible to hear the positive feelings and support coming from the SUU faithful and it's been neat to see it grow, to see people around town that maybe a couple years ago weren't paying much attention, and now they're really excited about what's going on."

It took some time for the Thunderbirds to get going offensively, but once they did it was hard to stop them. SUU struck first with 28 seconds left in the first quarter, when quarterback Ammon Olsen found wide receiver Justin Brown from 26 yards away in the endzone to put the Thunderbirds up 7–0.

Just about five minutes into the second quarter the Thunderbirds struck again when Olsen hit wide receiver Ty Rutledge from 29 yards away to put them up two scores. SUU struck again about four minutes later as Olsen threw his third touchdown of the contest to Naia Ursua to cap a seven play, 70-yard drive putting the Thunderbirds up 21–0.

SUU stuck again before the half when running back Malik Brown carried the ball in from one-yard out to put SUU up 27–0 after the PAT was missed.

Malik Brown continued his success when the second half started, as he carried the ball in from 24 yards out to score his second touchdown of the game. Running back Levi Te'o also scored on the ground in the third quarter from seven yards out, capping off a four play, 78-yard drive to put suu up 41–0.

The hope of a shutout was put to rest shortly after the fourth quarter started, as Brevard running back Anthony washington ran the ball into the endzone. SUU was quick to respond though, with running back Jarom Healey running the ball into the endzone two and a half minutes later.

The Thunderbirds struck one more time before the game was over, as backup quarterback Tannon Pedersen ran the ball in from 15 yards out to put SUU up 55–7, which would be the final score.

SUU didn't throw the ball for the entire second half, and kept it on the ground with Pedersen playing the entire second half at QB. Lamb said this stemmed from the idea that the halftime lead would be enough to hold Brevard at bay.

The Thunderbirds finished the game with 560 yards of total offense, and Brevard finished 212 total yards.

Olsen threw for 195 yards in the game, completing 16 passes and three touchdowns to three different wide receivers. The one throw Brevard Tyler Gregory completed for 36 yards was his longest career completion.

"I felt better today," Olsen said about his performance. "We had some big plays down the field, which always helps us a lot on offense, so it felt much better today."

Malik Brown finished the game with 91 net rushing yards and two touchdowns, and coach Lamb said his play was vital.

"Malik opened the second half the way that he's opened this season for us, he's been the drummer out in front," he said. "He's been the flag bearer out in front of the running backs."

Brevard College held an advantage in time of possession, holding onto the football for 38:24, where SUU was able to score quickly on most occasions and only had the ball for 21:33.

Olsen said the moving on into the season, this win will pay dividends.

"It's good for our confidence," he said. "It's good to see that we can run the ball the way we did, but we have a lot of work to do. We can't come out like that, we have to prepare and come out ready to start play one, but as far as our confidence level right now as an offense, it was a good game for us."

Next up for the Thunderbirds is a date with Weber State Wildcats in Ogden. That game will be played on Friday October 2, which means both teams will have a short week going into the matchup.

Game #5

October 2 at Weber State Win, 44-0

Ogden, Utah - Friday night's rivalry showdown between the Thunderbirds and Wildcats was a one-sided affair, as SUU (3–2, 2–0 Big Sky) shutout Weber State 44–0 at Stewart Stadium.

The Thunderbird defense forced the Wildcats into six turnovers, five of which were interceptions by five different players.

"I think the turnovers really led to the shutout," SUU head coach Ed Lamb said following the victory. "Weber certainly had capabilities, but they stalled a lot of their drives that they had going with the turnovers. The offense calls them turnovers, the defense calls them takeaways, definitely credit the defense but I think like all games, if we play that game again it's not like we could shut them out for infinity. It was a great 60 minutes of football by the defense, very opportunistic getting the turnovers and pressuring the passer."

The Thunderbirds struck first late in the first quarter, when SUU wide receiver Naia Ursua returned a punt 68 yards to the endzone to put SUU up 7–0. The return was the result of a fake where the return team makes it seem like one player is set to return the kick, but someone on the opposite side of the field actually ends up with the ball. This type of play has been popping up the last few weeks in the NCAA and NFL, but Lamb said it was something they've done for a long time and they were able to execute it tonight.

