THE MATCHUP

- #10 Miami makes its maiden voyage into the College Football Playoff, opening its postseason run on Sat., Dec. 20 against host #7 Texas A&M. Miami earned the final at-large berth in the 2025-26 CFP field announced Dec. 7.
- Miami carries an all-time 3-2 lead in the series history, but has split the two games in College Station, 1-1 - a win in 2008 but a loss in 2022. The Hurricanes won the 2008 matchup, 41-23.
- The Hurricanes will take on the Aggies for the third time in the last four seasons; Miami last traveled to Kyle Field in 2022, a 17-9 loss (Sept. 17, 2022). In the last head-to-head matchup, the Hurricanes topped visiting No. 23/23 A&M, 48-33, at Hard Rock Stadium - Miami's first ranked win under head coach **Mario Cristobal** (Sept. 9, 2023).
- The Dec. 20 matchup between the two teams marks Cristobal's fourth game against the Aggies in his head coaching career; the Cristobal-led FIU Panthers fell to host Texas A&M, 27-20, during the 2010 season.

HURRICANES MAKE HISTORY WITH FIRST CFP BID

- The Hurricanes made history by qualifying for their first-ever berth in the College Football Playoff, earning the No. 10 seed in the 12-team postseason field. Miami was the only team from the ACC selected.

- Dating back to Week 11 of the 2023 season, the Hurricanes have not lost a game by more than seven points (29 straight games) - tied with Ohio State for the longest active such streak in FBS.

All-ACC Honorable Mention

MIAMI ONE OF JUST 8 WITH SAME 'STARTING 5' OL

• Under the watchful eye of offensive line coach **Alex Mirabal**, the Miami Hurricanes were one of just eight teams in all of FBS to start the same five players every game during the 2025 regular season (LT **Markel Bell**, LG **Matt McCoy**, C **James Brockermeier**, RG **Anez Cooper**, RT **Francis Mauigoa**).

• The Hurricanes' impressive group, named to the Midseason Honor Roll for the Joe Moore Award for the third straight year, have only 51 negative plays on offense this year, which is the third-lowest in Power-4 and tied for the fourth-fewest in FBS (Navy), trailing, San Jose State (45), Cincinnati (47) and Maryland (50).

• Miami ranks No. 5 in FBS (No. 1 in ACC) in tackles for loss allowed per game (3.50) and No. 8 in FBS and No. 2 in ACC in sacks allowed (0.92). Behind its powerful line, UM ranks No. 5 in FBS in time of possession (33:43).

DEFENSIVE IMPROVEMENT YOY AMONG FBS' BEST

• The Hurricanes' defense was not up to par in 2024, surrendering 25.3 points per game to rank No. 70 in FBS. Under new defensive coordinator and Broyles Award finalist **Corey Hetherman**, Miami ranks No. 6 in FBS and No. 1 in ACC, allowing 13.8 points per game.

• Under Hetherman, in his only year as defensive coordinator, Minnesota was No. 9 in PPG (16.9). Hetherman was one of five finalists selected for the Broyles Award, honoring the nation's top assistant coach.

• Miami is one of 10 FBS teams that have improved their scoring defense by over 10 points per game from the 2024 season to the 2025 season (-11.5 per game) and was fourth among "power conference" teams in year-over-year improvement - joining Texas Tech (-23.9), Arizona (-12.9), Wake Forest (-11.0) and Virginia (-8.3) in top five.

"BABY JESUS" IS THE NATION'S BEST FRESHMAN

• WR **Malachi Toney** has served as the top-performing freshman wide receiver in the country through the first 12 games of his college career. Toney is Miami's leader in all-purpose yards, catches, receiving & punt return yards.

• One of five finalists for the Shaun Alexander Award honoring the nation's top freshman, Toney took home ACC Freshman of the Year and ACC Offensive Freshman of the Year honors in the league's end-of-season awards.

• A first-team All-ACC honoree, Toney was also named to the second team as an all-purpose player. PFF named him a First-Team All-America selection, while the Associated Press tabbed Toney to its All-America Second Team.

• Toney has 84 catches - double the next highest true freshman (Andrew Marsh, Michigan, 42) - and is also 300-plus yards ahead of Brown (970 to 641) for the most receiving yards of any true freshman in FBS. He is responsible for 30.0% of UM's total receptions this season and has compiled a whopping 1,246 all-purpose yards.

• Toney, whose nickname is "Baby Jesus," is considered a Freshman of the Year candidate. The Liberty City native is one of three true freshmen to lead their team in receptions & yards (Marsh and Vernell Brown III of Florida).

FOUR AP T-25 WINS IS MOST BY MIAMI SINCE '04

• Following their 5-0 start to the season, the Hurricanes were ranked as high as No. 2 in the Associated Press top 25 released on Oct. 5. Now ranked No. 10 in both the coaches poll and in the AP rankings, UM has been included in the top 25 of both polls for the entirety of the season.

• Miami's resume was as impressive as any team's in the country. The Hurricanes have four AP ranked wins this year, having topped Notre Dame, USF and Florida State through in the first half of the season, all of whom were ranked in the AP poll released on Oct. 5, and topping No. 24 Pitt in its regular season finale, 38-7, at Acrisure Stadium. Prior to 2025, Miami hadn't had four wins over AP ranked teams in the same season since 2004 (also four). With a win against Texas A&M Saturday, Miami would make it five AP Top 25 wins for the first time since 2001.

• Miami's No. 2 ranking in the Associated Press top 25 released on Oct. 12 was tied for the highest of any **Mario Cristobal**-coached team in his career (earlier this year, UM also ranked No. 2); Cristobal's previous high was No. 3 at Oregon, obtained during Week 4 of the 2021 season (#3/#3).

• With a No. 5 ranking in the Associated Press poll attained on Sept. 2, the Hurricanes made it back-to-back years to crack the top five of the AP for the first time since a six-season run from 2000-05. Miami was ranked No. 10 in both preseason polls.

• The Hurricanes opened the 2024 season at No. 19 in the poll and found their name in every top 25 ranking of the season. The Hurricanes reached as high as No. 4 (after improving to 9-0 to start the year) and ended No. 18 in the final poll, its highest final ranking since being ranked No. 13 to end 2017. Cristobal's highest-ranked finish as a head coach came in the final 2019 polls, when Oregon was No. 5/5.

HETHERMAN'S "E.S.V" DEFENSE WREAKING HAVOC

• **Mario Cristobal** announced the hiring of Minnesota Golden Gophers defensive coordinator **Corey Hetherman** to the same post in January 2025. Hetherman arrived in Coral Gables and is a Broyles Award finalist in Year 1 at UM.

• Hetherman has made a flawless transition through the Hurricanes' strong season. UM ranks No. 11 in total defense, allowing just 277.8 yards per game against an impressive schedule of opponents. Hetherman's signature acronym, "E.S.V." - has been on display all year. The acronym stands for **Excitement, Swarm, Violence**.

• Miami has allowed 68 "big plays" this season (29 runs of 12-or-more yards, 39 passes of 15-or-more), good for the 13th-best "big play" defensive percentage in all of FBS (9.20%). Miami's "big play" pass percentage of 10.26% is third-best in FBS. UM is one of six teams after conference championship weekend to allow five-or-fewer plays of 40-plus yards (5) and is the only team to not allow a touchdown of 40 yards or longer - either passing or rushing.

• In a measurement of "defensive mayhem" - which charts the percentage of plays where a defense forces the opposition into either a sack, tackle for loss, interception or a fumble that is recovered by the defense - the Hurricanes rank No. 8 in FBS, posting a percentage of 13.40%. UM's 1.13 points-per-drive average is No. 7 in FBS.

IST-TEAM ALL-ACC PAIRING IS FBS' TOP EDGE DUO

• Miami's defensive end tandem of **Rueben Bain, Jr.**, and **Akheem Mesidor** have been the top defensive end tandem in the country through conference championship weekend, and both were named to the All-ACC First Team.

• Among 250 defensive ends across Power-4, Bain is the No. 2 overall edge player by Pro Football Focus (92.7), while Mesidor ranks fifth (92.1). Both are considered among the top edge rush prospects for the 2026 NFL Draft.

• In PFF's "run defense" grades among Power-4 players, Bain is fifth (87.4) while Mesidor is second (90.7). Bain is sixth by PFF in Power-4 "pass rush" (91.9) while Mesidor is eighth (90.9). Bain is sixth in FBS in pressures (58).

