Volleyball in Oklahoma Tournament

The Texas A&M-Kingsville volleyball team will be in Oklahoma this weekend for a tournament in Shawnee.

The Javelinas will meet four opponents in the meet hosted by Oklahoma Baptist.

The Javelinas, who went 2-2 last weekend in a tournament in San Angelo, will face Union (Tenn.) Friday at 11 a.m. and will meet Arkansas Tech at 3 p.m. Friday.

Saturday's schedule will see the Javelinas meeting host Oklahoma Baptist at 10:30 a.m. and Texas-Tyler at 2:30 p.m.

Tyler is a member of the Lone Star Conference with the Javelinas but Saturday's game will be non-conference.

Ayanna Jackson, 5-9 sophomore middle blocker from San Antonio (Harlan), led the Javelina attack last weekend with a .333 percentage.

Jackie Alanis, 5-9 junior outside hitter from McAllen (Rowe), had 3.79 kills per set and she scored 4.25 points per set.

Sydney Whitmire, 5-8 sophomore setter from Tarkington, had 6.07 sets per set and Nicole Murff, 5-7 senior defensive specialist from San Antonio (Antonian Prep), had 6.0 digs a set.

Union opened last weekend and went 3-1.

Arkansas Tech was 1-3 on opening weekend, Oklahoma Baptist was 0-4 and Texas-Tyler was 1-3.

The Javelinas open LSC play Sept. 14 with Texas A&M International in Laredo and will open their home season Sept. 22 with TAMU in a non-conference match.

IT'S FINALLY HERE.

The 2022-23 Javelina sports year is underway.

Volleyball opened last weekend.

Football will open Saturday against North American in Javelina Stadium.

The women's tennis and men's and women's cross country teams open this weekend in San Antonio.

Here's hoping that the 2022-23 school year will be the Year of the Javelina.

THE UNIVERSITY OF Hawaii opened its football season last weekend in Honolulu.

The Rainbow Warriors are no longer playing in Aloha Stadium. Officials declared the facility unsafe for fans in 2020 and it is now awaiting a decision as to whether to renovate it or destroy it and build something else at the site.

Aloha Stadium is special to Javelina football fans.

The Javelinas met the Rainbow Warriors in the first game in the facility on Sept. 13, 1975.

The Javelinas had more than 800 fans in Honolulu to see the South Texans beat Hawaii, 43-9.

There were 32,247 fans at the game, one of the largest to ever see an LSC team play.

The Javelinas, along with more than 800 fans, returned to Hawaii in 1976 and downed the Warriors, 56-21.

Needless to say, the Javelinas haven't been invited back to the Island.

The Javelinas were NAIA at the time and Hawaii was NCAA Division I.

The stadium has a beautiful location. It sits on Pearl Harbor and across the harbor is the USS Arizona Memorial.

The Javelina football team isn't the only Javelina athletic squad to play in Honolulu.

The women's basketball team was there in 1994-95 for a two-game series with Minnesota-Duluth and Simon Fraser (British Columbia).

SHANE MELING, FORMER Javelina sports information director, was the play-by-play announcer of the Victoria East and San Antonio Taft High school broadcast last weekend on KSAT.

Shane is the assistant basketball and track and field coach at Smithson Valley.

ONE OF THE first college football games of the season saw Northwestern and Nebraska playing in Ireland Saturday in Dublin.

International games have become more and more popular.

As in many areas, the Javelinas were pioneers in this area.

The Javelinas and Henderson (Ark.) State played a four-game exhibition schedule in 1976.

They had games in Berlin, Germany; Nuremburg, Germany; Vienna, Austria, and Paris, France.

It was the first time that an American football game had been played in Europe.

It seems almost certain that the Javelinas and Reddies are the only American football teams to have played in three different European countries.

FOOTBALL COACHING STAFFS will wear American Football Coaches Association patches on their shirts to promote the association and bring awareness to its programs.

More than 600 high school, junior college and four-year college programs are participating and will wear the AFCA patch whenever each program opens its 2022 season at home.