SUU's defense scored the team's next touchdown, as cornerback LeShaun Sims picked off a pass and returned it 26 yards to the house for a touchdown.

Before the first half ended the Thunderbirds would put three more points on the board, as Keita Calhoun field goal from 33 yards away put the team up 17–0 going into the break.

SUU's first touchdown of the second half came off a wildcat play, as wide receiver Mike Sharp slid into the quarterback slot and ran the ball in from three yards out to extend the lead. The SUU offense continued its dominance a few drives later, as Jarom Healey ran the ball in from six yards out to put the team up 31–0.

The second defensive touchdown of the game came just minutes into the fourth quarter, when Taylor Nelson returned an interception from 19 yards away to put SUU up 38–0.

Calhoun and Trevor McGirr both put up a field goal before the contest was over, as the Thunderbirds ran away with the game 44–0.

SUU linebacker Matt Holley said holding the Wildcats scoreless was big for the defense.

"A shutout is huge," he said. "Very rare to come by, especially playing against Weber in a rivalry game, you never see it."

Ursua gave a lot of credit to the coaching staff when asked how the offense performed so well on Friday night.

"The coaches are always preaching to us to be ready and I feel like from the beginning of this week the preparation that went into this game we executed in practice extremely well, and I feel like that carried over into the game," he said.

SUU QB Ammon Olsen threw for 242 yards in the contest, completing 24-of-40 passes. Levi Te'o was the team's leading rusher, carrying the ball for 54 yards. Wide receiver Justin Brown caught five passes for 53 yards in the game.

Miles Killebrew led the Thunderbirds in tackles with 13 and Mike Needham picked off his third pass of the season, as one of the five for SUU.

WSU quarterback Jadrian Clark threw for 134 yards and Eric Wilkes picked up 47 yards on the ground for the Wildcats.

Game #6

October 17 Sacramento State Win, 44-0

Cedar City, Utah - The Thunderbird football team shutout their second straight Big Sky Conference opponent on Saturday night at the Eccles Coliseum, as they defeated the Sacramento State Hornets 44–0.

SUU head coach Ed Lamb said he was pleased with how the team played in all facets of the game.

"I'm really pleased with the way our guys played," he said. "Offense, defense, special teams, they had the instinct to keep going and not let up, and I think that's a critical skill that we need to develop and there in the second quarter a few times we weathered the storm when the momentum wasn't necessarily going our way our guys kept fighting and got back the momentum. I'm very proud of the way they played tonight."

The Thunderbird defense has yet to allow a touchdown in Big Sky play, shutting out CSUS and Weber State, and only allowing a field goal against Northern Colorado. SUU has outscored their last four opponents 173–10, and are only giving up one point per game in the Big Sky.

SUU safety Miles Killebrew said he credits to two shutouts to the preparation the team has throughout the week.

"Our coaches do a very good job of preparing us each week for our assignments," he said. "We don't do anything out of the ordinary, we just have each others backs on defense and just do our assignments and the results show."

The Thunderbirds put three touchdowns on the board in the first quarter, which were all throws from quarterback Ammon Olsen. The first one was from 10 yards out to Mike Sharp, which capped off a two minute drive, which was seven plays long and went 75 yards.

The second touchdown of the first quarter was a 40-yard pass from Olsen to wide receiver Justin Brown, and the third score of the quarter came when Olsen hit Sharp for a second time, this time from 32 yards away, to put the Thunderbirds up 21–0.

No points were scored again until there was under six minutes to play in the third quarter, when Olsen hit Brown again from 48 yards away to cap an 80-yard drive that only lasted just over a minute.

During SUU's scoring drought the rain picked up a little bit and the weather took a turn for the worst, but Olsen said that wasn't the only factor that led to the lack of offense in the second quarter.

"We kind of got comfortable," he said. "We kind of started to coast, and the coaches talked about that before the game, just don't stop and coast, and I think the rain didn't help and they changed their defensive schemes at the same time, so a little bit of everything. But it was a good lesson for us and hopefully it won't happen again."

Following a Keita Calhoun field goal, Sharp struck again from 50 yards away to extend the Thunderbird lead. The final score of the contest came with just over eight minutes to play, when Naia Ursua ran a ball in from 12 yards out to put SUU up 44–0, which would be the final score of the contest.