BECK ONE OF TWO ACTIVE QBs TO TOP 10K MARK

• QB **Carson Beck** surpassed 10,000 career passing yards in UM's win over Syracuse. Of the 63 quarterbacks to reach the 10,000 mark this century for power conference teams, Beck's completion percentage is among the best.

• Beck's 69.9 completion percentage on the journey past 10,000 trails only one players from power conferences: Colt McCoy (70.3%); he is ahead of Graham Harrell (69.8%), Will Rogers (69.5%) and Brandon Weeden (69.5%).

FOLLOW THE BLUEPRINT: CANES ARE ON THE RISE

• Miami reached a number of notable milestones in 2024, its third season under **Mario Cristobal**. The Hurricanes managed only the second 10-win season in the last 20 years at Miami (2017), finished undefeated at home for the first time since 2002 and ended the season inside the Associated Press Top 20 at No. 18 - only its second finish that high since 2005. UM went from five wins (2022, 5-7) to seven (2023, 7-6) to 10 (2024, 10-3) under Cristobal.

• Miami added to that trajectory in 2025; the Hurricanes posted their second straight 10-win season - marking the first such back-to-back stretch for Miami since 2002/2003 - and earned their first College Football Playoff berth.

• The Hurricanes had 10 NFL Combine invites and its seven NFL Draft picks ranked sixth-most nationally. The Hurricanes had just one NFL Draft pick in the draft prior to Cristobal taking the helm, in 2022 - and it came in the seventh round (Jon Ford, Green Bay Packers).

• QB Cam Ward, the winner of the Davey O'Brien Award and Manning Award as the nation's top quarterback, was selected with the No. 1 overall pick by the Tennessee Titans - it was the third No. 1 overall pick in program history.

TRENCH MONSTERS REWARDED FOR BELIEF IN UM

• Miami's tandem of **Rueben Bain, Jr.**, and **Francis Mauigoa** - considered five-star talents out of high school - signed with Miami following a 5-7 season in 2022. Both players were rewarded after serving as cornerstones of the program over the previous three years.

• Bain and Mauigoa - both projected to be first-round draft picks in April - earned major recognition from both the ACC and from a national perspective. All-ACC first-teamers both, Bain was named ACC Defensive Player of the Year while Mauigoa was named the winner of the Jacobs Blocking Trophy honoring the league's top blocker. Mauigoa was the second in program history (Eric Winston, 2005) while Bain was the first such honoree.

• During the College Football Awards Show broadcast on ESPN on Dec. 12, Bain and Mauigoa were both selected as first-team All-Americans by Walter Camp - ensuring their names are raised to the rafters of the Carol Soffer Indoor Practice Facility. Bain was named a finalist for the Lott Trophy, while Mauigoa is a finalist for Polynesian Player of the Year.

BECK PLAYING HIS BEST FOOTBALL IN NOVEMBER

• For the second straight year, the Miami Hurricanes added one of the top quarterbacks in the country in the January transfer window, signing QB **Carson Beck** after an eye-popping career at Georgia, where he finished 24-3 as a starting quarterback with the Bulldogs. He threw for 7,912 yards, 58 touchdowns and 20 interceptions at UGA.

• Beck is one of just three active FBS quarterbacks to have surpassed 10,000 career passing yards.

• In a win over No. Virginia Tech on Oct. 22, Beck threw for 320 yards and four touchdowns. The performance was Beck's 11th career 300-yard game - he is one of just five FBS active QBs to have more than 10 such games.

• Beck currently ranks as the leader among FBS players in career passing yards (10,984), sixth in career passing efficiency (159.02) and fourth in career total offense (11,268).

• Beck broke Miami's record for consecutive passes completed with 24 in a stretch from Nov. 15-22. In Miami's win over the Hokies, Beck had his 17th career game with multiple passing touchdowns and zero interceptions. That is the second most among active FBS players behind Vanderbilt QB Diego Pavia (21).

• He now owns a 34-5 record as a starting quarterback at the FBS level (.871), the best of any active player with more than 15 starts. Beck went 22-for-24 (91.7) against Bethune-Cookman, marking the highest completion rate by any Miami signal caller (min. 20 attempts) over the last 30 seasons.

• Beck, who assumed starting responsibilities at Georgia in 2023 as a fourth-year redshirt sophomore, led the Bulldogs to a 13-1 record and a win in the 2023 Capital One Orange Bowl, finishing just shy of a College Football Playoff berth in the four-team field. He was a member of back-to-back national championship teams as a backup.

• In his second year as the team's starting quarterback in 2024, Beck led Georgia to the College Football Playoff with an 11-2 record. Beck was hurt in the 2024 SEC Championship Game against Texas, which Georgia won, 22-19. He finished 2024 with 3,485 yards, a 64.7% completion percentage, 28 touchdowns and 12 interceptions.

• Beck underwent surgery to repair the ulnar collateral ligament (UCL) in his right elbow after the SEC Championship Game. Though he did not throw during all of spring practice at Miami after enrolling in January while completing his rehab, he was cleared for full participation shortly thereafter and took part in all summer team activity.

Opportunity Beckons: Carson Beck, Hurricanes looking for breakthrough 2025 (excerpts)

by: Jordan McPherson, Miami Herald - August 15, 2025

"New Miami Hurricanes quarterback Carson Beck has his share of tattoos covering both of his arms and his left leg. Two in particular stand out to him.

The first is a quote on his right elbow: 'Why do we fall?' It comes from the movie 'Batman Begins.' The answer to that question, as Thomas Wayne says to his son Bruce: 'So we can learn to pick ourselves up.' The second, right next to it and covering up most of his bicep, is a phoenix. Beck is a Harry Potter fan, and the phoenix is an integral figure in a couple of the books in the series. A phoenix is also a mythical symbol of resilience, as bird is said to be reborn from its ashes when it dies.

The scar that runs through them — a visual reminder of the UCL revision surgery he had in December after he injured his elbow in the SEC Championship Game with the Georgia Bulldogs — now gives the artwork a little extra meaning....

...will Beck fall or rise from the ashes? It's in his hands.

'That's how I want it,' Beck said. 'That's how it should be. That's how I've always wanted it my whole life. I feel like in those pressure moments, I thrive. That's what I look for.'

FLETCHER CLIMBS RECORD BOOK, RETURNED @VT

• RB **Mark Fletcher, Jr.** was a key member of UM's offensive attack through its impressive season, but did not play vs. Syracuse or NC State. He returned for the Virginia Tech win (Nov. 22), seeing significant action.

• In his last home game vs. Stanford on Oct. 25, Fletcher had the first three-touchdown game of his career in a win over the Cardinal to go along with the fifth 100-yard game of his career (and third this season). Fletcher has rushed for nine touchdowns this season, matching his amount in 2024. He's the second UM player this century to have at least nine rushing scores in consecutive seasons, joining Mark Walton (2015-2016).

• Fletcher scored the 14th, 15th and 16th rushing touchdown of his career at Hard Rock Stadium vs. Stanford, moving him into sole possession of second-most touchdowns at the facility by a Hurricane. He trails only Duke Johnson, who had 17 career TDs at Hard Rock Stadium, where Miami moved prior to the 2008 season.

• Vs. USF, Fletcher had his second 100-yard, multi-TD game of his career against an AP ranked team (Louisville, 2023). Fletcher now has five career 100-yard games - his game USF was his first since 11/18/23 vs. Louisville.

TONEY SETS ONE MARK, CLOSING IN ON ANOTHER

• WR **Malachi Toney** broke the school record for receiving yards against Pitt, moving into first with 970 yards, and already had the catch record. The yards record was previously held by Ahmmon Richards (934 in 2016). Toney is one of only three true freshmen in the country to lead his team in receiving yards and receptions, and is a strong candidate for the Shaun Alexander Award as the nation's top freshman in the country. With two more catches, he'll break Miami's single-season catch record (regardless of year) - 85 by Xavier Restrepo in 2023.

O-LINE NAMED JOE MOORE HONOR ROLL...AGAIN

• For the third straight year, the Miami Hurricanes' offensive line was selected to the midseason honor roll for the Joe Moore Award, which recognizing the top performing units in the nation. Miami was one of 24 selected.

