WINNING TRADITION

TEXAN FOOTBALL **2017**

THREE-TIME LONE STAR CONFERENCE LSC CHAMPIONS

The Tarleton Texan football team has established itself as a national contender on a yearly basis.

The Texans have claimed four division titles in the last 15 seasons while claiming three Lone Star Conference Championships (2001, 2009 and 2013).

Fans flock to the excitement in Memorial Stadium, averaging over 5,700 fans at each contest last season. There were over 34,000 total fans that saw Tarleton take the field last season.

The Texans have a 53-30 record in Memorial Stadium since 2001, and the program has received national attention in the national polls over the last several seasons.

Winning is no longer a phenomenon, it's a tradition... And it's something to get EXCITED about!

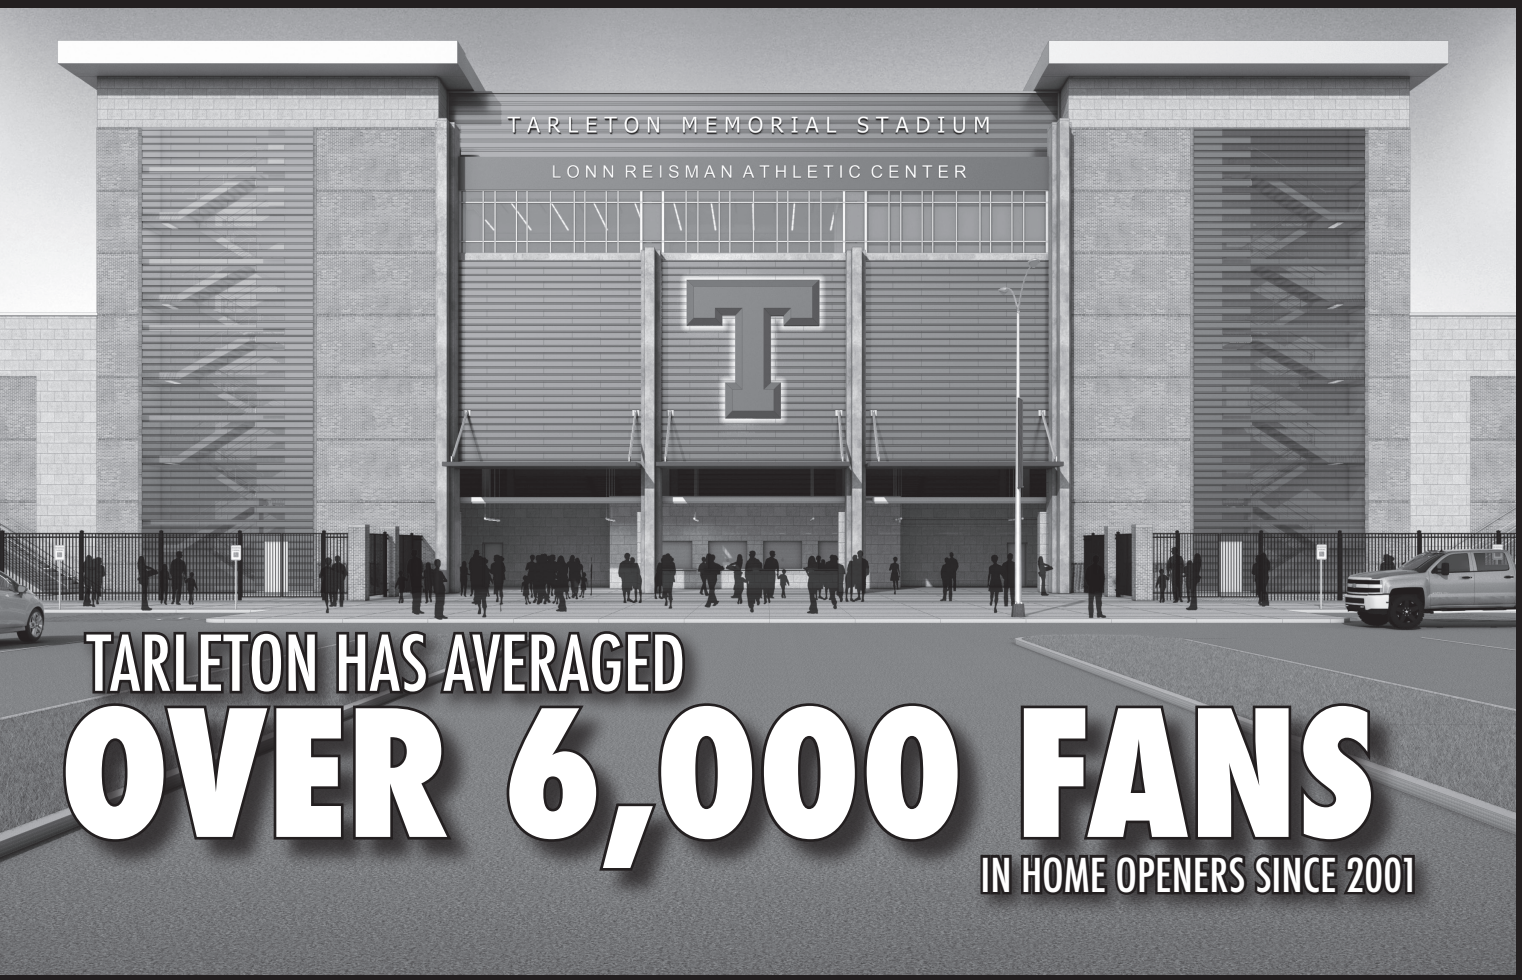
AND IMPROVEMENTS ON THE WAY

In October 2015, the Texas A&M University System Board of Regents authorized $24 million to begin planning, designing and financing the project. Initial plans include expansion of seating from 7,400 to nearly 10,000 and conversion of the west-side stands to seating for home fans.



TARLETON HAS AVERAGED OVER 6,000 FANS IN HOME OPENERS SINCE 2001

TEXAN ALLEY
TEXAN FOOTBALL 2017

A TRULY UNIQUE PRE-GAME ATMOSPHERE

Tarleton invites and welcomes current students, alumni, fans and guests to enjoy tailgating during the five scheduled home games as part of the Texans' football season.

Texan Alley moves to the west side of Memorial Stadium, with tailgating permitted in Lot P20 North, the parking area adjacent to Harbin Drive and the Tarleton intramural complex. Tailgating is permissible only in the designated Texan Alley area, which will be fenced off on game days and include entry points.

New to the Texan Alley tailgating policy is an age verification process. As in the past, guests must be 21 or older to consume alcohol. City Limits staff will provide age-verified wrist bands to those 21 and older as they enter Texan Alley. Entrants must present a valid driver's license to receive a wrist band. A wrist band is required to consume alcoholic beverages within the tailgating area. The possession or use of alcoholic beverages must be in compliance with all local, state and federal laws as well as Tarleton and The Texas A&M University System policies.

Setup may begin at 8 a.m. on game day, with all Texan Alley events officially starting three hours prior to the kickoff of each home game.

NATIONAL LEADER IN ATHLETIC PERFORMANCE

Tarleton's Texan Iron Weight Room underwent renovation to maximize its current space inside Wisdom Gym.

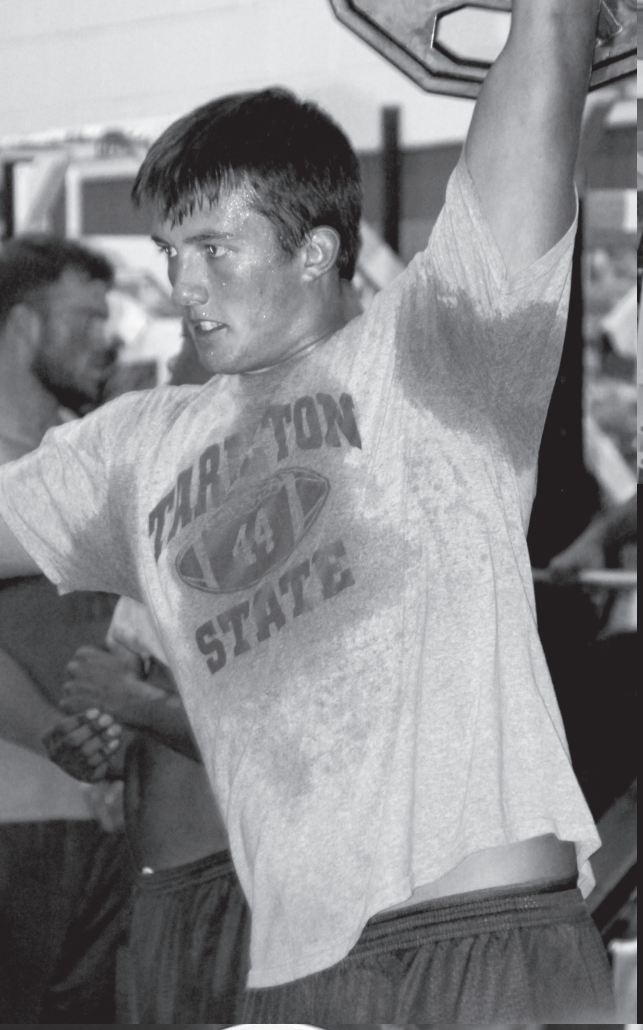
"We needed to create a facility that maximizes every square foot of our space and this new renovation gives us an edge in the training of our student-athletes," said Assistant Athletic Director for Athletic Performance Rod Cole. "Any recruit that comes to our facility or sees it online will definitely see that we have a great setup featuring some aspects, such as the Perform-X Band System, that you don't see in very many places.

"The new layout of our facility will allow us to train more student-athletes in a more efficient manner with an entire weight-room session taking place at one rack," he continued. "No longer will we have to rotate around the room to complete a workout. It is a blessing that Tarleton State University's administration values college athletics enough to provide the best for our young people in terms of a fine facility, such as this, in which they can train."

The renovation provides 16 Power Lift Racks with in-laid platforms on the floor of the facility that features the Perform-X Band System for band-resisted jump and quickness training, as well as added variable resistance to conventional weight training exercises. Each of the new racks are fully loaded with a complete maple wood center in-laid platforms with the band system, Uesaka Bumper Plates, and Iron Grip Plates, a step-up/squat box, land-mine rotational device, medicine ball, and Dyna-Disc for ankle strengthening.

The facility was also fitted with Regupol rubber flooring throughout the room, with the Tarleton "T" logo at each entrance, as well as dense "crash pads" at each platform, and two in-laid quick foot ladders.

Rod Cole, who is in his 27th year as a collegiate strength and conditioning coach, is in his ninth season with Tarleton Athletics. Visit tarletonsports.com/texaniron for a video tour of the facility.



ROD COLE (below) came to Tarleton in 2009 after he spent 15 years in the Big XII Conference. He served as the director of football strength and performance at Texas A&M in 2007 after spending the previous 14 seasons as the director of strength and conditioning at Kansas State. Prior to being named the director at KSU, he served four months as the assistant strength coach under current New York Giants Strength and Conditioning Coach Jerry Palmieri.

Cole received his Master Strength Coach certification in 2004 and was named the National Strength Coach of the Year by the Pro Football Strength Coaches Society in 1998. He is also a two-time recipient of the Big XII Conference Strength and Conditioning Professional of the Year Award.

TARLETON SPORTS NETWORK

In July 2014, the Tarleton State Athletics department announced the creation of the Tarleton Sports Network.

The TSN is a re-branding of all the multimedia and broadcast elements within the athletic department and is designed to give Tarleton Athletics a uniform brand for all radio broadcasts, webcasts, videos and multimedia.

In addition to the creation of TSN, Tarleton created a partnership with KTRL, 90.5 FM in Stephenville, to serve as the flagship radio station for all Tarleton Athletic Broadcasts.

This gives TSN an exclusive home to be heard on one signal all season long. KTRL carries a signal that reaches across 16 counties in North and Central Texas covering an audience of 2,797,484 possible listeners.

The games will also be broadcast free of charge on TarletonSports.com so listeners from around the world can tune into the broadcast.