Ammon Olsen threw for 421 yards in the game and five touchdowns, completing three TD's to Sharp and two to Brown. Olsen tied the school record for touchdown passes in a game, which ties him with former Thunderbird QB's Brad Sorensen and James Armendariz.

Sharp finished the game with 154 yards receiving, and Brown finished the game with 160.

Running back Malik Brown had another 100-yard plus performance Saturday night, carrying the ball 16 times for 105 yards.

This was the first game the Thunderbirds had played under newly appointed offensive coordinator Justin Walterscheid, which Sharp said played a factor.

"Coach takes his job seriously, he was my receivers coach so I knew we were in good hands," he said. "I think there was a little bit of difference, but it was the same plays."

The Thunderbird defense accumulated five sacks in the game, and 10 tackles for loss. Kyle Hannemann had the Thunderbirds lone interception on the night, and was able to carry it back 52 yards.

Hornet quarterback Nate Ketteringham threw for 117 yards on 14 attempts, but was sacked four times and threw an interception. His top target was Nnamdi Agude, who caught four passes for 54 yards.

Next up for SUU will be a road contest against UC Davis.

Game #7

October 24 at U. Cal Davis Win, 34-6

Davis, California - The Thunderbird football team picked up their fifth victory in a row on Saturday night, as they knocked off Big Sky Conference opponent UC Davis on the road 34–6.

The victory moves SUU to 5–2 overall, with a 4–0 mark in the Big Sky Conference.

"We're going to take every team's best shot now," SUU head coach Ed Lamb said about the victory. "We're kind of becoming a marked team as we move through the season and I think we took UC Davis' best shot. I thought that was as well as they've played and I think they're a good team that's run into a really tough schedule that doesn't have a lot of wins to back up how good they are. But we took their best shot, weathered the storm and in the second half found that killer instinct, I was really proud of our resiliency."

The Aggies struck first with just over six minutes to play in the first quarter, when kicker Brady Stuart hit a 33-yard field goal to put the Aggies up 3–0.

After a few early drives were stalled, the Thunderbirds were able to get on the board with a touchdown run from one yard away to put SUU up 7–3. The run capped off a seven play, 40-yard drive.

With about four and a half minutes left in the first half UCD's Stuart hit a 48-yard field goal, a career high, to pull the score within 7–6.

The Thunderbirds got the ball back right before halftime and were able to drive the ball into field goal range, but Calhoun's attempt was blocked leaving the score in favor of SUU 7–6 at the break.

SUU's offense started rolling midway through the third quarter as Malik Brown carried the ball in from 31 yards out to put the team up 14–6.

After defensive end James Cowser forced a fumble with a sack and strip late in the third quarter, Olsen found wide receiver Justin Brown from 13 yards out to up the Thunderbird lead to 20–6 after the PAT was missed.

Early in the fourth quarter UCD quarterback Ben Scott left the game with an injury. He finished the game with 16 completions for 85 yards.

With 11:12 to play, the Thunderbirds lined up in a wildcat formation with wide receiver Ty Rutledge lining up at quarterback and running the ball in from two yards out to put SUU up 27–6.

As the fourth quarter rolled on the Thunderbirds offense found more success, as Olsen found Steven Wroblewski from 17 yards out to increase the Thunderbirds lead to 34–6, and that would remain the final score.

The SUU defense has still not given up a touchdown in Big Sky play, allowing only three field goals in their four conference matchups.

The Thunderbirds have outscored their last five opponents 207–16.

SUU safety Miles Killebrew said said the success is coming from every aspect of the team.

"Our coaches are definitely doing a great job preparing us week to week and we take each team with the same mentality, which is that every opponent is the best team we're going to play all year," he said. "That's what we did today. We weathered the storm as coach Lamb likes to say, and it was a great team win."

Olsen finished the game 26-of-41 through the air, throwing for 336 yards and two touchdowns. J. Brown was Olsen's top target on the night, finishing with 121 yards on eight catches and a touchdown. Wroblewski finished the game with four catches for 56 yards and a touchdown, and Meason had 53 yards on four catches.

M. Brown finished the game with 90 yards rushing and a touchdown on 12 carries, and fellow RB Jarom Healey had seven carries for 42 yards.