BALLHAWK FITZGERALD TIED FOR FROSH INT LEAD

• DB **Bryce Fitzgerald** recorded an interception for the second straight game against USF on Sept. 13, picking off Byrum Brown to end what was the nation's longest passing streak without an interception (252 straight attempts).

• Fitzgerald picked off his team-leading fourth pass against Pitt - he is tied for the freshman lead in interceptions.

THORPE SEMIFINALIST COULD RETURN FOR CFP

• Second-Team All-ACC pick DB **Keionte Scott** was among Miami's most dynamic playmakers on defense this season before getting hurt vs. NC State. Miami coaches and teammates alike are hopeful for a CFP return.

CANES LEAD THE NATION IN FG PCT. SINCE 2020

• The Hurricanes have been the most accurate field-goal kicking team in the country over the last six seasons. UM has made 87.3 percent of its field goal attempts since 2020 (108/124), including a 15-for-17 showing in 2025.

MESIDOR ADDED TO SACK TOTAL AGAINST HOKIES

• A key member of Miami's defensive line who has been stellar through Miami's 2025 season, veteran edge rusher **Akheem Mesidor** is second active FBS with 30.0 sacks over the course of his career. Mesidor, who grew up in Ottawa, Canada, spent much of his high school career traveling to the U.S. for recruiting camps and clinics.

• Now in his sixth year, Mesidor spent the first two seasons of his career (2020-21) at West Virginia before transferring to Miami. He is one of five players with more than 25 career sacks at the FBS level, joining Trey Moore - Texas (30.5), David Bailey - Texas Tech (28.0), Cashius Howell - Texas A&M (27.0) and Gabe Jacas - Illinois (27.0).

MIAMI PROTECTING HOME FIELD AT HARD ROCK

• The Hurricanes had won 10 straight home games dating back to Sept. 7, 2024 - a stretch that encapsulated the entirety of 2024 and included Miami's 5-0 start to 2025 - before falling, 24-21, to Louisville on Oct. 17.

• Miami's 10-game home winning streak was tied for the fourth-longest active streak among FBS programs and was one of only six double-digit home winning streaks across the entirety of FBS entering Week 8.

• In the modern era of Miami Hurricanes Football (since 1979), Miami's 10-game home winning streak was the third-longest, trailing only two streaks: a 58-game stretch at the Orange Bowl that began on Oct. 12, 1985 and ended on Sept. 24, 1994 - the longest home winning streak in college football history - as well as a stretch of 26 straight games at "The OB" from Oct. 30, 1999 - Oct. 18, 2003.

DANIELS RETURNED VS. HOKIES, FULL GO FOR CFP

- The Hurricanes lost their top-six pass-catchers by receptions from a season ago, when the Hurricanes had the No. 1 offense in the country. Miami's three starting wide receivers were all making their debuts on Aug. 31 vs. Notre Dame: transfers **CJ Daniels** (LSU) and **Keelan Marion** (BYU) as well as true freshman **Malachi Toney**.
- The trio combined for 14 catches totaling 157 yards and two touchdowns in Miami's 27-24 win. Toney was targeted 10 times - more than any other player - while both he and Daniels had touchdown catches.
- Daniels is one of only two active FBS players with 2,500 receiving yards (2,825) and 25 touchdowns (28) over their careers at the FBS level. The other is Arkansas State's Corey Rucker (3,955, 27). Daniels' eye-popping one-handed score vs. ND was named the Crunch Time Play of the Week by the Football Writers Association (FWAA).
- Daniels ranks sixth among all FBS players with 2,830 career receiving yards. Including Daniels, there are only 10 active in FBS who have 2,500-or-more receiving yards.

"HURRICANE BAIN" IS ACC DPOY, LOTT FINALIST

- One of the top performers in the nation this season was DL **Rueben Bain, Jr.**, who enjoyed a dominant rookie campaign that resulted in ACC Defensive Rookie of the Year honors in 2023. That year, the 6-foot-3, 275-pound defensive lineman tallied 44 tackles, 12.5 tackles for loss and 7.5 sacks over 13 games, earning Freshman All-American honors. He was also selected to the All-ACC Third Team that season.
- The standout junior has twice been named ACC Defensive Lineman of the Week this year; Bain, mentioned by many analysts as a Heisman Trophy candidate, was recognized following standout performances against both Notre Dame (Aug. 31) and Florida (Sept. 20). He was named one of four Lott Trophy finalists for 2025.
- Bain was a first-team All-America by Walter Camp and won named ACC Defensive Player of the Year in a rout.
- Bain's uncle, Tolbert Bain, lettered for the Hurricanes from 1984-1987. His older brother, Reggie, is an offensive line graduate assistant. The rising sophomore, who was named to the preseason watch lists for the Bednarik and Lombardi Awards, has a nickname "Hurricane Bain" - a writeup from the Miami Herald on the moniker is below:
- *The "Hurricane" started swirling almost 30 years ago, years and years before Rueben Bain was even a thought in his father's mind and long before the elite edge rusher was one of the crown jewels of the Miami Hurricanes.*

It all started, fittingly, at "Traz" Powell Stadium in Miami, where Rueben Bain Sr. — just like his son — played his home games and wreaked havoc as a two-way lineman for Carol City. Willie Wilcox, the stadium's iconic public address announcer, gave him the nickname because of his physicality and tenacity, inspired by the story of wrongfully imprisoned boxer Rubin Carter.

It turned out to be something like a premonition from Wilcox. After a solid career with the Chiefs, Bain Sr. graduated, played at Division II Morris Brown College in Atlanta, moved back to Florida, where he started a family. He had a few sons and gave one his own name, and, with it, his own nickname, once Bain Jr. started playing for Miami Central and Wilcox realized who he was. He became the latest in a long line of Bains to star athletically in Miami-Dade County, starting with grandfather Herman Bain, who was a three-sport star at Northwestern.

It turns out, Wilcox had something like a premonition...he also embodied the nickname in a way not even his father could, with four state championships in four years, 58 1/2 sacks across his final two seasons at Central and finally a nod as the MaxPreps Florida Player of the Year on Tuesday." -David Wilson, Miami Herald, December 2022.

B2B STATE CHAMPIONS...IN RESOUNDING FASHION

- The Hurricanes earned their second straight unofficial state championship when they topped Florida State on Oct. 4, picking up wins over the Seminoles, Florida and USF in the same season for the second straight year.
- Miami is 6-0 against those three programs with added wins over Florida A&M (2024) and Bethune-Cookman (2025). Against in-state opponents the last two years, the combined scorelines are 331-99 with an 8-0 record.
- Over the same stretch, Miami also has a +1784 yardage differential against its Sunshine State opponents.

CANES ARE DOMINATING NON-CONFERENCE PLAY

- Miami has won 12 straight regular season games against non-conference opponents, finishing 4-0 in each of the last three seasons (2023, 2024, 2025).
- The Hurricanes' current stretch marks its longest streak since a 15-game run between 2000 and 2003.

BROWN WAS ONE OF JUST 30 IN 1,100/15 CLUB

- Despite having two running backs - **Mark Fletcher, Jr.** and **Jordan Lyle** - that will play massive roles for Miami's offense in 2025, **Mario Cristobal** went out and added one of the best players at the FCS level to the roster this offseason - former North Dakota State running back **CharMar "Marty" Brown** (*pronounced like Shemar*).
- Brown was one of 30 DI (FBS/FCS) players last season to record at least 1,100 rushing yards and 15 rushing touchdowns last season, and is the only active underclassman among that group. He is a redshirt sophomore.
- Brown, the Jerry Rice Award winner as the top freshman player in Football Championship Division last season, was a member of the Stats Perform, FCS Football Central and Phil Steele FCS Freshman All-America teams. Brown won Missouri Valley Football Conference Newcomer of the Year and Freshman of the Year honors, becoming just the third Bison player and sixth in league history to sweep both awards.
- The Omaha, Neb., native led all FCS freshmen in rushing attempts (244), yards (1,181) and touchdowns (15).

BECK IN ELITE COMPANY W/LATEST 300/3+1 GAME

- QB **Carson Beck** became the the fourth Hurricanes quarterback in the last decade to throw for 300 yards (340) and at least three touchdowns (3) and run for a score in the same game when he did so in Miami's victory over USF, joining Cam Ward (2024), Malik Rosier (2017) and Brad Kaaya (2016). Ward, the No. 1 overall pick in the 2025 NFL Draft, had two such performances during his lone season at Miami.

