A message from...

Pat Henry

Head Coach
Texas A&M Track & Field
35-time National Champion

WELCOME

The Texas A&M Track and Field Camps have a simple mission: to provide world-class instruction to track athletes of all levels in a fun environment in order to raise the performance level and further the athletic development of every participant. Technical skills will be taught by our distinguished Texas A&M coaching staff, select Aggie athletes, and expert guest instructors, under my direction.

Training will take place in our brand new, world class indoor facility, the McFerrin Center.

Athletes will leave the camp with sound, fundamental knowledge about their events which they can continue to apply to their own training environment. We look forward to seeing you in Aggieland!