The SUU offense outgained the Aggies 531–235 on offense.

The stifling Thunderbird defense finished with six sacks and 11 tackles for loss. Killebrew led the team in tackles with 15, and Cowser finished the game with three tackles for loss and two sacks.

Cowser is currently one TFL away from tying the FCS record for a career.

The Thunderbirds will put their five game winning streak on the line next Saturday, as they will host Cal Poly. The game is scheduled to start at 3 p.m. at the Eccles Coliseum. Tickets can be purchased online at tbirdtickets.com.

Game #8 - Thunderbirds ranked #24

October 31 Cal Poly Win, 54-37

Cedar City, Utah - The No. 24 Thunderbirds moved to 5–0 in Big Sky Conference play Saturday night at Eccles Coliseum as they knocked off the Cal Poly Mustangs 54–37 in a Halloween showdown.

SUU head coach Ed Lamb said he with pleased with the complete team effort on Saturday.

"Everyone of our players knows that was just a huge, monumental victory," he said. "Cal Poly is a really good team that just didn't go away. We took their very best shot and that's becoming a weekly theme for us is to take their best shot, hang in there together, believe in each other. The team found ways, it wasn't always offense, it wasn't always defense, it wasn't always special teams, but the team found ways to play together, overcome, make clutch plays in the end and I just couldn't be prouder. Wins over Cal Poly for Southern Utah do not happen very often, and I couldn't be prouder of the guys' effort."

In the process, SUU defensive end James Cowser broke the NCAA FCS tackles for loss record, as he now sits with 72.5 in his career. Cowser said his mind wasn't on breaking the record, but he was glad it happened.

"I forgot about it until they threw it up on the scoreboard and someone showed me," he said. "It's not really on my mind, I'm just thinking tackle the fullback mostly."

The teams traded field goals to start the game, and the first touchdown of the contest was scored by Thunderbird running back Malik Brown on a 10-yard rush to put SUU up 10–3, which would remain the score until the start of the second quarter.

Early in the second, linebacker Mike Needham had a fumble recovery touchdown, SUU's first of what would be three defensive scores of the game, to put them up 17–3.

After another Keita Calhoun field goal Cal Poly responded with running back Kyle Lewis scoring his first touchdown of the contest from seven yards out to pull the Mustangs within a touchdown.

Brown struck again on SUU's next drive to cap off a seven-play, 69-yard possession with a 2-yard carry to put SUU up 27–10. The second quarter scoring continued on Cal Poly's next drive, as Lewis scored again, this time from six yards out, to pull the Mustangs in closer.

SUU struck again on their next drive, as Ammon Olsen found wide receiver Ty Rutledge from 18 yards out to put SUU up 34–17 after the PAT was blocked. However, the Mustangs responded again with another TD run from Lewis to pull Cal Poly within ten going into the half.

Midway through the third quarter Mustang quarterback Chris Brown carried the ball in from 15 yards out to pull the Mustangs within three, and Cal Poly was driving again later in the third when the Thunderbirds forced a fumble and Needham returned his second to the house to put the Thunderbirds back up ten.

"During that play the ball kind of just fell into my arms, but once I entered the endzone I was just freaking out," Needham said about the score. "I just wanted to win this game so bad, and I knew that was a huge turning point in the game and I give credit to the D-line, they stripped the ball, it fell into my arms and I had lead blockers, I didn't do it all."

SUU's next score came early in the fourth, as Cowser did something he hadn't done in his career before today, returning a fumble for a touchdown, marking the Thunderbirds third defensive score of the ball game and putting them up 17.

Lewis would respond with another touchdown for Cal Poly, but the Thunderbirds would put a cap on the game with just under 10 minutes left as Olsen found wide C.J. Morgan from 26 yards out to put SUU up 54–37, which would remain the final score.

Olsen threw for 205 yards and two touchdowns, and Brown carried the ball 17 times for 85 yards and two touchdowns.

Olsen said even though the offense didn't put up big numbers, they did their job.

"We take it one drive at a time and our offense did a really good job taking advantage of the defensive stops," he said. "Obviously we knew Cal Poly was going to run and they're really good at what they do, but when we got a chance to score I think we only punted a few times today and that was good to be able to drive the field and if we didn't score then we flipped the field, so it was really good of our offense to do that."