MIAMI MAKES IT FOUR STRAIGHT YEARS OF 2-0

- With a 45-3 win over Bethune-Cookman on Sept. 6, the Hurricanes opened the season with a 2-0 start for the fourth straight year - something it has not done since a four-season span from 2001 to 2004 (2022-2025).

WINNING THE TURNOVER BATLE CRUCIAL VS. ND

- Notre Dame led the country in turnovers gained in 2024 and were No. 5 in turnover margin. In its win over the No. 6 Irish, Miami had zero turnovers on offense. That marked the third time Miami defeated an AP Top 10 team this century while not giving the ball away, along with 2017 against No. 3 Notre Dame and 2004 at No. 10 Virginia

UM EARNS HIGHEST PRESEASON RANK SINCE 2018

- Bolstered by the addition of several impressive newcomers and anchored by a talented group of returning veterans, the Hurricanes were ranked in the top 10 of both preseason polls - checking in at No. 10 in both the US LBM Coaches Poll and Associated Press. Miami's ranking inside the top 10 marked its highest preseason in seven years; the Hurricanes opened the 2018 season ranked No. 8/8.

CRISTOBAL SHAKES UP MIAMI DEFENSIVE STAFF

- In addition to hiring **Corey Hetherman** as defensive coordinator, **Mario Cristobal** made significant changes to his defensive staff entering 2025. **Zac Etheridge** was hired as defensive pass game coordinator / defensive backs coach (from Houston), **Will Harris** was hired as safeties coach (from Florida) and **Damione Lewis** was hired as defensive tackles coach (from Colorado).
- The only returning coach, **Jason Taylor**, is Miami's defensive line coach / defensive pass rush coordinator. Four of five coaches were replaced on the defensive side of the ball.

"FREAK" MAUIGOA IS BLOCKING TROPHY WINNER

- Miami standout offensive tackle **Francis Mauigoa** was ranked No. 16 in Bruce Feldman's annual "Freaks" list:

"The former five-star has started all 26 games at right tackle that he's played at Miami since arriving. Last season, Mauigoa earned All-ACC second-team honors. The 6-6, 335-pounder clocked a 1.57 flying 10-yard split. His power output registered almost 10,000 watts, by far the most on the team, almost 1,000 watts more than the next player. Last year, Mauigoa measured at 9,274 watts. His max velocity is 18 mph and his vertical jump is 30 1/2 inches."

- A former five-star recruit out of American Samoa by way of IMG Academy, Mauigoa was the only FBS tackle with two or fewer knockdowns allowed on 500-plus pass-blocking snaps. He is projected as a top-10 NFL pick in 2026.

NEW-LOOK DB ROOM MAKING PRESENCE FELT

- After a disappointing season by Miami's secondary in 2024, the Hurricanes added a number of key players who have transformed UM's defense. Miami infused the room with several key players via the transfer portal, including CB **Xavier Lucas**, who impressed at Wisconsin in his true freshman season in 2024, as well as S **Zechriah Poyser**, a 2024 Freshman All-America as a redshirt freshman at Jacksonville State. S **Jakobe Thomas** (Tennessee) has started all 12 games. Another key piece is CB **Keionte Scott**, a Thorpe Award semifinalist from Auburn.

HETHERMAN HIRED AS DEFENSIVE COORDINATOR

• **Mario Cristobal** announced the hiring of Minnesota Golden Gophers defensive coordinator **Corey Hetherman** to the same post in January 2025. Hetherman arrived in Coral Gables after a dominant lone season at Minnesota.

• Under Hetherman's direction, the Gophers ranked No. 9 nationally in points allowed (16.9 per game), No. 5 nationally in total defense (285.7 yards per game), No. 9 in passing defense (176.1) and No. 12 in rushing defense (109.6). Hetherman was hired by Minnesota after spending two seasons (2022-23) as Rutgers' linebacker coach. Hetherman spent 2019-21 at James Madison as the defensive coordinator.

• A native of Oxford, Massachusetts, Hetherman was promoted to Associate Head Coach and was named the AFCA FCS Assistant Coach of the Year after James Madison finished with the No. 2 defense in the nation.

DC Corey Hetherman: *"We're going to be aggressive. We want to be an attacking style defense. We're going to be very multiple..we're going to be an attacking, aggressive style defense and we're going to try and dictate the tempo."*

HC Mario Cristobal: *"He is an elite coach, individual, and teacher. That is the most valuable thing when it comes to coaching. A guy has to be able to teach and connect. Every single day, he finds a way to make those guys better so that their buy-in is really, really high. You see it in the way we communicate and the way we run to the football."*

DL Akheem Mesidor: *"I love Coach Hetherman. He's a great teacher. He's just an aggressive guy, as you guys can see in his interviews. But he really just gets it down to the point. He's a technician; anything you have, he'll probably answer your question before you ask it. But he's an amazing person, a great coach, and he just lets us play free, play fast."*

LB Wesley Bissainthe: *"It starts from meetings. He's emphasizing communication. 'Communication, swarm, violence' every day in meetings, so that when we come out here, we already know it."*

RING OF HONOR CLASS HONORED VS. STANFORD

• Miami's 2025 Ring of Honor class - comprised of QB Ken Dorsey, WR Andre Johnson, OL Bryant McKinnie and LB Dan Morgan - was recognized at halftime of Saturday's game against Stanford at Hard Rock Stadium. The Ring of Honor was established in 1997 and serves as the highest honor for a Miami football player or coach.

• Dorsey lined up under center for three seasons from 2000-02 and posted a remarkable 38-2 record as a starter. He is UM's career passing touchdowns leader with 86 and ranks second in career passing yards with 9,565 yards.

• Johnson played three seasons (2000-02) for the Canes and caught 92 career passes for 1,831 yards and 20 touchdowns. He was the Co-MVP of the Rose Bowl after hauling in seven passes for 199 yards and two scores.

• McKinnie didn't allow a sack at left tackle during his two seasons (2000-01) at Miami, helping the Canes win 23 of 24 games over that stretch, including the 2001 national title. He was the 2001 Outland Trophy winner.

• Morgan was a four-year starter at linebacker from 1997-2000. He is Miami's career tackles leader with 532 and the only player in Miami history to post 100-plus tackles in each of his four seasons. In 2000, Morgan became the first player in college football history to sweep the Bednarik, Butkus and Nagurski Awards.

CANES REEL IN #1 RANKED ACC CLASS YET AGAIN

• For the fourth straight year, the Miami Hurricanes reeled in the best recruiting class in the ACC by the 247Sports rankings in 2025.

• Headlined by Gatorade National Player of the Year and consensus five-star prospect Jackson Cantwell, Miami's group was ranked No. 6 in the 247Sports Composite Rankings.

• The Hurricanes' 2026 group was ranked No. 6 in the nation. Miami's 2025 class, inked in December 2024, was the top-rated group in the ACC for the third consecutive cycle.

• Miami's 2024 featured eight players ranked in the Top247 rankings: DL **Hayden Lowe** (No. 16), RB **Girard Pringle, Jr.** (No. 151), OL **Seuseu Alofaituli** (No. 163), TE **Brock Schott** (No. 174), WR **Joshua Moore** (No. 193), DL **Herbert Scroggins** (No. 195), DB **Bryce Fitzgerald** (No. 237) and QB **Luke Nickel** (No. 247).

• The Hurricanes' 2024 group ranked No. 6 in the nation, while its 2023 group - the first full cycle under Cristobal - was ranked No. 8. According to Pick Six Previews, Miami was one of just 14 programs to sign a top 25 high school recruiting class and transfer class and one of just six to do it in three consecutive years - 2023, 2024 and 2025.

A "MENACE" REUNITES WITH HIS FORMER COACH

• One of Miami's key additions via the transfer portal came in the second window following spring practice, when the Hurricanes added former Rutgers standout Mo Toure (pronounced tur-RAY) to its linebacker room.

• Toure had a breakout 2023, playing in all 13 games for Rutgers and making eight starts during that season. Then under now Miami defensive coordinator Corey Hetherman (then Rutgers linebackers coach), Toure was second on the team with 93 tackles and led the Scarlet Knights with nine-and-a-half tackles for loss. He also played in Rutgers' 2023 Pinstripe Bowl win over Miami. Toure has started all nine games at linebacker for Miami in 2025.

• Toure, who has the moniker "Mo The Menace," was named to the Butkus Award watch list in 2024, but suffered ACL injuries that ended his 2022 and 2024 seasons. Toure is in his seventh season of college football.