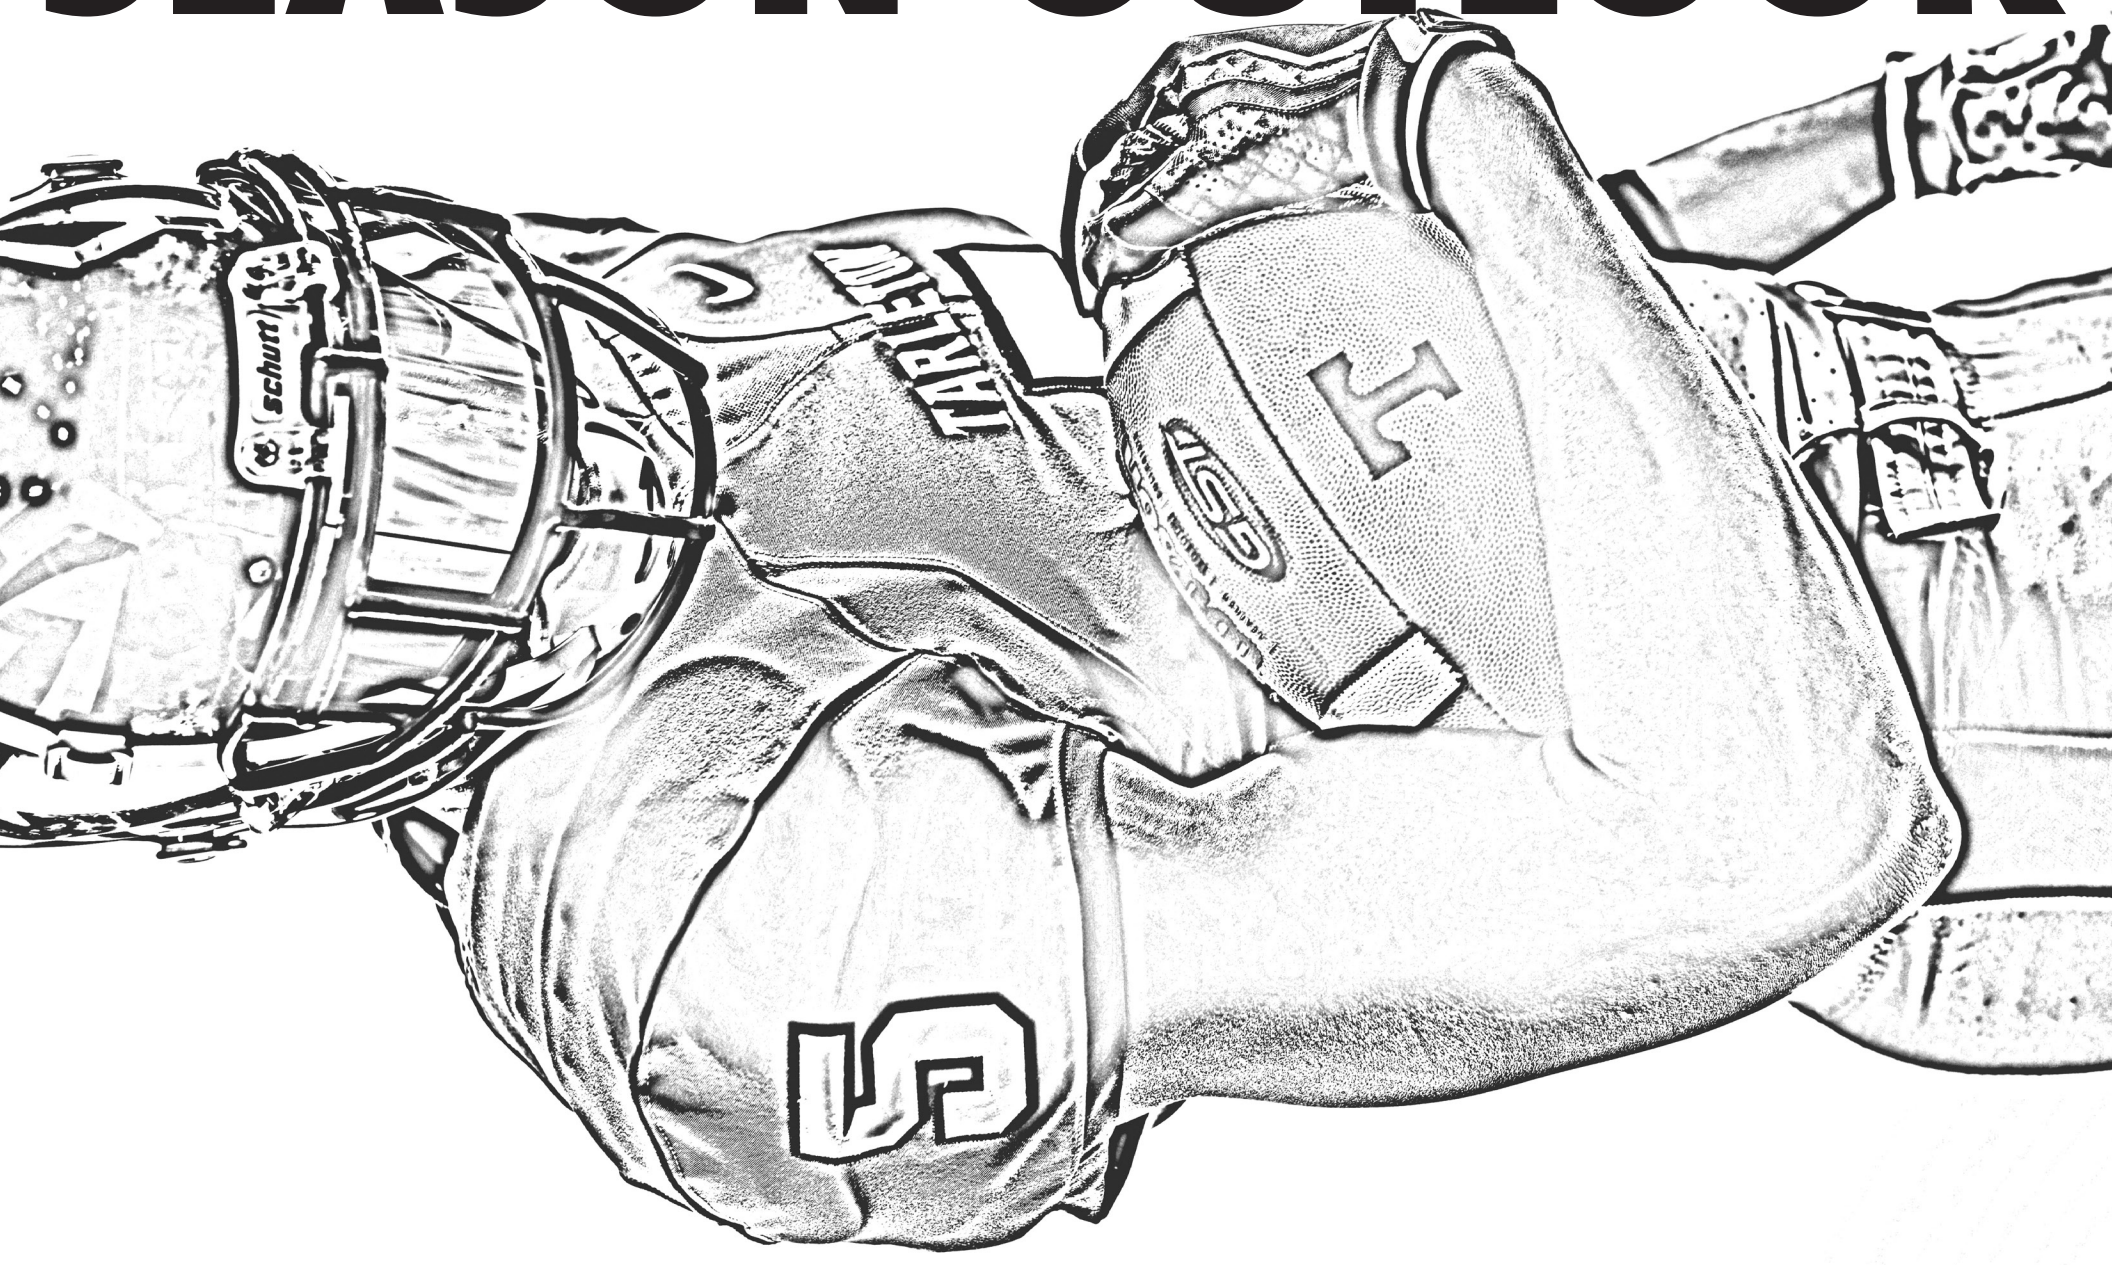
THIS IS OUR SEASON OUTLOOK



Whitten eyes even more improvement in year two of return

Tarleton football has been an under-the-radar and a middle-of-the-pack team the last few seasons in the Lone Star Conference. But this season feels different for head coach Todd Whitten and the Texans, despite a fifth-place prediction at the LSC football media day.

Last season, the Texans went 5-6 in Whitten's return as head coach, but they posted a winning record at 5-4 in the LSC, giving the Texans plenty of optimism that they can take that next step and compete with anyone in the conference. With 48 letter winners returning, including eight starters on offense and seven on defense, it's easy to see why Whitten thinks his team can sneak up on some people and this be a turning point in the program.

"I think we have a chance to be improved this season," said Whitten. "We were able to win five games a year ago. Our guys have really worked hard this offseason. We've added a few transfers that will come in and make us a better team. We have a chance to have a winning season this year."

Of the returning starters on offense, senior quarterback Zed Woerner comes in with 50 career touchdown passes and is two touchdowns from passing Steve Kelly for the school's all-time record. Woerner led an offense that averaged 27 points per game on 358 yards of offense. Woerner will have two of his top three receiving targets returning, including Del'Michael High. The senior wide-out hauled in 55 receptions for 790 yards and led the LSC with 10 touchdowns. Jeff Thomas returns for his senior season after compiling 505 yards and three touchdowns and led the team with 72.1 yards per game in just seven games.

On the defensive side, the Texans return its main core up front, a group that forced 30 turnovers last season (16 inter-

ceptions, 14 fumble recoveries), ranking 14th in the NCAA in that category. Linebacker EJ Speed (68 tackles, six sacks) was second in the nation in forced fumbles with five and is back for his junior year. Linebacker Basil Jackson (84 tackles, two interceptions), defensive end Chase Varnado (62 tackles, team-high eight sacks) and defensive lineman David Solomon (39 tackles, 3.5 sacks) return for their final season as seniors. Devin Hafford, a sophomore defensive back, had 54 tackles last season to control the secondary.

"As a football coach, I want our guys to get better every week," Whitten added. "But our first goal is to have a winning season and if we are fortunate enough to get that one in the books, you just go week by week and see where you are at the end of the season."

Tarleton will open the 2017 season on the road against Delta State in Cleveland, Mississippi on Sept. 2 before returning to Stephenville to take on Oklahoma Panhandle State on Sept. 9 for the final home opener of the current Memorial Stadium.

Zed Woerner returns for his fifth season at Tarleton State University in 2017, looking for eight more touchdown passes to become the school's all-time leader in passing scores.

TODD WHITTEN

HEAD COACH

A familiar face made his return to Stephenville as the winningest coach of Tarleton State University's NCAA era, Todd Whitten, returned to the Texan sidelines prior to the 2016 season.

He made an immediate impact in his return by resurrecting a 3-7 season from the year before and led Tarleton into the final two games of the season with a chance to win the Lone Star Conference championship.

In a news conference on December 3, 2015, at 9:30 a.m. Athletic Director Lonn Reisman announced the selection of Whitten as head football coach. Whitten joined Reisman and President Dr. F. Dominic Dottavio at the announcement in the lobby of Wisdom Gym.

This marked the 28th head coaching change in the history of Tarleton football, as Whitten is one of 24 different men to lead the Texans. He now joins legendary coach W.J. Wisdom as one of two coaches with three different tenures as Tarleton's head football coach.

"I feel like I'm coming home," said Whitten. "I'm very excited to be back at Tarleton. This is a very special place and it's an incredible job. I'm very thankful to be chosen."

Whitten, a 28-year veteran at the collegiate coaching level, has been a head coach for 12 years, including seven years at Tarleton (1996, 2000-04, 2016) and five seasons at Division I Sam Houston State.

He currently boasts an NCAA coaching record of 75-57, including a record at Tarleton of 50-29, which gives him the second-most total wins in school history behind Wisdom (71). He also has a career record of 29-11 at Memorial Stadium in Stephenville.

"I am very confident in Todd Whitten's ability to win football games and reestablish our program into a contender – not just in the Lone Star Conference, but on the national level," said Reisman. "In his career, Whitten has shown the ability to rebuild programs and make them very competitive.

"He brings a wealth of experience as a head coach at the Division I and Division II levels," continued Reisman. "He is an innovator, he is creative, and he has one of the most tremendous offensive minds in the country. I have all the confidence in the world that Todd will bring enthusiasm and energy to our football program."

During his first two stints at Tarleton, Whitten was no stranger to awards and championships.

Before taking over the program in 1996 for one season, Tarleton had a record of 4-16-1 since joining the NCAA in 1994. Whitten turned things around following a 1-10 season in 1995

by leading the Texans to a 5-5 record in his first season, which was enough to garner him the LSC Coach of the Year award for that season.

After a three-year hiatus as the offense coordinator for Wyoming and Sam Houston State, Whitten made his return to Stephenville to build Tarleton into a national powerhouse.

Whitten came back in 2000 and turned Tarleton around once again with a 6-5 record to open the new century.

In his second season, Whitten's Texans entered uncharted territory with a 10-3 mark to claim the school's first Lone Star Conference championship and division championship en route to their first trip to the NCAA playoffs. He would go on to boast a record of 17-6 over the next two seasons, each of which garnered his third and fourth LSC Coach of the Year awards, and Tarleton returned to the NCAA playoffs in 2003.

Whitten is a four-time Lone Star Conference Coach of the Year after winning the award in 1996, 2001, 2002, and 2003. He was also named the D2Football.com West Region Coach of the Year in 2001 after guiding Tarleton to the playoffs for the first time.

Before becoming a coach, Whitten was a star athlete at Dallas Kimball High School and Stephen F. Austin State University – where he was inducted into the school's Hall of Fame in 2001. He was a three-year starter at quarterback and a three-year starter in the outfield during baseball season.

He was drafted in the 17th round of the 1983 Major League Baseball Draft by Philadelphia out of Kimball High School, but declined to make his way to Stephen F. Austin. After his dual-sport career with the Lumberjacks, Whitten signed a free agent contract to play quarterback for the New England Patriots in 1987.

After playing for the Patriots in 1987, Whitten traded the helmet for the headset as he went back to school as a graduate assistant coach at Texas Tech to begin his coaching career. He earned his first full-time coaching job at New Mexico State in 1990, where he spent four seasons before heading to El Paso, where he spent two seasons at UTEP.

Whitten left UTEP for his first head coaching position at Tarleton in 1996 before leaving for Wyoming the following year.

After his second stint at Tarleton from 2000-04, Whitten returned to Sam Houston State for his first Division I head coaching opportunity. He spent five seasons with the Bearkats. From there, he spent two seasons at Lamar, one year at Arlington Heights High School, and the last three years at UTEP before coming back to Tarleton in December 2015.

Whitten earned a bachelor's degree in education from Stephen F. Austin in 1987 and a master's degree in sports administration from Texas Tech in 1990.

He resides in Stephenville with his wife, Dana. The couple has three sons – Brady, Blaze, and Tate – and a daughter, Maddie.

When the 2017 season starts, Jonathan Beasley will begin his sixth year on the Tarleton coaching staff as the running backs and tight ends coach, his third season as the Recruiting Coordinator, and first year as the Co-Offensive Coordinator.

Last season, Beasley took over coaching the running backs and tight ends. His running backs combined for 1,060 yards and 10 touchdowns while freshman tight end Brant Bailey took home second-team All-LSC recognition in his debut season under Beasley's leadership.

In his first four seasons at Tarleton, he was the primary wide receivers coach and led two of the top wide receivers in this history of Texan Football – Clifton Rhodes III and Le'Nard Meyers. Rhodes ended his career as the school's all-time leader in receptions (209) and receiving yards (2,757) while Meyers is second in receptions (202), fourth in yards (2,580), and the all-time leader in receiving touchdowns (27). Meyers also tied Devin Guinn for the school record mark in 100-yard receiving games (10).

Under Beasley's leadership, Meyers had a banner year in 2015 as a senior. The Texan receiver from Gatesville was a first-team All-LSC selection, two-time all-region award winner, and a third-team All-America selection as well as being named the Lone Star Conference Receiver of the Year.

In 2014, the Texans boasted one of the top receiving corps in the nation with the trio of Le'Nard Meyers, Bubba Tandy and Clifton Rhodes III, who ultimately set the school record for most receptions and most receiving yards in school history. For the second straight season, Beasley's receiving corps had four players top the 400-yard receiving plateau with Tandy leading the way with 830 yards and Meyers checking in at 755. Rhodes III (556) and Tyler Wright (432) were the other top receivers for the Texans while Rhodes, Tandy and Meyers were named all-conference at receiver.

In his Tarleton career has had a total of four different receivers and one tight end earn All-LSC honors.

Beasley, a former star quarterback at Kansas State, came to Tarleton after coaching three years at his alma mater as an offensive assistant coach. Beasley returned to his alma mater and served as the wide receivers coach after being an assistant coach at Montana State in 2007 and 2008.