Mike Needham finished the game with 20 tackles and two fumble recoveries, followed by Miles Killebrew who had 17 tackles for SUU. Cowser also had two fumble recoveries to go along with his TFL record.

Cal Poly had four players rush for 100 plus yards, with Lewis leading the way with 121 yards and four touchdowns. Mustang QB Chris Brown rushed for 109 yards and threw for 47.

The Mustangs finished with 535 yards on the ground.

Next up for the Thunderbirds is a trip to Bozeman, Montana, where the Thunderbirds will take on the Montana State Bobcats. Kickoff for that game is scheduled for 1 p.m.

Game #9 - Thunderbirds Ranked #18

November 7 at #24 Montana State Win, 34-23

Bozeman, Montana - The No. 18/20 Thunderbirds were able to take care of business on Saturday afternoon, defeating the No. 24/- Montana State Bobcats on the road 34–23. The victory for SUU is their seventh in a row, which sets a new team record for consecutive wins in a season, and continues their perfect start in the Big Sky Conference with a 6–0 record.

En route to handing the Bobcats their first home loss of the season and holding them to their lowest offensive output of the season, SUU defensive end James Cowser surpassed the Big Sky record for tackles for loss which was held by Jared Allen. Cowser, who now has 73.5 TFL in his career, said as the wins continue to stack up, they continue to become some of his favorites.

"It seems like every win this year has been a little better, a little sweeter than the last," he said. "As you win more games the conference championship seems to get closer, they seem to mean more, so it's definitely up there."

SUU head coach Ed Lamb said dealing with an offense like MSU has its challenges, but the team was able to make the proper adjustments, especially with Bobcat quarterback Dakota Prukop.

"We had to emphasize a zone coverage," he said. "When we didn't get into more aggressive man coverage we had to pull back the pass rush a little bit. He's a real weapon, he's difficult to plan for."

The Bobcats were able to strike first, capping off a 13 play, 75-yard drive with a one yard rush from running back Chad Newell to go up 7–0 early.

After a short punt from the Bobcats midway through the second quarter the Thunderbirds were able to get on the board for the first time. Running back Levi Te'o ran the ball in from three yards out to complete a 12 play drive that went 45 yards resulting in a 7–7 tie.

The Bobcats struck again with just over three minutes to play in the half, as kicker Luke Daly hit a 32-yard field goal to put MSU up 10–7.

SUU's final drive of the first half was kept alive on a fake punt by Tate Lewis, as well as a long heave from QB Ammon Olsen to Mike Sharp for 45 yards to put the Thunderbirds inside the five yard line. However, the field goal attempt was missed sending the Bobcats into the half with a 10–7 lead.

Once the second half started the Thunderbirds came out of the gates with a five play, 75-yard drive resulting in a 20 yard throw from Olsen to Sharp for a touchdown. The PAT was blocked, resulting in a 13–10 lead for the Thunderbirds.

The Bobcats responded on their next drive, with Newell getting into the endzone for the second time putting MSU up 17–13.

The third quarter scoring continued on SUU's next drive, as running back Malik Brown carried the ball into the endzone from 19 yards out to put SUU back in control 20–17.

MSU's next drive ended with an interception by SUU linebacker Matt Holley just outside of the Thunderbird offensive red zone. SUU scored two plays later as Te'o ran the ball in from 26 yards out to put the Thunderbirds up 26–17 after another blocked PAT.

Brown struck again with 10:31 to play from 31 yards out, and the Thunderbirds converted a two-point try as Ty Rutledge lined up at QB and found Steven Wroblewski to convert and put SUU up 34–17.

The Bobcats tried to rally late, scoring with 6:30 to go when Beau Sandland caught a touchdown from Dakota Prukop to cut into the Thunderbird lead 34–23, but that would be the final score of the contest giving SUU the victory.

The Thunderbirds finished the game 4-for-4 on fourth down conversions.

Olsen finished the game with 243 yards through the air, 95 of which went to Sharp. Brown was SUU's leading rusher with 89 yards on the ground and two touchdowns, while Te'o carried the ball for 39 yards and two touchdowns. Te'o credited the success on the ground to the offensive lines production.