• **Mario Cristobal on Toure:** "There is a ton of versatility with Mo. He is very physical. He is large at 240 pounds and he has produced in the Big Ten at a high level. We have a motivated version of Mo and I am excited to see what that looks like. He is physical at the point of attack and a really good tackler."

CONTINUING THE TREND: UM WINNING T.O.P BATTLE

• While Miami's offense was among the most prolific throughout the 2024 regular season, the Hurricanes also methodically controlled the clock last season, ranking No. 9 in "T.O.P". Miami is ranked No. 55 in 2025 (33:31) so far.

51 YEARS AND COUNTING FOR #NFLU STREAK

• With seven players selected in the 2025 NFL Draft, the Miami Hurricanes extended their streak to 51 consecutive years with one pick. UM trails only Michigan (1939), USC (1939) and Florida (1952) in consecutive years.

DAWSON LED MOST EXPLOSIVE OFFENSE IN 2025

• In his second year at the helm of Miami's offense in 2024, OC **Shannon Dawson** orchestrated the nation's No. 1 unit in both points per game (43.9) and yards (537.2).

• The Hurricanes ended the 2024 ranked No. 2 nationally in both plays of 10-or-more yards (249) and 20-or-more yards (99). In each category, Miami trailed a team that had played 16 games compared to their 13 - Penn State (253 of 10-or-more) and Texas (108 of 20-or-more).

• The Hurricanes had 10 games of 500-or-more yards in the 2024 regular season, marking only the sixth time in the previous decade (since 2014) an FBS team has had 10-or-more games of 500-or-more yards of offense; Alabama (2018, 11), LSU (2019, 10), Oklahoma (2018, 10), Oklahoma (2017, 10) and Baylor (2014, 10).

• Miami's offense, anchored by QB Cam Ward – who went on to win the Davey O'Brien Award, the Manning Award and ACC Player of the Year honors – helped lead the Hurricanes to their first 10-win season since 2017.

• Miami's offense was among the nation's most improved in its first season under Dawson's direction in 2023, with a jump to No. 25 in total offense (up from No. 85 in 2022) and No. 22 in yards per play (from No. 67)

WE RUN THIS STATE: HURRICANES LEAD THE WAY

• Among what is commonly referred to as the "Big Three" programs in the Sunshine State - Miami, Florida and Florida State, the Hurricanes are now the all-time state leaders in both wins vs. in-state opponents and winning percentage.

UM's win against Florida in 2024 was its 100th and propelled UM to the best winning percentage in the state.

FORMER RETIRED NUMBERS HONORED BY CANES

• For the second straight year since originally many of them were originally retired, jersey numbers 10 (**Raul Aguirre, Jr. & Malachi Toney**) and 42 (**Artavius Jones**) will be worn by Hurricanes on the field in 2025. In addition, two other retired numbers - 14 (**Hayden Lowe**) and 13 (**Bryce Fitzgerald & Daylyn Upshaw**) will also be worn.

• There are patches honoring George Mira Sr. (#10), Jim Dooley (#42), Gino Torretta (#13) & Vinny Testaverde (#14), whose numbers are among the most recognizable in UM history and came out of retirement in 2024.

From their respective University of Miami Sports Hall of Fame bios:

George Mira, Sr.

"Mira Sr. will long be remembered by Hurricane fans as one of Miami's greatest quarterbacks and perhaps the 'Canes greatest player ever. In his three year career, Mira set numerous passing records, some of which are still in the record books. During his career, Miami once again gained national prominence, reaching the 1961 Liberty Bowl, the first bowl appearance in 19 years. Mira was the quarterback and passer for the '60's, he could drop back and pass and scramble when he had to, which earned him his nickname "The Matador". In 1962 Mira lead the Hurricanes to the Gotham Bowl in New York City and proved to the country that he was the real deal"

Jim Dooley

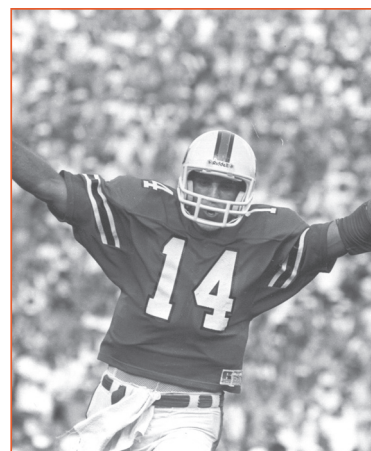

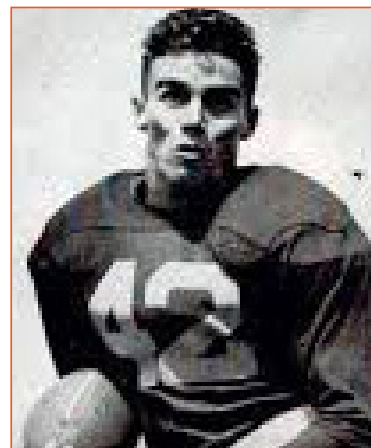

"Jim Dooley is a football legend at the University of Miami. Dooley was the first Hurricane football player to have his jersey number retired, #42, the first Hurricane player to be selected in the first round of the NFL draft, to the Chicago Bears, in 1952, and the first, and only, UM player to be an NFL head coach. Jim came to the University of Miami in 1947 after a stellar high school career at Miami High. As a junior and senior Dooley was a true "sixty minute man" playing both offense and defense. He set several records during his UM days, 17 interceptions on defense and over 1,000 yards rushing on offense. In 1951, Dooley intercepted 10 passes and was named first-team All-American by the Associated Press. Dooley played in both the 1951 Orange Bowl Classic and the 1952 Gator Bowl where he earned MVP honors and setting a Gator Bowl record with 4 interceptions"

Vinny Testaverde

Vinny Testaverde came to the Hurricanes by way of Elmont, New York in the fall of 1982. Vinny was the first player in U.M. history to win the Heisman Trophy, 1986. Vinny is one of only a handful of Hurricane football players to have his number retired (14). On the career lists Vinny ranked, at the time, second in passing yardage, (6,058), tied with Steve Walsh for first in touchdown passes (48) and fourth in pass completions (413). In addition to winning the Heisman Trophy, he also won the Davey O'Brien Award, the Walter Camp Player of the Year Award, the Maxwell Award and was voted a consensus first-team All-American. As a starter, Vinny led the Hurricanes to a 21-1 regular season mark over two years. Testaverde was selected the first pick in the 1987 NFL draft by the Tampa Bay Buccaneers and played on several other NFL teams during his long, and successful, career.

Gino Torretta

"Gino Torretta capped an illustrious collegiate career by bringing the prestigious Heisman Trophy award back to the Coral Gables campus in 1992. The 1992 season was to be Gino Torretta's coronation as the Heisman favorite. But the season started amidst disaster as Hurricane Andrew ripped through South Florida just 12 days before the season opener at Iowa. Dealing with the emotional aftermath, Gino led the Hurricanes to a 24-7 win over the Hawkeyes on national television by passing for 433 yards and two touchdowns. If there was a game that typified his career it was the win against Florida State. Miami trailed 16-10 with 9:05 left in the fourth period when Gino led the Hurricanes on a 58-yard scoring drive to take the lead. Torretta took every award available to him in '92: the Maxwell Award (best overall player), Davey O'Brien Award (top quarterback), Unitas Award (top senior quarterback), consensus All-American, and every Player of the Year Award."

HEAD COACH MARIO CRISTOBAL

FOURTH SEASON | MIAMI, 1993

Career Record: 94-78 | UM Record: 32-18 | ACC Record: 18-14

Mario Cristobal, who helped lead the University of Miami to two national championships in 1989 and 1991 as a standout offensive lineman, was named the University's 26th football head coach on December 6, 2021.

One of college football's most highly regarded coaches, Cristobal returned to his alma mater after leading the University of Oregon to three straight Pac-12 Conference championship game appearances and two Pac-12 titles. He is the only coach in the nation whose team has played in a Power Five conference championship game in each of the past three seasons before arriving at Miami.

The Hurricanes showed tremendous growth from Year 1 to Year 2 under Cristobal's direction; Miami was No. 24 in total defense and No. 31 in total offense in all of FBS in 2023, jumping 40 spots in total defense (up from No. 64) and 60 spots in total offense (up from No. 85). Miami pulled in the top two recruiting classes in program history in the modern era by every ranking in his two full cycles - the No. 7 class in the nation in 2023 and the No. 4 class in 2024.