The Bobcats went 13-10 over Beasley's two seasons. As part of the Bobcat coaching staff, Beasley also assisted with the weekly implementation of the offensive game plan and served as the MSU Community Service Coordinator.

Before arriving at Montana State, Beasley served as a graduate assistant at Emporia State as well as quarterbacks and running backs coach at Wichita North High in 2006 and JV and freshmen quarterbacks' coach at Cactus High in Glendale, Ariz. in 2003.

He played professionally for the Wichita Aviators in the APFL (2005), the Wichita Stealth in Arena II (2004), the NFL Jacksonville Jaguars (2003), the NFL Detroit Lions (2003), and NFL Green Bay Packers (2001). He also played for the Saskatchewan Roughriders of the Canadian Football League (2001-02). His time in Wichita earned him a spot in the Kanas Indoor Professional Football Hall of Fame with the Class of 2016. The Wichita Eagle also named him one of the Top-10 All-Time Greatest Indoor Football players.

A native of Glendale, Ariz., Beasley was a third-team All-Big XII selection at quarterback for K-State in 2000 and earned MVP honors in the 2001 Cotton Bowl, where K-State defeated Tennessee 35-21 and Beasley earned MVP honors after scoring three touchdowns on 98 yards rushing and 210 yards passing, and 1999 Holiday Bowl. He also earned MVP and team captain honors for the 2001 Hula Bowl, and was the team captain for the 2001 East-West Shrine Game.

Beasley was a two-year starter at Kansas State, compiling a 132.7 pass efficiency rating in 2000, the top mark in school history to that point. He threw for over 30 touchdowns in his career and finished with 4,642 career passing yards. He holds the school record for most yards per completion for a game (23.9), season (20.1) and career (17.9) while also compiling a 21-4 record in two seasons as the Wildcat starting quarterback.

He led K-State to a Big 12 Championship Game appearance against Oklahoma as a senior, and led the Wildcats to a win over Nebraska that same season by throwing a game-winning 12-year scoring strike in the game's final three minutes.

Beasley married his wife, Amanda, in July 2014 and has a son, Tanner, and a daughter, Olivia.

Total	**1 Year**		**5-6**

When the 2017 football season begins, Bryson Oliver will start his second season in charge of the offensive line for Texan Football and first year as the Co-Offensive Coordinator.

"Part of what drew me here is that Coach Whitten has been here twice before and all he does is win," said Oliver. "I want to be a part of a winning program and Tarleton gives me that opportunity. Tarleton has always been competitive and to be competitive in a competitive league is very highly spoken for."

Oliver came to Tarleton prior to the 2016 season after spending two years as a graduate assistant coach for the TCU Horned Frogs. He helped the Horned Frogs to a 23-3 record from 2014-15, including a 47-41 win in triple overtime against Oregon in the Alamo Bowl in his final game at TCU. He had two offensive linemen earn All-Big XII honors in 2015, including center Joey Hunt who also earned second-team recognition as a junior in Oliver's first season at TCU.

Prior to his time at TCU, Oliver spent two seasons as a graduate assistant coach on the Offensive Line with Oklahoma State as the Cowboys boasted an 18-8 record and earned a bid to the AT&T Cotton Bowl in 2013. He was the offensive line coach and recruiting coordinator at Tiffin University in Ohio after spending four seasons as a student assistant at Texas Tech from 2007-10, where he broke into the college coaching ranks.

"I never played college football and I was fortunate enough to get my start into coaching with Coach (Mike) Leach at Texas Tech. While I was there, I studied under him and his staff and I actually have a pretty good relationship with (Tarleton assistant coach) Mason Miller because he would come up and help with camps and some other things because of the offense we run.

"Players tend to get a beat on you as a person," he continued. "If you truly care about a player, coach them hard, and know what you're talking about, then a kid doesn't care if you drive a Volvo, played college football, or whatever. The biggest thing that not playing college ball could have hurt was a lack of relationships, but I was very fortunate to get on with a staff of great coaches at Texas Tech."

A native of Sweetwater, Oliver was a standout offensive lineman and graduated from SHS in 2004. He went on to receive his bachelor's degree from Texas Tech in 2009 in History with a minor in Music.

PATTON'S TARLETON COACHING LEDGER

Year	School	Position	Record
2016	Tarleton State	DC/DB	5-6
Total	**1 Year**		**5-6**

When the 2017 football season begins, Marcus Patton will start his second season as the defensive coordinator and secondary coach for Texan Football.

In his debut season with the purple and white, Patton went to work in turning around a Tarleton defense that surrendered the most yards in school history the season before. In Patton's debut season, the Texans improved dramatically by improving their points and yards allowed by large margins. The Texans saw an improvement of 120.9 yards and 13.5 points per game from 2015 to 2016 under Patton in his debut campaign, including a starring showcase against Eastern New Mexico on Oct. 15, 2016 when Patton's defense held the No. 2-ranked rushing offense to 100 yards below its season average in a 26-16 road victory.

He coached Tarleton's Cody Burtscher to one of the most decorated seasons by a single player in school history as the senior was named first-team All-LSC, All-Region, AFCA All-America, and the Lone Star Conference Linebacker of the Year under Patton's leadership. In addition to Burtscher, Patton's defense also boasted EJ Speed, who earned second-team honors and led the nation in forced fumbles, as well as honorable mention All-LSC players Dominique Martin, Chase Varnado, Basil Jackson, and Treston Ridge.

Patton came to Tarleton after spending the 2014-15 seasons as the defensive coordinator at Colorado Mesa. In 2015, his Maverick defense was one of the best in the nation and finished in the top-10 in the country in multiple defensive categories including: fourth-down conversion defense, defensive touchdowns scored, and turnover margin with 28 defensive takeaways including 19 interceptions. Mesa also finished No. 11 in the nation in red-zone defense and No. 12 in the nation in scoring defense after allowing just 17.8 points per game.

"In today's football, there's going to be a lot of offense," said Patton. "People are going to score points in today's game, but you have to be able to play good enough defense to give yourself a chance to win the game in the fourth quarter. It's unrealistic to think that you can hold teams to the zero-to-three point range, but we want to keep it manageable and give ourselves a chance to win the game. We're going to do that with fundamental defense."

Patton, who has also spent time as a collegiate assistant coach at Fairmont State, Seton Hill, UCLA, Indiana State, and South Florida, played football for Kansas State University from 2000-04. He joins former Wildcat, Jonathan Beasley, on the Tarleton coaching staff and was a student-athlete when Assistant Athletic Director for Athletic Performance Rod Cole was the head strength and conditioning coach for Coach Bill Snyder's team. Patton was also teammates with NFL athletes Darren Sproles, Jordy Nelson, and Terrence Newman.

A native of St. Louis, Missouri, Patton earned a bachelor's degree in social science from Kansas State and then went on to coach four seasons at the high school level in Florida before returning to the college ranks as a defensive assistant. In his career, he has coached numerous all-conference players and had an NCAA All-American at Colorado Mesa in 2015. He has had over 10 former players continue their careers at the NFL level and was responsible for recruiting even more that went on to play professionally.

GHOBRIAL'S TARLETON COACHING LEDGER

Year	School	Position	Record
2016	Tarleton State	STC/DL	5-6
Total	**1 Year**		**5-6**

When the 2017 football season kicks off, Michael Ghobrial will begin his second season as a member of the Texan Football Coaching Staff as the Defensive Line coach and Special Teams Coordinator.

"One of the biggest things (that drew me here) is the tradition that Tarleton has had," said Ghobrial. "Obviously, I did my research on Coach Whitten and the programs he has had, especially at Tarleton, and seeing his success made me realize he understands that there is a certain formula for winning in the Lone Star Conference.

"Also, the opportunity to recruit Texas kids is something that has always intrigued me," he continued. "I've wanted to expand my recruiting ties because before this it has either been the complete West Coast or the complete East Coast and Texas is the biggest recruiting capital in the United States."

Ghobrial came to Tarleton in 2016 and gave the Texans a spark defensively, led by second-team All-LSC selection EJ Speed, who also led the nation in forced fumbles. Chase Varnado also earned honorable mention All-LSC honors in his first season under Ghobrial's leadership.

Following his debut season with the Texans, Ghobrial had the opportunity to study and work alongside the Detroit Lions coaching staff at their organized team activities (OTAs) after receiving a position through the Bill Walsh Minority Internship.

A native of Torrance, California, Ghobrial brings a wealth of major Division I experience after spending eight seasons as a player and coach for UCLA and one season as a graduate assistant for Syracuse University. He also is no stranger to the NCAA Division II ranks after spending last season with Colorado Mesa, where he worked alongside Tarleton's newest defensive coordinator Marcus Patton.

"We're excited to have Coach Ghobrial here at Tarleton State University," said Whitten. "He's a great coach and a great guy. He brings a wealth of knowledge from one of the most historic NCAA Division I football programs in the country, UCLA. In addition to his knowledge of the game of football, he's a great recruiter. We're excited to have him on our staff."

After graduating from West Torrance High School in 2006, Ghobrial took his talents Los Angeles where he suited up for the Bruins for three seasons as a defensive end before transitioning into the coaching world as a student assistant coach on the defensive line in 2009 under head coach Rick Neuheisel.

He coached two seasons as an undergraduate assistant before stepping into a graduate assistant role in 2011 – coaching the defensive line and special teams. He maintained that role for two more seasons under new head coach Jim Mora before heading to the East Coast for one season as a graduate assistant coach for the defensive line and special teams at Syracuse University.

Following his solo season with the Orangemen, Ghobrial headed to Grand Junction, Colorado for his first full-time position as the defensive line coach and co-special teams coordinator for Colorado Mesa, where he reunited on the sidelines with Patton.

"I have tremendous respect for Coach (Marcus) Patton," said Ghobrial "He and I were graduate assistants together at UCLA so our relationship has stemmed over the course of several years. Even when we weren't at the same school, we kept in touch, talked football, and picked each other's brain. We're both big on fundamentals and having that same philosophy on coaching really promotes a more successful defensive scheme. I'm excited for the opportunity to continue working with Coach Patton here at Tarleton."

Ghobrial has made his mark not only in the Pac-12 but in the NFL, as well.

The California native has coached six all-conference defensive linemen during his time at UCLA, including All-American Datone Jones. He has also coached a pair of first round NFL draft picks – Jones (2013) and Kenny Clark (2016) – and multiple third and fourth round NFL draft picks.

From the special teams side of things, Ghobrial has had coaching impact on Jeff Locke and Kevin McDermott, who are currently enjoying NFL careers with the Minnesota Vikings, as well as the 2016 Lou Groza National Kicker of the Year award winner Ka'imi Fairbairn, who is currently with the Houston Texans.

"I put a heavy emphasis on special teams," said Ghobrial. "We led the nation in blocked kicks for two straight years when I was at UCLA and we were top 10 in the nation in blocked kicks last year when I was at Colorado Mesa. I plan to put heavy emphasis in the special teams area."

Ghobrial received two degrees from UCLA beginning with his bachelor's degree in history in 2010 before earning his master's degree in comparative education in 2014. He wrote a published thesis in leadership during his graduate work.

Arthur Buckingham returned to Tarleton State football in 2014 and is now in his fourth season as a wide receivers coach with the Texans after donning the pads for the Purple and White for six seasons. He will also be the team's primary video and camp coordinator for the third straight season.

Last year, the Texan alumnus guided one of the most dangerous receiving trios in the Lone Star Conference with Del' Michael High, Bubba Tandy, and Jeff Thomas. The trio combined for 1,990 yards receiving and 20 touchdowns. High was a first-team All-LSC selection after hauling in 55 passes for 790 yards and 10 touchdowns.

In 2015, Buckingham coached one of the top receivers in school history to a record-setting senior campaign. Le'Nard Meyers was named the Lone Star Conference Receiver of the Year, first-team All-LSC, and was a part of two different all-region teams before earning third-team All-America honors. All of this coming off a debut coaching season in which Tarleton posted five wins and boasted one of the best receiving corps in the Lone Star Conference with four players topping the 400-yard mark - including Bubba Tandy with a team-leading 830 yards.

Buckingham, a native of Pilot Point, first came to Tarleton in 2007 and redshirted as a true freshman but began to make is his presence known on the field as a redshirt freshman in 2008. He appeared in 10 games for the Texans in his inaugural playing season.

It was in his sophomore season that Buckingham was an instrumental part of the Tarleton State NCAA Division II playoff run that extended into the second round, tying the farthest trip into the postseason by a Texan team.

With Tarleton hosting Midwestern State at Memorial Stadium and 5-1 on the season with playoffs on the line, the Texans found themselves trailing 28-25 with 2:30 left on fourth and six. It was Buckingham that came through for Tarleton with a 42-yard catch to extend the drive. He also caught a third and fourth down pass on the next series to set up the game tying field goal. Buckingham was the holder for kicker, Garrett Lindholm, and the then-sophomore receiver got the snap down for the game-tying field goal. After a botched snap, he got the snap down again for the game-winning 55-yard field goal.

In the opening round of the NCAA playoffs on the road at Texas A&M-Kingsville, Buckingham hauled in a diving catch on fourth and 18 with 20 seconds left to save the Tarleton season. His catch helped set up a game tying, NCAA record 64-yard field goal, which he held, to send the game into overtime.

After an injury-plagued junior season, Buckingham returned to Tarleton for his sixth season as a veteran leader in 2010. In his swan song season, he caught 10 passes for 217 yards and led the team with 21.7 yards per catch.

He has coached two all-conference wide receivers in his tenure with Tarleton, both earning first-team honors, as well as the 2015 LSC Receiver of the Year, Le'Nard Meyers.

Buckingham earned his Bachelor's degree from Tarleton State in Exercise and Sports Studies and a Master's degree in Kinesiology. He now resides in Stephenville with his wife, Julianne, and their son, Knox.