"I just saw our offensive line pushing them back," he said. "They got their blocks, they did their assignments and coach trusted us so once we saw it we hit it and went as fast as we could."

The Thunderbird defense forced three interceptions, as Holley, Kyle Hannemann and Kahlil Bradley all picked off a pass, and tallied seven tackles for loss. Taylor Nelson led the team in tackles with 15.

Prukop threw for 163 yards, one touchdown and three interceptions for MSU. He also led the team in rushing with 96 yards.

Lamb said the mood in the locker room after the game was an exciting one, but the team knows what is at stake as the season continues.

"This is just one challenge of many," he said. "There's a lot of pride and a lot of happiness in there, but we've got a big task, we've got to get back this week ready to work."

The Thunderbirds will stay on the road next weekend, as they will travel to Portland, Oregon for a date with the Portland State Vikings. That game is scheduled to kick at 3:05 p.m.

Game #10 - Thunderbirds Ranked #15

November 14 at #16 Portland State Loss, 24-23

Portland, Oregon - The No. 15/18 Thunderbirds fell in a tough contest on the road Saturday to the No. 16/15 Portland State Vikings 24–23 snapping SUU's seven-game winning streak.

With just minutes to play, SUU (7–3, 6–1 Big Sky) scored a touchdown that had the potential to tie the contest, but the T-Birds elected to go for two instead of attempting the PAT and was not able to convert.

"I felt like we didn't have a lot of momentum with our field goal kicking unit and I didn't want to play for overtime," SUU head coach Ed Lamb said about the decision to go for it. "I didn't think that we were a sure thing even to take the one point PAT and I felt our best shot to win it was to not get into a field goal kicking competition in the overtime period."

Despite the loss SUU is still in the driver's seat in the race for the Big Sky Conference title and have at least a share of the title right now. The Thunderbirds will have a chance to clinch the Big Sky Conference title next weekend when Northern Arizona travels to Cedar City.

"At the beginning of the season our goals were to protect the trophy case and add to it," Lamb said. "My understanding is that we already have a share of the Big Sky title locked up so we'll be looking to win that outright and be selfish about that title."

With a sack in the second half SUU defensive end James Cowser is now the Big Sky Conference career leader in that category. He passed Jared Allen's record when he reached the 39.5 number.

"It's fun, it's exciting," Cowser said. "I guess after a loss it's not as sweet, but we were hoping to win this and win conference outright but we're still in the driver's seat and that's what the focus is as a team right now."

The Vikings got on the board first as quarterback Alex Kuresa found tight end Cameron Thompson from eight yards out to put PSU up 7–0.

After a Thunderbird field goal that pulled them closer, QB Ammon Olsen found wide receiver Mike Sharp from 53 yards away to put SUU up 10–7.

After the Vikings responded with a field goal of their own early in the second quarter, the Vikings scored their second touchdown of the game as Kuresa found Thomas Carter from 73 yards away to complete a four-play, 92-yard drive to go up 17–10. That would remain the score going into the half.

Late in the third quarter the Thunderbirds went on a 10-play, 86-yard drive that only lasted three and a half minutes to tie the contest up at 17–17.

The Vikings responded to start the fourth quarter with a jump pass by Kieran McDonagh, who had lined up at running back, to Thompson from seven yards away to put the Vikings back on top 24–17.

The Thunderbirds had a long drive near the end of the fourth quarter, but it ended with a missed field goal by Keita Calhoun.

SUU got the ball with just about two minutes left in the game, and went on a quick four-play, 49-play drive that only lasted 45 seconds to pull the game within one with 1:18 to play. However, the Thunderbirds elected to go for two instead of attempt the PAT and weren't able to convert resulting in a 24–23 defeat.

Olsen threw for 384 yards and two touchdowns for the Thunderbirds, but did have a season high in interceptions throwing three. Sharp was Olsen's top target all night, catching 10 passes for 197 yards and two touchdowns. Sharp said turning the ball over hurt the team all game.

"The thing that hurt us the most was those turnovers," he said. "Usually our defense is the one getting those turnovers and today it was us turning over the ball. It was just miscommunications, not getting signals in, it's not all one player's fault but as a team we can clean that up like we have in the past games where we came out with victories that's our key right there."