Cristobal brought more than 20 years of FBS coaching experience to Coral Gables, including 10 as a head coach. He compiled a 35-13 record at Oregon, leading the Ducks to consecutive Pac-12 titles in 2019 and 2020. Oregon advanced to three straight conference championship games from 2019 to 2021 and earned bowl-game appearances in each of Cristobal's seasons in Eugene, highlighted by a Rose Bowl victory that capped a 12-win season and No. 5 ranking in the final Associated Press and AFCA Coaches polls in 2019. Cristobal was named the Associated Press Pac-12 Coach of the Year for his efforts that season.

Over Cristobal's first three seasons in Eugene, Oregon players earned 44 all-conference selections and 14 players were selected in the NFL Draft, including first-round selections in each of the past three drafts. With the selections of Kayvon Thibodeaux (2022), Penei Sewell (2021) and Justin Herbert (2020), Cristobal is one of only two active head coaches to produce top-10 picks in each of the last three drafts.

During his tenure as both an assistant and head coach at Oregon, two players—Noah Sewell and Thibodeaux—earned Pac-12 Defensive Freshman of the Year honors, and three players—Thibodeaux, Penei Sewell, and Tyrell Crosby—earned the Morris Trophy, awarded to the Pac-12's best offensive and defensive linemen. Cristobal served as Oregon's co-offensive coordinator, run-game coordinator, and offensive line coach during the 2017 season before being elevated to head coach.

Cristobal's national title-winning pedigree isn't limited to his time as a player. At Alabama, where he served as assistant head coach, offensive line coach, and recruiting coordinator, he helped lead the Crimson Tide to the national championship in 2015 and a runner-up finish the following season. During his four years in Tuscaloosa, from 2013 to 2016, five Alabama offensive linemen were selected in the NFL Draft and, with Cristobal's tutelage, the 2015 offensive line unit won the inaugural Joe Moore Award, given to the most outstanding offensive line unit in the nation.

Cristobal's move to Miami brings his coaching career full circle. A son of South Florida who played prep football at nearby Christopher Columbus High School, he launched his coaching career as a graduate assistant coach at Miami from 1998 to 2000 under head coach Butch Davis. He served as an assistant coach at Rutgers from 2001 to 2003 and then returned to Miami as an assistant coach from 2004 to 2006 under head coach Larry Coker.

In 2007, Cristobal was named head coach at Florida International University, becoming the first Cuban American head coach in FBS history. He inherited a struggling FIU program that had been winless the year before his arrival and, in just his fourth season, led it to the Sun Belt Conference title and a bowl-game victory.

Cristobal, who played his Hurricanes career under coaches Jimmy Johnson and Dennis Erickson, was an All-Big East selection in 1992. He is a double-alumnus of the University of Miami, earning a bachelor's degree in business administration and a master's degree from the University. Cristobal was born in Miami on Sept. 24, 1970. He and his wife, Jessica, married in June 2006 and are the parents of two sons, Mario Mateo and Rocco.

MIAMI

MIAMI GARDENS, Fla. -- From start to finish the roars reverberated from the hashmarks to the rafters.

Before a sold-out, orange-clad crowd of 66,793 at Hard Rock Stadium, the Miami Hurricanes defeated the Notre Dame Fighting Irish in a 27-24 thriller Sunday night, waking up their own echoes with a statement victory that no doubt made the star-studded sideline of Hurricanes legends beam with pride.

No. 10 Miami improved to 1-0, while the sixth-ranked Irish fell to 0-1. It was the Canes' highest ranked win since, well, Miami's 2017 victory over then-No. 3 Notre Dame at Hard Rock in 2017. The Canes have now won seven consecutive home games against Notre Dame, the last defeat coming in 1977.

Carter Davis kicked two field goals, including a 47-yarder with 1:04 remaining that broke a 24-24 tie. Miami's defense held from there, sacking Notre Dame quarterback CJ Carr on the final two snaps of the game.

Quarterback **Carson Beck** completed 20 of 31 passes for 205 yards and two touchdowns in his Miami debut. Running back **Mark Fletcher** rushed for 64 yards, while backfield mate **Marty Brown** rushed for 54 yards and a score. Wide receiver **Malachi Toney** paced UM with six receptions for 82 yards and a touchdown, while **CJ Daniels** had five catches for 46 yards, including a circus touchdown catch that will live on posters for years to come.

Miami's defense forced two turnovers, posted three sacks and held Notre Dame's vaunted rushing attack to just 93 yards on 28 carries. Defensive end **Rueben Bain, Jr.** registered six tackles and his first career interception, while **Akheem Mesidor** posted five stops and 1.5 sacks. Linebacker **Raul Aguirre** also had six tackles.

"This game, this victory is for everybody," head coach **Mario Cristobal** said. "It's for our university, our players, our students, alumni, former players. Coach (Jimmy) Johnson, got to see him earlier. I don't know where to start, but tremendously proud of this team. The resiliency, complimentary football overcoming a couple of hiccups and whatnot.

"But all in all, just an awesome, awesome night for the Miami Hurricanes."

HURRICANES TOP BETHUNE-COOKMAN, 45-3

MIAMI GARDENS, Fla. -- Playing on a short week after an emotional victory, the Miami Hurricanes returned to Hard Rock Stadium and delivered just the performance they needed.

The fifth-ranked Canes were ruthlessly efficient on offense, stingy on defense and controlled the game from start to finish, defeating Bethune-Cookman 45-3 before a crowd of 60,617.

Miami improved to 2-0, while BCU fell to 0-2.

The Canes racked up 543 yards, averaging 8.4 yards per play and scoring on all five of their red zone trips. Quarterback **Carson Beck** completed 22 of 24 passes for 267 yards and two touchdowns. He completed his first 15 passes, setting a school record for consecutive completions in a single game; Vinny Testaverde held the previous mark, completing 14 straight passes against Oklahoma in 1986.

Both scoring strikes were to wide receiver **CJ Daniels**, who hauled in five passes for 73 yards. Fellow wideout **Malachi Toney** paced Miami with six receptions for 80 yards. Running back **Mark Fletcher** rushed 11 times for 86 yards and two scores, while backfield mates **Marty Brown** and **Girard Pringle** each added rushing scores.

Miami's defense kept the Wildcats out of the end zone and held BCU to 191 total yards, yielding just 3.8 yards per play. The Canes racked up 10 tackles for loss, led by safety **Keionte Scott** who had three TFLs. Defensive end **Rueben Bain** posted three tackles, one sack and one forced fumble. Linebacker **Kellen Wiley** led Miami with five stops.

"Pretty solid job by our guys coming out handling business, really efficient by the offense scoring on every drive," head coach **Mario Cristobal** said. "Our defense did a really good job, too, although their team was obviously trying to snap the ball with a low count on the shot clock to try and limit the number of possessions that we had and once we played the ones in the second half of the first drive, I thought that was a good time to work on developing the other half of our roster.

"Lots of guys got their first opportunity and the opportunity to get significant playing time and play within our system. So, a lot of positives, a lot of things to fix, a lot of things to get better at."

MIAMI GARDENS, Fla. -- In 1987, the Miami Hurricanes beat three consecutive ranked opponents to start the season. Nobody has done it since.

After opening with ranked wins over Boise State and Florida, the USF Bulls had a chance to match that feat Saturday at Hard Rock Stadium. But the current Hurricanes kept the alumni streak intact – in a big way.

Fifth-ranked Miami defeated No. 18 USF 49-12 before a sellout crowd of 66,591 that thrived and vibed through a 100-minute weather delay but was treated to the Canes' ninth straight home win. UM improved to 3-0, while the Bulls fell to 2-1.

Miami racked up 576 total yards and held a 12-minute advantage in time of possession. The Canes averaged seven plays on their seven touchdown drives. Running back **Mark Fletcher** rushed for 120 yards and two touchdowns, averaging 7.5 yards per carry. It was the third 100-yard game of his career.

Quarterback **Carson Beck** completed 23 of 28 passes for 340 yards with three touchdowns and two interceptions. Wide receivers **Keelan Marion** and **Malachi Toney** each had six receptions, while freshman **Joshua Moore** had three catches for 61 yards and the first two touchdowns of his career.