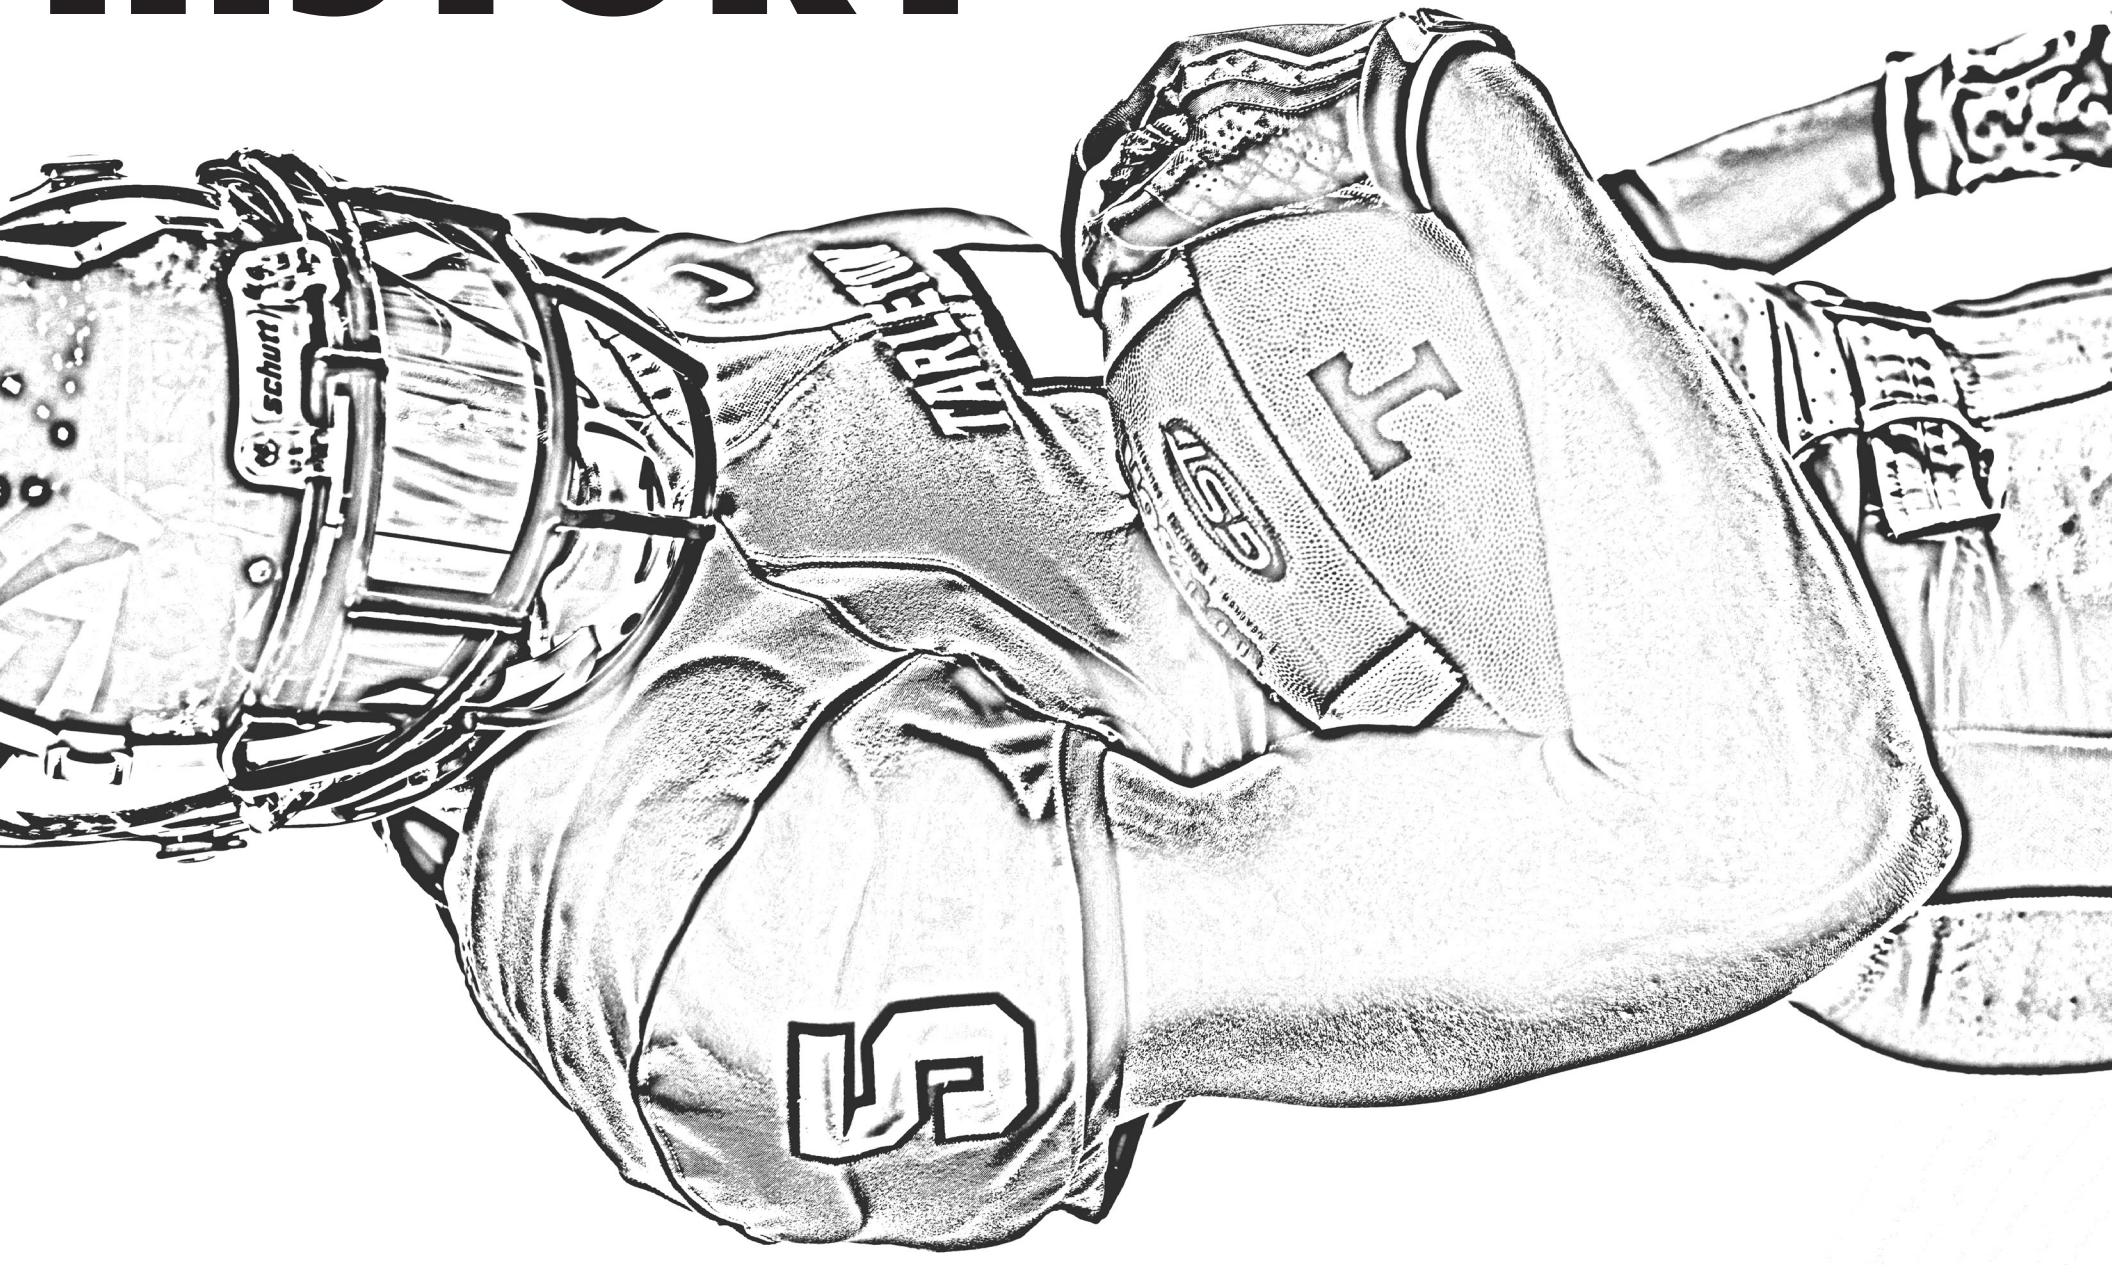
THIS IS OUR HISTORY



TEXAN FOOTBALL HISTORY

The football program has long played an important role on the campus of Tarleton State University, with records showing that Tarleton fielded a football team as early as 1904.

The following story will take you on the journey of football at Tarleton, starting with the early days of junior college competition and continuing with the move to senior college level in 1961. It recaps the Texans' dominance on the NAIA Division II scene and tells of TSU's recent accomplishments as a member of NCAA Division II. Finally, this story ends by assuring you that Tarleton's best days on the football field are still ahead.

Football began at Tarleton almost from the start of the college. Records indicate that Tarleton fielded a team as early as 1904. However, scores of Tarleton's games are available only starting in 1915.

When Tarleton first began collegiate play, it was known as John Tarleton College but it became a junior college in 1906 and affiliated with the Texas A&M University System in 1917. It was known as John Tarleton Agricultural College (JTAC) until 1949 when it became Tarleton State College. In 1961, Tarleton began four-year competition and in 1973 became Tarleton State University.

Tarleton enjoyed great success on the gridiron after World War I, going 52-16-6 over an eight-year span under the direction of W.J. Wisdom, who would later gain greater fame as a basketball coach. Included in the span was an 8-0-1 record in 1925 when Tarleton outscored its opponents 276 to 25 and was tied only by Baylor University's freshman team. Wisdom also coached the 1935 team to a 9-2 mark, losing the last two games of the season after shutting out eight of the first nine opponents and outscoring opponents 235 to 6.

Among the early luminaries of the game were Tarleton Hall of Famers Leslie "Al" Jennings, Max Menzies, Paul "Duck" Marr, Jess "Ironhead" Davis, Hugh Wolfe, Henry Todd, and Clifford Funderburk.

During World War II, Tarleton did not field a team in 1942 or 1943 and played mostly military and academy teams in 1944 and 1945. In 1950, Tarleton posted a 7-3 record with what many consider its best team. Seven players from that team are Hall of Fame members, including quarterback Pence Dacus, rushing champion Marvin Brown, and receiver Jack Jones. Brown would later play professionally for the Detroit Lions. In the mid-50's, led by stars Webb Bishop, Leon Blakeney and Jerry Flemmons, Tarleton would field strong teams, including a 7-1-1 record in 1956.

Al Jennings (1922-26)

Tarleton made its difficult transition from two-year to four-year competition in 1961 and also changed its team nickname from the "Plowboys" to the "Texans" by student vote. Though the team suffered through seven straight losing seasons – that did not keep John Riggs from becoming one of the most heralded defensive players in school history. The linebacker is one of just two players to have had his jersey (No. 63) retired.

In 1966, Tarleton posted a 7-3 record behind a team that also boasts Hall of Famers. That squad defeated a team of Mexico All-Stars in the Aztec Bowl. Giant defensive tackle Randy Winkler would later play professional football. Between 1966 and 1968 Tarleton was entertained by magical quarterback, J.D. McMahon, throwing to receivers Pat Ballow, Harlan Wunsch and Jody Worsham.

Between 1968 and 1975, Tarleton competed as a member of the Lone Star Conference. Over that eight-year span, the team recorded just 12 wins while losing 68. One of the few highlights in that span was the opening in 1974 of Memorial Stadium as the football team's new playing site.

In 1976, the University left the LSC and helped form the non-scholarship Texas Intercollegiate Athletic Association. Over the next 15 years, Tarleton would win six TIAA titles, with back-to-back crowns in 1977 and 1978, 1986 and 1987, and 1989 and 1990.

The 1978 team was the first to go to postseason play, finishing with an 8-0-1 record during the regular season. All-American linebacker and Tarleton Athletics Hall of Famer Tally Neal led that team and his No. 34 jersey would later become the second retired number in school history.

J.D. McMahon ranks as one of the top Texan quarterbacks of all-time, having completed 389 passes for 5,684 yards and 38 TD's.

From 1979 to 1982, Ricky Bush would become Tarleton's career rushing champion and the only Texan football player ever to be selected to four consecutive all-America teams, as he thrilled Tarleton fans at the turn of the decade.

During a five-year span from 1986 to 1990, Tarleton went 45-11-1, won the Sunflower Bowl in 1986, and advanced to the NAIA quarterfinals in 1987, 1989 and 1990. The 1990 team is the only Tarleton team to have an undefeated and untied regular season, going 10-0, before losing in the quarterfinals to eventual national champion Westminster College. That playoff loss to Westminster is remembered as one of the most thrilling games ever to be played at Memorial Stadium.

Because of its domination of the league, Tarleton was requested to leave the TIAA and played as an independent from 1991 to 1994. In 1994, the school was accepted for membership to NCAA Division II, and rejoined the Lone Star Conference, first competing for a league title in 1995.

Tarleton's 10-3 record in 2001 is by far the top single season mark during the scholarship era. In 2002, the Texans finished 9-2 for the second-best mark since beginning scholarships.

Former head coach Todd Whitten played a key role in Tarleton's recent success, averaging seven wins per season in his five years at the helm. He and his staff set out to make Texan football a consistent winner, and it appears they are well on their way to doing just that.

In 2001, Tarleton earned a share of both the LSC overall championship and LSC South Division crown for the first time in school history. The Texans, who closed the regular season with six straight wins, made their first-ever appearance in the NCAA Division II playoffs and advanced to the national quarterfinals.

John Riggs (1960-63)

Tarleton placed 17 players on the All-LSC teams in 2002, including an amazing eight first team selections.

The Texans returned to the playoffs for the second time in three years in 2003 and finished the season 8-4 overall. Tarleton won its third straight LSC division title by taking the North trophy after going 4-1 in North Division play.

Seventeen Texan players made the All-LSC teams in 2003, including an astounding 11 players as first team selections. The Texans now have totaled 34 first team All-LSC players since 1996.

Derrick Ross (2004-05) gained 3,072 yards in two seasons with the Texans, including a school record 269 yards in a single game.

The 2004 season was another strong year, despite a four-game losing skid in the middle of the season. However, the Texans put together four straight wins to end the season.

The Texans missed a share of the Lone Star Conference Championship and the school's fourth LSC division title with a loss to end the 2005 season. The Texans could have been ranked No. 1 in the South Central Region, but the loss knocked the Texans out of the playoffs for the second straight season. Tarleton finished the 2005 campaign under new head coach Sam McElroy with a 7-3 overall record.

In 2006, the Texans shared the LSC South Division crown with West Texas A&M after losing to the Buffaloes in the final game. The defeat kept Tarleton out of the playoffs for the third straight season. The Texans opened the season 0-3 before rattling through the South Division 6-0 before the loss at WTAMU, ending the year 6-4 overall.

In 2007, the Texans had a great season, finishing 9-2 overall, including a 27-24 overtime victory at NCAA Division I Football Championship Subdivision member Stephen F. Austin. However, the Texans were left out of the playoffs once again after dropping two of the last three contests. Senior defensive back Ranardrick Phillips became the first player in the LSC South Division to earn the Defensive Back of the Year Award three consecutive times (2005, 2006 and 2007).