This year's patch will honor the 100th anniversary of the AFCA, founded in 1922.

The AFCA has more than 11,000 members and is headquartered in Waco.

THE LONE STAR Conference was pretty much ignored by the D2Football.com Elite 100 watch list released this week.

On the first team was Midwestern State defensive back Dylan Davis, a 5-10, 188-pound junior.

There were no LSC players on the second unit.

Joining Davis on the list of 100 was Alfred Grear, 5-6, 180-pound junior all-purpose player from Angelo State.

TWO LONE STAR Conference teams were ranked in the first NCAA Division II volleyball poll released by the American Volleyball Coaches Association this week.

West Texas A&M is No. 12 and Angelo State No. 16.

Texas-Tyler received votes but didn't make the top 25.

Tampa (Fla.) is No. 1 and Metro (Colo.) State, which is a member of the NCAA Division II South Central Region, is No. 4.

The LSC schools are in the South Central Region.

IT WAS SAD to learn that former Javelina basketball player Kaila Chizer passed away last week in Houston.

She was with the Javelinas for two seasons.

Kaila, 26, was currently the women's basketball director of operations at the University of Houston.

LONE STAR CONFERENCE notes:

...Lubbock Christian athlete Taylor Franco and coach Daren Hays received a reprimand for misconduct that occurred during the 2022 NCAA Division II Softball Championship.

The Division II Softball Committee originally issued the reprimand and other penalties that LCU appealed to the Division II Appeals Subcommittee, which reviewed relevant materials, video, correspondence and statements made during a hearing.

Penalties for LCU include withholding of three days per diem for LCU for its participation in the NCAA Championship for Franco and head coach Hays, and Franco and Hays will be required to sit

Former Javelina Basketball Player Dies in Houston

Former Texas A&M-Kingsville basketball player Kaila Chizer passed away last week.

Chizer, 26, was the University of Houston women's basketball director of operations.

From Pearland, she was with the Javelinas in 2014-15 and 2015-16.

She transferred to the University of Houston after two years with the Javelinas.

She was the graduate assistant women's basketball coach at Houston and received her bachelor's and master's degrees from the school.

2022 Javelina Tailgating Guidelines

Purpose: Texas A & M University-Kingsville (TAMUK) Tailgating compliments the Javelina game day experience by providing a social gathering area prior to home Football games. Javelina alumni, students, fans and supporters can enjoy the tailgating traditions of food, fellowship and fun as a prelude to home games and all Lone Star Conference (LSC) and NCAA Play Off games.

The University alcohol policy prohibits the possession or consumption of alcoholic beverages on campus except in designated areas. Tailgating activities are permitted in **Lot G, (Southeast corner)**. To ensure our tailgating tradition provides a safe and positive game environment, the following guidelines will be enforced by the University Police Department and Home Events Staff.

1. One (1) tailgate space per group.
2. Tailgating spaces **CAN NO LONGER BE PRE-MARKED**. Marking of any spaces with spray paint, stakes, rope, ribbon, etc. **IS PROHIBITED**. Setup starts at 7:00 a.m. Saturday the day of the game.
3. Tailgate areas must be completely setup on **GAME DAY ONLY**. Your area **CANNOT BE LEFT UNATTENDED AFTER SETUP**. Tailgate spaces are available on a first-come, first-serve basis and must be consistent with the lane markings and other signage. Please honor and be respectful of the reserved areas. Tailgate spaces marked or setup prior to 7:00 a.m. on Saturday or any unattended areas are subject to removal by authorized University representatives and will not be replaced.
4. **IMPORTANT...The Department of Athletics does not guarantee tailgate spaces and is not responsible for any spaces at any time.**
5. Javelina Athletics and TAMUK are not responsible for any lost, stolen or damaged personal property.
- 6.) Parked vehicles are not allowed in the tailgate area. **ONLY drop off** of your tailgate items is allowed by vehicle -- **NO EXCEPTIONS!** No non-University golf carts or ATV vehicles allowed in tailgate area or adjacent game day areas. Entrance by vehicles will be through Avenue C and exit will be by the Electronic Marquee.