Miami's defense held USF to just 40 rushing yards. The Bulls converted 7 of 19 on third down and were 0 of 2 on fourth down. Defensive ends **Akheem Mesidor** and **Rueben Bain** each posted six tackles. Safety **Bryce Fitzgerald** picked off a pass for the second straight game.

USF quarterback Byrum Brown completed 20 of 36 passes for 274 yards with one score and one pick.

"Really just fired up, impressed with our players, our team, our entire organization, in handling the week in preparation for a team that had been playing really, really good football and handling what they do best, which is tempo," head coach **Mario Cristobal** said. "First goes out to our scout team. They simulated them as well as you possibly can all week long, and because that is a challenge, but the physicality, the level of energy that we played with tonight, although a couple of critical mistakes, was progress for our football team."

DEFENSE DOMINATES GATORS IN 26-7 WIN

MIAMI GARDENS, Fla. -- It started early in the morning, when thousands of Miami Hurricanes fans descended upon the university's Coral Gables campus and gave the college football world a show for the ages.

The scene shifted to Hard Rock Stadium Saturday evening, where thousands more were treated to another memorable show.

The Canes conducted a defensive masterclass from start to finish, defeating the Florida Gators 26-7 before a sellout crowd of 66,713. Fourth-ranked Miami improved to 4-0, while Florida fell to 1-3.

The Canes' defense held UF to just 141 total yards while racking up four sacks and seven tackles for loss. The Gators had 13 third down opportunities and didn't convert one. Linebacker **Mohamed Toure** led the onslaught with 10 tackles and a sack.

Linebacker **Wesley Bissainthe** recorded eight stops and defensive end **Rueben Bain, Jr.** registered seven and one-half sack.

Meanwhile, the Canes racked up 344 total yards on 76 plays. Running back **Mark Fletcher** rushed for 116 yards and one touchdown and fellow back **CharMar "Marty" Brown** rushed for 80 yards and two scores.

Quarterback **Carson Beck** completed 17 of 30 passes for 160 yards and one interception. Four Canes tied for the team lead with four receptions.

Gators quarterback DJ Lagway completed just 12 of 23 passes for 61 yards. Running back Jadan Baugh rushed for 46 yards and had Florida's lone touchdown. Defensive back Jordan Castell paced UF with 10 tackles.

"This game means a lot to us," head coach **Mario Cristobal** said. "It means a lot to our alumni, the fan base and certainty we always thought they were a very talented team. They have a lot of really good players and they were always a play or two away from being really, really good. Our guys kept their composure when we started getting in a rut a little bit there with the offense. The defense played off the charts football, again."

CANES OPEN ACC PLAY WITH WIN OVER FSU

TALLAHASSEE, Fla. -- Amid a hostile, hyped-up collection of garnet and gold in Doak Campbell Stadium, the Miami Hurricanes didn't flinch.

They hit big plays through the air. They held onto the ball. They created turnovers. They kept the nation's top-ranked offense out of the end zone until the fourth quarter.

Equal parts efficient and ruthless, they opened ACC play Saturday night with a big-time win over a big-time rival to show they are a big-time force to be reckoned with as the college football calendar turns to October.

In their first road test of 2025, the third-ranked Canes defeated No. 18 Florida State 28-22. Miami improved to 5-0 overall, 1-0 in the ACC. FSU fell to 3-2 overall and 0-2 in conference play. It was the first ranked meeting between the teams since 2016, and the Canes now own a 37-33 lead in the series.

The Seminoles entered the game with the nation's best scoring offense (53 points per game) and total offense (600 yards per game) but were held to 404 total yards – 188 of those yards in the fourth quarter when the Canes had built a 25-point lead. FSU had 83 offensive snaps, 24 more than Miami.

Cornerback **Keionte Scott** paced Miami's defense with 11 tackles and had a fumble recovery. Safety **Zechariah Poyser** recorded eight stops and a forced fumble. Cornerback **Bryce Fitzgerald** and safety **Jakobe Thomas** each had interceptions with Thomas adding a sack. Defensive end **Akheem Mesidor** racked up six tackles and a sack. After kicking a field goal on their opening drive, the Seminoles didn't score again until their ninth drive.

Meanwhile, quarterback **Carson Beck**, who has played in his share of unwelcoming road environments, completed 20 of 27 passes for 241 yards and threw four touchdown passes – two each to wide receivers **CJ Daniels** and **Malachi Toney**. Toney finished with seven grabs for 107 yards and Daniels's five receptions went for 78 yards. Running back Mark Fletcher rushed for 40 yards on 12 carries. Miami didn't commit a turnover.

CARDINALS HAND CANES FIRST LOSS OF '25

MIAMI GARDENS, Fla. -- For the third straight season, the battle for the boots was a barnburner.

The Louisville Cardinals forced four turnovers, including one in the waning seconds, to hold off the second-ranked Miami Hurricanes 24-21 Friday night before a crowd of 66,573 at Hard Rock Stadium.

The Cardinals improved to 5-1 overall, 2-1 in the ACC. The Canes fell to 5-1 and 1-1 in conference play. Louisville reclaimed the Schnellenberger Trophy, a pair of bronzed boots worn by legendary coach Howard Schnellenberger, who served as the head coach for both programs.

It was Miami's first home loss since dropping its 2023 home finale to the Cardinals.

Louisville's defense limited the Canes to 64 rushing yards and picked off quarterback Carson Beck four times. Cardinals running back Isaac Brown rushed for 113 yards on 15 carries, and quarterback Miller Moss threw for 248 yards and two scores -- both to wide receiver Chris Bell, who amassed 136 yards on nine grabs.

Beck completed 25 of 35 passes for 271 yards. Wide receiver Malachi Toney had another monster performance, hauling in nine passes for 135 yards and scoring on a 12-yard run. Fellow wideout CJ Daniels had seven receptions for 74 yards.

Cornerback Keionte Scott paced Miami with nine tackles, adding a sack, three tackles for loss and a forced fumble. Linebackers Wesley Bissainthe and Mohamed Toure each had six stops, and safety Zechariah Poyser recorded six tackles and a fumble recovery.

It was 14-0 Louisville just 10 minutes into the game.

But on the first play of Miami's second drive, Beck found Daniels for a 30-yard reception to the Louisville 45. He followed that with a dime to Toney down the left sideline for 39 yards. In just two plays, the Canes had the ball first and goal at the six-yard line. Running back Mark Fletcher followed with three runs, the last a two-yard scoring plunge that cut the lead to seven points.

Toney took a handoff from Beck on a jet sweep and raced to the end zone to cut Louisville's lead to 24-21, but that's as close as Miami would get, falling to the Cardinals for its first loss.

CARDINALS HAND CANES FIRST LOSS OF '25

MIAMI GARDENS, Fla. -- After yielding 74 yards and a touchdown on their opening drive, the Miami Hurricanes delivered a defensive performance for the ages against the Stanford Cardinal Saturday night at Hard Rock Stadium.

Stanford wouldn't score again and could only muster 70 yards of real estate the rest of the game. The result was a comfortable 42-7 win for the ninth-ranked Canes Saturday night before a crowd of 63,892.

Miami improved to 6-1 overall, 2-1 in ACC play. Stanford fell to 3-5 overall, 2-3 in conference play. It was the first meeting between the schools.

The Canes scored touchdowns on five of their six second half possessions to blow open a game that was knotted 7-7 at halftime. Miami rushed for 199 yards, led by running back Mark Fletcher, who racked up 106 yards on 23 carries and set a career-high with three touchdowns. The Canes possessed the ball for nearly 37 minutes.

Quarterback Carson Beck completed 21 of 28 passes for 189 yards and one touchdown, a five-yard scoring toss to wide receiver CJ Daniels. Wide receiver Malachi Toney not only paced Miami with five catches for 52 yards but amassed 73 yards on two electric punt returns.

Cornerback Keionte Scott paced the Canes with five tackles, while fellow corner Xavier Lucas and linebacker Wesley Bissainthe each had interceptions that led to touchdowns. Overall, Miami had two sacks, six tackles for loss and held Stanford to 2.7 yards per play.

"Certainly proud of the way our guys just stuck with it after starting a little bit sluggishly on the offensive side of the ball," head coach Mario Cristobal said. "The defense did a phenomenal job after the first drive just shutting down the opponent and giving us an opportunity to get back in it. Closed out the first half with a scoring drive and that certainly built some momentum. We came out with great defense, great special teams and we started clicking and playing more Miami Hurricanes football."