The Texans won the first five games of the 2008 season before dropping a close game at home to resurgent A&M-Kingsville. The Texans finished 8-3 after dropping two of their last three games. Tarleton was featured on national television on CBS College Sports Network on Thursday, Oct. 30 when the Texans hosted Angelo State, winning 31-24.

The 2009 season was one for the record books as the season was highlighted by a double-overtime NCAA Division II playoff victory at A&M-Kingsville in the first round. Kicker Garrett Lindholm nailed a division playoff record 64-yard field goal to tie the game as time expired, and Tarleton's quarterback Scott Grantham scored from 20 yards out before punching in the two-point conversion for the victory. Tarleton finished the season 10-3 and claimed a share of the LSC championship and the LSC South Division title. Tarleton advanced to the second round of the playoffs for the second time in the program's history.

After a 3-8 season under first-year head coach Cary Fowler in 2010, the 2011 team finished the season on a five-game winning streak. Tarleton got off to a rough start, but faced very tough competition. In fact, the Texans' losses came against ranked opponents, including No. 1 Midwestern State and No. 2 Abilene Christian. Tarleton rebounded though and finished the season as the hottest team in the conference. At 6-5 on the year, the Texans showed they were growing into a force to be reckoned with in the LSC. It showed a change of pace from the past few years and that the Texans were on the rise.

The Texans opened the 2012 campaign upsetting nationally ranked Midwestern State, 20-17, and the team looked poised for greatness. After downing the No. 4-ranked team in the nation, Tarleton would hit the road for a neutral contest against Abilene Christian that would be played at Cowboys Stadium in Arlington, Texas but several tough

Buddy Fornes (1973-82) was head coach of the Texans in 1977 when Tarleton claimed its first ever TIAA Conference Championship.

losses down the stretch hindered its promising start. The Texans managed to go on the road and upset Gulf South Conference super-team North Alabama on the second to final week of the season and then defeat Angelo State in the season finale to earn wins in its final three games. Quarterback Jake Fenske set a school record with a 99-yard touchdown toss against UNA and then set the new school record for yards passing in a game against ASU, collecting 460 yards on the evening.

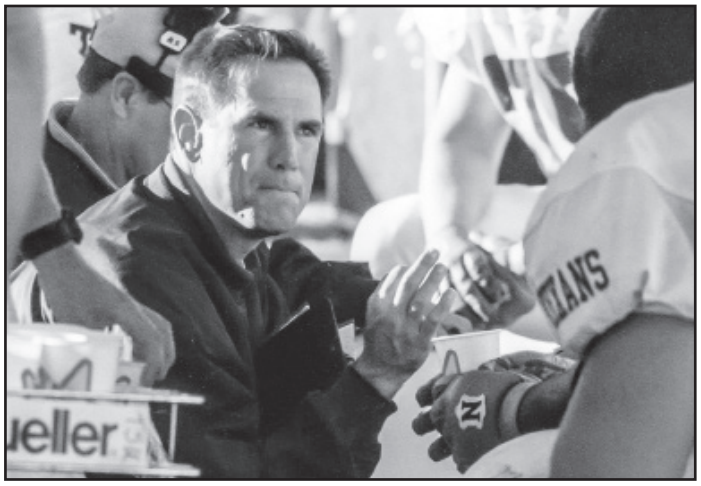
Tarleton finished the season 6-4 overall and 5-3 in the LSC. The Texans continued their upswing in the 2013 campaign as Tarleton secured its third Lone Star Conference Championship in school history with a 7-3 record and 5-1 record in the LSC. The highlight game of the season came at Memorial Stadium on Oct. 12 when the Texans entered their home opener with a perfect 4-0 record but fell behind 27-3 in the opening half of football. Tarleton fought back and, on the strength of several incredible, clutch catches from Le'Nard Meyers, pulled off the incredible upset of the nation's No. 4 ranked team with a 31-27 victory to beat the Buffs for the first time since 2004.

After going 8-12 over the next two seasons following its LSC Championship, Tarleton made a change at the helm - turning to the school leader in head coaching victories since the school became an NCAA institution, Coach Todd Whitten.

Whitten, a four-time LSC Coach of the Year award winner, returned to Stephenville for his third stint as the head coach of the Texans - joining legendary coach W.J. Wisdom as the only head coach at Tarleton with three different tenures. Upon his return press conference, his 45 career wins at Tarleton is second-most all-time behind Wisdom (71).

After nearly 100 years of Tarleton football action, including over five decades as a senior college, the Texans have never been stronger over a longer period of time.

Clearly, the best is yet to come for the Proud Defenders of the Purple and White. The 2017 campaign will be another exciting chapter in the annals of Tarleton football history.



Four-time LSC Coach of the Year Todd Whitten has returned for his third stint as head coach, looking to add to his record of most NCAA wins in school history.

ALL-STATE **GOOD WORKS TEAM HISTORY**

Allstate Insurance Company and the American Football Coaches Association partner to present 22 student-athletes each year to the Allstate Good Works team. The 22 student-athletes from Division I, Division II and Division III programs are honored for making outstanding contributions in the area of volunteerism and civic involvement.

Jacob Rowe
Defensive End • #90 • 2009
Junior • Alvarado, Texas

In 2009, Jacob Rowe became the first Tarleton Texan to be named to the 22-man Allstate/AFCA Good Works Team. The junior defensive end earned 14 tackles, four for a loss and a sack after missing the first five games due to injury. Off the field, Rowe was involved with several church ministries while also hosting student-athlete Bible studies on campus.

Brandon Johnson
Defensive Back • #1 • 2010
Senior • Giddings, Texas

In 2010, Brandon Johnson became the second Texan named to the Good Works Team - and the second in as many seasons. Johnson participated in Fantastic Field Day, Rock the Gym, Meals on Wheels, Angel League and Tarleton Round-Up. He also helped several senior citizens through moving furniture, cleaning yards and houses, painting and other household chores.

Other Nominees:

This list includes Texans who were apart of the original 182 student-athletes to make the initial cut into the Allstate Good Works Team but did not make the final list of 22.

Jake Fenske
Quarterback • #15 • 2010
Junior • Round Rock, Texas

Levi Kirkland
Defensive End • #59 • 2011
Senior • Waco, Texas

Patrick Bettiol
Defensive End • #96 • 2014

TEXANS DOWN NO. 3-RANKED CHADRON STATE 28-24 FOR SCHOOL'S FIRST-EVER NCAA DIVISION II PLAYOFF VICTORY

CHADRON, Neb. - Tarleton State's defense limited a high-powered Chadron State offense to just three points in the second half as the Texans rallied past the Eagles 28-24 in first-round action of the NCAA Division II football playoffs.

The Texans trailed 21-7 late in the first half after quarterback Steve Kelly fumbled and Chadron's Aric Lopez returned it five yards for a touchdown. That play seemingly gave the Eagles all the momentum heading to halftime.

Kelly and Texans came right back and managed to cut their deficit to 21-14 with a quick 11-play drive that culminated with a 3-yard touchdown catch by tight end Kyle Masters, slicing the Chadron lead to seven points with 30 seconds left in the half.

Chadron upped its lead to 24-14 with Ryan Larson's 24-yard field goal on the Eagles' first second-half possession, but the Texans' defense would dominate from there, allowing Chadron to only 77 yards in their final four drives.

The Texans limited Chadron to 0-for-4 on 3rd-down conversions and 0-for-2 on 4th-down tries in the final quarter. Tarleton squelched the Eagles' fake punt attempt on 4th-and-1 at the Tarleton 44-yard line with 6:20 left, and the Texans stopped Chadron on a 4th-and-3 at the CSC 26 with 2:12 to play.

Tarleton's offense managed two lengthy scoring drives to complete the rally, first going 72 yards in 12 plays to score on running back Chavis McCollister's 5-yard run late in the third quarter.

D.T. Hopkins plowed up the middle from four yards out with 9:46 left in the game to put the Texans ahead 28-24, with that short touchdown run being set up by a 42-yard halfback pass from McCollister to wide receiver Damien Jackson.

AGGIES OUTSCORE TEXANS 21-8 IN FOURTH QUARTER; TARLETON'S SEASON ENDS IN 42-25 LOSS

DAVIS, Calif. - Glenn Adriatico of UC Davis returned a fourth-quarter kickoff 66 yards for a touchdown and scored again less than two minutes later on a 55-yard reception as the Aggies pulled away from Tarleton State for a 42-25 victory in the NCAA Division II quarterfinals.

UC Davis overcame Tarleton leads of 7-0 and 17-14 to pick up the win. The Aggies took a 21-17 lead in the third quarter as RB Sean Holleman scored his third TD of the game, then Davis got the ball right back after a Tarleton punt and pushed its edge to 28-17 on the first play of the fourth quarter with Mike Oliva's 19-yard TD catch.

The Texans answered as Tarleton QB Steve Kelly completed 5 of 7 passes on a 9-play drive that ended with Kelly hitting Aaron Lucas on a 14-yard TD pass. Chavis McCollister then scored on a 2-point conversion run, cutting the UC Davis lead to just 28-25 with 11:40 left in the game.

Tarleton was flagged for an offsides penalty on the ensuing kickoff, and after being forced to kickoff again, Adriatico gathered the ball at his own 34-yard line and raced unscathed in front of the Tarleton bench for the game-breaking TD.

The Texans picked up one first down on the next possession before turning the ball over on downs at the UC Davis 45-yard line. That's where QB J.T. O'Sullivan delivered the knockout punch, hitting Adriatico in stride over the middle for a 55-yard TD toss at the 9:28 mark.

The score was tied 14-14 at halftime, with Tarleton turning the ball over twice in UC Davis territory, including a D.T. Hopkins fumble at the Aggies 1-yard line.

Tarleton gained 489 yards on 76 plays but was just 2 of 13 on 3rd-down conversions, compared to an 8 for 11 effort by the Aggies.

TURNOVERS, JAVELINA DEFENSE DOOM TEXANS IN FIRST ROUND OF PLAYOFFS

KINGSVILLE, Texas - The Tarleton State football team offered too many chances to Texas A&M-Kingsville on Saturday and lost 34-10 in the first round of the NCAA Division II playoffs.

The No. 21 Texans' Justin Parson fumbled the opening kickoff to put the Javelinas at the Texans' 37-yard line. The other problem with the ballgame for the Texans was the time of possession. The Javelinas won that stat 37:21 to 22:29.

The Texans (8-4) also lost the turnover battle, giving up the fumble and a 68-yard interception return by TAMUK's Micahel Bragg. Bragg intercepted Tarleton quarterback Cliff Watkins at the goaline and returned it to the Tarleton 32.

Problem No. 4 was the TAMUK defense. The Javelinas held the Texans 202 yards below their season offensive output, including 132 yards below the average passing game.

TAMUK (10-1) got on the board first when Richard Hammond nailed a 44-yard field goal with 4:11 on the clock, capping a six-play, 12 yard drive that took 2:39 off the clock. A seven-yard Texan punt put TAMUK in good field position.

Larry Williams put the Javelinas on the scoreboard again when he punched it in from four yards out. That capped a five-play, 25 yard drive that was set up when Chris Peterson, the Texan punter, had just a 19-yard punt.

Watkins scored his first rushing touchdown of the season when he ran a bootleg in from nine yards out. Jamie Guin added the kick with 11:50 left in the game to move the Texans within three, 10-7.

The Javelinas got on the board with 1:05 left in the first half when Brent Holmes caught a 15-yard pass from Daniel Taylor. That play was set up by a 32- yard punt return by Eddie Moten to the Tarleton 19.

Guin added a 48-yard field goal for the last Texan score with 11:50 left in the third quarter. TAMUK score three more times in the ballgame.

Richard Hammond hit a 23-yard field goal with 8:07 left in the game to cap a 15-play, 51-yard drive. Holmes caught a 27-yard pass from Taylor with 5:25 left in the contest. That drive was set up by the Bragg interception.

Williams put the final nail in the coffin when he punched it in from two yards out with 2:36 remaining. The Texans turned the ball over on downs in the middle of the field for the second time in the game. Williams ran for 36 yards on the play before the touchdown to set up the score.

TAMUK defeated the Texans on Sept. 27, 23-15. Tarleton gained only 287 yards in the contest, including just 66 yards rushing. Watkins was 16-36 for 212 yards and no touchdowns. He had the one interception.

TAMUK gained 287 yards of total offense, including 129 yards on the ground and 159 yards through the air.

Leading the Texans in rushing was Joe Morrison with 16 carries for 73 yards. Justin Tabor had seven receptions for 97 yards, while Will Moody had just three catches for 64 yards.

Ken Jones led the team with 18 total tackles, including four solo and 14 assisted tackles. He had three tackles for a loss of four yards and half a sack for four yards. Erick Smith was second with 16 tackles.

On the bright side, Watkins set a new school record for passing yards in a season with 5,547 this season. He also set a new record for attempts in a season with 437 attempts.

The senior also set a new record for completions in a season with 264.

TEXANS MOVE ON TO SECOND ROUND; UPSET JAVELINAS 57-56 IN DOUBLE OVERTIME THRILLER

KINGSVILLE, Texas – In one of the most dramatic games in school and NCAA history, the No. 12 Tarleton Texans needed a come-from-behind victory and double overtime to advance to the second round of the NCAA Division II playoffs with a 57-56 win at No. 13 Texas A&M-Kingsville Saturday in front of a crowd of over 13,000 people.

Tarleton improved to 10-2 on the season after quarterback Scott Grantham scored on a 20-yard run in the second overtime to pull Tarleton within one before running the two-point conversion in by himself to give the Texans the win.

Overtime was set up with a 64-yard field goal by Tarleton's Garrett Lindholm to tie the game as time expired after the Javelinas had scored with under a minute left in regulation. The kick was the second longest field goal in NCAA Division II history.

Another record was set in the game when Devin Guinn set a new school mark for career receiving touchdowns with 26, passing Jeremy Madkins who earned 25 in 2003-06.

With the Javelinas driving, Dominic Smith recovered a Javelina fumble at the Tarleton 23-yard line with just seconds left in the third quarter. The Texans then drove 77 yards over 14 plays and 6:59 and took the lead when Roderick Smith put the ball into the end zone from 11 yards out. Lindholm's kick was good, and with 8:22 left in the contest, Tarleton led 43-39. Tarleton had three third-down conversions and one fourth-down conversion during the scoring drive.

The Javelinas got the ball back with 4:56 left in the game and drove 61 yards on nine plays and scored the go-ahead touchdown. Brom's kick put the score at 46-43 with 45 seconds left on the clock.

Tarleton started at its own 26 with a false start penalty. Facing fourth and 18, Grantham hit Arthur Buckingham on a 35-yard pass for a first down. Then, facing a third and 10 from the Kingsville 47, Lindholm hit the kick that tied the game at 46 from 64 yards out as time expired. Buckingham had the hold, Kyle Piercefield the snap.