Kuresa had a big game for the Vikings, throwing for 196 yards and two touchdowns, as well as keeping it on the ground for 58 yards. Cowser said SUU had a difficult time slowing him down. Kuresa found Thompson in the endzone twice and found Thomas Carter four times for 88 yards and one touchdown.

"We knew he's a fierce competitor, a great runner," he said. "He's a winner, it's what he is. He's done it all throughout high school, in junior college and now here. So we were just looking to stop the downhill runs, and all credit to him."

SUU's rivalry matchup with NAU is scheduled to begin at 3 p.m. at the Eccles Coliseum.

Game #11 - Thunderbirds Ranked #18

November 21 #20 Northern Arizona Win, 49-41

Cedar City, Utah - The Thunderbird football team claimed their first ever Big Sky Conference Championship Saturday at the Eccles Coliseum defeating rival Northern Arizona 49–41, claiming the Big Sky Championship Trophy and the Hinton-Burdick Grand Canyon Trophy.

"I have so many mixed emotions," SUU head coach Ed Lamb said after the game. "I just told the players there's so many people outside the locker room and I don't want to turn this into an Oscar speech, but from each of the families of the players and coaches that have made the sacrifice, the administrators at this University that saw this vision before I was hired when they decided to go Division I and the people of Cedar City that supported it and made it possible."

SUU played in front of 9,022 fans, and as the final seconds ticked off the clock several of them stormed the field to celebrate the title.

SUU defensive end James Cowser said after a somewhat difficult season last year, this one feels that much sweeter.

"It's good for us that we stuck together for a 3–9 season, we stuck together through a rough offseason and it's just paid off," he said.

After a NAU field goal to start the game the T-Birds scored their first touchdown when QB Ammon Olsen hit wide receiver Mike Sharp from 21 yards out to put SUU up 7–3.

The Lumberjacks put a touchdown on the board early in the second quarter, and then again with 50 seconds left on the clock to go up 17–7.

With just six seconds left in the second quarter Olsen hit Steven Wroblewski for a touchdown, but the Lumberjacks responded on their next six-second drive with a 49-yard hail mary touchdown pass which resulted from a T-Bird penalty.

The T-Birds would put three touchdowns on the board in the third quarter, the first of which came on a Jarom Healey run from four yards out. NAU responded on their next drive with a touchdown of their own as Corbin Jountti ran it in from one yard out.

With 2:57 left in the third quarter Olsen hit Sharp again, this time on a long 70-yard pass play to pull SUU closer, and then they took the lead on their next possession when Olsen hit Sharp for a third time to go up 35–31.

NAU hit a field goal to start the fourth quarter, but the Thunderbirds would counter with a touchdown catch by Ty Rutledge and a 70-yard touchdown run by Healey to seal the contest. Rutledge, who made an impressive grab to haul in the TD, said he was just happy to be in that position.

"If Ammon put it anywhere else I don't think I could have caught it," he said. "I didn't care if it was me that made a big play or if it was someone else, the most important thing was that the team won."

The Lumberjacks scored one more TD before the contest concluded and had a chance at one more hail mary, but weren't able to get it leaving the final score at 49–41.

Olsen finished with 430 yards through the air and five touchdown throws. Three of those TDs went to Sharp, who had 169 yards receiving. Wroblewski had a big game as well, pulling in nine passes for 93 yards and a touchdown.

Sharp has had huge games the last two times out, but said that anyone in the receiving core is capable of pulling in those numbers.

"I think any one of our receivers can make those plays," he said. "I've just been fortunate to be in the right place at the right time and Ammon's given me a chance every time to make a play," he said.

Healey had five carries for 85 yards and two touchdowns.

NAU's freshman QB Case Cookus had a big game for the Lumberjacks, finishing with 350 yards passing and four TD throws.

The Thunderbirds have clinched an automatic berth into the FCS playoffs with the victory, and will find out when and where their next game will be tomorrow morning on the FCS Selection Show. The FCS Selection Show is scheduled for 9 a.m. MST tomorrow morning and came be watched on ESPNU.

Lamb said the team will be watching the selection show and begin preparations as soon as they can.

"We have to be prepared for whatever comes out of it," he said. "We can't spend any time second guessing the committee, whatever they decide is what the challenge is in front of us and we have to be happy for the opportunity to play."
