The Islander Athletic Fund's annual Casino Night fundraising event is fast approaching! It will be held on Saturday, August 5th, at the University Center Anchor Ballroom on the campus of Texas A&M University-Corpus Christi. All proceeds will benefit the Islanders student-athlete scholarship fund.

This year's event, presented by Conni and Jay Wise, will feature casino gaming tables, more auction items and plenty of excitement!

Highlights of the evening include:

- Blackjack, Craps, Roulette
- Texas Hold-em
- Let It Ride, 3-Card Poker and Slot Machines
- Dinner Buffet and Cash Bar
- Silent and Bid Board Auction
- Meet & Greet with Islanders Coaching Staff

By attending Casino Night, you will help provide the Islander Athletic Fund with critical resources as we continue to grow as a championship level program that our university, alumni and local community can call its own. Your contributions will help us succeed in our mission of providing a first-class experience for our student-athletes during which they compete for championships, excel academically and achieve a degree in their chosen field.

To reserve your table, simply complete the RSVP form on the back and mail to our office, or purchase tickets online at www.GoIslanders.com/CasinoNight.

Thank you for your continued support of Texas A&M University-Corpus Christi and the Islander Athletic Fund.

See you on August 5th!