Tarleton loss the coin toss in overtime and had the ball first. The Texans got to the eight, but Lindholm was forced to kick a 27-yard field goal after a delay of game penalty to go ahead 49-46.

TAMUK then drove to the Tarleton two, but the Javelinas also had to kick, Brom's good from 19 yards.

The Javelinas then got the ball first in the second overtime, and TAMUK scored on a two-yard run from Winborn. The kick by Brom made it 56-49 and forced the Texans to do the same.

Robertson started from the 25 and gained five yards before two incomplete passes forced the Texans into a fourth and five from the 20. Grantham scrambled to the right and saw an opening, and after breaking several tackles and spinning into the end zone, the Texans trailed by just one point. The Tarleton coaches called for the two-point conversion, and Grantham again went to the right side on a keeper and found the winning two-point conversion to give the Texans the 57-56 double overtime victory.

Tarleton finished the afternoon with 530 yards of total offense, including 234 yards rushing and 296 yards through the air. The Javelinas had 402 yards of offense, including 238 yards on the ground and 164 yards passing.

Robertson has 19 carries for 131 yards and a touchdown while Roderick Smith had 13 carries for 67 and a score. Grantham had five rushes for 35 yards and a score while Demby had two carries for one yard and a touchdown.

TEXAN OFFENSE LIMITED TO JUST TWO FIELD GOALS AS CWU WINS SECOND ROUND PLAYOFF GAME 27-6

ELLENSBURG, Wash. - The No. 12 Tarleton Texans had a hard time running the ball Saturday in the second round of the NCAA Division II playoff against No. 1 Central Washington, and just nine first downs were logged by the Texans in a 27-6 loss in Ellensburg, Wash.

Tarleton's season closed with the loss as the Texans finished 11-3 overall.

The Texans handed the ball over on two fumbles, and the Wildcats scored 10 points off of those turnovers, while the Texans had an interception and had just three points. One of the Texan turnovers was deep into Wildcat territory.

The Texans gained just 178 yards of total offense, Tarleton's second worse out of the season after Abilene Christian held Tarleton to 172 total yards. On Saturday, Tarleton gained 192 yards through the air, but the Texans were limited to minus-17 yards on the ground.

Bradley Bullitt intercepted a Cole Morgan pass and then lateralled the ball to Jeremy Sifford who returned it to the CWU 39-yard line to set up the first score of the game when Garrett Lindholm made a 39-yard field goal with 4:07 left in the first quarter. The score came after six plays and Tarleton covered just four yards in the scoring drive to make it 3-0 Texans.

On the next drive for the Wildcats, Morgan hit Johnny Spevak for a 48-yard touchdown. Garrett Rolsma had the extra point to put the home team ahead 7-3 with 2:33 left in the opening quarter. The drive took three plays to cover 50 yards.

The Wildcats stretched the lead to 14-3 with 10:16 left in the first half when Randall Eldridge punched it in from two yards away. Rolsma added the kick to cap the two-play 15-yard drive that was set up by a Roderick Smith fumble at the Tarleton 22-yard line. The ball was scooped up by Taylor Breitzman and returned to the Tarleton 15.

The Texans took the next drive 48 yards on 10 plays in 4:03 to set up a 31-yard field goal by Lindholm. The Texans trailed 14-6 with 6:03 on the clock.

CWU then added a field goal with 1:39 remaining in the second quarter when Rolsma connected on a 27-yard attempt to close an eight-play, 71-yard drive that took 4:24 off the clock. The Wildcats led 17-6 at the half.

The Texans stopped the Wildcats' first drive of the second half, and the offense was driving down the field when Roderick Smith caught a screen pass from Scott Grantham, but the senior running back again fumbled – this time at the CWU 23-yard line.

The home team then took the ball 69 yards on six plays to stretch its lead to 20-6 when Rolsma hit a 30-yard field goal with 8:07 left in the third quarter.

Neither team scored again until the Wildcats put the last point of the game on the board. Eldridge punched the ball in from three yards out to end a nine-play, 67-yard drive. The kick by Rolsma put the final tally on the board with CWU winning, 27-6.

Evan Robertson had 26 yards to lead the Texans' rushing game on 10 carries. Keith Demby had one carry for two yards while Smith had five carries for minus-six yards and both fumbles.

Grantham was 14-of-33 for 192 yards and was sacked twice. Devin Guinn led the team with three catches for 45 yards while Arthur Buckingham had three receptions for 34 yards.

The Wildcats totaled 409 yards of total offense, including 122 yards on the ground and 287 yards through the air.

Morgan was 21-of-31 for 287 yards and a touchdown with one sack and one interception. Spevak led the squad with five catches for 97 yards and a score while Eldridge had 18 carries for 101 yards and two touchdowns.

Tarleton is now 2-3 all-time in Division II playoff games.

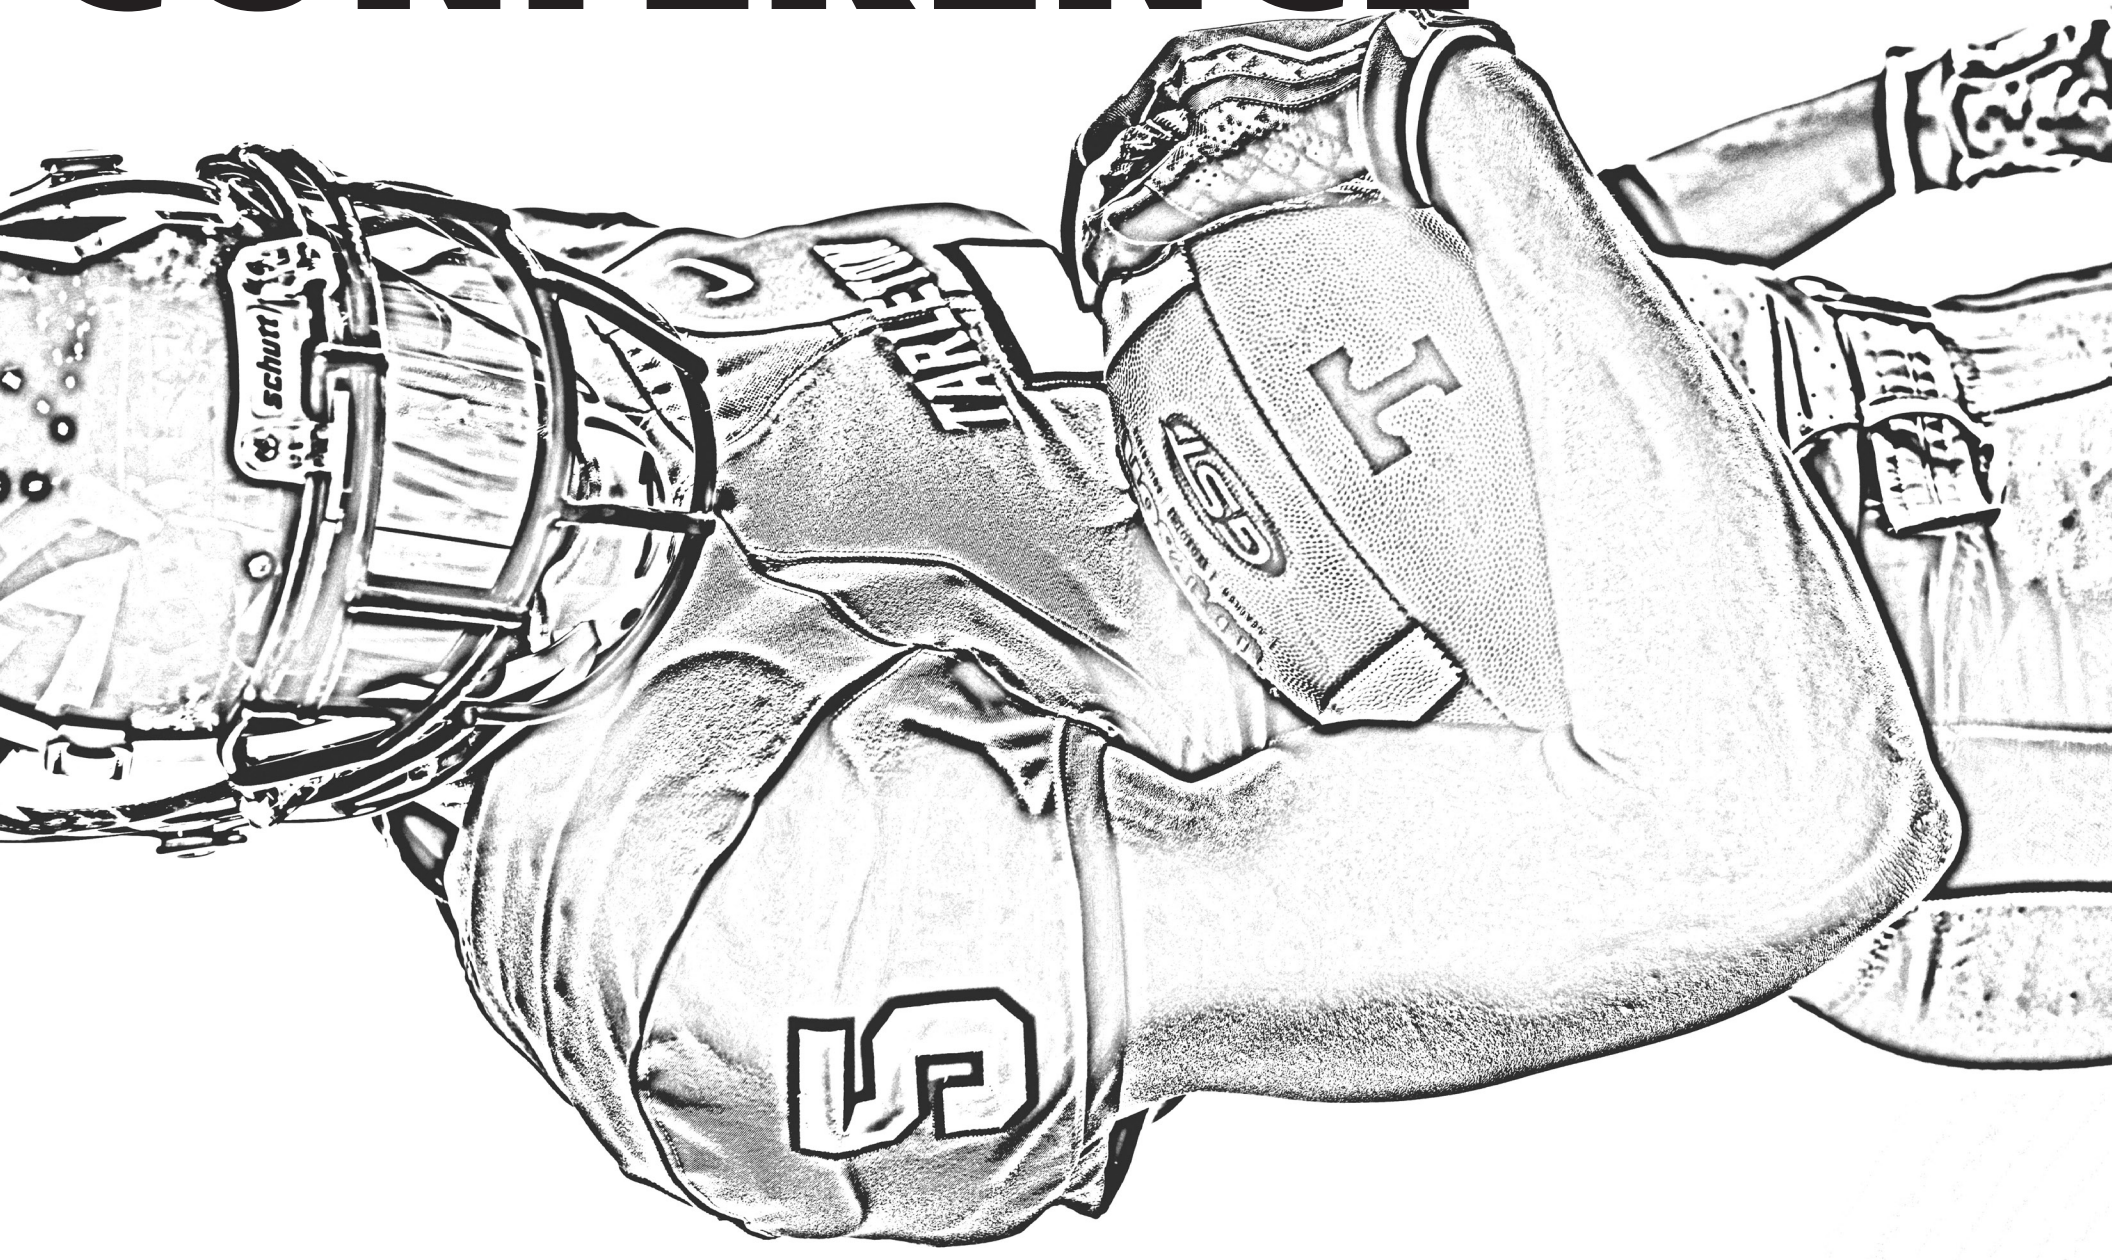
THIS IS OUR CONFERENCE



LONE STAR CONFERENCE

Long known as a leader in intercollegiate athletics, the Lone Star Conference™ (LSC) is an innovative athletics conference that aims to provide a superior competitive experience for member institutions and to allow for comprehensive development of student-athletes through academic services and life skills programming. The LSC continues to build upon its proud history while intending to be recognized as the premier NCAA Division II conference in the nation.

The league's mission is to foster student participation and success among member institutions in NCAA Division II intercollegiate athletics as an integral part of each institution's total educational program. The LSC shall pursue student-athlete development with highest regard to the principles of academic excellence, graduation success, sportsmanship, ethical conduct, resourcefulness, community service, gender equity, and diversity.

The LSC - founded on April 25, 1931 - has developed from a five-team conference of Texas-based schools to an 11-member league that spans three states (Texas, Oklahoma and New Mexico).

The league continues to assist its member institutions in the maintenance of intercollegiate athletic programs that are compatible with the highest standards of education and competitive sports.

Throughout the league's 86-year history, various institutions have competed under the LSC banner. Today, only Texas A&M University-Commerce (then East Texas State) remains from the original group that was formed in 1931 when North Texas State, Southwest Texas State, Sam Houston State and Stephen F. Austin withdrew from the old Texas Intercollegiate Athletic Association.

The membership alignment has changed over the years, with current members added from 1954 to 2016. Texas A&M-Kingsville (formerly Texas A&I) joined in 1954, and Angelo State in 1968.

Conference membership remained within the Texas borders until 1984 when Eastern New Mexico was admitted. Since then, the LSC has included members from Arkansas and Oklahoma.