Stanford quarterback Ben Gulbranson completed just 9 of 21 passes for 50 yards with one touchdown and two picks. Running back Cole Tabb rushed for 64 yards, and wide receiver Caden High had three catches for 36 yards and a score. Linebacker Matt Rose registered 12 tackles.

SMU

DALLAS -- After the Miami Hurricanes and SMU Mustangs slogged through a dreary first half in Big D, the sun came out at halftime. So, too did the fireworks.

A scintillating second half gave way to overtime, where the Mustangs forced a turnover and followed it up with the game-winning touchdown to defeat the Canes 26-20 Saturday at Gerald J. Ford Stadium.

No. 10 Miami fell to 6-2 overall, 2-2 in ACC play. SMU improved to 6-3 overall and 4-1 in conference play.

The Canes outgained the Mustangs 433-388 in total yards -- holding SMU to just 23 yards on the ground -- and held a 14-minute margin in time of possession. But Miami's 12 penalties and two turnovers proved costly as the Mustangs won the game and their fans rushed the field.

Quarterback Carson Beck completed 26 of 38 passes for 274 yards with two touchdowns and two interceptions. Running back Mark Fletcher rushed 16 times for 84 yards. Wide receiver Malachi Toney hauled in nine passes for 70 yards, adding a 47-yard punt return. Wide receiver JoJo Trader caught five passes for 81 yards and a touchdown, while wide receiver Keelan Marion had five catches for 77 yards.

Safety Jakobe Thomas paced Miami with nine tackles, while cornerback Keionte Scott recorded eight stops, one sack, one fumble recovery and two tackles for loss. Linebacker Mohamed Toure also registered eight tackles.

SMU quarterback Kevin Jennings completed 29 of 44 passes for 365 yards and one touchdown. Wide receiver Jordan Hudson hauled in 11 passes for 136 yards. Fellow wideout Yahir Knight had four catches for 47 yards and a score. Safety Ahmaad Moses led the Mustangs with 15 tackles and had both interceptions. Running back T.J. Harden scored the game-winning touchdown in the extra session on a one-yard run.

SMU forced a Miami punt to start the game and Dylan Joyce backed up the Mustangs at their own 10. When SMU faced a 4th and 1 at the Canes 46. But Jennings fumbled the handoff exchange and Scott recovered to put Miami's offense back on the field.

MIAMI

MIAMI GARDENS -- Riding a dominant defense and a big-play offense, the Miami Hurricanes dictated play from start to finish Saturday, rolling past the Syracuse Orange 38-10 before a crowd of 60,337 at Hard Rock Stadium.

No. 18 Miami improved to 7-2 overall, 3-2 in the ACC. The Orange fell to 3-7 overall and 1-6 in conference play.

The Canes scored two touchdowns in a 23-second spurt late in the first half to break open a scoreless game and averaged 10 yards per play in a 17-point third quarter that put the game away.

Miami's defense held the Orange to 285 total yards, forced three turnovers and racked up seven sacks and 11 tackles for loss. Safety Jakobe Thomas had a monster game with five tackles, one sack, one fumble recovery and an interception, while cornerback Keionte Scott had a 38-yard pick six late in the first half. Defensive end Akheem Mesidor recorded 1.5 sacks and 3.5 TFLs, while defensive tackle David Blay registered five stops.

Quarterback Carson Beck completed 18 of 24 passes for 247 yards and one touchdown and caught his first career pass from wide receiver Malachi Toney for a 14-yard score. Beck also completed a backwards pass to right tackle Francis Mauigoa for Miami's final touchdown.

Wide receiver Keelan Marion caught three passes for 116 yards, including a 61-yard scoring strike, and running back Girard Pringle rushed for 55 yards and one score.

"I think that we showed in spurts what a really good football team we are," head coach Mario Cristobal said. "I think we also show what you see in college football, that games at some point in time, there's some back and forth and some stagnant moments."

"That's why you keep playing, that's why the game is four quarters. And then show that some of our young players are really playing well."

Syracuse quarterback Rickie Collins completed just 12 of 25 passes for 85 yards and two picks. Running back Yasin Willis carried 13 times for 63 yards. Linebacker Gary Bryant paced the Orange defense with six tackles.

MIAMI GARDENS, Fla. — As the weeks add up on the college football calendar, the stakes get higher and Saturday the Miami Hurricanes delivered a performance to match.

"I want to start by thanking the crowd, they showed up strong, showed up with a lot of energy," head coach Mario Cristobal said. "Certainly a big boost for our guys and I am really proud of our team being down a significant amount of starters, coming out and maybe playing the most complete team football game of the year.

Very much a game where it was complementary, both sides showing up where they needed to."

MIAMI CRUISES PAST VIRGINIA TECH, 34-17

BLACKSBURG, Va. — The mood was festive at Lane Stadium Saturday as Virginia Tech honored its seniors and introduced a new head coach.

But the Miami Hurricanes quickly extinguished any hopes for the Hokie faithful, jumping on the home team early and cruising to a 34-17 victory.

No. 14 Miami improved to 9-2 overall and 5-2 in the ACC. Tech fell to 3-8 overall and 2-5 in conference play. It was the Canes' fifth straight win over the Hokies dating back to 2020.

Miami gobbled up 418 total yards as quarterback Carson Beck methodically carved up Tech's secondary, completing 27 of 32 passes for 320 yards and four touchdowns.

He completed his first 11 throws, setting a career mark with 24 straight completions dating back to last week's win over NC State.

Wide receiver Malachi Toney amassed 12 catches for 146 yards and one touchdown. Running back Girard Pringle rushed for 49 yards and had a 16-yard touchdown reception. Tight end Elija Lofton and running back Mark Fletcher also had scoring grabs. Wide receiver Keelan Marion caught six passes for 79 yards.

The Canes scored on all five red zone trips and held a seven-minute edge in time of possession.

Safety Zechariah Poyser racked up 10 tackles, one sack and a fumble recovery, while defensive end Akheem Mesidor recorded five stops, one sack and two forced fumbles.

Defensive tackle Ahmad Moten registered five tackles and a sack and linebacker Wesley Bissainthe added six tackles. Miami's defense allowed a season-high 194 rushing yards but held Tech to just 3 of 12 on third down.

Hokies quarterback Kyron Drones completed 12 of 21 for 124 yards. PITT

CANES DOMINATE PITT, 38-7, IN 2025 FINALE

PITTSBURGH, Pa. — From start to finish this season the Miami Hurricanes have proven to be a team that's built for speed, built for toughness, built for creativity, built for resiliency, built for all kinds of weather.

Built for a playoff.

All of those traits were on display Saturday off the frigid intersection of Pittsburgh's three rivers as the No. 13 Canes dominated No. 24 Pitt 38-7 in the regular season finale for both teams. After trailing 7-3 early, Miami scored the game's final 35 points.

The Canes improved to 10-2 overall and 6-2 in ACC play, posting their first back-to-back seasons with double-digit wins since 2002-03. The Panthers fell to 8-4 and 6-2 in conference play. The two spots in next Saturday's ACC Championship Game in Charlotte are still up for grabs pending results from later today.

Wide receiver Malachi Toney continued his dazzling maiden campaign, hauling in 13 passes for 126 yards and one touchdown. He also threw a nine-yard touchdown pass to tight end Elijah Lofton and rushed for 30 yards. Toney now holds the school's single-season record for receiving yards by a freshman (970), breaking Ahmmon Richards' nine-year mark.

Quarterback Carson Beck completed 23 of 29 passes for 267 yards with three touchdowns and one interception. Running back Girard Pringle paced Miami with 10 carries for 82 yards and backfield mate Mark Fletcher rushed for 30 yards and one score. The Canes amassed 416 total yards and had a 29-11 edge in first downs.

Miami's defense limited the Panthers to 229 total yards, including just 30 on the ground. Defensive end Rueben Bain racked up five tackles and 1.5 sacks, while defensive tackle Ahmad Moten also posted 1.5 sacks. Safety Zechariah Poyser had five tackles and one tackle for loss, while linebacker Wesley Bissainthe recorded six stops.

Panthers quarterback Mason Heintschel completed 22 of 32 passes for 199 yards with one touchdown and one pick. Wide receiver Raphael Williams had five catches for 66 yards. Linebacker Kyle Louis paced Pitt with 12 tackles.