Cameron (1988, 1996) was added near the outset of an expansion phase, while Texas Woman's (1989) and previous members West Texas A&M (1986, 1993) and Tarleton State (1968, 1994) joined the league soon after.

Midwestern State was admitted early in 1995, while Incarnate Word joined the league in 2010. Harding reconnected with the league as an affiliate member in track and field from 2013-15, and McMurry was an affiliate member in indoor and outdoor track and field, and football in 2014.

UT Permian Basin and Western New Mexico were added to the league in 2016, while Lubbock Christian joined as an affiliate member in indoor and outdoor track and field that same year. Oklahoma Panhandle State was an affiliate member in football in 2016.

Past members of the LSC include Trinity, Houston, Lamar, Howard Payne, Sul Ross State, McMurry, Harding, Ouachita Baptist, Central Oklahoma, East Central (Okla.), Northeastern State (Okla.), Southeastern Oklahoma, Southwestern Oklahoma, Abilene Christian and Incarnate Word.

While the LSC has maintained a long-standing tradition of competitive athletic programs for its members, many teams and individuals have gone on to distinguish themselves on the national stage. Entering 2017-18, LSC member institutions have collected 76 NCAA team national championships since the league joined the Division II membership in 1982.

The LSC conducts conference championships in 17 sports (eight men and nine women). Men's championships include football, cross country, basketball, baseball, indoor track and field, outdoor track and field, golf and tennis. Women's titles are determined in volleyball, soccer, cross country, basketball, softball, indoor track and field, outdoor track and field, tennis and golf.

The conference office is located in Richardson, Texas, a northern suburb of Dallas. Jay Poerner serves as Commissioner, with assistance from Melanie Robotham (Media Relations), Danielle Anderson (Compliance) and Cheryl Scott (Business).

DEARTH BECOMES FIRST TARLETON STATE ATHLETE TO BE INDUCTED TO LONE STAR CONFERENCE HALL OF HONOR

Former Tarleton State football standout James Dearth has been named one of three inductees into the Lone Star Conference Hall of Honor, the league office announced in early August.

Along with Dearth, the 2013 inductees also includes another football standout in Angelo State's Clayton Weishuhn and a previous sports information director, Garner Roberts from Abilene Christian.

These former players and administration staff make up the 2013 class of inductees for the LSC Hall of Honor, which recognizes outstanding individuals who have brought pride and honor to the conference through their contributions as an athlete or who have demonstrated a long-term commitment to the betterment of the conference as a coach or administrator.

The inductees were chosen by a panel of athletic administrators throughout the league.

"This year's class is very deserving and seems to represent the contrasting ways people have been associated with our league over the years. You have a guy like James, who accomplished a whole lot in a very brief period of time, and then a guy like Garner, who really has made lifelong contributions to the conference. And, of course, Clayton's experience of achieving individual success while also helping his team to accomplish national prominence is to be celebrated. These three truly speak to the tradition of our conference and are joining their rightful place among other Lone Star Conference greats," said LSC Commissioner Stan Wagnon.

Each of the inductees will receive the LSC's signature Hall of Honor award, a 15-inch custom-sculpted eagle figurine mounted on a cherry wood base. The awards for Dearth, Roberts and Weishuhn are to be presented this fall.

Here is a closer look at each of the 2013 inductees to the LSC Hall of Honor:

James Dearth, Tarleton State, Football: Dearth, who is TSU's first LSC Hall of Honor inductee, was a two-time second team All-American in football and an All-American in the shot put. Drafted in 1996 in the sixth round by the Cleveland Browns, he is a 12-year veteran of the NFL as a deep snapper.

Dearth played for the Texans from 1996-98, tallying 77 catches for 992 yards and nine TDs in three seasons. He actually started at quarterback in TSU's opening game in 1996 before moving to tight end, where he twice was named first team All-LSC South Division and second team NCAA Division II All-America.

The Scurry, Texas, native was named the 1998 LSC South Offensive Lineman of the Year as he finished his senior season with 19 catches for 333 yards in the final four games. He also earned All-America honors in the shot put in 1998 while competing for Tarleton's track and field team. Dearth was inducted into the TSU Hall of Fame in 2012.

Dearth was enshrined into the Tarleton Athletics Hall of Fame

Garner Roberts, Abilene Christian, Sports Information Director: Roberts served ACU as its Sports Information Director for 25 years from 1973-98, watching the Wildcats win 41 national championships and 89 Lone Star Conference titles, and then worked at the university in various marketing roles until 2004. He also served as the LSC media relations director from 1984-95, while still performing his duties at ACU.

Roberts was inducted into the ACU Sports Hall of Fame in October 1999 as the 11th recipient of the Lifetime Achievement Award. A 1970 ACU graduate, he has worked at athletics events all over the globe, including track and field opening and closing ceremonies at the 1984 Olympic Games in Los Angeles. In 1987, Roberts received CoSIDA's Warren Berg Award and is a member of the CoSIDA Hall of Fame.

Clayton Weishuhn, Angelo State, Football: Weishuhn was a three-time first team All-LSC selection during his career from 1978-81 and one of the top defensive players to wear an ASU uniform. He played during the most successful era in Ram football as ASU posted a 39-8-1 record during his four years with the program.

Weishuhn was a part of Ram teams that made three-straight postseason appearances, the only such streak in school history. As a freshman, he was a member of the ASU football team that won the 1978 NAIA national championship, going 14-0, the program's only undefeated season. Weishuhn ended his playing career as the Rams' all-time leading tackler with 523 stops, a record that he still holds to this day.

After earning second team All-American honors as a junior, he was a consensus first team All-American pick after his senior season in 1981 after setting the school record with 173 tackles. Weishuhn earned first team All-LSC acclaim after each of his three final seasons (1979-81) and was a two-time selection for the J.V. Sikes Award (1980-81) given to the outstanding lineman in the LSC. He is one of nine former ASU players to go on to a playing career in the NFL as he was drafted by the New England Patriots in the third round of the 1982 draft.

THIS IS OUR UNIVERSITY

PRESIDENT DR. F. DOMINIC DOTTAVIO

As Tarleton's 15th President, Dr. F. Dominic Dottavio leads a talented faculty and staff to provide a transformative educational experience for our students. Rooted in six core values – tradition, integrity, civility, leadership, excellence and service – Tarleton's vision is to be the premier student-focused university in Texas and beyond.

This year, Tarleton celebrates the centennial anniversary of its becoming the founding member of The Texas A&M University System. Planned events this fall include a Sept. 20 Birthday Party, hosting a meeting of the A&M System Board of Regents and dedicating the section of Vanderbilt Street that runs through campus as Rudder Way.

Since becoming president in 2008, Dr. Dottavio has led the university to record enrollments, added new undergraduate and graduate programs, and opened new and renovated facilities providing state-of-the-art technologies and teaching spaces. A new Agricultural Field Machinery and Fabrication Laboratory opened at the Agricultural Center, and the Texas legislature has approved $10 million to construct a new Animal Science Center and an Agronomy/Horticulture Center at the site.

> "Tarleton spirit and pride can be felt in the passion for our traditions and comes alive through our students when they are on the field, court or track. Our highly successful athletic program and spirit groups lift the spirits of students, alumni and friends across the country."
>
> - Dr. Dottavio

A new $54 million engineering building is under construction to meet the needs of the expanding engineering, engineering technology and computer science programs, which have increased enrollment and added new degrees. The renovated O.A. Grant Humanities building includes a modern communications teaching studio and laboratory as well as classrooms designed for team teaching and audiovisual support. The Dick Smith Library's new Learning Commons provides students with resources for effective study today. New residential living and learning centers and an expanded Honors Hall provide a more intensive educational experience for those with common interests and aspirations.

With a record enrollment surpassing 13,000 students this fall, including rapid growth at academic centers in Fort Worth, Waco, Midlothian and online, Dr. Dottavio is overseeing the realization of master plans for the Stephenville and new Fort Worth center. Projects include expanding and remodeling Memorial Stadium, transforming Lillian and Vanderbilt Streets into pedestrian malls while upgrading utilities and infrastructure, and building the first academic building at the 80-acre Fort Worth site.

Tarleton's annual operating budget of more than $185 million makes a significant impact on the regional and state economy. Through its six academic colleges and the College of Graduate Studies, Tarleton employs more than 1,100 faculty and staff. Its economic impact on the region reaches up to eight times its yearly expenses, including additional expenditures for capital construction projects.

Faculty, staff and students also contribute to area communities through their civic and cultural engagements, including the annual

Tarleton Round-Up Day when hundreds of Tarleton volunteers perform public services for the community.

Well-known to students and the community for being engaged and accessible, President Dottavio and his wife, Dr. C. Lisette Dottavio, CPA and senior tax accountant, live on campus in the historic Trogdon House, the first Tarleton president to do so since the home's namesake, President W.O. Trogdon.

Having grown up in Massillon, Ohio, Dr. Dottavio earned a bachelor's degree in natural resource management from The Ohio State University, a master's in forestry and environmental studies from Yale University and a Ph.D. from Purdue University's College of Agriculture. As regional chief scientist for the National Park Service, U.S. Department of Interior, he led research programs in coastal zone management, ecosystem restoration and conservation biology. Ohio State selected Dr. Dottavio from among 350,000 alumni to receive its Distinguished Citizenship Award and Purdue University recognized him as a Distinguished Alumnus of the College of Agriculture.

Dr. Dottavio returned to higher education as the chief executive officer of The Ohio State University at Marion campus. He became president of Heidelberg University, a 167-year-old private college in Tiffin, Ohio, prior to coming to Tarleton.

The Dottavios have two grown children: son Aaron and his wife, Lyndsey, and their two children, Dominic and Abigail, live in Phoenix, Ariz.; and daughter Adrea and her husband, Yiannis Papadopoulos, who live in Waltham, Mass.

TTS and TTP

Formed when Tarleton was a junior college, the Ten Tarleton Peppers (TTP) and Ten Tarleton Sisters (TTS) are the two oldest organizations on campus. These spirit organizations for men and women were formed in 1921 and 1923, respectively.

New members of these secret organizations are selected by current members. When first organized, the two groups met late at night and prepared signs for upcoming athletic events. The basic signs at this time were made of canvas and were stretched between trees on campus. The clubs met in the attic of the old recreation hall, which is now the Administration Annex.

The identities of the senior members were disclosed in group photos when the yearbooks were distributed. Senior members stood facing the camera while others faced away from the camera with various and sundry items placed over their heads. The groups are sponsored by faculty and staff members.

Purple Poo

The TTS and TTP were precursors of the modern Purple Poo. The still-secret organization makes Poo signs each Monday night, which appear on campus every Tuesday morning. The signs occasionally comment on campus political life and student life, but most promote school spirit. These signs are nailed to trees on campus. Members appear in public dressed in costumes and identity is closely guarded.

The Purple Poo is one of the oldest secret spirit organizations in the state of Texas.

The Texan Mascot

Upon joining The Texas A&M University System in 1917, the Tarleton athletic teams became known as the "Junior Aggies."

In 1924, Coach W.J. Wisdom became disenchanted with the name and held a contest to select a new mascot. The winner would receive $5 and Wisdom would be the sole judge. One day, Wisdom was walking across campus and contemplating the fact that Tarleton was primarily an agricultural school when the name "Plowboys" popped into his head. He immediately adopted the new mascot and kept the $5. The symbol of the Plowboys was a muscular young man in overalls pushing a hand plow.

In 1950, the mascot withstood a challenge when four additional names were suggested for a student vote. Plowboys won by a 2-1 margin. With the university's changing image, however, another election was held in 1961 and students approved the name "Texans." The horse and rider became the new athletic mascot of the university.

The Plowboys

In 1984, a group of interested students established a spirit organization on campus and re-adopted the name "Plowboys," which was the former mascot of the athletic teams. The Plowboys attend athletic events and other campus activities and are familiar to students because of their white shirts, hats and purple chaps.

Oscar P

Legend has it that John Tarleton, founder of the university, had a pet duck named Oscar P who went everywhere with him. The two were so close that Oscar P is said to be buried with Tarleton.

At various student activities, the Purple Poo rally Tarleton students by raising the spirit of Oscar P. This is done by kneeling and pounding the ground while calling out "Hey, Oscar P." Although this has become one of the favorite traditions, there is no evidence to verify the story.

The Airplane Incident

At the height of the Tarleton-North Texas Agriculture College rivalry, frequent raids by opposing students were common. Bonfires were the primary objectives and, as described in the *J-TAC* newspaper (Tarleton's school paper), the students were driven by "the desire to cause premature conflagration of the accumulated rubbish."

On Nov. 29, 1939, two days before the traditional football game, and in retaliation for the burning of the NTAC bonfire by Tarleton students the night before, an NTAC student and accomplice flew over the Tarleton campus and attempted to bomb the bonfire. In their efforts to repel the air attack, Tarleton students on guard threw various objects at the plane. L.V. Risinger hurled a 2x4 into the air, striking the propeller and disabling the aircraft. The pilot glided over what is now the Hall of Presidents and crash-landed in a clump of trees.

While the NTAC student and his buddy launched the air attack, three truck loads of NTAC students attempted to invade campus by land. Both the land and air attacks were repulsed. The NTAC students were captured, given a block-T haircut and sent on their way. The Homecoming bonfire has been dedicated to L.V. Risinger, defender of the bonfire, who died in 1994.

Cecil Ballow Baseball Complex

Tarleton State has had one place to call home since the program resumed in 1988 - the Cecil Ballow Baseball Complex.

The complex was given its name in honor of the late Tarleton State Athletics Hall of Fame coach, Cecil Ballow. A Stephenville resident, Ballow served as the Dean of Students at Tarleton State for 31 years and served as the school's baseball coach for a decade - which included a trip to the 1960 Junior College National Championship game where the Texans finished as the national runners-up. He coached Tarleton's baseball team from 1951 to 1960 before retiring from the coaching ranks after the farthest postseason run in program history. Many of his junior college athletes went on to earn All-America honors at senior colleges. He retired from the university in 1979.

Nicknamed Ol' Cecil, the complex went into construction in January of 1987 and was completed prior to the inaugural season of baseball in 1988 under head coach Lee Driggers.

The field is located beside the Tarleton Horticulture building and behind the Tarleton State Softball Complex - which was a later addition to the property when the university added women's fastpitch softball in 1996 - on the south side of Washington Street. The field is natural grass and is framed in center and right field by pecan trees with the university behind Washington Street in the distance. The field measures out to 320 feet down each foul line, 365 feet to the gaps, and 400 feet to straight-away centerfield.

A new scoreboard was added prior to the 2014 season with inning-by-inning score-tracking capabilities as well as columns for runs, hits, and errors. The new LED scoreboard allows for customizable names to be placed in the home and visitor title screens.

The dugouts in the complex are covered with red brick and seats 750 spectators in metal bleachers that wrap around the fence behind home plate. A new nylon backstop was installed prior to the 2015 season that wraps from dugout to dugout and extend 50 feet high - replacing the 30-foot high chain-link fence that was originally placed behind the plate in 1988. The press box is located at the top of the center seating section and has space for a scoreboard operator, official statistician, and media.

Tarleton Softball Complex

Home to the youngest program of Tarleton Athletics, the Tarleton Softball Complex has seen its share of success since the inaugural season in 1996. The Tarleton Softball Complex has served as the home field for the TexAnns since the first season, after initial construction began in the spring of 1995.

Tarleton played its first game on the field on February 19, 1996 and won the second game of a doubleheader against Schreiner College in extra innings.

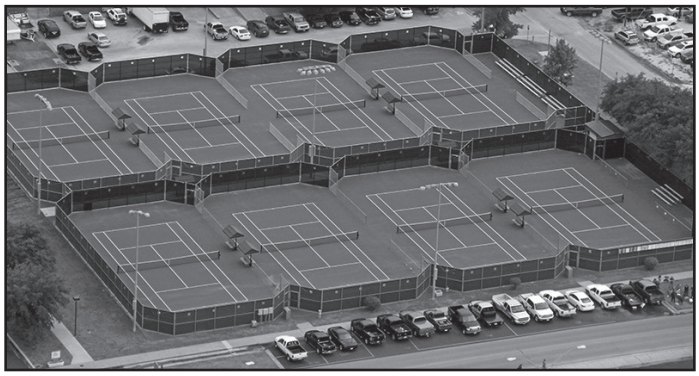
The field dimensions are 190-feet down the lines and 220-feet to straight-away centerfield. The field itself is laid out in the same direction as the adjacent Cecil Ballow Field, Tarleton's home for baseball games.

A new scoreboard was installed in left-centerfield prior to the 2015 season, features customizable name plates and inning-by-inning scores, and is surrounded by nylon netting. Permanent bleachers were also added after the initial construction, which holds 500 fans. A press box rises above the bleachers and seats the primary game administration.

In addition to a hitting tunnel, locker rooms, and storage facilties located just beyond right field, the Tarleton Softball Complex features a unique painting, courtesy of former TexAnn Jalayne Rinewalt, of 'Tarleton Softball' on the third base dugout.

Potishman-Lard Tennis Courts

The Potishman-Lard Tennis Courts at Tarleton State University underwent a significant upgrade prior to the 2014 season when the complex expanded from four courts to eight with the original four courts also getting a facelift.



The project included renovations to the existing four tennis courts, the addition to four brand new courts on the backside of the original courts and new lighting for the entire complex. All courts were painted purple and outdoor bleachers were placed on the west end of the complex with a courtside view of the No. 1 doubles court.

The original tennis complex was opened on November 3, 1979 after being constructed under a grant from the Mary Potishman Lard Trust. Leo Potishman and Clyde H. Wells, a chairman of the Texas A&M Board of Regents, volleyed a gold tennis ball that Saturday to christen the courts. The speakers also unveiled a plaque dedicated to the memory of Robert S. Lard.

The original four courts, constructed under the Lard Trust Grant, was constructed for a total cost of $115,000.

Tarleton Memorial Stadium

For more than six decades the fortunes of the Tarleton Texans have played out on the gridiron at Memorial Stadium.

Guided by the likes of former coaches W. J. Wisdom, Earl Rudder, Buddy Fornes and current head coach Todd Whitten, the Texans built a legacy of excellence, much in the confines of their home arena.

Playing host to opponents from the Pioneer Conference, the Texas Intercollegiate Athletic Association and, most recently, the Lone Star Conference, the venerable facility has witnessed championship seasons, postseason bowl invitations, and players who have excelled and advanced into the professional ranks.

In addition, legendary track coach Oscar Frazier fielded teams that dominated university-hosted competitions at Memorial Stadium, winning 19 conference or state titles, while training athletes who achieved state, national and even Olympic honors.

Memorial Stadium also has been the venue for Friday night heroics, hosting home football games for the five-time state champion Stephenville Yellow Jackets, as well as innumerable school playoff battles.

The stadium owes its very existence, as well as upgrades and additions over its 65-year life, to the generosity of local supporters of Tarleton's athletic programs.

In the late 1940s, during the administration of President E.J. Howell, local leaders and influential alumni forged a committee to collect the $100,000 necessary to build the stadium. While early efforts proved fruitful, gathering $55,000 within the first year, the drive stalled before being brought back to life by Mary Hope Westbrook, head of the English Department. Westbrook assumed leadership of the group, which then met its funding goal.

By October 1948, crews began construction, bulldozing eight acres to make way for the stadium. The initial structure, made of reinforced concrete, seated 6,000 fans in 32 rows of steel bleachers. In 1950, a regulation cinder track was installed around the football field and, in 1951, the building opened.

Several rounds of upgrades, most funded by university benefactors, have occurred over time. A major renovations in 1977, financed by a then-ambitious $475,000 local fund-raising drive, added the now-iconic berm on the east side, replaced the old steel seats, extended the bleachers on the west side and built the press box. A $2 million project, which began in 1988, expanded seating to 7,600, added concession areas and built the current field house. In addition, track and field facilities were renovated and named for legendary track coach Oscar Frazier.

Wisdom Gym

Wisdom Gym has seen some history.

Built in 1970 for a cost of $1.3 million, Wisdom Gym has been the home of Tarleton Basketball for nearly 50 years. Over that time, the gym has played home to All-Americans, Conference Champions, Conference Tournament Champions, NCAA Regional Tournaments, and NCAA Sweet 16 games. The gym has also been the home of the winningest basketball coach in school history since 1988.

The facility is located on the northwest corner of the campus, adjacent to Memorial Stadium, and is one of a kind on the campus of Tarleton State University as the only white brick building on the campus.

After the initial $1.3 million cost to build the facility, the gym underwent another $1.7 million renovation in 1977. The entire building, which also houses the Kinesiology department, women's volleyball gym, and child development center encompasses nearly 115,000 square feet of space.

The Texan and TexAnn basketball teams play on the hardwood of Wisdom Gym, which seats 2,400 spectators in a raucous environment that allows fans to stand within six feet of the sideline on the floor. Reserved seats with chair-backs were installed in 1999 and were renovated with brand-new cushion seating in 2017. A new hardwood floor was installed in the summer of the 2010, replacing the original floor, and new student seating was also installed in 2010 to replace wooden bleachers with the current purple seats.

A new scoreboard and video board was added prior to the 2013 season and the locker rooms have received several upgrades over the last few years, including new carpet, new lockers, and new technology for watching film.

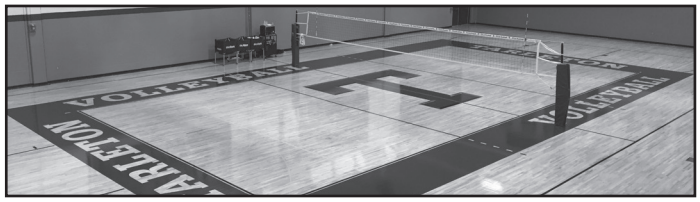
Tarleton is one of just two schools in the Lone Star Conference with a true 'Volleyball Gym' that doesn't share time with basketball teams.

The Wisdom Volleyball Gym is located inside Wisdom Gym on the northwest corner of the campus, adjacent to Memorial Stadium. The gymnasium, named for longtime Tarleton athletics director and basketball coach W.J. Wisdom, was built in 1970 at a cost of $1.3 million dollars. The entire building, which also houses the Kinesiology department, women's volleyball gym, and child development center encompasses nearly 115,000 square feet of space.

The main floor of the volleyball gym was refinished in 2017 to include the 'Block T' logo at center court. The volleyball gym was added to Wisdom Gym in 1977 as a part of a $1.7 million expansion project.

As the volleyball team's success grew following the first-ever LSC Tournament Championship and regular season championship in 2014 and 2015, so did the crowds. While the stands hold as many as 650 fans in the lower and upper bleachers on the north wall of the gym, portable bleachers are also added on the east and west ends to add seats for 100 more people.

The retractable bleachers on the floor were installed in the summer of 1999 and the south wall received a paint touch up and new photo banners prior to the 2014 season.



TEXAN IRON WEIGHT ROOM

The Athletic Performance Weight Room is where the Texans and TexAnns work out, following a year-round plan to maximize their athletic potential through sound strength and conditioning training. The Mission Statement for Athletic Performance states, "Tarleton State University Athletic Performance strives to provide Tarleton Athletics the best organized and best supervised athletic performance enhancement, injury prevention, and character development program possible within NCAA guidelines." From the layout of the weight room to the writing of the workout programs and the execution of the workouts, the Tarleton Athletic Performance Staff, led by the Assistant Athletic Director for Athletic Performance (Master Strength and Conditioning Coach Rod Cole), creates an environment for maximizing the athletic abilities of TSU student-athletes.

Operating with a philosophy of POWER, LOVE, AND SELF-DISCIPLINE, the Athletic Performance staff motivates the Tarleton student athletes to approach life with a spirit of aggressiveness and assertiveness, to commit whole-heartedly, and to consistently discipline themselves to "do the hard things" necessary to be successful in athletics and in life. In his career, Coach Cole has trained some 150 athletes who have gone on to perform in the NFL, NBA, WNBA, MLB, CFL, international professional basketball leagues, or the Olympics. Some of the most notable athletes trained by Coach Cole are NFL players Darren Sproles, Jordy Nelson, Vonn Miller, Ryan Tannehill, and Terence Newman. Whatever your goals are as an athlete, Coach Cole and his staff can help you reach them.

"Tarleton State is committed to having a high-level Athletic Performance program," states Coach Cole. "Few universities at any level do strength and conditioning the way we do it here. With full-time assistant coach Stephanie Sharpe, graduate assistant coaches, and a host of interns that have finished their master's degrees, are grad students, or are undergraduates, we customarily have a staff of about twenty each year- you are not going to find that size of staff many places. We will be able to provide the best organization, supervision and coaching possible because of our staff size and staff quality." Each year Coach Cole will mentor a number of young coaches who will fulfill the requirements to sit for the Collegiate Strength and Conditioning Coaches association certification test to earn the GOLD STANDARD of strength and conditioning certifications.

At Tarleton State, we strive to coach the whole person. Required strength and conditioning activities are limited to eight hours or less a week by NCAA legislation, but the Athletic Performance strives to coach the TSU student athletes on what to do in "the other 22 hours a day" and "the other 160 hours a week" to maximize the effect of the training and practice time. Taking proper care of the body - nutrition, sleep and restoration, and the mental approach to one's sport, as well as character development, are all points of emphasis.

Many student athletes stay and work out on campus during the summer to allow for the best opportunity for success in the school year. Those who are not on campus in the summer are provided a workout plan for the time that they are away to encourage that they return in the best condition possible to start the year each August. The accomplishments of TSU athletic teams have fostered more and more involvement in the summer program as time goes on, showing a continued commitment to athletic success.

The spacious two level Athletic Performance Weight Room underwent a major renovation in December 2015. The facility now boasts 16 Power Lift Racks with in-laid maple wood platforms, featuring the Perform-X Band System for jump and quickness training. Uesaka bumper plates, Iron Grip plates, and all the accessories to complete a workout all at one rack. The facility also houses Iron Grip dumbbells ranging from 5-130 pounds, 60 kettlebells of various sizes, two Vertimax jump trainers, as well as 11 other machines and over 70 medicine balls. The upper-level cardio area has a Cybex Arc Trainer, two treadmills, two steppers, and an elliptical trainer, upper-body ergometer, and recumbent bicycle for cardiovascular training.

Each sport and each athlete is different, but the same philosophy of POWER, LOVE, AND SELF-DISCIPLINE will help each Tarleton student athlete maximize their potential as a student, as an athlete, and as a person.

When the 2017-18 season begins, Lonn Reisman will start his 24th year as the athletic director at Tarleton and his 30th season as head coach of the men's basketball program.

Under Reisman's direction, Tarleton is flourishing not only on the basketball court, but in nearly every sport. The Tarleton Athletics Department finished the 2014-15 season as the No. 23 ranked department in the nation in the Leerfield Cup Standings, which ranks every school in NCAA Division II based on success.

Reisman led Tarleton out of the NAIA ranks and into NCAA Division II in 1994 and has since seen Tarleton elevate to national heights. Tarleton has been ranked in the national top 25 polls and qualified for the NCAA national playoffs in every sport along the way, including Final Four finishes in men's basketball and women's golf.

In addition to Tarleton's playing success, Reisman is responsible for the fundraising success by establishing the Texan Club. Since its inception in the early 1990's, the Texan Club has grown into one of the largest booster clubs in NCAA Division II. The Texan Club has previously been recognized as a successful organization in the National Association of College Directors of Athletics publication for its fundraising efforts and success.

"Our booster club is better than a lot of Division I schools," Reisman said. "However, the success of the club depends on raising money every year. We raise a lot of money. We raise enough to fulfill 10 full scholarships and the rest of the money goes for student-athlete enhancement through study hall tutors and monitors as well as supporting the programs. We definitely would not be as successful if we didn't have the support of the Texan Club corporate sponsors and individual members."

Lonn Reisman
ATHLETIC DIRECTOR

The efforts of Reisman and his staff have led the Texan Club's expansion from eight corporate members to over 200, along with more than 200 individuals and 25 small businesses. They have also have reached out to former student-athletes through the T-Club, which is another fundraising effort brought to Tarleton in the Reisman era.

In his near three decades at the helm, Reisman has also been involved in facility improvements while heading the Tarleton athletics programs. Memorial Stadium underwent upgrades in 2004 when turf and visitor concessions were added and now will undergo a $26 million renovation to upgrade the turf and build a state-of-the-art press box and home side seating on the west side of the stadium. The lobby of Wisdom Gym looks much different since the building of the Hall of Fame wall and trophy cases as well as cosmetic changes throughout the building. Both the Tarleton tennis courts and softball complex have been upgraded with state-of-the-art lighting systems, as well as brand new sound systems at the softball and baseball fields.

In 2006, Reisman led the way for Tarleton students to vote for an athletics fee that helped fund the scholarships and improve the overall well-being of the athletics department and its programs. The athletics director led another charge for updated fees to increase over the next two years to help the Texans and TexAnns keep up with the rest of the LSC and nation.

Reisman is the longest tenured Athletic Director in school history, topping W.J. Wisdom's 20-year career at the helm of Tarleton sports.

Lonn Reisman is not only the athletic director of Tarleton, but one of the most successful and respected basketball coaches in the nation with over 600 career wins at Tarleton.
